

Tryouts To Be Held Today For Fall Drama Production

Tryouts for "The Diary of Anne Frank" will continue today in Room 227 of Mohler Hall from 3 p.m. to 5 p.m. Tryouts were also held last night at 8 p.m. Scripts are on reserve at the library.

Five men and five women will be chosen to play the roles in this Pulitzer Prize drama.

Also a winner of the Critics Circle Award, this play is based on the true experience of two Jewish families as they hid from the Nazis in occupied Holland.

Humor And Excitement

Humor and tense excitement are shown in the play because these families try to live as normal lives as possible during the wartime conditions.

To achieve the realistic wartime conditions, special lighting and sound effects and a multi-level setting are to be used.

Françoise Goodrich and Albert Hackett dramatized this novel for the stage.

"The Diary of Anne Frank" will be presented Friday, Nov. 17 and Saturday, Nov. 18 at 8:15 p.m. in Brown Auditorium.

"Brigadoon" In March "Brigadoon," a popular Broadway musical, will be presented in March by the Music and Drama Departments.

This musical success is written by Lerner and Loewe, composers of "My Fair Lady," the movie "Gigi," and the current hits, "Camelot."

"Brigadoon" brings to life a legendary village in the highlands of Scotland filled with romance and adventure.

Special Preparations

Extensive work will be done in the areas of design, vocal and instrumental music, acting, choreography, costuming and lighting. Basic preparations are already underway.

One-act plays will also be presented sometime in March and May. These will be projects of the members of the Advanced Play Production class.

Coming . . .

Today, Sept. 29—Tryouts for "The Diary of Anne Frank," 3 p.m. in Mohler Hall, Room 227.

Skating Party at Hutchinson. Meet at Dotzour at 6 p.m.

Saturday, Sept. 30—Football game at Southwestern.

In Chapel Next Week

Tuesday—Bishop Arnold Lewis will speak.

Friday—"Red Balloon" will be presented.

International Family Grows; Now Includes Twelve Students

Twelve international students, representing ten countries are on Macampus for the 1961-62 school year. Three of these students also studied here last year.

Margarete Schliep, exchange student from Berlin, Germany, arrived in New York after twelve

days on the boat. Her first impression of the U. S. was the unusual Manhattan skyline.

Margarete likes the Rockies best of all the topography she has seen in America.

"Americans Talk Easier" "Americans," says Margarete, are more open-minded than the Germans and talk easier."

She finds interest in sports, music, politics, and traveling.

Litsa Germimbessidou, a junior from Greece, spent seven weeks of this summer as a girl scout leader in Brooklyn, Michigan. She also talked to various clubs and day camps about Greek customs and religion.

A home economics major, Litsa's first impression of our country, when she first arrived in New York in the fall of 1959, was the dirtiness of New York City. However, she found the people friendly and extremely busy.

Stamp collecting, embroidering, and listening to music are some

of Litsa's main interests.

Frank Marte traveled to the United States from Castaner, Puerto Rico. He arrived in New York in June, spent some time in New Jersey with his sister and visited Chicago.

Chemistry Major

A chemistry major, Frank likes the flatness of our country better than the hills. He came to the U. S. in order to improve his English and learn to know the American people.

Frank states that he likes Macampus "very, very much," and finds the people in McPherson friendly.

Student From Holland

Peter van dan Doel, whose home is in Holland, stayed in Wisconsin with his brother after traveling nine days by boat. He finds the American people friendly despite the fact that there are all different types of individuals.

Peter stated that in Holland there are speed limits only in the towns. In the open country, there are no restrictions.

Hills of the U. S. appeal to Peter rather than the flat plains. He finds sports and reading enjoyable leisure activities.

Shedrack Onuoha

Shedrack Onuoha, a northern Nigerian, arrived in New York by plane. He spent several days in the city and thought it was "very nice, very big."

As he toured the United Nations, he felt it to be a splendid place. Shedrack described Rockefeller Center as "very grand." He especially liked the water-spraying fountains.

Shedrack plans to major in agriculture. Tennis, soccer, and reading are his favorite pastimes.

Fredrick T. W. Wu, better known as Fred, traveled from Hong Kong by boat and stayed with his cousin in Los Angeles. Fred feels that the American people are friendly and energetic. "Their way of talking is straightforward."

Fred, the youngest of three children, is majoring in biology and may teach the subject after com-

(Continued on Page Two)

A CROSS SECTION of McPherson College's international students stand talking on the steps of Brown Auditorium. Shown are Miliadias Vellos, from Greece; Shedrack Onuoha, from Nigeria; Margarete Schliep, from Germany; and Fumitaka Matsuoka, from Japan.

Brooks Directs Planning Of Debate, Forensic Events

A debate and forensic program has been established this year under the direction of William Brooks, professor of speech and debate, for all interested students at McPherson College.

Events in this program include debate, discussion, oratory, extemporaneous speaking, impromptu speaking, and interpretation of dramatic literature.

Students who have attained certain standards in the field of forensics qualify for membership to Pi Kappa Delta, which is the oldest and among the largest national of the forensic organizations in the United States.

Organized In 1942

Organized at McPherson College in the spring of 1942, the local Pi Kappa Delta chapter members have included Dr. D. W. Bittinger, president of McPherson College; Wayne F. Geisert, dean of the college.

Boy E. McAuley, president of Elizabethtown College, Elizabethtown, Pa.; Maurice Hess, professor emeritus of English and Latin; and Guy Hayes, director of admissions.

At present, this forensic organization is meeting every Tuesday night at 7 p.m. in Mohler Hall, Room 229. At the last meeting, colleagues were assigned for research projects for the first practice debate.

After definite organization has been completed, Pi Kappa Delta

meetings are scheduled to meet the third Tuesday of every month.

Forensic experience is not essential, and participation may be extra curricular as well as a credit course. Students can also begin in the debate program second semester.

Debate Question

This year's debate question is "Resolved—that labor organizations should be under the jurisdiction of anti-trust legislation".

Professor Brooks stated, "Three essentials of a good debater are a keen desire to arise above mediocre, practice and analysis at home, and adequate tournament experience. Given these, adequate progress can be achieved."

A beginner's debate tournament will be held at Kansas State University, Manhattan, on Oct. 28, and on Nov. 3-4, a tournament will be held at Emporia State.

Future tournaments tentatively scheduled are at Nebraska State Teacher's College, Kearney, Neb.; University of Wichita; Southwestern College, Winfield; Kansas State Teachers College, Pittsburg; Others are at William Jewell College, Liberty, Mo.; St. John College, Winfield; Rockhurst, Kansas City; the Kansas International Debate League; and the Pi Kappa Delta province tournament.

Besides these tournaments, McPherson College will host a January tournament, and a banquet will be held at the end of the year, when Professor Brooks will present squad awards.

Students who have indicated

Faculty To Nominate Students For Who's Who

Maccollege's faculty will soon nominate students for Who's Who Among Students at American Universities and Colleges for the 1961-62 edition.

One national basis of recognition for college students was created 27 years ago. This organization is void of dues, initiation fees, or other cost to the student. Recognition by Who's Who A-

Arick Directs Student Center

Donelda Arick, a '61 graduate of McPherson College, is Director of the Student Center. Miss Arick is from Humboldt, Neb.

Although Miss Arick is working in the cafeteria at the present time, this will not be her main role as director.

When work is completed in the Student Center her main responsibilities will include being a full time hostess to all guests that come to the cafeteria to eat or to visit the Student Center, faculty advisor for the Social Committee, and a member of the Personnel Committee and Student Center Board.

When Miss Arick's office is opened, all student and community organizations wishing to use the Student Center's facilities will need to clear their plans through the office.

Many of the Homecoming activities on Oct. 1 that will take place in the Student Center will be under the direction of Miss Arick.

McPherson Quota

McPherson College's quota will probably be nine students for this year. Suggested names are received from the faculty, and nominations are then made by the personnel committee.

Discussion of nominations is open to the faculty and the election is conducted by ballot. The recommendation is to confine the election to seniors, but occasionally juniors may be considered.

Determining Factors

Qualities that are determining factors in the choices made include excellence and sincerity of scholarship, leadership and participation in extra-curricular and academic activities, citizenship and service to the school, and promise of future usefulness to business and society.

Each student who becomes a member receives a certificate of recognition awarded by the organization and recognition in the annual publication for the year during which he was selected.

Probably the youngest of the large nationwide honor organizations, Who's Who has had the active participation of about 600 institutions since the sixth year of its existence.

Series Tickets Available Oct. 6

Students will be able to purchase tickets for the College Community Cultural Series after assembly on Friday, Oct. 5. Orders may be placed in Friendship Hall during the period following assembly.

After this time, orders may be placed in the Public Relations Office.

Reserved seats for the entire series for students are \$4.00. Single admission for unreserved seats is \$2.00. The cost must be paid when tickets are ordered.

Tickets will be mailed in time for the first performance to those students placing orders. Several seats may be reserved together, if desired, when the orders are placed.

Freshmen Suffer Initiation; Upperclassmen Make Rules

Freshman initiation is now under way on Macampus. All first semester freshmen under the age of 21 are required to wear beanies from the time they get up in the morning until they go to bed at night every day except Sunday from Sept. 21 to Oct. 6.

Freshmen are to have their names pinned on their beanies at all times. A black "M" will be placed on the face of any freshman committing a violation. After an accumulation of three "M's," students will receive public humiliation.

Crying Towels

Freshmen carried crying towels all day on Monday, Sept. 25. On Tuesday, Sept. 26, they had to cover their eyebrows with toothpaste.

Freshmen carried large rags to give shoe shines to upperclassmen on Wednesday, Sept. 27.

Clothes Inside Out

All clothes were worn inside out and backwards on Thursday, Sept. 28. Today the girls must wear their hair pinned up, and the boys must wear lipstick.

All freshmen must carry their books in a suitcase on Monday, Oct. 2. On Tuesday, Oct. 3, all freshmen will be required to walk backwards from 7 a.m. to 5 p.m.

Skate Club Sponsors First Party Tonight

Skate Club is sponsoring the first roller skating party of the year tonight at Roller City in Hutchinson.

Members of the Skate Club and all others interested in attending are asked to meet at Dotzour Hall at 6 p.m.

(Continued on Page Three)

Guest Editorial

The New Look On Campus

We're all proud of the "new look" of our campus. Everywhere we turn we see beautiful buildings and green lawns, but that's not all that meets the eye! Have you noticed the "new look" of our students? Have you observed the interest they are taking in appearance and table manners in the dining room?

Certainly attractive appearance and gracious manners are not the most important qualities of a person, but they are worth some attention. Students who have formed good habits of appropriate dress and table manners in college will have an easier adjustment when they go out "into the world" as graduates.

It has been suggested that students have two "dress up" meals each week. One will be Sunday noon and the other an evening. As yet, there is some controversy as to whether the evening "dress up" time will be Saturday or a mid-week evening.

The Food Service management has offered to serve "extra special" meals for these occasions. Several have suggested that Saturday morning and noon be designated as an informal sportswear time. Women on campus would wear skirts or dresses at all other meals. We'll be hearing further word on this soon.

It is gratifying to see the interest and co-operation of the student body in this matter of the "new look" on campus.

Letters To The Editor

Student Disputes Outside Authority To Make Rules

Dear Editor:

It seems to me that far too many rules are being forced into our campus life with no thoughts as to how the affected parties feel on the matters.

I feel that one of the major parts of our college is the student body. Rules of wearing apparel, hair styles, tub and shower dunkings and the like should come from the student body, not from individuals outside.

Probably all of us would like to have the campus run to suit our personal likes, but what kind of a mess would we have if everyone tried enforcing his own particular desires?

In a recent explanation of the necessity of a particular rule, the statement was made that "all colleges and universities do it."

Last year as the Dotzour girls tried to get extended dorm hours, they were told this same statement, "but we are only a small college." Something is not quite consistent in these two examples!

It is my belief that rules of student behavior and dressing apparel should be recommended to the Student Council, and in turn the Student Council have the students vote on these issues.

Technically, these are not rules, but the way they have been presented makes me feel they are meant to be.

How do some of you other students feel about this?

Meroy Kingery

Red Cross Gives Help To Hurricane Victims

McPherson County Chapter of the Red Cross has donated \$1000 for helping victims of Hurricane Carla.

Macollege students may contribute to this fund as there will be a box located in the Business Office today for this purpose.

Mrs. Homer Brunk, associate professor of English and journalism, is the college representative on the executive committee for the county.

Arnold Cantu, sophomore from Falfurrias, Tex., was delayed in coming to McPherson because of heavy rains. He reports that extensive damage was done to the coastal towns because of tail winds. Crops in eastern Texas suffered heavy damage.

Home Ec Club To Hold Meeting On Cosmetics

A guest speaker from Bixby's will talk on cosmetics and personal hygiene at the monthly meet of the Home Ec Club, Tuesday, Oct. 3, at 6:45 p.m. on second floor of Harnly Hall.

Other meetings are scheduled for the second Tuesday of every month. This meeting is for Home Ec. majors and all other interested students.

Lois Keim To Speak At German Fellowship

Lois Keim will be the speaker for the first German Fellowship meeting to be held Tuesday, Oct. 3, at 6:30 p.m. in Room 227 of Mohler Hall.

Lois will speak on her trip to Germany where she studied in Gottingen as McPherson College's exchange student.

LITTLE MAN ON CAMPUS

pleting his education.

Fook-lim Tham, whose home is in Malaya, is a pre-medical student on Macollege campus. He was enroute to the U. S. for one month. Fook-lim enjoys athletics and scientific literature.

Tham mentioned the difference in educational systems in the U. S. and Malaya. There, instead of averaging numerous results together to obtain a grade, the final exam determines the entire grade for the course.

Nggida Gadzama Returns
Nggida Gadzama, an African student who studied on Macampus last year, is a pre-medical student. This summer he attended Annual Conference at Long Beach and went to the High Sierras for a trail hike.

He also traveled to Idaho and Iowa for camps, and visited North Manchester College for Regional Youth Conference. Of his experiences, Nggida said, "No book can give me what I saw for myself." Canyons held most interest for him.

Fumitaka Matsuoka
Fumitaka Matsuoka from Tokyo, Japan, has been writing to a pen pal in New York City for the past two years. Fumitaka

likes the large cities of America, but also finds Mac enjoyable.

A political science major Fumitaka hopes to go to graduate school in Japan and become a member of a commercial company there.

Henry Esquino, senior from Mexico City, Mexico, is beginning his fourth year at McPherson College. Henry, a chemistry major, is interested in all sports and especially enjoys playing soccer.

Miltiades Vello, often called Milt, who is from Greece spent 37 days on a Yugoslavian boat enroute to the United States.

Magnificent And Terrible

When Milt arrived at New York, he felt that the city was both magnificent and terrible, magnificent because of the large skyscrapers and terrible because so many people were in a hurry.

Milt found the people friendly in McPherson. His favorite spot on campus is the laboratories. A pre-engineering major, Milt finds

Pondering With The President

I Could Cry

By D. W. Bittinger

An American wrote us recently from overseas and said he had read an amazing article in the overseas issue of a nationally known American magazine. He concluded his observation; "I could cry."

The article, he said, explained that in America we are now facing an almost hysterical promotion of fallout shelters from one end of our nation to the other.

The article went on to say that Americans are being advised to stock these fall-out shelters for indefinite stays within them. Things needed will be food, cigarettes, liquids—including fermented liquids—some recreational materials, and guns, preferably machine guns or tommy guns.

These guns will not be needed against the enemy, it was explained, for the enemy will be an invisible tide of radio-active atmosphere. Any actual men whom we might shoot will be thousands of miles away. We should learn to use guns well, however, and we should condition ourselves, emotionally, to turn them upon our neighbors, for there will be neighbors who have not built fallout shelters.

They will seek to enter ours and we will need to shoot them down to protect ourselves; we must shoot men, women, and children. People in the interior of the country, it explained, can expect a tide or horde of people from the sea-coasts; all must be prepared to defend their shelters against all other Americans who will sweep over the land.

My American finished reading and added, "I could cry"; I could join him.

The image of Americans we present before the world is often not good.

Can we, the students of this generation who so soon will be carrying world responsibilities, create a better image?

much enjoyment in playing soccer.

Bepin Mehta, freshman from Bulsar, India, came to the United States in March. He studied at Chicago Tech before coming to McPherson.

Bepin, a business administration major, worked this summer at the First Brethren Church Day Camp in Chicago. He lived at the Brethren Fellowship House while working there.

Bulldogs Seek Second Conference Win

Mac Eleven To Face Undefeated Southwestern

Engaged in conference competition tomorrow night at the Southwestern Stadium will be the McPherson College Bulldogs and the Southwestern Moundbuilders. Southwestern is undefeated with two conference wins.

Coach Sid Smith stated "Southwestern is a potent ball club, composed of speed and backfield competence. Their lineup includes sophomore Phil Hower; Atkins, and Bill Glenn, halfbacks; Joe Beverly, a JuCo student who does a lot of running; Bill Stephens, junior quarterback who is a good passer and runner."

Other players are senior tackle Harold McCormack, who plays outstanding offensive and defensive ball, and Jim Peppers, senior back who runs end. Pepper scored two touchdowns against Mac last year.

"Southwestern's team has good size and depth, and will run the straight-T, with good passing and attack reverses."

Some changes will be made in Mac's guard positions for this game. Silas O'Neal will play some offensive as well as defensive ball, as will Dennis Wallace and Duane Sword, who have showed improvement in tackle positions.

Keith Miller and Donovan Koehn may fill end positions, and Richard Patton, David Priddy, and Duane Pope may see some

M Club Initiates Five New Members

Five Maccollege athletes were initiated into the M Club Tuesday, Sept. 26.

New members are Roger Emert, sophomore from Redfield, Iowa; Jim Huber, junior from Elida, Ohio; Dick Kruse, sophomore from Little River; and Duane Sword, sophomore from Elidora, Iowa.

An athlete must receive a sports letter to be eligible for M Club membership.

Brooks Directs

(Continued from Page One)

interest in debate include freshman Weyland Beeghly, Kenneth Ullom, Lowell Snyder, and Jim Bosserman.

Experienced Debaters Also in this group are John Harrison, Mike Begole, and Jerold Wray who have had previous experience in debate.

Dorothy Brown, Carl Werner, and Kay Shever have also expressed interest in debate.

All students participating in debate will also be in forensics.

Students working only in forensics this year will be Becky Mettlin and Gary Ross.

end action.

Back Positions

Back positions will be helped by Galen Huffman and Calvin Unruh, halfbacks.

Deryl Elmore, who is now out for football, will help in kicking and pass defense.

O'Neal Wins Shoes For Most Tackles

Silas O'Neal, junior guard from Piney Woods, Miss., won the traditional pair of shoes from Miller Shoe Store because he made the most tackles in the first home game.

Silas, who had 10 tackles to his credit, was followed by Art Hoch, junior quarterback from Dwight, nine tackles; Dave Priddy, junior end from Nocona, Tex., eight tackles; Keith Miller, freshman guard from Elkhart, Iowa, and Larry Crumrine, junior quarterback from Hazelton, six tackles each.

Richard Patton, freshman end from McPherson, followed with five tackles.

Four Teams Lead KCAC With Perfect Records

Four Kansas Conference teams head the standings with perfect records after two weeks of conference football action. Ottawa, Southwestern, Baker, and C of E, remain undefeated going into this week's games.

In last week's action, Ottawa scored touchdowns in the first three quarters to overcome Bethel 20-0. Rain eliminated the passing attack of both teams.

Baker Defeats Sterling
Baker came through with its second conference victory by defeating Sterling 21-7. Baker scored in the first three quarters, and Sterling's only touchdown came in the second quarter.

Welch ran 11-yards for Baker's first score.

C. of E., using a daring pass attack, trounced Bethany 27-7. The Presbies outgained the Swedes 388 to 135 yards on total offense, and made 15 of their 22 pass attempts.

Southwestern scored in every period to outclass Friends University 27-6. Southwestern's first tally came on a 19-yard pass play in the first period.

Bulldogs Over Coyotes
In their first home game of the season, Maccollege's Bulldogs marched past the Kansas Wes-

leyan Coyotes for a 33-6 victory. This gave the Bulldogs a 1-1 conference record.

Following are the KCAC standings as teams face action this weekend.

	W	L
Ottawa	2	0
Southwestern	2	0
Baker	2	0
C. of E.	2	0
McPherson	1	1
Bethany	1	1
Friends	0	2
Kansas Wesleyan	0	2
Bethel	0	2
Sterling	0	2

Dell Attends Conference Of Industrial Arts Profs.

S. M. Dell, professor of industrial arts education, will attend a four state industrial arts conference, Oct. 6, at Pittsburg.

The three other states participating are Oklahoma, Arkansas, and Missouri.

During this meeting, the Kansas industrial arts teachers will meet.

Maccollege Evens Record With Triumph Over Coyotes

McPherson College's Bulldogs overpowered the Kansas Wesleyan Coyotes by a score of 33-6 in their first home game of the season.

Over 2,000 fans watched Mac improve its Kansas Conference record to 1-1 while Wesleyan's new record is 0-2.

McPherson scored first after taking the Wesleyan kickoff and marching 47 yards for the touchdown. Crumrine went around right end for three yards to tally before the Coyotes had possession of the ball.

Mac Fumbles
Several minutes later McPherson drove to the Wesleyan nine yard line, but the scoring threat was halted when McPherson lost the ball on a fumble. Failing to gain yardage, Wesleyan had to punt, and the Bulldogs regained the ball on the Coyotes 49-yard strip.

After several plays Richards broke away, sidestepped several tacklers, and aided by a couple of good blocks, ran 43 yards to score.

In the second quarter the Bulldogs recovered a fumbled Wesleyan lateral, and Don Kuhlman passed to Richards for 24 yards and again for 16 yards for two first downs to the Wesleyan seven.

Koehn Scores
However, McPherson fumbled on the first play and Wesleyan recovered. Silas O'Neal blocked Jerry Smith's punt when the Coyotes failed to make yardage, and the ball rolled into the end zone. Donovan Koehn fell on the ball for the touchdown for a half-time score of 21-0.

In the fourth quarter, Richards gained 35 yards on a pass play, and several plays later Galen Huffman, a reserve back carried the ball over from the 21 yard line.

McPherson, Kansas

Soccer Squad To Face Tabor

Maccollege's soccer team will face the Tabor B team at Hillsboro tomorrow, Sept. 30, at 9:30 a.m. The game will be played according to N. C. A. A. rules rather than the International rules by which Mac has practiced.

About twenty boys will constitute the Mac squad. Eleven men are on each team, and substitutions are allowed under N.C.A.A. rules.

McPherson will be forced to play a fast defensive game since Tabor, a strong competitor in intercollegiate play, is expected to have an organized and experienced forward line.

Although Mac does not have the flash and polish of an experienced team, they have progressed past the kill or be killed version of the game that passes for soccer in American high schools, and they should make a good showing.

If a promising showing is made and there is sufficient interest in this new sport, other matches with area soccer clubs may be scheduled.

Many freshmen also played well in last week's game. Among these were Richard Patton, tackle; Charles Wiggins, right end; Duane Pope, end; Keith Miller, extra point kicker and guard; Norman Sheets, fullback; and John Tegger, left end.

Wesleyan Drive

Following this, Wesleyan started a drive from its own 39 and in 3 first downs and a pass, moved them to the McPherson 15. Martin Brotherton and Clopine led the plays' to score the only Wesleyan touchdown. Jerry Smith's attempted kick for the extra point failed.

The final Mac touchdown was scored after a succession of passes. Richards gained 19 yards on a pass play to Charles Wiggins. Kuhlman passed twice to Calvin Unruh, for 15 yards and for seven yards. Crumrine then went around right end from the one yard line, to score.

Richards Averages 6.6

Richards was McPherson's top ball carrier, averaging 6.6 yards on 10 carries. Wesselowski averaged 5.7 on 11 carries and Crumrine 2.1 on 15 carries. Tom Richards leads individual total offensive with 111 yards per game and Tim Wesselowski follows with 98 yards.

Coach Sid Smith commented "Don Kuhlman had excellent form in passing, and he completed five of six attempts for 84 per cent, which is an outstanding record.

College Church To Offer World Wide Communion

World Wide Communion Sunday will be observed this week at the McPherson Church of the Brethren. A Communion service will be held at 8:30 a.m. Sunday in Memory Chapel as part of the observance.

A Love Feast and Communion service will be held Sunday evening at 6:30 p.m. in the basement of the church. Both of these activities are for non-Brethren as well as Brethren church members.

Brethren Love Feast
Included in the Brethren Love Feast and Communion are the feet washing service, the fellowship meal, and the communion of the bread and wine.

Rev. Harold Bomberger, pastor, will present the sermon, "Jesus Took A Towel," at the Sunday morning worship at 10:50 a.m.

Student Membership
One hundred and sixteen Mac college students took part in the consecration service for student members last week. Membership cards will be available for sev-

eral weeks for students who did not attend services last Sunday or did not join at that time.

College Sunday school classes will continue a study of the International Lessons until the middle of October when the small discussion groups will be formed.

Ward Completes Work On Ph. D At Kansas State

John Ward, assistant professor of agriculture and rural life, has completed the requirements for a Ph.D. in animal nutrition at Kansas State University. Professor Ward earned his masters degree at Oklahoma State University.

Professor Ward's dissertation was "The effects of various rations, methods of preparation, enzymes, and cobalt, on volatile fatty acid production in beef cattle."

Although Professor Ward completed his work in August, his doctorate will be awarded during the January commencement.

Sollenberger Receives Master Of Music Degree

Paul Sollenberger, assistant professor of music theory and string instruments, received his master of music degree at commencement exercises Aug. 20 from the University of Wichita School of Music.

Prof. Sollenberger completed the 30 hours required beyond a bachelor's degree, in four, six-week summer sessions. He majored in theory-composition.

He now possesses a Bachelor of Arts degree from McPherson College, which he received in 1947, and a Master of Music degree.

Committee Makes Plans For Business Session

Executive Committee of the Western Region Board met at McPherson College, Tuesday and Wednesday, Sept. 26-27.

This session was to plan the agenda for the business meeting of the Regional Conference which is to be held at South Waterloo Church of the Brethren, Waterloo, Iowa, Oct. 20-25.

Members of the board include Clifford Drescher, McPherson; John Ditmars, Holmesville, Neb.; Ethmer Erisman, Elkhart, Iowa; Wilbur Hoover, Rocky Ford, Colo.; and Paul Miller, Adel, Iowa. Floyd Bantz is the Executive Secretary of the Western Region.

Faculty To Submit Syllabi By October 7

A syllabus for each credit course taught by each faculty member is due in Dean Wayne F. Geisert's office by Saturday, Oct. 7.

Each syllabus should be sufficiently detailed to identify text materials, special projects of the course, to provide some understanding of the content of the course and of the pace of the course in terms of sequence and time schedule.

MCA Sponsors Sale Of Religious Magazine

Anyone interested in subscribing to "Motive", a modern contemporary religious magazine, can contact Sue Warrick, Director Hall, on or before Sunday, Sept. 10. MCA sponsors the distribution of this magazine.

Two Become New Members Of Student Court

Mike Powers sophomore from Canton, and Dennis Hubbard, senior from Hugoton, were elected last week to fill vacancies on the Student Court.

Irma Wymore, senior from Beatrice, Neb., was previously selected as secretary of the Student Court from among the members.

Other Court members include Eleanor Draper, Gail Fillmore, and Leroy Kingery, seniors; Gary Bailey, Mariarne Dobson, Arlo Bowen, and Carl Werner, juniors; and Connie Andes and Steve Mohler, sophomores.

Dr. Raymond Flory, professor of history and political science, is the faculty representative on the Student Court.

Student Court interprets and enforces the Student Body Constitution and decides the policy for student discipline.

Each spring, the student body elects five juniors, four sophomores, three freshmen, and one faculty representative to serve the following year.

Classes must nominate at least two more people than they are allowed to have on the Student Court. Other persons may run for election by submitting a petition with fifty signatures.

School Nurse Will Be At Dotzour Infirmary

Mrs. Anita Smith, school nurse, will be on duty Monday through Friday from 11:30 a.m. to 1 p.m. She can be located at this time in the Dotzour Hall infirmary.

In case of an emergency, Mrs. Smith can be located at her home at 421 1/2 Baer by calling CH 1-0163.

Mrs. Smith, a licensed practical nurse, will treat minor ailments and will recommend more serious ones to a doctor.

Bittinger, Lehman Speak At District Conference

Dr. D. W. Bittinger, president of McPherson College, will be the featured speaker for the District Conference of the Church of the Brethren at Hutchinson, Friday Oct. 6 to Sunday, Oct. 8.

Harvey Lehman, director of public relations, is the moderator of the conference and will deliver the Moderator's Address Friday evening. Mary Daddisman, missionary-nurse to Nigeria, will also be a speaker.

Wife to husband: "All right, we'll compromise. Admit you're wrong, and I'll forgive you."

IRC Will Hold First Meeting Monday, Oct. 2

International Relations Club will hold its first meeting of the year Monday, Oct. 2, at the home of Dr. Raymond Flory, professor of history and political science.

Club members will meet at Friendship Hall at 6:30 p.m. and will go as a group to Dr. Flory's home where they will have a get-acquainted session.

A discussion of the United Nations and its selection of a new Secretary General to replace Dag Hammarskjold will follow.

The steering committee of Nggida Gadzama, chairman; Larry Elliott, secretary; and Roland Kiracofe, have been selling membership cards this week.

IRC is open to all students interested in world affairs and consists of international and American students.

Classes Choose Students To Fill Several Posts

Senior, junior, and sophomore students held short class meetings Tuesday, Sept. 19.

Velma Harris, senior from Jennings, La., and Dennis Hubbard, senior from Hugoton, were nominated to fill a vacancy on the Student Court. Senior class dues were set at \$1.50.

Thelma Stump, junior from Cushing, Okla., was elected as class secretary.

Sophomore students chose Mike Powers, Canton, Kan., and Don Kuhlman, Athol, Kan., as nominees for the Student Court, vacancy.

Dave Christenson, Kingsley, Ia., class president was appointed to name a five-member committee to work on the Homecoming float. Class dues were set at \$1.
