All-School Picnic To Be Held Today

Marion Lake will be the scene of this years' all-school picnic today, Friday afternoon and evening.

Transportation is to be provided by the Social Committee who is also in charge of publicity. The Rec. Council is in charge of the eats and recreation with an evening campfire program being arranged for by the S. C. A.

The cars are to leave here at 1:30 Friday. Each passenger is requested to pay their driver twenty-five cents to pay for the gaso line.

Sponsors hope that everyone will attend this picnic and enter into the spirit of the occasion. This should provide an excellent opportunity to learn to know the people behind the new faces here on the campus.

The intramural season opens Monday night with a full schedule of volleyball games. Coach Dick Wareham, director of intramural athletics, called 28 teams to a meeting last Monday night to agree on rules.

The plan calls for six games on each night of league play.

The times for the games are. 7:30, 8:15, and 9:00, with two games being played at the same time. Games will be played on Monday, Wednesday, and Thurday and the same time. Games will be played on Monday, Wednesday, and Thurday and the same time. Games will be played on Monday, Wednesday, and Thurday and the same time. Games will be played on Monday. The present plans call for the teams to be divided into two leagues. The makeup of each league will be decided purely by chance by Dick Wareham.

Wareham said that if time permitted at the end of the season, there would be a playoff between the top team in each league.

More people will be participating in the instramural program at Mc-Pherson College than ever before. Prospects call for about 225 participants compared to the previous high of 210, which was the number that participated last year.

At the present time and desires to be on one should contact Dick Wareham. He will do his best to be that all interested people are playing.

Thirdly, they were interested in mountains and scenic places and, accordingly, visited the great stone face, the White Mountains, the Green Mountains, and the sea coastal areas. They had the pleasure of swimming in the Atlantic Ocean in almost every state that touched the Eastern seaboard from Vrginian northward to Maine.

Following their tour in New England they journeyed on northward through Canada to Quebec and them spent three days coming down the St. Lawrence River. They spent some time among the Thousand Islands and enjoyed the marwelous scenery of that area. The return was through New York and Canada and included some time at Nilagara Falls.

Following this Eastern trip they went Southward to the Gulf of Mexico, visited the churches in Louisiana and Texas, then journ-level and the same of the control of Mexico, visited the churches in Louisiana and Texas, then journ-level in the same of the control of Mexico, visited the churches in Louisiana and Texas, then journ-level in the same of the control of Mexico, visited the churches in Louisiana and Texas, then journ-level in the same of the control of Mexico, visited the churches in Louisiana and Texas, then journ-level in the same of the control of Mexico, visited the churches in Louisiana and Texas, then journ-level in the same of the control of Mexico, visited the churches in Louisiana and Texas, then journ-level in the same of the control of the control
