

Juniors Sponsor All-School Party Saturday Night, Dec. 2

Winter is here! At least that is what the juniors seem to think. The theme of the all-school party sponsored by the junior class in the gym on Saturday evening, Dec. 2, at 8 p. m., is "Winter Wonderland."

The co-chairmen, Miriam Keim and Gifford Ikenberry, said that the entertainment will be mostly a floor show staged by the members of the junior class.

The following are members of the decoration committee: chairman, Hazel Sanger, Delma Cline, Pat Paterson, Bob Augsbarger, Duane Jamison, and Margaret Dargatz.

The refreshment committee consists of chairman, Claudia Jo Stump, Esther Mohler, Lorene Clark, Miriam Keim, and Naomi Mankey.

On the entertainment committee are Gifford Ikenberry, chairman; Jerry Hill, D. A. Crist, and Bob Kerr.

Mac Students Stranded In Washington

Twenty-nine McPherson College students and seven Laverne (Cal.) College students were forced back to Washington, D. C., because of blocked roads by snowdrifts Sunday evening. These students stayed in the Brethren Church there the rest of the night. This is according to an Associated Press release, Dec. 27, 1950.

Senator Darby (R.-Kans.), arranged for the students Monday night. The students were guests at a luncheon in the capitol and were invited to be senator Darby's dinner guests Monday night. They went sight seeing during the day.

A telegram from the Brethren Church said they planned to start home Tuesday. They planned to be here to attend Friday's classes.

Studio Recital Given By Students

A studio recital was given by pupils of Miss Minnie Mugler at the downtown studio Saturday, Nov. 18, at 4 p. m.

It was the first of a series of recitals to be given throughout the year. The program consisted of both solo and ensemble numbers.

The following pupils appeared on the program: Quentin Wood, Rae Ann Mettlen, J. Reed Piers, Lorna Lehmburg, Steven Wood, Ann White, Katherine Jones, George Lehmburg, Jr., Marilyn Bell, Mary Lou Stucky, and Mary Beth Tolle.

Debaters Present Debate Topic At Student Assembly

MacCollege debaters and their sponsor, Prof. Roy McAuley, discussed their debate topic before the students in Assembly, Nov. 27.

Gene Bechtel presented arguments for the affirmative side. Arguments for the negative side were presented by Wayne Ziegler. The question was discussed by the audience and debaters following the speeches.

The debate question was "Resolved: That the Non-Communist nations should form a new international organization."

Brethren Youth Promote Brethren Church Teachings

Two more Brethren youth have volunteered a year of their lives to help promote the teachings of the Brethren Church.

Don Richards and Joe Johns of Dayton, Ohio, and Scalp Level, Pennsylvania, respectively, have been on Macampus the last few days in connection with Brethren Volunteer Service. During their stay here they were to receive information about the Western Region of the church.

They left Thursday morning for the Panther Creek Church at Adel, Iowa, to work with the young people of that area for one month. Paul Miller is pastor of that Church.

They intend to spend one month in each district of the Western Region for one year.

Monday evening they visited with the Rec. Council, and their visit was thoroughly enjoyed by that group of young people.

Calendar

- Dec. 1, basketball—Phillips university, Conway Springs, Kansas.
- Dec. 2, All-school party, juniors in charge.
- Dec. 3, Student Recital, 3 p. m.
- Dec. 5, W. A. S. C. O. dinner.
- Dec. 6, W. A. S. C. O. initiation.
- Dec. 8, basketball—Friends.
- Dec. 9, All-school Christmas party.
- Dec. 10, Christmas Oratorio.
- Dec. 12, basketball—St. Benedict's, there.
- Dec. 13, Illinois Wesleyan—there.
- Dec. 15-16, Brethren basketball tournament, Manchester.
- Dec. 15, Christmas vacation starts.

Thanksgiving Classes Are To Be Made-Up December 4 and 5

Due to the change in the Thanksgiving vacation, there were no classes Friday. The following schedule has been worked out to take care of the classes missed. Friday morning's classes will be held on Monday afternoon from 3:05 p. m. through 4:55 p. m. The afternoon classes will be held Tuesday afternoon from 3:05 p. m. through 4:00 p. m. The classes will run in their regular order. The only change is the time.

National Teacher Examinations Will Be Held Feb. 17

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at testing centers throughout the United States on Saturday, Feb. 17, 1951.

At the one-day testing session a candidate may take the Common Examinations, which include tests in General Culture, Mental Abilities and Basic Skills, and Professional Information; and one or two of nine Optional Examinations, designed to demonstrate mastery of subject matter to be taught. The college which a candidate is attending or the school system in which he is seeking employment will advise him whether he must offer the National Teacher Examinations and which of the tests he should take.

Application forms and a Bulletin of Information describing registration procedure and containing sample test questions, may be obtained from college officials, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, P. O. Box 592, Princeton, New Jersey. A completed application, accompanied by the proper examination fee, should reach the ETS office not later than Jan. 19, 1951.

Dr. Bittinger Attends Meeting At Cleveland, O.

Dr. D. W. Bittinger is one of the more than 5,000 official, consulting and visiting delegates who are attending the Constituting Convention of the National Council of Churches of Christ in the U. S. A. This convention is being held in Cleveland, Ohio, November 28 to December 2.

This constituting convention will bring together the eight interdenominational agencies which have been in operation. It will mark a great forward step in the history of church cooperation.

It is being urged that Sunday, December 3, be observed in the churches as National Council Sunday.

Bulldog Debate Teams Travel To Hutchinson

Six MacCollege students, will debate in the Hutchinson Jucp tournament tomorrow.

Debate coach, Roy McAuley, will accompany the three teams: Joan Plither and Miriam Akers; Wayne Ziegler and Gene Bechtel; and Joe Kennedy and Berwyn Oltman.

Chapel Programs Are Announced

The chapel committee has announced the programs for assembly and chapel for the remainder of the pre-Christmas term.

A film will be shown on Monday, the 4th of Dec. The students who made the trip to Bridgewater will give a report on the 6th. A traveler and lecturer, Mr. Jackman, will speak on Dec. 11th. The college quartets will present a musical program on the 13th.

The Spectator

VOL. XXXV McPherson College, McPherson, Kansas, December 1, 1950 No. 14

Attention:

If you receive your call to report for a pre-induction physical, leave note at the Spec office. We are interested in having this news and you are the only source.

Dell's Majors Visit Plants In Kansas City

Watching the manufacture of paint and grease at the Coop plant, Kansas City, will be one of the high-lights of the trip which is to be taken by 13 students who are majoring in industrial arts here at MacCollege, Prof. S. M. Dell stated.

The purpose of the trip, which will be taken on the weekend of Dec. 9-10, is to let the students see management and labor under various conditions.

Among other businesses which will be visited by the group are the Goodyear Tire plant, Topeka, the Frank Paxton Lumber Company, and a veneer plant, all in Kansas City.

Although not decided as yet, they may go through the General Motors assembly line in Kansas City, Prof. S. M. Dell disclosed. The group will make the trip in cars.

Defense Program Boosts Demand For Engineers

Employment opportunities for engineering graduates have improved greatly since early 1950, according to the U. S. Department of Labor's Bureau of Labor Statistics. The mobilization program has increased the demand for engineers so much that employers are now seeking additional personnel, after absorbing the engineering class' record 1950 graduating class of 50,000. Hiring of engineers has been much heavier in 1950 than in 1949, although in January, employers had reported to the Engineers Joint Council that they expected to hire fewer engineers this year than last. As defense production rises over the coming months, and the Armed Forces are expanded, the demand for engineers will increase further. Recent graduates who may have entered non-engineering positions can today find opportunities for engineering employment.

For high school students and others considering whether to enter engineering training, the profession offers very good employment prospects, as indicated the Bureau's Occupational Outlook Summary of March 8, 1950. This summary, which was based on the assumption of peacetime conditions, pointed out that the engineering profession has been one of the Nation's fastest-growing occupations and will probably remain so over the long run. Defense mobilization will continue to add to the peacetime demand for engineering graduates for the next few years at least. Moreover, the number of freshmen engineering students has been declining since 1946, largely because of the drop in enrollments of veterans in U. S. colleges and universities. As a result, the number of graduates will decrease over the next several years. According to estimates, which are based on preliminary reports of 1950 fall enrollments to the U. S. Office of Education and the American Society for Engineering Education and which allow for the normal number of dropouts, the number of new graduates headed each year to satisfy the average peacetime demand (as estimated in Bureau of Labor Statistics Bulletin No. 965, "Employment Outlook for Engineers").

The drop in engineering enrollments will be intensified to the extent that students may be withdrawn for military service.

Student Joint Recital Given Sunday, Dec. 3

A joint recital will be given by students from the piano and voice departments of MacCollege, Sunday Dec. 3, in the college chapel, starting at 3 p. m.

Women who will appear in the program from the voice department are Claudia Jo Stump and Hazel Sanger.

Earl Lapp, Gifford Ikenberry, and Max McAuley are the other vocalists.

Three special students—Kaye Brus and Delbert Jones, Lyons; and Kathleen Schullis, McPherson, will present several piano numbers.

Marliee Bowman and Marliee Grove, pianists, compose the rest of the group.

WAA Begins Winter Sports

Winter season sports have begun by the WAA. The sports are basketball, swimming, skating, and individual sports.

The chairman elected to head the sports are: basketball, Marliee Grove; swimming, Lois Yoder; skating, Donna Lou Sooby; individual sports, Esther Mohler.

The fall season sports were bowling, tennis, softball, and outing. Sports heads were Delma Cline, Wilda Minnix, Mildred Snowberger, and Angie Flora.

To be active in WAA, a girl must attend six of the eight meetings of one sport a season. The new activities will be initiated soon. The committee in charge of initiation is Mildred Snowberger, chairman, Ruth Moore, and Lorene Clark.

In charge of entertainment for the initiation party are Betty Jo Baker, chairman, Esther Mohler, and Marliee Grove. Refreshments are in charge of Miriam Keim, chairman, Wilda Minnix and Margaret Dargatz.

Those active in softball were: Betty Jo Baker, Ina Dittmars, and Bertha Landis. Active in bowling were: Delma Cline, Hazel Sanger, Ruth Moore, Angie Flora, Betty Jo Baker, and Angie Flora.

Active in the outing club were: Phyllis Bowman, Marliee Grove, Maxine Hanley, Mary Ellen Yoder, Carol Huffman, Rowena Morkey, Betty Jo Baker, June Blough, Phyllis Johnson, Bertha Landis, Rowan Keim, Lois Yoder, Ina Dittmars, Martha Lucore, Elsa Kutz, Angie Flora, Miriam Keim, Letha Miller.

Those active in tennis were: Doris Keeler, Helen Hood, Wilda Minnix, Lorene Clark, Ina Dittmars, Hotsuko Kanazawa, Mary Ellen Yoder, Letha Miller, Esther Mohler, Delma Cline, Lillian Good; Marilyn Roe, and Barbara Beck.

WAA initiation is to be held Wednesday, Dec. 6. The initiation hours are 8 a. m. to 4 p. m. Approximately 25 girls are to be initiated. A party will be held at 7 p. m.

First on the list of initiation activities is that the girls must wear their hair straight on one side of the head, and the other side in hobby pins. The girls wear absolutely no make up, but they must have WAA printed across their forehead with lipstick.

Second, jeans are to be worn with pant legs rolled up, and a dress is to be worn with one side tucked in the jeans, and the other side hanging outside loosely. Footwear is to be ankle sock and high heeled shoe on one foot and hose and saddle shoe on the other foot.

Third, the girls to be initiated must open the doors for the letter girls, and they must carry with them a raw egg which the professors are to autograph. Dues of 50 cents must be brought to the party.

Animal Nutrition Class Will Take Field Trip

If the weather permits, the animal nutrition class will take a field trip to the area of Little River, Lyons, Nickerson and Hutchinson, Thursday, Nov. 30, Prof. Guy Hayes disclosed.

The trip will include contacting good farm operators and viewing feedlot setups.

Christmas Oratorio To Be Dec. 10

A new Christmas Oratorio will be featured this year for the annual Christmas musical program which is to be held Sunday, Dec. 10, at 7:30 p. m. in the college church.

The A Cappella Choir, Chapel Choir, Collier Church Choir, McPherson Church Choir and the Church Children's Choir will combine to participate in the musical. Prof. Donald R. Frederick will direct these choirs in the program of Christmas music.

This new Christmas Oratorio was written by Camil Van Hulse. It was first published in 1950, and Prof. Frederick received his first copy in September. Prof. Frederick stated that the program is completely different from those given in the past, and is most likely to be the first production of the musical in this part of the country.

World Traveler, Lecturer, To Be On Macampus

Rev. Dr. Theodore Jackman, lecturer and world traveler, will be on McPherson campus Monday, Dec. 11.

Mr. Jackman is the executive director of the Palestine Research Institute and is an authority on the Holy Land, past and present.

He has spent several years in studying and observation in Palestine. He will speak Monday morning in the chapel. In the evening, he will give an illustrated lecture on "The Promised Land."

Rabbi Fierman Speaks In Chapel Wed.

"If we place the proper emphasis on faith, religion will not be misunderstood, and we will bring for the future a program of usefulness," said Rabbi Morton C. Fierman in an address to MacCollege students, Nov. 22.

"Man is made up of various types of emotions," Rabbi Fierman said. "The greatest of emotions is the emotion of religion. In the name of religion some of the greatest literature has been written, the finest buildings have been built. Religion has stimulated man to do things greater than himself."

The rabbi said that men strive for peace in the name of religion, yet people are persecuted in the name of religion. His reason for this inconsistency was that many people cannot understand the basic emotion of religion, faith.

"Faith is aspiration to do good when inspiration is received from sermons, from great music, or from meditation. Faith of inspiration must be complemented by good works."

Rabbi Fierman was brought to the campus by the Jewish Chautauqua Society.

Bridgewater Group Held-Up By Storm

The Bridgewater group will remain in Washington, D. C., until the roads are safe for travel. They plan to return Wednesday (rather than Tuesday), ready to attend the Thursday classes. The Red Cross called Mrs. Bittinger Sunday night saying that they are perfectly safe so long as they stay in Washington where they are enjoying the hospitality of the Brethren Church.

A wire was received from Jack Kough stating that a write-up and picture of the group was in the Herald-Times. A story was also in the Hutchinson News-Herald.

Basketball Practice Continues For 16 Boys

Prof. Guy Hayes was in charge during Coach Woody's absence. Sixteen boys were out for Monday's practice. Practicing various drills and scrimmaging made up the practice.

An Unfinished Story . . .

Last summer at the National Boy Scout Jamboree I had a chance to see social work at its best. I witnessed one of the greatest programs man has ever attempted. 50,000 boys and leaders came together for the greatest fellowship ever held, and all this was progressing peacefully. Even though the first news of the Korean war was coming over news wires.

I was only a small part of this great, peaceful fellowship, but I was proud to be a part of it. The personalities I met, all had a different outlook on the world situation. But there was one boy, I knew, who really got the spirit of the jamboree.

I will lay the foundation of the jamboree, and then I will tell you about this boy. Boys from forty-eight states, Alaska, Hawaii, Porto Rico and fifteen foreign countries were at this jamboree. Their theme was "Strengthen Liberty." A purpose which I believe was well done by those boys who were in attendance.

The boy who I have already mentioned we shall call "John." He was in my camp site. One evening towards the closing days of the jamboree I saw him in the kitchen tent cleaning-up after the evening meal. He was crying quietly while he was doing his work. I walked over to his side, and quietly asked him what was bothering him. I was a little astonished at his answer. He said, "Golly, I hate to see this break-up. The kids are all having a swell time, and they are enjoying a great fellowship together. Especially these fellows from the foreign countries. This war in Korea has practically ruined this jamboree for us. Here it is so peaceful, everybody is getting along swell with everyone else and, when this is over we will go home where we will hear all about the war and not so peaceful world. I just wish this jamboree and us kids could go on like this forever, because we are so happy here." And "John" continued crying.

There was not anything I could do. So I left the boy with his work and his thoughts. And today I am still wondering why people can not get along together as those fellows in Valley Forge at the National Boy Scout Jamboree this past summer did. We should be thankful for everything we have in this world today, and we should also think towards a way to find a free, peaceful, and Christian World for tomorrow.

This is an unfinished story, but only we students of McPherson College and other colleges around can finish this story. It is our future and the future of "John's" for which we are responsible.

Emory University Offers Major In Humanities

Atlanta, Ga. (I. P.) A program that liberalizes liberal education is found in the expanded division of the humanities at Emory University.

The new program, which went into effect as the fall quarter opened, makes possible a general culture major without specialization.

According to Dr. Robert Scranton chairman of the division, the humanities program is designed for non-professional students and can be a substitute for the demands of department "majors" and "minors" as found in the usual A. B. subject matter schedule.

Dr. Scranton explained, "In the study we trace the growth of Western ideals and culture, include art, music, history, literature, language, Bible, speech, and philosophy. Such a background is the ideal 'liberal' education."

Oregon Students Take Math Tests

Corvallis, Ore. (I. P.)—Something new in placements tests during the recent freshman orientation week at Oregon State College included arithmetic and mathematics placement tests administered to practically all entering students. Heretofore mathematics tests were given only to those planning to take Mathematics courses.

Need for an arithmetic test for other students has become increasingly apparent, according to the College personnel coordinator. Some students have been handicapped in chemistry, business and technology and many other courses through inability to handle simple fractions. Some have been able to use algebra better than arithmetic, instructors have reported.

The glow of one warm thought is to me worth more than money.—Thomas Jefferson

What Do You Think?

The opinions expressed in this column are those of the contributors and not necessarily those of either McPherson College or the Spectator.

WHAT WAS THE BEST POINT OF THE THANKSGIVING VACATION?

I think that a chance to catch up on my studies was the best part of the vacation.—Gregory Johnson.

The chance to renew acquaintances and to talk with old friends was the highpoint of my Thanksgiving recess from studies.—John Ferrell.

My vote for the best part of the weekend goes for the Thanksgiving dinner I had.—Albert Rogers.

I took a trip to Texas over the holidays and I think that the Texas hospitality was the best part of it.—Letha Miller.

Thanksgiving dinner with all the trimmings was the brightest spot on the scene for me this past weekend.—Betty Jo Baker.

The chance to get some uninterrupted studying done over the weekend was good enough for me.—Kuki U. Ilooa.

The American Thanksgiving dinner with that large turkey and the rest of the things was the best thing for me.—Valinupo Alalima.

The best part of the weekend for me was a chance to get home.—Joe Pate.

I liked our trip to Texas to see my brother was the best of the weekend.—Peggy Sargent.

The question for next week is—What part of college life has given you the most benefit?

Women Use Honor System

A new social honor system for all resident women students on the campus of the University of New Hampshire has been inaugurated this fall. Prepared by the Associated Women Students, the new honor system calls for individual responsibility for obeying the social rules outlined in the Rules Book and in the case of a violation assuming the responsibility for reporting herself.

Under the honor system, each woman student, if she has violated a rule, is requested to report herself to the president of her house. If, at the end of twenty-four hours, she has not done so, she will be reminded of her violation if it has been noted by the house director, house counselor, or any member of the house council.

If, at the end of another twenty-four hours, she has not assumed the responsibility to report herself, she will be reported to the proper council, a fact which will be noted when her case is considered. It is pointed out that if the system does not prove to be successful, there will be an immediate change back to the old system of strict supervision.

Several coeds questioned by the National Youth Panel reported they want men with "PAM." PAM is a combination of personality, appearance and manners. The coed ruled that the ideal man should be able to talk on any subject, have his career planned and be very attentive. (Editors note: Is that all?)

According to the Clarkston Integrator, the mathematics department of the University of Akron is going to make it easy for students to get hold of old tests. The department is setting up a file system in the university library which will include the examinations of the previous four semesters.

The head of the math department was quoted as saying that he felt this was a big step toward the creation of better feeling between faculty and student body.

John Ward (class of '50), who was drafted into the United States Army in September, is now taking schooling in military cryptography. His address is: Sgt. John K. Ward, V. S. 5306056, Student Company No. 14, Signal Training Regiment, Camp Gordon, Georgia.

Elrod Writes His Appreciation

Dear Students and Faculty: They said it wouldn't happen, but it did. On a number of occasions the question has been discussed as to whether the students from the college would voluntarily attend chapel services held in the College Church. Even though we decided to inaugurate such a program this year, it was not without some question on the part of a few.

You students answered that question by your very splendid response and very loyal attendance at the chapel services during

the Regional Conference.

That was not the only pleasing thing that came to my attention during the days of the conference. We observed again and again the loyalty of you students and faculty to the inspirational meetings. Your very fine attitude during the conference to the extra inconveniences caused by the heavy patronage of conference guests at the cafeteria was commendable.

For these and many other courtesies which contributed greatly to the success of the Regional Conference, I, as Director, want to express to each and every one of you my grateful appreciation.

James H. Elrod
Regional Secretary

Bulldog Barks

Vacation is over and students are impatiently waiting for the next one. But in the meantime there are studies to be done and the sooner we start them, the sooner they are finished.

Away from studies and to something merrier... Betty Ann Murray entertained a group of hungry gluttons at her home last Sunday. The group went to the Memorial Church Sunday morning, then had dinner at the Murres'. They were Iowan Keim, Bill Dargett, Phyllis Bowman, Royce Beam, Irwin Porter and the hostess, Betty Ann, and her family.

LaVerne students became acquainted with MacCollege and its peculiarities last Monday and Tuesday when they stopped here to ride with Mac students to BSCM conference at Bridgewater College. The LaVerneites especially enjoyed Mac hospitality and friendliness, they said, along with the thrilling tug-of-war!

Speaking of the tug-of-war, several were made between people who were sure that they knew which side would win. It seems that everyone can't win, however, so some disappointed persons lost a few wagers...and their egos! There are always some optimists in a crowd, though, and one dear sophomore fellow saw a silver lining in the sophomore defeat. He was overheard telling one of his shivering companions, "Well, we had a free bath, anyhow."

Four girls ate a huge dinner at the Warren Hotel Saturday afternoon, from the generosity of Miss Della Lehman. The girls are in Miss Lehman's play production class, and Miss Lehman bought the girls' dinners in return for their services in putting on a playlet for the P. E. O. Chapter, in the Blue Room at the Warren. The girls were Claudia Stump, Margaret Dargett, Betty Ann Murray and Doris Roesch.

Mr. and Mrs. Max Shank and Shirley Wine were visitors on Campus last week. Mrs. Shank is the former Elaine Wine.

Martha Lucero was a Thanksgiving guest of Sylvus Flora, in Quinter. Geneva Krehbiel went to

Hutchinson last Saturday to shop. Esther Mohler was a guest over Thanksgiving of Margaret Dargett.

Dale Snyder is happy now...his car was found. Dale was getting worried for awhile, not because of his lost car, but because his love-life was being disrupted. Now Dale won't have to resort to buying a bicycle-built-for-two, after all.

McPherson College should run a lost and found department! Angie Flora lost two teddy bears last week. She is quite sure that they weren't alive and couldn't have walked off by themselves. If anyone has seen two teddy bears lounging around the campus, please notify Angie.

Speaking of lost things, some people in this institution have lost the most important things in the world—their hearts. By the way, Dr. Bittinger told his marriage and the family class last week that college was a wonderful place to find a life mate. He even went so far as to say that a BSCM Conference is a good place to look for a mate...one associates with young people of the same religion and backgrounds. The only trouble with that is that in the case of McPherson College, only one male went who wasn't already attached!

Sargents Visit Stanley

Mr. and Mrs. Paul Sargent and Peggy visited Pfc. Stanley Sargent, '50, at Lackland Airforce Base, San Antonio, Tex. over Thanksgiving.

The four then traveled through the lower Rio Grande Valley. The Sargents stopped enroute to visit friends and to take Bob Kerr, junior, to his home in Garber, Okla.

Pep Club Has All-School Chili Supper

The Pep Club members sponsored an all-school chili feed in the gym, Saturday night, Nov. 18, in order to raise money for their organization. The money will be used for club purposes and to help pay for the Pep Club jackets.

The theme was western style. For entertainment cake walks and folk gaming were held.

Bittinger Gave Thanksgiving Service Sermon

Community Thanksgiving services were held at the Church of the Brethren Thursday at 9:30 a. m.

Dr. D. W. Bittinger, MacCollege president, gave "Reasons For Thanksgiving at Mid-Century". Brethren pastor, Rev. Harry K. Ziller, presided over the union services.

Rev. Vernon E. Benson, pastor of the Congregational Church, read a Litany of Thanksgiving. President of the McPherson Council of Churches, Dr. O. S. Walters, read the scripture lesson from Psalms 104:1-24.

The congregation was led in a prayer of Thanksgiving by Central College president, Dr. Mendal B. Miller; and Mayor Homer J. Ferguson gave a Thanksgiving proclamation.

The offertory service was conducted by acting president of the Ministerial Alliance, Rev. King M. Phillips. This offering will be sent to the Vienna, Austria, office of Church World Service. There will be administered under the leadership of former MacCollege president, Dr. W. W. Peters, for relief and rehabilitation.

Mrs. Lloyd Larsen, organist, and the Brethren Church Choir under the direction of Prof. Donald R. Frederick provided music for the service.

Speech is the gift of all, but thought of few.—Cato

Kagawa Is Guest Of Kansas College

Dr. Toyohiko Kagawa was the guest of Baker University, Baldwin, Ks., Tuesday, Nov. 21. Doctor Kagawa is a leader of Japan's Christian movement and is currently on a six-month evangelistic tour of the United States. This is his sixth tour of the United States.

In 1941 Dr. Kagawa came to the United States in an attempt to preserve peace between the United States and Japan. During the war he was in Japan and was arrested three times for statements which were not acceptable to the Japanese war leaders.

Plans Are Complete For Rec Laboratory

Prof. S. M. Dell and Don Snyder, at Elgin, on Nov. 8, completed the plans for the recreational laboratory which is to be held at Macampus from Dec. 26—Jan. 1.

The laboratory is sponsored by the Church of the Brethren and is for the members of the Western and Pacific regions. However, anyone interested in recreation, crafts, camp work, or home counseling may participate.

Bulldogs Meet Phillips U. In New Conway Springs Gym

The McPherson College Bulldogs will journey to Conway Springs, Kansas, tonight to assist in the inauguration of the new high school auditorium-gym in that southern Kansas town.

The Bulldogs will be meeting Phillips University in the feature attraction of the evening, at 8:30 o'clock. Conway Springs High School will play Argonia High School in the evening's opener at 7:15.

The Bulldog's encounter with Phillips U. tonight will be the second outing of the season for the Bulldogs. They will be striving to gain a .500 season mark after their loss to the powerful St. Louis Billikens, Tuesday night.

Tonight's game will be the first one for Phillips under their new coach, Dale Holt. Coach Holt has a very impressive coaching record in high school. He produced five state championship teams while at Enid from 1943 to 1949.

Little is known of the strength of Phillips this year, other than the fact that great emphasis is placed on the roundball sport at this Oklahoma school. Coach Holt had 15 basketball scholarships at his disposal this year, and has undoubtedly attracted some outstanding talent.

McPherson College and Phillips U. have met on the hardwoods five times before. The Bulldogs have been on the short end of the score four times in these five meetings. The last time these two teams met was in a Southwestern tournament in January, 1935, when the Bulldogs lost.

Since Tuesday, Coach Woodard has been striving to remedy the weaknesses which showed up in the St. Louis game. The Bulldog offense has been in for a good share of polishing.

Coach Woodard has been constantly shifting his players, trying to find the best possible combination to start against Phillips. Coach Woody has indicated that his starting five will consist of five of the following: Loren Blickenstaff, Wayne Blickenstaff, Dale Carpenter, Bill Moore, Bob Bechtel and Gene Smith.

Tonight will mark the first time a Bulldog team has played an inter-sectional rival on a foreign court. It was viewed as an honor that the Bulldogs were asked to assist in the dedication proceedings at Conway Springs tonight. Conway Springs is the home of several loyal Bulldog supporters.

Twenty-Five Report For Basketball

Coach Woody Woodard wasted no time in getting basketball under way, once the football season was over. Basketball practice got underway in earnest just one day after the last football game, on Saturday, Nov. 18.

This was of necessity, rather than anyone's will, however, as the Bulldog roundball artists had only ten days to prepare for their opening with St. Louis, last Tuesday night. The Bulldogs got in a goodly number of hours of hard work in those ten days, practicing at least once, and many times more than once a day.

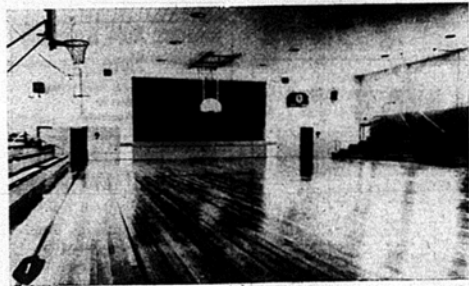

Coach Woodard took a quick look at his charges and picked out ten men to whip into shape for the St. Louis tilt. The ten to make the St. Louis trip were the six returning lettermen: Loren Blickenstaff, Dale Carpenter, Bob Bechtel, Earl Grindie, Frank Hanagarne, and Paul Heidebrecht. Also making the trip were former squadmen Hill Moore and Duane Jamison and freshmen Wayne Blickenstaff and Gene Smith.

Freshmen Harvey Pauls and Tom O'Dell will be added to this group for the Conway Springs trip.

Other men out for basketball include: Bob Gray, Carl Metzger, Clive Sharpe, Bob Peel, Ed Ball, Don Hoch, Dwight McSpadden, Bob Powell, Wayne Eshelman, Max Dowdy, Merton Ikenberry, Dick Mason, and Don Dannelley.

Mason, a transfer from Kansas U. and Dannelley, a transfer from K. State will not be eligible until the semester.

Barring any shifting of players this last group will make up the B squad.

NEW CONWAY SPRINGS GYM—which the Bulldogs will help dedicate tonight.

Bulldogs Make Good Showing At St. Louis

The McPherson College Bulldogs dropped their basketball opener to the strong St. Louis Billikens 69 to 49. Coach Woody Woodard's charges, although out manned, showed the Billikens a good game, which in itself is a credit to Bulldog basketball.

Wayne Blickenstaff led the scoring for both teams with a 22 point total. Brother Loren accounted for 15 points beside turning in a fine floor game. One local man who saw the game expressed the opinion that "Big Red" was the best player on the floor.

Ed Scott led the scoring for St. Louis with 17 points, and Lou McKenna gleaned 14.

The Bulldogs have proved that they can score, and score against tough opposition. As the season moves on the Bulldogs should give their foes no end of trouble, and will probably raise a lot of smoke in the coming Kansas Conference flag chase.

The Box Score:

M. C.	FG	FT	F
W. Blickenstaff	9	4	0
L. Blickenstaff	7	1	1
Hanagarne	1	0	0
Carpenter	0	0	1
Heidebrecht	0	0	1
Moore	0	0	3
Jamison	1	0	0
Bechtel	2	0	3
Smith	0	2	1
Grindie	1	0	4
Totals	21	7	14
St. Louis	FG	FT	F
Scott	8	1	0
Russell	0	0	2
Sonnenberg	2	5	3
Schauriet	3	2	0

Bulldog Backs Run Wild In Winning Red Hot 38-7 Game

It was a cool night in the stands Friday, November 17, but things were far from cool out on the playing field in the McPherson-Friends football game. The Bulldogs were "red hot" as they ripped the Quakers apart 38 to 7, and brought their season to a close with a form that proved that it was no accident that they gave almost every team in the conference a rugged game this year.

McPherson scored late in the first period when Bob Kerr twisted and turned and just plain ran right through the middle of the entire Friends team from the McPherson 35 to score. Kerr carried again in the try for the after point, but his rush was called back by a penalty and McSpadden failed in the try for point by placekicking.

In the second period, Friends drove to the 6, and from there, Hudgins passed to Cline for the tally. Cline carried the ball over and Friends led by a 7 to 6 margin. Later in that same period, Eddie Ball galloped around his right end for 51 yards to put McPherson back in the lead and Johnny Robison carried the ball across for the after point.

Play continued on fairly even terms until a McPherson pass was intercepted by Friends on their own 10 yard line where they in turn fumbled and McPherson recovered. McPherson was penalized 5 yards for delay of the game and with the pass by McPherson going incomplete, the play of the first half ended.

Early in the third quarter, Bob Kerr broke into the clear and raced into the clear to cross the goal line, but the play was called back as McPherson was holding and penalized back to their own 45 yard stripe. McSpadden carried and went to the Friends 35 before being brought down. Kerr again took off around the end and went over standing up. Robison cracked

game every outing at his guard position.

One could find many who would say that both Kerr and Goff should have been placed on the first team, but they both have another year coming.

The entire conference selections are:

First Team
Eugene Chubb, Baker End
Dick Meiers, Ottawa End

the Friends line for the try for the point.

McSpadden kicked off to the Friends, but they fumbled on their own six, and Tommy O'Dell recovered there. Gene Smith drove over on the first play to put McPherson even farther ahead, 26 to 7. Fishburn missed the kick for the after point.

A short time later, Bob Kerr intercepted a long Quaker pass, and then in one of the sensational plays of the game and of the season, rambled 84 yards to the goal line to score as he picked up almost perfect blocking along the way. Fishburn again attempted the placekick but it was wide.

The McPherson reserves took over after Loren Blickenstaff recovered a Quaker fumble on the Friends 28. O'Dell chalked up 23 yards and a couple of first downs in three running plays. McSpadden ran the ball to the one and Don Hoch carried it over from there to score. O'Dell failed to cross the line to score at the after point and shortly after play ended the ball game with McPherson ahead 38 to 7.

Wayne McElroy, Ottawa Tackle
Joe Pate, McPherson Tackle
Larry Noll, Baker Guard
Bill Bauhman, Wesleyan Guard
Bob Lawson, Ottawa Center
Boyce Smith, Baker Back
Vaughn Kimbrough, Ottawa Back
Don Durand, C. of E. Back

Ernest Anzlam, Baker Tackle
Bob Watkins, Ottawa Guard
George Goff, McPherson Guard
John Zorn, Baker Center
Henry Doering, Wesleyan Back
Bob Kerr, McPherson Back
Wesley Hill, Baker Back
Everett Viets, Ottawa Back

Kerr Sets New Scoring Mark, Leads Rushing

The football season has come and gone, the cleated shoes and protective padding have been stored until another season, and now we find ourselves surrounded with statistics and mythical teams of all sorts and descriptions.

Dean Coughenour, sports publicity director for McPherson College, has compiled all of the individual and team statistics for the past season. He has passed them on for publication here.

Co-captain Bob Kerr was the standout Bulldog scorer and ground gainer. Bob led in the rushing and scoring departments, was first in the yards gained from pass receptions, and second in the number of passes received. Captain Bob set two new college records, his total of 78 points being a new record, and he ran an intercepted pass back 86 yards in the Friends game for a new record.

The Scoring:

TD	Pat	fg	T
Kerr	12	1	73
Smith	5	2	32
Robison	2	5	17
Ball	2	2	12
McSpadden	2	2	12
Blickenstaff	1	1	6
Hoch	1	1	6
Petefiah	1	1	1
O'Dell	1	1	1
Fishburn	1	1	1
MC Totals	26	10	166
Opponents	27	16	181
Rushing	Atts.	Yards	Avg.
Kerr	116	728	6.28
Smith	87	427	4.91
Ball	40	288	7.20
Robison	61	221	3.79
McSpadden	21	108	5.14
O'Dell	24	80	3.33
Blickenstaff	18	25	1.39
Bean	5	11	2.20
Delay	1	6	6.00
Metzler	1	-2	-2.00
Hoch	10	-3	-0.30
MC Totals	384	1799	4.69
Opponents	381	1798	4.71

Quarterback Wayne Blickenstaff carried the brunt of the passing load in Coach Woodard's split-T formation. Blick completed 16 of 45 tosses for a total of 353 yards. Tommy O'Dell had the best record with two completions in two tries for 108 yards.

Joe Pate Makes All Conference

Co-captain Joe Pate, an outstanding lineman for the McPherson College Bulldogs for the last two seasons, was recently voted to a berth on the All Kansas Conference Team. Big friendly Joe has been a consistent performer for the Bulldogs these last two years.

Playing both offense and defense, Joe is not a spectacular player but is a fellow that can always be counted on, and the kind of a guy that opposition always knows is there all the time.

Two McPherson College grid-ders were voted to the All Conference second team. Co-captain Bob Kerr was voted to a backfield position, and George Goff was given a guard position. Kerr, who ranked number two behind Boyce Smith of Baker, in the conference scoring, proved to be the most consistent ground gainer for the Bulldogs this season. George Goff, who is another double duty lineman for the Bulldogs, turned in a fine
