**DANDELIONS TO BE TABOOED—
METHOD IS BEING SOUGHT
TO REWARD CHEER
LEADERS**

**Constitution of Governing Body To
Be Revised—Election of Officers
For Council and Quadrangle
To Be Held in Near Future**

The Student Council met in regular session last Wednesday evening. In order to promote the fight against the obnoxious dandelion, the council has arranged a plan whereby the classes will be asked to be responsible for keeping particular sections of the campus free from this "evil". This matter has been presented to the presidents of the various classes. M. C. in the past has had no standard method of recognizing the services rendered by the yell leaders of the institution. The athletes receive letters and the debaters, editors, etc., receive medals but usually the yell leaders pass unrecognized in any formal way. In view of this fact the council is seeking a method whereby proper recognition may be made.

A committee with the president of the council as chairman, has been authorized to revise the present constitution of the council, which is very much out of date.

The council is making arrangements for the spring election of the following officers: President and Treasurer of the Student Council and Editor and Business Manager of the Quadrangle. This election will follow the plan of the recent election, except, no one will be permitted to give a nomination speech unless he files, with the election committee, a petition bearing the signatures of fifty students who favor the candidate. "Get out and look for candidates for these offices and back your man good and strong."

MOSER GETS PRIZE.

The State Board of Health conducted last fall a campaign culminating in a Fitter Families Contest, the idea being to pick out in the state a perfect baby. Mr. and Mrs. Paul Moser of Topeka, won the medal which was presented personally by Governor Allen. Their daughter, Jean, was pronounced to be the most perfect baby entering the contest. Mr. Moser was a student in M. C. in 1914-1915. After leaving here he finished his A. B. at K. U. At present he is Director of Religious Education in the First Presbyterian Church of Topeka.

THE RETURN OF THE VICTORS

Wednesday morning as the students marched into the chapel they found themselves bursting with pep and hilarious joy which dared not be released. Out of courtesy to Fairmount's debating team all was silence and respect during the entire half hour. But this stored up enthusiasm was not destined to be thus contained. By eleven-thirty plans were perfected for a triumphal march such as has not been known since Pompey dazed and astounded all Rome with his displays from the eastern campaign. The spoils of all the debating team of the great State of Kansas were borne in the procession. The conquering teams with Coach Hess in the lead were carried aloft upon the staunch shoulders of some of our men. The President of the Student Council preceded the victors bearing on high the banners of success. Loud and clamorous was their reception. Women and children crowded about the honored men shouting and clapping their hands with joy. The men voiced their feelings in speeches and appropriate applause. The reception given to the speeches of Isaac Dirks and Roy Brammell might be likened to those given to favored politicians. Peggy Whitmer voiced the sentiments of the students when she said "We just can't tell you how we feel."

M. C. BASKETBALL TEAMS AWARDED LETTERS

The Athletic Association chose Saturday morning for the occasion on which to honor the basket ball teams for their work during the year of 1922. Dr. Kurtz took charge of the presentation and in a wonderfully impressive speech made, not only the teams, but the entire audience feel the deep responsibility and honor due to anyone representing McPherson in any event.

Members of the girls basket ball team receiving letters were: Minnie Edgecomb, Edith Muse, Floye Rhodes, Doris Ring, Lillie Crumpacker, and Ruth Cripe. Ruth Cripe also received a star for her excellent services as Captain.

Letter men of the most famous basket ball team in Kansas are: "S" Sargent, Captain and receiver of the star, Marvin Stansel, Leonard Crumpacker, Sanger Crumpacker, Rufus, Daggert, and "Gussie" Rump.

For continued service of three year's time, maroon sweaters, letters, and service stripes were presented to "Big Crummie," and "Little Crummie," while "Gussie" carries away with him, after this last year, the much coveted blanket which stands for four year's perseverance and faithful service in basket ball.

These men are to be congratulated upon their faithful work under Coach Lonborg in making M. C.'s basket ball team her greatest pride.

ACADEMY JUNIORS GIVE BANQUET TO SENIORS

**UPPER-CLASSMEN ARE ROYALLY
ENTERTAINED BY CLEVERLY
ARRANGED PROGRAM**

One of the most enjoyable events of the year was spent Monday night at the Junior-Senior Academy banquet. At eight o'clock the guests gathered in the parlors of Arnold Hall where they were made to feel welcome by Evelyn Lyons, President of the Junior Class. Upon entering the dining hall the Seniors found it decorated in their own purple and gold and their class motto "Not evening but dawn" worked out in a very clever scheme. To the east arose the sun of "Dawn" sending out long rays of light over the mountain top. And just as the rising sun marks the coming of day, so it is with our commencement—it is just the "Dawn" of our lives.

Milton Dell, President of the Senior class responded by expressing an appreciation of this event and also of the Junior Class. Miss Anderson, class adviser of the Seniors, read "The Man in the Shadows" leaving with us greater determination to make good. Prof. and Mrs. Gaw sang "Oh, That We Two Were Maying" in a very pleasant manner. Then Prof. Hess spoke on the subject "Fool's Gold" reminding us that we must make the real test of life and a good foundation for this is our education.

The toasts were very unique and original. Elmer McGonigle did himself great credit by the commendable manner in which he presided as toastmaster. John Spicer toasted to "19'22" reminding us of the opportunities for development that are now ours. School "S"pirit by Harvey Lehman gave us an insight into true school spirit. Lillie Crumpacker took us back over our school days in "E"ver-Memories. "N"ow or Never is the time to begin preparing for the bigger tasks of life as was brought out so forcibly by W. T. Luckett. Anna Edgecomb in "I"ncomplete showed us that as yet our education is incomplete. William Mudra toasted to "O'h Juniors and spoke of the good spirit and loyalty existing between the two classes. Edith Watkins told us what "R" faculty had

PROF. CRAIK COMPLETES WORK FOR PH. D. DEGREE

**WILL SECURE TITLE JUNE 5 AT
KANSAS UNIVERSITY**

"Southern Interest in Territorial Kansas From 1854-'58 Is Subject of His Doctor's Dissertation"

Professor E. L. Craik, head of the Department of History and Political Science in McPherson College has satisfactorily passed his examinations leading to the Ph. D. degree. The degree will be conferred upon him June 5th by Chancellor Lindley of the Kansas University.

Professor Craik has had an unusual educational career. He graduated with the A. B. degree from McPherson College in 1910. His graduate work was done in Kansas University where he was a fellow in 1915-'16. He received the Masters degree in 1916. While in the University he took every course offered in the department of History. The last four years he has been working for his Doctor's degree. His major has been American History, his minors, European History and Political Science. The subject of his Doctor's dissertation was "Southern Interest in Territorial Kansas from 1854 to 1858," a complete work of approximately 275 pages. The material for this book he obtained from the libraries at Lawrence and Topeka, Kansas, and Columbus and St. Louis, Missouri.

Professor Craik took his examinations under Dean Blackmar of the University of Kansas. During the three days twelve hours were spent with testing, concluding with a public oral examination. He had previously completed his residence requirement.

Professor Craik has been further honored by the request of the Kansas Historical Society to print and publish his book and incorporate it into the regular report as Volume 15. This is a most unusual honor of which the efforts of Professor Craik are entirely worthy.

PAUL HARNLY RE-ELECTED

Paul W. Harnly, A. B. '15, has recently been re-elected principal of the Chanute senior high school with a salary of \$3,000. This will be Mr. Harnly's fourth year at Chanute and since that time he has received an advance of \$1,400. Last week Mr. Harnly accompanied the glee club of his school to Emporia where they won third place in the state contest.

McPHERSON TRACK MEN TO MEET STERLING FRIDAY

The Bull Dogs clash with Sterling Friday, April 21, in the opening track meet of the season, at the local athletic field. This is the only dual meet at home this season for the team and will be the only chance to see the men in action, except at the pentagonal meet which will be held here on May 5.

Sterling was defeated last year in the dual meet by a score of 94 to 41 and the Bull Dogs, with most of last year's men on the squad and with several other strong additions are determined to repeat the performance of last year.

COLLEGE JUNIORS TAKE MEET BY WIDE MARGIN

**WIN FROM SOPHOMORES 51-28
IRA BRAMMELL HIGH POINT
MAKER—FIVE CLASS
RECORDS BROKEN**

The College Juniors, last year's winners, easily carried away high honors in the inter-class track meet held last Thursday. Ira Brammell, high point man, contributed 37 points towards a total of 51 points for the Juniors, while the Sophomores were only able to gather 38 counters for the second place, 13 of which are credited to Ray Vaniman, second individual point man.

It was a fine day for such a meet and in spite of the fact that the track was in a soft and spongy condition five new inter-class records were established. Ira Brammell made three of the new records and Mudra the other two. A good sized crowd of students and interested town people were out to witness the first showing of M. C. hopes in the track line this year.

The star of the meet, was Ira Brammell who won first honors in individual points by securing five first places, three seconds, and tied for first in another event. The Sophomores with their speedy men took the mile relay race again this year but were unable to approach the interclass record which they established last year. Mudra ran a close race for second place but had to give way to Vaniman when in the disuse event all three of his long throws were illegal.

The event, one of the best for several years, gave a good line on the Bulldogs' track team for the coming meets and it is quite evident that M. C. is to have a team that will give all opponents this season a hard fight for honors.

The summary of the events and points winning follows:
100 yd. dash—1st, I. Brammell (Jr.); 2nd, Vaniman (Soph); 3rd, R. Brammell (Jr.)—Time 10.2 sec. (new record.)
Shot Put—1st, Mudra (Sr. Academy); 2nd, I. Brammell (Jr.); 3rd, R. Brammell (Jr.)—Distance 36 ft. 8 in. (new record.)
220 yd. hurdles—1st, I. Brammell

The M. C. Bulldog spirit is responsible for another eminent victory last Tuesday evening when the College teams won the state championship in debate by defeating the Fairmount College teams in the dual debate for first honors in the Kansas Intercollegiate Debating League. Our debaters won five of the six judges votes, B. F. Waas and Crawford Brubaker, our negative team, securing a unanimous decision against Fairmount's affirmative in the debate which was held here while William Bishop and L. Avery Fleming won a two to one decision from Fairmount's negative team at Wichita. The Fairmount debaters were the same who won the state championship last year without a defeat and were considered invincible, but they met their equals with the Bulldogs as opponents.

The question debated last Tuesday night, as in all the debates of the league this year, was the federal enactment of legislation embodying the principles of the Kansas Court of Industrial Relations. G. Vernon Kelley and George Pease, Fairmount's delegation to the debate here, advanced for the Industrial Court the argument that the legislative enactment of its principles would correct industrial evils from the standpoint of capital, labor, and the public, and that federal legislation is the proper method of applying them. Crawford Brubaker and B. F. Waas attacked these arguments by affirming that the basic principles of the Court are unsound and that federal enactment of them is impractical. Both teams had good main speeches, the visitors having strong arguments and a slight advantage in delivery, but our men also had strong speeches and showed their best work in rebuttal. The affirmative weakened their argument in rebuttal by several contradictions and by quibbling over what constitutes an industrial strike, in an effort to explain away the strikes which have occurred under the jurisdiction of the Industrial Court.

William Bishop and L. Avery Fleming were also slightly outclassed by Fairmount's team in the matter of delivery but they presented a much stronger argument than the negative speakers in the debate which was held at Wichita. They were not at their best in rebuttal but succeeded very well in destroying the arguments of their opponents. With Professor Hess, who accompanied them, they enjoyed a very courteous reception at the home of the Wheat Shockers.

The judges in the debate which was held here were B. F. Martin, Superintendent of Schools at Newton, W. A. Stauffer, Editor of the Marion Review, and Walter E. Myer, Debate Coach at Emporia Normal. The large audience which was present to hear the debate was favored before the contest began with a vocal duet by Harold Beam and Roy Brammell and at the close by two violin selections by Arthur Linell.

The splendid success of our debaters this year has been won by earnest and persistent effort on the part of the members of the team and of Professor Hess, their coach. Other members of the faculty, especially Miss Anderson, have also given much valuable assistance in coaching the teams. The loyal support of the student body has been another important factor in maintaining the winning psychology so necessary in debate or any other contest. M. C. will long have reason to be proud of her debaters and their victories in 1922.

Personal Items

Miss Dorothy Bryant, an alumna of M. C., is spending a few days vacation with friends on College Hill. Miss Bryant is a nurse in training at Battle Creek Sanatorium in Michigan.

From Friday's Republican, "Twenty Years Ago" column: "Dr. S. B. Fahnestock has purchased a gasoline engine, the first of its kind to be seen here and will use it in place of his windmill for pumping. He will tear the windmill down. He says that it is only a question of a short time before people will all be using these kind of engines."

Mabel Hoffman and Nellie Derrick spent the week end at their homes at Abilene.

OLD TIMER VISITS M. C.

Mr. Charles W. Ellsasser, who was a student in the Academy of McPherson College in 1901-1902, was visiting on the campus last Friday. He was accompanied by his family and was on the way to the Messiah at Lindsborg. He is now engaged in the real estate business in Liberal, Kansas. One of his daughters will graduate from high school this spring and expects to enter M. C. next fall.

IN MEMORIAM

The Mission Band held a special service last Thursday evening in commemoration of the life of J. H. B. Williams who was born April 14, 1883 and died April 17, 1921. Dr. Kurtz, who was a personal friend and co-worker on important Boards of the Church related these intimate and intricate relationships. Reverend Williams, as an alumnus of this institution, gave an address at our President's inauguration here.

J. H. B. Williams

Dr. Kurtz spoke of Rev. Williams as a great religious statesman and prophet. He lived for a Cause which was to serve the Church and its missions. His accuracy, keenness, insight, and comprehension of law made his service on the General Mission Board inestimable. His efficiency aided greatly in gaining for our Foreign Missions, their present standing. Truth was his goal, yet in differences of opinion his modesty led him to present his view in a most tactful, loving manner. He was devoutly religious, yet he saw the humorous side of life always and had a smile for everyone. To know him was to become nobler, happier, and better. To him life was not numbered in years but in quality of devotion, love, and unselfishness. The whole Church felt this loss very keenly. His life and work are a challenge to us to carry on that which he began. It would be well to hold annual memorials to him.

Y. M. C. A.

The men were favored by an address from Reverend D. H. Switzer of the Methodist church last Thursday morning. His subject was the Parable of the Sower. Reverend Switzer compared the four kinds of soil to four kinds of individuals. Those people who will not apply the message of truth to themselves, but pass it on to the other fellow represents the impervious soil. People whose minds receive impressions but whose hearts are not touched were compared to the shallow soil, while those who let their spiritual activities be crowded out by other activities represent the thorn-choked soil. The fourth kind of soil is represented in the man who leads a clean Christian life. Hopes were expressed that all present would be true sowers of Christianity.

Send the Spectator home.

A cross above unlighted candles beneath which a row of shawled figures are kneeling—a priest with a lighted candle enters and after kneeling dispels the gloom by lighting the candles and crying the glad news that Christ is risen. There follows a subdued but joyous babble of tongues which finally merges into a hymn of rejoicing.

Such was the pageant presented by the Freshmen girls last Wednesday morning picturing Easter in the early Greek church. The remainder of the program consisted in a number by the Freshmen quartet and devotionals by Ida Blouh. The Freshmen girls are to be congratulated for their splendid work on this program.

COLLEGE DEBATE CLUB HOLDS FINAL MEETING

Friday evening at the final meeting of the College Debate Club for this year, the following officers were chosen to pilot the organization through the year 1922-23.

B. F. Waas, President.
Isaac Dirks, vice-President.
Ada Kurtz, Secretary.
John Mohler, Treasurer.
Leonard Birkin, Reporter.
Ralph Lehman, Corr. Secretary.
Jay Eller, Critic.

After the election the new president gave a short speech outlining the program for next year and asked for the support of all the members in making next year's club and teams a success.

A short impromptu program was then given by the Senior members of the club. Next year the club hopes to be able to carry out a program whereby the program held last Wednesday morning at 11:30 can be made "an annual event."

Oliver Trapp Entertains Debaters.

Oliver Trapp entertained the Fairmount debaters, Mr. Pease and Mr. Kelley at the Kelm home, Tuesday evening after the debate. Although the time was limited the evening was spent in an interesting manner aided by some piano solos by Harry Powers. At the close of the evening a light luncheon of sandwiches, salad and cocoa was served. The guests were Ethel Whitmer, Norma Smith, Beulah Spurgeon, Marie Cullen, Rowena Vaniman, Mr. Kelley, Mr. Pease, Harry Bowers and Emery Wine.

The menu consisted of cocktail, wafers, creamed chicken, potatoes, tomato croonets, sickles, olives, tupp radishes, buttered rolls, candle stick salad, ice cream and cake. Eight boys and girls of the Sophomore class, dressed in gold and white, served.

The Juniors are to be congratulated for the originality and resourcefulness they showed in the giving of this very enjoyable entertainment and the Seniors will always remember it as one of the pleasant memories of their Academy days.

A Natural Conclusion

A city man who had taken his children to the country during vacation was proceeding across the fields with Willie, the youngest, when the latter saw a cow for the first time.

"What's that?" asked the child.

"That's a cow, my son."

"And what are those things on her head?"

"Horns."

And then the two moved on. Presently the cow moaned, whereat Willie was surprised. "Which horn did she blow, father?" he asked.—Ex.

BULLDOGS LOSE OPENING BASE BALL GAME TO STERLING

Visitors Stage Terrible Onslaught And Defeat Lonborg's Nine 22-8

The Sterling Barrel Makers swamped M. C. in the opening game of the baseball season last Wednesday at the local fairgrounds by a score of 22 to 8. It was an ideal day for a baseball game and the Sterling aggregation, with one game's experience, easily secured a safe lead in the early part of the game and romped home with the honors.

By simply looking at the box score not much is learned of the true nature of the game. The Bull Dogs, while only credited with five errors, staged numerous blunders and "bones" which Sterling used to a good advantage. The outfielders, having little practice in the fairground diamond, were greatly worried by the sun and allowed many bases by missing long drives in their territory. In base running the Bull Dogs were also lost and were caught napping several times. The infielders seemed unable to do good work and passed up good opportunities for putouts.

Dutch's aggregation secured enough hits to win most any kind of a base ball game, but were unable to use them effectively, while the Sterling crew forced Lonborg to use his entire pitching staff. Sargent pitched the first two innings and then was relieved by Garvey who did good steady work until the eighth inning when he weakened and Stansel was used to finish the game.

Nichols, for Sterling did some good steady pitching with the exception of the eighth inning in which the Bull Dogs rallied, securing six hits and sending five runs across the plate.

The main trouble with Lonborg's crew seemed to be the lack of practice and experience. The team has been greatly handicapped by wet weather and were only able to get one work-out on the diamond before the game. Some very promising baseball material was evident in the game and it is safe to say that with a chance to get some good workouts in the near future the Bull Dogs will soon be able to put up a good brand of baseball. The Pep Clubs paraded through town before the game to announce the

opening of the season and a fair-sized crowd was out to witness the game. The score follows:

BULLDOGS LOSE BASEBALL GAME TO SALINA WESLEYAN

The first few innings of the game again proved disastrous for the Bull Dogs when Kansas Wesleyan took a lop-sided victory by a score of 16 to 4 from the M. C. nine at Salina last Friday. Lonborg's crew was unable to get together the first inning and this factor coupled with several walked men by Stansel gave the Kansas Wesleyan aggregation a nine point lead which the Bulldogs were unable to overcome.

After the first inning the team held the Wesleyans to a 7 to 4 score but even these last innings failed to see the men playing good ball for numerous blunders and errors were committed. Stansel started in the pitching box for M. C. but was forced to give way to Garvey in the latter part of the first inning after allowing several scores and walking two men home. Garvey remained in the box for the rest of the game and did some creditable work. Dutch's infield particularly seemed to be at fault Friday and it is felt that some good workouts this week will solve much of this difficulty and see the team in better form against the Swedes Thursday.

D. Strickler handled the catcher's position; otherwise the line-up for the game was the same as for the Sterling game.

Score:—

R. H. E.	
McPherson	002 000 110 4 6 8
K. W. U.	910 312 00X 16 14 4

Batteries—M. C.: Stansel, Garvey, D. Strickler.
K. W. U.: Thomas, Grego.

It Looked That Way

"Is Mike Clancy here?" asked the visitor at the quarry, just after the premature explosion.
"No sir, replied Costigan, "He's gone."
"For good?"
"Well, sir, he went in that direction."—Ex.
