

## 'Anne Frank' Requires Intricate Stage Operation

Sound effects, lighting, props, and construction of the set to be used in "The Diary of Anne Frank" will be the most intricate ever assembled on Macampus.

This production will be given Nov. 17 and 18 at 8:15 p.m. in Brown Auditorium.

**Forty Sound Effects**  
Forty different sound effects are needed for this production. Two, 12-inch, long playing records which are especially made for this play will be used for this purpose. These sound effects will have to be timed perfectly with the action of the play.

The props will be more numerous than ever before. A prop crew of five students has been selected to handle this phase of the production.

Numerous prop changes occur frequently with little time between scenes. It is important that this crew be able to shift props rapidly.

**Costume Changes**  
Many costume changes are also required during the course of the play.

The set is constructed to show

three main rooms; the central living area, Peter's room, and Anne's room. Ceiling units will be used from which actual lamps will be suspended.

Back stage crew for this production includes Ronald Ruhser, Gary Williams, Jerrold Wilson, James Weaver, Larry Kitzel, Clarence Clark, Elois Nelson, Kenneth Smucker, Rolland Kiracofe, Merrill Coulson, Lee Marshall, and Robert Crabb.

## Arnold Hall Open House To Be Sunday

Open house for Arnold Hall will be held this Sunday, Nov. 5 from 2 to 4 p.m. Refreshments will be served in the lounge.

Arnold Hall, which has accommodations for 64 men, is filled to capacity at the present time.

First floor of the building is now being used for art and ceramics. This is the first year since 1918, the year the building was first used, that Arnold has not housed the cafeteria.

In 1953, when Dotzour was opened, Arnold Hall was first used as a men's dormitory. Before that time, it housed women.

Arnold Hall was named after C. E. Arnold, one of Macollege's presidents. Miss Laura Trostle was the first housemother of the dormitory.

Mrs. Marguerite Westfall, present housemother of Arnold Hall was a housemother for women at Washburn University in Topeka before coming to Mac. She has also had other experiences working with young people.

President of Arnold Hall is Joe Funderburk, junior from Hutchinson. Ngida Gadzama, sophomore from Nigeria, is treasurer. Bob Reazin, sophomore from Lyons, is secretary. Joe Funderburk, Alvin Hintz, and Jim Huber are house advisors.

Dr. Victor Alessandro

## Leading Symphony Opens Cultural Series Nov. 4

The 1961-62 Cultural Series opens with a concert by the San Antonio Symphony to be presented tomorrow night at 8 p.m.

The San Antonio Symphony is now considered one of the top ten orchestras in the nation, but it was not started until 1939, under Max Reiter's baton. Reiter directed the orchestra until his death in 1950 and is responsible for its great beginnings.

**Alessandro Directs**  
Now the orchestra is under the direction of Victor Alessandro, who has developed the orchestra into an outstanding musical organization.

Dr. Victor Alessandro came to the San Antonio orchestra in 1950 from a similar position with the Oklahoma City orchestra.

Dr. Alessandro has been called upon for guest appearances with the Boston Pops Orchestra, the NBC Symphony, the Minneapolis Symphony, and the Hollywood Bowl Symphony.

**International Fame**  
During his last two years in Oklahoma City, his fame reached international scope through his hour-long weekly broadcasts heard nationally over the radio.

Dr. Alessandro was born in Waco, Texas on Nov. 27, 1915, and was reared in Houston.

He attended the Eastman School of Music in New York on a scholarship and was then awarded a fellowship in conducting at the Mozarteum Academy in Rome.

**Studied in Rome**  
Dr. Alessandro has also studied at the Royal Santa Cecilia Academy in Rome. While in Rome, he was awarded a special fellowship to study music of PRIX di Rome winners at the American Academy in the city.

Alessandro is married to the former Ruth Drisko of Oklahoma City. They have two children, Victor Tabbutt and Ruth Ann.

Activities of the orchestra, in addition to its annual tour through the Midwest which includes their appearance here, include a 23-week season, Little Symphony concerts, and Student Concerts in San Antonio.

The 75 members of the orchestra also participate in the Grand Opera Festival held in San Antonio each year. This is directed by their versatile maestro.

Students may buy reserved season tickets at the door for \$4.00 or purchase single admission tickets for \$2.00.

**Vacation Will Begin  
On Tuesday, Nov. 21**  
Thanksgiving Vacation will begin at 5 p.m. Tuesday, Nov. 21. The vacation will end on Monday, Nov. 27, at 7:45 a.m.

The dorms will be left open for those students who do not plan to go home during the vacation.

## NCATE Committee To Be On Macampus Nov. 7-9

A committee representing the National Council for Accreditation of Teacher Education will be on Macampus. Tuesday, Wednesday, and Thursday, Nov. 7-9.

Committee members are Dr. Elmer Ferneau, chairman, head of the Department of Education at the University of Tulsa, Tulsa, Okla.; Dr. Helen A. Strand, director of elementary education at Luther College, Decorah, Iowa; Dr. Wray Reiger, dean of instruction at Northeast Teachers' College, Kirksville, Mo.

Floyd Herr, director of certification and college accreditation, and Dr. Reese Hughes, consultant, representing the State Department of Public Instruction; and Miss Gladys Peterson, professor at Bethany College, Lindsborg, representing Kansas State Teachers' Association.

They will talk with students and faculty and visit classrooms where students are teaching.

NCATE is a relatively new organization. It is the only group which deals with accreditation of teacher education programs at the national level.

Macollege's teacher education program is accredited on the state and regional levels. Now McPherson College is seeking accreditation on the national level.

**Faculty On Committees**  
During the 1960-61 school year, the McPherson faculty served on seven different committees designed to evaluate the teacher education program at McPherson College.

Size of the committees ranged from four to eight members including the chairmen. Several faculty members served on more than one committee.

Three committees covered these areas: objectives of teacher education, organization and administration of teacher education, and student personnel programs and services for teacher education.

**Other Committees**  
Four other committees dealt with faculty for professional education, curriculum for teacher education, professional laboratory experiences for prospective teachers, and facilities and instructional materials for teacher education.

A report on the findings of these committees has been sent to NCATE headquarters in Washington, D. C.

## Quad Staff To Take Senior Pictures

Quadrangle staff will take individual pictures of the Macollege seniors Monday, Nov. 6 from 7 to 9 p.m.

Pictures will be taken in the Student Conference Room in the basement of the Student Center. Seniors are asked to check the posted times to see when the pictures will be taken.

For those unable to come at the scheduled time, there will be a period between 8:30 and 9 p.m. during which pictures can be taken.

Women are asked to wear dark sweaters. Collars and necklaces will be left to the student's judgment. Men are asked to wear white shirts, straight ties, and dark sport coats.

Those carrying less than 12 hours will need to check with Marianne Dobson or Gary Ross before their picture may be taken. This applies only to those who plan to graduate in the spring.

## Kline Hall To Hold Open House Sunday

Kline Hall, a residence for men students and married couples, will have Open House on Sunday, Nov. 5, from 2 to 5 p.m. The hall has eleven men residents and seven married couples.

Dorm parents for Kline are Mr. and Mrs. Robert Cain. Ken Smucker from Orrville, Ohio, is president of the dorm, and Mrs. Cain is secretary-treasurer.

## SNEA Will Observe American Education Week

American Education Week will be observed on Macampus Nov. 5-11 by the Student National Education Association of the college.

SNEA is decorating two bulletin boards in Mohler Hall, one in Harnly Hall, and a table in the Student Center for AEW. SNEA is using the theme, "Something's Cooking in Education."

**Friendship Hall Display**  
In addition to the SNEA displays, Dr. Dayton Rothrock, associate professor of education, will use the theme, "How Did You Learn to Read?" for a display case in Friendship Hall.

The purpose of AEW is to inform the public of the accomplishments and needs of the public schools, and to secure the cooperation and support of the public in solving school prob-

lems.

**Established in 1921**  
AEW has been observed since 1921 when it was established by the joint efforts of the National Education Association and the American Legion.

The National Congress of Parents and Teachers and the United States Office of Education have joined in sponsoring AEW.

**General Theme**  
General theme for the week is "Your Schools: Time for a Progress Report."

Themes for each day are: Sunday, "Time to Test our Convictions;" Monday, "Time to De-

(Continued on Page Two)

## Coming . . .

**Tonight, Nov. 3** — Student Recital, Brown Auditorium, 8 p.m. All-School Square Dance, College Farm, 8:30 p.m.

**Saturday, Nov. 4** — San Antonio Symphony presents first cultural series program, Brown Auditorium, 8 p.m.

Football game at Bethel College, Newton, 2 p.m.

**Sunday, Nov. 5** — Kline and Arnold Open House, 2 to 4 p.m.

**Monday, Nov. 6** — Senior Quad pictures, Student Conference Room 7 to 9 p.m.

## In Chapel Next Week

**Tuesday** — Harold Bomberger, pastor of the McPherson Church of the Brethren will speak on "Hippopotamuses, Monkeys, and People!"

**Friday** — Marvin Blickenstaff, Jesse Krehbiel, and Robert Porter, Macollege professors, will speak on their experiences in alternative service.

## ACP Rates Spectator As First Class Paper

McPherson College SPECTATOR received a first class rating from the Associated Collegiate Press at the University of Minnesota for the last semester's issues of the paper.

THE SPECTATOR was rated especially high for its style, editorials, lively letter column, and sports page. Other sections and departments were also rated highly.

**Editor Of Paper**  
Marilyn Rhinehart Edwards, formerly from Brooklyn, Iowa and now living in Los Angeles, Calif., was editor of the paper second semester of last year when it received the first class rating. Marilyn attended McPherson College for two years.

This is the third first class rating that THE SPECTATOR has received. The paper earned its first first class rating in the first semester of the 1950-51 school year.

Rowan Keim, the present Mrs. John Daggert of Dallas Center, Iowa, was the editor.

The second first class rating was earned the first semester of the 1952-53 school year. Lorene Marshall, the present Mrs. Lee Hoover of Ames, Iowa, was the editor.

## Alpha Psi To Present Play In Chapel

Alpha Psi Omega is planning a production of "The Second Shepherd's Play" to be presented in chapel on Dec. 8. Tryouts will be held Wednesday, Nov. 8 at 7 p.m. in Room 231, Mohler.

This play was written in the 14th century and was part of the Medieval Wakefield cycle. Parts are available for four men and one woman in this robust and earthy religious comedy that ends with a moving nativity scene.

The sheep-stealing Mak filches one of the three shepherds' sheep and takes it home to his wife, Gill. They hide it in a cradle to escape detection, pretending it is a new-born babe.

From this farcical situation the play moves into a deeply felt but simple nativity scene. Considered one of the best plays of the Medieval period, "The Second Shepherd's Play" combines comedy and religion in a unique way.

All persons interested in dramatics may try out for this one-act play.

**Let's Give Blood**

**Will You Help Save Lives?**

By Carolyn Trapp

The Wichita Regional Red Cross Bloodmobile Unit will be in McPherson on Monday, Nov. 13. This is an opportunity for each of us to do something for someone else.

Although the idea of giving blood frightens many, there is actually very little to fear. Since our bodies replace the blood soon, most people hardly realize that they have lost a pint of blood.

When one gives blood, he knows that his blood may some day help to save a life. This feeling alone makes donating blood worthwhile.

For those who cannot donate blood, there is work in the areas of telephone receptionists, hosts, hostesses, solicitors for donors, and other such work. Thus, there is something for each of us to do if we will just take time to think of others and give a little of ourselves to benefit them.

As of October 21 the Wichita Red Cross Center had used 1800 pints more of blood than this time last year. This should show us that, especially at this time, our blood is needed.

Now each of us has an opportunity, and responsibility also, to help others by donating blood.

Will you help save lives?

**Bomberger Will Present 'Key Words'**

Rev. Harold Z. Bomberger, pastor of the McPherson Church of the Brethren, will deliver the sermon, "Key Words for Understanding Our Faith," during the Sunday morning worship service, Nov. 5.

Sunday evening services beginning at 7:30 p.m. will be a panel discussion of the Regional Conference held last month at Waterloo, Iowa.

Representatives from several groups will present views on business, inspiration, and the enthusiasm of the conference.

Treva Brown, senior from Wichita and president of the Western Region CBYF, will be a member of this panel.

Students or faculty members wishing to include Rev. Bomberger on their general mailing lists may do so through the campus mail.

These may be slipped into the campus mail slot south of the Bookstore in Mohler Hall.

**Keim Will Show Slides At CBYF Sunday**

Lois Keim, senior from Peoria, Ill., will show her slides of Germany at the regular CBYF meeting Sunday, Nov. 5, at 6:30 p.m.

The meeting will be held in the basement of the Church of the Brethren.

Lois was Macollege's exchange student to Germany last year.

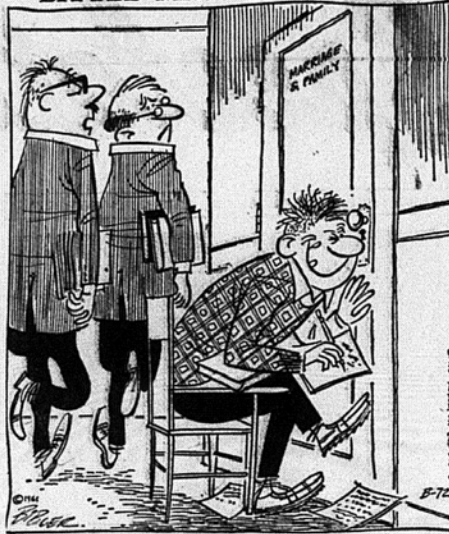

**Wagner Performs With Wichita Symphony**

Irvin Wagner, assistant professor of music and director of bands and orchestra, spent Monday, Oct. 30, in Wichita performing at four public schools with the Wichita Symphony. Professor Wagner plays second trombone.

Twice each year, the Symphony, under the direction of James Robertson, presents concerts to the public schools in Wichita.

Last week's concert was centered around the Centennial. Compositions were of a lighter nature than usually presented by the symphony.

**LITTLE MAN ON CAMPUS**

**Pondering With The President**

**Letters To The Editor**

By D. W. Bittinger

Letters to the Editor usually "spice" up a paper. Some years ago when I was editor of our church journal, The Gospel Messenger, I introduced this technique into a rather traditional religious magazine. We got scores of responses which have continued through many years. Out of this experience I adopted several guides or regulations with reference to the column in the magazine I edited.

1. The letter should not attack or degrade personality for personality is sacred. (If it did, I refused to print it, or edited out those parts.)
2. The letter should be relatively factual. (If its facts were questionable, an editorial note sometimes clarified this point.) (For instance, a recent letter to the Spectator said that the administration disfavors soccer. Actually, some of the administration are enthusiastic soccer fans.)
3. The letter should not be allowed to harm unduly the one who writes it. (A letter to an editor is a little like undressing one's psychological self in public. An editor can exercise the right to protect a person, even against himself.)
4. The hopeful intent of the letter should be constructive. (This is a hard one to judge.)

On the basis of these, and some other considerations, we had a helpful experience with letters to the editor. I, personally, am pleased to see them appear in the Spectator, even though I am certain some of our off-campus readers will be greatly concerned about them and about us.

Let us make it our paper; Let us make it a good one.

**Flory Breaks Collarbone While Playing Football**

Gary Flory, son of Dr. and Mrs. Raymond Flory, broke his collarbone last Saturday, Oct. 28, while playing football. Gary was in the hospital several days following surgery to reset the collarbone.

Dr. Flory is the dean of students and professor of history and political science at McPherson College.

Read and heed 'Spec' ads.

**200 Register At Waterloo For Regional Conference**

Two hundred people registered at the Regional Conference of the Western Region of the Church of the Brethren held at Waterloo, Iowa, Oct. 20-25.

This was the first Regional Conference to be held away from McPherson.

During this year's conference it was voted to alternate the location of the conference between McPherson and another city.

Speaker for next year's conference will be Clarence Jordan, director of Koinonia at Americus, Georgia. Koinonia is a cooperative living experience.

Theme of this year's conference was "God Speaks to His People."

Speakers were Chalmer E. Faw, professor of New Testament studies at Bethany Biblical Seminary; Carl E. Meyers, national director of ministry and evangelism; and James Eshelman, from the Denver Prince of Peace Church, who spoke during the Bible Hours.

Several people from Macampus attended the conference including Paul Wagoner, Guy Hayes, Harvey Lehman, Dr. D. W. Bittinger, Miss Doris Coppock, and Floyd Bantz.

The Western Region CBYF Executive Committee conducted a youth meeting Saturday morning. Those on the committee were Treva Brown, Lois Fruth, Larry King, Larry Elliott, Thelma Stump and Gary Bailey.

**Cedars Gives Supper As Good Will Gesture**

Cedars Church of the Brethren Home for the Aged, extended its good will gesture in the form of a supper Saturday, Oct. 28.

Turkeys were furnished by Dr. R. E. Mohler, chairman of the Trustee Board of Cedars, Women's Council of the McPherson Church of the Brethren prepared, served the meal and furnished the dessert.

Men's Fellowship of the Church made available chairs, tables, and dinnerware.

Approximately 190 guests from McPherson and other areas of the state registered for the supper.

Future plans for the Cedars include an infirmary, which is a major aim, cottage developments for retired people, chapel, office space, and nurse's quarters.

## Mac Travels To Bethel For Threshers' Homecoming

Football conference competition will continue tomorrow afternoon at 2 p.m. when the Bulldogs face the Bethel Threshers in Bethel's Homecoming game at the Athletic Park Stadium.

Both teams are entering the game with 2-5 records. Southwestern sneaked by Bethel 12-7 in last week's game.

**Returning Lettermen**  
Bethel's squad of 37 members includes 15 returning lettermen and ten linemen with an average weight of 190 pounds.

The Threshers' lineup include halfbacks Jerold Schwartz, a swift running 165 pound junior, and Terry Schrag, 175 pound senior co-captain, who is a fast break-away threat.

Ted Pankratz, 165 pound senior, who is an outstanding punter,

also fills the halfback position, and strengthens the team as a utility back.

Offensive fullbacks and defensive linebackers are Jim Penner, 180 pound junior, who was all-conference honorable mention last year, and Howard Schmidt, 180 pound junior.

Gene Mengarelli, 220 pound freshman, and Randall Goering, 195 pound sophomore from McPherson who was all-conference honorable mention, are tackles.

**Graber Ranks Fourth**

Guard Ken Graber, 175, pound sophomore, ranks fourth in KCAC competition in individual pass receiving with 17 catches for 185 yards and an average of 30.8 in six games.

Stan Reimer, 180 pound junior quarterback from Reedley, Calif., ranks fourth in the KCAC in individual passing offense with attempting 71 and completing 34 for 377 yards and an average of 62.8.

Bethel also ranks fourth in total team rushing with 347 carries for 1258 yards and an average of 209.7 yards per game.

They stand fifth in total team passing and third in total team offense with 1258 yards rushing and 453 yards passing for a 1711 total and an average of 285.2 per game.

## Ottawa Remains In KCAC Lead

Ottawa continues to lead in the KCAC as teams go into action this week. The Braves now have a 7-0 record.

Mac's Bulldogs fell to Ottawa 34-0 to give McPherson a 2-5 record for the year. Mike Brown led the Brave attack.

C. of E. overcame Friends by a score of 34-7 in last week's game. Ray Lansdowne scored the Friends' touchdown after receiving a 60 yard pass from Larry Richardson.

Southwestern scored a 12-7 victory over Bethel as the Mount-builders scored twice in the first half and allowed Bethel only one touchdown in the second half.

**KW over Sterling**  
Kansas Wesleyan trounced Sterling 33-7 as Rod Brown scored three touchdowns and Jerry Smith scored two for the Coyotes.

Baker rolled over Bethany 27-0 in the other conference game of last week. Baker scored three touchdowns in the second period.

**Standings**

	W	L	T
Ottawa	7	0	0
C. of E.	6	1	0
Baker	5	2	0
Southwestern	5	1	1
Kansas Wesleyan	3	4	0
Bethany	2	3	2
Bethel	2	5	0
McPherson	2	5	0
Sterling	1	6	0
Friends	0	6	1

## Lahman Leads In Volleyball Intramurals

Lahman - Smucker volleyball team remain undefeated as of Tuesday, Oct. 31.

	W	L
Lahman - Smucker	14	0
Brallier - Hartman	10	4
Kesler - Dresher	10	3
Wymore - Hintz	9	6
Edmonds - Kelly	8	6
Jacoby - Reazin	8	6
Allen - Kruschwitz	8	6
Reynolds - Weaver	8	4
Brown - Rankin	7	3
Vanderau - Royer	6	5
Gibson - Emmert	5	8
Oltman - Wine	3	11
Draper - Murray	3	9
Albin - Standafer	2	10

Games will be played next week at 6:30 p.m. and 7:15 p.m.

**Monday**  
6:30 Vanderau vs. Allen, Brown vs. Draper.

7:15 Gibson vs. Lahman, Brallier vs. Reynolds.

**Tuesday**  
6:30 Albin vs. Allen, Kesler vs. Draper.

7:15 Brallier vs. Brown, Reynolds vs. Vanderau.

**Wednesday**  
6:30 Gibson vs. Edmonds, Lahman vs. Oltman.

7:15 Wymore vs. Allen, Jacoby vs. Draper.

## Flory Speaks At Meeting Of Idaho District

Dr. Raymond L. Flory, dean of students and professor of history and political science, spoke at the Idaho District Meeting of the Church of the Brethren at Boise, Ida., Oct. 25, to Oct. 31.

At these meetings, Dr. Flory spoke at the Sunday services and at several other sessions.

Students in classes of elementary education and music education are especially invited to attend. Downtown classroom teachers will also be invited.

## Did We Ever Goof!

An error appeared on the sports page of last week's SPECTATOR. The follow-up story stated that Mac played Bethany while the headline said that Mac played Baker.

The headline was correct. Mac did play the Wildcats as was stated, but they are from Baker rather than from Bethany.

## Braves Overpower Bulldogs To Increase KCAC Lead

Ottawa remained undefeated in conference play as they overpowered the McPherson College Bulldogs 34-0 last Friday night on a wind-swept gridiron at the College Stadium.

This contest boosted Ottawa's record to 7-0 while McPherson has a 2-5 record.

Mike Brown kicked two field goals, scored two touchdowns, and kicked four extra points to score 22 of the Braves 34 points.

**Threatened To Score**  
McPherson threatened to score late in the first half when they drove to Ottawa's 30-yard line, but lost the ball on a fumble.

Two field goals of 16 yard and 28 yard kicks, a 28 yard pass from the Bulldogs 28-yard line, which resulted in a touchdown, and a kicked extra point accounted for a 13-0 score at the end of the first period.

During the first half McPherson earned seven first downs to Ottawa's five, and outgained Ottawa on the ground 79 to 76 yards.

**McAninch, Krebs Score**  
In the third quarter John McAninch ran 12 yards through the middle of the line to score, and John Krebs went around right end for seven yards to score again for the Braves. Brown kicked both extra points.

## Soccer Team Ends Season With 2-1 Loss To Wichita

McPherson College's soccer team was defeated 2 to 1 by the Wichita Soccer Club in what will probably be the season's closing interclub match.

McPherson scored from thirty yards in the opening minutes of the first half. Wichita scored later in the half and in the closing

minutes of the game. The field was marked according to international specifications, and international time regulations were followed. Substitutions were permitted, and most of the team saw action.

**Offensive Drive**  
Mac's offensive drive of the first half slowed, and the second half found McPherson on the defensive. Although Wichita scored twice, McPherson's goalie stopped sixteen potential goals.

The Wichita team's average age was twenty-six, and their defensive line had played on the Peruvian international team. Other players came with experience from German and Hungarian teams and played a smooth, refined game.

McPherson's first season has been successful. Two games have been won, one lost.

McPherson has scored in each game, racking a total of eight goals to the opponents three.

Players have gained confidence and experience, and school and civic interest has been aroused.

**Spring League**  
McPherson's showing has been sufficient to merit an invitation to join in a spring league with Tabor, Kansas State, Kansas University, and St. Louis University. The McPherson club is planning an exhibition game, either with Wichita or intra-club, to be held at the McPherson College stadium the afternoon of Sunday, Nov. 12.

The final touchdown was scored on a 56 yard jump pass to Mike Brown from Smart.

**Wesselowski Leads**  
Tim Wesselowski was Mac's top ground gainer by carrying the ball 18 times for 66 yards, while David Priddy also carried 18 times for 16 yards.

Silas O'Neal led Mac tackles with ten, while Joe Looker had eight, Larry Crumrine six, and Art Hoch, Duane Pope, and Richard Patton each had five tackles.

**Statistics—**

	MC	OU

## Work Begins On New McPherson High School

Construction began June 8 on a new McPherson High School located on East First Street. Completion date will be around Christmas of 1962. The estimated cost is \$1,326,999.95.

The new structure will have an initial 750 student capacity and somewhat less than 115,000 square feet of floor space with many new and experimental ideas incorporated in its construction.

Stanford University School Planning Laboratories was contracted in the spring of 1959 to make a survey of McPherson schools and to recommend any changes needed. The Stanford staff recommended a new high school and helped with its planning.

### Hexagonal Floor

Main feature of the building is its hexagonal floor plan with triangular classrooms. This design was chosen because it is

economical to construct and add to in the future.

The gymnasium will be round with a 4,000 seating capacity. Construction of a round gymnasium costs \$6,000 less and has more floor space than a rectangular one of similar capacity. Shops, classrooms, and locker rooms are to be located around the edge.

McPherson High School will have year-round climate control with windows in the academic area limited to vision strips.

### Flexibility

Flexibility of use makes the high school unusual. All walls are constructed so they may be removed or changed without major construction. Additions may be easily made to increase the student capacity to 1,400.

Provisions have been made for use of visual aids and future use of television in group teaching.

Construction costs will be about \$240,000 less than for a conventional building of similar capacity. Costs will average \$11.79 per square foot of space. Costs of conventional schools run upwards of \$13.90 per square foot.

## Brown To Attend

### Board Meeting At Elgin

Dale Brown, assistant professor of philosophy and religion, will attend the General Brotherhood Board Meeting at Elgin, Ill., Tuesday through Friday, Nov. 7-10. There are 25 members of the board.

McPherson College alumni from Illinois will meet with Professor Brown on Friday morning, Nov. 10, at the new headquarters building for the Church of the Brethren in Elgin.

Professor Brown will meet with his major advisor from Northwestern University to discuss his doctoral thesis on Saturday, Nov. 11, at Elgin.

## ACT Test To Be Given

### At McPherson College

American College Testing Program will use McPherson College as a testing center on Saturday, Nov. 4. A number of students from surrounding high schools are expected to take the test here.

Most Kansas colleges, including McPherson College, now require the ACT program of entering students. High school seniors who plan to attend McPherson College should take this test in their home areas, designating McPherson College as the institution to which the results of the test should be sent.

## Conductors Guild Presents Award To Frederick

Donald R. Frederick, professor of voice and director of choral organizations, was presented in February, 1961, a certificate as an Honor Charter Member of the Choral Conductors Guild of America.

Outstanding work in choral music and exceptional contributions to the advancement of choral art were the bases for the award.

Professor Frederick will be the guest director at a concert presented by the Southern Ohio Choral Society in Ohio on Palm Sunday. The Choral Society will be performing some of Professor Frederick's compositions which they have asked him to direct.

Upon recommendation of the Music and Worship committee which met at Elgin, Ill., Sept. 15-16, Professor Frederick will serve as choir director of the Annual Conference of the Church of the Brethren to be held at Ocean Grove, New Jersey.

## Faculty To Submit Grades By Nov. 14

Nine weeks grades are due in the Registrar's Office by Tuesday evening, Nov. 14. Professors are not required to give nine weeks tests, but a grade must be turned in for the nine weeks.

## Burkholder, Ikenberry Attending Science Meet

Dr. John Burkholder, professor of biology, and Dr. Gifford Ikenberry, Jr., associate professor of biology, attended a meeting of college professors and high school science teachers at Emporia State Teachers College Oct. 24. The main topic of the meeting was "The Improvement of the Training of Junior High School Science Teachers."

The meeting was the fifth of a series dealing with the improvement of high school and junior high school science curriculum sponsored by the Kansas Academy of Science.

## Sollenberger Has Part In Music Convention

Paul Sollenberger, assistant professor of music theory and string instruments, participated in a panel discussion at the Golden Anniversary convention of the Kansas Music Teachers Association held Monday and Tuesday, Oct. 30 and 31.

Three hundred Kansas music teachers attended the meeting at the University of Kansas in Lawrence.

Included in the meeting were panel discussions, forums, concerts, and workshops.

Sollenberger was a member of a panel which discussed "The Role of 20th Century Music in Music Theory."

## Brooks Receives Speech Contest Materials

William D. Brooks, associate professor of speech, announced that he has received materials for the National Peace Speech Contest and for the Inter-collegiate Oratorical Contest concerning alcohol and related problems.

The National Peace Speech Contest has two divisions, oratory and extempore speaking, each participant must write his own speech and it must not contain over 1200 words. First prize at the national contest is \$40.

The Intercollegiate Oratorical Contest concerning alcohol and related problems will be judged on three levels; local, state, and national.

First place at McPherson will be awarded \$25 and the first prize in the state contest will be \$50. The winner in Kansas will go to the national contest.

Anyone is eligible to enter either of these two contests. For further information students may contact Professor Brooks.

## Brown, Kruschwitz

Mr. and Mrs. Clarence E. Brown, Quinter, announce the engagement of their daughter, Clarice, to Dohn Kruschwitz, son of Mr. and Mrs. Alfred Kruschwitz, Grundy Center, Iowa.

No definite wedding date has been set.

## 28 Chosen For Special Choral Work

A select ensemble of 28 voices has been chosen from the 46 members of the A Cappella Choir, according to Donald R. Frederick, professor of voice and director of choral organizations.

This group will work with more difficult compositions during the year.

First sopranos include Virginia Zabel, Janice Wehrli, Bonnie Hodgden, and Mary Ida Baile.

Second sopranos are Charlotte Fillmore, Mary Ellen Scott, Phyllis Wampler, and Beth Kinzie.

First altos: Carol Kesler, Dolores Lahman, Barbara Dilley, and Marcene Gridley.

Second altos: Connie Andes, Gail Fillmore, Bonnie Webb, and Sharon Keith.

First tenors: Rodney Eisenbise, Bob Hess, and Roger Killian.

Second tenors: Jim Nettleton, Dennis Hubbard, and Larry Ikenberry.

First Basses: Ray Harner, Bruce Holderreed, and Don Allen.

Second Basses: Ron Grout, Gale Burkholder, and Jim Neher.

Professor Frederick is directing the ensemble, Thelma Stump, junior from Cushing, Okla., is the accompanist.

Read and heed Spec ads.
