SEVERAL CHANGES ARE MADE IN PROGRAM OF ANNUAL BIBLE NORMAL

Rev. Richards Is Unable To Give His Work Each Day On Pastoral Problems

ROY HYLTON OPENS INSTITUTE
Dr. Sharp Will Give Two Lectures During The Week And A Sermon Sunday

In the absence of Rev. H. F. Richards who was called to Ohio last week on account of the death of his mother, Rev. Roy P. Hylton delivered the sermon Sunday morning which marked the opening of this year's Bible Institute. Centering his remarks about the great lesson on conservation which Jesus taught in connection with the feeding of the five thousand, Rev. Hylton presented some very practical truths. Because of Rev. Richards' absence his eight o'clock period on Pastoral Problems is being conducted by Dr. Ezra Flory.

The program as it is being carried out each day is intended to give something that will benefit every person who attends. In order to accomplish this aim a wide variety of subjects and courses are being offered. Every day at nine o'clock Prof. Studebaker is conducting a course in Bible. From 10:30 to 11:30 and from 2:30 to 3:30 each day Dr. Ezra Flory, secretary of the General Sunday School Board of the Church of the Brethren, is giving splendid lectures on "The Problems of Religious Education." In his sermon Sunday evening Dr. Flory very forcibly portrayed some of the characteristics in the life of Christ that should be manifested in the Christians of today.

It is quite probable that Dr. Sharp, first president of McPherson College, will give two lectures the latter part of the week at the 11:30 period on "The Harmony of Religion and Science." Dr. Sharp will also preach Sunday morning. The 11:30 periods during the first part of the week are being devoted to Prof. Deeter who is discussing various Pauline subjects.

The afternoon sessions present a variety of different features. Yesterday at the 1:30 period Prof. Ebel gave a discourse on "Missions Among the Mexicans." At 3:30 Prof. Patterson lectured on Vocational Guidance. At the same hour Miss Walters conducted a course in Domestic Art. She will continue this course this afternoon as well as tomorrow afternoon during the 3:30 period.

The 1:30 period today as well as this hour during the remainder of the week will be occupied by Rev. E. E. Eshelman of Red Cloud, Nebraska, who will lecture on "The Rural Church." Prof. Mohler will speak on "The Present Agricultural Situation" at 3:30 today. Tomorrow he will demonstrate "Animal Feeding." Thursday, Friday, and Saturday at this hour Dr. Crank will lecture on the Reformation.

Three one-act plays were presented last evening at 7:30 by students of the Expression Department. The program tonight will be given by the choral society and the music club. One number which will be presented by the music club is "Hiawatha's Wedding Feast." Following a lecture by Dr. Kurtz Wednesday evening a basketball game will be staged in the gymnasium between Southwestern and McPherson. Thursday evening Prof. P. C. Hiebert of Tabor College will lecture on "Russia." Friday evening Prof. Yoder will give an illustrated lecture of his world tour and on Saturday evening Dr. Harnly will also give an illustrated lecture on "Religious Temples of the World." The Institute will be brought to a close next Sunday evening by Prof. Yoder who will deliver a missionary sermon on "Among Our Missionaries."

Radio Club Elects Officers
Officers for the Radio Club for the second semester were elected at a meeting held last Tuesday evening. The executive officers, Lewis Fiorman, president; Abram Hostetter, vice-president; and Harold Strickler, secretary-treasurer, were re-elected. Vivian Long and Jay Eller were chosen members of the program committee with Abram Hostetter as chairman. Elmer Krehbiel was elected reporter to succeed Jay Eller. The club is looking forward to some very instructive and interesting programs.

CONCERT SERIES WILL CLOSE FRIDAY NIGHT

THURLOW LIEURANCE TO GIVE PROGRAM OF INDIAN SONGS

Thurlow Lieurance, pianist and composer of Indian songs, will give the closing number of the McPherson Concert Series at the Opera House, Friday evening. He will be assisted by Mrs. Thurlow Lieurance, soprano and interpreter, and George B. Tack, flutist.

Mr. Lieurance has spent a great deal of his time living among the Indians of North America. He has collected Indian themes direct from the wigwags and tepees and has given them a musical setting retaining the atmosphere in a manner that amounts to real genius. The program promises to be well worth while.

FACULTY MEMBERS OF M. C. ASSIST IN INSTITUTE WORK

During the past week the people living in the Monitor community had a three day Farmer's Institute which was conducted by the State Agricultural College of Manhattan. On Wednesday, the last day, some of the faculty members of M. C. assisted in the program.

Miss Margaret Walters gave a talk on "Reading Matter for Children." She outlined the material from the picture book age through the high school. She contrasted good and poor reading, emphasizing the benefits of good reading and the bad effects of poor reading. Miss Walters also explained the workings of the county library law which Kansas has recently adopted.

Miss Minnie Walters' talk in the morning was based on "Problems in Sewing and Dress." Among other things she brought forth the conservation of material and the suitability of the costume to the person. In the afternoon Miss Walters talked about "The Care and Feeding of Children" and "Foods for People with Special Diseases."

Prof. Mohler gave his lecture on "Dairying" in the forenoon and one on "Insects" in the afternoon. The institute proved to be of much educational value as well as giving the people an opportunity for a good social time.

PROF YODER ATTENDS STATE S. S. MEETING

Prof. J. J. Yoder left Thursday noon for Topeka where he attended a meeting of the State Sunday School Executive Committee of which he is a member. He returned by way of Waverly, Kansas, where he delivered two lectures last Sunday.

DR. KURTZ HAD BUSY WEEK

Dr. Kurtz was very busy lecturing last week. Tuesday he gave two lectures at the Wichita Sunday School Convention, Wednesday evening he dedicated a new gymnasium at Olathe, Thursday evening he spoke to the Chamber of Commerce at Winfield, Friday night he spoke to the Chamber of Commerce at Hope, and Saturday he addressed a County Teachers' Institute at Minneapolis, Kansas.

MUSIC TEACHERS OF FIFTH DISTRICT HOLD SUCCESSFUL MEETING

Important Discussions and Papers Are Given Concerning Present Day Musical Issues.

MUCH INTEREST IS SHOWN

Enjoyable Concert of High Class Selections Is Presented Friday Evening

The second annual meeting of the Fifth District of the Kansas State Music Teachers' Convention which met at McPherson College Chapel Friday afternoon and Saturday morning was a marked success in every way and the entire program was of the utmost value to all present. There were many discussions and papers given on the live issues which concern the interests of every music teacher and many new points in the horizon of music were brought to light by the consensus of musical opinion and experience. Many of the best teachers of the district were present and each topic was discussed by an authority on the subject.

High School Quartet Sings

Among the important speakers of the convention were Mrs. Abbie Clark-Hogan of Junction City, Miss Ada Baum of Emporia, Mrs. Edwin Anderson of Council Grove, Mr. Carl Harms of Florence, Mrs. Julia Clark of McPherson and Miss Jessie Brown of McPherson. Various musical numbers by Miss Sorensen's High School Quartet and Trios were much appreciated by the delegates and much favorable comment was made of the musical aptitude of the city of McPherson.

Concert Given Friday Evening

Friday night the teachers of the district gave one of the most enjoyable concerts ever heard in McPherson and everyone present expressed his highest appreciation. Those appearing on the program were: Mr. Brown, Miss Pruitt, and Mr. Byler of Lindsborg in a trio for clarinet, viola, and piano. Mr. Earl Secord of Central College, Miss Hannah Johnson of Salina, violin. Mr. Benjamin Tilberg of Lindsborg, voice. Mr. Carl Jasson of Salina, piano and the chorus and orchestra of McPherson College. All numbers were heartily received and a general comment of praise would be duly applicable to all.

Many Officers Re-Elected

At the business session Mr. Lofgren who is appointed by the state president remained president while Mrs. Clark-Hogan of Junction City was re-elected vice-president and Mrs. Edwin Anderson of Council Grove was re-elected as secretary and treasurer and Mr. Frank Beach, Dean of the Conservatory at Emporia Normal and Mr. Alvah R. Lauer of McPherson were elected to serve on the Executive Committee. The next meeting will be held at Junction City.

Course of Study Advocated

One of the most aggressive moves of the convention was the adoption of a suggested course of study for work in music in the high schools with suggestions that it be placed before the State Board of Education through the State Music Teachers' Meeting next February. The plans for the certification of all music teachers by the State Board of Education was discussed. The attendance was double that of last year.

ANTI-TOBACCO CONTEST IS POSTPONED UNTIL FEB. 3

The annual intercollegiate Anti-Tobacco contest of McPherson College has been postponed one week. It will be given in the chapel Saturday evening, February 3. Those who are preparing orations are Carl Dell, Samuel Maust, Leonard Timmons, and Irvin Ibrig.

You can't afford to miss it—the "Goodie Shop," Saturday evening.

Rev. Richards Is Called To Ohio

Rev. H. F. Richards was called to his home in Eldorado, Ohio, last Tuesday because of the death of his mother, Mrs. Lewis Richards. The death was caused by a stroke of paralysis. Rev. Richards will remain with relatives in Ohio for a week before returning to McPherson.

Rev. Richards, who has been pastor of the McPherson church for only a short while, has won the admiration of all the students. The entire student body sincerely sympathizes with him and his family in their sorrow.

DR. MASON TO DELIVER COMMENCEMENT ADDRESS

IN PROMINENT EDUCATOR AND PASTOR OF SUNFLOWER STATE

Dr. Wilbur N. Mason, pastor of the First Methodist Episcopal Church of Pittsburg, Kansas, has been secured to give the address at the thirty-fifth commencement of McPherson College which will be held May 25. Dr. Mason is a man of wide experience and high scholarship and is regarded very highly by Dr. Kurtz as a commencement speaker.

Has Thorough University Training

A very thorough and extensive university training has enabled Dr. Mason to become not only a pastor of note, but also one of the leading educators of the state. In 1896 he received the A. B. degree from Ohio Wesleyan University and was valedictorian of his class. From Boston University School of Theology he received the S. T. B. degree in 1896. Two years later he obtained the A. M. degree from Harvard. The degree D. D. was conferred upon him by the University of Chicago in 1909 and by Ohio Wesleyan in 1911.

Was Former President of Baker

As a pastor Dr. Mason has served churches in Georgetown, Ohio, Cambridge and Salem, Massachusetts, Chattanooga, Tennessee, and since 1921 has been in charge of the first Methodist Episcopal Church at Pittsburg. From 1911 to 1917 Dr. Mason was president of Baker University at Baldwin and for four years previous to accepting his present pastorate at Pittsburg he was a member of the Kansas State Board of Administration which is concerned with educational, penal, and charitable institutions.

Dr. Mason is a speaker with a worth while message and the members of the Senior Class consider themselves very fortunate in securing him to deliver the commencement address.

HANDZEN LECTURES CLOSE

Prof. Birger Sandzen of Bethany College, Lindsborg, gave the final lecture of his series of art lectures at the Smalley Art Shop Tuesday evening. These lectures have been very interesting and educational and those who have taken advantage of this splendid privilege feel it has indeed been a privilege.

NEW ART COURSES OFFERED

Several changes of importance are being made in the courses for the Art School this semester. A normal course of Crafts will be offered in place of Normal Drawing. This course will deal with designing, decorating, and modeling objects. A course in Chalk Drawing will also be given. Sunday-school lessons for the year as well as songs and poems will be illustrated. This course is not only very interesting but also very beneficial.

A fixed tuition will be charged each Fairmount student regardless of the number of hours he carries, beginning September 14, 1923.

Don't forget the "Goodie Shop" Saturday evening.

BULLDOGS WIN FROM WASHBURN BUT LOSE TO EMPORIA TEAMS

Extra Five Minute Period Is Needed In Order To Defeat Ichabods By 25-23 Score.

SQUADS ARE EVENLY MATCHED

K. S. N. Captures First Game And C. of E. Takes Second By 6 Point Margin

Coach Lomborg's cagemen returned from their eastern invasion last Thursday morning with one victory to their credit and two games listed in the lost column. Monday evening Kansas State Normal took the long end of a 26 to 20 score and the following evening the College of Emporia nosed out a 21 to 15 victory. On Wednesday evening, the last of the trip, the Washburn quintet was defeated to the tune of 25 to 23. All the games were hard fought, the final result being in doubt until the last whistle blew.

Kansas State Normal Game

The Bulldogs tasted their first defeat of the season Monday night at the hands of the Kansas State Normal team after a rather loosely played game. The Normals took advantage of the loose playing of their opponents in the first half and rolled up a lead that could not be overcome despite the improved play of the Canines in the second period.

Coming back on the floor in the second half the McPherson quintet showed an altogether different brand of basketball, the defense holding their opponents to five points while the offensive did much better work, running their score up to 20 points. Time was called, however, before they were able to overcome the 21 to 9 lead obtained by the opposing team in the first half.

BLACKMAN MAKES RECORD

Friends of Leslie E. Blackman, A. B. and B. S. 1922, will be glad to learn of his fine record at the State Agricultural College at Manhattan. Mr. Blackman was appointed an assistant last spring and has spent this year doing work as assistant to Dr. King and also pursuing studies leading to the Master's degree. Up to the present he has stood at the head of his class and for that reason will likely be elected to various honors. He is fully planning to continue his work to the Ph. D. degree but will probably be out of school next year to teach.

ATTEND EDUCATIONAL MEETING

Dr. Harnly and Prof. Blair left for Topeka Wednesday night where they attended a meeting of the State Educational Council. Paul Harnly, an alumnus of M. C., was on the program of the meeting. Dr. Harnly returned Saturday morning and Prof. Blair Saturday evening.

'Tis Not An Indian's But Sarah Longacer's Face That Adorns the Commonest of Coins

It is an interesting bit of history to know that the engraving on the penny is not an Indian head as most people think but is the portrait of Sarah Longacer at the age of twelve. James Barton Longacer, Sarah's father, was chief engraver at the mint in Philadelphia from 1828 to 1840. In the year 1835 a contest was opened for sketches and engravings for the national one cent piece. Mr. Longacer engraved the face of his twelve year old daughter which was placed on the penny. The penny at that time was the size of a quarter.

One day a number of Indians with their chief came to see the great White Chief and then came to the mint and were introduced to the White Chief picture maker, the engraver, who was just then showing his young daughter, Sarah, through the great concern. She childishly wondered how she would look in the chief's feather head gear. It was told the chief and he, interested in the sweet faced child and seeing her enthusiasm in her father's business, courteously and solemnly divested himself of his feathers and had them

placed on the little maiden's head. The effect was so striking that Mr. Longacer took time to make a sketch of the picture, finishing it later for his own pleasure.

Not being satisfied with his previous designs Mr. Longacer at the last moment before the new penny was to be designed conceived the idea that Indian feathers and Saxon sweetness would make a striking effect. More than a thousand contestants submitted sketches but on the seventh ballot the judges selected Sarah's portrait with the chief's feathers. This design was used from that time until the Lincoln penny succeeded it.

For many years Sarah Longacer's young face has served as queen of the mint. Though the humblest of coins there has been no other coin in the world that has had so great a circulation. Miss Longacer married a Mr. Keen and resided in Philadelphia the rest of her life.

Longacer has been translated Longanecker. The Mausts are direct descendants from this family.—With apologies to Harvey Miller, Pasadena, California.

Faculty Members Entertained

Dean and Mrs. H. J. Harnly opened their hospitable home on College Hill to twenty members of the college faculty on Monday evening, January fifteenth. The evening's entertainment consisted of games and contests, the nature of which revealed some hitherto latent talent. Dainty refreshments were served by the hostess. After a half hour of pleasant conversation the party closed with many expressions of appreciation for such a happy evening.

A Farewell Party

Saturday evening a surprise party was given by the third floor girls of Arnold Hall in honor of Miss Clara Anderson who will not be in school this semester. The merry crowd assembled in room 24 and after drawing for partners, adjourned to the gymnasium taking along an abundance of paraphernalia for candy making. Each contributed in cracking nuts, telling stories, singing, and stirring candy. In due time the taffy and pinoche were made and the group marched home, their happy voices making the welkin ring to announce their return. After reaching third floor the time was spent in playing games and jokes, until time to retire. Those present were Peter Pine and his wife Eliza, Jack Front and his wife Cynthia, Humpty Dumpty and Mary Elizabeth, Rip Van Winkle and Katrina, Daddy Longlegs and Flossie Anne.

Young Married People Entertained

A group of about thirty young married people were delightfully entertained at the home of Dr. and Mrs. Harnly on Friday evening, January 12. The guests assembled at 7:30 and spent several hours filled with real fun with the Harnlys, who proved to be just as young as their guests. Several lively games made up the evening's program. These young people showed themselves to be entirely capable of acting like boys and girls, even though burdened (?) with family cares. From the sound of the merriment which rang through the rooms one might judge that in the homes of these young people the family "cares" are all joys. Mrs. Harnly served tasty refreshments, after which the crowd went happily to their own fire-side, in many cases wondering how "the baby" had gotten along in their absence. Those who enjoyed the hospitality of the Harnlys were Messrs. and Mesdames Kinzie, Hylton, Luckett, Alger, Hoover, Stover, Breon, Gish, Birkin, Waas, Kesler, and Mr. Garvey. Regrets were received from Mr. Garvey, Mr. and Mrs. Betts, Mr. and Mrs. Teter.

BULLDOGS TO PLAY STATE CHAMPIONS TOMORROW EVE

Basketball followers will be given a real treat tomorrow evening when the McPherson College Bulldogs tangle with the Southwestern Mound-builders here at the college gym. Not including the battle with the Swedes this game should prove to be the most interesting one to be played here this year as well as being the classic of the Conference games played this week.

Last year Southwestern took the championship of the Kansas Conference and ranked third in the National Basketball Tournament at Kansas City. This team was the only one that stopped the Bulldogs in 1922. This year, although the Bulldogs have lost several star players their places have been well filled and only one defeat mars their record. So far the Bulldogs have lost two games by small margins on foreign courts.

Tomorrow night "Dutch" pets are going to meet the Builders on the home court and when the smoke has cleared away the wearers of the red and white should have the heavy end of the score to their credit.

CONFERENCE RESULTS.

HIGH SCHOOL QUINTET BREAKS EVEN ON TRIP

Coch Uhlraub's high school basketballers lost their first game to the Abilene Highs last Friday night at Abilene by a score of 15 to 13. The Macksmen led 11 to 3 at the end of the first half but inability to connect with the basket cost them the game in the second period.

Saturday the wearers of the red and white redeemed themselves at Salina by defeating the high school quintet of that city to the tune of 20 to 5. McPherson's five man defense could not be penetrated while the offense went through the Salina team almost at will. Showalter was the star of the game scoring over half the points for the McPherson crew.

of basketball in this game than they did against the Normals the night before.

The game was very exciting and was a real battle from the beginning to the end, both teams playing the five man defense which accounts for the low score. During the first half the Bulldogs outplayed their opponents and held a 9 to 4 lead. In the second half the Presbyterians started a fierce rally which, aided by several McPherson errors, gave them the game in the last few minutes of play.

The Canines annexed the final game of their trip by defeating the Washburn Ichabods 25 to 23 in an exciting game Wednesday night, an extra five minute session being required to play off the 21 to 21 tie. The game was close all the way with Washburn having a slight lead most of the game until the last few minutes when McPherson forged ahead.

Washburn started the scoring a few minutes after the first whistle was sounded with a free throw. Several gift throws were made before either team could ring a field goal. The first half, with the playing sea-sawing back and forth the court, ended with the Ichabods having the advantage of a 12 to 10 lead.

In the second period McPherson came back strong and out-pointed Coach Vosburg's crew. The score, however, stood 21 to 21 when the timekeeper's gun announced the end of the half. In the extra five minute period Marsh dropped in a field goal from a difficult angle which gave Washburn a two point lead. Then with one and one-half minutes to play Ellwood tossed in two field goals which gave the Canines a lead that Washburn failed to overcome.
