

The Spectator

Volume XL McPherson College, McPherson, Kansas, February 10, 1956 No. 18

Student teachers, Edith Buckingham and Virginia Holderread, seem to have the upper hand in their kindergarten class, or at least have hands in the air, as supervising teacher, Miss Glenn, of Washington School looks on.

Teachers Supervise Mac Students

This semester 13 MacCollege students are doing supervised student teaching in the elementary schools of the McPherson city school system. Five of these students are teaching at Washington Elementary School. Beverly Hall is teaching second grade under Miss Thomas, who is the principal of Washington Elementary School. Edith Buckingham is teaching kindergarten under Miss Glenn.

Virginia Holderread is teaching kindergarten for the first nine weeks under Miss Glenn and first grade for the second nine weeks under Mrs. Smith. Marlene Moats is teaching first grade under Mrs. Smith.

Robert Sies is teaching fifth grade under Miss Smith. Seven MacCollege student teachers are teaching at Lincoln Elementary School.

Alma Goodfellow is teaching first grade under Mrs. Tenk. Nancy Ruth Erisman teaches second grade under Mrs. Wilson.

Sara Ann Courtney and Mrs. Zaida Mae Koger are teaching fifth grade under Miss Yost.

Mary Romero is teaching third grade under Mrs. Brunson and Mary Ellen Waters is teaching third grade under Mrs. Rich. Carol Hintz is teaching fourth grade under Mrs. Sellberg.

Mrs. Margaret Mikessell is teaching fourth grade at Wickersham Elementary School. Her supervising teacher is Miss Sandquist.

Special Projects
Some of these students are doing unique projects in connection with their student teaching.

Robert Sies has supervision of the basketball squad at Washington school.

Carol Hintz and Joyce Flory, who are enrolled in elementary education, are each tutoring a retarded child as a project to get better acquainted with children. Carol is doing this in addition to her student teaching, but Joyce is not doing her student teaching this semester.

Neva Shenefelt, who is enrolled in elementary education but is not student teaching this semester, is assisting with a Girl Scout Troop here in McPherson as a special project.

Teaching In Burtron
In addition to the 13 students teaching in McPherson elementary schools, Mr. Forest Ficus is enrolled in student teaching at MacCollege and is teaching at Burtron, Kans.

Mr. Ficus has been teaching

Zeller Goes East As Guest Minister
Indiana bound will be Rev. Harry K. Zeller, Jr., next week. From Feb. 19-24, Rev. Zeller will be the guest minister at the Community Lenten Services in seven northern Indiana communities.

This is part of an effort to undergird the Lenten spirit at interdenominational and spiritual levels. Services are arranged by the Council of Churches in cooperation with the Methodist ministers in that area.

During the minister's absence, Rev. X. L. Coppock will preach at the McPherson Church of the Brethren on Sunday, Feb. 19. Don Rowe, Western Region's executive secretary, will assist him.

Besides the evening meetings in which Rev. Zeller will be participating, he is scheduled to appear in chapel at Manchester College, North Manchester, Ind. He will also give an address in the South Bend Noon Lenten Series in the Colfax Theater.

Bittinger To Workshop
President D. W. Bittinger is speaking this noon at the second meeting of the Young Executive's Workshop in Wichita, Kans.

The workshop runs through four weeks and is sponsored by the downtown YMCA in cooperation with the Wichita Independent Business Men's Association and the University of Kansas Extension.

Dr. Bittinger also spoke at a dinner meeting of the Congregational Church in McPherson last night.

College Calendar
Tonight, Feb. 10, Basketball, Bethel, here. Time 8 p.m. High School Auditorium.
Saturday, Feb. 11, Movie in Chapel at 7:30. Title, Brigham Young.
Saturday, Feb. 11, Five-Faculty Conference.
Tuesday, Feb. 14, Heart Sister Party, Social rooms in College Church, Time 8:30.
Tuesday, Feb. 14, Basketball, McPherson v. Ottawa, There.
Thursday, Feb. 16, FTA Meeting, Time 8:30.

College Calendar

'Brigham Young' Arrives In Chapel
The movie, "Brigham Young," will be shown tomorrow evening at 7:30 in the chapel. A cartoon will also be shown with this full-length feature.

This movie involves "the westward trek of the Mormons from their eastern persecution to their western sanctuary."

"Brigham Young" has been awarded an honorable mention and is rated one of the outstanding motion pictures of the year it was made.

Tyrone Power, Linda Darnell, and Dean Jagger star in "Brigham Young."

'Brigham Young' Arrives In Chapel

Dr. Kirby Page To Appear At College
Noted Writer And Traveler To Speak At Mac
Appearing in McPherson College chapel on Tuesday, Feb. 21, will be Dr. Kirby Page, a world-wide traveler and a noted writer. He will appear in the McPherson Church that same evening at 7:30 to give an address.

Nearly half of Dr. Page's time for the last 35 years has been spent in writing. From his pen have come 27 book volumes and 24 pamphlets. His first devotional book appeared when he was thirty, and he has been producing books, pamphlets, magazine articles, columns in newspapers, and writing for church papers ever since that time.

Among his better known works is the book War: It's Causes, Consequences, and Cure, which was published serially by Mahatma Gandhi in his own magazine, "Living Creatively" won first place in a national poll of religious books most helpful to college students. "Jesus or Christianity" was first choice of the Religious Book Club. Those who attended the National Youth Conference at Anderson, Ind., in 1954 remember him as the lecturer for the daily Bible Hour. He also gave an evening address at that gathering of youth from all over the United States.

Calling himself an author and social evangelist, that was only a part of his specializing work among youth and college groups. Although a minister in the Christian Church, he has made lecturing and preaching tours to all denominations.

Included in the 400 colleges and universities in which he has spoken are Yale, Tuskegee, Harvard, Swarthmore, Princeton, Vassar, Columbia, Wellesley, and Oberlin.

Dr. Page has traveled more than a million miles in 35 countries. His works have been translated into French, German, Dutch, Swedish, Danish, Greek, Bulgarian, Spanish, Chinese, Japanese, and published in England as well as India.

Among the thousand churches in which he has spoken are Episcopal, Baptist, Congregational,

Dr. Kirby Page To Appear At College

churches, such as the Church of the Brethren, call upon him because of his similar interpretation of the gospels.

From 1926 to 1934, Dr. Page was editor of "The World Tomorrow," a journal looking toward a Christian social order. Four of his columns were Eva Navro, chair, U. S. Senator, Professor Reinhold Niebuhr, Prof. Halford E. Lucecock and the late Devere Allen.

One of his greatest privileges was that of spending three days with Mahatma Gandhi in India and then later spending a week with him at a great political convention.

One of Dr. Page's projects was the organization of a series of prayer retreats designed as a spiritual exploration to answer the questions: How can we find the will of God? and how can we get power to do it?

In recent years, Dr. and Mrs. Page have travelled continuously in the United States. Their 1954 tours will keep them on the road from January until the Presbyterian, Christian, Lutheran, and Methodist. Traditional peace middle of May and from September until December.

During these tours, Dr. Page will speak in some 35 states in the Union.

For several years his column "Living With Peace of Mind" has been used in all of the states on the church page of newspapers and in denominational journals.

Deeds, Gifts To Be Rule During Heart Sister Week

A Valentine party to be held in the social rooms of the college church at 8:30 Tuesday evening, Feb. 14, will climax the Heart Sister Week which began Tuesday of this week for the women of MacCollege.

Heart Sister Week is sponsored by Women's Council. Betty Holderread, president of Women's Council, officiated during the drawing of names after chapel Tuesday.

Women students, women faculty members and wives of the faculty members are participating in the annual event.

Every day during this week the girls have been doing kind deeds for their Heart Sisters. Some gifts were given, but the price of the gift was kept under ten cents. The identity of the giver was kept secret.

Homemade cookies were delivered by people pledged to secrecy; beds were mysteriously made while their occupants were out of the room.

Some women were sent on treasure hunts which took them across the campus and back several times. Edna Neher, house-mother of Detroit, probably knows more secrets than most of the women since she was asked to put many of the gifts in mailboxes.

Some heart sisters composed original jingles giving hints as to their identity.

Zeller To Speak For Youth Meet

Further developments in the Regional Conference program include the choosing of the banquet committee and the selection of Rev. Harry K. Zeller as the Sunday morning speaker.

Accepting the positions for this job included Mary Lou Wise, June McDaniel, Ed Switzer, and Irvin Wagner. During the last week the chosen group have discussed tentative plans for a banquet that will attract the attention of all interested youth. Decoration ideas for the Community Building are whirling in the minds of these students as the days pass.

"Brethren young people will be anxious to attend the year's conference with eager anticipation because this is the big thing of the year for the Regional youth," says Leon Neher, Regional director.

Rev. Harry K. Zeller, college church pastor, will give the Sunday morning sermon speaking on the topic "Take Hold Here" in relation to the conference theme, "Why Take Hold?"

Faculty-Trustees To Dine
The faculty-trustee dinner will be held Monday, Feb. 20, at 6 p.m.

Students On Air
"Melody Time," first of a series of programs to be presented by students from MacCollege will be on the air from 3-3:30 p.m. on station KNEX, 1540 on your dial, Saturday, Feb. 11.

Shirley Bowen and Erma Lea Brewer will present vocal numbers with Vernona Thralls as their accompanist. Vernona also plays a piano solo. Lewis Dorris and Clifford Tusing will play their guitars.

Duane Fike will be the announcer. The program was produced by Billy Joe Hildreth and Herb Johnson and was tape recorded.

Oh, Those Lucky Classes Prof Shocks All, Assigns Movies!
It looks as though the profs at MacCollege have added a most enjoyable national pastime to the requirements. Believe what you will, but the assignments are to be movies!

Miss Della Lehman, Professor of English, has asked the Shakespeare class to attend the movie, "Othello," a dramatization of Shakespeare's play.

She is also interested in the movie, "Ulysses," the production based on Homer's "Odyssey," for the literature classes of MacCollege. Both of these movies are being sponsored by the CBYF. These are two of the six movies for which CBYF are selling tickets.

The other movies included in the season list for which tickets are three dollars are, "Beggars' Opera," "The Sign of the Cross," "Beachcomber," and "Marty."

Plaza Theater in Lindsay is showing the movies.

CBYF is raising money from this project to use in sending Elsie Lucore to Germany as an exchange student next year.

By buying a season ticket, the purchaser saves a total of \$150, or 25 cents for each production.

Every member of CBYF has tickets to sell. The first movie is to be "Marty" on Feb. 21-23. The featured stars are Ernest Borgnine and Betsy Blair.

Picture Additions Needed For Final Quad Deadline
The fourth and final deadline indicating the climax of a year's work on the 1955-56 Quadrangle will reach the printer by March 15. Up to this time all of the other three deadlines have been completed on the specified time schedule.

The culmination of the annual represents plans and ideas carried out since the spring of last year. Even during the summer the editor formulated ideas around a year-book schedule and proceeded to put these down on paper as school commenced.

Pictures left to be taken include some campus life pictures such as which will have to be planned for if the students do not aid the staff in turning in shots that they think appropriate for the book. Photos of the Christmas Formal will need to be located also.

With the help of staff photographer, Phil Pulliam, the last group of snaps to be done are basketball, cheerleaders, publications section, Men's and Women's Council, Student Court and Student Council. The 24 Club picture will have to be taken. A Cappella choir was taken Monday evening and the Pep Club will pose tonight.

Some of the people working on the deadlines include Patsy Schechter and Carol Albee, who are

Beery Dies In 103rd Year
Brother William Beery, a noted Brethren hymn writer, passed away in his home in Elgin, Ill., on Saturday, Jan. 28. He was born in 1852 and was 103 years old at his death.

Tunes which he had written and which appear with words in the new "Brethren Hymnal" are: Love of God, Eternal Love; Take My Hand and Lead Me, Father; I Will Not Be Afraid; Saviour of My Soul; and Lo, A Gleam From Yonder Heaven.

Quad Contract Drawn Up For 1956-57 Yearbook
Final contract plans for the 1956-57 Quadrangle were drawn up Wednesday, Feb. 1, when Leo Padgett, Jr., the Topeka representative from Myers Publishing Company, was present on campus.

Each year a meeting takes place to discuss some of the details for the yearbook. Signers of the contract included Anne Keim, next year's editor; Norman Long Student Body President; Don Gehrig, Student Body Treasurer; Gordon Yoder, College Business Manager, and Mrs. Homer Brunk, staff advisor.

Norris Harms, business manager for next year was not present.

Annuals To Be Distributed At Party After May 10

Flat Rate Or Hour Basis?

By Dick Bittinger

A flat semester charge of \$210 general tuition per semester, or a charge of a flat rate per semester hour—that is the question to come before the trustees in their annual meeting.

At present the tuition is \$210 per semester for a maximum of 16 hours. This flat charge includes a 15 dollar incidental fee for such things as: the Spectator, the Quadrangle activity ticket, and so on. The \$210 also includes all laboratory fees.

A system of charging by the semester hour was in effect up until two years ago when the present plan went into effect. The plan in effect at that time was for a charge of 12 to 14 dollars per semester hour.

For 16 hours this was from \$192 to \$224. To this amount was then added a \$15 semester incidental fee, and laboratory fees averaging about \$5 for all laboratory courses.

Music students had to pay \$15 per hour for piano and organ lessons, and there were other fees. The plan being suggested now is for a flat charge of about 14 dollars per semester hour. This charge would cover all laboratory charges and fees.

This plan would benefit those students who are taking less than 15 hours that are now paying for the 16 hours at the \$210 rate. On the other hand, this suggested plan would cost more to those students taking over 15 hours.

The present plan was put into effect to help the student be better able to know ahead of time how much it would cost him. It was felt that the system we now have

would benefit all generally. In checking with the administration it was found that they generally prefer the \$210 because it seems to them as cheap to the student and as fair all around. They feel that this plan is both easier to understand and to administer.

Of a general cross-sectional poll taken of students on campus, the majority of students tended to favor the flat \$210 charge. The rate tends to benefit the music and science majors over the history and sociology majors because of the many lab fees that are included in the flat rate.

Some of the ideas for preferring either charge are:
"I prefer the flat rate, for myself, because being a science major it is cheaper for me."
"Having been under both systems, it seems to me that the \$210 charge is cheaper."
"I prefer whichever is cheapest to the college to administer as these savings would be passed along to the students."

"I don't care."
"I think the charge per hour is better because if students want labs they should be willing to pay for them. The flat rate imposes a hardship upon those who are working and not taking as many hours."
"Whichever is cheaper."
These statistics do not represent the whole student body, but have been solicited from a general cross-section.

It is the conclusion of this writer after conducting this survey that the majority of the students and of the administration prefer the present plan.

Play Cast Practices

There are only three more weeks of rehearsal before the presentation of "Ring Around Elizabeth."

Director of the play, Wilbur Yoder, has been working with the cast on a full schedule of practices.

The three act comedy will be given at the Community Building on March 3. The Brethren youth of this region will be attending the Regional Youth Conference at this time and will have an opportunity to see the dramatic production.

The scenes are all portrayed in the home of Elizabeth, the land lady. Elizabeth is the hard-taxed center of an irritating household.

Broadway Play To Be Presented

A play of an interesting psychological study may be seen in the Broadway production of "Tea and Sympathy," to be presented Monday evening Feb. 20, at Hutchinson.

Henry Dreyfuss, one of the nation's foremost industrial designers, in his best-selling book, "Designing for People," depicts his "Average" American female.

The Dreyfuss, typical figure, which was developed after years of research and which serves as the model for the scores of products he designs, is five feet, three inches tall, and has 39-inch high forehead, a 35-inch bust and a 29-inch waist.

The survey at McPherson College was run on sixty-five coeds. Although this is not all inclusive, various height degrees were taken into consideration and the results are fairly indicative.

The data compiled shows the typical "Mac Coed" to be five feet-four inches tall, a hip spread of thirty-seven inches, a weight of one hundred and twenty-nine pounds, a bust of thirty-five inches, and a waist of twenty-six inches.

In the course of his research, which involved the collaboration of ear doctors, neurologists, psychologists and opticians, Dreyfuss found that three and eight-tenths per cent of American women are left-handed, two-tenths of one per cent are color blind, four and one-half per cent are hard of hearing, and fifty-six and four-tenths per cent wear glasses.

Evidently Pope Gregory XIII would be quite surprised to know what has become of his idea of having leap year every four years.

Prospects Interviewed

Prof. Merlin Frantz announced that two principals from Fort Morgan, Colo. will be on campus Saturday, Feb. 11, to interview prospective teachers.

He also stated that the superintendent of schools from Burdett, Kansas was here last Saturday enlisting teachers.

Jerrá Lynne Tyler, typical campus beauty queen, compares her dimensions with those of the "average" American woman, as depicted by Henry Dreyfuss, famous industrial designer, in his book, "Designing for People." Jerrá Lynne, who's this year's Heiress of Troy at the University of Southern California, predicts that Designer Dreyfuss' "average" would win no beauty contests.

Figures About Figures

By The Editor

What is going to be leaping in leap year? After thinking this question over, two Home Ec majors at Macollege, Irene Shull and Ruth Davidson, made a cross-section survey at Dotzour Hall to find out how the girls compared to the national average according to dimensions.

Ever since 1582, the situation has become more complicated. Mr. Dreyfuss did not include in his research project how fast the average American woman can run and leap. However if the statistics mentioned of the "Mac Coeds" are indicative as a comparison, I have just two words to add. **MEN BEWARE!**

The survey at McPherson College was run on sixty-five coeds. Although this is not all inclusive, various height degrees were taken into consideration and the results are fairly indicative.

The data compiled shows the typical "Mac Coed" to be five feet-four inches tall, a hip spread of thirty-seven inches, a weight of one hundred and twenty-nine pounds, a bust of thirty-five inches, and a waist of twenty-six inches.

In the course of his research, which involved the collaboration of ear doctors, neurologists, psychologists and opticians, Dreyfuss found that three and eight-tenths per cent of American women are left-handed, two-tenths of one per cent are color blind, four and one-half per cent are hard of hearing, and fifty-six and four-tenths per cent wear glasses.

Evidently Pope Gregory XIII would be quite surprised to know what has become of his idea of having leap year every four years.

Professors Make Reports For Trustees To Consider

With the annual meeting of the trustees of McPherson College just around the corner, faculty members have been writing their annual faculty reports to the president so that he in turn can report to the trustees.

A few facts and figures gleaned from some of the faculty reports show what is happening in Macollege.

The Dean of Women reports that there are 138 women enrolled at Macollege this semester. There are 111 women living in dormitories on campus, and 25 living at home.

The report of the Dean of Men shows that there are 216 men enrolled this semester. There are 109 men living on campus, 70 living at home, and 37 living in apartments off campus.

The faculty heads of the various departments turn in reports telling the number of students enrolled in their department, what equipment has been added to the department, and what improvements they would like to see made in the department.

Several departments have shown a large increase in enrollment. The Philosophy and Religion Department has 140 enrolled this semester, compared with 126 the first semester.

In Economics there are 162 enrolled this semester, while there were only 129 enrolled last semester. The Department of Math and Physics has reported a 19 per cent increase over last year.

The report of the Macollege Library shows that 787 books were added to the library during the past year. Of these, 619 were purchases and 168 were gift copies.

A total of 11,846 books, periodicals, and pamphlets were loaned to students for use outside of the library. Reserve books circulated 3,710 times. Materials checked to the faculty numbered 1,235.

There are 19,238 regular volumes in the library and 841 volumes in the education collection, bringing the total number of volumes in the library to 20,079.

In September, students checked out only 498 books, the lowest number for any month of the school year. During the same month of September, the faculty checked out its highest number of books, 227.

Apparently, while students are relaxing and going to get-acquainted parties and school picnics, the

faculty members are busy planning for more serious work in the months ahead.

The number of books checked out by students jumps to 1,423 in October and reaches its peak for the year in November at 1772. Incidentally, the end of the first nine weeks also comes in November, and along with that comes the first deadline for freshman research papers.

History books are checked out more than any other kind of book. In the past year history books were checked out 1900 times. Social science books were next with 1400, then came literature books with 960.

Periodicals are checked out more than any single classification of books, however. Periodicals were checked out a total of 3585 times during the past year.

Faculty Turns Butcher!

Several faculty men turned butchers last Monday evening as they helped butcher four hogs in preparation for a Ground Hog Feed to be held Thursday, Feb. 16. The college cafeteria will be closed that evening, therefore students are urged to attend the supper.

The supper, a project sponsored by the Men's Work of the McPherson Church of the Brethren, will be held in the church social rooms. Serving will begin at 5 p. m., continuing until 7:30 p. m.

The menu will consist of waffles, fresh sausage, cole slaw, carrot sticks, sherbet, syrup, and coffee. It will be served for 75 cents, and waffle and sausage refills will be 25 cents.

General chairman of the supper is George Kehm. He is also in charge of the table arrangements and serving. Prof. Guy Hayes heads the menu and kitchen committee. Several committees under him will be in charge of preparing the food. The men will also serve the meal.

Campus Whirl

Actions of the heart are in vogue as the fems of McPherson College carry out their traditional "Heart Sister Week" in all cunning and secrecy. Complicated trails are left by the secret sisters and followed by the other searching sister as interested onlookers aid with various directions and instructions.

Faculty members are attending the five faculty conference this week end.

Write Prose
Juniors and seniors, who were not relieved of the responsibility of the English Proficiency Test last fall, have breathed a sigh of relief since last Thursday morning's writing period. Now they are periodically checking the Sharp bulletin board for conference assignments.

Rita Evans, Macollege sophomore, and her sister, Beverly, who is a freshman here, will be visiting Nadene Coffman at Detroit, Kans. this weekend. The Evans sisters will leave tomorrow, returning to the campus on Sunday. Nadene, who is now teaching in the Hillsboro elementary school roomed with Rita last year.

To Kansas City
Chuck Elbert will be driving to Kansas City this weekend. Accompanying Chuck will be Glenna Zuck, Margie Ross, Arlene Merkey, Ivadelle Wisler, and Pat Schechter.

Darlene Treloar, who spent her freshman and sophomore years at McPherson College, returned to her studies in nurses' training at Iowa University on Monday. She spent last weekend, which was her semester vacation, visiting her cousin, Sara Ann Coffman, and other friends on campus.

Best Wishes
Congratulations are in order for Phyllis Boyd and Don Cole who announced their approaching marriage last Saturday night, or was it Sunday morning?

Extraction of a tooth resulted in Howard Duncan, freshman from Cando, N. Dak., being hospitalized one day last week.

March Wedding
Ginny Russell will become the bride of Ed Frantz March 18, is traveling to Abilene this weekend.

Rosalie Lowe, freshman from McPherson, moved into Dotzour Hall last week. Rosalie applied for a dormitory room while still a sophomore in high school in Topeka. Her parents moved to McPherson and Rosalie missed out on dorm life while living at home the first semester of her college career.

Among those dining in Wichita this weekend will be Carol Albee and J. T. Boardman.

Members of the ladies' trio, Marlene and Birdene Jamison, Alma Goodfellow, and JoEvan Jones, will be presenting musical numbers at the Buckeye and Navarre churches on Sunday.

More Rabbit Hunting
One pair of rabbit ears was the prize when Ann Schnaithman, Beverly Evans, Vernon Petefish and Jay Atwood went rabbit hunting over the weekend.

Birthdays
Jeanne Shively and Merle Rolfs were honored at a surprise birthday celebration last weekend at the Steele resident on East Euclid. Guests were: Arlene Waits, Marilyn Sittner, Cliff Reeves, Gary Button, Julius Steele, Chuck Vance, Jerry Sampson, Ginny Russell, Rachel Brown, Linda Royer, and Willis and Shirley Hoch.

Fennie Smith, Jeanne Shively and Marlene Landhus were honored by third floor residents Friday at 12:30 a.m. Since the girls were celebrating their birthdays on Friday for Bonnie and Jeanne and Saturday for Marlene, the hostesses chose an in-between hour which would be close for all three.

Loyal Sherrerd, sophomore from Colorado, and Ken Sheaffer, returned BV's from Iowa, report that they fired a considerable number of shots on their recent rabbit hunt. Three was all they scored, however, and it was well into Sunday evening before the boys called on Ruth Davidson to help with the final cutting process. By Monday nine more rabbits had been added to the supply.

Hess, is 68
Mr. Maurice A. Hess entertained at his home in honor of his 68th birthday on Wednesday evening. Guests were: Kelly Day, Richard Carney, Joyce Miller, Leland Lengel, Nancy Keim, Juanita Fike, Hazel Miles, Vernona Thralls, Charles Beach, Don Jones, and Doyle Neher.

Evelyn Williams, elementary teacher at Newton and 1955 graduate of McPherson College, will be visiting friends on campus this weekend.

Shirley Groth, freshman, and Mary Ellen Waters, sophomore from St. Johns, Kans., are leaving this afternoon to spend the weekend at Shirley's home in Independence.

Heard Choir
Among the McPherson College students attending the Concordia Choir concert at Bethany College last night, were Nancy Keim and Leland Lengel. Nancy and Leland celebrated Valentine's Day ahead of the calendar at the Swedish Dinner prior to attending the musical program presented by the 60-voice choir from Moorhead, Minn.

Dotzour Adopts Cooking Limitation

No meals are to be cooked in Dotzour Hall kitchen without permission, the residents of Dotzour were told at the dorm meeting held Thursday, Feb. 2, in Dotzour lounge.

This decision was made by the dorm council.

A new ruling concerning campusment was read. This is to be a part of the dorm constitution.

Dorm dues will not be collected this semester because of a large balance in the treasury.

New dorm officers for this semester are: Arlene Merkey, president; Betty Arnett, vice president; Donna Berry, secretary; and Joyce Miller, treasurer.

Eight new girls or girls returning to Macollege this semester and moving into Dotzour were introduced by the council members.

New students are Bessie Jean Knoed, Joan Walters, and Nellie Nubolis.

Chan Jo has moved into Dotzour from an apartment. Rosalie Lowe has moved from her home in McPherson to the dorm.

Phyllis Boyd, Eula Mae Murrey, and Carilyn Krehbiel are former students who returned to Macollege this semester.

Styles Demonstrated
Facial and hair styling demonstrations will be given at Tuesday evening's meeting of the McPherson College Home Economics club by Mrs. Harold Brunk a representative of one of McPherson's beauty shops.

Bloodmobile To Be Here
The Red Cross bloodmobile will be on the Macollege campus February 22 to receive the blood donations of several public-spirited individuals.

Anyone twenty-one years of age or older may give if he so desires. A person under twenty-one years of age may give by securing the written approval of his parents.

It's Time To Go Now

Students Return From Seminar In D. C.

Attending the Christian Citizenship Seminar for Brethren youth in Washington, D. C. and New York City, January 30 to February 3, were five Macollege students and five high school students from around the Western Region.

Those students attending the seminar from the college were Jay Strom from Minnesota, Dwight Oltman from Nebraska, Norris Harms from Colorado, Duane Fike and Joan Ford from Kansas.

Juanita Frazier and Kenneth Tompkins from Colorado, Betty Ann Wise from Iowa, Charles Rhine and Gordon Morris from Kansas, and Sharon Thompson from Missouri were the high school students.

Norris Harms and Joan Ford drove the two cars. About 200 Brethren youth across the nation came together to learn how the national and international government operate.

Ed Crill and Ruth Early served as Seminar host and hostess. The Seminar was sponsored and promoted by the Social Education Department of the Brethren Service Commission and by the Brethren Youth Department. The planning and directing responsibilities were carried jointly by: Ralph E. Smeltzer, Social Education Director, and Ed Crill, Youth Director.

One of the purposes of the Political Seminar according to Ralph Smeltzer was to orient us into the live problems of the nation today.

In Washington, D. C., we visited Capitol Hill, saw our own congressman, and visited other congressman in groups. A trip to Mt. Vernon was an interesting side-light while there.

In New York City the main feature was a tour of the UN Building and a study of how the UN works. A great many seminarians also attended Radio City Music Hall and toured around Times Square on foot or by taxi.

Breakfast each morning of the seminar was at 7 o'clock with morning worship at 8:15, the usual starting time. We, of the Western Region had charge of the short worship service the last morning.

On Monday, the main ventures were group trips to the embassy for our choice, and to the State Department.

OPEN EVENINGS

Some of the embassies served refreshments and others gave informative pamphlets about their country besides talking and answering questions about their country.

Dwight Oltman was the group leader to the Russian Embassy and he feels that they were quite free in answering questions the seminarians asked them. An interesting remark of theirs, according to Dwight, was in their statement that their way of governing was right and would win the world eventually to their side without the aid of force.

Mr. John Lacey of the Division of Research gave a very informative talk on "The Far East and American Foreign Policy." His was one of the talks heard in the State Dept. auditorium.

At our Monday dinner meeting, Mr. Ernest Lefever of the School of Advanced International Studies at the John Hopkins University and Mr. Wilmer A. Cooper of the Friends Committee on Nat'l Legislation gave their interesting ideas on the topic, "A Christian Evaluation of American Foreign Policy."

Mr. Lefever felt that we have a type of diplomacy which often creates an air of feeling that we are always right and that we don't need any criticism.

Both Mr. Lefever and Mr. Cooper were of the opinion that conventional weapons of war are more important since there seems to be general neutral agreement among the nations that nuclear warfare should not be used. It would be suicide!

Faculty Visits Bethany

Bethany College of Lindsay, Kans., will play host for the annual "Five Faculty Conference" to be held there, Saturday, Feb. 11, to discuss common problems of higher education.

Bethel College of North Newton, Kansas Wesleyan of Salina, Friends University of Wichita, and McPherson College along with Bethany College make up the "Five Faculty League."

Last year, McPherson College was the host college and invited Sterling College of Sterling, Kans., and Central College of McPherson to attend the meeting, also.

This year, the program will open with registration and a coffee and doughnut hour at 9 a.m., followed by a general session at 10 o'clock. Dr. Kenneth Anderson of the Education Department at the University of Kansas will be the main speaker of the morning. His address will be on the White House Conference on Education.

The faculty will be divided into three smaller groups which will be the humanities, the social sciences, and the natural sciences.

Debaters Attend Meet At Pitt State

Debaters from Macollege attended the Pittsburg State Teacher's College Debate Tournament on Friday and Saturday, Feb. 3-4. Those who participated were Don Fales and Don Ullom, Joan Walters and Glenna Hawbaker, and Gary Parnberg and Loyal Sherrerd.

Among the stiff competition of 25 schools, each of the boys teams won two debates, and the girls won one debate.

Announcement Made Of Approaching Vows

Boyd, Cole
Mr. and Mrs. Dennis J. Boyd of Cedar Rapids, Iowa, announce the approaching marriage of their daughter, Phyllis, to Don Cole, son of Mr. and Mrs. Jewett Cole of McPherson.

The wedding will be an event of Friday, Feb. 17, in the Church of the Brethren Memory Chapel at 8 p.m.

Phyllis attended McPherson College as a freshman last year. Don, a second semester freshman, attended Wichita University for one semester in 1952. He is now enrolled at McPherson College and planning a coaching career.

Booster Drive Begins With Kick-Off Dinner

Kick Off Dinner for the Booster Banquet Drive will convene Wednesday evening, Feb. 15, in the college cafeteria, at 6:00 p.m.

Approximately 35 solicitors will be present. All members of the college Public Relations and Finance Departments, and the City Chamber of Commerce men will gather for the event.

Date Set For Formal

The Faculty and Social Committee set Friday, April 6, as the date for the Faculty Formal. It will begin at 7:30 p.m.

Paul Wagoner and Paul Sollenberger are co-chairmen of the planning committee.

Canines Meet Graymaroons Tonight

Bethel Remains On Top In KCAC

Bethel meets McPherson tonight at the McPherson high gym. This will be the third meeting of these two clubs this year, but the first one on McPherson's home court. The Graymaroons came out victorious in the four-college tournament at Moundridge, trouncing Mac 89-54 in the semi-finals. The Bulldogs invaded Newton on Friday, Jan. 13, only to be turned back 86-45. Bethel leads the Kansas Conference with 8 wins and no defeats. Friends almost upset Bethel at Wichita Jan. 31. The Quakers were edged in the final 8 seconds by Reusser's free throw 71-70.

New Men Drafted For Cage Play

The intra-mural committee and men captains held a meeting to draft new basketball players who are entering second semester action. The captains voted unanimously to dissolve one of the National League teams and draft the players on to the remaining crews. Fifteen new men were awarded positions on teams. These were as follows: Mollhagen, Wagner and Carmon Heidebrecht, went to Oltman's team. Ken Fancher and Bob Sies went to Jefferies crew. Bernard Whirley, an army veteran, and Willy Hoch were obtained by Ullom. Landhuis fits on Colberg's team. Cliff Reeves bolsters Louie Roberts' five. Ediger goes to Button's team. Army man Wayne Oak completes these men of Dwight Blough. Les Dandylock acquired Don Cotton and Bob Burge. Elise added Ebert. Atkinson pulled Kenny Singleton. All new men are to remember that playing nights are Tuesday, Wednesday, and Thursday. First games begin at 6:30. Also the official situation was put to a question and it was decided to pay two officials one dollar an evening or to have a team basketball playing on trial. Since officiating has been rather lax, the desire is to create interest in closer restrictions over the games.

Robert's Five Lead Intramural League

Since the A team played Baker Tuesday night, action in men's intramural competition didn't begin until 7 Wednesday night. At that time Louie Robert's galvanizing gang rolled over Blough's boys 42-30. Sharpeter Vernon Petefish led scoring for both sides by hitting 5 field goals and three charity throws for thirteen points. Mollhagen was high for the losers with eight counters. The games of the night were officiated by Vern Scott and Bob Nelson. In the second battle of the night, a low scoring, possession type ball game was climaxed with Don Colberg's ballhawks defeating Dwane Jefferies' ballhawks 22 to 17. Colberg led team and game scoring with eight counters. The tilt was close all the way. The final action of the night saw Blough's sharpshooters roll over Hood's quietest 45-36. Fisher and Blough exerted themselves and collected 16 points a piece to lead the victors. Hood got twelve for the losers.

Race Relations Discussed
Emphasizing Race Relations Sunday, Feb. 12, several McPherson College students will be the main speakers for the morning worship at surrounding Brethren Churches in the area.

George Casebeer

Bob Nelson

Sid Smith

George Casebeer, a McPherson high graduate, is a sophomore at Macollege. He lettered twice in basketball in high school. He is 6 feet tall and weighs 170 lbs. Bob Nelson is a juco transfer from Nampa, Idaho. Bob plays the post for the B team, is 6 feet tall and weighs 200 lbs. He leads the B squad in scoring for this year. Sid Smith is a sophomore from McPherson high school. He is probably one of the most under-rated ball players on the squad. He is 5 feet, 11 inches and weighs 159 lbs.

Macollege B's Continue To March Undefeated

The McPherson B team retained their undefeated status last Saturday night by fighting the College of Emporia B team to a 66-62 tie. It has been the agreement that the B games are to be stopped at 7:30 to allow the varsity game of the evening to begin promptly. This game had progressed smoothly and was very nearly over at 7:30. Because of this and the close score, it was decided to allow it to finish.

With 30 seconds to go, the time at exactly 7:30, and C. of E. ahead 63-64. K. Stucky fouled the Presb's Roderick. Roderick was only able to sink one of the free throws, and McPherson took the ball. After a short interchange in the middle of the floor, Elliott raced downcourt with the ball, and with one second to go, pushed in a layup to knot the score at 66 all. Time was 7:32.

KSAL the Salina station, announced a College of Emporia B team victory, on the grounds that the game should have been called at precisely 7:30, when C of E was ahead 65-64. The home team scorebook, usually accepted as the final authority, lists the game as a tie.

Girls' Varsity Thrash Wichita E. U. B. 48-25

On Friday evening, Feb. 3, the E. U. B. girls' basketball team from Wichita came to Macollege to be defeated 48-25 by the hustling Mac girls.

High point scorer for Mac was Landhuis with 13. Mollhagen came in for a close second with twelve pointers and Lauver made 8. The two high point scorers for Wichita were Flowers with 12 and Blackwell with 8 points.

Although Mac nearly doubled the score on Wichita, they also nearly doubled on fouls with 25 to Wichita's 18.

C. of E. Game Determined By Margin Of One Point

The Bulldogs met the College of Emporia Presbies at the McPherson high gym Feb. 4, only to be turned away 60-61.

C. of E. scored first, but Rogers tied it at 2-2 almost immediately. Gaylord scored again for C. of E. and Smith tied it at 4-4. The score was never tied again.

The Presbies pulled away to a lead that got as high as 9 points in the first half. Bill Smith scored 9 consecutive points for Mac while Reichardt put in 2 for C. of E. to bring the half-time score to 24-25, with Mac on the under side. The second half saw C. of E. pull away to a lead that became 10 points on three occasions; 42-32, 46-36, and 48-38. In the last few minutes Widrig started his own stretch drive, scoring 6 himself and setting up Smith for 4 more. Don did an excellent job of stealing the ball from the

stalling C. of E. men. Smith was high man with 29 and Widrig had 23 for McPherson. Gaylord netted 21 for C. of E.

The game was air-waved by the Voice of Emporia, KVOE.

The referees were Orndorf and Astle.

U. S. Comes In Sixth

Russia Wins Olympics

The Winter Olympics are over for another four years. This year they were held in Cortina, Italy. Russia proved to be the strongest nation represented, as everyone had feared. Their distance skaters, speed skaters, and cross-country skiers looked bow-legged from the excess thigh muscles they had developed from such exercises as sliding their feet through plowed fields and walking about with weights attached to the ankles.

Russia withdrew from the 1952 Winter Olympics because they felt they weren't ready. This time they were ready. A year ago, every Russian athlete of international promise had been taken out of his job and given intense, year-around training.

This training, of course, is state-paid. It has been estimated that the amount set aside by Russia for its state-subsidized athletic program is near \$35 million. One Russian skating coach said that Russia had 50 men for every event, each as good as the other. Everyone expected the Russians

to win all the odd sports, such as bean-bag; but they proved an all-around superiority by taking six gold medals and 121 team-points, to Austria's second place 78½ points. They also thoroughly whipped Canada in ice hockey; roughly comparable to the story of David and Goliath.

So the United States has had its best Olympic team ever. We end up with two gold medals, 54½ points, and sixth place among the participating nations. The U. S. Olympic Association says this is highly encouraging. We have shown improvement over the past twenty years, but it appears as if we may have to subsidize our Olympic athletes to compete with Russia.
