

ADDED CERTIFICATION PRIVILEGES GIVEN TO M. C. BY RECENT LAW

Measure Was Fathered by Senator Frank O. Johnson of McPherson

WILL GO INTO EFFECT SOON

Summer School Enrollment at M. C. Will Be Much Larger Now Than Before

A law passed by the recent Legislature of Kansas and signed by Governor J. M. Davis will mean much to McPherson College and the other accredited colleges of the state in the matter of certification of teachers.

Supported by Warren Culp The bill was fathered by Senator Frank O. Johnson of McPherson and was warmly supported in the House by Warren Culp whose own measure of a similar import met with defeat in the House Committee on Education.

The text of the law reads as follows: "One year certificates may be issued by the State Board of Education to persons who have completed a four-year high school course of study approved by the Board, and in addition thereto have com-

McPherson Negative Team To Meet Fairmount's Affirmative Team Here

Debating activities in the Kansas Intercollegiate Debate League will come to a dramatic close tomorrow evening when the McPherson College debaters clash with the Fairmount teams in a dual contest.

The question to be discussed will be the one debated in the League this season, namely, "Resolved: That the United States should adopt the cabinet parliamentary system of government."

Last year the McPherson debaters wrested the state laurels from Fairmount by a 5 to 1 victory. Fairmount has one and M. C. two of last year's debaters on the teams which are all strenuously preparing for the contest.

PROFESSOR SWOPE TO REMAIN WITH PURDUE

Late word from Professor Ammon Swope, former head of the Industrial Education department at M. C., reveals the fact that he is very much delighted with his work in Purdue University, Indiana, where he is soon to close his first year's work and where he has been employed to teach next year.

ANNUAL CLEAN-UP DAY OBSERVED LAST FRIDAY

ARMED MAIDS AND OVERALLED MEN REMOVE TRASH IN THREE HOURS

The annual clean-up day was held on Friday after waiting three days at the pleasure of the weather man. Although there was a high wind all afternoon an army of students toiled from one-thirty till four-thirty in their efforts to clear the campus.

Work Begins at 1:30 P. M. Not long after dinner the workers began to arrive and soon there was the appearance of hay-time as the armed maids and overalled men armed with rakes and forks collected the dead vegetation and carried it away on large hay racks.

Seniors Finish First The seniors, by dint of hard work and diligent application were the first to finish or was it because they had been favored in their assignments? If so it was well for that they could set the best example to the underclassmen.

It was a most wholesome afternoon of recreation and one that was thoroughly enjoyed by everyone. Now that the campus is cleaned, it will present an inviting appearance not only to visitors but to those who are to spend the spring months on the hill.

CARL REXROAD TO OHIO STATE

Students of former years will be pleased to learn of the advancement of Carl Rexroad, A. B. 1918, in the educational world. After leaving McPherson, he taught in LaVerne College, California, for one year after which he went to Yale University, in which institution he has been studying and instructing since that time.

DALE STRICKLER AND STANLEY KEIM TO BE NEW SPECTATOR HEADS

John Harnly and Otis McAvoy Are Chosen College Cheer Leaders

INTENSE INTEREST IS SHOWN

Riddleberger's Defeat Is Biggest Surprise of Entire Election

The election for Editor-in-Chief and Business Manager of the Spectator and for the College Cheer Leaders which was held Thursday brought to a close a week of political activity that has never been equaled at M. C.

Dale A. Strickler

Dale Strickler was elected Editor-in-Chief of the Spectator, Stanley Keim Business Manager, Otis McAvoy Ladies' Cheer Leader, and John Harnly Men's Cheer Leader. Only in the case of Editor was there much difference in the number of votes received by each candidate.

Spectator Heads Experienced The Spectator for next year has two capable men in Dale Strickler and Stanley Keim and under their leadership is bound to be a success. Strickler enters his new position well qualified.

OUTCOME OF INTERCLASS TRACK MEET IS DOUBTFUL

Increasing rivalry and interest is being shown regarding the outcome of the interclass track meet to be held Friday afternoon. If one could rely on dope, he would be compelled to say that the Seniors would win, for they have taken the honors the last three years.

TYPEWRITING STUDENTS MAKE SPLENDID RECORD

During the month of March Helen Freeburg was awarded an Underwood Proficiency Certificate for passing the 30-word test, writing 39 net words per minute for fifteen minutes.

SOPHOMORE AND FRESHMAN NINES TO COMPETE TODAY

Baseball practice is the order of the day with the various teams as yet poorly organized. The battery staff for the Freshman, Academy, and Faculty teams are still unannounced, while those working out for the Sophomores are Kubin, Ellwood, and Bartog; Juniors, Bishop, Strickler, and Daggett; Seniors, Lange, Sargent, and Garvey.

It would be almost foolish to try to name the pennant winner, but the fact is that the Sophomores have a heavy slugging crew, which will need some real opposition to be held down.

Schedule for the Week

Tuesday—Freshmen vs Sophomores. Wednesday—Faculty vs Academy. Thursday—Juniors vs Seniors.

ALL SCHOOLS' DAY TO BE CELEBRATED MAY 16

CLASSES, ORGANIZATIONS, AND ACTIVITIES TO HAVE FLOATS

McPherson College will take a prominent part in the program for All Schools' Day, to be observed in the city May 16, consisting of May day exercises at 9:30 in the morning, a general parade at 10:00, luncheon for the grade school graduates, a track meet for the grades at 12:00 in the afternoon, their commencement exercises later, and a three-act comedy played by the Dramatic Art class at the Opera House in the evening.

May Queen To Be Crowned

The May day program will begin with the crowning of the May Queen, who is to be chosen from McPherson High School, followed by May-pole drills showing how May day is observed in various countries.

Previous to the parade the floats will assemble at the College either in the evening before or early in the morning where decorations will be completed then taken to Main Street and assigned their positions in the parade. There will be a number of floats representing the different departments, classes, and activities of McPherson College, marching exhibitions by the grades, the high school, and classes of M. C. The county graduates will ride in cars. Classes, departments, and organizations are urged to confer with Prof. Ebel about prospective floats.

Will Give The Man on the Box

Luncheon will be for the county graduates, the place not having been chosen, followed by a track meet for the grades, and the county commencement exercises.

In the evening the Dramatic Art class, under the coaching of Prof. Anderson, will present a three-act comedy, The Man on the Box, which was cast yesterday. No admission will be charged the county graduates for this play, or at any of the events during the day as the entire day's program is given in their honor.

ANNUAL FESTIVAL FOR HIGH SCHOOL SENIORS IS A GREAT SUCCESS

Splendid Interest Is Shown In Athletic and Fine Arts Contests

M. H. S. WINS IN TRACK MEET

Student Recital by Fine Arts School Is Well Received By Visitors

The second Annual High School Senior Festival held here last Saturday afternoon and evening, which began with a physical training demonstration in the gymnasium at 1:30, followed by a track meet on the Athletic Field at 1:45, a ladies' potato race and a men's sack race in the gymnasium at 2:00 and 2:15 respectively, a Get Acquainted Hour at 3:30, literary and fine arts contests in Sharp Administration Building at 4:30, a banquet for the visitors at 6:00 in the dining hall, and a student recital by the School of Fine Arts in the chapel at 8:00 was a successful affair judged by the interest shown by the guests and the keen competition in most of the contests.

Excellent Records Made

McPherson High School took the honors in the athletic events with five first places, while Little River and Newton each won a first. In tennis McPherson made a clean sweep, both in the singles and the doubles. Excellent records were made in nearly all the events, which makes it worth while to draw such a mass of athletes to McPherson College. A summary of the track meet follows:

- Shot Put, George Peterson, McPherson, 110. T. B. Babson, Little River, 2nd. Distance, 50. P. J. Ince, 100 yd. dash, Fred Hunter, Newton, 1st. William Allen, Little River, 2nd. Time 10.6 sec. 4. 200 yd. dash, William Allen, Little River, 1st. Fred Hunter, Newton, 2nd. Time 2:2.2 sec. 200 low hurdles, Sula Miller, McPherson, 1st. W. A. Bartsch, Little River, 2nd. Tour Is Made of Campus

In the Get Acquainted Hour which followed in charge of Prof. Ebel, the visitors were shown over the campus, each building being open for them. Especial interest was evident in the tour through Harnly Hall where apparatus and demonstrations of all kinds were to be seen. The Domestic Science department attracted

Y. W. C. A. CONFERENCE TO BE HELD HERE THIS WEEK

The state Y. W. C. A. Training Conference for small denominational colleges will meet at McPherson College April 13-15. The purpose of this meeting is to give the girls an inspiration and a wider view of Y. W. C. A. work, also to help the various associations with their technical problems. There will be several important speakers including Miss Mildred Jnskeep and Miss Elizabeth McClean, student secretaries of this region. Delegates are expected from twelve colleges of the state, among these will be several foreign students. Every girl at M. C. should avail herself of this opportunity to become better acquainted with Y. W. C. A. work.

The faculty of Kansas University have approved the New Point System for college credits. Its essential feature is that in order to graduate, twenty-five per cent of students' grades can be D's but all D's must be balanced by A's and B's. It goes into effect next year.

**"Timid Ten" Hold Feast**

A vacant room on the third floor of Fahnstock Hall served as the retreat for ten hungry inmates last Saturday evening. From the manner in which the food disappeared it was quite evident that the sack supper had not been sufficient to appease the pangs of hunger. No elaborate preparations were made for the banquet in the way of decorations, and only those adjustments which led to the physical comfort of the guests were effected. Only when the last crumbs had vanished did the banqueting cease. The "Timid Ten" were: Dick Keim, Stan Keim, Paul Sargent, John Lengel, Charles Lengel, William Riddleberger, Clyde Rupp, Glade Fisher, Olin Ellwood, and Dale Strickler.

**Announcement Dinner**

The announcement of the engagement of Miss Bertha Mugler to Mr. Harold Beam of Holmesville, Neb., was the interesting disclosure at a dinner party given Saturday evening by Miss Carrie Mugler at her home. Jonquil was effectively used about the rooms, with an attractive arrangement as a centerpiece for the dining table. The color scheme was artistically carried out in favors and place cards. Tiny envelopes disclosing the engagement were found hidden about the centerpiece.

Miss Irene Haudek, a charming young singer of Lindsborg, favored the guests with a group of songs.

The guest list included the Misses Mugler, Marie Cullen, Ehea Fast, Mildred Fisher, Lorinda Leatherman, Della Day, Helen Hiebert, Eunice Almen, Marguerite Muse, Edith Muse, Martha Mugler, Minnie Mugler, Irene Haudek, and Bernice Peck. Regrets were received from Misses Nell Cullen, Maude Gish and Mrs. Paul Pair, From The McPherson Daily Republican.

**Sunday School Classes Entertained**

The boys and girls of the Freshman and Sophomore Sunday School classes were very pleasantly entertained at the F. A. Vanman home on Friday evening by their respective teachers. Wilbur Vanman and Mrs. D. W. Kurtz. The Edison also furnished some very beautiful music which was enjoyed by all. Dainty refreshments of ice cream and cake were served. Those who enjoyed this hospitality were Mrs. D. W. Kurtz, Misses Laura McGaffey, Margaret Mikesell, Bernice Hoover, Lorinda Leatherman, Lucille Hoover, Bernice Peck, Chressie Heckman, Ocie McAvoy, Rose Mohler, Lillian Sandy, Edith Slifer, Miriam Wenrick, Minnie Edgecomb, Fonda Harder, Lois Myers, Mary Sherfy, Rose Turcotte, Elberta Vanman, and Messrs. pleted at least an eight week's course of study in a normal school, college, or university accredited by the State Board of Education. The one-year certificates thus issued shall be valid in any elementary school, and may be renewed for one year, provided the holders comply with the requirements of the State Board of Education.

**Will Increase M. C.'s Enrollment**  
The effect of this law will be to increase greatly the enrollment of the summer school at M. C. making it more largely a school for prospective teachers, although by no means diminishing the attention always paid to strictly college work leading to degrees. It will mean that scores of people may simply come to the county-seat instead of entering the already crowded classes of the regular normal schools. It will mean that students may more expeditiously do work during the summer for the double purpose of preparing for teaching and also for the purpose of attaining a college degree. In accord with the provisions of the new law the summer term has been lengthened from the usual six weeks to eight, beginning the Monday after the close of the regular school year.

**Curriculum May Be Changed**  
The college wishes to urge that this information regarding summer work be disseminated among the teachers and prospective teachers of the state. It is somewhat early to advertise exact courses but it is expected that the State Board of Education will act soon on the details necessary to enable the college to measure up to the technical requirements. Should any material change take place in the usual program of studies it will probably come in the line of Education, but this need cause no anxiety on the part of students since the management stands ready to make such accommodation of classes.

As soon as more detailed information is received from the State department of Education it will be given to the public.

**TUMBLING CLASS GIVES ELABORATE EXHIBITION**

The McPherson College tumbling class gave a fine exhibition of gymnastic stunts at the gymnasium Thursday evening which was well worth the admission price. It was the most elaborate performance that has been given here in recent years.

Evidences of much persevering effort were shown by the finely executed athletic feats. The exercises consisted of varied march formations, springboard diving, somersaults in the air, ring work, pyramid building, mat work, and a relay race. All of these stunts require skill for their proper execution, and due credit must be given the director and his proteges.

To add to the enjoyment of the entertainment two comedians showed great possibilities of becoming famous stage artists.

Those who participated in the exhibition were Orville Pote, director; Clyde Amos, Harold Baker, Frank Boone, Jesse Carney, Glade Fisher, Dale Garman, Charles Hall, Irvin Ibrig, Stanley Keim, Richard Keim, Paul Lentz, Everett McClelland, Elvis Prather, Charles Speer, Leonard Timmons, and L. T. Warner.

**Pep Prospects Are Bright**

With John Harnly and Ocie McAvoy as College Cheer Leaders school pep will be directed in a very efficient manner. Miss McAvoy, an assistant Ladies' Cheer Leader this year, has proved herself quite capable for her newly acquired position. John Harnly also demonstrated that he has the qualities of a cheer leader.

**New System Adopted**

The method of selecting cheer leaders was conducted by a new plan this year. The three lower college classes and the Academy as a group elected two leaders, one for the ladies and one for the men. On April 29 these leaders directed their respective classes in a public tryout in the chapel. John Harnly and Hazel Vogt directed the Juniors; Ocie McAvoy the Sophomores; William Riddlebarger and Fonda Hadden the Freshmen; and Ted Baker and Anna Edgecomb the Academy. In the preliminary election held last Monday Ocie McAvoy, Fonda Hadden, William Riddlebarger, and John Harnly were chosen as candidates for the final election. This system of electing cheer leaders seems quite satisfactory as the public tryout gives the voters a chance to compare the qualifications of the different candidates.

ed the girls, while all enjoyed the demonstrations in the Physics department. The boys lingered long in the shops while Prof. Patterson showed them the machinery. Reluctantly they left the dormitories to engage in the literary and fine arts contests.

Excellent talent was discovered among the high school seniors in these contests. The winners of first and second places were awarded certificates good for ten and five dollars, respectively, in tuition in any department of McPherson College. The results of the contests follow:

Oratorical: Prentice Welsh, Newton, 1st; grade, 90%; Judges: Profs. Anderson, Hess, and Blair.

Piano Solo: Fern Lingenfeiler, McPherson, 1st; Halleck Hoag, Newton, 2nd; Judges: Profs. Gaw, Klunkerman, and Hill.

Reading: Adela Hale, McPherson, 1st; Clara Dunlavy, Newton, 2nd; Judges: Profs. Morris, Anderson, and Hill.

Vocal solo: Thelma Vaught, Little River, 1st; Clara Dunlavy, Newton, 2nd; Judges: Prof. Gaw, Mrs. Morris, and Prof. Brown.

Violin solo: Mahlon Sallee, Newton, 1st; grade, 95%; Judges: Profs. Gaw, Brown, and Klunkerman.

Domestic Art: Inez Braughton, Little River, 1st; grade 97%; Judge: Prof. Walters.

Prof. Hershney acted as chairman at this program. Although several of the contests had only one entry, the contestants did exceptional work and the judges gave them first place.

**Seniors Given Hearty Welcome**

Immediately after the contests the visiting seniors were conducted to the dining hall where they were given a vociferous welcome by M. C. students in the nature of yells and songs. Here the Domestic Science girls under the direction of Miss Walters, served a banquet while the string quartet played several numbers. The menu:

- Roast Beef
  - Gravy
  - Mashed Potatoes
  - Butter Beans
  - Buttered Rolls
  - Pineapple Salad
  - Ice Cream
- Prof. R. E. Mohler cleverly acted as toastmaster and introduced the following speeches:
- Address of Welcome, Dr. H. J. Harnly, Dean.
- A welcome from the City—C. H. Sandy.
- Responses, Claude Wilson, Goida Zook, Homer Foutz.
- Address, Dr. D. W. Kurtz, President.
- As the final event for the day the School of Fine Arts gave a student recital of the following numbers:
- Jingle Bells
  - Flew Gently Sweet Afton
  - String Quartet
  - Glenn Webb, Warren Craik
  - Clair McCristy, Oliver Ebel
  - Gypsy Chorus from Bohemian Girl
  - Balfe
  - Octette

  - Helen Garst
  - Happy and Light from Bohemian Girl
  - Balfe

  - Hungarian Rhapsody No. 8
  - Weber
  - Serenade

  - Hungarian March
  - Schubert
  - String Quartette
  - Arthur Linell, 1st Violin
  - Autumn Lindbloom, 2nd Violin
  - Jessie Daron, Viola
  - Carl Freeburg, 'Cello.
- Picked-Up Dinner by the Expression Department.
- Ocie McAvoy
  - Irene Hawley
  - Jay Eller

Each number of the program was well given and heartily applauded. The Picked-Up Dinner caused much laughter by the ridiculous situations presented. The whole program was a good advertisement for the School of Fine Arts.

The committee in charge, Dr. H. J. Harnly, Dr. E. L. Craik, Prof. B. E. Ebel, Ray S. Wagoner, and Prof. R. E. Mohler, worked hard to make the program a success and they deserve the thanks of all for their efforts.

In Southwestern College the most popular major and minor subjects among the seniors are English and Education.
