

School, Weather, Food Seem Different To Mexicans

"McPherson is one of the nicest little towns I have ever been in," says Enrique (Henry) Esquino, freshman, Mexico City.

Enrique recently moved from Arnold Hall to 227 South Grand so he could be with his mother and sister, Maria de Los Angeles, a sophomore in McPherson High School.

Enrique (En re' k) plans to major in the field of chemistry and wants to be either a petroleum chemist or a teacher. His other interests are varied with emphasis on sports such as football, basketball, soccer, and ping pong and also languages.

"Mother likes it very much here but will probably die with the cold," Enrique said. "It is much colder here in the winter and hotter in the summer than it is in Mexico City," he added. The average year-round temperature in Mexico City is about 75 degrees.

Mrs. Esquino likes the quick methods of food preparation that are available according to Enrique. "Food is very different," he said. "In Mexico, a lot of chili pepper is used and there is no gravy. The apples aren't very good, but there are mangoes, a fruit about the size of an avocado with a very special flavor."

Enrique compared the schools in Mexico with those in the states saying "In Mexico, the subjects are given the students and they are told to learn them. In the states, the student can choose his courses and can ask questions."

"Kansas is a very empty place it seems," Enrique remarked after describing Mexico City as a city of about three million and very much like Chicago with big buildings and fast moving cars.

Mrs. Betty Ruth Collier, daughter of Mr. and Mrs. John Stutzman, McPherson, is a friend of the Esquinos and recommended McPherson College to them, which was one of the factors that brought Enrique to this school.

Freshmen Elect Cheerleaders

Newly-elected Freshmen Cheerleaders: Karen Stoner, King Ferry, N. Y.; Sandy Schrock, Hampton, Iowa; Carolyn Cotton, McPherson; Wes Albin, Grundy Center, Iowa; and Loren Reyher, Wiley, Colo.; were selected Nov. 21 by a vote of the freshmen.

The cheerleaders have chosen white outfits with red letters and red shoes. The boys will wear white corduroy trousers with white wool crew neck sweaters, and the girls will wear white wool pleated skirts and white wool crew neck sweaters.

The cheerleaders exhibited their abilities at the opening game with Tabor Tuesday.

Jason Amuses

Humor and fine music blended with intelligence and personality was today's schedule for the chapel appearance by George Jason.

Mr. Jason was born in Tiflis, Republic of Georgia, Caucasus, Russia, and was provided with a fine education by his parents.

Two years during World War II were spent by Mr. Jason enrolling service men all over the world including a "command performance" at Hyde Park for President and Mrs. Roosevelt.

Sunday's Agenda Is Outlined

"Nothing Succeeds Like Failure" is the topic of the sermon Sunday morning, Dec. 7, at the College Church, according to Rev. Harry K. Zeller, Jr.

A Christmas program entitled "The Lost Carol" and directed by Doris Coppock, associate professor in music will supply the evening program. Winston ('50) and Rita Evans ('58) Beam and Max McAuley ('52) will speak during the program, with the music being furnished by the Youth Choir.

Last Sunday, the evening service was charged to the Ministerial and Missionary Fellowship. Merrill Grohman, sophomore and pastor of the Little River Congregational Church, presented the sermon, "Why Close The Door". Gary Stelling, sophomore of McPherson, presided. Bob Dell, sophomore from McPherson, led the singing.

Rev. Zeller's sermon topic for Sunday morning was "Spiritual Surgery".

College Calendar

Tonight, Friday, Dec. 5. Movie in chapel at 7:30 p.m.

Tuesday, Dec. 9. Basketball game at high school with Sterling. B game at 6:15 p.m. followed by A game at 8 p.m.

Friday, Dec. 12. Skating Party. Saturday, Dec. 13. Winter Formal in gym.

Bittinger To Be Chairman Again

Although his illness prevented his being chairman of the Resolutions Committee of the American Association of Colleges last year, Dr. D. W. Bittinger, president of Macollege, has been asked to serve in this position again this year.

It is rare for the president of a small church-related college to be asked to serve as chairman of this committee. This position is usually held by the presidents of large, state universities.

During the past week, Dr. Bittinger, accompanied by R. Gordon Yoder, Macollege business manager, and Dean Wayne F. Geisert, attended a meeting of this committee in Kansas City.

Split-Second Timing Makes Play Success

Approximately 450 people saw the comedy, "See How They Run" by Philip King, during its three-night run in the Student Union Room, Nov. 22, 24, and 25.

The split-second timing on the lines and acting contributed to the fast pace at which the play moved through the hilarious scenes of mistaken identity.

Prof. Peter Coulson, director, stated that his biggest worry before the play was not the actors but the props as the number of hand props in the play kept the stage crew on edge lest an important clerical collar might not be at the right place at the crucial moment.

Wayne Geiserts Host MCA Family Dinner

Approximately 200 students and faculty of Macollege attended the McPherson Christian Association family-style dinner on Nov. 20 in the church social rooms.

Dr. Wayne F. Geisert, dean of the college, and Mrs. Geisert were the hosts for the meal. They were the guest speakers. "Thanksgiving Turkey A La Mode" was Dr. Geisert's topic.

Richard Bittinger, MCA president, was the master of ceremonies.

Elizabeth Pittman, Donelda Arick, and Veneta Howell were in charge of the meal.

KCCC Meets On Macampus

Nineteen member presidents of the Kansas Council of Church-Related Colleges and about seven others met yesterday, Dec. 4, on Macampus.

Father James P. Shannon, president of the College of Saint Thomas, St. Paul, Minn., was the discussion leader.

"Can Virtue Be Taught?" was the topic discussed. The substance for the discussion was Plato's "Meno."

New officers were also elected at the business meeting at 2:30 p.m.

D. Arthur Zook, president of Kansas Wesleyan University, was the past president.

The executive council of the Kansas Foundation of Private Colleges consisting of the nineteen member presidents met also. The Foundation's business is to meet with the industrial leaders to solicit financial aid for the colleges.

Dr. D. W. Bittinger, Macollege president, is the head of the Kansas Foundation.

Month Of December Filled With Historical Happenings

The month of December is up on us once again. The word December is derived from the Latin word decem meaning ten. December was the tenth month among the early Romans, who began the year in March.

The month of December contains many notable anniversaries and other dates.

On Dec. 1, 1917 Father Edward Flanagan founded Boys Town in Nebraska. On the following day in 1927, Henry Ford launched his Model A car, successor to the famous Model T. Price of the roadster was \$385.

On Dec. 6, 1941, President Roosevelt sent a note to Emperor Hirohito expressing his "fervent hope that Your Majesty may, as I am doing, give thought in this definite emergency to ways of dispelling the dark clouds."

The next day Japan attacked Pearl Harbor.

Dec. 14, 1799, George Washington died at Mount Vernon "I thank you for your attention; you had better not take any more trouble about me, but let me go off quietly." — His last words to his doctors.

On the 15th of the month in 1890 Sitting Bull, a chief of the Sioux Indians, was shot and killed

Deputation Team To Leave Dec. 8

Mary Lou Kingery, freshman, Mt. Etna, Iowa, will be replacing Marlene Klotz on the deputation tour to be made Dec. 8-12. She will be pianist for the group.

Others making the trip are Juanita Fike, senior, West Plains, Mo.; Vernard Foley, sophomore, Morrill, Kas.; Richard Landrum, sophomore, Hutchinson, Kas.; and Paul Wagoner, faculty sponsor.

Miss Fike was an exchange student in Germany during the last school year. Foley is active in campus dramatics and speech activities, while Landrum, a ministerial student, participates in musical groups.

All take an active interest in the McPherson Christian Association and other religious groups on the campus.

Formal Highlight To Be Masque

Highlight of the Winter Formal to be held in the gym Dec. 13 at 7:30 p.m. will be a Christmas Masque. Don Hollenbeck will star and a cast of seven plus a choir of eight will be backing him. The Masque is entitled "Christmas Spirits."

It was written by Leslie Hollingworth. The music for the production is being written by Harvey Hess, sophomore from Waterloo, Iowa, and it will be directed by Eddy Longmire, sophomore, Dallas Center, Iowa. The choir is a mixed octette.

Members are Eileen Oltman, Karen Stoner, Carolyn Fillmore, Marlene Klotz, Harvey Hess, Irvin Wagner, Roger Killion, and Jim Nettleton. Medieval Christmas music will be used.

The cast of the Masque includes Don Hollenbeck, Bob Dell, Eddy Longmire, Terrill Phenice, Anna Vassiloff, Charles Lauver, Dick Ferris, and Loren Reyher.

Macollege Students In BVS Are Scattered On Projects

Longmire Has Poem Published

Dennis Hartman, secretary of the National Poetry Association has announced that the poem "Futility," written by Eddy Longmire, sophomore from Dallas Center, Iowa, has been accepted for publication in the Annual Anthology of College Poetry.

The Anthology is a compilation of the finest poetry written by the college men and women of America, representing every section of the country. Selections were made from thousands of poems submitted.

A copy of Longmire's poem is published elsewhere in today's paper.

Woodworking Students Make Leaf-Shaped Bowls

"Leaf-shaped, hand-tooled bowls have been our present project in industrial arts" Prof. S. M. Dell said, as he explained the necessity of teaching students how to handle wood grains.

Students have had the opportunity to work with a large assortment of wood including tulip, ovidire, and mahogany in their projects which vary from bed heads to M-Club paddles.

Some of the students have been working on colorful S shaped nicnac bowls as a part of their project.

MCA Announces Proposed Budget

On the basis of the pledges turned in, a proposed budget has been made by the MCA for this school year. The budget is as follows:

Exchange Student Project	\$300
Operational Expenses	75
YMCA and YWCA	10
World University Service	100
	485

The operational expenses include UCYM dues, rental of films, and guest speaker and printing expenses.

Also, this year the MCA is sending a delegate to the National YMCA-YWCA Conference during the Christmas vacation. Jim Merrifield is the representative.

The MCA will welcome any additional pledges. Pledge cards may be obtained from any Cabinet member.

The Cabinet consists of Dick Bittinger, Jim Freed, Pat Albright, Alferdten Brown, Sherland Ng, Prof. Dale Brown, and Prof. Paul Sollenberger.

Pre-Enrollment Deadline Is Set Next Friday

Approximately 123 students have pre-enrolled for second semester according to the Registrar's Office on Dec. 1. The deadline for pre-enrollment is next Friday, Dec. 12, at 5 p.m.

Students are urged to see their counselors to complete their enrollment within the next week.

Twelve seniors have pre-enrolled out of the class of 83; 20 juniors out of 77; 43 sophomores out of 104; and 48 freshmen out of 165.

Four former McPherson College students have completed a nine-week training program for Brethren Volunteer Service at New Windsor and have now been assigned to service projects.

Bettie Crain of Waterloo, Iowa, who attended for one year ('57-'58) has been assigned as a normal control patient at the National Institutes of Health in Bethesda, Maryland. After several months there, she will be reassigned to another project.

Here Brethren Volunteer Service workers serve as normal volunteer patients in the Clinical Center, participating actively in medical research studies. Normal volunteers are vitally important to such studies, in order to compare the effects of certain treatments and drugs on normal persons and on those who are ill.

Bettie's new address is: Brethren Volunteer Normal Control, Clinical Center, National Institutes of Health, Bethesda 14, Maryland.

Carolyn Bowers of Roanoke, La., who was at Mac '57-'58, has gone to Modesto, Calif., to work with the Community Church in its community and club programs. Through this South Modesto Community Church, the Church of the Brethren maintains a community service for the people of the area — many of whom are former migrant laborers seeking to establish more permanent roots.

Playground recreation, club work for boys and girls of different ages, dramatic and music programs are some of the activities carried out on the project.

Mail will reach Carolyn at the following address: South Modesto Community Church, 2027 Tulsa Street, Modesto, Calif.

Carol Hickey, of Adel, Iowa, who attended McPherson for two years ('56-'58) has been assigned to work with the Indians in Richfield, Utah, helping with the protestant religious program.

Volunteers who serve here have the major responsibility to help bring a religious ministry to the Navajo Indian students who live there in boarding homes and attend neighboring white schools.

Mail for Carol should be sent: c/o Nathan T. Helm, 36 East Second South Street, Richfield, Utah.

Vera Mohler, a 1958 graduate of McPherson, sailed Nov. 18 aboard the S. S. United States to begin her work with the Brethren Service Commission in Europe. Headquarters are found in both Kassel, Germany, and in Linz, Austria.

The program in both countries covers many areas, including material aid to the sick and needy, selection of refugees for emigration to the U.S., and a high school and college student exchange.

After an orientation period, the volunteers assigned to Europe are accorded again to projects according to their training and abilities.

Vera's address is: Brethren Haus, 5 Witzenhauerstrasse, Kassel-Rothenditmol, Germany.

Bettie, Crain, and Carol will each serve 10 months in B.V.S., while Vera's term is for 22 months.

Pondering With The President

Those Christmas Lights

By Dr. D. W. Bittinger

I was in Chicago when they turned on their Christmas lights. State Street lived up to its publicity as being the most brightly lighted street in the world, and one of the most beautifully decorated at Christmas time. It is a pleasure just to walk along such a street and look at the shop windows and their decorations.

I read recently that McPherson is to have new lighting on Main Street. We are presently to have one of the best lighted main streets of any city in Kansas. We shall be proud of it, but even now our streets tingle with Christmas lights.

As I look at these lights I cannot help but remember vast areas of the world where there are no Christmas lights. In such areas there are no Christmas trees; no Christmas presents. In fact, there is no knowledge of Christmas, or of the Christ who started it all.

It is good to share our Christmas cards. Let us give to each other our gifts; but may our hearts be forever restless until we have done more for the areas of the world where there are no Christmas lights; no Christmas lights of any kind.

Youth Of America Faced With Problems, Challenge

Never before in history has any generation faced the great responsibility and grave dangers that we, the youth of the world, face today.

Hatred and racial prejudice, the possibility of utter destruction of life on the earth, the possibility that future generations may be warped in body and mind because of atomic fall-out are a few of the problems we face.

Together, Russia and America possess more than enough nuclear weapons to put an end to life on the earth.

But we are not ready to accept the fact that we are "licked" or that problems we face are too much for us to cope with.

No one can deny the situation which faces our generation is a serious one but can anyone say it is any more serious than the Dark Ages or the two previous World Wars.

We face a challenge—a great challenge. Perhaps we have no immediate decisions to offer. Perhaps past generations have been too hasty in reaching decisions.

We are not "licked." Together you and I will meet the challenge the future presents to our generation.

—J.E.N.

By putting his best foot forward, many a man pulls his worst foot back.

LITTLE MAN ON CAMPUS by Dick Bibler

"I'D LIKE SOME OF YOU TO THINK OF THIS TERM PAPER FRIDAY AS A 'DO-IT-YOURSELF' PROJECT."

Futility

O anguished soul, lost in the dark of fear,
Thou burning thirst for peace unquenched, unhealed,
Yea, lifeless spirit, drowned by thought unclear,
Why stealst thou the mind, dead, unmade?
E'en love is there but yet seems not to aid.
God's works and causes rise but do not build
Great strength, but cause instead weak will to fade.

The very source of life, seems though tis killed.

Presentation Canceled; No Rehearsal Time

The Christmas Oratorio, by Camil Van Hulse, originally scheduled Dec. 14, to be given by the Music Department has been canceled due to insufficient rehearsal time.

What unknown spirit steals away all power?
What nameless horror darkens every hour
And presses down man's struggling, fighting will
To live, yea, seeks instead the heart to kill.
Thou hateful viper, spawn of Satan's goal,
By name unknown, yet thou hast crushed the soul.
Eddy Longmire

Needed—One Baby Bed

As a public service the editor would like to help students who are in need of help in securing the necessities of life.

The following ad appeared in the Nov. 28 issue of the Daily Republican:

Wanted: Miscellaneous GOOD baby bed. Phone 27F11. dition. Contact Dennis Hubbard. Fahnestock Hall, Macollege. If any one knows where Dennis may find such a bed I am sure that he would appreciate your help. —hlc

Basketball Squad Scheduled For Full Holiday Workout

The varsity basketball squad will be selected just before Christmas vacation," according to George Keim, assistant coach and instructor of physical education.

"We will keep the varsity squad here over most of the Christmas vacation and take them on a trip to Enid, Okla., Dec. 19 and 20 where we will play Phillips University," Mr. Keim said.

The team will return Sunday to play in the Kansas Conference Tournament, Dec. 22 to 24. The team's vacation will follow the tournament and last until Dec. 23.

A team appearance at Nebras-

ka Wesleyan in Lincoln, Neb., is scheduled for the 29th, followed by a game with Hastings College in Hastings, Neb., on Dec. 30.

After the Nebraska games, the team will return to McPherson for a tilt with Sterling College at Sterling Jan. 3.

The KCAC, Kansas College Athletic Conference, season will begin with a home game against Baker Jan. 12.

The first game of the season was held Dec. 2 against Tabor College of Hillsboro and the second game was a tilt with Bethel at Moundridge, Dec. 4.

Moundridge Tournament Continues Tomorrow Night

The McPherson College Bulldogs met the Bethel College Graynaroons in the second game of the Moundridge Tournament last night. Tabor College and Bethany College met in the first game of the oldest continuous event for four-year colleges in Kansas.

The winners of the two games will be meeting in the championship game tomorrow night following the consolation game between the two losing teams.

Bethany won the event last year and came back this year to try for its second championship. To win the Challenge Trophy permanently, a team must win the tournament three years

in succession. A tall Tabor team with all of last years starters back rate as favorites in this eighth annual event. The three other teams seem to be equally strong.

Returning with their teams are Sid Smith, Mac's coach; Dale Bloss, coach at Bethany; George Buhr, coaching at Bethel; and Delmar Reimer, who is Tabor's coach. All these coaches are the same as last year when they brought their teams together for the tourney.

Jack Ward and Ross Estes of McPherson will be officiating the tournament games.

Maccollege Bulldogs To Host Sterling Warriors, Dec. 9

The McPherson College Bulldogs will host the Sterling Warriors in their second home game of the season Dec. 9 at the high school gym.

The Warriors will be trying to throw off the jinx the Bulldogs and Coach Smith hold over them; they have never beaten Maccollege since Coach Smith came to Mac in 1954.

Trying to keep the record intact will be the possible starting lineup of Ed Delk, Jerry McPherson, Dennis Brunner, Ivan Prochaska, and Cliff Baile. Coach Smith has experimented with sev-

eral possible combinations. The B squad will meet the Sterling B squad at 6:15 to try for a successful season.

Coach Selects First Fifteen

Coach Smith has named the first 15 members of the "58-59" Bulldog basketball team. Seniors on the team are Jerry McPherson, 6'2½" from McClouth, Kas., and Ed Delk, 6'1" from Topeka, Kas.

Sophomores selected are John Heidebrecht, 5'11" from McPherson and Ivan Prochaska, 6'3½" from Glasco, Kas.

Dennis Brunner, 5'11", Ramona, Kas.; Max Grossnickle, 6'1" from Laurens, Iowa; Richard Heidebrecht, 6', McPherson; Larry Schiehuber, 6'1" from Marion, Kas.; Larry Werner, 6'1", Wina, Kas.; and Don Willis, 6'3" from McClouth, Kas. are the juniors on the team.

Freshmen making the team are Cliff Baile, Warrensburg, Mo., 6'3"; Don Elliott, 6' from Greeley, Colo.; Stuart Frazier, 6'1", Charles City, Iowa; Dick Keeler, 5'8" from McPherson; and Tom Richards, 5'9" from Solomon, Kas.

These 15 made the trip to Moundridge to display their talents against Bethel College on Dec. 4. The winner of that game and the winner of the Tabor-Bethany game will meet in the championship game with the trophy going to the winner.

To keep the trophy, a team must win the meet three years in succession. Bethany won the meet last year and have only two more to go for a permanent trophy.

To err is human — and sometimes it's the best thing that could happen to you.

Read and heed the Spec ads.

Practicing a yell for the next game are the newly elected Freshman Cheerleaders. From left to right are Sandy Schrock, Wes Albin, Karen Stoner, Loren Rehyer, and Carolyn Cotton.

Six Bowls Filled New Year's Day

The football season is all over with the exception of the post bowl games. Four teams clinched bowl bids in last Saturday's action.

The final bowl line-up looks like this:

Rose Bowl at Pasadena, Calif. — Iowa (7-1) vs. California (7-3)

Sugar Bowl at New Orleans — Louisiana State (10-0) vs. Clemson (8-2).

Orange Bowl at Miami — Oklahoma (9-1) vs. Syracuse (8-1).

Cotton Bowl at Dallas — Texas Christian (8-2) vs. Air Force

Academy (9-0-1).

Gator Bowl at Jacksonville, Fla. — Florida (6-3-1) vs. Mississippi (8-2).

Sun Bowl at El Paso, Texas — Wyoming (7-3) vs. Hardin Simms (6-4).

The season finished with only one major undefeated - untied team, that being Louisiana State, Army, the Air Force Academy, and Auburn were the only ma-

Note Of Thanks

The cast of "See How They Run" wishes to thank those who helped with the production.

Without the enthusiastic support of the audiences and the props loaned by college and downtown people the play would not have been a success.

Follow the Bulldogs in the McPherson Daily Republican

Kline Hall, serving a dual purpose, is the home of eight single women and seven married couples. The building was constructed in 1919 and is located just north of Arnold Hall, one of the men's dorms.

Kline Hall Now Serves Double Role On Macampus

Kline Hall, first built in 1919, was constructed as a three-floor apartment house for married couples attending MacCollege. It still serves in this capacity and has another one besides. It is a two story apartment house for married couples with the third floor for single girls, due to the overflow of Dotzour Hall.

The married couples live in two room apartments, four on each of the first two floors. The couples are Mr. and Mrs. Evan Johnson, Mr. and Mrs. Kenneth Holderread, Mr. and Mrs. Lewis Williams, Mr. and Mrs. Hudson Sudd, Mr. and Mrs. Jerry McPherson, Mr. and Mrs. Charles Beach, and Mr. and Mrs. Alvin Rowe.

The other apartment for married couples is vacant this semester.

The girls living on the third floor are: Jo Ann Kerr, Violet Oliver, LaDonna Powers, Janice Bower, Ellen Kurtz, Avis Prochaska, Clara Zunkel, and Janelle Miller. There is room for 18 girls but all the space is not needed this semester.

In the summer of 1947 a major overhaul was done on Kline Hall.

To have failed is to have striven; to have striven is to have grown.

Chaff Cuts Up . . .

Once Upon A Midnight

By Faus, Foley, and Harris
Once upon a midnight dreary,
while we pondered, weak and weary,
Over many a dry and tedious chapel of the weeks before,
When we'd nodded, nearly napping,
till at once there come a tapping,
As of someone gently rapping,
rapping to disturb our snore.
"Tis some professor," We had muttered,
"tapping to disturb our snore."
Only this, and nothing more."

Ah distinctly, we remember, on that night in bleak December,
When each separate devilish member wracked his brain for deeds of gore,
Thus we sat engaged in guessing,
though our grades had been distressing,
And ignored our studies pressing,
while we plotted more and more,
Though our grades had been declining,
still our plans we kept refining,
And we studied nothing more.

Soon our wicked thoughts beguiling
our weird faces into smiling
By the wild, uncanny actions that
our evil plottings bore,
We settled then upon the action
That would cause a huge distraction,
Like the radio of yore.

For imagine the completing of
our Friday chapel meeting
By the sudden disappearance of
the speaker who doth bore,
Down into the Dog House dropping,
Suddenly he would go plopping.

Prescriptions

at
Raleigh's Drug Store

As of someone loudly flopping,
flopping on the Dog House floor,
And we cannot help agreeing that
no living human being
Ever yet was blest with seeing
speaker fall right through the floor
Speaker cease to bore the students
and fall right through a big trapdoor.
To reappear, ah nevermore!

With these thoughts our souls
grew stronger, hesitating then
no longer,
Straight we took ourselves to chapel
and snuck in through the back door.
Then upon the stage floor drawing,
we betook ourselves to sawing,
Sawing out the section that would
be our big trapdoor.

While we worked fast, scarcely
speaking, suddenly there came
a creaking,
As of someone slowly sneaking,
sneaking toward the chapel door.
Then into the chapel peering,
long
we stood there, wondering, fearing,
Doubting, dreaming dreams
no student ever dared to dream before.

But the silence was unbroken,
and the stillness gave no token
And our only thought there spoken
was to finish the trapdoor.

Back upon our night's work turning,
all our souls within us

Johnsons Are Parents Of A New Baby Boy

Mr. and Mrs. Eugene Johnson became the parents of a baby boy Saturday morning, Nov. 22. They named the child Ronald Eugene. He weighed seven pounds and eight ounces.

burning
Soon again we heard the creaking,
somewhat louder than before,
Then the silken, sad, uncertain
rustling of the chapel curtains
Thrilled us — filled us with fantastic
terrors never felt before,
So that now to still the beating
of our hearts we stood repeating,
"Tis the squeaking of the floor,
that it is and nothing more."

Then our long night's work re-suming,
Soon we heard a voice come booming,
"Be this deed our sign of parting,
plotting fiends," it shrieked, up-starting,
"Get thee back into your homelands
where you dwell in days of yore."
Then in stepped the Dean, Wain
Geyser, for whom we'd planned
our big trapdoor.
And Chaff was banished from McPherson,
To be seen there — Nevermore.
