

M. C. WELCOMES YOU TO 'THE HOMECOMING EVENTS

BIG EVENTS PLANNED BY M. C. FOR SECOND ANNUAL HOMECOMING

Clash Between Moundbuilders And Bulldogs Is Feature of First Day.

TIME SET FOR NOV. 30 and DEC. 1

Dedication of Harnly Hall Is Main Number on Program For Second Day

To see the Bulldogs pitted against the Moundbuilders in the second big homecoming game in the history of M. C. and to witness the elaborate dedication of Harnly Hall planned for the day following will be two of the main features in store for the alumni who spend the latter part of next week at their Alma Mater.

Bulldogs to Meet Southwestern
The gridiron battle with the Southwestern eleven on Thanksgiving Day will be a fitting clash with which to close the season. At present the Moundbuilders have won three games, tied two, and lost two while the Bulldogs have five games in the won column and only two defeats. As far as odds go both teams have about an equal chance. Southwestern held Fairmount to a scoreless tie but lost 28-0 to Baker, while the Bulldogs won 7-6 from Baker but lost 10-3 to Fairmount. It is safe to predict a fast and hotly contested game—one which will be well worth seeing.

Four Part Program Arranged.
On December 1 will occur one of the most important and elaborate events in the history of McPherson College—the dedication of Harnly Hall. Four separate programs have been arranged for the day, the first at ten o'clock in the morning, the second at two o'clock in the afternoon, the third at six o'clock, and the last at eight o'clock in the evening.

Dr. Frantz To Give Address.
The morning program will consist of an address by Dr. Edward Frantz, third president of McPherson College. Following this the Domestic Science department will conduct a cafeteria for the visitors. The ceremony of naming the building, by Dr. Kurtz, will be held in the chapel at two o'clock. At the close of these exercises an inspection tour of the campus and the various buildings will be conducted under the auspices of the Alumni Association. A banquet for the alumni, visitors, and friends will be given in the dining room of Arnold Hall at six o'clock also by the Alumni Association. A recital by the Fine Arts department at eight o'clock in the chapel will be the main feature of the evening.

Large Attendance Expected.
M. C. is expecting a large attendance from her graduates at this second big homecoming. The privilege of seeing M. C.'s 1922 eleven in action for the last time, the chance to be present at the dedication of one of M. C.'s most beautiful structures, and the opportunity of renewing acquaintances with old friends and classmates are some of the advantages of this year's homecoming that no alumnus can afford to miss.

DR. KURTZ HAD BUSY SCHEDULE LAST WEEK.

Dr. Kurtz had a very busy schedule last week. He left Thursday morning for Hope, Kansas, where he spoke to the Dickinson County Sunday School Convention in the evening. Friday night he spoke to the Cloud County Sunday School Convention at Coscoedia. Sunday night at Wellington he gave the main address at the dedication of a \$140,000 memorial auditorium built in honor of the soldiers. Monday night he addressed the Father and Sons' banquet at Belleville.

EXPERT IN S. S. WORK COMING

Rev. Ezra Flory, representing the General Sunday School Board of the Church of the Brethren, is announced as one of the lecturers at the Bible Institute from January 20 to 23, 1923. Although it was originally hoped that he could be present for that occasion, the engagement was not confirmed until a short time ago. Rev. Flory will conduct special conferences for Sunday School workers, a field in which he is acknowledged as an expert. From McPherson he will go to California, where he will again engage in Sunday School work.

PHYSICS DEPARTMENT NOW IN HARNLY HALL

CLASS IN ANALYTIC GEOMETRY IS FIRST TO RELOCATE IN NEW BUILDING

When Prof. Morris' Analytic Geometry class met in Harnly Hall at eight o'clock yesterday morning, a distinguished honor was bestowed upon the Physics and Mathematics Department of the College—that of being the first department to take up regular work in the new building.

Moved Apparatus Saturday
Saturday was moving day for the department at which time nearly all the apparatus that belongs to this particular branch of science was removed from the crowded room in the basement of Sharp Hall to the south half of the second floor of Harnly Hall, the future home of this department. In these new quarters Prof. Morris will be in a position to do justice to the ever increasing number of students desiring to take up work in the field of Physics and Mathematics.

Other Departments to Move Soon
Harnly Hall has been connected up with water, heat, and light, and as soon as the gas is connected up the Domestic Science and Chemistry departments will move into their new quarters. The museum was moved into the new building several weeks ago and now occupies part of the fourth floor. It will not be long until the board walks leading to Harnly Hall will be in constant use by students going to and from classes.

PROF. SANDZEN DISCUSSES ART OF THE RENAISSANCE

"Masters of the Renaissance" was the subject which Prof. Birger Sandzen discussed Tuesday evening at Smalley's as the fourth lecture of the Art Series. Following the Greek and Roman periods art was at a standstill for several centuries. The Gothic period, however, which began about 1200 A. D., ushered in a new interest in the field of art—nature was restudied, investigations were carried on, and learning in general began an upward trend. Of the masters of the Renaissance such artists as Titian, Michael Angelo, Raphael, and Da Vinci stand out most prominently. All of these artists have given wonderful contributions to the world.

ALUMNUS IS RE-ELECTED TO STATE LEGISLATURE

Robert Cram, Normal 1910, of St. Francis, Kansas, a member of the House of Representatives of the last Legislature, is reported re-elected from his district. He is a member of the House committee on education. Mr. Cram was a brilliant student while here in school, always taking a leading part in literary society and college plays. After leaving M. C. he taught school, became county superintendent of Cheyenne county, held other public offices, and finally entered the Legislature. He is held in very high regard in his section of the state and is a universal favorite among the alumni of former years who learned to know him personally.

THESPIAN CLUB SHOWS WONDERFUL TALENT IN THREE ONE-ACT PLAYS

"Lonesome-Like," "Sham," and "The Slave With Two Faces," Are Productions Given.

PRESENTED TO LARGE AUDIENCE

Exceptional Clearness of Speech And Understanding of Theme Is Shown by Casts

"Lonesome-Like" by Harold Brighthouse, "Sham" by Frank G. Tompkins, and "The Slave With Two Faces" by Mary Carolyn Davies—the three one-act plays presented by the Thespian Club Friday evening were received with enthusiasm by a full house. The Thespians may be assured that they have materially furthered the interest in the Little Theatre Movement and that many will be eager to join them and carry the work on. They are to be congratulated for the work they have done this fall. Their development and growth will be watched with sympathetic interest during the winter.

Plays Are Well Chosen.
In the choice of plays the club displayed keen understanding and produced a program of wide appeal. In the first play, "Lonesome-Like," the audience sympathized and smiled, next it laughed with delight and then held its breath while the girl was making her decision.

The plays were well cast, with few exceptions there was an ease of manner and clearness of speech and an understanding of the theme which was exceptional. The costumes in general were well chosen and harmonized with the different settings.

All Members Take Part
The Thespian Club is composed of the following members. Jessica Carter, David Brubaker, Marguerite Muse, Harry Bowers, Marie Cullen, Rowena Vaniman, Ray Clark, and Ruth Cripe. All of these persons took part in one or more of the plays. The sponsors of the club are Miss Alma Anderson and Miss Edith McGaffey.

ALUMNUS TELLS ABOUT CONDITIONS IN RUSSIA

Professor P. C. Hiebert of Tabor College led devotions and spoke in chapel last Monday morning. Professor Hiebert, an alumnus of McPherson College, returned recently from Russia, where he had been working as a relief supervisor for the Mennonite churches in behalf of the suffering Russians. In his talk he explained the extreme money inflation condition there. One million dollars of Russian money are required to buy a pound of bread and seventy million dollars are needed for a trip.

Professor Hiebert also briefly related the present destitution of the Russians. These poverty-stricken people feel very thankful if they get one meal a day. When a train stops in Russia the hungry people plead with outstretched hands for bread. Forty million starving Russians are being fed daily by America. This is the best way to make Russia safe for Democracy and Christianity.

Dr. Kurtz To Address Orators

Dr. Kurtz will address the members of the Oratorical Association Thursday evening at 8:45 in the room south of the chapel. All persons interested in oratory are invited to attend.

A man should hear a little music, read a little poetry and see a fine picture every day of his life in order that worldly cares may not obliterate the sense of the beautiful which God implanted in the human soul.—Goethe.

Send the Spectator home.

NOTICE TO COLLEGE DEBATERS

All students who expect to enter the tryout for places on the college debate team will meet in Room 13, at 1:15 P. M., Wednesday, November 22, to draw for sides. If you cannot be present at that time, arrange to send a substitute to draw for you. The tryout will be held in the chapel Wednesday, November 29, beginning at 1:30 P. M. Order of speakers and opponents will be announced at that time. For further information, see me at conference hour, 2:30 P. M., in Room 13. Maurice A. Hess, Debate Coach.

INTEREST IN REVIVAL MEETING IS SPLENDID

SPECIAL FEATURE IS RENDERED PRIOR TO THE SERMON EACH EVENING

The evangelistic meetings of the Church of the Brethren which began last Sunday morning with Rev. H. F. Richards, the pastor, in charge are progressing splendidly. The attendance is increasing every night for the students are putting first things first. Lessons are being given second place as they should when loyalty to the Church is felt.

Inspiring Messages Given
Rev. Richards who is an experienced evangelist has a message each night that challenges the best in every soul. He is not afraid to speak the truth of spiritual values which is so much needed in this rushed material age. Mrs. Charles S. Morris has charge of the inspirational song service at 7:30 each evening. A special feature is being rendered every night. These special features include messages in song, story telling to the children, and the presentation of slides portraying the scenes of familiar songs.

Co-operation Is Urged.
May all Christians in this community get back of these meetings with their prayers and lives, for a successful spiritual harvest never depends upon the evangelist alone but upon the hearty co-operation of all. These meetings will continue through this week and the public is most cordially invited to attend.

'HYACINTHS' PRESENTED TO LARGE CHAPEL AUDIENCE

One of the most interesting chapel periods of the year occurred Friday morning when several members of the Expression department presented "Hyacinths," a delightful one-act play by Tacie May Hanna, Winona McGaffey as Mrs. Brown, and Fannie Stover and Marie Cullen as her daughters, Jane and Lucille, composed the cast and each contributed much toward bringing out the great lesson of the play—the inability of wealth to make life happy. Miss Anderson as director of the production deserves considerable credit for her work.

ANNUAL HIGH SCHOOL ART EXHIBIT TO OPEN TONIGHT

The Annual High School Art Exhibit will open this evening with a lecture by Prof. Birger Sandzen. Splendid programs have been arranged for each evening of the exhibit, featuring the Fine Arts Faculty of McPherson College, the High School Glee Clubs and the Junior Band.

According to Carl Smalley's plans the exhibit this year will contain the most varied and remarkable collection of paintings and prints ever gathered for a showing in McPherson.

This exhibit is the most outstanding art exhibit of any high school in the country and it is deserving of our hearty support.

Plan to attend the Homecoming events.

M. C. RESERVES WIN VICTORY FROM HEAVY MARION LEGION TEAM

'Ponies' Go Through Visitors' Line In Second Period For Only Counter of Game

BATTLE ENDS IN 6-0 SCORE

Regulars Play Last Quarter But Are Unable To Increase The Lead Secured By Seconds

The Marion American Legion invaded the Bulldogs' camp last Thursday and met a 6-0 defeat at the hands of Lonborg's second string "ponies" in an interesting and stubbornly fought battle.

The Reserves, with the exception of the first few minutes, had a slight advantage over their massive opponents who came to the Bulldogs' lair intending to give the Canines a thorough taming. The bulky "soldiers" started with a crushing onset carrying the ball 65 yards to within 5 yards of the last white line. The "ponies" fighting stubbornly were quick to take advantage of their adversaries' mistakes and covering a Marion fumble soon punted out of danger. The "soldiers" again headed for the Canines' goal and the conclusion of the first period found the Seconds stubbornly releasing coveted ground.

Holloway Makes Sensational Run
Another minute and the "ponies" line had become impenetrable. Hill punted and Holloway, rushing the safety, scooped up a Marion fumble and ran 35 yards before being downed. With six yards between them and their objective, the "ponies" displayed a well-working concentrated attack against the weighty Legion team. Hill won most of the yards on rushing charges, the last pushing the ball just the necessary number of inches for the only touchdown of the game. Goal was missed and the score remained 6-0.

The remainder of the game saw the ball going from one faction to the other and the action taking place in the center of the gridiron. In the last period "Dutch" sent the Regulars to relieve the Seconds, but the favorite eleven failed to score.

Hill Stars For Reserves
Hill, playing fullback, was the consistent ground gainer for the Seconds; his rushing, twisting charges gaining yards on each attempt. J. Lengel played an excellent game at tackle and with Sargent, renovated halfback, made most of the tackles for the Canines. Holloway's run for 35 yards and Hoover's 40 yard return won the esteem of the fans who were pulling strong for the fighting "ponies."

First Quarter

Marion won the toss and chose to defend the south goal and receive the kick-off. Sargent introduced the game by sending the ball to the 25 yard line against a good wind. The Legion made ten yards on the first charge but failed the second. An off-side penalty gave them first downs and a fake play won five yards. This put the ball on the 50 yard mark. With a heavy attack the "soldiers" carried the ball to the "ponies" six yard line. Things began to look blue for the Reserves. In the next play a maroon Jerseyed lad fell upon a fumble. Hill punted out of danger and the Legion safety calling for a fair catch again fumbled and Enns covered the ball for the Bulldogs. Line plunges netted first downs but their attack was halted when an attempted pass was intercepted. Kurtz went in for Kiewler. C. Lengel relieved Schneider. A wide end run was worth ten yards and the quarter ended without a score.

Second Quarter

This period found the "ponies" holding the heavy Legion team and

HIGH SCHOOL LETTERS.

To be able to win a letter in some form of competitive high school athletics is an accomplishment which merits considerable honor, but to fulfill the requirements for a letter in college athletics is an achievement which rightfully deserves a still greater degree of honor. In order not to lessen the recognition which is due the wearer of a letter earned in college athletics, many colleges have tabooed the wearing of high school letters on the campus—a step which M. C. has not taken as yet.

That such a step seems necessary is quite evident. It's the only way to protect the recognition which belongs to the college athlete. He works a great deal harder to win a place on the college team than the athlete does to get a position on the high school team and therefore deserves more honor. High school letters should be restricted to the high school grounds and only college letters should be seen on the college campus.

ADVERTISING

The matter of advertising in our college paper is on should be of interest to all students. The Spectator is our paper. We publish it and as a rule lose money on the undertaking. The money we lose must be furnished by the students because it is their paper. The advertising of a college paper is one means of making the paper pay for itself.

The Business men of McPherson are back of our college. A great many show that they are back of us and believe in us by advertising in our paper. These men that advertise are the ones that deserve our trade. They show they are back of us because they advertise and it is no more than right that they should get our trade because they are saving us a loss on our paper.

Why not read the advertisements in the Spectator and then when we go to town look up these men who have advertised and give them the first chance at our patronage. It's the square thing to do with them and will pay in the long run. Let's take as our motto: "Patronize our advertisers."
P. E. S.

A PRECAUTION

During the next two months we can save much wear and tear on handkerchiefs, to say nothing of doctor bills and physical discomforts, by remembering that fresh air both day and night is our greatest ally in combating colds and the hundred and one ills that follow in their wake. Fill your lungs with the oxygen that keeps the bodily fires burning and generates the energy needed for vigorous health and strength. E. A.

BUILDING CHARACTER

If you want to substitute harmony for discord, wisdom for ignorance, truth for error, prosperity for poverty, happiness for unhappiness, you can do it by right thinking. It is

all in the mind, in your habitual mental attitude. Whatever comes to you in life is the product of your thinking. The thought in the seed; the harvest must follow the planting of the seed, and it must be like the seed. If you plant discord seed, you will reap discord harvest; if you plant error seed you will reap an error harvest; if you plant poverty and unhappiness you will get that kind of a harvest. The thought is always the seed, and if you want to get the opposite of these things, you must reverse your thought. If you sow the right thought seed, you will get the right harvest. E. A.

AT THE ART SHOP

Counsel De Dardel, the Swedish general consul has ordered two copies of the de luxe edition of "The Smoky Valley" book from Smalley's.

There is a new book called "Smoky Valley" being published through the efforts of Mr. Smalley in which will be a short history of the Smoky Valley, and its progress. This book contains a number of reproductions of Prof. Sandzen's best lithographs and woodcuts. The introduction is written by Mrs. Minna K. Powell, art editor of the Kansas City Star. You will find this a very appropriate gift for any Kansas student.

Exchanges

A miniature cyclone struck Phillips University taking the chimney of the gymnasium and about one-fourth of the stadium fence, Saturday afternoon during the Homecoming Celebration November eleventh.

On account of the large enrollment, the Fairmount College Library is being kept open, on Wednesday and Thursday evenings and Saturday morning of each week to accommodate the students who find it impossible to use the library during the day.

Every girl in the Freshman class of Fairmount is a member of the "Booster Club" whose purpose is the promotion of pep in all school activities.

The faculty of Southwestern College received the students and old graduates Friday evening, November 10, at Richardson Hall.

The Fine Arts Department of Fort Hays Normal owns two original oil paintings by Sandzen and also some prints.

President Harding, at the inauguration of President Chandler at the college of William and Mary, in Virginia, spoke of the obligation to maintain and encourage the smaller colleges. This was his tribute, "It is the small college which democratizes higher education; that brings it within the vision and means of the average young man and woman."

Over fifty men, who had won a "K" sweater in some competitive sport, attended the Kansas-Nebraska game on Armistice Day. These men were from the class of '93 to the class of '22.

Albert Spalding, America's foremost violinist, gave the second concert of the University Concert Course on Monday evening, November 13, in Robinson Gymnasium.

With a total of 544 students, and with 305 students majoring in the four-year course of journalistic studies leading to a degree, the course in Journalism of the University of Wisconsin has begun its seventeenth year.

The contest for the best decorated house for Homecoming at K. U. was a success. The Phi Beta Pi house won the loving cup in the men's contest and the Alpha Chi Omega house received the loving cup for the women's division.

The Four Steps

It is only by thinking about great and good things that we come to love them, and it is only by loving them that we come to long for them, and it is only by longing for them that we are impelled to seek after them, and it is only by seeking after them that they become ours and we enter into the vital experience of their beauty and blessedness.—Henry Van Dyke.

Cake-Eaters, Gum, And School Supplies Head List Of Articles Purchased At M. C.'s Book Store

"Two," some one calls a dime is shoved across the counter at the book-store. It is not necessary to wait for further explanation, for "two" means two "Cake-eaters," not the masculine kind, but confectionery. Everybody is eating them now so this book-store language is perfectly intelligible. Chewing gum customers are not so uniform in their demands. Some will have none but Yucatan; others refuse any but Juley Fruit; still others accept only Sparmint, and each thinks the other's taste plebeian.

The utter indifference as to the style of stationery purchased indicates that most of the letters are sent home and that the home folks

are receiving their share of the correspondence.

That lily complexion which some boys proudly exhibit is the result of the large sale of Maxine Elliott Complexion Soap, which they buy in quantities. Usually these purchases are paid for with large checks so that there may be several quarters left to jingle together. Frequent trips are made to town in order that change may always be on hand.

Another interesting observation made in the book-store is that while some students carefully keep account of all expenditures and others call for a "blank on Peoples State," yet all buy practically the same things: Cake-eaters, gum, and occasionally school supplies.

Y. M. C. A.

Rev. D. H. Switzer, pastor of the Methodist church, gave a few brief remarks in Y. M. Wednesday morning on "How to tell whether a man is a Christian or not." The fruit of one's life shows what the individual really is. Another criterion which determines if a young man is a Christian or not is whether he is doing or seeking to do the will of God. The Christian desires to know and to do the will of God. The third test is harmony—the application of the spiritual to everyday living. Rev. Switzer's message was appreciated and he is cordially invited to come again.

Pick-ups

Pinkey: "Oh dear, I just can't add just my curriculum."
Jones: "That's all right. It don't show any."

Duke: "What do you think of the suspender business as a money-making proposition?"
Si: "Regular hold-up game."

She: "Oh Bill you're so tender tonight."
Bill: "I ought to be, I've been in hot water all week in school."

John Harnly: "See this chalk on my shoulder?"
Funkhouser: "Yeh."
John: "Well, that ain't chalk."

Crofoot: "My roommate is so careless with his jewelry."
Heinie: "So."
Crofoot: "Yeh he went out the other day and left a ring in the bath tub."

Norma Finrock: "Why did they put Ellwood out of the game?"
Uaruh: "Holding."
Norma: "Oh isn't that just like Jim?"

Bill Riddlebarger—Lucille, I have something hesitating on my lips.
Lucille—Oh! Bill, I never did like those little mustaches anyway.

Prof.: "Did you enjoy the "Passing of Arthur?"
Frosh: "Yes but I liked his punting much better."

Why did they kick that medical student out of the library?
They caught him trying to remove the appendix from the book he was reading.

"This cuts me dreadfully," said the student as he overslept three classes.

Teacher—"If Shakespeare were alive today, wouldn't he be looked upon as a remarkable man?"

Student—"Sure he would be; he would be 300 years old."—Virginia Reel.

A country school board was visiting a school and the principal was putting his pupils through their paces "Who signed the Magna Charta, Robert?" he asked, turning to one boy "Please sir, it wasn't me," whimpered the youngster. The teacher with disgust told him to take his seat; but an old tobacco-chewing countryman on the board was not satisfied; so, after a well directed aim at the cuspidor, he said "Call that boy back, I don't like his manner. I believe he did it.—Oberlin Times.

ABOUT M. C.'S RADIO CLUB

The Radio Gazette, a monthly magazine dealing with Radio and printed at Hutchinson, has the following article about M. C.'s Radio Club in the November issue:

"The McPherson College of McPherson, Kansas, has just recently formed a radio club composed of college students who either have a radio set or are interested in one or more phases of radio reception or transmission.

"A large receiving set has been installed in the college and much interest is being shown by the entire student body. It is the intention to secure a loud speaker and then be able to deliver concerts to the entire college from the chapel. According to Lewis Florman, the club's president, the object of the organization is to bring together the students of the College for the study and advancement of radio. The following officers were elected at the organization meeting last month, Lewis Florman, President; Abram Hostetter, Vice President; Harold Strickler, Secretary-Treasurer; Jay Eller, Reporter and Professor Morris, adviser."

Student Opinion

Has M. C. a college song? School has been going on for over two months but we don't believe we have heard anything that might be our song except perhaps once or twice.

A Curious Freshman.

A certain lady called up her grocer by telephone the other morning, and after she had scolded the man she added: "And what's more, the next order you get from me will be the last."

"It probably will, madam," said the voice at the other end of the wire. "You are talking to an undertaker."—Ex.

Personal Paragraphs

Jay W. Tracey, A. B., '23, who is attending K. U., has been pledged to the Phi Mu Alpha, a professional music fraternity.

Iva Curtis spent the week-end in Kansas City visiting at the home of Mr. and Mrs. Miles G. Blim. Mrs. Blim will be remembered by many of the college students as Miss Latha Daniels.

McPherson College students who witnessed the Kansas-Nebraska football game on Armistice Day were: Misses Iva Curtis, Eunice Almen, Messrs. Kenneth Krehbiel, and Aubrey Hale.

Helen Hartell visited in Wichita Thursday.

Miss Ruth Poe of Wichita visited McPherson College friends last week.

Mr. W. W. Coulson, a former student of M. C. who left in 1908, visited with his friend, Dr. Craik last Tuesday. Mr. Coulson is in the Life Insurance business at Marlon, Kan.

Doris Plum was agreeably surprised by a visit from her mother, Mrs. J. D. Plum and her aunt Mrs. D. E. Stauffer, both of Polo, Illinois.

Prof. and Mrs. Lauer left Friday for Kansas City to take part in the "Messiah Chorus" which was given as part of the dedicatory exercises at the opening of the new exposition building of the American Livestock show.

August Rump and Mr. and Mrs. Paul M. Pair of St. John, Kansas, were McPherson visitors over the week-end.

Albert Unruh and Harry Nickel visited home folks Saturday and Sunday.

Walter Voth, Isaac and Margaret Dirks spent several days at their homes near Buehler during the week's vacation.

Vivian Spilman spent the week-end at Roxbury visiting his parents.

Harry Riffel, Harold Kretzer, Welcome Sondergard, Dale and Verne Strickler motored to Ramona Saturday.

Mr. and Mrs. Robert Sinclair from Connecticut have been visiting at the home of Dr. Kurtz. Mrs. Sinclair is a sister of Mrs. Kurtz.

Len Harden spent several days last week laying brick near Conway.

Ada, Sada, Frank, and Harold Correll and Florence Bowser motored to their homes north of Abilene on Thursday of last week.

Prof. Ebel was called out of town Tuesday to assist at the funeral of

a Mexican friend who has been attending high school at Marlon.

Estelita Engle visited her sister, Mrs. Harry Harman, at Ramona over the week-end.

Announcement has been received from Mr. and Mrs. W. B. Charles, Baolod, P. I., of the birth of a son, Donald Foster, on October 16, 1922. Mrs. Charles will be remembered as Miss Edna Neher, A. B., 1919. Mr. and Mrs. Charles are now engaged in missionary work in the Philippine Islands under the American Baptist Missionary Society.

FIRST RADIO CONVENTION CONVENES AT HUTCHINSON

Seven M. C. Students Attend—Lewis Florman Re-elected Treasurer, Of Kansas Radio League

The first annual Radio Convention of the Kansas Radio League convened at Hutchinson last Thursday and Friday. Seven McPherson College students—Lewis Florman, Ellis Watkins, Jay Eller, Harry Nickel, Harold Strickler, Ray Vaniman, and Herbert Martin attended the sessions on Friday.

In a business session on the last day of the meeting a constitution was drawn up and adopted. Resolutions were passed stating the aim of the League and also urging co-operation between amateurs and broadcasters so that there will be less interference in the air when high class concerts are being given. Lewis Florman was re-elected treasurer of the Kansas Radio League for the coming year. A lecture by S. Kruse of the Radio Department of the United States Bureau of Standards was one of the outstanding events of the convention.

Many exhibits of up-to-date receiving sets and all sorts of radio apparatus were made and demonstrated by agents representing various Radio companies. In a contest for the best amateur receiving set built by the owner, a boy living near Hutchinson was awarded the prize which was a small loud speaker.

The Hutchinson business men showed their hospitality to the visitors by taking them on a sight seeing tour of the principal points of interest about the city including the Reformatory, Salt Plants, Packing Plant, and the Soda Ash Plant.

See the Bulldogs play their last gridiron battle.

ON OTHER GRIDIRONS.

After being held scoreless for two quarters the Pittsburg Manuals adopted a forward passing attack and defeated the Ottawa eleven 14-0 on its own field.

The Sterling eleven kept up its winning streak by taking Fairmount into camp at Wichita by a 12-7 score. The Barreilmakers easily outplayed the Shockers but were unable to pile up a higher score on account of innumerable penalties.

Baker retained second place in the conference by turning Kansas Wesleyan back 26-7 at Salina. The Wesleyans were unable to hold the shifty Baker backfield in their rushing offense.

This afternoon Washburn plays St. Mary's at St. Mary's while Bethany is scheduled to meet Southwestern at Winfield. Both of these games promise to be hotly contested.

The Quakers had little difficulty taking a 39-0 victory from the inexperienced Bethel team at Newton Saturday. For a short time at the beginning of the game Bethel staged a brand of football that had the visitors guessing.

The Kansas State Normal eleven received its first taste of defeat Saturday when the Haskell Indians piled up a score of 27-14 against the conference leaders. K. S. N. still retains its 1,000 per cent record as this contest was not a conference game. The Indians used end runs and forward passes to make their counters.

By going through the football season last year without a defeat save the Hays Normal eleven the title of conference champions—a title which was contested by the College of Emporia on the ground that Hays had not met the strong eastern teams. C. of E.'s challenge to play a post-season game was declined by the Normal and ever since a grudge has existed between the two schools. The grudge, however, was partially settled Friday when the Teachers and Presbyterians battled at Emporia to a 3-3 tie on a wet and slippery field.

McPHERSON AND INMAN HIGHS PLAY TIE GAME

For sixty minutes Friday afternoon the McPherson and Inman High school elevens displayed spectacular football at the fair grounds in a contest which ended in a scoreless tie. Inman opened the battle with a terrific attack but found the McPherson line a veritable stone wall which was invincible in the pinches. After the first quarter McPherson was never in real danger and the visitors were compelled to fight a strictly defensive game for the next three periods.

Uhrlaub's warriors lost several good chances to score by resorting to passes after they had advanced to within striking distance of the goal. In scrimmages McPherson earned a total of 236 yards while Inman only gained 69. Miller and Linholm did good work at their end positions for McPherson while Carson, Crumpacker, and Harrison hit the enemy line for substantial gains. Krieg, the plucky little quarterback for the visitors, was the star for his team.

Two McPherson College men were officials at the contest—Coach Longborg wearing the referee's whistle and Prof. Mohler serving as head linesman.

Surprise Party

A surprise party was given at Prof. Blair's home Saturday evening to celebrate the birthday of Miss Fonda Harden. The guests assembled at nine o'clock and spent a most enjoyable evening in playing games and singing songs. After refreshments were served the guests departed, everyone declaring Prof. and Mrs. Blair royal entertainers, and wishing Miss Harden many more happy birthdays. Those present were Messrs. Jacob Yoder, Elvis Prather, John Harnly, O. T. Funkhouser, Ellis Watkins, Charles Lenzel, Bricklayer Harden, Roy Hayes, Misses Iva Barnhart, Celia Watkins, Lois Myers, Sarah Spitzer, Ruth Wedel, Fonda Harden, and Prof. and Mrs. Blair.

Hear Dr. Frantz, M. C.'s third president, at the dedication of Harnly Hall.

receiving the ball on downs. Hill lifted a punt which the safety dropped and Holloway, going down fast, scooped it up and went 35 yards before being downed. Thornton relieved Kreitzer who received injuries. In the shadow of their own goal posts the Marion crew put up a heavy defense and the "ponies" but six yards from their objective displayed a well-working attack. Hill gained two yards through left tackle. Sargent hit the veterans' right for one and then Hill won the remaining three yards with two sturdy charges, the last carrying the ball just over the line. Attempt at place kick failed and the score stood 6-0. The Seconds kicked off and kept up their stride, holding the heavyweights for downs. Hoover returned a Marion punt 15 yards. Hill and Sargent were hitting the line hard and threatened to score again when the "soldiers" intercepted a pass. Herford, Legion fullback, punted 20 yards, outside, and the whistle stopped the "ponies" on their opponents' 20 yard line.

Third Quarter.

Marion returned the kick-off to their 45 yard line and the Bulldogs held. Kreitzer made 12 yards but tumbled. The visitors completed a pass for 20 yards, Pierce to Beaton. On the next play John Lengel tore through the Marion "beef" and covered a fumble. Hill toed the pigskin 55 yards. Schneider relieved Cotton at this stage of the game. The Marion "Goliaths" again failed to penetrate the Reserve defense and the latter headed for the "soldiers' goal. Hill made 8 yards and then a pass, Hill to Sargent, followed. Following attempts failed to find waiting arms and Marion received the

ball. Here Hoover made as nice a return as one would want to see, going 40 yards through most of the Marion crew before being stopped. An aerial attack followed, one toss bounding off an opponent's hands into Sargent's arms but the necessary yardage was not made. The quarter terminated with the Bulldogs receiving possession of the ball.

Fourth Quarter.

"Dutch" sent in his favorites at this time and the latter intended to show the "ponies" how it could be done. The veterans put up a strong defense and forced the M. C. Regulars to punt, but the latter regained possession a minute later, R. Keim covering a mate's fumble. A pass, Carter to Thornton, made ten yards. Clark and Carter showed their usual driving attack, going for ten yards on successive charges. The only penalty of the game, other than off-side offenses, set the ball back fifteen yards and an attempt by the aerial route ended in the loss of the ball. Fisher caught an enemy toss and Carter and Clark returned the oval thirty yards. M. C. punted. Nice relieved Mudra who received injuries. Fisher, at half, repeated, intercepting another twister and the battle was concluded with the oval midway between the posts.

Summary

McPherson completed four out of eleven attempts at forward passes for a gain of 47 yards. Marion attempted seven, completing three for 46 yards. McPherson intercepted three and Marion five. McPherson made eleven first downs, Marion ten. In scrimmages the Bulldogs won 212 yards while the visitors only annexed 152. McPherson punted for an average of 32 yards while Marion's Joe artist averaged 38. McPherson received 30 yards on penalties and Marion 20, mainly for offside offenses.

Sackett, Williams for C. Pierce. McPherson—C. Lengel for Schneider, Thornton for Kreitzer, Kreitzer for Thornton, Schneider for Cotton, Kurtz for Kilewer, entire first squad for second string in last quarter. Nice for Mudra.

SEEN FROM THE SIDELINES.

The Marion eleven was one of the heaviest ever seen on the home field but the "ponies" held their "beefy" opponents in the pinches and decidedly outplayed them after the first few anxious moments. The "soldiers" came to town decidedly set on "walking" all over the M. C. eleven. The "ponies" soon found that they could even penetrate the ponderous Legion line.

"Dick" Hill gave a fine demonstration of ball-carrying and each time he rushed the Marion defense a few yards were added to the Bulldogs' distance. John Lengel, sturdy tackle and guard, played a commendable brand of football, and together with Sargent made many fine tackles.

Hoover made a thrilling return of a Marion lift, dodging tackles on every side and going 40 yards through most of the Legion team before being downed.

Holloway's thrilling run after picking up a Marion error paved the way for the "ponies" touchdown.

A large crowd saw the battle which was one of the most interesting seen on the local field this season.

The Regulars who went in the last quarter failed to hit their stride and had to be satisfied with the six points annexed by their "understudies."

**BULLDOGS TO MEET
STERLING THURSDAY**

Close Battle Expected But Dope Favors Lomborg's Warriors To Annex Victory.

When the Bulldogs face the Sterling eleven Thursday afternoon on Sterling's own gridiron something's going to take place. The first four games that Sterling played this season were all entered on the "lost" column but in the last three games this plucky eleven has done wonders. The College of Emporia, Ottawa, and Fairmount have all bowed to the tune of Coach Woody's fighting warriors and with victories over such teams the Barrelmakers are going to be in the right disposition to meet the Bulldogs. The Barrelmakers will also be fighting doubly hard Thursday for that is Homecoming Day at Sterling and the eleven will do its best to make a creditable showing before the eyes of the alumni and the visitors.

The "ever fickle" dope gives the McPherson eleven a slight advantage. The records show that Sterling lost to Kansas Wesleyan 7-0 while McPherson defeated the Methodists 13-10. Both teams have lost to Bethany, Sterling by a score of 16-0 and McPherson by a score of 6-0. In an early season game McPherson lost to Fairmount 10-3 while last Friday Sterling took a 12-7 victory from the Shockers. Kimel, star Shocker quarterback, was out of the game, however, Friday on account of injuries. Of the three teams played by both schools Sterling has piled up a total of 12 points against her opponents' 24, while McPherson has 15 to her opponents' 26.

While it is conceded that the battle will be more closely contested than was first thought from Sterling's early season record, nevertheless the Bulldogs are going to Sterling with the full intention of bringing back the "bacon." A few days of real hard practice this week will put the Canines in the best of condition. Watch the Bulldogs grow!
