Volume XLI McPherson College, McPherson, Kansas, September 21, 1956 No. 3

## Photos To Be Taken For Quad Next Week

Pictures of all Maccollege students for the 1957 yearbook will be taken Wednesday and Thursday, Sept. 26 and 27, Anne Keim, Quadrangle editor has announced.

A professional photographer, LaVerne Friesen, who has studios in Butler and McPherson, will take the student pictures again this year on the campus.

Anne states that it is essential for students to be present during the days scheduled for pictures or their pictures will not be in the Quadrangle. Wednesday and Thursday will be the only days Mr. Friesen will take student pictures.

Individual senior pictures will be taken in the Student Union Room Thursday morning at the times posted on the bulletin board.

Senior men will be furnished while dinner jackets and bowties for the pictures, but the fellows are asked to wear white dress shirts.

Senior women will be furnished with drapes. They should wear low-necked dresses.

Juniors, sophomores, and freshmen will be taken in full length groups this year on the steps of Sharp Hall.

The three lower classes will be divided alphabetically, and the time each group will be snapped will be posted on the bulletin board.

Ann asks that if a student cannot come at the time scheduled he see her if possible and arrange to be in another group of that class.

Dean James M. Berkebile has announced that students will be excused from class during the time that their pictures are scheduled to be taken.

All fellows except seniors will wear slacks and sport shirts. Anne requests that fellows not wear jeans for the pictures.

Girls, except seniors will wear informal dresses or sweaters and skirts and flats without bobby socks.

The group pictures, which are an innovation for this year's book, will be full-page shots of informal arrangements with reverse printing for the names.

## Student News To Be Published

News releases about students on campus will be sent to their home newspapers this year by the Public Relations Department.

Mr. Paul Wagoner will be in charge of the news releases, assisted by Mr. John Sheets and Mrs. Brunk JoAnn Negley will be working as typist for these releases.

The Public Relations Department will also cooperate with the McPherson Daily Republican by phoning college news in to it.

Some of the items of news which have already been sent to the students' home newspapers are about the co-captains of the football team and the students participating in different musical groups on campus.

## Bittinger To Meetings

Dr. and Mrs. Bittinger spent last weekend directing a family life institute in Oklahoma at Camp Spring Lake, near Cordell, Okla.

## College Calendar

Tonight, 7:30 p.m. Football game here against Doane College, Crete, Neb.

Friday, Sept. 28, A Cappella Choir picnic, 4:30 - 8 p.m., at Black Canyon.

Saturday, Sept. 29, Football game against Bethel at Newton, 8 p.m.

## Mac Grad Named Dean Of E-Town

Roy McAuley has been appointed to the position of Dean of the college at Elizabethtown College, Elizabethtown, Pa. This is a Church of the Brethren school and is a sister to Maccollege.

McAuley graduated from Mac College in '43 with a B.S. degree. He then attended Bethany Biblical Seminary in Chicago and received his B.D. degree from there in '46. In the spring of '49 he got his A.M. from the University of Omaha, Neb. He was also minister of the Church of the Brethren in Omaha at this time.

In the fall of '49 he was an instructor at McPherson College. He taught speech, literature, and education courses. He also coached debate and dramatics.

He was also minister of the Monitor Church, the position now held by Dean Berkebile.

Attending the graduate school at the University of Denver in the fall of 1952, he received his Ed. D. degree. He also served as minister of the First Presbyterian Church in Akron, Colo., at this time.

This past year he has been teaching at the Northern State Teachers College at Aberdeen, S. Dakota.

He is married to the former Arlene Nicholson and they have three children.

## Music Assistants Chosen

There are several students chosen to assist the music teachers with various odd jobs throughout this year.

The students who will assist Prof. Don Frederick are Dwight Oltman, who is the choral assistant and Irvin Wagner, who is band assistant.

Forrest Kruschwitz will assist Prof. Paul Sollenberger with the orchestra and Mardella Guenther will assist Mrs. San Ramani.

## Largest Group To Take English Proficiency Test

Approximately 100 juniors and seniors will be taking the English Proficiency Test next Thursday morning at 7:45 in the Chemistry Lecture Room.

Because the junior class is so large this fall, the English Department estimates that the group taking the test will be the largest since the test was first begun ten years ago.

Paper will be furnished for the test, but students are asked to furnish pens or pencils.

## Activities Scheduled To Allow Studying

A new schedule of meeting times for extra-curricular activities has been announced. The purpose of the schedule is to avoid as many conflicts as possible and yet keep time for study free from activities.

Rec Council meets weekly at 6:30 p.m. on Monday, and M Club meets irregularly at the same time.

Other Monday evening meetings are those of the Ag Club and Women's Council on the first and third weeks, and the Student Ministers on the second and fourth weeks. WAA will meet at 10 p.m. irregularly.

The College-Civic Orchestra directed by Prof. Sollenberger will meet at 6:30 - 8 p.m. each Tuesday evening, and the Home Ec Club will meet at 6:30 p.m. on the second Tuesday of the month.

Student Council meets weekly at 6:30 p.m. on Wednesday. Players' Club meets at 8:30 p.m. on the first week of the month. FTA meets at 7 p.m. on the third Wednesday, and International Relations Club meets 6 - 8 p.m. on the fourth Wednesday.

Thursday evening is reserved for the MCA meetings each week with one mass meeting each month and the small group meetings on the other Thursdays. Friday evening is open.

Last spring, a number of faculty meetings were used in studying and discussing extra-curricular activities on the campus.

The activities calendar became very crowded at times, with the change to MCA, extra rehearsals of many kinds, intramural activities, in addition to clubs, picnics, etc.

The place to start seemed to be with the time table followed so the suggestion being involved this year is to limit evening extra-curricular activities to the time from 6 to 8 p.m.

Most clubs that have regular meetings are already scheduled on the calendar in Mrs. S. M. Dell's office. Meetings to be placed on the calendar will be handled the same as in the past except those which run over into the period after 8 p.m.

These meetings will be approved or rejected by a committee made up of faculty members and students. This committee has not been chosen as yet except that Dr. Wesley DeCoursey is the chairman.

The goal of the plan as indicated above is:

- 1. A better system for scheduling the many activities.
- 2. To limit the number of conflicts, but not necessarily eliminate all conflicts.
- 3. To leave evenings after 8 p.m. more nearly free for studying and library work that is essential for good scholarship.

## Kansas Freshman Ranks First On Placement Test

John Lehman, a freshman from St. John, Kans., made the highest score on the English Placement Test, which was given to all freshman students at the first of the year. John scored 145 out of a possible 150 points on the test.

Coming in second was Janice Bower of Wichita, Kans., with a score of 137. Francis Straka of McPherson was third with a score of 131.

Next was Sherland Ng from Lahaina, Hawaii, who made a score of 129. Larry Clark of Wellington, Kans., was fifth with a score of 127. In sixth place was Judy Brammell from Perry, Kans., who scored 126.

Tied for seventh with scores of 125 were Lois Fager from Clovis, New Mexico, and Eileen Oltman from Imperial, Neb.

Mary Ann Guthals from Hope, Kans., was ninth with a score of 122. In tenth place was Paul Freemyer from Bedford, Iowa, with a score of 120.

Others who ranked in the upper 10 per cent of the class were Jane Clouse from McPherson and Janis Emswiler from Froid, Montana, and Louise Turner, Quinter, who had scores of 119.

The placement test is used as a basis of sectioning students into the top 25 per cent, the middle 50 per cent and the lower 25 per cent. Students register into the assigned section unless conflict of courses or other acceptable reason prevents.

Later the students turn a correction sheet for all errors made on the first test. The test has been used for over twenty years. Percentiles are determined for each student covering the total score and each of the four parts of the test.

## MCA Organized Into Small Group

The McPherson Christian Association met at 7 p.m. Tuesday to divide into small interest groups. Steering committees were then chosen for each group.

The special interest groups include: Peace Group, Devotional life, Boy - Girl Relations, and Christian Leadership and Service. Students are asked to stay in the same group for one semester.

The interest groups meet separately every Thursday night except the second, when the entire MCA will meet together. At that time a special program will be presented.

## Orientation Class Splits

The freshman Orientation Class divided into six groups Wednesday in order to discuss "Studying Effectively."

Leaders of the different groups were Dean James M. Berkebile, Prof. S. M. Dell, Prof. Bob Wise, Pr. I. Kenneth Bechtel, Dr. Maur. Prof. Kenneth Bechtel, Dr. Maur.

Standing in line waiting to be served are some of the Maccollege students who attended the all-school picnic at Kanopists Lake on Monday, Sept. 17. Approximately 200 students attended the picnic, which was planned by the Social Committee.

## Instrumental Groups Named

### Marching Band

Prof. Don Frederick has announced the names of the persons who will make up the marching band this year. They are as follows:

Trombones: Irvin Wagner, Ivan Richert, Miriam Long, Jo Ann Negley, Marvin Weddle, Jan Bralier.

Saxophones: Veronora Thralls, Nona Maust, Don Jones, Elinda Roger, Elma Holmes, and Fred Noon.

Coronets: Doris Coppock, Leon Neher, and Ronald Bowman.

Susaphones: Richard Carney Dean Reynolds.

Percussion: Larry Sanders, Marjorie Slabech, Ken Fancher, Richard Roller, Ila Gauby, Forrest Kruschwitz, and Shirley Williams.

Baritone: Lila Cook.

Horns: Ellen Williams and John Lehman.

Clarinets: Birdene Jamison, Eileen Oltman, Karen Alexander, Carol Hickey, Joan Furry, Marlon Landhuis, Mary Gatewood.

Piccolo: Connie Brooks.

Dwight Oltman is the drum major and the whirlers are Shirley Bowen, head majorette; Sharon Schrock, Delores Wallace, and Ann Schnalthman.

### Sophomores Victorious; Freshmen Wear Beanie

The sophomores pulled the freshmen in the lagoon at the annual tug-of-war held last Tuesday at Lakeside Park.

Freshmen are therefore required to wear their beanies until next Tuesday.

## Wolf Heads Student Court

Maccollege Student Court, under the direction of the Student Council, will begin its sixth year of operation since it was organized in 1950. Student Court has the power to interpret and enforce the Student Body Constitution.

Ed Wolf is the present chairman of the Student Court and the faculty representative is Prof. Raymond Flory.

All Court members must have at least a 1.5 grade point average.

At the general election in the spring of 1956 the following students were elected to the court. Seniors include Nancy Keim, Anita Wise, Lyle Neher, and Ed Wolf. Juniors elected were Joyce Miller, Charlene Reynolds, Dwight Oltman, and Dwayne Jeffries.

Sophomore court members are Erma Lee Brewer, Ann Schnalthman, and Dick Bittinger. Freshmen are not represented.

The court determines the policy of student discipline and also conducts the freshman - sophomore

tug-of-war, which was held Tuesday, Sept. 18, and other freshman initiation policies.

Rules set up for the Student Court are as follows:

The chairman shall be a senior with one year of experience on the Court, and shall be elected by the Court from the Court.

The Secretary-Treasurer shall be elected by and from the Court and shall be responsible for typing and filing records of all Court meetings and decisions.

These records shall be made in duplicate, one copy being filed with the President of the College after each session and one with the Court.

The Secretary-Treasurer shall also be responsible for the financial arrangements necessary for Court operations.

The election of the Court members shall be held at the same time as the Student Council election in the Spring. One faculty representative shall be elected by the faculty.

Maccollege students, clad in pajamas, give a yell at the intersection of Kansas and Main as part of the annual pajama parade down town Thursday, Sept. 13. Leading the yell in the center of the ring are cheerleaders Dale Dressel, Shirley Bowen, Loreta Moats, and Gene Wenger. The pajama parade precedes the first home football game. (Republican Photo)

# Team To Play Non-League Game Tonight

## Maccollege Meets Doane Crew Here

Maccollege Bulldogs will be facing another tough non-conference foe tonight when they meet Doane College from Crete, Neb., here at McPherson.

With the first defeat of 53-7 at the hands of Kearney in mind, Coach Sid Smith is spending more time working on a stronger defense as well as a yardage gaining offense.

In the last game, McPherson averaged a meager 1.8 yards per attempt.

Doane will be another tough foe, although they will not have quite the weight advantage that Kearney had. The Doane team will average four more pounds per man, as compared to Kearney's 17 more pounds per man.

The biggest threat on the Doane team will be 155 pound Mike Lehl, who will be quarterbacking the starting eleven. Lehl is considered to be small for college football, but is fast, shifty and a hard man to stop.

Lehl should be a contender for little All-American honors this season, and he also has a good backfield behind him.

At right half will be 196 pound Rick Gibson, at left half will be 170 pound Myron Jasnoch, and at fullback will be 190 pound Jim Herman.

Doane opened their season last weekend by defeating Northwest Missouri 13 - 0.

## On De Diamond

The Yanks wrapped up the eighth pennant in ten years. Their total stands at twenty two.

The Dodgers seem to have the edge in the National League race. The Dodgers have folded in years past. But it does not seem likely that they will fold this year. Milwaukee will have to play good ball to beat "Dern Burns."

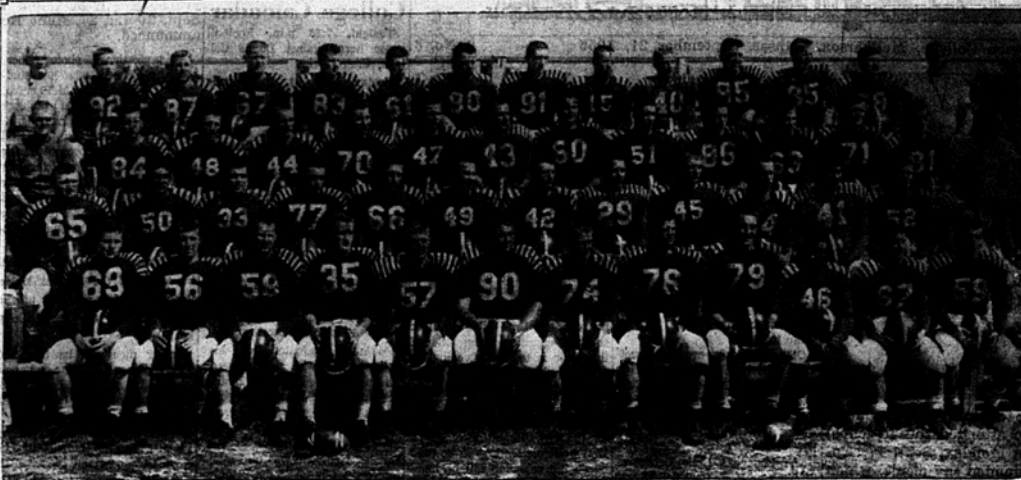

It would be interesting to see what the Braves would do in the World Series. In 1948 as Bostonians, they dropped a thrilling set of games to the Cleveland Indians. Pitching has been the problem for Cincinnati all year long. But the Red Legs crushing offense has netted them more home runs than any other team had previously been able to amass in a single season.

## C. of C. Selling Tickets

The Chamber of Commerce, which sponsors a season ticket sale, has sold 318 season tickets for the present football season.

This is a considerable drop from last year when 437 were sold. The season - tickets sold for five dollars apiece so the tickets brought \$1,580.

The complete returns were not in Monday.

These are the 1956 Bulldogs which will meet the Doane College team, from Crete, Neb. at 7:30 tonight on the Maccollege gridiron. Bottom row, left to right: Chuck Vance, Rickie Hood, Earl Guio, Ed Wolf, Louis Roberts, LeRoy Buskirk, Wm. Smith, Richard Keim, Ed Sink, Tom Ragland, Loren Zook, Gene Elliott. Second row, left to right: John Schrag, Ramon Navarro, Merle Rolfs, Jerry McPherson, Don Cole, Marvin Keck, Dwayne Jeffries, John Kittrell, Galen Stucky, Darryle Howell, Homer Gallindo, Bernard Frazier, Wayne Grossnickle. Third row, left to right: Trainer Roland Wray, Vernon Petefish, Ken Stucky, Richard Heidebrecht, Larry Schlehner, Geo. Casebeer, Vic Waits, Sid Smith, Don Cotton, Wayne Grossnickle, Darry Melton, Kenton Wrightsman, Ryland Roetman, Manager Huston Pulford. Top row, left to right: Coach Sid Smith, David Bastin, Marlo Oltman, Max Grossnickle, Ed Delk, James DeVine, Joel Schrock, Bob Bender, Larry Sams, Dennis Brunner, Harold Heisey, Doyle Royer, Richard Frazier, Assistant Coach Bob Wise. (Republican Photo).

## Antelopes Outrun Bulldogs

The McPherson College Bulldogs met defeat in their first game of the season to Kearney State Teachers College Antelopes last Friday night at the college stadium before some 2000 fans.

The Bulldogs were outweighed and outmanned by the non-conference Antelopes, and the game ended with a onesided score of 33-7, due to a "strong" opposing team as well as numerous Bulldog errors.

McPherson drew first blood in the opening quarter when tackle Chuck Vance ran 65 yards for a touchdown after intercepting a Kearney pass.

The contest looked somewhat close at the end of the first half with a score of 13 to 7 in favor of Kearney. However, the roof fell on the canines in the second half. Several passes were intercepted and fumbles recovered by Kearney and run for touchdowns.

McPherson was outplayed by the Antelopes in several respects. In yards gained, Kearney gained 187 to McPherson's 43 in passing, and 286 to 79 in rushing. They also acquired 22 first downs as compared to the Bulldog's six. Tonight the Bulldogs will meet another tough non-conference team when they play Doane College from Crete, Neb. The game is here again at the college stadium.

## Specimens Contributed To Maccollege Museum

A tooth from an imperial elephant has been donated to the college museum. Dr. Wesley DeCoursey, museum curator, stated that the elephant lived during the Cretaceous period and estimated it was about 50 million years old.

The tooth was donated by Don McColough who found it near an oil drilling in western Kansas. Other donations include a bed warmer made out of soap stone. This donation was made by Howard Keim, father of Nancy Keim, Maccollege senior. He received it from his father, H. H. Keim.

It was laid on the stove during the day to get warm and then wrapped in a blanket and placed in bed at night.

A wood plane, made completely of wood except for the blade, was also donated by Howard Keim. H. H. Keim used these things while pioneering in Idaho. He was one of the first early settlers in that region.

## Polio Shots Given

Five McPherson doctors gave polio shots to McPherson College students Tuesday. One hundred fifty students received the polio shots in about a half hour from the five physicians and one nurse. Several of the students were getting their second shot in the series.

The doctors will return to Maccollege in about three weeks to give the second shot in the series.

## Wagoner, Sheets Attend District Conference

Mr. Paul Wagoner, Alumni President, and Mr. John Sheets represented McPherson College at the Southern Iowa District Conference held on Sept. 14 - 16 at the Salem Church in Corning, Iowa.

## Men On The Ball

By Vilas Likhte

Mickey Mantle seems to be having an uneasy time as the season concludes. He has slowed down considerably on his quest to beat the Bambino's (Babe Ruth) record of 60 homers in 1927.

Regardless of this, he has 49 homers thus far and should have the HR crown in the bag. Teammate Yogi Berra, who just broke the all-time HR record for catcher, is twenty HR's behind.

Mickey may not be able to get the triple - crown this year, for slumping Ted Williams of the Red Sox is batting above him already and brilliant Al Kaline is just 3 RBI's behind him.

Regardless of all this, the Pride of the Yankees is having his greatest year in the Majors and will be around for years to come.

Things may be starting to cheer up for Willie Mays as the season ends. Starting the season with such a terrible slump must have been quite a shock to the "Say Hey" kid.

He seems to be coming out of it now as he is getting nearer to .300 and closer to the HR leadership with 34 HR's so far. Still Willie is the Pride of the Yankees.

Al Kaline, also after a bad start, is finding things better again after being second to the "Mick" and being one of the HR leaders in his league.

Big Don Newcombe with his brilliant pitching has again become a 20-game winner. This giant teaming with Sal Maglie has helped to bring the "Bums" back in the leadership again.

The schedule may favor them to win the pennant but the National League is nobody's fool.

## Billy Pearce of the second place White Sox is a 20-game winner in his league.

He is truly a brilliant performer. Although he is not of a gigantic size, he is one of the hardest throwers in his league.

Herb Score seems to be headed for another strike out crown and should conclude with a good season.

Bob Lemon and Early Wynn are having their usually brilliant season. Regardless of Cleveland's brilliant pitching, hitting, and fielding they have a hard time making first division.

Detroit can't make the first division with Kalline, Maxwell, and Kuenn batting above .300. The Brooks only have one or two hitting over .300, and they are leaders in their league.

## On The Court

Ken Rosewall of Australia upset the plans of Lew Hood towards the grand - slam of tennis. One would think that teammates would be on the same side. Such championships are just individual

## Vie Sextas turned out to be the top U. S. contender.

The critics think that the interest in tennis is being lost, but they think as such only when our countries cannot match the par of the Aussies.

## BSCM To Be At Mac In November This Year

November 22 - 25 are the dates for the Brethren Student Christian Movement on McPherson College campus. Students from all Church of the Brethren colleges will be assembled here.

Registration will begin at 4 p.m. Thursday afternoon and the conference will be over Sunday noon.

The theme of the conference will be Faith. Meals will be served family style in the college cafeteria and the guests will stay in the dorms.

Silence is often stronger than words.

## Football Dates

The remaining conference games are as follows:

- Sept. 29 - Bethel at Newton, 8 p.m.
- Oct. 5 - Baker at McPherson, 7:30 p.m.
- Oct. 13 - College of Emporia at Emporia, 2 p.m.
- Oct. 20 - Kansas Wesleyan at McPherson (Homecoming), 7:30 p.m.
- Oct. 27 - Friends at Wichita, 8 p.m.
- Nov. 2 - Ottawa at Ottawa, 8 p.m.
- Nov. 9 - Bethany at McPherson, 7:30 p.m.

## Switzer To USCA Meet

Ed Switzer, Maccollege Junior and national president of the Brethren Student Christian movement, represented BSCM in a meeting of the United Student Christian Council General Assembly held at Greenlake, Wisconsin, September 5 - 11.

At this meeting the cabinets of all student movements of all denominations were represented.

The Church of the Brethren is not a member of the USCA but were invited to sit in on the meeting. Elements of parliamentary procedure were discussed, and reports from the international meeting at Tutzing, Germany, were given.

The meeting was held on the Baptist Assembly grounds in Greenlake, an area of 1,200 acres which was given to the Baptist Church.

## Myers Has Been Selected To Assist In Museum

Gene Myers, Maccollege senior, has been selected as a half-time assistant to Dr. Wesley DeCoursey, museum curator. Gene will serve as janitor for the museum and will also show visitors through the museum.

A troop of cub scouts visited the museum Tuesday at 4:30 p.m. Gene assisted in showing them around.

# Oltman Sails Ocean With Cattle Boat

Mario Oltman, "ocean cowboy," returned to campus this year after two years of alternative service work in Europe.

He and another alternate service worker played "ocean cowboy" to 35 sailors on a cattle boat on the way to Europe. Four calves were born on the boat, requiring the fellows to double as midwives.

While abroad alternative service in August, 1953, he was one of 44 members in the 20th unit, the largest in BVS history.

During his two months' training period at New Windsor, Maryland, he helped process articles for relief.

After landing at Bremer Haven, Germany, Mario spent two weeks at Kassel helping complete Kassel House. He then attended the European Annual Conference of the Church of the Brethren there.

He also assisted with the Christmas Material Aid Distribution, which included relief goods such as he had helped to process at New Windsor.

Sixteen months of Mario's alternative service period entailed working at Kingsley Hall in London. This settlement house, started by the well-known Muriel and Doris Lester, is principally a Christian recreational and social center.

Kingsley Hall needed a Jack-of-all-trades; Mario was it. His duties included janitorial work, teaching a Sunday School class, and helping with club programs for all age groups.

Included in some of the club groups were "teddy boys," young men who dress in the style of King Edward in the early 1900's.

In October, 1954, Mario again attended the European Annual Conference, held this time in Austria, where he was reunited with old friends from the States.

After returning to Kassel in May, 1955, Mario traveled to Geneva, Switzerland as the Brethren representative to the World Council of Churches Conference for leaders. The purpose was to train leaders for the international work camps held for five weeks each summer.

Two international work camps, located about 15 miles from Kassel were under Mario's direction during the following summer. Approximately 20 persons, representing 7 or 8 countries, participated in each camp.

Before returning to the States in November of last year, Mario spent three weeks in Sweden, and with five other BVS workers, toured southern Europe.

Also on the student roll at McPherson College this year, are two other members of the Oltman family, Eileen is a Macollege freshman, and Dwight is a junior.

Mario is also a junior this year, and is a member of MCA and International Relations Club. He is out for football this fall, and is a history major.

King'sley Hall needed a Jack-of-all-trades; Mario was it. His duties included janitorial work, teaching a Sunday School class, and helping with club programs for all age groups.

Included in some of the club groups were "teddy boys," young men who dress in the style of King Edward in the early 1900's.

In October, 1954, Mario again attended the European Annual Conference, held this time in Austria, where he was reunited

# Choir To Observe 25th Anniversary

The 1956 - 57 school year will mark the 25th season for the McPherson College A Cappella Choir. Plans are being made for a special anniversary celebration in connection with the choir's annual spring concert, March 9, 1957.

All former members of the A Cappella Choir are encouraged to be present for this occasion. Prof. Don Frederick, director of the choir, is inviting former members to sing with the present choir in the anniversary concert finale.

Prof. Frederick has announced that the repertoire of this year's anniversary choir will contain a generous selection of favorites from previous repertoires.

The March concert will carry an anniversary theme, and will include many favorite choral compositions.

# Loewe, Snyder

Rosalie Loewe, daughter of Mr. and Mrs. Leonard Loewe of McPherson, and James Snyder, son of Mr. and Mrs. Byron Snyder of York, N. D., were married Sunday, August 26, at the Church of the Brethren in McPherson with the fathers, the Reverends Snyder and Loewe, officiating at the double ring ceremony.

The bride wore a gown of Chantilly tulle lace and nylon tulle over satin. The bouffant floor length skirt was of layers of tulle with appliques of lace scattered over the entire skirt. She had an imported French illusion veil hung from a crown circlet of seed pearls.

Maid of honor was Marjorie Ross of Kansas City, Kans., and bridesmaid was Janet White of Des Moines, Iowa. Ramona Lowe and Sharon Lowe, sisters of the bride, were junior bridesmaids.

Best man was Lyle Long of York, N. D. Groomsman were Eugene Snyder of York, brother of the groom; Don Moeller, Overbrook, Kans., and Philip Lowe, brother of the bride.

After a short wedding trip, the couple are at home at 1815 E. Kansas. Both are enrolled at Macollege this semester.

# Girls Celebrate Birthday

Monday evening a surprise birthday party was given Wanda Soden of Rocky Ford, Colo. Third floor residents of Dotzour Hall helped her celebrate with cake and punch.

# Books Include Football Eschatology, Poetry, Games

The new books which arrived at the library this summer cover a great variety of topics. These recent additions are placed on a separate shelf, but they are checked out for the same period as other books.

**Christian Eschatology and Social Thought** by Ray C. Petry was written to show historically the interaction of Christian eschatology and social thought from the days of the early church to 1500 A.D.

Dr. Petry is now professor of church history at Duke University Divinity School. Before going to Duke University in 1937, he taught at McPherson College.

**Marriage is for Two** is the latest book on marriage and family relationships by Frances Bruce Strain. The book has two themes: the effect upon marriage of childhood conditions and restrictions, and the effect of woman's new economic capacity upon the traditional marriage pattern.

**The Leap of the West** by William Foster Harris is the result of a lifetime spent in collecting authentic western minutiae, little things about how the people, animals, and things of the old west looked and acted.

This wealth of information has been gathered together in a volume with the help of Evelyn Curro, who has drawn detailed pictures to accompany the text.

**Football's Greatest Coaches** by Edwin Pope details the lives of 23 men chosen by vote of the nation's top sports editors and columnists. Each coach's distinctive methods are given.

**Book of Lyrics** by Witter Bynner is his first volume of poems since 1947. The subjects of the poems are the eternal concerns

of poetry: love, the passing of time and all things, the evanescence of beauty, the marvels and messages of nature.

**Handbook of Indoor Games and Stunts** by Darwin A. Hindman is a collection of many indoor games and stunts, arranged so that a game suited to particular requirements is soon found.

**The Happy Child** by Irene M. Josselyn helps parents to understand the emotional and social growth of children from infancy through adolescence.

**The Best Short Stories of Theodore Dreiser** is a collection of 14 of Dreiser's "most representative stories."

Theodore Dreiser has been a strong influence on twentieth century American literature, especially in the field of the novel.

**Korea Tomorrow** by Kyung Cho Chung tells about the history, social customs, religion, language and literature, and economic and political structure of Mr. Chung's native land. This book is enriched by excellent maps and charts.

# Rowe Attends Meet

Don Rowe, Executive Secretary of the Western Region of the Church of the Brethren, returned early this week from a 10 day trip.

He attended part of the National Youth Cabinet Meeting in Elgin, Ill., and then he attended the fall staff meeting of the Brotherhood Board.

# Meet The Faculty . . . Lehman Presides Over Lit Classes

Miss Della Lehman, professor of English at Macollege, teaches literature and French. She has served on the faculty for 30 years and now has her classes in room 28 Sharp.

Her first teaching experience was at Manchester College, a Church of the Brethren College in Indiana. Miss Lehman is a graduate of Manchester and of the University of Southern California.

After securing her master's degree, Miss Lehman attended different graduate schools in the United States and in England, taking work which would make her class teaching more interesting.

Since Miss Lehman is a lover of travel, she has toured Europe, Mexico, and the United States. Last summer she traveled in the West. The summer before she was in the East.

During a recent sabbatical leave, Miss Lehman went to Europe and spent her time touring Europe by motor bicycle and working in an international work camp.

Miss Lehman's classroom interpretations of literature are enriched with her play interpretations and stories of her travels in places of literary renown.

Being concerned with better government, Miss Lehman takes a part in politics and urges others to contribute their time and interest to a democratic government.

# Students Need English Says K-State Teacher

Although Kansas freshmen at Macollege rank high on the placement test in English, Dr. Earle Davis of Kansas State College, Manhattan, views English teaching in Kansas with alarm.

"Kansas schools need a general over-all improvement in their instruction in English," Dr. Davis stated when he spoke to the State Board of Education.

"One-fourth of the high school students who enter college fail to meet the lowest standards of English usage, which would permit them to stay very long in college," Dr. Davis continued.

Dr. Davis recommended a proficiency examination as a prerequisite for graduation from high school and better training for high school teachers.

Not formal grammar, but constant practice in writing and speaking correctly is needed most, Dr. Davis stated.

# DDD's Form Club

The DDD's (Dartless Droops of Dotzour) met in Dotzour Parlor Friday evening after the game. After a short recreational session, the group adjourned to Room 321 for a business meeting and refreshments.

Committees for Personality Improvement, Food, and Recreation were set up and officers were chosen.

"We'll Die Trying" was selected as the club motto, and black and blue were decided upon as the club colors. Reports were given by several of the officers. A constructive discussion of the subject, "Why Are We Droops?" was held.

The meeting was adjourned at 12:30 a.m.

Next meeting of the club is set for Friday, Sept. 21.

# IRC Plans To Study Arab League Nations

The International Relations Club is planning a long range study of the Arab League Nations.

Steering committee members of this organization are Barbara Gooden, Delbert Hayes, and Joyce Flory.

The club's meeting time is the fourth Wednesday of each month from 6 to 8 p.m.

Dr. Raymond Flory, professor of history and political science, is sponsor of this club.

# BVser Works With People In United States, Bavaria

Sonya Kaufman, McPherson College freshman from Johnstown, Penn., has spent one year in BSV work in Flat Creek, Kentucky and one summer in an international workcamp in Bavaria.

Sonya entered BVS in September of 1953 hoping to go to Europe, but because she was not able to go at that time, she was sent to the Flat Creek mission in the hill country of Kentucky.

The mission is the only Brethren Church in the area although there are missions of several other denominations there.

The work the BVsers did was mostly home mission work which included teaching Sunday School, helping with church services, Bible School, visiting, and helping with prayer meetings.

The mission has five outposts that were visited each Sunday. Many times the BVsers rode on horseback or walked the several miles to these outposts.

The cottage where they lived was furnished with an electric stove for cooking and an old pot belled stove to furnish heat. During a severe snowstorm when the electricity was off for five days all the cooking had to be done on the pot belled stove.

Although Sonya enjoyed her work at Flat Creek, she still wanted to go to Europe and last summer that dream came true when she went to an international workcamp at Hengersberg, Bavaria.

Sonya was on the boat with 23 other Americans who were going to workcamps. After their arrival they spent the first 4 weeks touring the continent of Europe. Three days were spent in Kassel, Germany, in evaluating the tour, then the group went to the various workcamps.

There were 25 in the workcamp Sonya participated in representing 10 different countries. Although there were so many countries represented—in the workcamps, language was not a bar-

# Voders Take Trip East During Summer

R. Gordon Yoder, Macollege Business Manager, and his wife, Glee Yoder, Director of Children's Work in the Regional office, and their family spent several weeks traveling last summer.

First Mrs. Yoder went to the National Church of the Brethren Children's Work Cabinet Meeting at Elgin Ill.

Then the family traveled to Lancaster, Penn., where they visited Mrs. Yoder's sister. From there they traveled to Washington, D. C., New York City, the Finger Lakes in upper New York, Niagara Falls, Toronto, and Detroit.

During the trip they saw two major league baseball games, two cinerama movies, two theatre productions, three eastern Brethren college campuses, and the Pennsylvania Dutch area.

# More Students Enrolled This Year At Macollege

Enrollment this year is up over last year. Last year at about this same time there was a total of 357 regularly enrolled students. This year there are 381 students in the four classes. This does not include the 50 special students.

**Campus Personalities**

**1957 Quadrangle Editor**

Anne Keim

The editor of the Quadrangle this year is Anne Keim, a junior from Nampa, Idaho. Anne, a Home Economics major, has had seven years of journalistic experience prior to taking over as editor of the Macollege yearbook this year.

She has been active in journalism two years in college, and has had five years of journalism in high school. She has served as

writer and Society editor on the Spectator staff, and last year she was assistant editor of the Quad.

As Quadrangle editor Anne has the work of planning the year book from cover to cover. She plans each page, decides on page layout, has charge of the picture taking, and supervises the work of the rest of the year book staff.

She has tried to get ideas from the year books of other schools in order to get variety in the Quadrangle. It is her purpose to capture the activities of the students in pictures throughout the year.

The Quadrangle staff has four deadlines to meet this year. The first one comes on Nov. 2, when student and faculty pictures will be sent in.

Besides being editor of the year book, Anne is active in several other campus activities. She is a member of the Pep Club, the Home Ec Club, the Pi Kappa Delta Fraternity, and the Future Teachers of America.

She has also been in debate, has sung in the Chapel Choir and the A Cappella Choir, and has been in Players' Club. After finishing school, Anne plans to be a Home Economics teacher.

**Don't Read It**

Dear Freshmen,  
Many of you who are away from home for the first time are faced with the problem of writing home. As we have spent several years in college and have written home every other year, we feel quite competent in advising you as to the correct procedure of such correspondence.

Writing home is another of the important spokes in the wheel of college education. Without this spoke, the pocket book will be flat.

To facilitate your writing, we have devised the Harms and Harris Handy Home Letter Form. To use this form, clip out of the paper and follow the simple instructions.

Underline correct word, or words in parentheses.

Dear Folks,

I just read your last letter and (found, did not find) the check. I (enjoyed, would have enjoyed) spending it.

College life is real exciting, here's how I spend my time each day:

Hours spent studying—(3, 2, 1, less)

Hours spent goofing off—(8, 10, 12, more)

Hours spent sleeping—outside of class—(1, 1/2, 3/4)

Classes slept through—(1, 2, 3, all)

My roommate just waded into the room, so I'll tell you about (him, her, it). (He, she, it) is (tall, short, medium), is (fat, thin, medium), and has (red, brown, blond, no) hair.

My roommate is (rich, unpopular) and is (dainty, dangerous, delirious, dying, decayed).

The (girls, boys) here are (beautiful, handsome, beautiful, bashful, none of the above). So far I (am dating, am hoping, am going steady, am engaged, am married).

I have had to buy books for each of my classes. So far I have bought (4, 5, 6, 7) books and have read in (1, 0) of them.

And now for my closing paragraph.

Amount of money I will need next week \$ .....

Amount of money on hand for next week \$ .....

Difference—balance due, send at once \$ .....

Send Surely,

Your loving (son, daughter) and \$600 income tax deduction.

All right. All right! Who did it?

**Ponder With The President  
It's Easy To Forget**

Sometime ago I wrote about what a wonderful family we have, and here, at McPherson College. As the President of the College I always speak with pride concerning the family and always like to be able to speak with pride.

There are some things for which the family deserves strong commendation. The quiet and easy way in which we started off our life in the dormitories this

year is to be commended. The prompt way in which we get into chapel and our interest and attention from the very first is to be commended.

The readiness with which students parked over in the north parking lot, allowing a little more space for visitors and faculty on the circle drive, is to be commended.

The general good deportment everywhere over the campus is to be commended.

The participation in evening activities and extra-curricular activities by those who live in the town, or who are not, boarding students, is to be commended.

All of these things make us happy about the McPherson College family.

There is only one thing I wish to comment upon in a negative way, in reference to the family at this time. I have noticed candy wrappers, chewing gum wrappers, kleenex tissue, and even empty Coca-Cola bottles here and there about the campus and in corners of the halls.

I think we have failed to remember that whenever one of these things is dropped one of our fellow students must follow along and gather them up.

Dr. D. W. Blittinger

**Dynamite In Our Hands**

**By Leon C. Neher**  
We have dynamite in our hands.

Dynamite consists of a small piece of cylindrical shaped cardboard filled with nitroglycerin, which appears to be quite harmless. However, when the powder is contacted by a spark, a tremendous explosion takes place.

The effects are far beyond one's original expectations from the small piece of cardboard.

Christ first appeared to be of little importance to the casual observer, but this man set off a tremendous explosion from which the atmosphere never has, and never will, quit reverberating.

The echo of "I came that you may have life and have it abundantly" still resounds.

We can have life for ever and ever through Christ. This abundant life does not need to wait until after our death to begin. It can begin right today.

If we claim to be Christians, we have vowed before God to live a life as near to Jesus's life as possible. To break this vow is sin.

We are to explode and to do things far beyond the expectations of our millions of spectators.

Other religions are daring us to prove that Christianity is the one and only true religion. Christianity is different. No other religion can offer the power to obtain salvation.

Are we cowards, or are we willing to open our hearts to the fire of God so that our faith can be exploded into the eyes of these people who are pleading for something solid to build their lives upon?

We appear to be harmless bits of humanity; but if we can connect ourselves to the fire of God's love, we shall be able to help give the world that for which it is asking.

Christ gave us the power to live an abundant life. Let us touch ourselves to the flame of God.

**Zeller Announces Topic**  
The sermon for Sunday morning's service will be entitled "Dinner Is Served." The text to be used is "I am the bread..."

This is the second in a series to be delivered through the months of September and October.

There will be a called council meeting at the regular Sunday evening worship hour.

**The Men of Peace**

By Elijah Odoakara

All men of peace no rest should know

Till peace on earth by love they sow.

On earth as one all men will live

When minds of men are won with love;

For peace on earth to come and stay

The thoughts of men must make the way.

The ways of men must please their God

And all on earth His will must laud.

With work of faith and trust in God

In near and far they serve their God;

The men of peace have built one earth;

A home for all they make the earth.

For love of Christ they wash all feet.

To do his will all mouths they feed.

Their goods they share with all by love

To win all men for Christ in love.

For love of God and cause of peace

They risk their homes, their names and peace.

In time of ills in this they live

That sons of God are men of peace.

**Students Visit Homes**

Neva Shenefelt and Ruth Davidson went to Neva's home in Navarre, Kans. last weekend.

While there, they attended a reception honoring the Shenefelt family, who moved to Navarre during the latter part of August.

**Metzler Addresses Chapel**

Dr. Burton Metzler, head of the Philosophy and Religion Department, spoke on the theme, "Where Are You?" in chapel Tuesday morning, Sept. 18.

Mr. Paul Wagoner, alumni secretary, sang a solo and Phil Bradley, junior, led the devotions.

**When God Is Shining**

By Kirby Page

A little boy was watching the setting sun with its crimson and gold and blue. Suddenly he exclaimed, "Oh mummie, now I know why the sunset is so beautiful, because God has got behind it and He is shining through."

With this vision, read deliberately John Ruskin's prose poem:

"The storm swept finally to north, and the noble outlines of the domes of Albano rose against pure streaks of alternate blue and amber, the upper sky gradually flushing through the last fragments of rain-cloud in deep, palpitating azure, half ether and half dew.

"I cannot call it color; it was conflagration. Purple and crimson and scarlet, like the curtains of God's tabernacle; the rejoicing trees sank into the valley in leaf quivering with buoyant and burning life; each, as it turned to reflect or to transmit the sunbeam, first a torch and then an emerald.

"Far up into the recesses of the valley, the green vistas arched like the hollows of mighty waves of some crystalline sea, with the arbutus flowers dashed along their flanks for foam, and silver flakes of orange spray tossed into the air around them, breaking over the gray walls of rock into a thousand separate stars.

**Year Books Discussed**

On Friday afternoon, Sept. 14, Larry Johnson, assistant of the Blue and Gold year book at Kearney State Teachers College met with Mrs. Sarah May Brunk, McPherson College year book advisor, Irene Shull, a journalist from Macollege, and Anne Keim, editor of the McPherson College year book.

They talked over various problems concerning the year book, areas concerning year book work, and compared annuals.

**SoCo To Show Movies**

A series of eight full-length movies will be shown on Macampus during the school year.

Social Committee is sponsoring the movie series again this year for weekend student entertainment.

No admission will be charged, but each person will be given an opportunity to make a contribution to the cost of the film rental. Twenty-five cents per person will just cover the film rental, the committee estimates.

After the movie dates have been cleared and placed on the school calendar in Mrs. S. M. Dell's office and the company has verified the rental selections and dates, the committee will publish the titles selected and the dates for their showing.

**Class Visits Schools**

The Instruction Methods Class took two field trips this week. Tuesday afternoon the class visited Mrs. Fred Ranck's kindergarten class in Wickersham.

Thursday afternoon they visited the first and second grade classes in Canton, Kansas. Mrs. Kathryn Lindgren is the first grade teacher, and Mrs. Agnes Bailey is the second grade teacher in Canton.

Those making the trips were

**Visitors On Macampus**

Visiting on Macampus last weekend was Nancy Ruth Erisman. An ex-Mac student, Nancy Ruth is teaching the second grade at Quinter, Kan.

Gary Shadel of Sabetha, Kan., visited his sister, Janie, Saturday and Sunday. Gary left Sunday for Michigan University in Ann Arbor, Mich., where he is enrolled for the fall term.
