MCPHERSON COLLEGE, MCPHERSON, KANSAS, WEDNESDAY, SEPT. 21, 1932

NUMBER 1

CONSTITUENCY OF MCPHERSON COLLEGE IS INCREASED BY CLOSING OF MOUNT MORRIS

Brethren Churches of Iowa, Minnesota, North Dakota, and Montana Left Without School Home—Affiliate With Institution Here

BRINGS IN NEW STUDENTS

Prosperous Territory to Help Economic Conditions of Home College

During the summer events of far reaching significance took place in relation to McPherson College. The resources of the college were materially strengthened by the addition of new territory to her constituency namely that of Mount Morris College at Mount Morris, Illinois.

McPherson College has served two natural constituencies. One is the local constituency of McPherson and surrounding communities and the other is the Brethren constituency throughout the middle West. For a number of years this Brethren constituency consisted of about 13,675 members scattered through several states. Through the closing of Mount Morris College last spring the Brethren churches in Iowa, North Dakota, Minnesota and eastern Montana were left without a school home. The trustees of Mount Morris College recommended that these districts affiliate with McPherson College. In four district conferences throughout the summer Dr. Schwalm presented the invitation of the trustees of McPherson College to affiliate with them. In each case the invitation was unanimously accepted.

In this manner sixty-eight congregations and 5508 members were added to the constituency of McPherson College. A number of these churches are very strong and prosperous. This adds considerable material strength to the support of this school and will mean much to her when economic conditions improve throughout the territory.

This year there are some sixteen or seventeen students from this new area in McPherson College and if economic conditions were better at least forty or fifty could probably have been secured.

FRESHMAN COMMITTEE LECTURES STUDENTS

Prof. S. M. Dell, chairman of the freshman committee, was in charge of the six freshman meetings held Monday and Tuesday, September 12-13, for the purpose of assisting the freshmen to orient themselves in the shortest possible time.

The first address was "Welcome to McPherson College" by President V. F. Schwalm. Prof. M. A. Hess spoke on "Opportunities and Possibilities in McPherson College." "The Curriculum and Registration" was discussed by Dean F. A. Replogle and "College Friendships" by Dean Mohler.

Tuesday morning Prof. J. Hugh Heckman's subject was "Social and Religious Development." In the afternoon Prof. J. L. Bowman told of "College Customs and Traditions," and the series ended with a questionnaire to be answered by the class of '36 on "Why I Came to College." At the various sessions mimeographed sheets of information on campus buildings, budgeting, and customs and traditions were distributed.

Other members of the committee in charge were Professors Hess, Bowman, Bohling, and Miss Della Lehman.

PRESIDENT TALKS TO Y. W.

The first Y. W. C. A. meeting of the school year, which was very well attended, was held Tuesday, September 20. Bernice Fowler, chairman of the program committee, led devotionals. Grace Heckman, president of the organization, gave a talk introducing to the new girls the aims and ideals of the Y. W. C. A. and a brief history of it as a national association. "Just For Today" was sung by Ellen Steinberg.

The meeting next week will be in charge of the chairman of the membership committee. All girls of the college are sincerely invited to attend.

COMING EVENTS

Thurs., Sept. 22—Nightshirt Parade.

Fri., Sept. 23—Wichita University B game, here.

Sat., Sept. 24—Y. W. C. A. cabinet retreat.

Tues., Sept. 27—Regular Y. M. - Y. W. meetings.

ALVIN VORAN IS NEW PROFESSOR OF VOICE

Did Spectacular Things Here Where He Was Former Student

"CHEESY" SANG HIS WAY

In Quartet All Through College—Won a Scholarship in Chicago

Prof. Alvin Voran, the new voice instructor, has provoked much interest due to his achievements and the fact that he is a former McPherson College student.

Back in the days when Euclid was "Washboard Avenue" and bulldog sweaters weren't, "Cheesy" Voran came to McPherson College as a freshman, and therewith began a new era. "Cheesy" did spectacular things, and the college did spectacular things. During these four years the college had one of the best quartets it ever had as proved by the fact that M. C. quartets are still wearing the Tuxedos bought with the money that they earned.

Cheesy sang his way through college with a little cheering, acting, and editing on the side. In '27 he was president of his class. In '28 he edited the annual and was in the senior play cast, and at one time he was cheerleader.

It was on a tour that he contracted the nickname he has gone by ever since. Instead of the word "hot" of the present generation he used "cheesy". Mrs. Barton, the former Miss Katherine Penner, voice instructor at McPherson was the first to strike upon the appropriateness of the word in describing Alvin himself.

In 1928 "Cheesy" graduated and became Mr. Alvin Voran of Chicago, but events did not cease. Mr. Voran sang in the Madrigal Club, sang with the Northwestern choir at the North Shore Festival at Evanston, broadcast and won a scholarship, and received a degree from the American Conservatory.

Bulldog sweaters were invented in 1926 and Euclid received a new paving job.

As the old saying has it all good things come back to us. Mr. Voran has returned to his Alma Mater as voice instructor, and we are looking forward to more spectacular things under his leadership.

ENROLLMENT HOLDS UP WELL—RECORDS SHOW SLIGHT DECREASE FROM 1931—1932 TOTALS

Dean-Registrar Reports 209 Regular Students and Over 45 Music Specials in M. C. City Studio

FACULTY SOCIAL GIVEN

A faculty social was held Saturday, September 10, at the home of Dr. V. F. Schwalm.

Dr. J. J. Yoder spoke on "Cultural Possibilities" and Prof. M. A. Hess on "Good Will". Miss Jessie Brown played a piano solo, and Prof. Alvin Voran sang. Refreshments were then served.

BIG WATERMELON FEED HELD FRIDAY EVENING

The Program in Chapel Makes Great Hit

The annual All-School Social and Watermelon Feed sponsored by the Y. W. C. A. and Y. M. C. A. was held this evening at 7:30, Friday, September 16 on the college campus lawn. This event is a part of the annual "get acquainted" program of the college.

The students were divided into groups and get-acquainted games and other sports were played. Loren Rock, senior, was in charge of the games.

The groups then gathered in the chapel where entertainment was provided. The program indoors was climaxed by Prof. J. A. Blair's political speech impersonating Dr. J. R. Brinkley and Dean F. A. Replogle's burlesque "corn-et" solo. He was accompanied by Miss Della Lehman. The mixed quartet gave two numbers and readings were given by Ruth Hobart and Hope Nickel. Mildred Dahlinger sang a solo, and Prof. Voran led the group in some college songs. Archie Lindholm was in charge of the program indoors.

Watermelons were served in cafeteria style to students, visitors, and faculty. All enjoyed the evening. About 275 were present.

STUDENTS AND FACULTY ENJOY FALL RECEPTION

In Honor of Freshmen and All New Students—Held in Church Parlor

Not even the inclemency of the weather could dull the gaiety of the annual Faculty Reception which was held on September 19 in the basement of the college church. Each year the reception is held in honor of all freshmen and new students.

After all students had passed the reception line and had been duly presented to faculty and faculty wives the students were requested to take seats while an interesting program was given. Dr. J. D. Bright, after having been introduced by Dean Mohler, gave the opening address of the evening in which he pointed out in a humorous manner the requirements of a good teacher. Other talks were given by Ward Williams, senior orator, and Paul Booz, a freshman. Ward Williams pointed out in his talk that McPherson College activities and McPherson reputation are based on four year men. Paul Booz spoke on what he expected of his college.

Musical selections were given by Ronald Vetter, who played several piano solos, and by Mr. Voran, voice instructor of the college.

Light refreshments were served at three prettily decorated tea tables.

SOPHOMORES SHOW GAIN

Seniors Total 32—Delayed Enrollments Increase Size All Classes

Two hundred nine students were enrolled in McPherson College Monday, September 19, according to records in the dean-registrar's office. This does not include the group of more than 45 music students who are under McPherson College instructors at the city studio.

Enrollment is divided among the classes as follows: seniors, 32; juniors, 30; sophomores, 67; freshmen, 73; and special students, 7. Several more students are expected to enroll during the remainder of this week.

The enrollment this year presents a decided deviation from that of former years, in that only 44 of the 209 students enrolled are from out of the state of Kansas. The enrollment by states is: Kansas, 165; Iowa, 19; Colorado, 6; Oklahoma, 6; Nebraska, 5; Missouri, 4; Minnesota, 3; Indiana, 3; Texas, 2; Illinois, 1; and Montana, 1.

Although the senior and freshmen classes are smaller than those classes were last year, the sophomore class presents a remarkable increase. The class last year numbered 59, and this year's class already totals 67—lacking only 6 of equalling the number of freshmen enrolled.

At this time last year, the enrollment total was approximately 225. Although our enrollment is a bit smaller now, the year is expected to be as good in every way as the 1931-32 year.

FACULTY SPENDS SUMMER IN VARIOUS OCCUPATIONS

Blair Travels 7000 Miles—Some Attend School

The faculty of McPherson College worked energetically during the past summer endeavoring to keep the enrollment up to par.

Those who were engaged in active campaign work among would-be students were Dr. V. F. Schwalm, Prof. J. A. Blair, and Prof. R. E. Mohler. These three covered practically the entire territory from the Mississippi to the Rockies. Even though campaign work for the college was stressed, summer school was not allowed to suffer.

Dean F. A. Replogle, Miss Edith McGaffey, Dr. J. D. Bright, Prof. M. A. Hess, Miss Jessie Brown, Dr. J. Willard Hervey, Miss Margaret Hoekethorn, Miss Fern Liefenfelder, Mrs. Anna C. Tate, and Miss Clara Collins kept the work at the college running smoothly during the summer.

Dr. Schwalm spent a good part of his time in Chicago and the surrounding territory where he attended several annual church conferences and canvassed the Mount Morris vicinity. He also covered North Dakota and attended several district meetings there.

Prof. Blair estimated his travels at something over 7000 miles which took him through Kansas, Oklahoma, Colorado, Wyoming, and Idaho. He got in touch with the students of Kansas and Oklahoma mainly by visiting various Brethren churches. He was a speaker at the summer church conference at New Meadows, Idaho.

Some of the instructors attended summer schools. Prof. Alvin Voran remained in Chicago where he continued the study of music. Miss Della Lehman attended Harvard and the University of Boston, Coach Binford the Texas Institute of Technology at Lubbock, and Professor Dell the Iowa State College where he continued his work on a master's degree.

Professor Heckman wrote and had published a book named "The Teachers' Appreciation of the Old Testament" and it is understood that he has started on "The Teachers' Appreciation of the New Testament." Professor Bohling spent the summer selling insurance and bonds.

BEAT WICHITA UNIVERSITY FRIDAY NIGHT!

NEW COUPLES BEGIN TO APPEAR ON CAMPUS ALREADY

Old Steadies Rejoice As They Meet Once More—Dan Cupid Again Gets Busy With His Bow and Arrow

School opens again and we find Dan Cupid with us one more year. Yes—take a look around the campus and you can tell the same old steadies are at it. Gee—doesn't she look like the same sweet little thing that I've missed for three solid months! Doesn't it seem swell to see his smiling face once more?

I'll say these steadies are glad to see each other—why look—there goes a green flyter that belongs to the Colorado youth, and she's the girl friend at the steering wheel—believe it or not—she's trying the car out to see if all the four wheels will go in the same direction and whether the Ford will run out of gas or not. Who says that they won't have fun in that thing this year, especially in the icy cold winter and lovely spring days? Then too—there goes that Ford they call "Clara" which was stopped last year to be searched for liquid—I mean liquor. We might as well warn any others now to take more precaution this home-coming.

And what about this young man that goes places and sees things with the gal who owns the green-wheeled car from county No. 2? He came to town a week ahead of time and tried to find something to pass the time away—but he found he missed the young lady's presence. But now everything is going hot-ty-to-ty for both again. And another matter to take up is—Who said that the Y. M. C. A. and the Y. W. C. A. aren't going to get along nicely this year? We know they are. Why? Because the presidents are sure to make things go tip-top shape and we wouldn't be surprised if the Y's had a lot of joint meetings this year.

Some of these half-steadies are showing their sorrowful faces around the campus, but the other half-steady seems to be missing. By the looks of things already, these lonely lovers are going to enjoy college with the other bunch of kids on the lot. And who says they won't have fun?

Do you suppose Coach Binford has a time with his football men? I'll say he does! Why in the midst of practice some young star is sure to stop and wave to the passing beauty that came to see "Her Hero" kick the ball. That shouldn't worry the coach though, because that sort of pep the boys up and you know we have to beat the SWEDS this fall.

Then there are these boys and girls to consider that call themselves "Just Friends." To be sure they're back at old M. C.—chatting to each other and having the good ol' times.

Say—you can't tell me that Dan Cupid isn't here at college! Why those little "freshies" with green caps on are bound to fall for someone if Dan gives them the disease—and with the out-coming crop of frosh, you can be assured that by spring, love and romance will fly hand in hand with a few of these new-comers. And Freshmen—don't let the depression interfere, just try going "Dutch" like some of these other steadies have been doing.

Well, to say the least—let's tip it off by saying the "World is back in tune."

LIBRARY ACQUIRES MANY BOOKS DURING SUMMER

A number of gifts have been made to the library this summer, and there have also been a number of purchases.

"Silas Marner" and "Poems of John Keats" are the gifts of Fred Perry. Oneida Boyer donated Gates' "Elementary Psychology," and Miss Margaret Shelley, former violin instructor, donated March's "Types of French Short Stories," and "Crawford's" "Advanced French Composition." Isely's "Cast Out the Demon Depression" is a gift of the author's sister. Miss Edith McGaffey donated Hoff's "Elgin Training Course." J. Hugh Heckman of McPherson College and M. W. Emmert are co-authors with Mr. Hoff.

The "University Debater's Annual," by Phelps is a new purchase. The supplementary readers and other books used by the students in the practice teaching classes this summer have been placed in the library now.

DISCUSS "WHAT IS Y. M.?"

"What is the Y. M. C. A.?" This question was discussed by speakers and in open forum at the first Y. M. meeting of the year, yesterday. After Charles Austin led in devotional thought, Ward Williams, Y. M. program chairman, told briefly of the programs for the coming year. President Liburn Gottman spoke on the

principles and objects of the Y. M. Gottman stressed the democracy of the organization, and its openness to aid all in solving student problems. Ward Williams continued by leading an open discussion on "What is the Y. M.?"

The program for the next meeting, 10:00 Tuesday, September 27, is "What the Y. M. C. A. should be."

MISSIONARY IS SPEAKER

Harmon Brooks, a missionary just home from India, opened chapel Wednesday, September 14, with a scripture reading followed by a short explanation. After the numerous announcements attendant on the beginning of school, chapel was dismissed.

SCHWALM AND REPLOEGE ADDRESS FIRST CHAPEL

Outline How Education May Be Invalidated and What Is a Good College

Dr. V. F. Schwalm told how an education may be invalidated and Dean F. A. Replodge explained what makes a good college in the first chapel of the year on Tuesday, September 13.

Rev. G. H. Cotton of the local Presbyterian Church led in scripture and prayer. Then Dr. Schwalm gave some helps in starting the new year. He stated that conditions which may invalidate an education are poor health, lack of self-mastery, lack of social adjustment, a haunting fear, and confusion in religious life. He said he wanted students not only to learn but to learn to live.

Prof. Alvin Voran sang a solo and responded with a Hungarian encore. This was followed by Dr. Schwalm's introducing Dean F. A. Replodge who said that a good institution has an ever-enlarging purpose encourages students to be original, is interested in the immediate life, is creative, develops self-enforcement, and helps to find life's meaning.

Dr. Schwalm closed the assembly by introducing the faculty members present and students from the different sections.

KRAUS IS CHEER LEADER AND FRANTZ BUSINESS MANAGER

Several school offices have had to be filled or are yet to be filled this year because of vacancies.

The first office that has been filled is that of the business manager of the Spectator. J. T. Williams of Missouri was elected to this position at the student elections last spring, but due to his absence this year, Harry Frantz, a sophomore, has been elected by the student council to take his place.

Another office, that of man cheer leader, has been left vacant by Tommy Taylor of Idaho, and has been given over to Gordon Kraus, a sophomore from Tampa.

Friday an election will be held to find a capable person to take the responsibility of treasurer of the student council. Frank Hutchison was elected for this position last year, but did not come back. Two members, one man and one woman from the student body, must also be elected to serve on the social committee.

KURTZ UNDERGOES OPERATION

Wheeler Kurtz, who is attending school here for the third year, was a little late in getting started this time, for a few weeks before school opened he underwent a serious appendicitis operation.

Wheeler is the son of Dr. D. W. Kurtz, former president of the college. His parents were here during his stay in the local hospital until he was pronounced out of danger.

Bill: "And now, dad, that I've told you I'm going to marry Ann, there's one more thing I'd like to get off my chest."

Dad: "What's that?"
Bill: "A tattooed heart with Peggy's name on it."

BEAT WICHITA UNIVERSITY FRIDAY NIGHT!

Y. W. SPONSORS FROLIC FOR CAMPUS SISTERS

On September 13, the Y. W. C. A. sponsored a campus frolic in honor of the new girls attending McPherson College.

Shortly after four o'clock the old girls accompanied by their campus sisters congregated on the northeast side of the library where the old and the new girls proceeded to become better acquainted with each other. Corrine Bowers, who had charge of the games, instructed the group as to the best methods of playing bean bag war, bean bag relay, handkerchief relay, flylog dutchman and other games. Finally the girls were invited to make themselves as comfortable as possible. Ruth Hobart then presented a clever reading entitled "A Pleasant Half Hour on the Beach."

Refreshments consisting of lemonade, water, and sandwiches were served by Ruth Ide, Esther Pote, and Bernice Dresher.

Y. M. C. A. GIVES STAG FOR THE FRESHMAN MEN

Hike to Anderson's Grove for Wienie Roast

The Y. M. C. A. sponsored the annual Freshman Stag on Tuesday, September 13.

About 5:30 p. m. the freshman boys and a few members of the Y. M. C. A. cabinet hiked to Anderson's Grove, where some time was spent in playing kitten-ball. The group then gathered around a bonfire for a wienie roast.

Liburn Gottman, who was the first speaker on the program, told about the nature of the Y. M. C. A. Loren Rock, as president of the "M" Club welcomed the freshmen to athletics, and Ward Williams explained the programs for the year.

Wilbur Yoder, as chairman of the freshman committee, was in charge of the "stag".

FIRST C. E. MEETING IS HELD ON THE LAWN

The first meeting of the College Christian Endeavor Society was held Sunday, September 11, on the lawn near the college library. Dean R. E. Mohler spoke on the importance of the students' selecting a goal and working earnestly toward it. He pointed out some of the distractions that so often prevent college students from making the most of their rich opportunities.

About thirty were present.

CARLSON BEGINS PRACTICE

Dr. Marlin W. Carlson has opened his offices in McPherson above Hubbell's Drug Store. He attended Northwestern University at Chicago after graduating from McPherson College, and was an interne at the Iowa Methodist Hospital at Des Moines, Iowa, a year.

Dr. Carlson assisted in the physical examinations given to the students here before enrollment.

BULLDOGS WORK HARD PREPARING FOR SEASON'S OPENING GAME WITH WICHITA U FRIDAY NIGHT

Prospects Seem Fair With Eight Lettermen Returning—Binford Will Have Heavy Line and Fast Backfield to Place on Gridiron

GEORGE ZINN IS CAPTAIN

To Give Local Fans Chance to See Famous Notre Dame System Used

With the first game only a few days away Coach Melvin J. Binford is putting his Bulldog charges through stiff workouts for their first encounter Friday night against the Wichita University B team, here.

Scrimmages have been occupying a large part of the practice sessions the last few days and Binford is getting a good line on the material he has available. While it is still early to make predictions as to what success the 1932 Bulldog team will have, it is the general feeling of students that the Bulldogs will have a team of hard fighters.

Coach Binford has eight lettermen back, five being linemen, and the other three stars in last year's backfield. The lettermen that returned include Captain Zinn, who is now weighing in at about 200 pounds and who plays at either a guard or tackle position. Keck, last year's captain and scrappy guard now weighs about 165 and his fighting spirit will probably be more effective this year than ever before. He was mentioned on all-conference teams last year.

Minear, another stockily-built lineman weighing 195, is working hard in the line again this year. "Spud" is fast for a big man and is a fine catcher. Pauls, 175 pound end, is holding down his position from last year and even looks better than he did then. "Tuffy" Wine, who has been out of school for two years is back working at his old tackle position where he received mention on all-conference teams when he was in school two years ago. He now weighs 175 pounds.

Carpenter, the flag of last year's backfield, is back in school weighing 165 and hitting harder than ever from his half-back position. Wiggins at the other half-back post is again carrying on with his fine punting and passing. He weighs 175 and his punts are averaging farther than last year. He is also carrying the ball for some nice gains this year. Eugene Anderson, letterman at full-back is back plugging the line much as he did last year which is well remembered. Andy weights only 160, but he drives hard and low.

Besides the lettermen Coach Binford has a number of men who have had experience on the reserve squad here or on high school teams. "Bus" Ellis, 205-pound man who played with the Bulldogs three years ago, is back and is working at the center position. Paul Nelson, a 202-pounder, has been looking especially good at a tackle position. He has had experience on the Kansas Aggie Freshman team and looks like a strong contender for a first team berth. Bob Bowman, who has played two years on the reserve team looks like a probable man for an end position. Wayne Blume, a half-back on last year's reserves, is showing up well and will probably see lots of action this year.

Chet Johnston seems to be a likely candidate for the quarterback position. Chet, while playing with the local high school team, was chosen as captain of the all Central Kansas League team. Another quarterback who has been showing up well in practice sessions is Junior "Doc" Lytle. Glen Lichty, a freshman, is also out for the quarterback position and is also a good punter. Evans, a freshman is trying out for an end position. Rock is showing up well at the center position and will probably see action in many of the games. Reinecker and Weddie look good at tackle positions.

Three new men have reported for practice recently, all with considerable football experience. Orville Eddy, a 200-pound guard and Duncanson a 180-pound end are both former Mount Morris College players and are showing up well. The other new man is Houser who was an end on last year's McPherson High School team. These men have added weight and experience to the Bulldog team.

Besides these men there are Wilson, Brubaker, Buckingham, Hughes, Crumpacker, Edwards, Mace, Custer, and Repogle, all with some football experience.

The Bulldogs are expected to have a hard time with the Wichita team as the municipal school has been turning out exceptionally strong teams the last few years. Wichita is coached by Gebert, who played under Knute Rockne at Notre Dame. Wichita plays the Notre Dame system and this will give McPherson fans an excellent opportunity to see this famous system.

A record crowd is expected at the athletic park Friday night when the Bulldogs open their 1932 season.

FRESHMEN VIEW SCHOOL WITH STARTLING IDEAS

"Isn't this the funniest looking bunch of boys you ever saw? Maybe it's those silly caps."

"Oh, that scared me."
"Me too. It's surely big, isn't it? What is it made of, bronze or is it just painted?"

"Come on, they're all going in the museum."

"Oh, kid, just look. All these eggs. Look at that skeleton. Where did they get all this stuff anyway? Who is that sort of good looking boy standing by those bones?"

"The blond?"
"No the curly headed one."
"I don't know. Let's try to meet him tonight."

"I wonder if we can sit together here or are they going to assign seats."

"Let's try it. There surely are a flock of kids here. How in the world will we get acquainted with all of them."

"Come on, let's sit here. Hi! There's my campus sister sitting over on the other side."
"Kid, they've got the whole faculty on the stage. Is that so they can keep an eye on us or just to impress us?"

"Which is the history teacher? I couldn't find the history room. I think I found it, but the door was shut and I was afraid to go in."

"The history teacher is the one in the second row wearing glasses."

"That bald one on the front row is Repogle."

"How long is chapel?"

"Half hour. Did you see those boys go through the line? I think that's brutal. They hit so hard. Well, I'm glad no one has gotten the bright idea of sending the girls through."

"I've met a million students tonight and couldn't identify ten of them."

"Did you meet the boy we saw in the museum?"

"No, did you?"

"I don't even think he was there."

"I don't either. I met one nice kid. We sat together at the lecture."

"What was his name?"

"I don't remember."

"I met a girl whose mother used to know my mother. She lives in Nebraska."

"Found your big sister yet?"

"Yes. She's blonde and nice, and she goes with the cutest kid, and she

knows lots of kids that I know."
"My big sister isn't so good looking, but she's awful nice. It's all been fun so far, hasn't it?"
"All but enrollment. I thought I'd never get through. I was scared to death. My big sister helped me."

"Oh—. That was more fun. Did you see that kid in a real night shirt and cap?"

"I was between two of the nicest boys. Every time I stumbled they just held me up and let my feet dangle until I could find a place to put them."

"I had a little short fat kid beside me. I don't know what his name is. He was nice, except that he talked through his nose. He says he plays football."

"Say if you want to see a football player notice that chubby little blond. I don't know what his name is but I heard someone call him 'Carp'."

"He hasn't got anything on that tall blond that wears the bright orange sweater. They call him 'Teuton'."

"Don't some of them have the craziest nicknames?"

"Come on in the book store with me. I have to get a book."

"Look, there he is, the boy they call 'Carp'."

And so on into the year.

SELL SEASON TICKETS FOR THREE HOME GAMES

The Athletic Board of the college is placing on sale football season tickets. There are three home games this year. The price of the season tickets is only \$1.50 for the three games of which the first two are night games and the third game, with Ottawa University, is in the afternoon on Armistice day, November 11. The total single admission prices for the three games, including 10% federal tax, amounts to \$2.05. The price of the season tickets include this tax, making a saving of 55c.

The following is the list of home games and their single admission prices:

| | |

Season tickets will not be on sale after the first home game. By sending in a check for \$1.50, a season ticket may be secured. The tickets will also be on sale at the Wichita game, Friday night, September 23.

VACANCIES ARE FILLED IN Y. W. C. A. CABINET

Mary Miller, Marlene Dappen, and Dorothy Dresher were recently chosen as new cabinet members of the Y. W. C. A.

On Tuesday evening, September 13, the Y. W. cabinet held its first meeting to select a new treasurer to take the place of Dorothy Dresher who resigned. After several were considered Mary Miller was chosen for the position.

The executive committee, consisting of the officers, met on Thursday morning, September 15, and chose Marlene Dappen as social chairman to take the place of Mattie Shay and Dorothy Dresher as publicity chairman in place of Louise Ikenberry.
