Thursday night, the Bulldogs met the Ottawa Braves in a return game at Convention Hall. There was a good crowd and the spirit was fine. The starting line up for the Bulldogs included Schubert, Hill, Huxman, Culver, and Voth. Voth was

McPherson Bulldogs walloped Ottawa last night in a wild game with a final score of 42-41. Schubert of McPherson was high point man with 14 points; Voth, McPherson center, followed a close second with 13 tallies. Harris of Ottawa was high with 10 points.

back and looking good after his recent illness.

Ottawa's Harris and Turner were the threats of the evening although they were not exceptionally outstanding, considering the fact that all the Braves' subs were of almost an equal caliber.

Our boys played a beautiful game. Schubert showed, as usual, his all-conference performance. The rest of the entire squad played excellent ball.

If the boys keep playing as they have the last two games, and continue to show the improvement that they have, it is easy to predict that they will end the season near the top of the conference.

Baker Tops Dogs 45-41 In Central Kansas Game

**Hard Fought Game Ends
With Last Minute Spurt**

Baker Wildcats edged out a hard fighting McPherson College quintet last Tuesday night at Baldwin 45-41.

The Wildcat team held a 3 point advantage, 24-21, at the half way mark. The beginning of the game saw the Listonites run up a 16-4 lead but soon the Canines began hitting and were up to within three points by the end of the half.

Soon after the half the Bulldogs' sharpshooters tied up the score and led for the rest of the game until about the last two minutes when B. U. tied the count at 39-39. Schubert connected to put the Bulldogs out in front 41-39. Then Arnold sent one through to tie it up again, Hodges got a sleeper and Arnold slipped another through to clinch the game.

The game was well played all the way. McPherson got a few bad breaks at the last that lost them the game. Sloop was ruled out of the game for using unjust tactics.

The box score:
McPherson FG FT F
Hill 2 3 3
Culver 2 3 1

George Voth is back with the Bulldogs. He recovered from the flu and returned to his center position when the Bulldogs played Baker Tuesday night. The Bulldogs missed George in only one game, the Baker-McPherson home game.

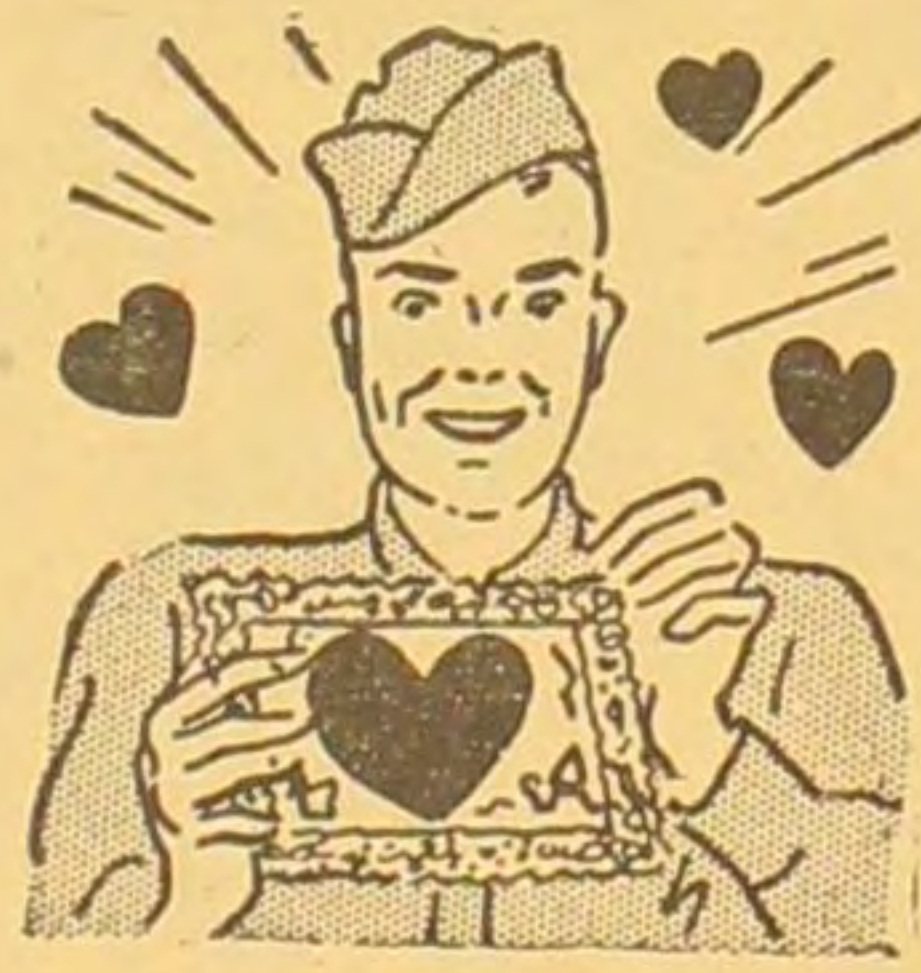

Coach has two new names on the roster of his squad. Bob Achilles and Marlin Steinert are out for varsity basketball. They have already shown their interest in the Bulldogs by serving as the student managers of the team. These two raise the total of the squad to thirteen men.

"If it isn't one thing, it is another. If one player isn't out, another is," coach could say. Now it is "Red" Smith who will be missing from the line-up for a while. "Red" sprained his ankle quite severely during last Friday's practice. He will not be able to return to his forward position on the basketball line-up until he has missed several games. "Red" will be missed by the team. He has played some fine basketball in recent games.

Last Tuesday night Sloop was ejected from the McPherson-Baker game for slugging Culver, Canine forward, in the kidney. Culver was dribbling away from Sloop when he was slugged by the Baker man. It happened that the official was behind him and saw the act.

Those Bulldogs really looked good at Baker, and are looking more that way in every game. They should finish a very good season this year. The schedule for the past two weeks has been very tough. From here on out it will be somewhat easier, and fans can look forward to seeing the Bulldogs on top of the pile.

Every game a new star rises. At B. U. Tuesday night, Ronnie Huxman came through again; this time with 10 points. Again as several times

Town Team Leads Intramural League

**Ministers Sit Tight On
Second Lead Position**

The town team defeated the co-op team 19-13 Monday night to remain undefeated after its second intramural basketball game. The town team led at the half, 13-2.

This team had little trouble in winning the game but did not show too much scoring punch in doing so.

The ministers share the lead with the town team. They have won their only game and show promise of keeping the intramural basketball crown that they won last year.

More than twenty-five couples attended the Outing Club theatre party at the Manor Saturday night. The fellows were more than willing since the co-eds invited dates and paid all expenses.

After the show, "Girl Trouble," the group met in the S.U.R. and played games under the leadership of Lucile Harris and Keith Burton.

Refreshments were served by a committee composed of Violet Bollinger, Evelyn Wilson, and Betty Kimmel.

Bulldogs To Meet Swedes Here Mon.

Next Monday evening the Bulldogs meet the Swedes in their first cage game this season. The game will start at eight o'clock at Convention Hall.

A good game may be expected, for the boys are in the mood for some wins after Thursday night's taste. The loss of Prentice and Smith has not slowed up the team quite as much as feared, for the boys are still plugging away with wins and near wins.

Bethany's pride seems to be centered in a red haired guard by the name of Chandler. He is not too large, built something like our own former guard Buller.

We should win this game, but at least it will be close, and that always makes interesting games.
