

Conference Reaches Climax In Impressive Dédication Service

Royer and Edna Dotzour Hall was officially dedicated in the presence of a large crowd of Regional Conference guests, students, and friends of the college Wednesday afternoon, Nov. 18, in the Church of the Brethren.

Mr. and Mrs. Royer Dotzour, who gave this new girls' dormitory and its furnishings to the college, made the presentation. Mr. Paul Sargent, chairman of the Executive Committee of the Board of Trustees, introduced the Dotzours.

On behalf of the college, Dr. W. D. H. Yoder, president of the Board of Trustees, accepted the gift.

During the service the college students occupied the center section of the church with the girls sitting in front.

The service of dedication included a litany of dedication read in union.

The Combined Ladies Ensembles and the A Cappella Choir presented music. Three grandnieces of the Dotzours, two of whom are Macollege students—Faye Ellen, Carol, and Nancy Trostle—presented an organ, piano, and flute number.

Dr. Earl Frantz led the devotions, and the Rev. Harry K. Zeller, Jr., pronounced the benediction.

Dr. D. W. Bittinger gave a meditation, "God Bless This Home," and led the litany.

Ground-breaking ceremonies for the new dormitory were held during the commencement exercises in 1951. Mr. and Mrs. Dotzour turned the first shovelful of earth at that time.

Although the dormitory is not quite complete, an open house was held following the dedication so that conference guests might be able to see the interior. The girls plan to move into the building sometime in December.

Refreshments of punch, cookies, and mints were served in the recreation room to the visitors by the girls who will soon be occupying the hall. The girls also acted as guides for the visitors in a tour of the building.

Poetry Association Honors Esther Ikenberry's Poem

Esther Ikenberry, Macollege junior from Cuba, New Mexico, received the following letter from D. Hartman, Secretary of the National Poetry Association:

We take pleasure in informing you that your poem, "December to May," has been selected by the Board of Judges, to be published in the Annual Anthology of College Poetry.

The Anthology is a compilation of the finest poetry written by the College men and women of America, representing every state in the country. Selections were made from thousands of poems submitted.

Please accept our heartfelt congratulations on this recognition of your work.

Esther, an English major, wrote "December to May" when a junior in high school. She began writing poetry in eighth grade under an encouraging teacher in China. He was the kind who gave twenty vocabulary words a week to his students.

During Esther's senior year at Manhattan High School, she wrote a winning scientific paper, "Perfumes in Chemistry," which was published in the *Kansas Academy of Science News*.

Esther has a collection of about twenty-five poems which are her own enjoyment. It is her creative way of "letting off steam."

Other poets in Esther's family contributor to *The Gospel Messenger*, and her father.

Esther Ikenberry is the second McPherson College student to receive this honor from the National Poetry Association. Marie Delaplain, now Mrs. Junior Eberly of Hope, Kan., won the same recognition in 1947-48.

Rev. Don Rowe Is New Executive Secy. For Region

The new executive secretary of the Western Region is the Rev. Don Rowe of Pasadena, Calif. His appointment was announced Monday, Nov. 16, at the Regional Conference.

Dr. R. E. Mohler, professor emeritus of biology, has been serving as executive secretary since last summer when Dr. James Elrod began his pastorate in Kansas City, Kansas.

Mr. Rowe will assume office Sept. 1, 1954. He is pastor of the Pasadena church and has served as a pastor in a rural church in Illinois. He is an alumnus of Manchester College and of Bethany Biblical Seminary.

To Carve Or Not To Carve Is The Question

Probably not all students would want to go to classes on the coming Thanksgiving day. However, this is not true in all cases. Last week in debate class Eula Mae Murrey was taking down debate assignments and seemed to be missing one.

She raised her hand and asked Dr. Hess what the debate was about on Nov. 26. Dr. Hess quickly replied, "That is the day when we shall debate which side of the turkey to carve first."

Eula Mae is known by her classmates as a good sharp debater.

GIFT OF MR. AND MRS. ROYER DOTZOUR of Boulder, Colo., to McPherson College. This new, modern, and very beautiful building of outstanding architectural design was dedicated to the Glory of God in an impressive ceremony last Wednesday afternoon, Nov. 18, at 2:45 p. m.

Hundreds of visitors to the Regional Conference were present at the Dedication ceremony. The Dotzour Hall will be used by McPherson College to house 106 of the girl students.

Robinson Speaks In Chapel

Dr. Paul Robinson President Bethany Biblical Seminary

Dr. Paul Robinson, president of Bethany Biblical Seminary and one of the leading preachers of this time, spoke on "The Road Ahead" at chapel Tuesday, Nov. 17.

Dr. Robinson stated that we are forever taking the wrong road for the ideals that we hold. "You never arrive anywhere unless you know where you are going," he said. "It isn't enough to have high ideals. You have to have the courage to take the road that will lead you where you want to go. That road is narrow and the road is hard."

Glenn Swinger, director of public relations, was in charge of the chapel program. Rev. Dale Brown, pastor of Des Moines, Iowa, had scripture meditation and prayer. Florene Hall, Macollege graduate of '53, sang, "Trust Ye The Lord," accompanied by Miss Doris Coppock. Mrs. San Romani played the organ prelude and postlude.

College Calendar

Saturday, Nov. 21: "M" Club Carnival 7:30 p. m.

Wednesday, Nov. 25: Thanksgiving Vacation Begins, 5 p. m.

Monday, Nov. 30: Thanksgiving Vacations Ends, 7:45 a. m.

Friday, Dec. 4: All School Movie 7:30 p. m.

"B" Team (Basketball) at Tabor.

Saturday, Dec. 5: Freshman Party, 8:30 p. m.

Opera Has Second Presentation Tonight

Tonight at 8 p. m., in the Community Building, "The Bartered Bride," an opera in two acts, will be presented for the second time by the Music and Dramatics Departments of Macollege.

The opera was given to a full house of Regional Conference guests on Tuesday evening, Nov. 17.

Connie Brooks, freshman soprano, and Norman Long, sophomore tenor, in the lead roles of the two lovers, Marie and Jenik, were well received by the audience Tuesday.

Karl Balder, in the speaking role of Vashek, the simple-minded half brother of Jenik, almost stole the show with his excellent acting. Joe Kennedy, as the aged marriage broker, Keszal, also provided the audience with many laughs.

The opera this year utilizes others than singers as sword swallower, two acrobats, a group of dancers, a clown, and other strolling players appear.

Prof. Donald R. Frederick is general director. Prof. Paul V. Solbenberger, Mrs. Una Yoder, and

Miss Doris Coppock have assisted in the production.

Students and faculty members will be admitted tonight on their activity tickets. Admission for others is 25c, 50c, and \$1.

This is the third consecutive year Macollege has produced an opera for Regional Conference guests. Last year "The Mikado" was presented. In 1951 "The Bohemian Girl" was given.

Other leads in the opera were Don Thralls and Ruth Peckover as Marie's parents, Leon Neher as Jenik and Vashek's father, Evelyn Williams as Vashek's mother, and Margaret Balle, who played the part of a dancing girl.

Members of the Dramatics Department assisted in building the set and in backstage production problems.

Prof. Max McAuley was in charge of publicity for the opera. Candy bars and ice cream bars were sold to the audience during the intermission between the parts of Act II.

Another queen will be crowned Saturday night, only this time she will have a mate—the Carnival King—as the McPherson College "M" Club throws a carnival at the gymnasium. The carnival is scheduled to open at 7:30 p. m.

The "M" Club Carnival is an annual event at which time money is raised for the purpose of buying blankets for graduating club members. This year, many club members will graduate, and students are asked to co-operate as much as they can.

"M" Club Carnival Is Saturday Night

Another queen will be crowned Saturday night, only this time she will have a mate—the Carnival King—as the McPherson College "M" Club throws a carnival at the gymnasium. The carnival is scheduled to open at 7:30 p. m.

The "M" Club Carnival is an annual event at which time money is raised for the purpose of buying blankets for graduating club members. This year, many club members will graduate, and students are asked to co-operate as much as they can.

The voting of the king and queen for the carnival will be done by putting pennies in jars. Each penny counts for one vote.

Games will be provided for the fun and entertainment of the students. Wayne Blikenstaff, president of the "M" Club has stated that prizes are being acquired for winners of various games.

In past years, games provided were snipe hunt, shooting the duck, cake walk, musical chairs,

shooting baskets, egg throws at living targets, and several other entertaining games. Plans are being made for an even more elaborate carnival this year.

In previous years, the carnival has attracted a large number of people. It is hoped by the club that all students will attend this year's carnival and take part in as many games as they wish to enter.

"Rawhide" Gets Students' Nod Last Sat. Night

"Rawhide," a western movie was shown Friday, 13. The story centered around Rawhide, a stage coach line relay station between San Francisco and St. Louis. Outlaws ambushed a gold-laden Eastbound stage and the station keeper finally overcame them. Tyrone Power played the part of the station keeper and Susan Hayward played the beautiful woman passenger.

The next movie has been planned for Friday, Dec. 4.

AP To Release Selections For All-Conference

Selections for the first and second teams for the 1953 All-Conference Football Teams will be released by the Associated Press sometime next week.

Since THE SPECTATOR will not be printed during the week ending Friday, Nov. 27, because of Thanksgiving recess, a follow-up on these selections will appear in THE SPECTATOR of Friday, Dec. 4.

Last year, The McPherson College Bulldogs placed eight members of the squad on the first All-Conference team. Those placed were John Robison, Bob Peel, and George Keim on the defensive team, and Eddie Ball, Gene Smith, George Keim, Bob Powell, Roland Delay and Jack Richardson placed on the offensive team. Several other players made the second teams and honorable mention.

Last year, the McPherson College Bulldogs led the small colleges of the nation with a total of 4317 yards gained for the season. The Bulldogs also had the best rushing average with 403.1 yards per game. Gene Smith made 1206 yards gained rushing for the season to lead the nation's small colleges.

Amateur Debaters Win At K-State Capture Intruders

A men's amateur debate team participated in a tournament held at Kansas State College last Saturday, and won three out of four debates.

A girls team from Macollege won one out of four debates. These girls had worked on the debate problem only two days and had taken part in only one practice debate before going to the tournament.

The men's team was composed of Leon Neher, Don Ullom, and Don Faules. This team debated the negative side of the question and changed partners at different times.

The only debate lost was the first one in which Don Ullom and Don Faules opposed members of Kansas University. This K. U. team went through the tournament undefeated. The persons on the men's team are sophomores.

Anita McSpadden and Marlene Evans, both freshmen at Macollege, debated the affirmative side of the question. Twelve schools competed in the amateur tournament. The members of the colleges were from three states, which were Missouri, Neb., and Kan. Each college was allowed four debaters in the tournament. Five of the schools had teams that went through undefeated. Kansas University had three undefeated teams in the tournament.

Prof. Max McAuley, who is debate coach at Macollege, judged a number of the debates. The next tournament will be held today and tomorrow at Bethel College at Newton, Kan. This tournament will be for advance debaters.

Students Plan For BSCM Conference At Manchester

At least ten students have signed for and are planning to attend the annual BSCM Conference to be held at Manchester College, North Manchester, Ind., during the Thanksgiving weekend, Nov. 26-29.

The students will make the 700-mile trip by cars, and will leave the campus as soon as school is out for the Thanksgiving recess.

The theme of the conference will be "Dare To Believe."

Leaders at the Conference will be Dr. Paul Robinson, president of the Bethany Biblical Seminary, Dr. V. F. Schwalm, president of Manchester College; Ed Crill, National Youth Director, Dave Albright Wayne Glick, Tim Reiman, and Vernard Eller.

A love feast scheduled after the morning service on Sunday, Nov. 29, will climax the conference. President Schwalm of Manchester College will deliver the morning address.

Those who have signed and have expressed their desire to attend the conference are Dale De Lateur, Ruth Strickler, Bertha Landis, Leon Neher, Esther Merkey, Clara Zunkel, Vinaya Likhite, Von Hall Wendell Lentz and Elsie Marie Kindley.

More students are invited by the SCA to attend the conference; and if there is any wishing to attend, contact should be made with either Ruth Strickler or Leon Neher.

Faculty Members Capture Intruders

On Armistice Evening, Nov. 11, Dr. Maurice A. Hess, McPherson College English and Latin Professor, followed his usual routine. Upon going out to feed his chickens he discovered an intruder in the chicken house.

Dr. Hess went post haste to secure advice from the McPherson City Police Department. In answer to Dr. Hess's plea the police dispatched a squad car to his rescue.

Immediately after the squad cars arrival at the Hess residence, 401 North Carrie, the police and Dr. Hess hurried to the chicken yard. They approached the chicken house cautiously.

The patrolman pointed his gun at the intruder and pulled the trigger. A distinctive odor identified the intruder. It was of the black and white, striped variety. To be specific, the intruder was a civet cat. It will disturb chickens no more.

However, the deceased had a mate. This other black and white "kitty" steered clear of Dr. Hess's chicken house but became involved in a trap.

While out for a stroll, on Nov. 12, this enterprising animal crawled under the foundation of the faculty apartment house at Euclid and Eastman and worked its way into the basement entrance.

Curiosity did not get the cat until about dinner time. Then the curious little black and white kitty discovered a trap which Dr. J. F. Slifer and originally set with the intention of catching rats.

When Dr. and Mrs. Slifer returned to their home from a church dinner, they did not need to be told that they had an intruder. The most powerful scent of a skunk in distress was sufficient greeting.

The Slifers commenced to cautiously investigate the kitchen, dining room, bedrooms and living room. Where to start was a problem for the odor seemed to come from everywhere.

Dr. Slifer finally located the cat in the basement. The animal was not dead but was caught by only one foot.

Dr. Slifer ended the "kitty's" existence in the only instrument he could find, a spade.

Mrs. Slifer states that she felt sorry for her husband, but could not keep from laughing at his preparation for meeting and conquering the foe in such close quarters.

Miss Virginia Harris and Miss Sarah May Vancil, who occupy the upstairs apartment, thought the skunk had crawled into a furnace pipe. For them Friday the thirteenth had arrived early.

All week these faculty members have been asking for de-scenting methods to use in their apartments.

They are now refusing any further hospitality to civet cats out for a stroll, just as Dr. Hess declines having any more intruders in his chicken house.

New Program Material Available

For Youth Manuals for the New Youth Action Plan, which is the new program organization for CBYF in local churches and district cabinets, are available by ordering from the Regional Office.

Thanksgiving

Out of every twenty-four hours the average person spends approximately eight hours sleeping. That is one third of the day. Out of every year the average person spends one day in Thanksgiving. That is one-third hundred sixty-fifth of the year.

Sleep is necessary, but necessary also is the fact that every person realizes how fortunate he is. When there does not seem to be enough hours in the day, be thankful God made twenty-four instead of twenty-three. When the cost of living goes up, remember those in this land and other lands who barely exist.

America. Our country; with all of its imperfections, which gives us the freedoms desired by much of the world. America, the land where you and you alone make and do what you will with opportunity. A land that has developed its resources extensively and is continuing to do that. The country where you are your own boss. The nation where your vote selects your leaders. All this and much, much more is given to every American at birth. And yet, so many Americans take only one day to say "Thank-you Lord."

Living in America, being an American gives us much to be thankful for. But living and being gives us even more for which we should thank our Father, not just one day a year, but every day of every year.

I. S.

Preach The Word

Most of us attend Sunday School and Church each Sunday. The rest of the week we tend to take the Word of God too lightly.

When a brother falls we do not stretch forth a helping hand nor understanding hearts. Rather, we turn our back, thinking we will be relieved of doing our rightful duty, which is, "Preach The Word," be instant in season, out of season, reprove, rebuke, exhort with all long suffering and doctrine." As found in II Tim. 4:2.

Laddie Breen.

Ripples Of Kindness

Just as a pebble skimming across a pool of water causes ripples, so do a person's words produce ripples in the world round about. These ripples of influence widen and affect others unknown to the person who spoke.

Thoughtful compliments produce ripples of kindness that may instigate a smile to travel the world around. Dagger-edged words that are hastily spoken ripple rapidly about the world, extinguishing happiness as they go.

One never enjoys having a "blue mood" so why cause others to have them? No more energy is expended in saying a kind word than in speaking a cruel one, so mark out the harsh words and let your words ripple happiness.

Kind ripples flooding the world would do more than any atomic bomb. They would be constructive instead of destructive and economical instead of expensive.

I. S.

Orchids & Thorns

Orchids to all those who have sacrificed time and money to attend the Regional Conference here at McPherson.

Double Orchids to Edna and Royer Dotzour for the gift to McPherson College of a new girls' dormitory—The Dotzour Hall.

Orchids to the 1953 Football Squad—especially to the outgoing seniors—for a great and highly successful football season.

Orchids to ALL Member Colleges of the Kansas Conference for the spirit of sportsmanship shown during the past football season.

Double Orchids to the directors, producers, helpers advisors, CAST—especially to Connie Brooks and Norman Long for leading roles—for the time and effort they spent toward the production of the opera, "The Bartered Bride."

Orchids to the Dairy Husbandry class, and to Prof. Guy Hayes for removing the "big box" placed on Arnold's steps last Wednesday night.

Thorns and more thorns to those boys AND girls who misused their senses of humor and reverted to "mild" delinquency in pulling pranks on Arnold Hall and the College Courts.

Oops! I almost forgot, thorns to the skunks that tried to invade Dr. Hess' chicken house. The skunks are now dead!

Dr. Paul Robinson Leads Student Ministers In Weekly Devotional Meet

The Student Ministers' group held their regular meeting Tuesday morning in the S.U.R.

Dr. Paul Robinson of Bethany Biblical Seminary led the group in meditation, and spoke briefly on the theme "Are We Able To See God."

Dr. Robinson also gave a short talk about Bethany Biblical Seminary. This talk was of great interest to most of the Student Ministers since many of them are preparing to go to Bethany Seminary after graduating from McColledge.

Next meeting of the Student Ministers will be held Tuesday, Dec. 1. Prof. Della Lehman will lead the discussions.

Pre-Enrollment Is In Progress Until Dec. 11 Deadline

McColledge is aware of the fast approaching second semester and the preliminary preparations are already being made for it.

According to the office of the dean of McColledge, the pre-enrollments for the second semester are to be completed by Dec. 11, 1953.

All students should see their respective advisors as soon as possible, so that the advisors can help the students plan their program for the next semester. A list of all freshmen and sophomores along with their advisors is posted on the bulletin board in Sharp Hall.

A list of the courses offered for the second semester and other materials necessary for pre-enrollments may be picked up in the Registrar's Office. These materials should be obtained and taken along by the students when they see their counselors.

The program selected by the students will be retained by the advisors and then turned over to the Registrar's Office.

Some of the reasons for pre-enrollment are: to help the Bookstore to order the necessary number of books for the second semester, to permit the adjustment of teaching loads, and to facilitate the arrangement of classrooms for all the classes.

Dr. Howard Yoder Speaks To Students

Dr. Howard Yoder, representative of Student Volunteer Movement and Methodist missionary to South America, spoke to the student body at the members at Regional Conference Wed. morning, Nov. 17.

"It is not enough to preach. It is not enough to teach. All must work together that people may know abundant life."

Dr. Yoder told that for every Protestant in South America there are seven persons who are Spiritualists.

"Our challenge is to give to the people of South American lands the belief that Christ is for every-day of the week. Every Church a mission church. Every Christian a missionary. All must work together so that Christ may become known to all the world."

Rev. Jay Johnson, pastor of the South English Church in Iowa, introduced the speaker.

Kenneth Evans, joint chairman of SCA, led the morning devotions. The anthem, "Hear My Prayer Oh Lord," was sung by the College Male Quartet. Members of the quartet are: Dwight Blough, baritone; Leland Lengel, second bass; Galen Slifer, first tenor; Larry Brooks, second tenor.

Faculty Discusses Aims, Objectives Of Mac Education

Ever since the present school year started, the faculty of Macolledge has been meeting regularly on Thursday mornings at 7:45 to discuss the objectives and aims of the three educational divisions.

The three divisions are the division of Social Sciences, the division of Language, Literature, and Arts, and the division of Natural Sciences.

The members of the above mentioned divisions get together, discuss and put in writing the objectives and aims of their divisions. After this is done, they submit their aims and objectives to the rest of the faculty for further discussion and changes as to what the objectives and aims of the various divisions should be.

All the divisions except the Natural Science Division, have submitted their aims and objectives. The tentative objectives and aims of the Social Science division are:

To develop an understanding and appreciation of contemporary society and American institutions related to government, religion, economics and education; a realization that existing institutions are the result of a developmental process and a realization that they can be improved; an understanding and tolerance of social and institutional arrangements and patterns which differ from our own; to explore industry and American industrial civilization in terms of its organization, raw materials, processes, operations products, and occupations; To develop an appreciation of the importance and dignity of all labor.

To assist the student in achieving the highest existing standards of knowledge of the Bible; to make possible a more complete understanding of the universe and of the problems of human life; to inspire to Christ-like living and to Christian service.

To provide information and principles, and to develop attitudes that will fit the individual for worthy citizenship in the family group, in the local community, in the nation, and in the world community.

To provide a program of study, work, and play, experiences which will lead the student to good personal, social, and vocational adjustment.

To prepare the student for success in such occupational fields as: the ministry, teaching, social work, business, and rural life.

To lay a foundation for advanced study in graduate schools such as law, medicine, seminary, or other specialized institutions.

The tentative objectives and aims of the Language, Literature and Arts division are:

To help students to develop skill in effective communication in languages and fine arts.

To stimulate and appreciation for great literature and arts, as mediums for the enrichment of life.

To aid students in developing integrated personalities.

To motivate students to make a contribution as Christian world citizens.

Thinking With The President

Psychological Warfare

C. of E. Students Pay For Goal Posts

Following are excerpts from a letter written to the McPherson College Student Council President by the President of the Student Commission of The College of Emporia concerning the destruction of Macolledge goal posts following the C. of E. game.

"As president of the student body of The College of Emporia, the matter of the recent 'goal post affair' has been turned entirely over to me.

"At the first open convocation date after the McPherson-C. of E. game, I spoke to the student body concerning the damage to your athletic field goal posts. It was explained at this meeting that the tearing down of goal posts is in variance with a gentleman's agreement of the Kansas Conference. Before this time it was unknown to the student body, boosters of the College, or others concerned that such an agreement ever existed.

"The student body made personal contributions when they left the convocation—contributions to be sent to you to help defray the expenses of erecting new goal posts. Half of the enclosed sum is a contribution from The College of Emporia 'E' Club Alumni Association. The contribution from this association does not infer that their members were responsible for the non-student damage but does represent their willingness to cooperate and be a part of this good will gesture.

We sincerely hope you will accept the check. Of course, this amount will not cover the entire cost of erecting new posts but comes in the form of a good will gesture to McPherson College from The College of Emporia. I am pleased to be the spokesman and representative of our student body, the College and the 'E' Club Alumni Association in sending this expression of good sportsmanship to you, your student body and college. Also enclosed is a motion unanimously passed by the members of the Student Commission.

"May I request that the contents and feelings of this letter be brought to the attention of your student body and to all persons concerned with this matter?"

Very sincerely,

Paul A. Reaume
President
Student Commission

M Club Carnival, Saturday night, in the Gym. Proceeds help to purchase blankets for senior athletes.

In different periods of historical development certain terms get lifted up and widely used. Sometimes these are fortunate, sometimes they are unfortunate.

The term which is being used widely around the world now is "Psychological Warfare." It seems to be replacing a term which was used to mean about the same thing a few years ago, "The Cold War."

Under the term "psychological warfare" we seem to be including all the things that we are trying to do to create a favorable impression for the United States. Thus, our Voice of America beamed toward Eastern Europe is called psychological warfare. In similar manner, if we send wheat to India. We call it psychological warfare.

If we send packages to Europe, or help for relief to Germany, or aid to Egypt or Israel, we call it psychological warfare. Recently, we have been sending some aid to South America and we call this a part of our psychological warfare.

To this writer this is an unfortunate term. One of the suspicions already being voiced against America is that we are not sending our help, our Service Workers, our carloads of wheat or shiploads of CROP material because we really care for the suffering of the world, but that we are doing it in order to gain some political or military advantage for ourselves. Thus, the end result stacks up against us rather than for us.

Indeed, there are some who claim that we, in America, are inept in carrying on profitable relations with our neighbor nations. We are generous hearted people. When there is need overseas, we respond quickly and generously. Yet in the very nature of our response there are some who claim that because we use such terms as "psychological warfare" or "cold war," we hide the real genuine concern about the welfare of other people should be learned.

Perhaps Paul's generous use of the word "love" ought to come back again into the lingo of international affairs.

M Club Carnival, Saturday night, in the Gym. Proceeds help to purchase blankets for senior athletes.

Bulldog Barks

The 1953 football season was drawn to a close last Saturday night with the winning of the game with Friends. Ten seniors played their last football game for Mac. Many of these boys will be seen in action on the basketball floor and on the baseball diamond and track.

Last year's women's quartet sang at Church Sunday. The girls that were in the quartet are: Peggy Sargent, Elsie Kindley, LaVon Widgren, and Florence Hale. Phyllis Kingery, Donna Sooby, and Anita Rogers had dinner at Ann Krehbiel's apartment Saturday night.

Loren and Orva Blickenstaff were here Saturday for the football game. Loren is a brother to Wayne, and while here at Mac he was also very active in athletics.

Donna Sooby and Peggy Sargent after arriving in Kassel, Germany will attend the "Annual Conference of Brethren Workers." They will also attend the dedication of the Peace House at Kassel.

Arnold Hall had a, well, shall we say, different type of door mat placed on their porch last Thursday night. It could be that some people don't know about the modern conveniences that Arnold Hall now has.

Kline Hall's "WELCOME" sign was used to welcome the Conference guests. It was placed on Sharp where it could be seen from quite a distance.

Vernon Petefish and Harvey Pauls, two former football players for McPherson were here for the game Saturday night.

Pauline Adams went to Wichita last weekend to visit with friends. She also went down to Liberal, Kansas where she spoke at the First Baptist Church. She returned to McPherson early Monday morning.

Some members of the Rec Council were in charge of the program at the Lions Club Monday night. They had dinner table stunts and after dinner recreation.

The men's debate team consisting of Don Faules, Leon Neher and Don Ullom won three out of four debates Saturday at Manhattan. Both of the Dons are from Colorado.

The Christmas formal is coming up soon so boys you had better get on the ball before someone else gets your girl.

It is still hoped that the girls will be able to move into the dorm by December 6.

The senior linemen gave the spectators at the game Saturday a big laugh when they carried the ball over for the extra point.

Pre-enrollment is in process, be sure and enroll now to save time and trouble later.

Margaret Yost and Dean McKelip, Elsie Kindley and Von Hall, and Jean Walker and Wayne Jones spent last Friday afternoon and evening in Salina. They had dinner at Winegars and then attended a

movie. There were a number of high school students on campus Saturday to look over the campus and attend the game. They were prospective students coming from high school around here.

Saturday night after the game at Velsa Waggers home, a party was held. Games were played and cocoa and popcorn balls were served for refreshments. A continuous story of cherished memories at Mac was played. Elsie Kindley brought the story up to present times by saying Lee Hogle is now singing an engagement ring on Donna Waggoner's finger.

Mr. and Mrs. Orville Chase from Granada Church of the Brethren were guests of John and Frances Thomas during the Regional Conference. Mr. and Mrs. Chase were ferocious to visit the campus and to learn more about the college as this was their first visit to Macollege.

Mr. and Mrs. Claude Waggoner of Adel, Iowa, announce the engagement of their daughter, Donna, to Lee Hogle son of Mr. and Mrs. Harold Hogle of Whitten, Iowa.

Wagoner, Hogle Are Engaged

Donna is a senior here at McPherson. Lee is serving in the armed forces.

No date has been set for the wedding.

Fanny Has New Set Of Furniture

The new set of furniture ordered since the beginning of the school year for the lounge in Fahnstock Hall has finally arrived, and last Saturday morning boys gawked and girls screamed with delight as the pieces of furniture were put in place in the lounge to replace the old, torn, be-sprung chairs and couches.

The new set of furniture which is of the modernistic type was brought and put into place by the Green's Appliance Furniture Stores. The Green's Appliances Furniture Stores are also responsible for the furniture in the new girls' dorm.

Fanny's lounge had been in poor condition, and was much avoided by the residents, now the lounge is bubbling with active "loafers" broozing through papers, or just taking it easy.

The lounge has a new look with its coat of paint and modernistic furniture, and the new lamps which came with the new furniture have done a lot to make the lounge look like an altogether different place.

Fanny's open house which was originally scheduled for Sept. 26 was called off because of the terrible condition of the lounge, now that new furniture has been installed, Fanny can look forward to having a humdinger of an open house in the not too distant future.

Members of the Regional Cabinet are: Norman Long, president and faith chairman; Bob Powell, treasurer and witness chairman; Don Fike, vice-president and outreach chairman; Norran Royer, secretary and fellowship chairman; Leon Neher, editor and citizenship chairman.

Betty Lou Hershberger, youth worker of the region, and Glenn Swinger, regional youth counselor, were members of the group.

Eva Petermann Returns To MC After 2 Weeks At KU

Eva Petermann returned last Wednesday from a two weeks visit at Kansas University. Before Eva came to McPherson she attended a School of Education in Berlin and is now here at McPherson on an International Education Scholarship.

Dean Berkebile made the arrangements for Eva to attend KU. Eva wished to attend one of the big universities because this college was so different from the schools she attended in Berlin.

While at KU she stayed at Watkins Hall, a scholarship house for women. The girls do their own cooking in seven little kitchens. Eva says KU offers many forms of entertainment such as lectures, concerts, recitals, plays, films and debates.

Eva met the professors of Chemistry, Education and Physical Education and attended classes in these fields. There are 124 foreign students at KU, including seven foreign professors.

Chapel Has Varied Program

"Justice Under the Law," a motion picture featuring the value of the item that a man is innocent until he is proved guilty, was shown to the student body during assembly Friday, Nov. 13.

The Faculty had charge of the pep assembly. This skit featured a faculty pep band. Members of the band included: Paul Sollenberger, french horn; Dean Berkebile, saxophone, Alvin Willems, clarinet, Don Coppock, trombone, Dick Wareham, sousaphone; Guy Hayes, Don Fredrick, Gordon Yoder, cornet; Max McAuley, drum and cymbals; snare drum, E. S. Hershberger; Sarah May Vancell, bass viol.

Bob Mays and Edna Neher lead restrained cheers for McPherson College.

John Burkholder introduced our own Coach Smith who in turn presented Gorgeous Glenn Swinger, who then presented Miss Della Lehman. The essence of Miss Lehman's speech, given in various languages, was "Eat 'em Up."

Happy Birthday To You

As the month of November draws to a close, and as the mind of every student at Macollege is at this time engaged at making plans for the approaching Thanksgiving recess, and undoubtedly, of a turkey dinner, there will be quite a few students who will be having occasions for other celebrations.

As November rolls away, eight Macollege students will celebrate their birthdays. We wish to extend to them our congratulations and many happy returns for the day.

Leon Neher and Jane Grove have birthdays on Saturday, Nov. 21. On Thanksgiving day, Thursday, Nov. 26, Ronnie Sams, Allison Simons, and Alvin Anderson will be having a double turkey dinner.

Richard Trowbridge will be celebrating his birthday at Carthage, Mo., on Sunday, Nov. 29, and Sherman Blocher's celebration will be the following day, Monday, Nov. 30.

Happy birthday to you, and many happy returns!

WAA Plans Pep Assemblies

During the coming basketball season the pep assemblies will continue each Friday, after our regular scheduled chapel program.

The first pep assembly will be Friday, December 4th. The student ministers will be in charge.

The schedule for the coming pep assemblies will be as follows: December 4th — Student Ministers, Chairman Norman Long.

December 11th — Home Economics Club, Chairman, Pat Rolfs.

December 18th — Cheer Leaders, Chairman Larry Brooks.

January 8th — Skating Club, Chairman Ida Zunkel.

January 15th — M Club, co-chairman Dwight McSpadden, Don Hoch.

January 22nd — Arnold Hall Boys, chairman Clifford Reeves.

January 29th — SCA, chairman Kenny Evans.

February 5th — Pence Group, chairman Leon Neher.

February 12th — WAA, Chairman Eula May Murrey.

February 19th — Pep Band, chairman Curtis Leicht.

February 26th — Sophomore Class, chairman Max Parmley.

February 26th — Sophomore Class, chairman Max Parmley.

February 26th — Sophomore Class, chairman Max Parmley.

February 26th — Sophomore Class, chairman Max Parmley.

Swinger-Hayes, Blickenstaff Win Volleyball Tourney

So far, everything is working out well as far as the intramural program is concerned. At the beginning of the school year, the general plan was to see that the intramural Volleyball season closes at the same time as the football season. From the start, with 32 teams competing and about 285 students engaged, this did not seem possible, but the impossible has been made possible, and it is now intramural basketball season.

Swinger-Hayes team wrapped up the American League crown with a record of seven wins and one defeat. Lowell Hoch's team finished in the cellar with a record of 1 win and eight losses.

In the National League, the only unbeaten team and the eventual winner is Wayne Blickenstaff's team which came through with nine wins against no loss. Jay Williams' team in the cellar has a 1-9 record.

During the last week of intramural volleyball, several teams with equal standings from both leagues were matched to find out their representative strengths. The matches turned out to be about even; however, there were a few toss ups here and there.

The play-off between the two champion teams, Swinger-Hayes of the American League and Wayne Blickenstaff from the National League, drew quite a crowd. It was a thriller all the way, but the Swinger-Hayes team were able to hand Blickenstaff's team their first defeat of the season.

Final league standings are as follows:

National League:

Wayne Blickenstaff	9	0
Don Butler	6	1
Prof. De Coursey	6	3
George Keim	5	3
Gary Jones	5	3
Bob Powell	5	3
Dean McKelip	6	4
Paul Coffman	7	5
Dwight McSpadden	5	5
Tommy O'Dell	4	4
J. D. Pote	4	5

American League:

Swinger-Hayes	7	1
Clive Sharpe	8	2
Joe Kennedy	6	2
Cletus Cary	5	2
Prof. Hechtel	6	3
Nobby Bean	5	3
Norman Long	5	3
Loren Frantz	5	5
George Eisele	4	4
Wendell Lentz	4	4
Bob Hechtel	4	4
Kenny Evans	3	5
Darrell Godfrey	2	7
Kenny Brown	2	7
Al Blocher	1	5
Lowell Hoch	1	8

Bullpups Wrap First CKL Crown In History

For the first time in the history of their school, the McPherson High School Bullpups have had a undefeated football season. This feat was accomplished when they won over the Emporia High School Spartans last week.

Also this is the first time that McPherson High School has won the Central Kansas League football crown without sharing it with another school. The Bullpups have tied with another CKL member three different years for the championship.

James Hershberger, co-captain of the great Bullpup team and son of Prof. E. S. Hershberger is quoted by his father as saying that the feeling of wanting to win this year was instilled deeply in the players.

Many people had the opinion that McPherson was a team that could finish no better than second or third, and the squad this year set out to disprove and did disprove this belief.

"We always had good team work; it sure was fun playing this year," stated Co-Captain Hershberger.

"We always had good team work; it sure was fun playing this year," stated Co-Captain Hershberger.

"We always had good team work; it sure was fun playing this year," stated Co-Captain Hershberger.

Basketball Season Is Here

Bulldogs Whip Quakers In Final Game Of Year

Sid Smith's McPherson College Bulldogs closed out their successful 1953 football season Saturday night with a scoring spree to whip the Friends University Quakers 76-6 in a Kansas Conference finale for both teams. The game was played at the College Stadium here in McPherson.

By defeating the Quakers from Wichita, the McPherson College Bulldogs finished second in the Kansas Conference this year. The Bulldogs have played a total of seven Conference games, winning 6 and losing one. Altogether, the Bulldogs have played nine games this season, and finished with a record of 8 wins and one loss.

Saturday night's game with the Quakers was the twelfth time the two teams have met on the gridiron. The Quakers won three encounters, the Bulldogs have defeated the Quakers eight times, and one game played in 1928 finished in a 12-12 tie.

Saturday night's game was "Seniors' night," for the seniors scored 58 of the 76 points the Bulldogs piled up in their biggest scoring spurge of the season. Coach Smith allowed all seniors on his football squad to play much of the game, their last for MacCollege.

The ten seniors of the Bulldogs' Squad this year are co-captains Bob Peel and Gene Smith, 1952 co-captains George Keim and Dwight McSpadden, All Conference Backs Eddie Ball, Wayne Blickenstaff, All Conference linemen Bob Powell, and college lettermen Lowell Hoch, Don Hoch, and Bobby Bean.

The Bulldogs led 25-0 at the end of the first quarter and the first half, it was 44-6 at the end of the third quarter, and the Bulldogs added 34 more points to close the game with a 76-6 win over the Quakers.

The Bulldogs also piled up a huge amount of offensive yardage during the evening. The Canines rumbled away and piled up a total of 728 yards, 662 of which came from rushing, and 76 through aerial offense. The Canines held the Quakers to a total of 184 yards gained on 10 first downs.

Despite the high score, the football game provided lots of thrills. The crowd got a big kick out of watching several of the linemen score extra points.

Big George Keim scored his first point after four tries. Twice he carried from the fullback position, and twice he failed to find the big hole opened for him. Once he punted, but his punt was short, and with one final surge again from the fullback spot, he finally made his point on the fourth try with only 42 seconds to go for the game.

Lowell Hoch had no difficulty in finding a hole to go through in the Quaker line for extra point. Bob Peel was brought from his regular end position to fullback, and he also made his point in one try.

Despite the fun the entire squad had for their last game, it was a solemn occasion as they returned to the dressing room after the game. Coach Sid Smith paid a glowing tribute to the seniors who played great games during their four years here at MacCollege. The Coach reminded them that though football is over for them here at college, the big game of life is but just about to begin for them as they leave college. Tears swelled up in several eyes, and it was a quiet and solemn squad that laid its kit for the season after a great and a successful year.

Statistics for the game are as follows:

	MC	FU
First downs	29	10
Yards rushing	662	184
Yards lost rushing	19	8
Net yards gained	643	176
Total offense yardage	738	184
Passes attempted	12	14
Passes completed	6	0

Cage Murals To Begin Shortly

Plans for the intramural basketball are already on the way, and several students have appointed themselves captains and co-captains and are busy finding players for their respective teams.

Prof. Dick Wareham of the Physical Education Department is Intramurals Director at MacCollege. Prof. Wareham as appointed a committee to help work out schedules for the intramural round robin. Heading this special committee is George Keim, and serving with "Big" Tommy on this committee are "Tommy" "Digger" O'Dell, Dwight McSpadden, Don Moeller, and Dale De Lauter.

Captains and co-captains are reminded to send in lists of players in their respective teams so the committee can draw up schedules to get the games under way. All captains and co-captains should send in their lists to George Keim, BEFORE Tuesday, Nov. 24, so plans can be made for the pre-Christmas games. Maximum number for each team is eight players.

In last year's intramural basketball, approximately 220 students participated in the 32 teams represented. Teams are divided into the Coastal and Central Leagues according to strength.

In last year's games, the Vet Jets won the Coastal League crown with a season's record of 7 wins and 1 loss. Craig's Cadets edged the Ball and Chains to win the Central League's crown with a record of 7 wins and 1 loss.

Basketball Schedule For 1953-'54

Dec.-9-10 Moundridge Tournament
Fri., Dec. 11: Southwestern (there)

Mon., Feb. 22: Friends University (there)
Fri., Feb. 26: Baker University (there)
All Varsity Games begin at 8:15 p.m.
"B" Squad Games being at 6:30 p.m.
M Club Carnival, Saturday night, in the Gym. Proceeds help to purchase blankets for senior athletes.

Season Opens 26 Report For Practice

Coach Sid Smith announced the opening of the 1953 Basketball season last Monday evening, Nov. 16. The announcement was followed by a spontaneous response from 25 students as they opened practice in the college gymnasium.

Although no games are scheduled for the Bulldogs until Dec. 9, when they travel to Moundridge for the annual Moundridge tournament, of which the Bulldogs are the defending champions, Coach Smith urges that all the interested in going out for basketball do so before practices begin in earnest next week.

For the nucleus of the 1953 squad, Coach Smith has seven returning lettermen and four others from last year's squad.

Ten Seniors Star In Final Game

By Manly Draper

Ten seniors played their last game for McPherson College last Saturday night. There was nothing really unusual about it. Every year seniors leave a football team and new players move in to take their place, but for a few moments let us reminisce on what has taken place on the football fortunes of McPherson college in the last four years.

Last Saturday night, playing their final game the McPherson team rolled up better than 600 yards rushing. That doesn't sound especially impressive only because the McPherson students are used to such performances, but back only six short years ago a McPherson College football team gained only about one-third that much rushing for an entire season! Even if one takes the total offense of that 1948 team, the total offense last Saturday night is only about 250 yards less than that the 1948 team gained all year.

These ten seniors who played their final game a week ago have been offensive minded ever since they came to McPherson College. For instance only three times in the 35 games that they have participated in has McPherson College been held to less than three touchdowns in any game. It happened twice their freshman year, Baker held them to six points once and Ottawa held them to 13 points. Their sophomore year they were blanked by William Jewell and that was the last time to hold them to less than three T.D.'s.

The Seniors who played their final game of their career were Ed Ball, Gene Smith, Dwight McSpadden, Wayne Blickenstaff, Don Hoch, George Keim, Lowell Hoch, Bob Peel, Bob Bean and Bob Powell.

Record or no record, in the little while that Sid Smith has been here, he has already demonstrated that his teams are going to always be up near the top. Fans are anxiously looking forward to this season's games as the Bulldogs will undoubtedly play a different brand of ball than in the past.

Sid Smith has a liking for the fast break and the quick shot which will make this year's games mighty interesting.

Outstanding Opposing Player

By Le Roy Heidebrecht

"Who was the most outstanding player that you played against this season?" A number of McPherson College football players were asked this question.

The majority of the boys who were interviewed thought that the big colored fellow, Lem Harkey, from College of Emporia, was the best opposing player against them this season. These are the boys and their opinions.

Bob Wise - Sophomore. Lem Harkey from College of Emporia. He was a hard runner on offense and a fine performer on defense.

Steve Bersuch - Sophomore. Lem Harkey from College of Emporia. Harkey was a good runner on offense and played a fine defensive game.

Bill Smith - Sophomore. Snyder from College of Emporia. He was the most aggressive tackle on defense that I played against all season. He was a hard blocker on offense.

Eddie Ball - Senior. Lem Harkey from College of Emporia. If C. of E. would not have had him on

their team, they would have been a very poor ball club. His size was a big factor in his fine performance.

Ronnie Sams - Junior. Palmer Mai from Baker University. Mai was a fast and shifty ball player. He was hard to tackle.

Bill Goering - Junior. Lem Harkey from College of Emporia. Harkey was a great ball player in most respects.

Don Hoch - Senior. Kennett from William Jewell. He was a smart and aggressive guard in the William Jewell line. Also he was an excellent competitor.

	9	3	64	0
Bob Peel	9	3	64	0
Larry Gilchrist	9	6	34	0
Jim Snyder	2	2	33	1
Eddie Ball	1	0	25	0
Jim Walker	3	2	23	1
Bill Goering	1	1	23	1

Rushing And Passing:
4168 Net yards gained on 659 attempts averaging 6.32 yards per carry and 463 yards per game.

	109	Gene
Dwight McSpadden	109	Gene
Smith 84, Eddie Ball 79, Bill Goering 19, Dwight Nulph 13, Bill Smith 12, Wayne Blickenstaff 12, Eddie Frantz 8, Ronnie Sams 8, Don Hoch 7, Larry Gilchrist 7, Bobby Bean 6, James Snyder 6, Jim Walker 6, Bob Peel 1, Lowell Hoch 1, George Keim 1.		

TOTAL points scored: 359.
