Bethany Outplays McPherson.

Wins In One of the Roughest Games Ever Witnessed on Our Court

The Terrible Swedes came back strong from their two defeats of last year at the hands of M. C. and turned the tables on the Bulldogs this year as Bethany excelled in goal shooting and their victory of 32 to 18 last Wednesday night must be attributed to that fact. Even tho the score may not indicate it the game was the hardest fought battle of the season and certainly it was one of the roughest contests ever held in the gym.

Two tournament teams furnished the excitement while the crowd assembled. Conservative estimates place the number at about 450. Bethany came down with nearly one hundred rooters and the latter packed the space reserved for them to its capacity.

The game was called at 8:30 by referee Smith of Salina. The fracas started fast. McPherson lost its opportunity to lead in the scoring when Moors failed to throw the first free goal. A little later a foul was called on McPherson and Thorstenberg threw the goal and Bethany had started scoring. Neither M. C. forwards could make a goal although they had many chances. Good guarding held down the visitors forwards but they were getting a few all the time. Gradually Bethany gained a good lead. Stover was put in at forward and his free throws promised to help considerably. M. C. was putting up the strongest defence of the season but with little support from the forewards Bethany's lead could not be overcome. By the end of the first half Bethany had doubled the score as it stood 16-8.

The two teams were getting fine support from their rooters. Bethany did not bring their band down and M. C. rooters had all the honors in cheering.

The Bulldogs entered the second half with the same fighting spirit and with improved playing. They began to shoot goals and their team work was excellent. However Lundstrom and Carlson both performed some classy goal shooting and the Swedes kept in the lead. The Bulldogs could not get together after the intermission for one of the Bethany players and even the shifting of the lineup did not help. The game ended 32-18 in Bethany's favor.

Bethany played an even game throughout, making 16 points each half. The game was pretty rough at times with the honors pretty well divided between the two teams.

The box score:

	F.G.	F.T.	Pts.
Eichenberger, forward	0	0	0
Stover, forward	0	5	5

Johes, forward	4	0	8

TOTAL	12	8	32

Smith, referee.

Choral Union Gave "Elijah"

Choral Union's First Offering Pleases Crowd

The first of the two annual concerts given by the Choral Union during the year was a marked success. Mendelssohn's Oratorio, "Elijah" was thoroughly enjoyed by the crowd that packed the chapel to overflowing last Tuesday evening. Prof. Rowland ably directed the chorus of nearly eighty voices.

The "Elijah" is the most ambitious work yet undertaken by the Choral Union. The text is taken from the life of the prophet Elijah and both text and music are of an intense dramatic character. The "Elijah" is perhaps the most dramatic of the great oratorios as well as one of the most difficult. The chorus did very good work throughout the evening and showed marked improvement over former concerts. The interpretation was especially good. The only criticism that could be made was lack of balance on account of the tenor and alto section being weak in numbers and also lack of confidence in one or two of the choruses.

All the soloists were from either the college or the town. They were all very well received and much favorable comment was heard from the audience. The soloists were: Miss Fern Studebaker, Soprano, Miss Kathryn Thomas, Soprano, Miss Mary Durst, Contralto, Mr. J. Howard Engle, Tenor, Mr. C. P. Miller, Bass, and Mr. W. H. Widiger, Bass.

Miss Pauline Vaniman did excellent work as accompanist.

It seems to have been a fad to disfigure the personal appearance during the past few weeks, at least that's the way it looked to the innocent bystander. The girls of the dorm started the barbaric notion by bobbing their hair, the boys replied by growing mustaches and then the girls came back with those horrible bangs. With the appearance of the latter the boys gave up in disgust.

College Seniors Lose Faculty Reception to Two More. Students Thursday

Kathryne Thomas Leaves For Home. Earl Watkins Called to the Colors

The inevitable has occurred, and the resounding steps of certain of our college seniors have been heard for the last time. The class had promised the most flourishing results in years has for the third time been shattered by the relentless fate. However, recognizing the loss incurred by the necessary departure of all those who have been called, the class is by no means despondent the glowing future of the situation lies in the fact that, with one exception, all who have left will receive their degrees with the class, and graduate in Absentia.

Katherine Thomas has more than enough hours to secure her A. B. degree and consequently felt it unwise to continue resident work the remainder of the school year. Miss Thomas left Tuesday the 12th, for her home at Red Cloud, Nebraska. She will be located there indefinitely. In this connexion we make note of the fact that Miss Thomas will continue several courses through correspondence. The seniors are happy to know that Katherine will honor them with her presence at the time of commencement.

George Earl Watkins was informed to report for training at Camp Funston on Feb. 23. Mr. Watkins was in his third year at M. C. and has proven himself a worthy student and a commendable fellow. He had so planned his courses that he would have graduated in the spring. However according to the new arrangement—whereby any college man having one-hundred and five hours work before being called to the colors can receive his diploma. Mr. Watkins will be able to graduate in Absentia. There is much rejoicing among the seniors over the fact that Mr. Watkins, together with Mr. Ellenberger and Mr. Kimmel will be able to graduate in the spring and so swell the class roll almost to the normal.

The Spectator takes this opportunity of recognizing the respective ability and merits of these who are leaving us at this time. The absence of Miss Thomas will be felt especially because of her many contributions to the musical culture of the institution. The departure of Mr. Watkins into the service of Uncle Sam renews our appreciation of the infinite sacrifices that our colleges are beginning to make for the cause of humanity. We invite the early return of Miss Thomas, and bid @God-Speed to our last soldier boy, Mr. Watkins.

He won't be of age for a year and the following was therefore quite proper. Several chummies were talking about their finances and one expressed the opinion that if he got broke he would join the army. There upon the minor wailed, "If I go bankrupt I'll have to go home for my mamma won't let me join the army."

Faculty to Entertain In Gym Thursday Evening From Eight to Ten

Saturday morning Dr. Kurtz on behalf of the faculty extended an invitation to all the students to attend the informal reception to be given Thursday evening in the Alumni Gymnasium. The faculty had hoped to give one early last fall but it seemed impossible at that time.

A "Washington" program will be given the first part of the evening. Work on the program has been in progress for considerable time and it will be exceedingly interesting. Following the program there will be a general social period.

Paul Pair, Arthur Price, Lawrence Vaniman and Clinton Dettler drove to Wichita last Sunday. They returned home Sunday.

Miss Ruth Fergus has resumed her school work after being called home by the illness of her Grandmother.

Miss Nan Swanson who is teaching at Hillsboro was visiting friends at the College Saturday and Sunday.

Mr. Lester Kimmel came in from Larned Saturday to spend a few days on the Hill.

Mr. Earl Watkins left Sunday for his brother's home at Hutchinson after spending Saturday and Sunday visiting friends in M. C.

Fourth Number of Lecture Course

The fourth number of the city lecture course comes this evening. No course of entertainments is complete without a Male Quartet and in the Community Quartet the management are assured they have the best talent possible. This Quartet will be new to the McPherson audiences and will without a doubt make as favorable an impression as the former numbers of the course have done.

McPherson is exceedingly fortunate in the choice of talent offered here this year. And never before in the history of the course has the sale of tickets so far exceeded the capacity of the Opera House as this year. This condition has raised some difficulties in the way of reserving seats and this time a new plan was adopted. The number of tickets available for the College students were brought out to the College and reservations made at the office Monday.

We would give a spring hint to the Merchants of the city and advertisers that the columns of the Spectator will make good, advertising your spring wares. The students have the money, and you have the goods, permit us to do our part by getting you two together.

The Spectator.

INTERCOLLEGIATE

The Sunflower has been publishing several articles concerning information furnished the College by the U. S. Government. In every instance it has been of vital interest to certain classes of college students, particularly of the graduating class. That paper will continue its policy in the future and the students will find very definite information as to what Uncle Sam expects of college men and women by a careful reading of the articles published each week.

The Bethany debating squad this year is preparing for a dual debate with Midland on the question "Resolved" that there should be further restriction of immigration. The squad is made up of about a dozen members and meets twice weekly. The debate will probably be held sometime early in April.—Bethany Messenger.

Fourteen foot ball men of Ft. Hays Kansas Normal have been presented with "K" sweaters—closing the last chapter in the record of the 1917 foot-ball season.

The students of the Arts Department at Washburn have made some very unique books to be sent to Washburn soldiers at Camp Pike and Ft. Sill. The books contain pictures of the different renowned places in England France and Germany and interesting descriptions accompany the pictures. These books will be very instructive to the boys who may soon be in France.

A new course is to be added to the present curriculum of Kansas Wesleyan Business College. It will consist in most parts of civics, salesmanship, advertising, transportation, trade and probably Spanish. This course is to take a year for completion and will require some new teachers but the present ones will be kept, also the present

 Franklin Club will give this and last year's senior letter men khaki sweaters instead of the regular College sweaters this year. They will be the regular military style sweaters "V" neck and without sleeves. This kind of sweater is made this year because most of last year senior letter men are now in service and this style of sweater will be very acceptable.—Kansas.

Preparations are being made by the Y. M. C. A. of Washburn College to bring a young French woman to Topeka to complete her education.—Washburn Review.

Six Teams In County Tournament

At two o'clock Friday afternoon the first game of the McPherson County basket ball tournament is scheduled to begin. This tournament was first organized in 1916 and has become an annual event. Six high schools; Canton, Galva, Moundridge, Lindborg, Marquette and McPherson have entered teams. Games are to be played Friday afternoon and evening, Saturday morning and afternoon. In the evening the final contest between the two winning teams will decide the 1918 champions. Moundridge has succeeded in winning the cup for the past two seasons and will make a strong bid for it this year. In Staplin, McPherson Highs have one of the best goal shooters in the county and the McPherson lads are going to be real contenders for the cup. Without doubt McPherson has one of the best teams in years. Prof. Mohler and Coach Verink will be the official referees.

Hoover Says To College Students

In the relief of Belgium, most of the actual work of the commission in the occupied territory was done by young American collegians.

At no time in the world's history has the technically trained mind been at a higher premium.

To the younger men, the lower classmen, only beginning their professional training, I say: Keep on with your college work.

To the upper classman, I say: Hold yourself ready to respond to your country's present need at any moment.

To the great army of American college and University graduates, I would say: The country looks to you for justification of the advantages it is now giving you. You are a privileged class.—Ex.

Reserves Lost to Moundridge.

Clever Goal Shooting Won For Mound Men

The Moundridge High School quintet proved to be better goal shooters in their game with the Reserves here last Thursday night and the former captured the honors by a score of 37-45. Both teams started the game with loose playing, but the visitors were the first to get going good. Finally the Reserves began to hit the basket and the latter part of the half was anybody's game. The Reserves made a fine spurt and were able to obtain a one point lead but lost it again before the half ended. The visitors were leading by one point when the whistle blew for the first half.

With the beginning of the second both teams made desperate efforts to pile up a big lead but until the last ten minutes of the play it was a see saw affair. But in the latter period the M. C. boys weakened and with E. Krehbiel making two points every time he came in possession of the ball Moundridge easily took the game.

R. Neher seemed to have unusually hard luck hitting the basket for out of many he only managed to get three baskets. Stover played fast and consistent ball and looped ten field goals. E. Krehbiel easily led with thirteen goals in all making 29 points. Moundridge lays claim to one of the fastest high school teams in the state.

GUARANTEE

It happened at the dining table last week and the light was rather bad. He was a college Soph and possessor of one of those misplaced eyebrows that are all the rage. His was just three weeks old.

Without any warning the coy maiden looked up and said sweetly, "Oh! I see you have shaved off your mustache."

That same night the Soph's trusty razor was back on the job after a three weeks vacation.

While driving his father's car on East Euclid one evening last week, Floyd Mishler slightly damaged a wheel on the car. He was hurrying to catch a train and a few blocks west of the College a little child ran out in the street and in dodging it Mishler hit the curb. He succeeded in saving the child from any injury.

Misses Dellah Stutzman and Margaret Muse and Mr. Ray Cullen and Herbert Hoffman attended Mishler's sale.

The men on furlough from the Great Lakes were the guests of honor at a party given by the Misses Hawkinson last Thursday evening.

**Reserves Outclassed
 McPherson Highs.**

Win By A Narrow Margin of 25—28

A game not on the bill was scheduled at the eleventh hour last Saturday, when the McPherson High School five met our Reserves and were defeated by a small margin. It was an exceedingly interesting game. The Reserves started the scoring by looping a free throw. The ball was continuously at the command of the Reserves during the first half. The Highs attempted the five men defense plan but a few long throws were made over it. M. C. led both in defense and offence in the first half, the Highs being able to cage only three field goals. Score at end of half 8—20 for M. C.

The second half started with a shift in the Reserve lineup, which seemed to have been a bad move as the scoring machine was some what broken. Sward started scoring and in the last five minutes affairs became lively. Schermerhorn secured two clean baskets and Rump was the high point man for the Reserves. Staplin made some long distance goals and was the heavy point getter for the Highs.

Social For Dadio Men

A few of the intimate friends of the sailor boys who are home on a furlough gathered in the parlors of Arnold Hall Saturday evening and entertained in their honor. The evening was passed in a very informal way. Miss Swanson sang several solos. Music by the Edison also added to the pleasure of the evening. Light refreshments were served. Miss Swanson and Mr. Estel Jones were out of town guests.

Entertainment While They Worked

Expression Students Give Readings While Red Cross Auxillary Members Work

The plan of having students give readings at the Red Cross meeting last Friday afternoon brought the desired results. Attendance increased 100 per cent over the previous meeting. The expression students were clever entertainers and their presence proved to be a strong drawing card.

The multiplicity of events had been playing havoc with the attendance at the Red Cross meetings the past few weeks. In spite of their efforts at inviting and urging the girls to come to the meetings the leaders were confronted with the fact that each succeeding session saw a fewer number present. Always the plea was offered that there was too much to do.

But Friday the leaders got a brilliant idea; why not furnish entertainment for the girls while they were working. Negotiations were started at once with the head of the expression department and the latter readily agreed to supply several members to give readings, adding that it would be good practice for them.

So on Friday afternoon poem followed story while the girls sewed and knitted. Even the manipulation of the two sewing machines failed to daunt the expression students. Wonderful yarns were told while other yarns were knitted into wristlets and sweaters.

The results were magnificent. More than double the number at any other meeting worked thruout the afternoon. And from indications Saturday the attendance will continue to be on the increase.

This week each college class will have an afternoon at the Auxillary. Each class will endeavor to make the best possible showing in attendance and work accomplished. Every effort is being made to enroll every girl in the school in the Red Cross Auxillary. The plea of having too much to do can hardly be raised by many as one leader remarked that it was always the busiest girls in the school that found time to attend the meeting.

Tournament Progressing Slowly

So many other events were scheduled for the past week that it seemed nearly impossible to play many basket ball games. Altogether only five tournament games have been played and any prediction on the relative strength of the teams can not be made. While the games are hotly contested little team work is shown, but with a regular schedule the standard of playing should be raised considerably. The standing of the teams are as follows: (up to Monday Feb.18)

Team	Won	Lost	Pct.
I	1	1	500
II	1	0	1000
III	2	1	666
IV	1	0	1000
V	1	2	333
Class B			
I	2	1	666
II	2	0	1000
III	0	3	000
