

# Mac Quintet Places In Students' Who's Who

Five MacCollege students who have been elected to this year's Who's Who Among Students in American Colleges and Universities are Ruth Strickler, Kenneth Brown, Edward Frantz, Isaac Grillo, and Marinell Johnson. This high honor goes to some of the busiest people on the campus.

Although juniors are sometimes considered for this honor, all were seniors this year. Election to Who's Who is based on personality, scholarship, service contribution to the college, and potential contribution to society after college is completed.

Isaac Grillo, a biology major and pre-medical student at MacCollege, is the son of Jeremiah and Rachael Grillo of Lagos, Nigeria.

Isaac came to McPherson College in the fall of 1951 after attending the Baptist Academy in Lagos. He was granted an honor graduate scholarship. During his freshman year he was active in UNESCO.

During his sophomore year, Isaac was a member of the Chemistry Club, Church Choir, and Student Ministers. He participated in intramurals, SCA, and track.

In his junior year, he became a part of the MacCollege Chapel Choir. As a merit to his scholarship, he

Isaac Grillo

was granted an assistantship in chemistry under the direction of Prof. Decoursey. Classes were kept him busy, but he did attend SCA and CBYF.

This year, Isaac is continuing his chemistry, assistantship. He is also teaching algebra in the McPherson High School. Besides his many duties, he has time for the orchestra.

Isaac plans to continue his education in the medical field, perhaps at the University of Kansas, and return to his country as a doctor. His sister is already in the nursing profession.

In the summer of 1952, Isaac spent his summer working in the Elgin State Mental Hospital. He says that he had many interesting experiences while he was there.

Ruth Strickler, an English major from Ramona is the daughter of Mr. and Mrs. Glenn Strickler. She is the editor of this year's Quadrangle and president of both, Dotzour Hall and Future Teachers of America.

During her freshman year, Ruth participated in the Pep Club, WAA, CBYF, the College Church Choir,

intramurals, SCA, and the Young Republican Club.

Ruth Strickler

She continued CBYF, SCA, intramurals, and Pep Club. Advancement was made from Church Choir to MacCollege Chapel Choir and Ruth

also became a SCA cabinet member.

Throughout her junior year Ruth was an assistant to Miss Lehman and a class officer. She was a member of A Cappella Choir, Pep Club, SCA, of which she was co-chairman, and CBYF. Her position on the Quadrangle staff filled many hours.

At the close of last year, Ruth was awarded a senior honor scholarship because of her high scholastic record during her junior year.

Ruth's interest in religious activities has been evidenced on campus. The summer following her sophomore year was spent with a youth caravan doing Church service. This year she is MacCollege's representative to the BSCM conference at Elizabethtown.

Ruth plans to teach after her graduation from college.

Kenneth Brown, Wichita, is the son of Mr. and Mrs. Harlow Brown. He is a history major and a student minister in the Church of the Brethren.

Kenneth began his college extra-curricular activities by joining in CBYF, the debate squad, intramurals, SCA, Student Ministers, UNESCO, Pi Kappa Delta, and Young Republicans. Cheerleading and being on the Spectator and the Quadrangle staffs also kept him busy.

During his sophomore year, he was an assistant in biology and the school photographer. He was a

Marinell is engaged to Dale Krebs of McPherson and is planning a wedding in the future. Throughout her college years she has worked at Oliver's downtown, where she puts into practice her home economics knowledge.

Marinell Johnson

President of the student body, Ed Frantz, is the son of Mr. and Mrs. Roy Frantz of Conway Springs. Ed is majoring in Business Administration. He plans a teaching career and is president of the FTA.

Ed has been a letterman in football, basketball, and track since he began his athletic career at MacCollege. He was an officer in his freshman class, an M Club member, and an active participant in intramurals.

Ed became a Student Council member during his sophomore year and has continued on it ever since. He was its treasurer last year. Ed also played a role in "Quality Street," the three act play given last year during Regional Youth Conference.

Also, during his junior year, Ed was secretary to the athletic department, and on the Board of Publications. He joined the McPherson College Player's Club, which helped round out his athletic accomplishments. Ed is the co-captain of our 1954-55 football team.

Ed Frantz

At McPherson, the Personnel Committee prepares a list of seniors from names submitted by the faculty. Candidates for presentation to the Who's Who Selections Committee are then chosen by secret ballot of the faculty. The names of those selected pass through the office of the Dean to the Who's Who Selection Committee.

Nominations to the Who's Who were made early in Oct. This year's selections are more equalized between the men and the women of the senior class. Neither faculty or students are told of the selections until they are announced in the Spectator.

Four rounds will be held at the tournament of the year will be at Bethel College, North Newton, on Nov. 19 and 20. Each school is allowed to bring four teams. Max McAuley, debate coach, has stated that MacCollege will probably take the maximum number.

Four rounds will be held at the tournament, two Friday afternoon and two Saturday morning. Each school is required to bring a judge for every two teams entered. It is indefinite as to who the MacCollege judges will be. William T. Wilkoff is the tournament director.

Practice debates have taken place the past week in preparation for the debate tournament. Critics for these practice debates were Prof. Maurice A. Hess, Freshman English Department; Prof. O. A. Olson, Business and Economics Department; Prof. Della Lehman, English Department; and Max McAuley, debate coach.

## College Calendar

TONIGHT—Ottawa at Ottawa, 8 p.m.  
SATURDAY, OCTOBER 30—Skating Party.  
SUNDAY, OCTOBER 31—Hayrack ride.

## Spec Ranks Second Class Under Lentz

The Spectator won second class rating in the Associated Collegiate Press critical service for the spring semester, 1953-54, under the editorship of Wendell Lentz.

Papers were grouped according to the enrollment of the colleges and the frequency of publication. Of the 17 papers entered in the class with the Spectator, two rated All-American, seven were first class, seven were second class, and one was third class.

Minimum score for second class was 1200. The Spectator had a total of 1390 points.

The editorials rated 75 points out of a possible 75 and were judged one of the strong points. "Thinking with the President" was given special recognition.

Coverage of news sources also rated high with the highest possible score of 100 in that section. In this was inclusion of faculty, administrators, organization and the academic side of school life.

The freedom from misspelled words, grammatical errors, trite expressions, slang, over-use of puns and wordiness also rated a top score.

Also ranking high with a score of 70 out of 75 was the section on style of writing.

Wendell is a sociology major from Los Angeles, Calif. He was a junior last year.

Only twice has the Spectator had a rating above second class. These were first class ratings under the editorship of Rowan Keim Duggett and of Lorene Marshall.

A scorebook giving the criticisms was used in establishing the rating. The information in this booklet will be the basis for improving the Spectator this year.

## Back To Stay . . .

## Fritz Pampus Comes Back To U. S., Studies At Mac

Back to stay is Fritz Pampus, from Korbach, Germany, after spending one year in the United States as an exchange student.

Fritz, a freshman at MacCollege, came to the United States in July 1953 for a year's stay as an exchange student. After going home he returned to the U. S. in January, 1953. Fritz's home, here in the states, is with the Victor Ullom family in Wiley, Colorado, where he has been employed by Mr. Ullom.

When asked what influenced him to return to the U. S., Fritz replied that he believed a young person had a better chance of getting started in his lifetime occupation here.

The biggest drawback in Europe is their overcrowdedness. The cost of living and the cost of education is higher in Europe.

In the part of Germany where Fritz lives, the majority of the youth take part in the Sports Club. The sports are not sponsored in the schools.

The sports Club consists of a variety of activities as, soccer,

## FTA's To Attend KSTA Meeting

Members of the Faculty Education Department and a large group of the members of FTA are planning to visit a meeting of the Kansas State Teachers Association at either Salina or Hutchinson on November 4 and 5.

These meetings are held throughout the state of Kansas and are just a type of get-together for teachers of the state.

## Hay And Fun . . . Students Ride On Halloween

A Halloween hayride is being sponsored for the enjoyment of MacCollege students by the combined CBYF, SCA, and Peace Group on Sunday night at 6:30, and will take the place of the regular CBYF and church services.

Upon reaching the destination of the ride, a worship service around a campfire is planned. Dr. Burton Metzler will speak on the meaning of Halloween.

"We want this to be a real success; everyone cooperate and turn out for an evening of fun and fellowship," comments the chairman of the planning committee for the hayride, Peggy Hoefler.

Bob Burge and Mary Lou Wise are other committee members, and Elwyn Taylor is in charge of the campfire.

Betty Lou Hershberger acts as adult advisor to the group. Jim Hershberger is responsible for transportation.

All students are invited to come regardless of church affiliation.

## SoCo Provides Halloween Skate

An all-school skating party will be held this Saturday night from 7:30 p.m. to 9:30 p.m. at the Peterson Rink. The price of admission will be \$.35 each.

This skating party is to be sponsored by the Social Committee. It had previously been planned to have a halloween party on Saturday night but the all school skating party is to take its place.

swimming, handball, roller skating, and ice skating and skiing in the winter.

Entertainment in Germany is similar to our entertainment. They have their sports, movies, churches and youth gatherings.

Germany is constantly progressing. In '46 a large percent of the people were near starvation. In '48 there was a sufficient supply of food. Due to the fact that Fritz has been away for a while, he is not sure of the present situation.

## Mac Players Present Award Winning Drama

"Deep Are the Roots," a three-act play by Arnaud d'Usseau and James Gow, will be given by the MacCollege Players on Monday, November 15.

Chosen as one of the ten best plays in the Burns Mantle of 1945-46, this drama ran on Broadway for two years.

Hollywood has its third dimension but the MacCollege actors and actresses will present a fourth dimension, depth of perception, in their presentation of "Deep Are the Roots."

Perception of human character, of life itself, will come to the stage as the gripping story of life in the South unfolds.

## Region Convenes November 13-18

The Regional conference of the Church of the Brethren under the auspices of the Western Regional Council of McPherson College will be held on campus from Nov. 13 to 18.

Mrs. W. W. Peters, wife of a former MacCollege President, will address the women's work conference. She will speak on "Experiences in Austria." Dr. and Mrs. Peters spent several years doing Brethren Service in Austria.

During the conference there will be open house at the Cedars and also at Dotzour Hall.

The conference guests have been invited to eat in the college cafeteria. On school days guests have been urged to give the students preference at the noon hour in order that they may get to classes on time.

"Enriching the Fellowship" will be the theme of the 1953 conference. The meetings will be held in the college church.

Among the noted speakers will be Roger Fredrickson, minister of the First Baptist Church of Ottawa, Kansas and Professor at Ottawa University. Dr. M. R. Ziegler, Church of the Brethren representative in Europe, Geneva, Switzerland, and many other noted leaders.

The first day of the conference will be a conference for children's workers and Women's work. Guests will stay in the homes of McPherson people.

Besides 16 noted leaders there will be 20 other persons who will contribute to the program. Included in this group are pastors of the Western region and members of the MacCollege Faculty.

Donald Rowe of the Regional office has been making plans for the conference.

Cheerleaders Sponsor "Burning Of The Swede"

"Burning of the Swede" will be held 9:30 p.m. Thursday, Nov. 4, in the parking lot by the gym. MacCollege cheerleaders have announced.

Cheerleaders this year are Leon Albert, Gene Myers, Norma Goering, and Anita McSpadden.

## Recital Presents Krehbiel, Swinger

Anne Krehbiel, associate professor of piano, Mrs. Glenn Swinger, B. M. from American Conservatory of Music, Chicago, will give a concert in the chapel on Nov. 6. The concert will be presented by the MacCollege Music Department.

Anne Krehbiel, student of Carl Friedberg of New York, and Mrs. Swinger, student of Kurt Wanickel, will present both duet and solo numbers by such composers as Beethoven and Brahms. Refreshments will be served after the concert.

## Arnold Hall Plans Next Open House

"This Old House" will ring throughout Arnold Hall on Nov. 7, when its residents will open the doors to the public. The theme for decorations will be centered around this popular song.

Fifty-one men and their house parents, Mr. and Mrs. Kenneth Evans will greet parents, friends, and fellow students from 2:30 to 4:30 on Nov. 7.

The officers of this hall are president, George Eisele, and Secretary-Treasurer, Kelly M. Day.

The President appointed a committee to coordinate the plans for this second annual open house. Wayne Price, a freshman is the chairman, Robert Martin, Dale Grose, and Gene Myers will help.

Refreshments will be served in the lounge on the second floor of the residence.

Arnold Hall, which was dedicated in 1916, was a women students residence until 1953 when it was vacated with the women moving into the new Dotzour Hall.

The hall will accommodate 66 men, but at the present time the two top floors are the only ones being used. The second floor houses a lounge, office, and apartment for the house parents and rooms for overnight guests.

The first floor is occupied by the college cafeteria.

## Trio Goes North, Tour Nebraska

Tomorrow the Women's Trio will leave for the north of the year. They will tour Nebraska singing at Lincoln, Omaha, Octavia, South Loop and Kearney.

Max McAuley will accompany the trio. This tour will last until Nov. 7.

The program of the trio will consist of secular and spiritual songs by the trio such as Green Pastures, The Prayer Perfect, Hear Me Lord, Prayer, Give Ye Thanks, Peter Piper, Old McDonald Had a Farm, Snow White Fantasy, Tumbling Tumbleweed, Without a Song, So I Can Write My Name, Swing Low, Sweet Chariot, Dry Bones and Alleluia by Mozart. As part of each program Max McAuley will give a talk on "McPherson College."

Members of the girls trio are: Alma Goodfellow, solo; Jo Eva Rebeck, soprano; Madeline Jamison, second soprano; and Birdene Jamison, accompanist.

Volume XXXIX McPherson College, McPherson, Kansas, October 29, 1954 No. 7

# Obstacles—Opportunities?

Depression hits; the people panic... Activities and subjects decrease, and the students tense and move at an increased tempo. Times become hard, either financially or studiously, and some become discouraged.

Some attack their problem by dissecting it into parts and working out a budget or schedule—a solution which will do away with the difficulty of shortage of money or time.

Freshmen take a course in orientation. There they learn to adjust to college life, how to study, and the rest that goes with campus life.

In chapel a few weeks ago the sophomore was depicted, and probably rightly so, as being one who tried to join every organization and do everything—the person who could never say "no."

Maybe we should have a course for sophomores which parallels freshman orientation.

That student who goes through life finding simple arithmetic of one plus one and two times two will never be able to comprehend algebra until he tries it, struggles with it, and finally masters it.

That student who tries to carry more responsibility than he ever has before, decides the going is rough, and gives it up, won't become the leader of next week's activity. He has to stick to it and make a go of it. The only way to do that is to try it once.

No matter what one comes face to face with while going down life's path, the most can be made of whatever comes up by taking the obstacles which come up as opportunities.

## Faculty Plans Formal

This year's winter formal will be the fourth to be held on Macampus.

# Macollege Junior Writes Observations From Abroad

Leon Neher, Macollege student who has been on his way to India where he will be an exchange student, has written the following letter to the Western Region cabinet: Dear Regional Cabinet:

As I wring the sweat out of my shirt and hang it up to dry, I think of the cool, crisp mornings of autumn in Kansas.

It makes for happy thoughts.

We will be out in the Arabian Sea by night, so it should be cooler from now on. We dock at Aden for a while this afternoon.

The farther one goes, and the more one sees, the more one realizes the wonderful opportunities and advantages we in America have over the rest of the world. It is much easier to realize the great turmoil that the world is in, once one becomes a foreigner in a strange land.

There are some who are rich wherever one goes, but the masses are in poverty, in a kind that Communism breeds on.

Little do most Americans realize the importance of their actions to the rest of the world.

America is rich and great, yes, but she is blind to the rest of the world.

## Round About

By The Chief

A recent addition to the McPherson College museum was some bottles. That helped make the headline "Bottles Not Bibles Added to Museum," which appeared among the lead stories on a recent "Daily Kansan" worth a second and even third glance.

The Kansas University library investigated the information that a Salina lady wanted to present her late husband's collection of old Bibles.

The matter was turned over to the Museum of Art when it was discovered the items were bottles, not Bibles. A number of the 152 bottles which made up the collection were pictured with the story.

"The Collegio" from Pittsburgh ran a front page story, "President Has Four Beauties." Further investigation showed the president referred to was the president of the freshman class, who has four girls to complete his class council.

The Bulletin from Kansas State Teachers College at Emporia carried a top page headline concerning the vandalism which preceded the Washburn-E State football game.

After KSTC representatives conferred with those at Washburn, both that nature cannot be condoned by either of the schools.

## Chapel Features U. N.

A panel discussion by Miss Della Lehman, Prof. Raymond Flory, Dr. Wesley DeCoursey, and alumni secretary, Max McAuley was presented in chapel in recognition of the ninth anniversary of the U. N. The panel also gave this discussion at AAUW. Several facts were brought up concerning the UN, and several questions were asked from the audience.

## Student Ministers Speak . . .

# Have You Contact?

In Jesus' short but effective ministry, he brought to this earth a very cordial technique of personal contact. Jesus was such a great example that his technique is being imitated by men throughout Christian Ages.

In one modern ministry men and women are using this same technique to contact lost souls and bring them in to the doors of the Church of Jesus Christ.

Contact is a vital part of our Christian growth.

Do you have contact?

## Slifer Leads Boy Scouts

Galen Slifer, Macollege junior, led the Sunday morning worship service for the Boy Scout Troop 130 at Kanopolis Dam, on Oct. 24.

## European Bulldogs Report

Six former McPherson students sent word from a European Annual Conference in form of a letter to President Bittinger, the faculty, and students, praising a Christian liberal education such as they received at McPherson College.

The bulldogs "barking over in Europe" as they put it, are Lyle Neher, Glendon Butt, Marlo Oltman, Kenneth Sheaffer, Peggy Sargent, and Donna Sooby.

It is their hope that the students in college now, take advantage of the experience of the college family, the Christian atmosphere, and in general, prepare for the endless opportunities where help is needed over the world.

Special praise was devoted to Dr. Bittinger and the faculty for the fine example of devotion and service they set before them during their years at McPherson.

## Prof. Attend State Meets

Three Macollege professors attended the annual state meeting of College Deans, Registrars, and Deans of Men, this past week.

Those going to Washburn Municipal University, Topeka, on Oct. 28 were Dean James M. Berkebile, Mrs. Alice B. Martin, and Prof. S. M. Dell.

## President, Wife Speak

To Hi-Y. Church Groups

"Fortify Freedom with Faith," is the topic President Bittinger used when he spoke in Bushton, Kansas Thursday, Oct. 28, to a group of high school Hi-Y clubs from the schools around Bushton.

Mrs. Bittinger is in Iowa this week and will appear in three different churches there. She represents the women's work being done in the Brethren churches.

On the Independence crossing the Atlantic, many European students were on board. They were mainly from Germany, Denmark, Switzerland, Italy, Iraq, and Morocco.

All people are alike. None want war.

It is just like walking into a history book as you go through Egypt, with its camels, pyramids, sphinx, oxcarts, and as you see women carrying river vessels on their heads.

My address is: Leon C. Neher, Government School of Agriculture, Anand, Kaira District, Bombay State, India.

## We're Behind You

Usually this page contains those words of criticism which students and editors like to toss out. Too infrequently do we do an about-face and publish words of praise.

The subject of race prejudice has been discussed many times before. Last year we printed a letter concerning the treatment of one of Macollege's international students at a local theater.

This year all Macollege students were welcomed to attend "Julius Caesar." This announcement following the request of the theater owner.

Our college students did accept the invitation. We are glad they did, just as we are glad that it was extended.

## President Flies South

President Bittinger flew today to Falfurrias, Texas, where, as chairman of the Brethren Service Committee, he will do a quick inspection of the Brethren Service carried on there. Falfurrias is where the major work of the Brethren Service is done and some Macollege students have worked there.

In Kansas City the president spoke to an inter-denominational gathering of Kans. and Mo. at the Kansas City Fellowship House. His subject at this meeting, held Friday Oct. 22, was "An Anthropologist Looks at Peace."

## Students Open Services

At College Church

Macollege students are participating in the Sunday School opening worship services for this semester.

On Oct. 31, Betty Holderness had charge, with Music Worship as her theme.

Schedule for the remainder of the semester is as follows: Nov. 7, Jean Bullard, Brethren Service; Nov. 14, Gary Jones, Regional Conference; Nov. 21, Liz Swinger, Christian Home; Nov. 28, High School C.B.Y.F. Thanksgiving; Dec. 5, Ruth Strickler, National Brethren Youth; Dec. 12, Leland Lengel, Universal Bible Sunday; Dec. 19, High School C.B.Y.F., Pre-Christmas; Dec. 26, Altruist Class, Christ is Born; Jan. 2, Philo Class, New Year.

## Students See Organ

At Methodist Church

Macollege Organ students went to the Methodist Church Thursday for the installation of their new pipe organ. They were invited back Tuesday evening for a demonstration of the organ.

This 500 pipe, three manual organ is the largest in McPherson. The organ students have been invited to go to Lawrence, Kansas to watch the building of a 45 rank organ, from beginning to end, which will be sent to Atlanta, Georgia.

# Thinking With The President

This Didn't Look American

Recently my eye was caught by a striking picture. It appeared in one of our national weeklies, and also in our daily newspapers. It was spread widely across our country.

It was a picture of a little lad, perhaps not more than seven or eight years old. He was partly obscured by a large placard which he was carrying and which he was having a little trouble controlling in the wind.

The little lad was dressed well. The style of his dress indicated that he came from somewhere in the east, and the quality of it indicated that he came from the middle or upper class of our economic society.

He should have been in school, but he wasn't. No truant officer was after him because he wasn't. He was carrying a placard, along with many other school children of his own age and older, and on the placard was emblazoned in startling letters:

"We don't want you."  
The picture did not make it evident who it was he did not want, but in reading the text it became apparent that in the school to which he had gone there had come several Negro children, less I believe than

## Stinnette Replaces Neher

On Regional Youth Cabinet

Lois Stinnette, junior from Denver, Colorado, was recently chosen to replace Leon Neher on the Western Region Youth Cabinet. Leon was a member of the cabinet last year and was to serve again this year. He recently sailed as an exchange student to India. Lois will serve for the current year as vice-president.

Other members of the cabinet include Norman Long, Gary Jones, Eula Mae Murrey, and Norann Royer Blough. Betty Lou Hershberger and Glenn Swinger, Director of Public Relations serve as advisors to the group.

The regional-cabinet works in coordination with the National Youth Cabinet, of which Norman Long is a member, in furthering the youth work of the Church of the Brethren in the United States.

## Student's Creed

I BELIEVE in God without reservation.

I BELIEVE that all things scientifically true are of God.

I BELIEVE in Jesus Christ as the Revelation of God to man.

I BELIEVE His interpretation of God as our Father, and completely trust Him with my life and with all that I possess, both in the present, and in the life to come.

I BELIEVE His will for me is to live in health, in peace, and in

a dozen. The little lad didn't mind about it at first. In fact, he probably didn't notice it, for to him the color of skin was not an important thing. He made his friends on the basis of what they were like, their friendliness and their common interest, rather than on the basis of skin tone.

His parents did not let him continue that way, however. They made him racially conscious. They took him out of school. They sent him marching on a windy street with a placard saying, "We don't want you."

Schools of his town were closed. The governor ordered them opened. His parents would not let him go to school, even though they were open. Military troops needed to be called out. At this writing the end is not yet.

This did not look like a picture taken in America. We come from open Communist China or from the heart of Russia.

Had the Communist been deliberately seeking to have the Americans go things and take pictures which would stimulate the Communist cause in other parts of the world, they could not have done better than to get this one taken and published.

This sort of thing, which the picture depicted, couldn't happen in America!

If we who are educators and Christians do not keep our eyes open in America, and speak out, Americanism can die even here.

material sufficiency, and in harmony with His law and love.

I BELIEVE that in Christ I can live victoriously; that no condition in life is too great but that He and I can conquer.

I BELIEVE that I am to live in forgiveness, purity, and trust; that I am the channel through which His will is to be done on earth as it is in Heaven.

I BELIEVE in the kingdom of God, and I accept it without race, class or social reservations.

I BELIEVE that this world is made for the kingdom of God.

I BELIEVE that I can best find God in quietness, in prayer, and in the service of others.

I BELIEVE in affirmative and creative living.

I BELIEVE that my life should be a demonstration of my confession.

I BELIEVE that I should be severe with self, gentle with others, and honest with all, renouncing all secret criticism of others.

I BELIEVE that I should endeavor to keep myself ready for divine guidance at all times.

# With The Dogs

Shades of browns, golds, and reds have come out in true Kansas fashion as the maples and other trees of McPherson turn to their beautiful fall colors.

Cozily lodged among the evergreens is a striking maple in the front yard of the President's home. Fashion too falls in line of the season's colors. Avocado and olive might be names used to describe values of greens, while burnt orange and tangerine are colors that fashion's paintbrush has daubed. Charcoal gray is good this year too.

Towels became togas when girls—Ruth Eisenstein in particular—portrayed the part of Brutus. The part was quite effective with her freshly washed hair brushed down over her face. This was one effect of Julius Caesar left on McPherson College.

Something which has not been done too much lately is prep last weekend. A group of pep club girls two cheerleaders, and the pep band gathered in front of the gym to send off the football team with their cheers.

Saturday night after an evening of bowling, Anita McSpadden, Eloise Postler, Jeanne Shively, Liz Keim, Ginny Russell, Lu Wise, and Anne Keim enjoyed fresh homemade cherry pie ala mode, fried chicken, chocolate cake, celery, and ice cream. The Krehbiel twins joined in.

Macampus is cleaned up from Homecoming decorations and the parents and alumni have returned home. With parents adding spirit to the college on Homecoming it set off the spark for students to return to their family ties the week after.

Some lucky people went home last weekend. Lynn Swinger, Max Royer, Delbert Hayes, Nancy Ruth Erisman, Mariona Sifford, June McDaniel and Gene Myers, driver. They left Thursday noon for their destination which was Essex, Missouri, and vicinity and were gone four days.

Don Butler drove to his home in Eldora, Iowa. His passengers were Mary Alice Smith who went to Beaver, Iowa, and Mary Lou Smith from McPherson who accompanied Donna Saylor to Waterloo, Iowa.

The district conference in Verdigris prompted some McPherson people to take a trip. Among those attending were Miss Neher, Neva Shenefelt, Ruth Davidson, Vera Mohler, and Dale Shenefelt. The group left Friday afternoon and returned Sunday.

During Miss Neher's absence from Dotzour Hall, Velva Wagner took over the position of housemother. If she has a "goodie" and hanged it is probably because she is still recovering from the shock of learning what Miss Neher has to put up with continually.

Although many were gone from the campus, visitors were here. Jeanne Shively and Joyce Gletfely, roommates, had a busy and crowded room last Saturday. Both sets of parents were here plus Jeanne's sister and brother and Joyce's two sisters. The Shively's are from Colorado, and the Gletfely's from Iowa. You can see "goodies" were enjoyed by numerous friends.

Midnight oil has been burning over the campus while those things known as "debaters" were trying to work out something that re-

sembles a case for practice debates.

Doris Coppock loaded up her car Saturday morning to go to Liberty, Missouri to see the William Jewell game. With her was Betty Lou Hershberger, Marlene Moats, Liz Swinger, and Rachel Brown. They stopped in Kansas City for dinner and shopped a little.

Woe had been received from Bev Schechter. Her letters to second and third floors were posted for all the girls to read. She is in Minneapolis taking a nurse-training course.

Wayne and Jean (Walker) Jones, from Pampa, Texas, visited in McPherson Sunday with friends.

Glen Gayer and Dwight Blough were present at the football game with William Jewell Saturday in Missouri.

There was a triple birthday celebration for a trio of Mac students last Thursday evening after choir practice. Guys and gals who gathered in the basement of the President's home for an evening of fun besides the honored guests—Debbie Larsen, Ellen Williams, and Terry Thoreen—were Patsy Miller, Janice Loeckle, Nancy Barragree, Mary Lou Stucky, Mary Ann Eckman, Pat Schechter, Donna Saylor, Shirley Rhoades, Norris Harms, Lyall Sherred, Ed Emmert, Don Hummelt, Wendell Lemt, Duane Hoover, Lee Dadisman, Duane Fike Ed Switzer, and Harold Groves.

## Profs Travel To Enid

Maccollege will be represented at the North Central Association Workshop to be held at Phillips University, Enid, Okla., Nov. 5-6.

Dr. Wesley DeCoursey, Miss Della Lehman, Miss Sarah May Vancil, and possibly a couple other faculty members will be attending. Dr. Lewis B. Mayhew, Michigan State, the new director of study of the North Central Association, will give two addresses.

Discussion groups will be held in the following fields: geology, physics, chemistry, mathematics, foreign languages, communications, literature and drama, health and physical education, and fine arts.

## Brammel Competes For KSC Queen

Betty Brammell, former McPherson College student, is one of the 17 coeds selected as candidates for Kansas State Homecoming Queen.

Betty, a home economics senior, was selected to represent North-Hall in the election which will be held Nov. 4 and 5 by the student body.

The six finalists will be featured in the Homecoming parade and be presented when the queen is crowned by President McCain at half-time ceremonies for the Iowa State game in the afternoon. The queen will also preside over the Homecoming ball Saturday night.

# McGuire Weds Marlee Bruce

The First Methodist Church of McPherson was the setting of the marriage of Marlee Bruce, daughter of Mr. and Mrs. Glenn D. Bruce of Winholm, and Dickie Deane McGuire, son of Mr. and Mrs. Edwin McGuire, of Pratt, Kansas, Sunday October 24, at 3:00 p.m.

Rev. C. C. Brown, officiated at the double ring ceremony. Pairs of Swedish candleabra, baskets of white mums and chrysanthemums with fern centered with a large basket of white mums decorated the altar.

Preceding the ceremony Mrs. Urda Thompson, of Marquette, presented a prelude of love melodies. Verlyn Nelson, of Conway, and Karen Neel, of Windom were soloists.

The bride, given in marriage by her father, was attired in a ballerina length gown of imported chanelilly lace and nylon tulle over satin. She wore a single strand of simulated pearls, a keepsake gift from her uncle, and carried a shower bouquet of frenched mums with tiny satin streamers.

Valerie Lindholm, of Windom, was matron of honor. Bridesmaids were Carolyn Myers, of Windom, and Kayellen McGuire, of Pratt, sister of the groom. They wore identical ballerina length gowns in shades of blue net over taffeta.

Jeanie Kruse, the little flower girl wore a ballerina length dress of white net and taffeta and carried a basket of white petals.

Masters Larry Halbert, cousin of the bride and Glen Myers, were ring bearers.

Calrene Carlson, who wore a ballerina length dress of ice blue and Ronnie Bruce, brother of the bride, were candlelighters.

Russell Graham, Kingsley, Iowa, served as best man. Royce McMurray, of Windom, Karl Dalke, of Lehigh, and Gilbert Hicks, of Hutchinson, served as ushers.

The bride's mother wore a rose tweed crepe dress with black accessories and the groom's mother chose a turquoise blue crepe dress with black accessories. Both mothers wore corsages of white spider mums.

For the reception Mr. and Mrs. Clarence Corwin, of McPherson, were host and hostess. The serving table covered with a white linen cloth, was centered with a three-tier wedding cake.

# Lu Borrows The Car; Something Goes Wrong

Everytime Lu Wise borrows her brother's car, something goes wrong.

As she was coming home from the Newton game, some wires sparked. On her way to Emporia she had a fire in the lighter.

The trouble could not be found while Lu and some girls were downtown recently. After the car died, they coasted into a parking spot in front of the post office. After numerous attempts to start the car, the girls in desperation left it and flagged down a ride.

When Bob and Ed Frantz went to recover the car at noon, they decided that the car was out of gas.

The fellows were greeted by a yellow tag from the police department, because the auto was in a 20-minute parking zone.

After partially filling the tank with gas, they primed the carburetor. As Bob was starting the motor, Ed was priming. A spark ignited the gas.

For a while they had a miniature fire on their hands, but the flames which caused only minor damage were soon out.

Ed's singed arms and eyebrows were visible evidence of the latest Wise car trouble.

# Nuptials Unite Forsyth-Grosbach

A recent ceremony at the South Beatrice Church of the Brethren, Holmesville, Nebr., united Pauline Forsyth, Beatrice, Nebraska, and Donald Grosbach, Enders, Nebr. in marriage.

The double-ring ceremony was conducted by Reverend Homer D. Kimmel, pastor of the South Beatrice Church.

The bride chose a white satin gown, accented by a lace yoke, which terminated in a chapel train. She carried a lavender orchid corsage on a white Bible.

Attending her were two sisters, June Forsyth, maid of honor, whose gown was of a toast color. Rosanna Forsyth, bridesmaid, wore a shrimp gown designed like that of the maid of honor.

Best man for the groom was his twin brother, Ronald Grosbach, sophomore at MacCollege, and groomsman was Dick Williams.

The soloist, Harry Bell, sang three numbers during the ceremony, "God Gave You Me," "Because," and "The Lord's Prayer." Flower girl was June Sharp and ring-bearer was Russell Steel.

Mrs. Grosbach was a freshman at MacCollege last year.

**Vancil's Niece Dies**  
Mary Lynne Childs, infant niece of Miss Sarah May Vancil, died Monday Morning in Oxnard, Calif. The baby was born Saturday, Oct. 23, to Mr. and Mrs. A. R. Childs. Mrs. Mary Vancil Childs was Arnd Hall housemother and MacCollege librarian during the summer session of 1954.

# Students Attend Home Ec Workshop

Marion Johnson, president of McPherson College Home Economics Club, and Irene Shull, secretary attended an Officer's Workshop at Fort Hayes' Kansas State College on Saturday, Oct. 23.

Orientation of officers to their duties in their respective clubs was the theme around which the conference was planned.

Coffee was served during registration by the Kappa Omicron Phi, and the final session was held in the home of the college president.

An American Exchange student to Berlin, Germany, was the main speaker of the meeting. He told of his various experiences in the western sector of that divided city. Group meetings with state officers were held for local club officers to discuss the duties of their particular jobs.

# Mac Meets Braves At Ottawa Tonight

The mighty McPherson Bulldogs will be out to win tonight as they run up against the Ottawa Braves at Ottawa.

Ottawa, who lost only one game this season will be rough competition for the Canines. Ottawa dropped their game to Missouri Valley by a score of 33-0.

They beat Friends and they downed Kansas Wesleyan 14-6. They have a fast team with lots of power.

Their right half, Brooks, is exceptionally fast and a good passer. They run off a T formation very similar to ours except that they spin off the quarterback position quite frequently and do a lot of pitching out from the quarterback position.

Their quarterback is Vaughn, and he does a good job at it. His passes are long and high, and he works well on the buck-lateral series.

Their workhorse is Bob Wheaton, who has been doing a nice job at fullback for them for several years.

Bougard and Ryan both do nice jobs at the ends and they pass quite frequently to both of them.

There will be a good game at Ottawa tonight. It is their homecoming and both teams will be out to win.

## Manchester Grows, Builds Dormitory

Trustees of Manchester College, in North Manchester, Indiana, have approved the erection of a new girls dormitory. In the light of this situation, the board unanimously voted to proceed immediately in taking steps to build a new dormitory for 100 girls.

The location of the dormitory has not yet been determined, and it is anticipated that it will be some time before actual building operations can begin.

It was reported that approximately 94 girls are not satisfactorily housed and that there is evidence that there will be other increases.

Among the goals already in the minds of the trustees are: a new dormitory for women, a new science hall, the rehabilitation of some of their older buildings and greatly increased endowment.

## Weather Halts Tennis

Due to busy schedules and the weather there has not been many games played so far in the girls tennis tournament.

Ariene Merkey won her game from Barbara Gooden to place her in third place on the ladder.

## Students Play Volleyball Games

Volleyball standings as of October 26 are as follows:

National League

Albert	0	5	.000

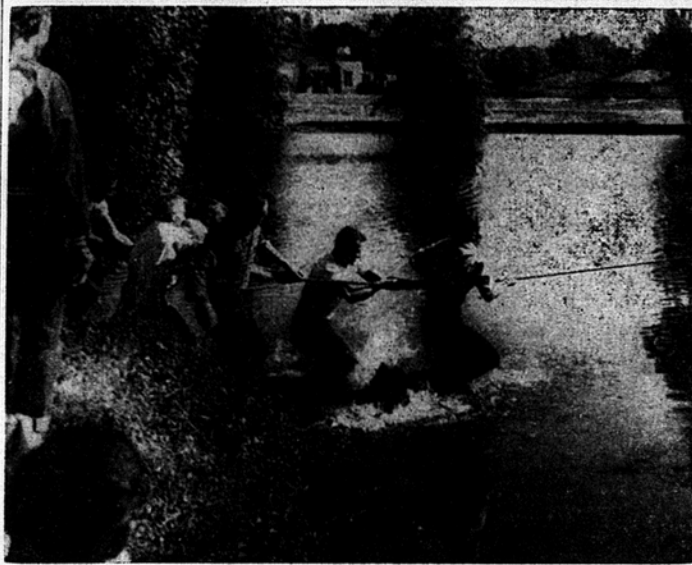

## Speech Correction Class Sees Logopedics Center

Members of Macollege Speech Correction class visited the Institute of Logopedics in Wichita, Wednesday, Oct. 27.

The students were: Virginia Bower, Delbert Catron, Wilbur Davidson, Joyce Flory, Margaret Friesen, Loreen Gayer, Agnes Graber, Phyllis Grimm, Ruth Grossnickle, Lowell Hoch, Joseph Johns, Norma Johnson, Kathryn Kendall, Donald Lutz, Alice Pyle, Charlene Reynolds and Phyllis Schrock.

## Travelers Go To Oklahoma

Motoring to Oklahoma for the weekend were: Mrs. S. M. Dell, Mrs. Alice Martin, and Betty and Don Hoderread.

IN THE LAGOON OF LAKESIDE PARK are the sophomores at the end of the tug of war to decide the question of the green beanies. Victorious freshmen in this year's traditional contest had no difficulty in overcoming the second-year students.

## William Jewell Whips Mac

The McPherson Bulldogs dropped their fifth game of the season last Saturday where they were snowed under by the mighty William Jewell Cardinals.

The jinx seemed to be on the Bulldogs as they suffered several bad breaks which might have made a difference in the scoring.

Jewell was out for blood after their spanking the previous week which was administered by the powerful College of Emporia Presbites.

McPherson threatened several times, but could not seem to get up enough steam to push across. On one occasion the Canines were stopped cold a foot from the goal line.

The opening kickoff was taken by Goering who, after a nice runback,

fumbled, and Jewell recovered deep in Bulldog territory. From there it was just a matter of plays until they had scored hardly before the game had begun.

The Cardinals kicked off and the Bulldogs executed a series of plays which was stopped short and they were forced to punt.

The Cardinals took over control of the ball on their own 31 and proceeded from there on a march which was not to be stopped. The score then stood 14-0 in favor of William Jewell.

The Bulldogs then went on the march and with 30 seconds left in the half, they were stopped cold on the one foot line.

The half ended with the score standing 14-0 in favor of William Jewell.

McPherson kicked off to the Cardinals to open the half, but they were set back again when the Cardinals ran the kickoff back for a TD.

McPherson lost the ball after another series of plays and once again the Cardinals went on the march. The score stood 28-0.

The game was played on even terms until the beginning of the fourth quarter when William Jewell walked away from Mac. They scored several times and the final score was 44-0 in favor of William Jewell.

## Ag Fellows Visit Trade, Feed Mill

A field trip was taken by the animal nutrition and the agricultural marketing classes to the Salina board of trade and Gooch's feed mill in Salina, Oct. 26.

Prof. Guy Hayes, professor of Rural Life, took the eight boys to Salina. The boys were: Dwight Blough, George Boyd, Don Butler, Paul Coffman, Don Goodfellow, Bill Mollhagen, Tom Taylor, and Don Ulom.

Members of the two classes were in the board of trade from 11-12:15 watching the trade procedures. Mr. Margantern from the board of trade discussed various transactions in purchasing and sale of commodities and stock.

In the afternoon the boys visited Gooch's feed mill. They watched processes of mixing raw feed ingredients to final sacking and loading operations of stock feed.

They also saw the feed being processed into pellet form, which makes up 75 to 80 per cent of Gooch's feed sales.

## WAA's Hike To Dairy Dip

This week W. A. A. girls hiked to the Dairy Dip as part of their credit for outing. While at the Dairy Dip the girls revived themselves with ice cream before returning to the campus.

This was under the supervision of Carolyn Krehbiel outing head.

On Friday W. A. A.'ers had soft ball practice.

## Chest Is Not Full

Word was received that the United Community Chest as of Tuesday, October 26, had not reached its goal. Only about 80 per cent had been received, with the Business area not completed.

Drive leaders reported that 1,871 individual contributions have been reported so far with an additional 400 more yet to be turned in. Contributions from individuals range from 5 cents to \$500.
