

## Plans Continue For Homecoming Week

A homecoming welcome is being planned for the returning alumni on Oct. 16. The Social Committee, Student Council, and Max McAuley, Alumni Secretary are working to make this a successful homecoming.

No Homecoming Parade will be held downtown, but the campus will be fully decorated so that the alumni may see all of the decorations. Each class and many of the organizations on campus will have their own decorations.

With the many different displays by the campus organizations there will be an atmosphere of celebration throughout the homecoming weekend.

On Thursday Oct. 14, the queen and her attendants along with co-captains Eddie Frantz and Bill Smith and Coach Sid Smith will appear over the Helen Gard T.V. show over channel 12 on KTVH.

Queen's Banquet and the crowning of the queen will be Oct. 15, in the church parlors at 6:30. The ladies of the church will prepare the meal.

A 12:30 luncheon at the McCourt Hotel will be given for the 'M Club on Oct. 16.

At 1:15 there will be a locker room interview with Tony Voshell, from local KXNE. Coach Smith and co-captains Eddie Frantz and Bill Smith will be interviewed.

Dr. and Mrs. Wesley DeCoursey will serve as host and hostess at the Alumni Tea which will be in the Student Union Room at 3 o'clock, Oct. 16.

Open house will be held from 4 to 5 for the new stadium on Saturday evening.

From 5 to 6:30 the Pep Club will have a chili feed for alumni, visitors, and students. This will be in the church parlors and the price will be 65 cents.

At 7:30, the game between Maccollege and Kansas Wesleyan University will begin.

During the half time of the game the Genesee High School Band, under the leadership of Vernon Nicholson, 1950 graduate of Mac, will perform.

There will be a coffee hour for the alumni in the college cafeteria following the game.

The Maccollege students will act as host to KWU students at a Students' Mixer after the game.

Twenty three campus organizations will have decorations. The decorations must be finished by 11 a.m. Saturday, Oct. 16, and they will be judged at 11:30 the same day. The winners will be announced at the game.

Prizes have been boosted this year. 1st prize will be \$30, 2nd is \$20, 3rd is \$10. This year there will also be five honorable mentions which is a new feature over last year.

Each organization will be notified as to where they are to put their floats. There will be mimeographed sheets passed out which will tell where each float is to be placed.

Max McAuley stated that if any organization does not receive an assignment sheet they should contact him immediately.

The Queen will set the rules for WPA week. This is a major change over last year's week of Women Pay All.

Big dates for this "girl ask boy" session are the Queen's Banquet on Oct. 15, and the homecoming game. This reverse of the "boy ask girl" custom will give the sought after sex an opportunity to pick up the bill for a large evening.

Liz Swinger, Evelyn Williams, Eula Mae Murray, and Marlene Moats will serve as candidates for homecoming queen.

The sophomore class chose Darlene Treloar, Rachel Brown, Birdene Jamison, and Kathy Albin as candidates for their class.

Delaine Larsen, Marlene Landhuis, Ellen Willems, and June McDaniel are the freshman candidates.

### Whoops

In listing those students who served in Summer Service Projects Marlene Moat's name was omitted. Marlene spent her summer teaching bible school and working with the youth in West Virginia. Following Annual Conference, she went into training and was on the project most of the summer.

## SoCo Tells Year's Shows

Ten feature length movies will be shown this year according to plans by the social committee. There will be no admission charge, but the students will be given the opportunity to contribute.

October 22 is the date set for the showing of the first movie, "Captain Horatio Hornblower"; it is in technicolor, and is to be followed by a cartoon.

Other tentative selections are: "Jim Thorpe, All American"; "David and Bathsheba"; "O. Henry's Full House"; "On the Riviera"; "The Treasure of Sierra Madre"; "The Day the Earth Stood Still"; "Room for One More"; "Snake Pit"; and "Gentlemen's Agreement".

There are more movies this year than there were last year. Three of the movies are technicolor and all are to be followed by a cartoon.

Besides movies, the social committee had supervision of the all school picnic, and makes the plans for the queen's banquet. It has charge of the college picnic equipment and dishes. The PA system and movie screen were made possible by the social committee.

Five members, three of which are juniors, Ruth Grossnickle, chairman; Dwight Houghton, movie chairman; and Virginia Bower; one freshman, Ellen Willems, secretary; and one senior, Leon Albert, make up the committee. Miss Sarah Mary Vance and Dick Wareham are the faculty advisers.

The chairman is elected by the student council who in turn selects the other members with the help of the faculty advisers. The committee meets every Tuesday at 7:00 a.m.

## Foods Lab Gains New Equipment

Quantity Cookery class of the Home Economics Department have recently added a deep-fat fryer and a hot water bath to the laboratory, using the money they made serving banquets and dinners last year.

Preservation of foods is being studied by the girls in Foods classes through the canning of fruits, jams, and jellies for several of the faculty members wives.

## Students To Observe World Communion Sunday

This Sunday, Oct. 3, will be observed as World Day of Communion. This day has been set aside by the World Council of Churches and The National Council of Churches. World Communion Day has been observed for the last 15 years.

Lovetreat and communion will be held at 7 o'clock this Sunday evening at the Church of the Brethren. All students are invited to take part.

There will be an early morning communion at 8:30 in the church Memory Chapel.

## College Calendar

TONIGHT — Baker here, 7:30 p.m.  
SATURDAY, SUNDAY, OCTOBER 2, 3 — Rec Council Retreat.  
WEDNESDAY, FRIDAY, OCTOBER 6, 8 — One-Act Play, "Sorry Wrong Number," 8 p.m.

## Loeckle Gets Top In English Tests

First place and a score of 137 went to Janice Loeckle, of McPherson High School, in the Freshman English placement tests. There was a tie for second place at 136 between Phyllis Flory of Tipton, Iowa, and Kathleen Hinkle of Canton, Kans., Dr. Maurice A. Hess announced today.

A score of 134 gave fourth place to Dean Reynolds, of Ankeny, Iowa. Fifth place went to Joyce Flory, of Tipton, Iowa, at 133.

Dwight Oltman, of Ender, Neb., placed sixth with 129. A tie for seventh at 128 was between Morris Harms, of Haxton, Colo., and Sidney Smith of McPherson High School. Vivian Oliver, of Selma, Iowa, and Patsy Schechter, of Worthington, Minn., tied for ninth place at 127.

The Barrett-Ryan English Test was used, with a possible score of 150. This test has been used for possibly twenty years to section the freshman English students according to achievement.

It is a bit unusual, with only ten tests in the first ten, with three points separating the first and the tenth.

Each student prepares a correction sheet as a part of the remedial work in English.

## Something New Williams Becomes Cafeteria Chef

Men chefs are not a common thing in the McPherson College Cafeteria; but Gary Williams, a sophomore, is trying something new this year.

Not only does Gary perform his duties as chef, man, one who keeps supplies handy, but he also has potato mashing and hamburger frying privileges.

Besides this, he is often called to bring in food to serve, stack or dry dishes, wipe trays, or wash tables.

If you get an over-done hamburger or a skimpy slice of meat, it may, for once, not be the woman's fault.

## Play Tryouts Thursday

Tryouts for the fall three-act production will be held on Thursday evening, October 7 at 7:30 p.m. in the S.A.R. Mrs. Una Yoder, director, stated that anyone interested in trying out for the play should contact Marilyn Mctsker or Leland Lengel to secure their Players' Club card before Thursday evening.

## Maccollege Players Give "Sorry Wrong Number"

Maccollege Players' Club are giving their first production of the season, "Sorry, Wrong Number," Wednesday, October 6 and Friday, October 8, at 8 p. m., in the college chapel. There will be no admission charge for this twenty-minute, one-act drama.

Lucille Fletcher, author of "Sorry Wrong Number," wrote the play as a radio script. Wanting to pioneer with something different in sound effects she dramatized the sound of the telephone. This was the first type of play built around sound effects in this manner.

Spotlights, the only lights used are the second of the author's way to thicken the plot and populate the audience with goose bumps. Under the direction of Mrs. Una Yoder, instructor in speech and dramatics, the cast is fitting into their character roles.

The cast selected is: Irene Shull as Mrs. Stevenson; Vera Mohler, chief operator; Nancy Keim, informant; Evelyn Williams, Hospital Receptionist; Edith Kessler, Betty Holloway, Ruth Strickler, Ruth Ann Davidson and Nancy Andrews; Telephone Operators.

Dale Shenefelt is the first man; Joe Reeves is George; Forest Krauschmidt, Duffy; Duane Fick, Western Union man; Billy Joe Hildebreth, Lunch Room Attendant.

Behind the Scenes  
Cast members have been displaying their intelligence or lack of it, by having the correct pronunciations of d's, t's, and u's explained to them.

Perhaps the rickety condition of the telephone operator's table will account for a switchboard on the floor instead of an imaginary one on the wall.

Evelyn Williams seems to have her nights and days turned around. She consistently answers the telephone with a calm "Good afternoon" at eleven o'clock p.m.

Duffy may really have ucers before the play is over, providing he has to eat French crullers. People may have to strain their hearing to catch Irene Shull's terrified whispers through the telephone.

Una Yoder

As little blood as possible is George in order as he prepares for the kill.

Then there are the slips and errs made by visiting cast members. An inquisitive freshman asked Ruth Davidson if Dale Shenefelt was her brother. Some people's cars aren't always red.

As in every dramatic production, there are those behind the scenes who work, unknown to the audience, in order that the play may be produced.

Committee members for "Sorry Wrong Number" include: Ed, Dee Bowman, Marian McElwain, La Vaughn Hubbard; Scenery, Ted Vance, Leland Lengel, Don Saunders, Dale Shenefelt; Programs, Evelyn Jarboe; Lights and sound, Ted Vance, Leon Albert, Leland Lengel, and Max Farmlay; Publicity, Don Saunders.

## Students Hold Job Positions In Addition To Studying

Many of the students at Mac are doing part-time work to help defray expenses in college. Some of the students work on campus while others have jobs down town.

Dave Herabarger from Ohio, is working at the Standard Service station out at the Airport.

Ronald Freed, a Junior from Oklahoma, is working again this year at Prairie Garden Nursery.

Martha Switzer and Keith Kipp, both from Haxton, Colo., are starting their third year at Raleigh's Drug Store. Phil Bradley, a freshman from Wichita, Kans., is also working at Raleigh's.

Curtis Broadwater from Minnesota is working at the Community Feed and Seed Store.

Evelyn Williams, a junior from Minnesota, is assistant to Prof. Donald Fredrick and she is also a house counselor at Kline Hall.

Dorothy Lucore is also a house

counselor at Kline Hall. Dorothy is the assistant to Dr. Maurice Hess.

Anneliese Koch, from Germany and a senior, works every afternoon and Saturday at the Co-Op Store.

Don Butler, a senior from Iowa, and Roger Fick, a sophomore from Illinois, are both working at the Jones Furniture Co. This is the second year at Jones for both Ron and Roger.

Some of the jobs on campus are cafeteria help, janitors, yard men, housemother's assistants and others.

The kitchen help are Lucy Blough, Ruth Davidson, Dale Shenefelt, Gary Williams, Connie Brooks and Nancy Keim, all sophomores.

Isaac Grillo, Esther Merkey, Nancy Erisman, and Vernon Scott also help.

Esther Ikenberry is well known as the official dish cleaner. Gary Williams help out when Esther can't be there.

Miss Neher's assistants at the desk are Rita Ellen Royer and Jean Bullard.

Dotzour Hall janitors are Donna Ford, Harriet Grove, Elsie Lucore and Arlene Merkey.

The Arnold Hall janitors are Marlon Landhuis, Delbert Hayes, and Leo Landhuis.

Gene Myers, and Max Royer, both sophomores, are helping Mr. Kendall with the college grounds.

Robert Martin, a sophomore from Elgin, Ill., is working for the Lake Superior Lumber Co.

Phyllis Hamilton, from Illinois and a freshman, is working in the home of Elgin Butten, the County Agricultural Agent.

Gary Jones, a junior from Cabool, Mo., is working at Bessier's Paint Store. Al Blocher, who has worked at Bessier's for two years, is back there again.

Martin Gauby from Texas has changed jobs. He switched from Dillon's to Safeway supermarket.

Coming from Illinois, Idell Fick serves as school nurse and also works at the McPherson County Hospital.

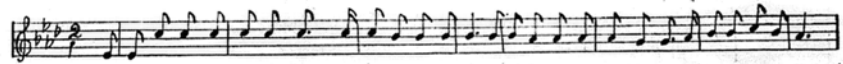

Donna Ford, a senior from Minnesota, works several different places. She is assistant to Dick Wareham and then in her spare time baby sits and does ironing.

Besides working at the Select Dairy Bar, Kathy Hamant, a sophomore, is the assistant to Dr. Mary Fie. Kathy comes from Colorado.

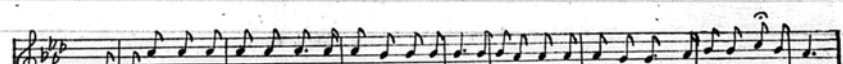

## SACRED TRUTH

McPherson College Sps.

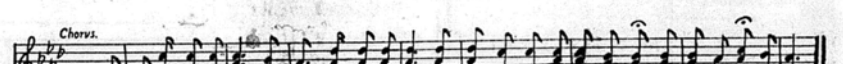

Words by J.A. Clement.

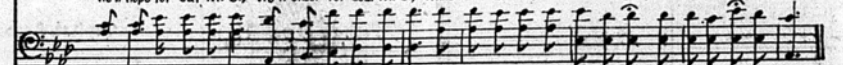

1. Altho' out on broad Kansas plains, Here not in vain are we, For we will strive with might and main, That right and truth may be.  
2. True soldiers once with sword of might, Worked for our freedom long, And now to keep our passes white, Will be our purpose strong.  
3. We are an army — on the way, Some say the world will see Us larger grown and then they'll say, Yet 'tis the good M. C.

The student loves to dream his dream Of life that's yet to be, Of future days and years that'll seem The best for old M. C.  
Beneath the smile of sunny days, Let truth and freedom reign, Within our College let us praise The deed that'll leave no stain.  
Dear Truth, without thee we must fall, O, then our pillar be, O, Truth, be thou our stay for all, And stand for our M. C.

Chorus.  
We'll hope for our M. C., We'll cheer for dear M. C., While winds do blow and sunflowers grow, We'll long for thee, M. C.

The fact that there are green-topped students on Macampus who, for reasons other than lack of vocal talent, cannot sing the college song, started a search for some attempt at correcting the situation. Digging into the dusty files resulted in the above cut. No excuses now! This also will provide copies of the music to the college song for those who have been asking for it.

## And No Fire

Posted on the bulletin board in Arnold Hall has been a notice concerning the use of the fire escapes for their intended use only and the observance of the established rule, "No electrical heating appliances in the dormitory rooms."

Beginning Sunday our nation is observing its annual Fire Prevention Week. Publicity on caution in preventing fire will not be limited to a small lettered sign on Arnold Hall's Bulletin board.

Posters all over town, school fire drills and civic groups will combine to make every American aware of this week of extra safety—a job

which is a job for you all the year around.

Fire Prevention Week is a failure each year for hundreds of thousands of people; they are the victims of the victims of this country's 900,000 yearly fires. Homes are destroyed, jobs are lost, and 13,000 lives are snuffed out.

Human carelessness is responsible for most of our fires and the misuse of electricity, cords, appliances is one of the top causes of that killer, fire. Observe the rules of safety wherever you are and without the reminder of the Arnold Hall bulletin.

## Don't Make Trouble

DON'T RUN AWAY from your troubles. Don't magnify them. Don't dwell on them, taking them to bed with you, spoiling your digestion by feeding upon them all day, and making everybody unhappy by throwing their shadow upon them.

But with a resolute, courageous and trustful spirit take them to God in prayer and then go forth to meet and vanquish them, and you will find they are much less formidable than you feared.

An old farmer plowed around a rock in one of his fields for many years. He had grown actually morbid over it, for he had broken a cultivator and two plows besides losing a lot of valuable land in its vicinity.

When he put his crowbar under it he found it was less than a foot thick and that he could loosen it with a trifling effort and carry it away in his wagon. He smiled to think how all through the years it had haunted him.

One day we shall look back on our trials and our anxious cares and find how needless many of them were, so unreal and yet so distressing, that we can say like the old lady when she was reviewing her past life: "I've had so many trials, especially those that never came."

## Students Attend Denver Dedication

Attending the dedication of the Church of the Brethren in Denver, Colorado last weekend were Leland Lengel, a junior, Connie Brooks, sophomore, Lyall Sherrerd, freshman, Clara Zunkel, sophomore, Lois Stinnette, junior, and Dale DeLauter, junior.

The modernistic structure is located in Athmar Park of Denver. Eventually a separate sanctuary building will be constructed, and the present building will be exclusively for the Christian Education department.

Reverend Kurtis F. Naylor, graduate of Macollege, is pastor of the Denver church.

Next to knowing when to seize an opportunity, the most important thing in life is to know when to forgo an advantage.

## Sadie Hawkins Day . . . Is It Finished?

By Wendell Lentz

Sadie Hawkins Day, the annual man-chasing affair for the recreational bawling females of Macollege in years past, appears doomed by the SCA Cabinet, sponsor of the event, which says that it will be discontinued due to a lack of interest.

This decision was prompted by last year's affair in which seven girls were thrown into the Fahnstock Hall showers, as well as other types of watery horsplay, besides the fact that many of the boys didn't even show up when they were caught. The girls, on the other hand, were, in many peoples opinion, were handicapped by a rule which says that only six girls can descend on one defenseless male at one time, not enough to get the job done in many cases.

However, last week a petition was adequately signed by Mac students asking a reconsideration by SCA of its decision and to possibly institute a revision of the rules to make it easier for the girls to catch a man.

If the value of tradition is worth anything, Sadie Hawkins Day has been almost the No. 1 calendar event of the year to many students. Some of us feel that allowing such a hallowed institution like Sadie Hawkins Day slip away almost unnoticed because this year was not a complete success simply isn't doing justice to the issue.

With this idea in mind, a campus survey has been made of the situation via student opinion. The results are conclusive. Sadie Hawkins Day with its tendencies to sometimes get "out of control" is desirable to having none. It was their observation also that Sadie Hawkins Day was always the spark that ignited the fire of Women Pay All week, a tradition which almost none criticizes.

Here are what several students think on the subject:  
Ken Brown, Sr. "Sadie Hawkins Day represents an attitude regression to the primitive behavior. I like it!"

Dale Shenfeldt, Soph. "I don't see any sense in Sadie Hawkins. I think it is O. K. to have girl ask boy affairs occasionally but I don't see any sense in all this chasing all over campus for a day just to catch a man to take to a party."

Anonymous Coed. "If carried out in a wholesome attitude I believe Sadie Hawkins Day could be one of the more enjoyable activities on campus, partially because of its informality, the getting acquainted aspects and the fun that goes with all of it."

Harvey Miller, Jr. "Sadie Hawkins Day provides a healthy emotional release for the coeds on Macampus. Therefore the event should be continued as before."

Anne Keim, Fr. "Generations have come and generations have gone, and with it has been a traditional Sadie Hawkins Day. Macollege was true to its app and has carried out his famous traditions in a fine way. The males take to admit this fondness for the race but we know they like it! Gather your high spirits, girls, and lets run for all we're worth. If grandmas did it, why can't we? Give the spirited freshmen females a chance."

Karl Deke, Sr. "Sadie Hawkins Day has always proved to be a day of gaiety and would be greatly missed if discontinued."

Shirley Hamilton, Jr. "We all need to let down our hair and really enjoy ourselves at an informal party once in a while. Since the idea of girl ask boy is more or less a farce anyway, it is much more appropriate to ask fellows to a party by chasing them to meet, ask him to a formal gathering. The chase is something traditional and if properly supervised would be perfectly safe and enjoyable."

Bill Mollhagen, Jr. "Sadie Hawkins Day give both girls and fellows a chance to have a reversal of procedure by chasing them to meet, other side of dating. It also makes for a lot of fun."

Martha Switzer, Sr. "I believe a lot of kids have fun at Sadie Hawkins Day. It seems as though as many kids join in on this event as a party by chasing them to meet, say, don't discontinue it."

Marilyn Spohn, Soph. "My opinion on Sadie Hawkins is that I think that it is juvenile. I think something better should take its place."

### Quad Staff Breakfasts

Members of the Quadrangle staff this year are Ruth Strickler, a senior, editor, Rachel Brown, a sophomore, assistant editor, Ruth Grossnickle, a junior, business manager, Evelyn Williams, also a junior assistant business manager, Virginia Bower, junior, art editor, and Gary Williams, a sophomore, staff photographer. Several of the staff members met at the home of their advisor, Sarah May Vanell for breakfast on Sunday morning, September 26. They discussed plans for the year.

## Thinking With The President

This Year's Student Body

This year again an excellent freshman class has come to McPherson College. They have come from many states and from beyond the seas. Many of them have been outstanding in their high school achievements. Their records in the freshman class indicate that they are ready for college and that many of them will do outstanding work in college.

Some of them are related to students who are already in college. Others of them have had brothers or sisters here in the past, or that their parents or grandparents were here.

Because of this many of them have a good name already established on the campus and they will need to dig in to live up to the standard already set. The Freshman Class appears "hot," well-fed, beautiful, strong.

There can be little doubt but that the freshman class will give the sophomore class a hard tug when the "tug-of-war" session comes.

Freshmen, we have looked you over and we are pleased to have you here. We know that you are going to add to the strength of the McPherson family and that next year's freshman class will have to stretch itself to be as fine a class as you are proving yourself to be.

A fine sophomore group has returned, likewise. A number of excellent sophomores were lost, but we are glad for the 91 who did return.

They came back because they are interested in college and in furthering themselves. They are going to make a fine showing, also.

The upper classmen slipped a little in the number which returned. Some of our juniors went into teaching or were called into the army or got married, or felt that they had to go to work.

The seniors, likewise, are not as great in number now as were the seniors of last year. Some seniors, however, are planning to return the second semester and to graduate with the class in the spring. The senior class will, therefore,

pick up numbers as it goes along. The quality of the upper classmen has not decreased even though their number has lessened. We have a junior class and a senior class which will be outstanding this year.

It is my impression that the quality of the students of McPherson College this year is superior. The spirit of the student body as we get under way for this year promises to make it a great year.

The way we were able to cheer at Bethel last week, even though the score went against us, attested our fine spirit. The spirit of the school as shown in athletics, in music, in classwork, in religious exercises, in extra-curricular activities, in everything, is going to make this a good school year.

The student court in introducing itself to us hoped that it would have an inactive year. It is our hope, also, that the student government can devote itself to positive building for a great year and a great future, rather than to spend undue time with students that do not fit into the general good family spirit of McPherson College.

Here's to a great School Year.

# Puppy Dog Tales

School spirit was carried out when a number of Macollege pepsters attended the football game in Newton Friday night. Some of the loyal fans who were among the group were such couples as Gene Myers and Carol Watkins, Ron Freedy and Kathy Kendall, Karl Balder and Gaye Hinkle, Nolan Slifer and Nancy Tröstle, Marlene Landhuls and Gary Jones, Norman Long and Delaine Larson, Bob Vance and Dean Anne Randall, Dale Shenefelt and Betty Holloway, Phyllis Hamilton and Martin Gauby, Don Butler and Veivie Wagner, Max Mollenhagen and Rachel Brown, and Barbara Maul and George Grove.

Some gals on the side lines were Joyce Gloffetty, Peggy Hoefler, Marilyn and Carolyn Krebbiel, Pat Schechter, Phyllis Schrock, Jackie Blackwell, Arlene Watts, Shively, Liz Swinger, Evelyn Jarboe, Darlene Treloar, Jean Bullard, and Nancy Andrews.

A special course being offered this semester to any interested persons is "Datalogy". Professor Marlene Moala states that her class is intended exclusively for those persons having nothing to do between the hours of 12 p.m. and 6 a.m. It is strictly a nature study and as an added feature, hikes will be taken on moonlight nights. No text book has been chosen by the professor which will, no doubt, be a compelling attraction in this study. That means no entrance fee will be collected. For further information and enrollment contact Professor Moala in her office located in the southeast corner of Dotzour Lounge.

Nadene Correll was hostess of a surprise birthday party for her brother, Dale, Wednesday evening Sept. 22, in the recreation room of the president's home. Games were played and slides were shown. Refreshments were served.

Among the 18 invited guests were four from Dale's hometown, Ruth Grossnickle, Ronnie Miller, Ruth Eisenstein, Darius Miller, Carol Hintz, Gaye Hinkle, Karl Balder, Royce Roesh, Don Hoderread, Ed Butler, Wayne Evans, Rita Evans, the honoree, and the hostess.

Merle Rolfs, who is now back in school, slightly surprised some of the girls at the football game in Newton when they discovered him back and that he was sitting on the bench.

Last Saturday night the Spec staff members gathered in the basement of Bittings' home to enjoy an evening of fun. Shirley Rhoades and Ruth Davidson were responsible for the delicious homemade cinnamon rolls and cocoa.

Miss Vanciel seems to be showing off her kitchen abilities again. Sunday morning she entertained the Quad staff for breakfast.

Several birthdays were celebrated last weekend. Carol Watkins was properly initiated by her first floor sisters of Dotzour. Phil Pulliam was feted at a surprise party in his hometown in Chase, Kans. Some students going home for the event were Adele Berastorf, Robertine Haney, Marlin Stittner, and Melvin Behnke.

"Pleased as punch" might be the expression used to describe the coeds on campus when a group of Arnold and Fahnestock men serenaded them last Wednesday evening after hours.

The College Courts got their share of excitement last week when a gang charivariated the Dwight Bloughs and the Louie Roberts. Things were more than a little bit messed up.

On the W. A. A. outing Friday morning around 6, the energetic girls retruned the favor of serenading to the fellows.

Gene Myers and Vern Scott were involved in a slight chemical accident. Gene received a few burns on his neck.

Peggy Hoefler and Galen Slifer went shopping in Hutch Saturday. Keith Coffman, Delm Senger, and George Grove are going home to South English, Iowa this weekend while Billy Joe Hildreth will be in Ankeny, Iowa.

Leaving last Saturday morning at 5:30 were Leland Lengel, Connie Brooks, Lois Stinnette, Dale DeLauter, Clara Zunkel and Lyaal Sherrert. They attended the dedication of the Denver church.

Also in Colorado was Martha Switzer and Don Ulom visiting in Haxton.

Donna Berry and Kathy Albin were in Ottawa over the weekend where Donna acted as maid of honor in the wedding they attended.

Rita Ellen Royer journeyed to Topeka. Taking a longer trip was Phyllis Boyd, Lenora Flandermeyer, Max Royer, and Vern Scott who went to Cedar Rapids and Adel, Iowa.

Betty and Don Hoderread visited in Ripley, Okla., and Marilyn Spohn went home to Inman over the weekend.

Galen Stucky has the good wishes of all the Macollege family for his quick recovery and healing of his broken collar bone which was received in the Bethel game a week ago.

Castaner Brethren Service Project, Castaner, Puerto Rico, is the address of Mac Alumni Don and Dolores Wagoner. They would be happy to hear from members of the college family.

Dick McGuire who was a Mac sophomore last year came to see Karl Dulke last weekend.

Vernon and Rowena (Neher) Nicholson former students of McPherson are the parents of a baby boy. Don Alan Vernon is a music instructor in Geneeseo, Kansas. This is their second boy.

Class officers from the junior and senior classes were entertained in the home of Mr. and Mrs. Max McAuley on Thursday evening Oct. 23.

## Skaters Organize

Saturday evening, September 25, the Skate Club held its first business meeting of the year. Ida Zunkel presided over the session until the new president was elected.

The officers for this year are: Vinaya Likhlie, president; Darlene Treloar, vice president; and Lee Daddsman, secretary-treasurer.

The cabinet will set up a policy for regular meetings and skating parties.

After the business meeting was concluded, the group, consisting of three carloads of Macollege students, went skating in Newton.

## Peace Group Elects New Steering Committee

Peace group members of Macollege met in the chapel after the Sunday evening services, Sept. 26, for a business meeting.

Those elected to the steering committee were: James Hirschberger, Dwight Oltman, and David Frazier. Old members are Marlene Moala, Jean Bullard, and Lucy Blough. A deputation program is being started this year. Interested students will go into various churches of the region which notifies them to give talks on problems of peace and war.

All those interested in peace and in problems concerning religion and campus life are invited to attend meetings each Sunday evening after church in the chapel.

Students who were active in this group last year had many interesting discussions, both at the Sunday evening meetings and at small cell group meetings held throughout the week.

## Lorene Richards Weds Michael Lee Sheldon

Lorene Richards, daughter of Mr. and Mrs. John Richards of Nampa and Michael Lee Sheldon, son of Mr. and Mrs. Lee Sheldon also of Nampa, were married Monday, September 13 in the Brethren parsonage of the Nampa Church. Lorene attended McPherson College as a freshman last year.

## FTA Gains 52 Members

Fifty-two students have indicated their desire to become members of the Maurice A. Hess Chapter of the Future Teachers of America. The first fall meeting was held on Thursday evening, September 23, in Sharp Hall.

Fifty-four students and four faculty members were present at the meeting. The Chapter will meet on the third Thursday of each month from 8:30 to 9:30 p.m. in Sharp Hall. The recent meeting was used for business; future meetings will include business, educational programs, work projects, and social programs.

Three organizing meetings were held last spring and at these initial meetings steps were taken for setting up a chapter. This local chapter will be a charter member of the state organization.

Chapter officers are as follows: Ruth Strickler, president; Ed Franz, vice-president; Joan McRoberts secretary; Nadene Correll, treasurer; Norma Goering, membership chairman; Carol Hintz, constitution chairman; Eugene Lupri, historian; Marilyn Metzker, publicity; and Anita McSpadden, librarian.

Ronald Sams and Katherine Hamm were selected to assist Norma Goering on the membership committee and Beverly Hall and Ruth Grossnickle assist Carol Hintz in compiling the constitution. The program committee members are Richard Carmey, Miss Mary Fee and Mr. Max McAuley were chosen for sponsors.

## Haltless Freshmen Hungry

Oh where, Oh where did the little green bats go?

This is what the Student Court and 'M' Club were wondering Wednesday morning.

By noon the Court and 'M' Club had decided to take action and all those freshmen not having their beanies on did not go through the dinner line.

The freshmen generally make a mad dash for the cafeteria as soon as Orientation Class is out. Well, they just the same as hit a stone wall when they ran up against the 'M' Club members.

Many freshmen could be seen returning to the dorms, to get those "necessary items."

## Wagoners Teach In Project At Castaner, Puerto Rico

Photo by Brownie

Dolores Sigle, daughter of Mrs. Jettalea Sigle, Osborne, Kans., and Don Wagoner, son of Mr. and Mrs. Claude Wagoner of Adel, Iowa, were married on May 27 in the First Church of the Brethren, McPherson, Kansas, by Dr. Burton Metzler. They are now teaching in the Castaner Brethren Service Project at Castaner, Puerto Rico.

Donna Wagoner, twin sister of Don, became the bride of Lee Hogle, son of Mr. and Mrs. Harold Hogle, of Whitten, Iowa, at the Panther Creek Church of the Brethren August 6. They are making their home in Denver, Colo., where he is stationed in the armed service. Mrs. Hogle will teach in the Denver school system.

All four were students at McPherson College; Don and Dolores and Donna were members of last spring's graduating class.

Don and Dolores Wagoner, who graduated last spring from Macollege, are now teaching and studying in Castaner, Puerto Rico.

Following commencement exercises here, Don and Dolores went to Puerto Rico where Dolores spent the summer months working in the hospital pharmacy. Don worked at the Community Center, the building in which a recreation program is carried on for the whole community with emphasis on youth activities.

August 2 was their first day of school as full-fledged teachers. Students at Castaner were considerably confused their first day upon learning they would study history and Bible under Mr. Robert Wagoner (no relation); chemistry and mathematics under Mr. Donald Wagoner; and English and typing under Mrs. Donald Wagoner.

The Wagoners are kept busy keeping ahead of the 52 students they instruct. The school consists of three classrooms, a study hall, library, a small typing room, and a principal's office.

If the enrollment continues to increase next year, according to the rate of increase this year, the facilities will be inadequate, and it will become necessary to turn students away.

The science department is probably the best in the community, as most of the equipment was given them by a nearby vanilla plant, which closed up.

The laboratory is large enough for only a dozen students. As there are 30 who will be taking biology next year, it is quite obvious of the need to enlarge the school.

Because of the lack of money, it is almost impossible to build additional classrooms. There are hopes of obtaining the necessary funds to construct a new building.

In addition to teaching, Don and Dolores are also studying. They have a class in Spanish every afternoon after their school is dismissed.

The students know relatively little English. The instructors teach classes in English and use a little Spanish in order to help students understand better.

There are 40 people, counting the 11 children, living on the Castaner project. Many Puerto Ricans are employed on the farm and in the hospital.

Of the 13 men on the project, 10 are doing I-W service. Some are there for 1-2 years; others for three years.

Don and Dolores have reported that they are happy with their work.

# Mac Meets Baker In Tonight's Clash

Baker's highly touted football team will be the guests of the McPherson Bulldogs tonight at Bulldog Field.

Baker, along with McPherson, has dropped its first two games; but Coach Sid Smith reported that the teams Baker met were both tough teams.

Thus far this year Baker has played William Jewell College and College of Emporia. McPherson dropped two games, their first to Kearney State Teachers College, and their second game last week to Bethel College at Newton.

Coach Smith expects a tough battle tonight. He says McPherson will be ready, but that Baker is a worthy opponent.

Baker has several exceptional boys playing on their team. They have a terrific running back in halfback Mockerman. They also have a great pass catching end in Dutt.

In their line they have an outstanding tackle, who missed most of last year's action because of a broken neck, but is playing terrific ball this year. His name is Martin.

McPherson has been working hard this week on both offense and defense, and on pass defense.

## Netmen Win

More first round winners in the singles tennis tourney being held on Macampus are as follows: Glenn Swinger over Elwyn Taylor; Kenneth Brown over Royce Roesch; George Eisele victorious over Dwight Blough; and Dr. Wesley DeCoursey over Galen Gayler.

Winner of the only second round match played thus far puts Dr. DeCoursey over Prof. Doris Coppeck.

## Volleyball Teams Organize

Macampus has its own American League and National League, but they are not concerned with the sport of baseball. To interested parties, these leagues have to do with the annual intramural volleyball games.

Team Co-captains in the National League are: Don Moeller and Anita McSpadden, George Grove and Evelyn Jarboe, Leland Lengle and Connie Brooks, Eddie Wolfe and Elizabeth Keim.

Don Colberg and Betty Moore, Gary Jones and Liz Swinger, Gary Button and Nancy Keim, Kenneth Brown and Betty Holderrad, Gene Myers and Norma Goering, Glenn Swinger and the faculty team. There is also a faculty team in the American League.

Al Blocher and Ida Zunkel, Max Parmley and Evelyn Williams, Galen Stucky and Donna Berry, and Ronnie Miller and Virginia Bower. The American League is different from this one, in that it has two teams of married couples.

Team Co-captains in the American League are: Leon Albert and Kathy Albin, Doris Coppock and the faculty team, George Boyd and Ellen Williams, Glenn Gayer and one of the married couples' teams, and George Eisele and Kathy Hamm.

Norman Long and Arlene Merkey, Steve Bersuch and the other married couples' team, Bill Goering and Bea Grone, Bill Mollhagen and Shirley Knackstedt, Eugene Lupri and Lois Rolfs, Bob Vance and Marilyn Spohn, Don Goodfellow and Eula Mae Murrey, Paul Coffman and Marilyn Metzker, and Gary Williams and Marlene Moats.

Chosen as co-captains for the Bulldogs for this football season were Ed Frantz and Bill Smith. Ed, Maccollege senior and president of Student Council, is a three year letterman and one of the mainstays of the team this year. Bill has lettered two years and has received honorable mention to the All-Conference team twice.

## Mac "B's" Whip Bethel

The McPherson College "B" team football squad downed the "B" squad from Bethel by a score of 12-0 last Tuesday.

The McPherson boys showed tremendous possibilities Coach Smith reported. The line play was exceptionally good and the backs were running well.

Mac stayed on the ground most of the time with good running plays picking up most of the yardage for the Bulldogs.

Several boys showed a lot of promise. Coach Sid Smith said that Quarterback Giel did an exceptional job, with fullback Newton picking up a lot of yardage for the Bulldogs.

In the line Barker was aggressive during the whole tilt and was doing a good job on defense. A lot of boys were playing the brand of football that may gain them a spot on the varsity squad next year.

Read the ads each week, and patronize the advertisers.

## Sports Glances

By Bob Briner  
Merle Rolfs, a squadman on last year's Bulldog team, has returned to school and joined the squad. His speed and backfield experience should be a big help to the Bulldog eleven.

Galen Stucky, filling in at halfback for the injured Ronnie Sams, suffered a broken collar bone in the Bethel game. His presence will be missed in the remainder of the season's games.

Fullback Bill Goering was the leading ground gainer for the Bulldogs in the Bethel game. Dwayne Jeffries, freshman standout at halfback was next.

Steve Bersuch, Ronnie Miller, and Tommy Taylor were defensive standouts in the Bulldog line against the Graymaroons.

# Bethel Shades McPherson During Hard Fought Game

The Bethel Gray Maroons slipped by the McPherson Bulldogs in a very close game at Newton on September 24. The Bulldogs showed much improvement over the previous week, but couldn't fathom the Bethel passing attack.

The first half was all Bethel with the Gray Maroons running one touchdown and passing for another. The Bulldogs came out strong in the second half and before Bethel knew what had hit them the Bulldogs were leading them.

By quarters the game went like this:

**FIRST QUARTER:**  
Jim Lehman kicked off for Bethel but his first kick went out of bounds so the kickoff was repeated. This time it was taken by Wolf of McPherson who returned to the 30.

After a series of plays McPherson was forced to kick. It was a good kick and went deep into Bethel territory. Bethel returned to their 39 and on the first play from scrimmage went into their passing attack.

After attempting two passes and a running play, Bethel fumbled and Bill Smith recovered for the Bulldogs on the Bethel 44. Two plays later, McPherson fumbled and Bethel recovered on the Mac 48. Loeffler caught two passes and along with one running play, Bethel scored.

Bethel tried to kick for the extra point, but the kick was no good and the score stood 6-0 at the end of the first quarter.

**SECOND QUARTER:**  
McPherson punted as the second quarter opened and after a series of plays the kick was returned. Stucky picked up a first and ten for the Bulldogs and then a long pass to Bill Smith put McPherson on the Bethel 28.

After gaining one more first down the McPherson team bogged down on the Bethel 14. Bethel went on the march and went all the way to the Mac 37 when an attempted pitechout pass was intercepted by Wolf.

Fire Safety is YOUR job, too

## FIRE PREVENTION WEEK - OCTOBER 3-9

Kansas colleges felt the destruction of fire last week when a sorority house at Baker College at Baldwin, Kans., was destroyed by fire. Twenty college coeds had been living in this college landmark. An explosion occurred in a janitor's closet at Tabor College at Hillsboro injuring one student.

## No Excuse For Dull Tools

A new tool grinder and hone have been added to the Industrial Arts department.

Prof. S. M. Dell hopes that the students will learn how to keep their tools sharpened with the new equipment.
