Pondering With The President

Steel Strike Will Cost Workers Up To 2000 Days

Dr. D. W. Bittinger

A recent news release indicated that financially enough has been lost by the common man involved in the steel strike so that, depending on what the final settlement is, it will take him from 500 to 2000 working days to make up what he lost.

Thus, it would require from two and a half to five years for him to regain even what he lost. That is a lot of slack to make up. In another strike the time lost was so great that the workers could never live out the years required to make up the lost time; neither could their wives who were also involved in the hardship which the strike brought upon them.

In addition to this, management has incurred tremendous losses. Various figures have been quoted. Some of them indicate several million dollars a day, which the strike cost industry.

News comments were made that these "bosses" were very courageous men: some thought that labor bosses had nerves of steel, others that steel-management had unflinching courage.

But who really pays for these losses? This expense eventually is picked up by everyone of us who make purchases regardless of whether we are numbered among the rich, the medium, or the poor.

Moreover, such strikes place

us in an unfavorable light with other nations, for they indicate that we cannot get along with each other in our industrial affairs. In addition, while strikes force our prices up, other nations are able to supply the things which we are not making and, thus, our industries lose sales to imported goods. This is probably a good thing for the other countries, and also for us, for our world will be a better neighborhood when there is freer and easier exchange of goods and services between all countries. This does, however, place a problem on us when we lose markets.

A major danger of heaped up strikes is that it irks the eyes of the world there seems inherent in our American system a certain belligerency which causes us perpetually to fight each other. This makes other nations apprehensive of our willingness and ability to get along peacefully in the family of nations.

Why do we keep on with this year after year?

The answer, at least in part, is that we have assumed and taught that the way to get ahead is to fight to get ahead. Some day we will learn that fighting within industry, within the family, within the churches, among the nations, does not even remotely point in the direction of getting ahead.

New Building Projects Are Announced By Mac Trustees

A project to build five new buildings at a cost of \$700,000 has been announced by the McPherson College trustees.

The new buildings will include an addition to Dotzour Hall; a union-cafeteria building; and three more units for the married students.

MacCollege has applied to the federal government for a loan that would amount to \$550,000 and the

college has to provide the remaining \$150,000 to complete the financing of the project.

The board of trustees, which met at the college several weeks ago, approved the entire project and gave support to the task of raising the additional money.

The addition to Dotzour Hall will be on the north end of the present building. The extension will extend on a northeast to southwest angle at the end of the building. It will be sufficient to accommodate 72 additional women students.

The union-cafeteria building will be a two-story structure and will be located on the south side of the campus between Dotzour and the library.

The three additional units to the married students housing area northeast of the campus will be similar in size and style as the three units that are now in use. The new units would provide room for 12 additional family units.

No man can be provident of his time who is not prudent in the choice of his company.

Churchmen Visit Queen Pat Likes Music; MacCollege Today Plans To Enter Teaching

An experimental project of churches of the Brethren in Iowa is now taking place as representatives from the churches of the state visit the campus today.

These representatives plan to become better acquainted with the college and to act as contacts for McPherson College in local churches.

Harvey Lehman, public relations director, is showing them around the campus and later Dean Wayne F. Geisert will tell the representatives about the curriculum program of the college.

This evening the guests will dine in the cafeteria, where Dr. D. W. Bittinger will explain the needs of the college and how the representatives can help.

This project is sponsored by the Men's Work of the Western Region.

Organ Guilds Merge

Mrs. Audrey San Romani, associate professor of organ and piano, announces that the Lindsborg chapter of the American Guild of Organists has moved to the Salina chapter.

This change will hold the guild together because there will be more members.

Mrs. San Romani is the only member of the guild from McPherson, and Professor Lambert Dahlstein of Bethany College is the only member from Lindsborg.

In previous years MacCollege students have belonged to the Guild.

Welcome Back Alums! Please Read Farther

By Faye Brunner

As editor of the Spectator it behooves me on the eve of homecoming to extend the glad tidings of welcome to all the alumni. Please do not misunderstand, I really do welcome them back to the scene of their many campus capers.

In reading my mail this past week I ran across an article that I must pass on to you. Think about it! It is so true!

The space race brings this old saying to mind. One tailor on the street hung his sign saying, "The best tailor in the city." The second one changed his sign to "The best tailor in the state," and the third's sign read, "The best tailor in the world." So the fourth said this: "The best tailor on this street."

And so, while nations are trying to be the best in space, it behooves us to try to do more than be the best there is on earth.

Tomorrow we will be the best on the gridiron. Of course it is up to the spectators as well as the team. Let's make this homecoming one to remember by all the alumni when they come back "home."

Seniors To Check With Registrar

The seniors have been checking their graduation requirements with Mrs. Martin, Registrar. The purpose of this check is to make certain the seniors have all their required subjects. If necessary, arrangements will be made to take courses needed for graduation.

The seniors apply for graduation at this check by signing their names. The names are signed exactly as they are to appear on the diplomas.

All seniors of the 1960 graduating class who have not checked with Mrs. Martin are requested to do so.

Bulldogs Challenge Quakers For Homecoming Tomorrow

The Friends Quakers, fresh from defeating Bethel last week, will invade Bulldogville with hopes of pulling another upset. Friends will be led by Larry Richardson, quarterback, who is the top conference passer.

Richardson, in the first five games of the season, passed for a total of 663 yards or an average of 170.5 yards per game. Jim Paramore of Baker is second with an average of 141.7 yards per game.

Against Baker, Richardson passed for a total of 329 yards. Many times during this season when Friends has scored, it has been by a Richardson pass.

On the receiving end of many of Richardson's passes is back Lloyd Robinson. Larry Buch and Ken Kellum, ends, also snag their share of Richardson passes.

Friends' line will be led by Charles Hardesty, tackle, and Dan Jones, center. The Friends line has been efficient this year and has held many times.

Friends is coached by George Hutchens, a 1951 graduate of Friends U. He is assisted by Rob-

ert Moore. The Bulldogs will have their hands full with the passing of Richardson. But, the Bulldogs will also have their own passing attack. Quarterback Richard Heidebrecht, fourth among the conference passers, will be doing most of the throwing.

In the first five games, McPherson has averaged 161 yards rushing and 55 yards passing for a total offense of 216 yards per game. Of the 55 yards passing, Heidebrecht has an average of 53.4 yards per game.

The Bulldogs have been plagued by injuries. Daryl Howell, Al Guio, and Don Elliott did not see action in the Wesleyan game and will probably not see any in the Friends game. Bryce Heinz and Marvin Keck were injured but did play. Heinz and Keck should be in top shape for Friends barring any injuries this week.

In the last eight years the Quakers have not beaten the Bulldogs. The highest scoring game was 76-6 in 1953, while the closest game was 13-6 in 1954.

Last year at Wichita, McPherson defeated Friends 54-27.

M-Club Makes Plans For Luncheon

The second M-Club meeting of the year was called to order by president Darryl Melton. A report from the homecoming luncheon committee was heard. The luncheon will be at 12:15 in the Hotel Warren, Oct. 24. Also, the boys were assigned to arrange for the placing of ads in the football program.

Most Weekend League Games Hard Played

The Friends University Quakers upset Bethel 21-13 at Newton last Saturday afternoon. The Quakers were led by the running of Monte Brown and the passing of the leading conference passer, Larry Richardson.

C. of E. continued its winning ways by defeating Sterling 55-23 last Saturday afternoon at Sterling. This made five straight wins for C. of E. and five straight losses for Sterling.

Baker defeated Bethany 7-6 at Bethany last Saturday afternoon. Bethany had a big edge in all statistics except the score. Bethany lead until the third quarter when Baker's Knight went 15 yards for the touchdown.

Kansas Wesleyan turned back four McPherson scoring threats to edge the Bulldogs 7-6 at Salina last Saturday afternoon. McPherson scored on a Heinz to Werner pass, while KWU scored on a 9

Coyotes Squeeze Past In 7-6 Homecoming Tilt

A 68-yard drive topped off by a 15-yard pass from Bryce Heinz to Larry Werner for the touchdown was not quite enough to put the Bulldogs out on top over the K. W. U. Coyotes Saturday.

The Coyotes squeezed by the Bulldogs by a mere 7-6 to win their homecoming game.

Both teams scored in the second quarter but an accurate kick after touchdown cinched the game for the Coyotes. Four other times

the Bulldogs threatened the Wesleyan line but were not able to go the distance.

McPherson's biggest and most constant threat to the Coyotes was the accurate passing attack. The Bulldogs gained 111 yards by completing 10 out of 22 pass attempts.

The Bulldogs controlled the ball through most of the last half with the Coyotes getting off only seven plays in the third period and 14 in the fourth.

McPherson stopped a Coyote scoring threat when Donovan Koehn returned a fumble from the McPherson 6-yard line back to the McPherson 34.

The stubborn Coyote defense stopped the Bulldogs from scoring in the last half making their one-point lead sufficient for victory.

Choir Substitutes

Prof. Donald R. Frederick, director of music, presented the assembly program Oct. 16.

The A Cappella Choir sang two anthems, "Cherubic Hymn" by Rachmaninoff and "He That Dwelleth" by Mueller. The choir also sang two folk songs by Brahms.

The Ladies Trio sang "I'll Walk Beside You" by Murry, and the brass quartet did three short numbers.

Professor Frederick was in charge of the assembly program because the scheduled international speaker, Magda Trocme, had to cancel the tour, due to a throat infection.

Maccollege's Homecoming Dates Back To 1921

The 39th annual Maccollege homecoming will be celebrated this weekend.

McPherson's homecoming history dates back to Nov. 24, 1921. The big feature of the day was the McPherson Bulldogs battle with the Chilocco Indians of Oklahoma at the fairgrounds.

Dr. R. E. Mohler, now professor emeritus of biology, was responsible for this first homecoming held on Thanksgiving Day. The day was a success with the Bulldogs winning 35-0.

In 1922 homecoming was a two-day event with the football game held one day and the dedication of Harnly Hall the next.

In the 1922 football game, McPherson was beaten by Southwestern 13-6 on a touchdown with five seconds left in the game.

The 1927 annual Thanksgiving day game ended, Bethany 39 and McPherson 0.

Turkey Dinner

The homecoming held in 1929 was declared the best since it was started. A big turkey dinner was served in the dining hall before the Turkey Day Classic between Bethany and McPherson. Some 2500 people from four states watched as Bethany beat McPherson 12-0.

In 1930 the freshmen were allowed to discard their beanies after the homecoming game with Bethany because they had defeated the sophomores in their annual football game.

1931 — Friends 12, McPherson 7.

1932 — Ottawa 18, McPherson 0.

Football Queen

Homecoming in 1935 was celebrated with a "Football Queen" for the first time in history. The queen was elected by votes from a sales contest of selling Quads.

Miss Lillian Peterson, now of Hutchinson, was crowned the first queen before the Bethany-McPherson game.

McPherson defeated Bethany 27-7 in their annual clash.

The homecoming in 1936 was the most elaborate in Maccollege's homecoming history. The homecoming queen was crowned in chapel on Wednesday night.

Plans for the day told, "On

Wednesday, Floyd Harris's college pep band will lead a noisy Main Street parade. College pep club plans to decorate all available cars with the reddest red and the whitest white available."

An alumni banquet was held on Thursday night with Guy Hayes as the chief after dinner speaker.

A crowd of 3,000 fans watched the annual Turkey Day Classic as the Kansas Wesleyan Coyotes and the McPherson Bulldogs played to a 0-0 tie.

1937 — Emporia 14, McPherson 0.

1938 — McPherson 33, Southwestern 14.

1939 — McPherson 0, Bethany 0.

1940 — McPherson 9, Bethel 6.

Queen From Juniors

The rule that the homecoming queen would come from the junior class and girls from the sophomore and freshman class would be her attendants was made in 1941. Campaigning for the queen was popular at this time.

The Maccollege band and the College of Emporia band, ten floats and many cars were in the big 1941 homecoming parade.

McPherson came out on top in the game with College of Emporia 7-0.

1942 — McPherson 7, Bethel 0.

Baseketball Homecoming

In 1943 homecoming was held on Dec. 10, with the queen crowned at halftime of the McPherson-Bethany basketball game.

The night before the game the annual P. J. parade was held by parading through the campus buildings.

McPherson slaughtered Bethany 71-27 in the basketball game and immediately after the game the Thespian Club presented the play, "Letters to Lucerne."

Homecoming in 1944 was another

basketball game with Coach Tom Hayden getting his fifth homecoming victory as the Bulldogs beat Ottawa 52-39.

A runoff election had to be held that year for the nomination of homecoming queen because no one had a majority of votes.

McPherson's homecoming in 1945 was held Dec. 14, with McPherson playing Emporia State at the community building. Emporia State beat Mac in the basketball game 55-35.

Football Again

A football homecoming was held again in 1948 with the Bulldogs beating Kansas Wesleyan 28-0.

1947 — Bethel 12, McPherson 0.
1948 — Kansas Wesleyan 45, McPherson 2.

1949 — Bethel 26, McPherson 12.

Homecoming in 1950 was a success with the McPherson Bulldogs beating Bethany 31-7.

At the Queen's banquet held at the Warren Hotel, Guy Hayes was the speaker.

Last Parade

"The homecoming parade in 1951 was considered the best in history with eight bands in the parade and at the game.

McPherson suffered its first loss of the year when College of Emporia upset the Bulldogs 30-19.

In 1952 between 4,500 and 5,000 people watched McPherson trounce the Kansas Wesleyan Coyotes 38-14.
