McPHERSON COLLEGE, McPHERSON, KANSAS, WEDNESDAY, DEC. 4, 1929

NUMBER 12

MORE THAN TWO HUNDRED ARE GUESTS OF McPHERSON COLLEGE THANKSGIVING

Homecoming Is Probably The Biggest And Best Of Its Kind Ever Held On The McPherson Campus

FIVE STATES REPRESENTED

Dr. J. H. Harnly Is Toastmaster At Big Turkey Dinner In The Dining Hall

Thanksgiving—in an environment of truly Thanksgiving—pineapple cocktail, turkey, jelly, beans, buttered buns, mashed potatoes and gravy, cranberry salad, celery, pumpkin pie with whipped cream, and coffee—more than two hundred alumni, students, faculty members and friends of McPherson College gathered around the specially decorated dining tables in Arnold Hall and once more exchanged tidings over a meal that truly represented Mother's Thanksgiving dinner back home.

From four states besides our own Kansas, former students were gathered together for the big dinner and a jolly good time together in preparation for the big game that followed (and ended so disastrously). Cars from Colorado, Nebraska, Missouri, and Oklahoma could be seen among the hundreds from over Kansas.

The homecoming today is probably the biggest and best of its kind ever held on the campus in the history of McPherson College.

After the dinner, which was served by a number of college girls dressed in white, Dr. J. H. Harnly, vice-president of the college, acted as toastmaster and presented the various speakers in turn.

John Lehman, president of the student council, extended the welcome to the visiting alumni and former students and the response was given by Kenneth Rock, graduate of '27.

Dr. J. J. Yoder pointed out the improvements made on the campus since the first building was constructed, Fahnstock Hall, which housed

After the short pep meeting in the chapel the funeral procession led by the college band marched to the athletic field where a "Terrible Swede" was thrown on a roaring fire and burned to ashes.

CHARLES COLLINS, FORMER STUDENT, IS MARRIED

Thurs., Nov. 28—The wedding of Miss Audrey Supernaw, Larned, Kan., to Charles Collins, Rozel, Kans., occurred this morning at Abbeville. The Rev. George Merkey, '27, of Abbeville performed the ceremony.

Wed., Nov. 27—Rev. Rayburn, the union evangelist conducting services in the city, addressed the student body in chapel this morning. The importance of laying a good foundation for life was the theme of his talk.

The college Ladies' Quartet sang "The Snow Storm" and "Mighty Like a Rose."

DEPUTATION TEAMS ARE NOW BEING ORGANIZED

Work has been started on the organization of the college deputation teams. A number have signified their interest in the project but organization into suitable groups seems somewhat difficult. The program will largely be for world peace.

SCHWALM SPEAKS TO THE Y. M. C. A. GROUP

Tues., Nov. 26—Secular Civilization is a danger. It is the application of the scientific attitude and methods to all problems. There is coming to be a World Culture based upon this attitude.

This morning Dr. Schwalm commented on one of Dr. Olden's books. He points out three places where Secular Civilization is out of harmony with Christianity.

First, faith in a personal God is thought to be no longer possible nor necessary. As a consequence prayer is useless.

Second, reliance is placed upon experimentation for truth in secular matters but the church has quoted authority. Another approach must be found.

Third, Christianity is personal, it helps society by personal contact. But secular matters and business is very impersonal.

Reality, to most men, consists of material things. It is the duty of Christian men to so live that others may see that there is reality in religion as surely as in material things.

The great realities cannot be found through science alone, they must be found in the lives of Christian men.

LADIES' QUARTET MAKES ITS FIRST APPEARANCE

Tues., Nov. 26—The college Ladies' Quartet made its first appearance this morning in Y. M. C. A. They sang "Listen to the Lambs".

Following the quartet's number a playlet—Thanksgiving—was presented. The cast included the following:

Doubt, Pauline Dell; Fear, Florence Weaver; Thanksgiving, Esther Brown; Faith, Helen Hudson; Jay, Grace Heckman Reader, Lucille Crabb.

Our relationships with France and Belgium will be the topic for discussion next Tuesday morning.

Nov. 28—More than twenty-five hundred persons saw a determined Swede football machine swamp a ferocious Bulldog team here this afternoon to a final count of 12 to 0 in the ninth annual Bethany-McPherson Thanksgiving grid battle which placed the Swedes in second rank in the Kansas conference standing this year. The Scandinavians were at top form and seemed to sweep the Bulldogs off their feet from the very start after taking advantage of a couple breaks at the expense of the Bulldogs. Two fifteen yard penalties and a fumble recovered by their opponents who took the ball on the local 5-yard line, gave the Bulldogs a decided disadvantage in the first few minutes of the game, which was responsible for loose playing on their part, due to their efforts to make their plays super-exact. The Bulldogs were not up to form in any part of the game for they were outplayed worse than the score indicates and were unable to make the proper yardage until after a substitution had been made in the final minutes of the fourth period. Nonken, Miller and Higham were unable to gain much territory behind a leaky interference but were responsible for the larger share of the Bulldog gains, which came by way of forward passes and line plunges. The Swede halfback, Bruen, was the terror to the McPherson ends, who made long substantial gains by racing around the Bulldog line on his famous end-runs, protected by an air-tight interference. Christian men to so live that others may see that there is reality in religion as surely as in material things.

The great realities cannot be found through science alone, they must be found in the lives of Christian men.

ONLY TWO TRY OUT FOR WOMEN'S DEBATE

Mon., Dec. 2—No definite date for the women's debate try-outs has been set due to the fact that but two of the necessary six entrants have definitely decided to try out.

Debates with other schools have been arranged providing a team materializes, but as yet only two feminine debaters have expressed the intention of trying out. However, coach Maurice A. Hess is still hopeful.

"If we could just put dresses on some of the members of the men's second team we wouldn't need to worry about our women debaters", Hess smilingly observed this morning, "because there is some excellent material in that second team."

TURKEY DAY REVUE OF 1929

Dear "Little Pal"—Climb upon my knee sonny boy if there is room after that big, large Turkey dinner and I will take my typewriter in hand and by means of the "Hunt and Henpeck" system, will endeavor to distribute some gems of truth about to fill up space. By space I mean paper since all other available space is crammed to utter depletion with Gobble.

Yeah—I arrived home amid showers of blessings, mud, snowballs, and other expressions of joy. I was nearly strangled with demonstrated affection from all members of the family from the dog to the maid. "First", I says, "I want some double deck biscuits, don't serve me syrup". This was just a starter for ham that isn't camouflaged as pork, and above all real butter, honey, coffee strong enough to hold a flag, turkey's reputation, eggs that have recently seen a hen, Thanksgiving which came on Thursday after Wednesday.

Now for the big feed. Early on Thanksgiving morning Mother wouldn't give us any breakfast so we could eat lots of dinner. About noon all the relative arrived pro and con and from their expressions I think they had been saving up their appetites too. Relatives always have big appetites. Thanksgiving or not, I thanked my stars I was grown up and going to college as I didn't have to wait for second table which is no joke, if you remember, with nothing left but drumsticks and cranberry seeds. After eating for two hours I think I

had enough to last until Christmas vacation with care. In the afternoon the favorite boy friend arrived and dressed to be entertained so we turned on the radio and listened to the Bulldog-Swede game which took place during much yelling and snow and scores piled up for the Bulldogs. Nonken made three sensational 82 yard runs resulting in a score of 21-0 in favor of the Battling Bulldogs. We all got so excited from the radio news that the neighbors came in to see if the folks were having a family row. We told them it was just the kids fighting over the Turkey neck and the extra piece of pie at the second table.

After four big days of vacation I had to return to M. C. on the Rock Island that was kinda Rocky or the Gallivanting Grasshopper instead—What? no remarks from the peanut gallery down front, even if I did gain 18 million calories.

Monday 9 a. m.—Criminy! Shut off that alarm clock. Yes, I know I can't cut any more classes. Guess I'll have to get up. No, I don't know my lesson. Where in heck is that notebook? What? No ma'am I don't know. What a wonderful chapel and have to keep awake since I'm on the front row (another penalty of being a senior) besides close up of faculty members.

Say girls how about a feed tonight at about 10:30. Fried chicken, cake and all the fixin's, eh? Sounds keen! Twelve bells—oblivion by force—ring-a-ring. Yours till the next Gobble Day.—Sea-See.

AN AFTERMATH

Friends came—and have gone again into their separate fields for life's attainments. They journeyed back to the "Old School" to once more enjoy the many thrills that accompany a Homecoming and a "Swede" game.

The generous turkey dinner last Thursday, due to the courtesy of the college management, not only appeased the appetites of all the students, but filled their soul with kindness of heart with admiration for those responsible.

A large number of students, those living a great distance from their homes, were entertained during the short vacation by the "Y" organizations with a social evening together and helped them to forget about the home folks.

We are very grateful to all of you—to you who are trying to make life enjoyable—to satisfy our longings—to keep us contented.

WE TRIUMPH IN DEFEAT

Captain Ray Nonken and his team mates won the greatest victory that can be won in athletics—they conquered defeat with good sportsmanship.

In the mountains of New Mexico it is the loser and not the winner in athletic contests among the Pueblo Indians that receives the prizes.

A good sportsman is one who is fair and generous: a good loser and a graceful winner. The Gardner crew is made up of such a body of players that are not playing for individual honor, but for the school and good clean sportsmanship.

WORLD PEACE

If the destiny of the human race is based on individualism and individualism is maintaining the political and economic independence of the individual, then world peace may mean the complete reformation of the "Great Society" in which we live.

We are created a selfish, scientific and dominating being. We are selfish in that we demand the bigger end of the deal. We are scientific in that we are inventive, creative and to a certain extent we are destructive.

Some have anticipated that the so-called League of Nations is the only way drawn where we desire to be "lord over all". We are not a law abiding means by which world peace may be realized.

Immediately after the last great catastrophe the League of Nations was attempted—and is still being attempted. It was a great body of recognized nations that combined for the attainment of world peace, disarmament and anti-war in general.

World peace will not be realized through the League of Nations, nor anything of great significance can be attained, until all nations have disarmed. It is only a matter of who will disarm first.

We are spending more money today for our armies and navies than we were spending in 1913. At the present no two nations would trust the other to his back.

THE LINDSBORG "MESSIAH"

The Bethany Messenger recently announced that the Lindsborg famous chorus would present "The Messiah" in Kansas City December 14 and 15.

Bethany college is indebted to the chorus that yearly presents "The Messiah". This chorus is one of the most highly trained choral organizations in the world.

"The Messiah" is a tribute to Bethany college and its high standards of musical achievements. The Lindsborg college was directly responsible for the organization of this famous choral organization.

THANKSGIVING HOMECOMING

(Continued from Page One) the entire institution and in ending prophesied as to future additions and improvements.

Dr. V. F. Schwalm, president of McPherson College, addressed the group and expressed his appreciation on having so large a number of the alumni back among us again.

A short playlet, "All On A Summer Day", was given by Velma Wine, Helen Hudson, Florence Lehman and Ida Lengel, Mrs. Anne Tate, voice instructor, sang two numbers, "Coming Home" and "I Dunno".

Paul E. Sargent, '24, spoke on the history of Bulldog-Swede relations and especially of the time when McPherson was conference champions.

Because of the large gathering of alumni, Prof. G. N. Boone, who is being working on a committee that is investigating the possibilities of an alumni magazine, explained what has been done and the relative cost of such a venture.

At one-thirty the eager Bulldog supporters adjourned and made the wayward journey to the already crowded athletic field.

Breen carries it on successive end runs two, three, and six yards and a first in ten. Gherke adds two. The ball is now on McPherson's 40-yard line. Ray Nonken was the only man in the group to receive the votes of all six of the conference coaches for the position he has been given on this imaginary team. Nonken is Edmond's choice for the All-Kansas team, including players from the Central Kansas, and Big Six Conferences.

In another column the Kansas Conference teams appear as they were chosen by the coaches last week. McPherson was treated liberally for the low fourth place she holds in the conference football standings, but this is the way the players were allotted.

School	1st	2nd	Total
K. W. U.	4	2	6
Bethany	2	2	4
McPherson	1	3	4
Baker	2	1	3
St. Mary's	1	2	3
Ottawa	1	1	2
	11	11	22

There are some things that we do not understand about the mythical eleven, but they are chosen by the coaches in the conference and they have all been in a good position to judge the abilities and performance of each man. One thing unique this year was the fact that Rupert Perkins, the negro halfback on the Kansas Wesleyan's team was given a berth on the All-Star eleven, being the first negro to land such a position in the Kansas conference. Race prejudice is gradually being laid aside.
