

# Anneliese Koch Is Queen

## German Blonde To Reign; McDaneld, Hanagarne Are Royal Attendants

Fraulein Anneliese Koch, Macollege junior from Hochheim, Germany, was elected by an overwhelming majority 1953 Homecoming Queen by the student body Tuesday, Oct. 20. Her sophomore attendant is Shirley Ann McDaneld of Portis, Kans., and Alice Louise Hanagarne of Shiprock, N. M., is freshman attendant.

Two hundred students took part in casting ballots from 10:15 a. m. until noon, and from 2:15 p. m. until 4:00 p. m. to elect the Queen and her attendants. The balloting was supervised by Dolores Sigle, senior from Osborne, Kansas, and directed by the Student Council.

The beautiful, charming, and unassuming, blue-eyed, blonde is daughter of Frau Maria Koch of Hochheim, Germany.

Although Anneliese leads a quiet life here on the campus, yet her charming ways and highly pleasing personality have captured the hearts of many students, and her gracefulness and friendliness are attributes enough to qualify her for a queen on any campus.

Anneliese has most of her education in Germany, and was in attendance at the Oppenheim-Ribben School until her junior year in 1949, when she left Germany to come to these United States to complete her high school education as a senior at Galesburg, High School, Galesburg, Kan., under the Foreign Students' Exchange Program. At Galesburg High, Anneliese was a member of the Glee Club and the Pep Club.

In 1950, she went back to Germany, and in 1951 she returned to the U. S. and enrolled as a freshman at Mac.

Anneliese is a home-ec. major and a member of the Women's Council.

Glueckwunsche, Anneliese, Deine Regierung sei lang und angenehm.

Other nominees for the Homecoming Queen were Kathleen Russell of Elgin, Ill., Joan McRoberts of Greene, Ia., and Lois Rolfs of Geneseo, Kan.

Sophomore attendant is Shirley Ann McDaneld, daughter of Mr. and Mrs. W. W. McDaneld of Portis, Kan.

Shirley Ann is a graduate of Portis High where she was president of her freshman class, secretary of the sophomore class, a vice-president in her junior year, and president of the senior class. Shirley was also an active member of other clubs and organizations at Portis High. She was cheerleader four years, a member of the Glee Club, and was active in the Pep Club during her junior and senior years. She had the lead in the junior class play.

At Macollege, Shirley was a member of the SCA and worked in the College Cafeteria last year, and is a member of the WAA and Pep Club this year. She is planning to be home ec. major.

Sports is one of Shirley's main interests. She likes to meet with people and enjoys making friends.

Like the Queen, Shirley is also a blue-eyed blonde, and there is never a time that she has no friend-

ly smile on her winsome face.

Other sophomore attendants were Eula Mae Murray of Conway, Kan., Donna Schrock of Greene, Ia., and Beverly Schechter of Worthington, Minn.

Freshman attendant is cute Alice Louise Hanagarne, daughter of Mr. and Mrs. LeRoy Hanagarne of Shiprock, N.M.

Alice attended and graduated from the Navajo Methodist Mission School. In that high school Alice was cheerleader during her sophomore, junior, and senior years, and had the lead in her sophomore class play.

Alice has a voice that is as delicate and sweet as her own self. She sang three years with her high school quartet, and two years with the trio, and one year with the choir. She was also a member of the Pep Club.

As a junior, she had the lead in the operetta put up by that class, and was voted to go to the Girls' State at Albuquerque, N.M.

The dark-eyed, dark haired, and delicate girl from Shiprock, N.M., has a highly pleasing personality, and her friendliness and charming qualities are making her a very popular girl on the campus.

Other freshman nominees were Kathleen Albin of Grundy, Center, Ia., Marlene Evans of Overton, Neb., and Constance Brooks of Nickerson, Kan.

Rowena Merkey Wilson, daughter of Mr. and Mrs. G. A. Merkey of Clayton, Kan., and wife of Mr. Robert Wilson '53, now a medical student at the K.U. Medical School, is the retiring Queen.

The charming Mrs. Wilson is now taking courses towards her degree in Education and Psychology at K.U., as well as keeping house for Bob.

Rowena and Bob are planning to be here for the Homecoming Queen's Banquet, and will also be present at the Homecoming Football game.

### Art Prof Exhibits His Water Colors In Mac Library

Water-color pictures by Prof. E. S. Hershberger, associate professor of art, are now on exhibit in the reference room of Beeghly Library.

All of the pictures are landscape and out-of-door studies from Kansas, New Mexico, and Colorado.

In his pictures, Professor Hershberger has displayed a fondness for mountains, trees, and water which give a sense of calm strength.

A few of the studies are "Morning Landscape," "Rocky Mountain Pines," "Still Waters," "Trees in Summer," "Willows in Cow Pasture," and "Trees Along the Creek."

A few of the paintings have been sold, but the rest are offered for sale. Quotations may be obtained from the library assistant at the circulation desk.

Professor Hershberger has been a member of the McPherson College faculty since 1945. He graduated from Goshen College and has taken special work at the University of Iowa and the School of Art Institute of Chicago.

Before coming to McPherson, Professor Hershberger taught for six years in India at Mount Hermon School in Jarjeeling.

During the day and some evenings Professor Hershberger may be found in the art studios located in the basement of Frantz Hall.

Professor Hershberger has been characterized by some of his fellow professors as "modest and witty."

The Hershbergers have three children—James, Jill, and Jan.

### MCSC Gets Rolling In A Big Way

One of the newest organizations on the Macollege campus is the McPherson College Skating Club, or MCSC as it is popularly known.

Because quite a few students at Macollege showed an unusual interest in learning the art of skating, a few wizards to the art of skating, under the able leadership of Ida Zunkel, a junior who transferred from Manchester College, North Manchester, Ind., got together and thought about the possibility of organizing a club which would give an opportunity for the unskilled and the skilled skaters to improve their skating.

Sheets of paper were posted on the various bulletin boards on the campus, inviting all the students interested in skating to sign these sheets and thus indicate their desire to the leaders to proceed and get things rolling. Some forty-seven students at Mac indicated such a desire by signing the sheets.

An unofficial meeting was held in the SUR. Five students were nominated to form a committee to draw up a constitution regarding the rules and regulations of the MCSC. They were Ida Zunkel, Russel Graham, Bill Mollhagen, Esther Ikenberry and Loren Frantz. The list of the rules and regulations this committee drew up is posted on the bulletin boards.

The official organization of the McPherson College Skating Club was completed on Oct. 10, 1953 when an official meeting was held in the SUR. During this meeting the following officers were elected: Loren Frantz, president; Esther Ikenberry, vice-president; and Ida Zunkel, secretary-treasurer. The faculty sponsor of the MCSC is Miss Doris Coppock.

The MCSC has high ideals and strives to develop and cultivate skill in skating by coaching and practice. The MCSC also stresses a creative skating attitude and conduct and also offers wholesome recreation and entertainment.

The officers of the MCSC invite everyone to attend their program and also to become members of the MCSC. In spite of its newness the MCSC has much to offer in the area of skating and skating skill.

A program of awarding pins and letters to skaters who develop skill in skating is being developed. This has not been worked out in detail as yet, but there will be a series of awards for skaters in different stages of acquiring the skill in skating.

### 'Fairyland Fantasy' Theme At Queen's Banquet, Oct. 30

A "Fairyland Fantasy" will be the setting for the crowning of Queen Anneliese Koch at the Homecoming Queen's Banquet to be held in the basement of the College Church, Friday, Oct. 30.

Sugar lump houses and lots of fairies will provide a scene for the Ladies' and Men's Quartettes who will appear in the program.

Leon Albert is chairman of the program committee and assisting him are Elsa Edmonds, Betty Holdread, Faye Ellen Trostle, Leland Lengel, and Larry Brooks.

In charge of the decorations are Velva Wagner, chairman, Bertha Landis, Dolores Sigle, June Shaeffer, Maxine Hanley, Donna Wagener, Arlene Merkey, Norann Royer, Robina Royer, Donna Shrock, Mary Alice Smith, and Loreen Cline.

Ida Zunkel and Irene Shull are working with Ruth Grossnickel, who is chairman of publicity.

Adalu Carpenter and Donna Wagener are in charge of planning the coronation procedures including the gifts, and crown.

Those selling tickets to the banquet are Dwight Blough, chairman, Berwyn Oltman, Lewis McKellip, Isaac Grillo, Glenn Gayer, Eddie Ball, Jean Bullard, Barbara Bowman, Alberta Ebbert, and Eleanor Hamm.

Tickets are being sold at one dollar each.

### Oral Interpreter To Visit Mac Oct. 29-30

### Ag. Majors Visit American Royal At Kansas City, Mo.

Macollege had a delegation of eleven members visiting the 53rd Annual American Royal Livestock show holding at Kansas City, Mo., last Sunday night and Monday morning, Oct. 18-19. The delegation included eight members of the senior class who are Ag. majors, Prof. Guy Hayes of the Rural Ag. Dept., Dr. and Mrs. R. E. Mohler. The group left the campus Sunday afternoon and arrived at Kansas City in time to see some displays, and for the grand opening of the Horse Show, the main feature of the night's agenda, which began at 8:00 p.m. and continued until 11:30 p.m.

On Monday morning, the group was again at the Royal building to see some livestock judging in the division of beef cattle, mules, and hogs.

The visit to the Royal which covers hotel reservations, and admission to the Royal Horse Show was made possible to the college for the benefit of rural life majors by the People's State Bank of McPherson. While in Kansas City, the group stayed at the Hotel President.

The eight Ag. majors making this trip were George Keim, Don and Elmer Fike, Glenn Gayer, Clive Sharpe, Don Thralls, Bob Bean, and James Craig.

### One-Act Plays Are Presented By Players Club

Thirty Players' Club members were involved in the first dramatic production of the year, which was a selection of three one-act plays, "Five Minutes from the Station," "In My Name," and "Period House" were given in chapel Wednesday and Thursday evenings to an appreciative audience.

Mrs. Una Yoder was head director. Student directors under her supervision were Phyllis Kingery, Glenn Bellah, and Maxine Hpnley. Production committees were as follows: Scenery—construction and stage design: Dean Neher, chairman; Gerald Ulrich, stage manager; Dale De Lauter, Ted Vance, Gene Myers, Bob Martin, and Dale Shenefelt. Maxine Hanley was in charge of publicity. Make-up was done by Glenn Bellah, Maxine Hanley, Phyllis Kingery, Ted Vance, Ruth Strickler and Irene Shull.

Members of the cast of "In My Name" were: Esther Merkey, Lois Stinette, Beth Mehl, Marilyn Metzker, Lois Rolfs, and Alberta Ebbert. Esther Ikenberry, Ruth Peckover, Joe Kennedy, and John Nektleton were the quartet singing the chorus of "Holy City."

Students acting in "Period House" were: Leonard Goering, Leon Albert, Marion McElwain, Ruth Eisenbise, Donna Coffman, Anneliese Koch, Nancy Andrews, and Dale Shenefelt. Jean Slaubaugh, Max Parmley, and Manly Draper made up the cast of "Five Minutes from the Station."

"A poem is not a poem until it has been voiced," says Miss Esther M. Doyle, assistant professor of English at Juniata College, Huntingdon, Penn., and a specialist in oral interpretation, who will visit Macollege on a goodwill tour under the auspices of the American Association of Colleges, Thursday and Friday, Oct. 29-30.

Miss Doyle was born in Boston. She holds a degree in literary interpretation from Emerson College, and an M. A. in English from Boston University. She has done special work at the University of Denver, Harvard University, and a summer's study in England and Scotland. At the present time Miss Doyle is assistant professor of English at Juniata College in Huntingdon, Penn.

For several years Miss Doyle has done professional and lecture-recital work for the Royal and Redpath Bureaus in Boston. Her teaching experience includes public schools and private studio work in Boston and New York. She has directed dramatics at summer camps and has done summer theatre work. During the latter part of the war, Miss Doyle was a member of the recreational staff of the American Red Cross Military Welfare Service.

Miss Doyle will make her first presentation in McPherson Thursday, October 29, in the evening at 8:30 p.m. Her first selection at this time will be the interpretation of "Pygmalion." On Friday morning, October 30, Miss Doyle will make a presentation in the 7:45 American and Drama Class entitled, "Elizabeth The Queen."

Her next selection will be in the Intro. to Literature Class at 8:40 and is entitled "The Corn Is Green." At 9:35 Miss Doyle will appear in the Chapel assembly program and will present, "Romeo and Juliet." Miss Doyle's next visitation will be to the Drama Class at 11:25 where she will present, "A Kiss For Cinderella," and also "Taming of The Shrew."

### Mac Profs Travel North For Meets

Dr. Mary Fee, Prof. Sarah May Vancil and Prof. Mac McAuley are in Topeka today and tomorrow attending the annual conference of college administrators and instructors engaged in the preparation of elementary and secondary school teachers.

Dr. Gordon Mork of Minnesota University, Minneapolis, Minn. will be guest consultant at this conference which is being held at the Jayhawk Hotel.

Miss Lehman will be in Lawrence, Kansas tomorrow, attending a conference on the teaching of English. Bernard De Voto, editor of "The Easy Chair" of Harper's Magazine will be the guest speaker. The English department of Kansas University is sponsoring this conference.

### All-School Movie Is Saturday Night

The first all-school movie of the year will be shown Saturday evening, Oct. 24, at 7:30 in the Chapel. No admission will be charged, but an offering to cover rental of the film, will be taken during the changing of reels.

The movie is sponsored by the Social Committee, which is bringing a series of eight full-length features to the campus again this year.

The movie to be shown Saturday night will probably be "One Foot In Heaven," although a substitution may be made. Any change in the movie to be shown will be posted on the bulletin board in Sharp Hall.

Faculty families and friends of the students and faculty are welcome to attend all movies, the Social Committee has stated.

The second movie of the year will be shown Saturday evening, Nov. 7, in the Chapel.

STUDENTS GO TO POLLS—500 Macollege students cast their ballots Tuesday, Oct. 20, to elect the 1953 Homecoming Queen and her Royal Attendants. The students' own choice came out to be Anneliese Koch, Queen; Shirley McDaneld, sophomore attendant, and Alice Hanagarne, freshman attendant.

# Just Going Around

A man once wrote, "I read in a book that a man called Christ went about doing good. It is very disconcerting to me that I am so easily satisfied with just going about."

Could it be possible that we here at Mac are just as easily satisfied going about doing just what we have to do? If so, why? Is it that the challenge is gone? Probably not, because it has been here ever since Calvary occurred almost two thousand years ago. It is up to us to accept it as a responsible individual.

Now stop to think—how much good have I been doing here at school so far? If you haven't, that doesn't mean that you have been doing bad, it could mean that you have not been doing anything.

It was also once said that a lazy man is worse than a dead one—he's always in the way. Are you in the way by just going around and doing nothing? If you are, try to start doing something here at Mac for yourself and for the ones around you. You'll be amazed. Accept the challenge and give it a try—wholeheartedly. —L. A.

## Ladies Quartet Sings At SCA Park Meet

The Ladies' Quartet composed of Evelyn Williams, first alto; Elsie Kindley, second alto; Donna Wagner, first soprano; and Donna Ford, second soprano, gave an inspirational program of hymns at the meeting of the Student Christian Association on Thursday Oct. 8, 1953.

The SCA group walked to the park and sat facing the lagoon. A historical synopsis of the songs sung by the Ladies' Quartet was given by Norman Long, Galen Sifer, and Dale DeLauter. Dale DeLauter led the worship.

Leon Neher gave an inspirational announcement concerning the BSCM conference to be held at Manchester College North Manchester, Ind., during the Thanksgiving vacation.

## Movies Are Secured For Students In Geo-Chem

The students in Geology and Chemistry will not be learning just from books. Dr. Wesley DeCoursey has received movies which he will show to the appropriate classes.

The titles of the movies are Nevada and Its Natural Resources, The Evolution of the Oil Industry, Sulphur, Tin From Bolivia, Wyoming and Its Natural Resources, Lead From Mine to Metal, Washington and Its Natural Resources, and Oklahoma and Its Natural Resources.

# Orchids & Thorns

Orchids to Queen Anneliese Koch, and to Royal Attendants Shirley Ann McDaniel, and Alice Louise Hanagarne for the qualities that have made them students' own choice for the 1953 Homecoming Royalty.

Orchids to Si Sargent, and to the McPherson People's State Bank for making it possible for the MacCollege's Ag majors to visit the American Royal.

Orchids to Kenny Brown for the clever ideas for those Quad pictures.

Orchids to the College of Emporia Faculty for their thoughtfulness, and for the nice letter they sent to MacCollege.

Orchids to ALL of us, there are no thorns this week!

## CBYF Plans Picnic

The CBYF picnic will be held at Black Canyon, Sunday afternoon, Oct. 25. The picnic begins at three o'clock and will continue until after campfire.

Gay Jones, Margaret Yost, and Dean McKelvey will lead recreation at the Black Canyon site.

A picnic supper, planned by Don Butler, Elmer Fike, Bertha Landis, and Ruth Peckover, will be served at five o'clock.

Mrs. D. W. Bittinger has been chosen by the Steering Committee as the campfire speaker. Norann Royer and Dwight Blough will be in charge of the worship service. Miss Doris Coppock will lead the singing.

The Steering Committee has asked that those planning to attend sign their names on the lists posted and be behind Arnold Hall at three o'clock Sunday afternoon.

## Della Lehman Interprets 'Folks At Home' In Chapel

"She's a world traveler, oral interpreter, expert motorbike rider, and a pea canner chemist," said Dean Berkebile as he introduced Miss Della Lehman, who gave an oral interpretation in the assembly last Friday. Miss Lehman gave an interpretation of a book entitled, "The Folks At Home," written by Margaret Halsey. The theme of the book was American business society.

Following Miss Lehman's presentation Friday, Miss Lehman gave a skit on the theme of "If women played football." After the skit the regular pep-chapel was held.

## A Smile

Let others cheer the winning man,  
There's one I hold worth while;  
'Tis he who does the best he can,  
Then loses with a smile.  
Beaten he is, but not to stay  
Down with the rank and file;  
That man will win some other day,  
Who loses with a smile.

# Regional Conference To Be Held Nov. 15-18

The annual Regional Conference will be held at McPherson during Nov. 15 through the 18. The conference will officially open Sunday morning. A vesper musicale by the McPherson Church Choir will be given that afternoon.

Dr. Paul Robinson, president of Bethany Seminary, will be one of the outstanding leaders present at the conference. It is also hoped that Harold Rowe, director of Brethren Service and Charles Lunkley, returned missionary, will be in attendance.

Several new ideas are being injected into the meeting. One is the mid-morning break when coffee and light refreshments will be served, followed by a Singingation. The afternoon sessions will also carry through on one topic through the entire afternoon. There will be three topics offered each afternoon.

One of the newer topics will be one strictly for laymen, such as classes on welding, homecraft, etc. Besides the musicale on Sunday, the College Music Department will stage an opera, "The Bartered Bride," on Tuesday night, Nov. 17.

Wednesday afternoon will mark the day for the dedication ceremony of the new, and beautiful Girls' Dormitory, the Dotzour Hall. There will be an open house for all after the ceremony.

# Chem. Dept. Gets Ready For Homecoming Event

The Chemistry Department is getting ready for Homecoming. During Homecoming weekend the department will have open house. There will be various displays on exhibit.

You may see some Chemistry class experiments in operation and some chemical magic. There will be a chemical crystal display, also rocks and mineral display, a fluorescent mineral display and there will also be open house in the county soil testing lab.

Touring this department should be worth while the time. Why don't you stop in sometime during Homecoming weekend? It is on the first floor of Harnly Hall.

# Geology Class Has Night Sessions

Dr. Wesley DeCoursey is now teaching a night class in Geology. There are ten students enrolled in the class and six of these are teachers from near Hutchinson and they drive down each time the class meets. The class meets on Wednesday nights.

The students take turns supplying cokes or coffee for the break in the long three hour session. A number in the class have traveled extensively and this adds interest to the study of Geology.

Both the day and night classes in Geology have a short laboratory each week to get some practical knowledge of specific minerals and rocks.

Each student is asked to make a rock collection of their own during the course and to identify some ores as well.

## Student Ministers' Quartet Gives Off-Campus Program

The first off campus appearance of the Student Ministers' Quartet was Saturday, Oct. 17. They presented a program at the Belleville Church of the Brethren.

Sunday they were back in McPherson to sing at the College Church. They sang at Sunday School and also at the morning worship service.

# Thinking With The President

## 23 States Are Represented In Mac Student Body

Twenty-three states are represented in the student body at MacCollege this year. The largest number are from Kansas totalling 141. The second largest number of students totalling 44 is from Iowa. Third in number is Colorado with 28.

Following Colorado is Missouri with a total of 16 students; Idaho is next with 14. Texas, Minnesota, Illinois, Nebraska, Oklahoma, and California are next in that order.

A number of foreign countries are also represented. Of these foreign countries, Nigeria, British West Africa, leads with four students. Then Germany with three, Japan, Samoa, India are next with two students from each country. One student is from Korea.

Besides the 23 states that are represented in the student body, 21 different denominations are also represented, the largest number being from the Church of the Brethren. About 58 percent of the total number of students, or 209 students are Brethren.

Methodists follow next with 44, then the Baptists with 23. There are 17 Mennonites, 16 Lutherans, and a few from the Christian, Presbyterian, Congregational, Evangelical and Reformed, Trinity Lutheran, Mission Covenant, Church of Christ, and non-denominationalists in that order.

All told, there are 348 regularly enrolled students at Mac this semester as compared with 321 of last year. College enrollment this year including special students is 459.

## 3 Attend Youth Meet At Dayton

Norman Long, president of the Western Youth Region; Betty Lou Hershberger, regional youth director; and Jeff Swingle, adult counselor for the region accompanied Carol Steele, president of the Pacific Youth Region, and Paul Campbell, the Pacific adult counselor, to the National Brethren Youth Conference at Dayton, Ohio.

One of the issues decided upon was the project for all Church of the Brethren youth for this year. The youth of all regions have the opportunity to support the general brotherhood program for one week. This project will require between 21 and 22 thousand dollars. The last week of Sept. '54, has been designated as the project week.

The youth audio-visual kit of seven new sound film strips on youth work will be arriving in the Regional Youth office early in November. These film strips will be available for use by district, local, and college groups, and are suggested for use as discussion sparkers.

**Congratulations To The Students**  
Not four ago quite a large body of examiners were here from several state schools, from our own state department, and from teachers colleges, examining McPherson College. The purpose of it was to see whether we are eligible for entrance into the American Association of Colleges for Teacher Education.

If we are accepted it will facilitate our teacher accreditation in the state of the mid-west and make it easier for our teacher graduates to transfer from school to school and state to state, as their interests dictate.

After being here three days the presidents came in to give a brief summary and to say a word of farewell.

In my office they congratulated McPherson College upon the high quality of our student body and of our teaching personnel. They said they had rarely seen an institution in which the student body seemed, without apparent exception, to be intent upon the major purposes of the college. Though they had asked in many directions they seemed unable to discover any serious gripping or discounting of the college and its purposes.

It was their opinion that McPherson College is a good college; it knows where it wants to go; its students and faculty work together harmoniously for the achievement of its purposes.

Naturally there were some things about the college which were different from their colleges. We stood for some things which are not insisted upon on their campuses. They did not hold this against us, but rather congratulated us upon setting up standards which to us seemed right and then trying to adhere to them.

Moreover, they found us to be a friendly school. They warmly invited us to come to their campuses and assured us that they will undertake to make us feel at home when we come.

## Spec-Quad Banquet Is Nov. 2

A joint dinner and banquet is to be given for the Quadrangle, and Spectator staff Nov. 2. This dinner will be held in the Home Economics Department. The Quantity Cookery Class will be the people who are sponsoring the banquet. Kathy Russell, student manager, will be in charge.

It has been the policy during the past years for the Quadrangle and Spectator staff to have a picnic in the spring. This has been changed however because of conflicting dates and a feeling that a earlier banquet will be of greater success.

# Bulldog Barks

The ladies quartet has gone to Iowa for a ten day tour. This is their annual fall tour. The girls had twenty numbers prepared and should give the Iowa churches some very enjoyable services. Bob Mays accompanied them on the tour.

The trio also have been busy singing. They went to McClave, Colorado last week for a couple of days. Glenn Swinger accompanied them and did the driving.

Martha Switzer, Ina Switzer, Phyllis Kingery, Shirley Hamilton, and Colleen Martin spent last Saturday night with Ann Powell and Eleanor (Squeak) Louthan. Squeak and Ann are teaching in Carlton.

The girls had a very nice time although they didn't get much sleep. At 2:00 a.m. they took a jaunt over to the school where Squeak and Ann teach. They wanted to find out what school was like at two in the morning.

A large group of Mac kids went to Salina for the Kansas Wesleyan game last Saturday night. Besides the students, there were quite a number of the towns people that went down to help cheer our boys on to victory.

The Kline Hall picnic last Friday night had a surprise in store for everyone who attended it. That is everyone, but two people. Everyone in the group was given a piece of paper with their fortune on it. One of the fortunes read "Maggie and Dean." Congratulations kids.

Martha McClung Robinson and Barbara Berry were down Saturday. Several of the Maccollege students are going to Lawrence Saturday. Woody is bringing his SMU team up to play Kansas University.

Tonight we play William Jewell here. This should promise to be a very exciting game. Last year we tied them 20 to 20 in one of the most thrilling games of the year. Let's everyone get out there and yell until you are hoarse.

Among the people who traveled to Kansas Wesleyan University to spirit Maccollege on to a win were the members of the pep-band. This was the first time that the band has played away from home this year.

It was decided by the cheer leaders and pep-band that the "Maccollege Fight Song," would be played after each touch down by the team. As a result of the score the band played this song more than

it had all year. The song is now well memorized. It seemed as though neither the band nor the Maccollege fans ceased to cheer the team on from game time until the last second of the game.

Dr. Mohler gave a speech on "Giving the Man a Chance," at the opening session of the General Conference Mennonite Meeting held at North Newton, Kansas, on October 20.

## Don Bowman To Visit Campus

Next weekend Macampus will have the privilege of hearing Don Bowman, who was the youth representative to the travcore Youth Conference.

Don hails from Southern Ohio and served on the District Youth Cabinet there before attending college. After receiving his degree in Civil Engineering at Ohio State University, Don entered volunteer service for one year.

During this volunteer year Don did extensive work for the United Christian Youth Movement on the CALL in Eastern Pennsylvania. He finished his BVS year as a youth worker in the Central Region.

In the summer of 1952 Don started his trip to travcore World Youth Conference. He visited all the BSC centers in Europe, including the ones in Germany and Austria.

Don then traveled on to India where he visited all of the BSC stations there. He then attended the conference over Christmas time and did extensive travel in Asia before he arrived home last spring.

Don's trip was supported by buying ten dollar shares, insuring the buyer of Don's services when he returned. Many youth groups and districts bought the shares and are now glad that they have the right to hear him talk.

Don tells of the conference, but also likes to give his experiences going to and coming from the conference.

## Hayes Directs Youth Fund Drive

Professor Guy Hayes, Maccollege associate professor of rural life, is general chairman of the United Youth Service Fund drive for the city of McPherson this year.

In the campaign, which began Tuesday, Oct. 20, a total of \$11,700 is to be raised for the budgets of the Boy Scouts, the Girl Scouts, and the YMCA. Of the total, \$6,800 is for the YMCA, \$1,750 for the Girl Scouts, and \$3,150 for the Boy Scouts.

Mr. R. Gordon Yoder is in charge of faculty solicitation, as no house-to-house drive is to be made this year.

An early morning breakfast was held at the Hotel Warren Tuesday for those assisting in the campaign.

Professor Hayes expressed a hope Tuesday that the drive would be completed in three days. The Youth Fund campaign has been in existence in McPherson since the war. By combining the three organizations into one drive, the city eliminates the separate drives of each organization.

## Faculty Discusses Aims, Objectives At Meeting

The Division of Language, Literature, and Arts, continued to give their aims and objectives in a presentation yesterday morning in a faculty meeting. The objects of these meetings are to bring forth the qualities of each division in Maccollege through interpretation, presentation, and discussion.

Dr. Maurice A. Hess, Chairman, presented the four aims of the division and a discussion followed.

## C of E Sends Apology to Mac

Dr. D. W. Bittinger, president of McPherson College, read a letter from the College of Emporia faculty athletic representative in chapel Tuesday.

The letter, addressed to Mr. R. Gordon Yoder, McPherson's athletic representative expressed C. of E.'s disapproval of the tearing down of McPherson's goalposts and stated their apologies for the conduct of some of the C. of E. fans.

C. of E. expressed a hope that the fine spirit of athletics in the conference the past would be upheld in all future games.

## Father And Daughter Both Attend Mac

Mr. Paul Snider and his daughter, Mary, from Essex, Missouri, are both students at Mac this year.

Mary is a freshman and Mr. Snider is a sophomore. He previously attended Southeast Missouri State Teachers' College for his earlier studying. Also he has taught school as well as has been a part time minister. He is now studying for teaching in the Elementary School.

Mr. Snider's wife and two other children are also here with him and they are living at the College Courts.

## Students Start Home Ec Club

Bertha Landis was elected by a group of home economics students, who met Thursday, Oct. 15, to serve as chairman of a committee to draw up a constitution for the college home economics club, which is being organized here on campus. Other members of the committee are: Marienel Johnson, Pat Rolfs, and Irene Shull.

One aim of this club is to become affiliated with the American Home Economics Association, an organization of college home economics clubs over the nation.

The AHEA strives to promote teamwork and fellowship, leadership and intelligent followship, self-expression, happiness and well-being, social and business experience, and international good-will.

## The Man In The Glass

When you get what you want in your struggle for self, you find the world makes you king for a day; just go to a mirror and look at yourself, and see what that man has to say. For it isn't your father or your mother or wife whose judgment upon you must pass; the fellow whose verdict counts the most in your life is the one staring back in the glass.

Some people may think you a straight-shootin' chum, and call you a wonderful guy, but the man in the glass says you're only a bum if you can't look him straight in the eye. He's the fellow to please never mind all the rest — for he's with you clear up to the end; and you've passed your most dangerous, difficult test if the man in the glass is your friend.

You may fool the whole world down the pathway of years, and get pats on the back as you pass, but — your final reward will be heartaches and tears, if you've cheated the man in the glass.

## McAuley Posts Debates Schedule

The schedule of debates has been announced by Prof. Max McAuley, who is the debate coach at Maccollege. Not all of the dates of tournaments have been submitted to Professor McAuley as yet.

The first debate is to be held at Kansas State College Nov. 14. This is to be a beginners debate. The next tournament will be at Bethel College in North Newton, Kansas, Nov. 20-21. Maccollege will hold an Economy debate Jan. 9.

Other possibilities of debates with uncertain dates are at Nebraska University, Emporia College, Southwestern, and the Province tourney held in Greeley Colo. The league tournament is to be held at Sterling College in Sterling, Kansas.

Some of the persons out for debate are Donald Ullom, Leland Lengel, Leon Neher, Norman Long, Don Faulstich, Dean Neher, Robert Martin, Max Parmley, Bob Wise, Gene Bechtel, and Joe Kennedy. So far only two girls are out for debate, these persons being Norman Royer, and Eula Mae Murrey.

Last Monday evening this group met, and held an open forum discussion on the official question of the league. This question is as follows: "Resolved that the United States should adopt a policy of free trade." Anyone interested in debate should see Professor McAuley or Dr. Maurice A. Hess. Professor McAuley has stated that there is especially a need of more girl teams on the debate squad.

# Bulldogs Stage Great Comeback

## Canines Swamp Coyotes 61 - 6

The McPherson College Bulldogs staged a great comeback which once again has placed them on the victory list when they swamped the highly rated and much improved Coyotes of Kansas Wesleyan University 61-6 in an important conference game held at Salina last Saturday night, Oct. 17.

The Bulldogs scored nine touchdowns and seven points to pile up its largest score so far this season, and to give the Bulldogs a record of sixteen wins and one loss in seventeen games.

Thus far, the Bulldogs have tangled with the Coyotes on the gridiron 29 times. The Coyotes have won 15 times over the Bulldogs, the Bulldogs have won 12, and 2 games have ended in ties.

The Bulldogs got off to a good start, and as usual drew first blood within the first 4.15 minutes of the game when Eddie Ball crashed over to score from the 4 yard stripe. The Bulldogs led 21-0 at the end of the first quarter.

The Coyotes got moving and Gillingham, the Coyotes fleetly back, scored their lone touchdown with only 1.10 minutes left before the end of the first half to bring the score to 27-6 at the end of the first half.

The Bulldogs scored three more touchdowns during the third quarter, and two more in the fourth to win the game 61-6.

The Bulldogs were on the receiving end at the beginning of the game, and returned the kick off to the 31 yard line. Five plays later they reached the 44. Gene Smith then made a spectacular 47 yard run which put the Bulldogs on the 4. A play later, Eddie Ball carried the mail for the first TD. McSpadden's kick for extra point was good, and the Bulldogs began to tally their greatest single score for the season.

Quarterback Don Hoch played a remarkable game both on the offense and on the defense. He called some excellent plays and attempted 14 passes completing for a yardage of 283. Quarterback Wayne Blickenstaff, the regular quarterback, sat on the side lines throughout the game and saw no action because of the injury he received in the C. of E. game.

Both teams kept each other at bay for most of the second quarter. The Bulldogs scored a TD from a 43 yard pass by Quarterback Hoch to Bill Smith at end. McSpadden's extra point kick was no good.

It was during this quarter that Coyotes back Ronnie Gillingham scored the lone Wesleyan TD from a short pass from Harris the Coyotes QB with only 1.10 minutes to go for the half. Clayton King's extra point kick for the Salina squad was no good.

Play resumed in the second half with the Bulldogs showing much action and more aggressiveness. During the third quarter, the Bulldogs romped ahead and made 3 more touchdowns, with two extra point attempts good.

The Bulldogs showed more aggressiveness in this game than they ever had this season in any game. They were always going out for the ball.

Five times did the Bulldogs fumble the ball, and three times did they recover their own fumbles. They had the Coyotes fumble the ball seven times, and recovered 3 of them. So they recovered more than they fumbled.

"Big" George Keim recovered a fumble on the Wesleyan 24 that set the stage for a Bulldog TD. Lowell Hoch recovered another Coyote fumble on their own 22, but the Bulldogs lost the ball a play later when Pearce intercepted a Bulldog pass. Eddie Ball prevented a Coyote TD by recovering a fumble on the McPherson 34, this fumble also set the stage for another Bulldog TD made by Dwight McSpadden after a spectacular 66 yard run.

Coach Sid Smith substituted freely during the game, but the first string saw more action than the second or third string. The coach is giving his first string plenty of experience for tonight's big game.

The Coyotes had a pretty good defensive lineup. They yielded only 13 first downs to the Bulldogs during the entire game. The Coyotes offensive unit made 16 first downs in the game.

This is the first time this season that the Bulldogs approached their yardage averages of the last season by making a total gain of 418

### The Cracked Crystal Ball

By The Seer  
109 right; 45 wrong; 8 ties, .689 pct.

With monotonous regularity the two top teams of the nation, keep right on winning their games each week. Oh, Pitt, may throw a scare into the mighty Irish for a quarter or so and Mich. State may not have it all peaches and cream, but the end result seems to be always the same. This is not to say that either one of them might lose a game sometime during the season, but right now this writer can't see any team with the capabilities to do it.

There were several upsets last week. UCLA bowed to a surprising Stanford team. Army humbled highly rated Duke. Iowa State surprised what was supposed to have been the second team in the conference, Missouri, and in spite of what "Woody" fans believe, the victory down in Dallas over Rice was a major upset.

The loyalty of McPherson fans will be divided this weekend as many of them watch their home team, Kansas U, against their sentimental favorite, SMU. Much interest has been generated for this game as it will be the first chance for local "Woody" rooters to see a team of his in action against a major power. The whole football squad is making the trip to Lawrence as many up town people and several car loads of college students.

And now for the games of the week.

"Some of the students who were married" have address of men's housing units or fraternity houses," said the director of registrations.

Prof. Alvin Willemes of the Industrial Arts Dept. was responsible for the welding jobs on the goal posts, and was also responsible for the construction of the movie cage.

Another addition to the stadium is the installation of a movie cage perched on one of the massive light posts. This cage is for the purpose of taking movies of all games played on the local gridiron. This, also, is to give better advantage to the cameraman over the old one on top of the press box in the stands.

Discovery of the system has started a lot of back checking.

### Blickenstaff, Kennedy Lead In Intramurals

Results of the Intramural Volleyball as of Oct. 19, showed that Wayne Blickenstaff's team with a record of 5 wins and no loss in the National League, and Joe Kennedy's team with 6 wins and no loss in the American lead, have taken over the leading positions in their respective leagues.

Wayne Blickenstaff's team came through to lead when they came from behind and won from Don Butler's team in Monday's thrilling game. That was Butler's first loss in 5 games. Kennedy was leading his league last week and is now three games ahead of Swinger-Hayes' team, who, also, have not had a game in three starts.

League standings are as follows:  
National League:

W	L	Team

# Bulldogs Host Cardinals Tonight

The McPherson College Bulldogs will be hosts to the very strong William Jewell College Cardinals from Liberty, Mo., in tonight's non-conference encounter which is scheduled to provide fans with many thrills as well as some good football. Game time is 8 p. m.

The Cardinals from Liberty, Mo., boast of an undefeated and untied record so far this year, and have top billing among the few undefeated and untied colleges in the nation. The Cardinals have been victorious over strong teams from both Kansas and Missouri.

### SMU Registers Major Triumph

This is Norris Peterson's fourth year as Director of Athletics and Head Football coach at William Jewell. In his three previous years, he has compiled an amazing record in the won and lost column. "Pat" Peterson and his three brothers all use the same type of offensive system. James Nelson is an assistant to Peterson as line coach. Nelson was an excellent lineman in college and is doing a good job with the forward wall at William Jewell. Other assistants on the coaching staff are Jim Colin and Paul Lambert.

Using the spinner system in connection with the single wing formation, the Cardinals are well known for their great offensive and defensive play. Outstanding players returning to the squad this year are Lauriel Hoback and Bob Neild plus a host of others.

The William Jewell football squad has a total of seventy-three men on their roster. Included in this group are twenty-three returning lettermen. Also boosting the squad power are several returning war veterans.

The Bulldogs came through the game with Kansas Wesleyan with only minor injuries and are in top physical shape for the game tonight. Practice sessions have contained an increased amount of enthusiasm this week. As this is another of the top games of the season, it is expected that another record crowd will be on hand to watch the game.

### It's Your Viewpoint

By Le Roy Heidebrecht

Our question this week is, "How does the one-platoon system of football compare with the two-platoon system of previous years?" We tried to get a variety of interviews. Opinions were obtained from players, fans, and coaches. Here are their answers.

**Dick Wareham**—Trainer. From a trainer's standpoint there is no apparent difference. The general opinion was that there would be a change in the amount of injuries but there has been almost no change.

**Don Faules**—Sophomore. In some ways it has improved the game of football but it has hurt it in some ways also. I thought the scores would be lower this year but there has been little change.

**Eddie Ball**—Senior. I don't like the one-platoon system at all. With the two-platoon system more fellows get to play and this makes for a better morale on the squad.

**Manly Draper**—Senior. I think the one-platoon is better. The games are over a lot quicker. Also the coach must rely more on his quarterback instead of being able to send in "messengers."

**Sid Smith**—Head Coach. I am in favor of the one-platoon system.
