

## Quad Sales Campaign To Start Monday

### Quadrangle Will Be Memory Book Crammed With Pictures

The Quadrangle will begin its sales campaign Monday, it was announced by Virginia Kerlin, editor of the Quadrangle. S. G. Hoover, business manager of the 1940 Quadrangle, is sales manager and in charge of the book sales.

The Quadrangle this year is to be crammed with pictures, Miss Kerlin stated. There will be more than a hundred pages of pictures and written. Much of the credit for the book will be due to the photography staff, consisting of Jack Bowker, Harold Bowman, Johnny Trostle, and Elmer Brubaker.

The make-up of the 1941 Quad will be entirely different from the make-up of the Quadrangles of past years. The Bullrange is the first parts of the present Quad staff, headed by Virginia Kerlin and Ernest Peterson, business manager. The Bullrange will be a good workout for the staff members.

The Quadrangle has in the past been used by students and alumni as a book of memories. It has been used not so much right after its publication as later in reminiscence. The Quadrangle will come out several weeks before school is out and will enable students to autograph each others Quads to their hearts' content.

Several salesmen are to be chosen soon, and they will sell the Quadrangle, under the direction of S. G. Hoover. The campaign will start Monday, it was announced.

## Warner Chosen Sponsor Of Pep Club

### Twenty-Four New Members Admitted In Meeting Last Friday

The Pep Club chose Miss Lilyan Warner, instructor in physical education at McPherson college, as their club sponsor, it was announced recently by Doris Doane, president of the Pep Club. The Pep Club met last Friday and elected twenty-four new members, also.

Of the new Pep Club members Lucille Wade is the only senior. Ruby Peterson, Max Brunton, and Lena Belle Olwin are the juniors just admitted to the club. Milan Blough, Betty Clark, Leta Beckner, Ralph Nicholson, and George Voth, all sophomores, were admitted to the club.

The bulk of the new members is freshmen, including Lois Lawson, Maxine Ruehlin, Maurine Blair, Marilyn Sandy, Anna Mae Nickey, Jillian Fulkerson, Harriet Pratt, Bekie Hedinger, Mary Ruth Herr, Bert Lounsbury, Vincent Allison, Jean Stucky, Kenneth Nordling, and Job Olson.

## Juniors Elect Olwin To S. C.

The junior class met last week to discuss their class budget and to elect a representative to the student council to take the place of Mary Ellen Head, who did not return to school this year.

Lena Belle Olwin was elected to his position. After the budget hearing the class dues for the juniors were set at \$5.50 for the year. Ethel Kenberry is president of the junior class.

## Freshmen To Elect Officers Monday

Election of officers for the freshman class will be held Monday morning during orientation class. The president of the student council, Dale Stucky, will preside over the meeting. Offices to be filled are president, vice-president, secretary, treasurer, and two representatives to the student council. Possibilities for these positions were being considered by the freshmen during this week.

## Education Is Life, Not Just Preparation

### Dean J. W. Boitnott Delivers Timely Speech To Chapel Audience

Dr. J. W. Boitnott, genial dean of McPherson college, delivered a timely and worthwhile speech in chapel last Friday on the purpose of a college education.

"The purposes that he stressed were 'to extend the democratic process until it leaves and controls every relation of man to man and to inspire within the personality of every youth the development of intellectual, social, and moral qualities of character that make the diffusion of democracy possible.'"

Other purposes are "to engender the scientific method or to exercise the intelligence, and to cultivate the artist's genius or the esthetic sense. These require both our intellect and our emotions."

"Another purpose of college is to develop a sort of personal religion or meaningful world view; in other words, a sense of values."

"We ought to realize these purposes, in part at least, this year. It is not good enough to hope for realization five years from now. Education is not just a preparation for life; it is life. The best preparation for the future is adequate living in the present."

## A Cappella Choir Personnel Is Announced

### 16 Ladies, 14 Men Are In Select Choral Group This Year

The personnel of the McPherson college A Cappella Choir was released yesterday by its director, Prof. Nevin W. Fisher, after about a week in which tryouts were held. The choir this year is to be composed of sixteen ladies and fourteen men.

The five first sopranos are Marie Brailleur, Barbara Holderread, Marjorie Martin, Betty Schwalm, and Shirley Spohn. The second sopranos are Maurine Blair, Virginia Kerlin, Lucille Wade, and Mamie Wolfe. Ramona Fries, Elizabeth Mohler, Esther Sherry, and Gladys Wiggins are first altos and Lucy Blough, Melba Morrison and Ruth Smith are second altos.

Pascal Davis, Charles Lunkey, Arthur Morgan, and Gene Withler are the first tenors. With Paul Dannelley, Harold Hoover and Ethel Kenberry the second tenors. Lyle Albright, Eugene Lichty and Ronald Orr are first basses. The second basses are Robert Frantz, Alvin Klotz, Keith Pierce and Raymond Slifer.

The a cappella choir usually sings without accompaniment and gives a formal concert annually in the spring. The rehearsals of the a cappella choir are to be twice a week, Monday and Thursday afternoons from 4:00 to 5:30.

## Democracies Die Only From Within

### Invaders Only Act As Undertakers, Stated Prof. Mohler In Chapel

"Democracy is in a struggle for existence," Prof. R. E. Mohler, head of the biology department of McPherson college, stated last Monday in his chapel address. Prof. Mohler voiced the opinions of a committee of ten recently appointed by Governor Ratner, which discussed "Education and the National Defense."

National defense was defined as "everything tending to keep America a great nation." There are three phases of the national defense relating to the schools. One phase is the military, and some schools are suddenly attempting to make people armament producers and lead them into blind-alley jobs, said Prof. Mohler. But schools can not be expected to add materially in making a military machine, so their most important contributions will be in the other two phases, it was stated.

The schools have the task of educating the people so that they can be economically free—not to make fortunes, but to be independent. The people should be satisfied and that by letting them know the truth economically, it was pointed out.

The third phase in the discussion of the schools and the national defense is consumer education. Consumer education is designed to show people how to handle the great problems of financing and thus to make satisfied people. The spiritual contributions of democracy are so great that a person need not separate the intellectual from the emotional in the appreciation of democracy, Mohler stated.

If there is any group that should not be disturbed by propaganda, it should be the educated group, Mohler declared to the chapel audience. In showing what the schools can do, Prof. Mohler said that they could rethink democracy; extend the program of democracy in the schools and in adult communities by forums, discussions, and other methods; teach loyalty to democracy; and promote the cultural and spiritual values given to America by democracy.

"Democracies die not from without but from within" said Prof. R. E. Mohler, "and the invaders in all instances just act as the undertakers."

## Mohler Dedicates New High School

Prof. R. E. Mohler, prominent speaker and head of the biology department here, gave an address at the dedication of the new high school building at Scandia, Kansas, last Tuesday night.

## Bulldogs Trape Thru Streets Of Town In Pajama Parade

Last night in traditional frenzied fashion, Macolegians weaved and wormed their way through the streets of McPherson in celebration of the annual snake dance. The affair was supposed to be a pajama parade, but many of the students here were much too modest to appear in public in their nightshirts, so many weird costumes were worn to substitute for the night wear.

The path of the enormous snake started at Deer Park and worked east and fourth through the main streets of town. Part of the time the snake travelled at a streamlined pace. Part of the time it slowed down to almost a walk.

## Tryouts For Thespian Club Next Tuesday

### Prospective Thespians Will Meet Today With Present Thespian Club

The Thespian Club, an organization sponsoring dramatics on the campus and producing several major productions a year, has selected next Tuesday afternoon as the date when students interested in acting may try out for membership in the club, it was announced yesterday by John Detrick, president of the Thespian Club.

The prospective members are required to give a three-minute characterization from a play of their own choosing. This must be memorized. Five minutes are allowed for each try out. A time schedule will be posted Monday on the bulletin board on which those trying out may reserve an appointment from 12:45 to 1:15 and from 2:15 to 5 p. m. next Tuesday. It is urged that each appear promptly and wait for his turn, if any delay should occur.

Each person will be asked, when he appears at the chapel for the try out, to present his dramatic qualifications. These will consist of name, classification, previous dramatic experience in church and high school plays (acting, managing, etc.), and the name and enrollment of his high school. This information, as well as the presentation of the chosen selection, will be carefully considered by the judges. Those lacking in previous experience are urged to qualify by as well as others.

In order to clarify the qualifications and to give those trying for membership an ample opportunity for preparation, a meeting will be held in the chapel this afternoon at 12:45 when Thespian will meet with prospective members to discuss the procedure.

Everyone interested is urged to be present.

## Bullranges Already Printed

### Football Program Is Published By Quadrangle

The first edition of this year's Bullrange has already been printed and will be distributed at the football game tonight, it was announced yesterday by Virginia Kerlin, Quadrangle editor. The Bullrange is a colorful football program published by the Quadrangle and is edited by the Quadrangle editor.

The write-ups of the players, the pictures included, and the line-ups were already handled by Dean Stucky and Ernest Reed. All the advertising in the Bullrange was sold and written by Ernest Peterson, business manager of the Quadrangle.

Besides weaving down the streets of town, the parade progressed through the Ritz Theatre, the McPherson Recreation Parlor, the McCourt Hotel, and the Warren Hotel. At the conclusion of the pajama parade, the entire group, tired but peppy, attended the Helstrom Theatre and saw the Dead End Kids and the Little Tough Guys in "You're Not So Tough." The loyal Bulldogs seemed to enjoy the picture.

Then the Bulldogs wound their several ways home in the wee hours of the night. No demerits were issued.

## Republicans Meet Next Tuesday

The Young Republicans of McPherson college will meet in the college chapel Tuesday at 6:30, announced Don Newkirk, president of the local club. All students interested in Republican politics are expected to attend. The program will consist of novelty musical numbers and a short talk by a representative of the McPherson G. O. P.

An executive committee of twelve upperclassmen met yesterday to draw up plans for the year. The membership of the club will be enlarged and several activities of local interest are planned. The local club is now in close contact with fifth district officers as well as the county organization and the state collegiate organization. Members of the McPherson College Young Republican Club will be used on programs in this territory the next two months.

## Ideals Should Be Cultured By Youth Today

### Rev. Glenn Witherspoon, Congregational Pastor, Addressed Chapel Group

Rev. Glenn Witherspoon, pastor of the McPherson Congregational church, spoke in chapel Wednesday upon the subject of a "Purposeful Life."

Beginning with his unique method of gaining the interest of his audience, he proceeded to his subject, enhanced with appropriate illustrations.

Much evidence of activity is prevalent in the world today but much of this activity can be compared to that of a woman sewing at her machine with no thread in the needle. A definite life purpose—a definite, worthwhile goal—is often overshadowed by many nonessentials which distract our attention to the lesser trails.

Spiritual ideals should be cultured by the youth of today for these are the foundation of democracy which can only be maintained by the manifestation of a purposeful daily life.

## Geisert Ranks High In Frosh English Exam

### Three Town Students, One From Montana, Place High, Also

Correctly answering one hundred and thirty-seven of a possible one hundred and fifty questions, Wayne Geisert ranked five points above any other student who took the freshman English placement test this year. Geisert, from Elmo, Kansas, is a graduate of the Dickinson County High School in Chapman.

The next three places were taken by McPherson High School graduates, Rosalee McCoy, Dean Stucky, and Maxine Ruehlin who made scores of 132, 131, and 130 respectively. Edsel Johnson from Assaria High School ranked in fifth place with a 129 score. Closely following him was Charlotte Haldeman from Hope, Kansas, with a score of 128.

Maurine Gish from Belleville High School, Lois Kreitzer, a graduate from Sabetha, and Jean McNicol of Lost Springs were next with scores of 127. Four persons were tied for tenth place, Ernest Dale, Genesee, Eleanor Moyer, Hutchinson, Opusie Stephenson, Little River, and Eunice Swank from Popular, Montana. Of these only one person, Eunice Swank, was a graduate from an out-of-state high school.

The Barrett-Ryan English Test, Form IV, was used this year. Each incoming freshman is required to take this test as a basis for placement in the English sections.

## S.C.M. Begins Drive For Members Today

### Students Are Urged To Become Members With Contribution

The annual Student Christian Movement membership drive began this morning following a chapel program which was designed to describe the work of the S. C. M., it has been announced by Geraldine Spohn and Lee Nelson, co-presidents of the student organization.

Incorporating the work of the Y. M. C. A. and Y. W. C. A. in one organization, the S.C.M. is an organization of both men and women. Any student on the campus may become a member of the local movement, it was explained by the co-presidents.

National Y. M. C. A. and Y. W. C. A. dues are one dollar per year, and any student who contributes one dollar becomes an active member of the national college Y. M. and Y. W. groups.

Students may become members of the local S. C. M. group by contributing any amount. Small membership contributions less than a dollar will be welcomed by the organization, and will entitle the donor to a membership card to the local S. C. M.

Members of the S. C. M. cabinet act as solicitors in the campaign. An attempt will be made to give every student a chance to become a member of the S. C. M.

Co-president Geraldine Spohn stated yesterday in an interview that all students are welcome to attend the commission session and the general meetings of the Christian Movement. The meetings are open to the general public and are not limited to members only.

Co-President Spohn, in explaining the work of the S. C. M., stated that it is through this organization that a Student Refugee Committee is now functioning on campus, which helps support a refugee student from the war-stricken areas. In addition to this work, the S. C. M. will obtain a number of prominent speakers for students to hear. Among them will probably be Martin Harvey, negro lecturer who appeared here last year, and Muriel Lester, famous social worker and lecturer.

The Student Volunteer Commission of the S. C. M. will sponsor the National Student Volunteer Conference to be held here the first weekend in November. Attending the meeting will be students from states as far away as Pennsylvania. Last year the conference was held at Elizabethtown college, Elizabethtown, Pa., and the year before it was at Manchester college, North Manchester, Indiana.

## Forensic Club To Sponsor Class Debates

### Prof. Maurice A. Hess, Sponsor, Spoke On Purpose Of Club

The first meeting of the Forensic Club for the present school year was held last Wednesday evening at 6:45 in the student union room.

There was a large number present with many new members, along with the sponsor of the Forensic Club and of other forensic activities on the campus, Prof. Maurice A. Hess. Also present was the new debate coach of McPherson college, Dr. Desmond W. Bittinger, who has succeeded Prof. J. A. Blair in that capacity.

The program consisted of a variety of class debates.

THE FRESHMAN

A Freshman Tells Her First Impressions Of College Here

"Here, freshy, come, shine my shoes," or "Hey, greenie, carry these books." All of us freshmen have been hearing something like this ever since enrollment and we have actually been having fun out of it. This is not, however, an invitation for anything else to do!

I don't think any of us will forget the day we enrolled. As we neared the administration building all of us were uncertain as to what we were going to do, or how we should do it. But when we entered we were not met by a battery of stares, as we had thought, but by the helpful, smiling faces of our upper classmen. This made us forget we were ever nervous and soon we were in the midst of activity, proud that we were part of the student body.

Teachers, too, have been very helpful as well as patient with us, especially when we missed English class the first day, forgot where psychology met, or talked out loud in the library.

All of us have been greatly impressed with everything about college life. The things that made the greatest impression physically, of course, were the belt and slipper lines.

Each day brings out something new and exciting and gradually we are getting acquainted with college routine. And now that we are actually here in college, we find it is even more than we had anticipated.

Henry Speaks For I.R.C.

By Thomas Doepfner. First Meeting Today. The International Relations Club will hold its first meeting of the year this afternoon at 4:00 in the Student Union Room. It was announced yesterday by its president, Thomas Doepfner. Every student and faculty member is invited. Dr. Desmond Bittinger, new faculty member, will show two moving pictures which were taken by himself during his missionary work in Africa. Dr. Bittinger will add valuable comments from time to time to make the pictures more interesting to the program. Commissions on personal spectators.

The World At Large

By Edith Spengler. President Roosevelt's signature to the Burke-Wadsworth bill affects the lives of many millions of Americans. Many of the college men are subject to conscription. Representative Carlson sent a reply to an inquiry from President C. E. Rarick of the Fort Hays Kansas State College, stating that college students now enrolled will be exempt from conscription until July. Heated discussions, pro and con, as to whether industry should be conscripted as well as man power, have been manifested in Congress

and among the citizens the past several weeks. Dr. O. O. Wolf, president of the Kansas Farm Bureau expressed one of the many opinions concerning the conscription of industry. "If our boys risk their lives, industry should be willing to risk its capital. If they give up their normal earnings and serve for a subsistence wage, then industry and labor should be satisfied with a reasonable earning."

It seems the Balkans are again a "hot spot" of Europe. To some, the situation has the appearance that Russia has extended a hand of power down into the Balkans. In light of greater events, this situation may seem trivial, but it will bear watching; there is a possibility that the postponement of Germany's blitzkrieg on England has been caused by the uncertain attitude of Russia. The entire world is looking at Russia, as if the outcome of this war depends only on her, and who knows? Might be this is the case...

Magazine Articles of Interest

Radio Programs of Interest

Unfortunately it was not possible to find out the exact topics of these programs, however the fact that they are not indicated in radio guides shows that they will be of common interest. NBC, Saturday, 8:30 a. m.—The Mayor of London will speak, introduced by La Guardia. NBC, Saturday, 8:15 p. m.—Norman Thomas will speak. NBC, Sunday, 12:30 p. m.—University of Chicago: Round Table Discussion. (The topic has not been announced).

Off Campus Off Beat

Thirty-four students of the class of 1940 of McPherson High School are enrolled at McPherson College this year.

Two handsome freshmen are staying in Elrod's. They call themselves husband and wife because they fell in love at first sight! At least that is what they said. Their names are Delbert Brunton, Max's brother, and "Wifey" Woodard.

Ojulta Stephenson, valedictorian of

"This Is Station MAC, Operating On Two Motorcycles And A Go-Cart"

Station MAC made its initial broadcast operating on "two motorcycles and a go cart" last Friday evening just before the annual watermelon feed. After a short frolic on the campus, McPherson college, watermelons filled the chapel, thus becoming the studio audience for Jack Bowker, announcer, and his party of talented performers.

Presented under the auspices of the Super Economy Melon company, the witting strains of Gene Wilbur singing "Ah Sweet Mystery of Life" were heard. After wittling with Wilbur, Studio A corned with the cornets, a duo by Vincent Allison and Robert Kingsley. Unannounced, Betty Cood stepped on the stage in the person of three melancholy maidens, Gladys Wiggins, Lucille Wade, and Virginia Kerlin, and proceeded to be the "Sweetheart of Sigma Chi" to wreck Carnegie Tech, and in general to provide the proper atmosphere for the introduction of the instructors of the athletic department—coach—coach coach—th—Hayden, and Lilyan Warner.

the Little River graduating class of 1940, is willing to walk 25 blocks a day to get her education.

Dr. Hershey's son, Ardis, "Doc" to most of you, has already found that vivacious blonde from Hoerner Hall. Yes, she's Katharine McCray from Ramona, Kansas.

Have you noticed petite Helen Kittell, Henry the mailman's daughter? She rides out to Macampus with "Bryce Boy" Breneman, the owner of that Model A which he calls? Well anyway Helen is just real cute.

Arline Seidel and Ardis Sawyer, those inseparable of the inseparable freshmen gals have been paired since the first grade in country school. Arline is a sister to the Seidel boys and she has inherited the pick-up truck from Bob—nice huh?

Darwin Culver, the "greenie" with the slinky hips, tried to pad the "slink" with layers of sweat socks for the belt line. He deeply regretted the bright idea after some of the M-Club boys discovered his plot and gave him the just reward!

A. D. Morgan president of 1940 graduating class to Galva, cannot enjoy his noon meal unless he has a dill pickle each time for an appetizer.

Kline Chimes In—With A Kinite Reporting

Probably several students have heard the beautiful strains of music that have been pouring out the windows at Kline? Kline Hall possesses seven girls who take time from their studies to gather in the northeast kitchen on third and warble sweet melodious notes. Keep it up, girls. It really does sound good.

Kline girls, as usual, take time to have a few hot sessions. As yet, they haven't got started real good, but this is only the beginning of school, Kinites.

Virginia Ritchie, a Cedar Rapids gal, is the only girl living in Kline who doesn't have a roommate. But believe it or not, she manages to take care of herself, or does she?

Marianne Krueger, our prexy, was one of the many sufferers last Saturday when the gas was turned off. It seems as though Marianne had her hair set on biscuits for lunch. The biscuits were in the oven and had started to rise, but then the fatal minute came and she had to do without biscuits for lunch. Just the same our president can cook. Her special dish is burned beans.

Betty Burger has found herself the only freshman among sixteen upper classmen here at Kline. "Nuf said for this time. Be back next week.

Harvard Once Poor

Cambridge, Mass.—(ACP)—Harvard college once was so poor the legislature ordered towns to appoint men to solicit subscriptions for its support. . .

According to a WPA historical survey, the legislature ruled in 1652 that those who failed to keep their pledges were liable for property seizure.

Fahnestock Chaff—

Blown Off From Fahnestock Hall

Flu? Gups and Gals! This is your beloved old Panney Stook, who has come to life to make a bit of blum music. Hope the wind doesn't blow me over before I finish. Ah Yes! Again I am alive with the reverberations of hammer and saw, the din of a score of radios tuned on as many different stations, and a pandemonium of verbalisms from every room. Once again I have blossomed out in a new crop of green, and what a beautiful, brilliant 'ave it is! Gosh! It makes me feel young again.

It might be well for one of these green topped inmates, namely Dick Prentice, to have listened to a little of comrade Prof. Mohler's philosophy on wealth sharing and applied it to room keys. It seems that Dick and Wayne Geisert were patronizing the dens of iniquity Sunday nite and Dick had all three room keys in his possession.

Poor Johnnie Trostle, Dick's roommate, was very effectively and completely locked out and would doubt-

lessly have remained so until we hours of his wife's return, it not been for the timely appeal to his door of a case knife donated to the cause by my star inmate, Nancy Pantay. Ho! But that is all; verily did my bricks quake with mirth when Dick and Wayne retreated to find themselves locked from the inside!

Under the cloak of night there was mysterious goings on within by a tending old walls on the first Wednesday of school. Closer inspection revealed a group of sinister figures making visitations upon certain rooms and collecting terrified wearers, the spinach colored caps. Yes, Mr. A genuine Booster Club meeting, lux. Nine freshmen have been hooded thus far. Perhaps, if the other are real good they too may be visited. Who knows?

Oh goodness! Here it is, past 11 time and all of my inmates have dropped off to sleep. Ho-hum—guess I turn in myself. By-by!

# Most Singers In History Of Macollege

## Choral Club, With A Cappella Choir, Have 90 Members

There are sixty members in the Choral Club, which with thirty members in the a cappella choir, makes ninety active singers in Macollege choirs. This is the largest number in the history of McPherson college, it was stated by Prof. Nevin W. Fisher, head of the choral music department here.

Miss Gulah Hoover will direct the Choral Club, which consists of thirty-one women and twenty-nine men. The first rehearsal will be held next Monday at 7:00 p. m. in the chapel.

The Choral Club of McPherson college was organized yesterday and the membership was posted on the bulletin board in Sharp Hall. Following is the personnel.

First sopranos: Ila Crumpacker, Maurine Gish, Arlene Nicholson, Lorraine Olson, Ruth Stump, Vesta Vandersel, and Rowena Wampler.

Second sopranos: Opal Betts, Alma Bretches, Opal Brubaker, Bernetta Denny, Lillian Hands, Virginia Ritchie, Lenora Shoemaker, and Juanita Weaver.

First altos: Flora May Brockus, Betty Clark, Elsie Epp, Lillian Fulkerson, Lucile Harris, Helen Kittell, Marlys McKnight, Twila Peck, and Olga Unruh.

Second altos: Leta Beckner, Helen Davis, Margaret Davis, Jean McNicol, Kathryn McRae, Anna Mae Nickay, and Joy Smith.

First tenors: Galen Bengston, Richard Burger, Conrad Burton, Russell Eisenbise, Winlow Hessler, Carl McMillen, Albert Miller, and John Schmidt.

Second tenors: Miles Albright, Milan Blough, Max Brunton, Wayne Geisert, Ralph Nicholson, Wayne Parris, and Clifford Schapansky.

First basses: Delbert Brunton, Byron Dell, Merlin Franz, John Mason, Ralph Schlicht, Harold Wagner, and Albert Whitmore.

Second basses: Wilbur Bullinger, Wayne Crist, Woodrow Franklin, Roy McAuley, Elton Sellers, Kenneth Thompson, and John Trostle.

## Fahnestock Men To Hold Open House

There will be a meeting of the men in Fahnestock Hall this afternoon at 12:45 in the chapel, it was announced yesterday by Kirk Naylor, president of the Fahnestock organization.

The purpose of the meeting is to discuss the details of Open House, which is already set for next Friday evening from 8:00 to 9:30.

## Forensic Club

(Continued from Page One)

lation of vocal solos, readings, and instrumental numbers. The first number was a vocal solo by Miss Jean McNicol, a member of the freshman class. The second number was a reading given by Milan Blough, with Ronald Orr, a varsity quartet member of last year, singing a baritone solo for the third number.

Prof. Hess then gave a short talk on the history of the forensic organization and the purposes of the present forensic setup. He emphasized that the Forensic Club was open to all those who are interested, now. He also went on to say that the interclass debates which the forensic organization sponsors are valuable experience in the preparation for the varsity debate events which will be held somewhere around the first of November. He urged, however, participation in the forensic program by those present to obtain valuable experience.

Miss Twila Peck, a junior, then played a piano solo and the program was concluded by a cornet solo by Willis Kagartie. Miss Marianne Krueger, president of the club, then explained that the collection of dues was necessary in order to defray expenses for the space in the Quadrangle.

The next meeting of the club will be the first Wednesday in October, it was announced.

## Keller To Speak At B. Y. P. D. Sunday

Rev. S. W. Keller, pastor of the Methodist church in McPherson, will speak at the Brethren Young People's Department meeting in the college church next Sunday evening at 6:30.

His subject will be "Finding a Religion to Live By." Wilburn LeWallen will preside at the meeting.

## S. C. To Hold Budget Hearing

### Organizations Wanting Slice In Budget Must Apply Wednesday

Next Wednesday at 6:30 the student council will hold a budget hearing in the student union room, it was announced yesterday by Dale Stucky, student council president. This meeting will be open to the public, and any organization that wants money should make application then.

The organizations wanting a cut in the budget should be able to state simply how much they want, why they want it, and all other details important to the student council. The tentative budget will be drafted by the treasurer of the student council, S. G. Hoover, and will be presented to the student council later. If the student council approves of the tentative budget, it becomes the official budget of the student council.

## Blair Runs For State Office

### Former Faculty Member Formally Opens Campaign Over KSAL Tonight

J. A. Blair, who for many years was registrar and head of the departments of education and psychology of McPherson college and former county superintendent of McPherson county, is conducting his political campaign for State Superintendent of Public Instruction. He will formally open his campaign with a radio address over KSAL, Salina, this evening at 8:15 on the subject, "Educational Leadership for the State of Kansas."

He is eminently qualified by training and experience for the elective office and, if elected, will restore the confidence of school men in the office and administer the affairs of the office efficiently and in a manner to command the respect of all who have occasion to contact this department of our state government, it was stated.

## Commissions Meet Tuesday Morning

### General S. C. M. Meetings Are Held Every Thursday Evening

Commission meetings of the S. C. M. will be held for the first time this year next Tuesday at 9:40, it was announced yesterday by Gerry Spohn, co-president of the organization.

All students are invited to become a part of the stimulating commission program. Commissions on personal and family relations, on international cooperation, peace and economics, on recreation and leisure problems, and on the Student Volunteer movement, will convene regularly during the year.

General S. C. M. meetings will be held every Thursday evening at 6:45 in the Student Union Room.

## Pep Band Is Well Received

McPherson college has a school band which sounds quite promising, as it was shown in pep chapel yesterday. The band has already played at different occasions and has been well received by students here. The pep band will play for the football game this evening.

The rehearsal time for the band has been set for Friday mornings at 7:30 and Wednesday afternoons at 4. It was announced by Director Davis. Any students interested in playing in the pep band or concert band should communicate with the director.

## Average Sorority Girl At Washington University Makes More B's Than C's

A fairly comprehensive picture of the average sorority girl on the Washington University campus at St. Louis is contained in a survey in Student Life, campus publication.

Some of the conclusions follow: "She comes in assorted heights, dressed and shaped according to latest fashion. Her well-curling hair is becoming, and she will seldom cover it with a hat; but just let a suspicion of rain appear and she wads it up under a bandana and looks like someone who should be slaving in Russian wheat fields.

"In spite of her 12-hour study average weekly she keeps her grades well above the campus level, makes more B's than C's, and inspires all kinds of tales of apple-polishing by the less successful mate.

"She thinks about men almost as much as they like to think she does, but her thoughts are not always to their credit. Rather often she has more dates than she wants, because that's the only way she can be sure to have the ones she really does want.

## "M" Club Sets Rules For Freshmen

To clear the many misunderstandings concerning freshman indoctrination at McPherson college, Glen Funk, president of the "M" Club, submitted the following rules, proposed and adopted by the "M" club last year.

1. All freshmen boys will be required to wear a green cap. These caps will be sold by the "M" Club and must be purchased by the second Monday of school.

2. Freshmen will be required to wear their caps at all times on school days except in buildings, at work, or at social events. This includes to and from town.

3. A freshman will be punished for not wearing his cap at the proper time by an immediate belt line. The cry to signal such belt lines shall be "meat." Carrying the cap in an individual's pocket shall not excuse him from such belt lines.

4. Freshmen shall be required to wear their caps until the occasion of the traditional freshman-sophomore football game. If they win the game they may discard their caps. If they lose the game they will be required to wear their caps from Easter until the end of school.

5. Belt lines for all freshmen shall be held immediately after the last meal before a football game and on the occasion of the freshman-sophomore football game. If the freshmen lose the football game, belt lines shall be held the last meal before track and field events.

6. Freshmen boys are required to line the football field and decorate the goal posts before all home games. The class president shall have charge of this work.

7. All freshmen are expected to learn the college song and to be able to repeat it when requested to do so.

8. All freshmen are expected to attend pep chapel.

## Three W. A. A. Clubs Organize This Week

### Girls May Still Join Clubs, It Was Stated

Three clubs of the Woman's Athletic Association were organized this week, it was announced yesterday by Doris Voshell, president of the W. A. A. Girls may still join the individual clubs, it was pointed out.

Mildred Fries heads the Outing Club, lately organized. Ramona Fries heads the Recreational Club, also organized this week. Helen Davis is the head of the Speedball Club of the W. A. A.

"Two or three nights a week she has a more or less formal asked-for-advance, definite-destination date. In between times she may lurch or go for rides or have boys drop in. Certainly she spends hours on end "Jellying," which she may or may not consider a great waste of time. (Jellying—a campus term meaning an inexpensive date, usually several hours sitting in a restaurant over a soda or dish of ice cream.)

"She has an allowance and usually buys her own lunch at the school cafeteria or an off-campus restaurant.

"She may look frivolous, but there's a fifty-fifty chance she has held down a paying job at some time or other. She may even be the one girl in a hundred who's working her way through college with a full-time job. She's more apt to be the one sorority girl in 10 who carries her spending money by working about seven hours a week.

"In general she's a happy girl, fairly well satisfied with her share of life."

## Frosh, Sophs To Have Tug Of War

Between the halves of the football game this evening, the freshman and sophomore classes will tangle in a tug of war. The tug of war was planned and managed by Ted Washburn, energetic cheer-leader.

Dale Stucky, student council president, will act as mediator, umpire, referee, and any other official necessary to the occasion. Russell Eisenbise is the organizer of the sophomore forces, and Roy McAuley, bonum chum of Eisenbise, will organize the freshmen in spite of the fact that he has advanced to the class of sophomore.

The tug of war is not intended to further class war, but it will probably affect class prestige greatly. The tug of war is also beneficial in that it provides more wholesome entertainment than the belllines formerly scheduled between halves of home football games.

## Coach Hayden Scores With Pep Talk

The first pep chapel of the season was held yesterday morning in the chapel and witnessed a sparkling session of pep and enthusiasm. The pep band swung with "Tiger Rag" and other fast-stepping musical numbers.

The chapel was well filled with the attendance much larger than at pep chapels last year. The enthusiasm of the student body was at the highest pitch it has been in years.

Coach Thomas Hayden scored in a short, humorous and forceful talk, after being introduced by the football captain, Raymond "Squeak" Meyer.

Ernest Dale visited with his parents in Geneseo last week end.

Miss Lehman, Miss Warner, and Miss Atkinson attended "The Skylark" in Wichita last Thursday night.

Margaret Davis is working at the Priests Jewelry store. Virgil Westling was a Hutchinson visitor Friday.

Mildred Fries, Ramona Fries, Vera Flory, and Peggy Jones were Hutchinson visitors last Thursday.

George Voth attended the Kansas State Fair at Hutchinson on Sunday. Wayne Dickerson spent the week end at his home in Haven.

Donna Jean Johnson spent Saturday night in the dorm with Gladys Wiggins.

Vena Flory, Mickey Morrison and Marjorie Anderson attended the Kansas State Fair in Hutchinson on Wednesday.

Kirk Naylor spent last week end at his home in Covert, Kansas.

Geraldine Spohn was a Lawrence visitor Sunday.

Mary Jo Holzemer went to the Fair at Hutchinson Monday night.

Stephen Stover, a last year's graduate, went to Lawrence Sunday where he will be enrolled as a graduate student in K. U.

Vera Flory and Halbert Whitaker attended the Fair in Hutchinson on Tuesday.

Bob Brust and Rollin Wanamaker were in Hutchinson attending the Fair on Sunday.

Arlene Flory and Irene Hoover spent Monday night in Arnold Hall. From here they went to Hutchinson

for the rest of the week as representatives of the 4-H Club at the Kansas State Fair.

Margaret Hamm, Carrie Alice Hanson and Edith Spengler were at the Fair in Hutchinson on Sunday.

Addison Southoff, c'39, is now working with the General Credit Co. of Springfield and Decatur, Illinois. The General Credit Co. is connected with the Ford Motor Co.

A son, Bernard Arthur, was born September 7 to Mr. and Mrs. Arthur Baldwin. Arthur Baldwin, c'39, was the chief photographer for the 1939 Quadrangle.

# Bulldogs Open Season Against Builders Tonite

## Southwestern Is Out To Avenge Defeats Of Last Two Years

The football season of the McPherson Bulldogs will have its official opening tonight when the growling Canines take the field here against the Southwestern Moundbuilders of Winfield. After two weeks of intense practice under the supervision of the new mentor, Coach Thomas Hayden, the Bulldogs will be in excellent condition for their first appearance of the year.

The squad will trot out on the gridiron dressed up for the occasion, as Coach Hayden checked out entirely new uniforms to them Wednesday. The starting line-up will be comprised almost entirely of men having previous experience on the Bulldog squad. A large group of promising freshmen, plus the lettermen of previous years, makes the outlook for the coming season promising.

The Builders will be seeking revenge tonight for two consecutive defeats during the last two seasons. Previous to that the two teams had not met in many years. In 1938 the Bulldogs romped on their non-league opponents to the tune of 33 to 14. Last year the Bulldog's again bowed to the Bulldogs after leading 7-6 with only a minute to go. The Canines won at the last minute 12-7, by virtue of a recovered blocked kick.

This year the two teams seem to be evenly matched, although the Southwestern teams lacks experience. Tonight Coach Hayden will probably start Rollin Wanamaker and Dick Callen at the end positions. Wanamaker is a three-year letterman at McPherson and Callen makes his appearance with the Bulldogs after one year's absence.

Russell Reinecker and Merlin "Blug" Myers are expected to get the nod at tackle, while Raymond "Dutch" Goering and Bob Cook will probably be the starting guards. Goering is a veteran on the Bulldog line-up and is expected to show up well this season. Reinecker and Cook were both members of last year's squad, while Myers was out because of an injury.

Raymond "Squeak" Meyer is the starter at the center position. "Squeak" was an all-conference center his freshman year and has earned two letters here. The backfield will probably be made up of Robert Brust at the signal position, Jack Vetter and Irvin Keck at fullback, and Calvin Jones in the fullback position. All four are lettermen of previous years, with Keck being the only senior. Sylvan Hoover will probably also see action before the game is over. The line-ups for the game tonight are as follows.

McPherson	Pos.	Builders
Wanamaker	E	Shaffer
Reinecker	T	Robinson
Cook	G	Barham
Meyer	C	Dillman
Goering	G	Rose
Myers	T	Bland
Callen	E	Layden
Brust	QB	Manatowa
Keck	HB	McCoy
Vetter	HB	Shannon
Jones	FB	Stewart

## Party Given To Women By W. A. A.

Annual Affair Given Last Monday In Gymnasium

Promising pep and enthusiasm was shown by the new girls who attended the annual W. A. A. party given for them last Monday in the Physical Education building. Doris Voshell, president of the W. A. A., greeted the sixty girls and introduced the W. A. A. cabinet to them.

Several girls gave demonstrations showing the new girls some rules of different games and predicting good times connected with each club. All of the girls then amused themselves at various games. This enjoyable party ended with an ice cream bar and two black walnut wafers. An eventual year is predicted for this live-wire organization under the leadership of Miss Lilyan Warner, instructor in physical education.

## Football Schedule

Sept. 20—Southwestern, here.  
 Sept. 28—Hays Teachers, there.  
 Oct. 4—Ottawa, here.  
 Oct. 11—Baker, there.  
 Oct. 18—Bethel, here.  
 Oct. 25—Bethany, there.  
 Nov. 1—C. of E., there.  
 Nov. 9—Pittsburgh Teachers, there.  
 Nov. 15—Kansas Wesleyan, here.

## Tough Schedule Faces 1940 Mac Gridsters

### Are Six Conference Games, Three Games In Central Conference

McPherson college has a tough football schedule this year. Her only non-conference games are with schools in the Central Conference, a stronger conference than the Kansas Conference.

Her first two games are non-conference. She plays a home game this evening with the Southwestern college Builders, then goes to Hays next weekend to play the Hays Teachers on Saturday.

She starts her conference season against Ottawa, which has one of the best teams in the conference, winning the championship the last two years. Dick Goetlove, Ottawa coach, concedes the conference title to Baker, but McPherson fans can make their own decision after the home game with Ottawa Oct. 4.

The next Friday the Bulldogs go to Baldwin to play Baker. Last year Baker beat McPherson 28 to 21 in a topsy-turvy game. Bethel invades McPherson Oct. 18. For the last two years Bethel has defeated McPherson, the first time 19 to 16 with a strong last half, and last year 16 to 6.

The Bulldogs go to Lindsborg Oct. 25 to play their annual "grudge" game with the Bethany "Swedes." Last year the game ended in a 0-0 tie. Then the Maccollege squad goes to Emporia Nov. 1 to play College of Emporia, whom they also tied 0-0 last year.

On Nov. 9 McPherson plays its last non-conference game with the Pittsburg Teachers at Pittsburg, Kansas. On Nov. 15 McPherson climaxes its 1940 football season with its annual Kansas Wesleyan game. For the last eight years, Kansas Wesleyan has been unable to defeat McPherson, although it is usually conceded a higher standing in the conference than the Bulldogs. Long live the jinx!

## Six KCAC Schools Play Games Tonite

### Bethel Has "Breather"; Baker Is Idle; All Games Non-Conference

Tonight six Kansas Conference schools will open their football season with non-conference games. McPherson takes on Southwestern in a home game that should be a thriller. Kansas Wesleyan engages in combat Sterling college on the Salina field. College of Emporia plays Washburn college at Topeka. Hebron college, Hebron, Nebraska, invades Newton tonight to play the Bethel college Graymaroons, archrivals of the Bulldogs. Chadron Teachers, Chadron, Nebraska, goes to Ottawa to play the Braves, football champions of the Kansas Conference for the last two years. Only Baker university of the Kansas Conference is idle this evening.

Of the games tonight, Bethel is probably the only Kansas Conference school which should have a "breather," since Hebron college is a junior college.

## Naylor, Brust Are Elected Officers

The men's council of McPherson college elected officers for the present year in their meeting Wednesday. It was announced by Donald Newkirk, a member of the men's council. Kirk Naylor was elected chairman of the council, and Robert Brust was elected secretary-treasurer.

## Wesleyan Wants Mapes; Bethany Wants Mapes; Whose Is He?

Kansas Wesleyan and Bethany are practically at each other's throats over the matter of a freshman football palyer. Bill Mapes, Clay Center high school football star for last year, started working out with the Kansas Wesleyan football squad this year. Mapes even took his freshman tests, had made application and received a scholarship, had been certified for student NYA aid at Kansas Wesleyan, and had paid from his own pocket a week's board and a month's room rent in advance. Then for some extra encouragement, he suddenly left Salina and started working out with the Bethany squad.

Gene Johnson, Kansas Wesleyan coach, and E. K. Morrow, Kansas Wesleyan president, state that they will take the case before the Kansas Conference as a matter of policy, unless they can retrieve Mapes from Coach Ray Hahn of Bethany. A similar instance happened to McPherson college, in that Jim Bruce, a backfield man from Galva, took the entrance exams here then went to Bethany, since Bethany college is Bethany, in need of backfield material. McPherson has not even complained and probably has no need, since much less is at stake than in the Bethany-Kansas Wesleyan dispute.

## Ken Nordling Wins Big Tennis Tourney

Kenneth Nordling, class of 1944, won the Central Kansas Invitational tennis tournament held at Salina, Sept. 1 and 2. The finals, halted by darkness on Labor Day, were not finished until last Monday, when Nordling defeated Don Calhoun of Salina, 7-5, 3-6, 9-7, for the title. The tourney was sponsored by the Salina YMCA and was managed by a committee of four. Players from Lawrence, Manhattan, Junction City, Bennington, Brookville, McPherson, Lindsborg, Salina, and even one from Oklahoma City, Oklahoma, competed in the tourney.
