FLOYD E. MISHLER IS ELECTED AS DIRECTOR OF ATHLETICS AT M. C.

Will Receive Degree From Chicago
Y. M. C. A. College In
June

TO BEGIN WORK IN AUGUST

Has Played Regular Positions In
Football, Basketball, and
Baseball

Floyd E. Mishler, an alumnus of McPherson College, has been elected athletic coach and physical director to succeed Arthur C. Lonborg, who resigned to accept a position at Washburn.

Coach Mishler has been preparing himself for this work for the past two years and next month graduates from the Chicago Y. M. C. A. College, where he has been taking coaching instruction, besides playing regular positions on the football, basketball, and baseball teams of the institution. This summer he will take a course in the University of Illinois training school, recognized as the foremost institution of its kind in this country. He comes to McPherson highly recommended and the college authorities are of the opinion that they have made a wise selection.

Credentials Are Outstanding

In selecting Coach Mishler, aside from the fact that it was felt his credentials were outstanding, is the thought that in securing him, the college will have a man with the institution for some time as he is selecting this position in preference to others, five offers having been made, ranging as high as \$700 more than he is getting here.

Coach Mishler will arrive here about August 1, and is expected to devote some time to field work in looking up new material, which will be followed by an early start in getting the football squad ready for the season ahead.

ACADEMY SENIOR CLASS TO GIVE PLAY TONIGHT

A Deal in Ducks, the three-act comedy to be presented in the gymnasium at eight o'clock tonight by the Academy Senior Class, is a play that is bubbling over with fun from beginning to end and yet it portrays a vital lesson that will not soon be forgotten. The members of the cast have worked very faithfully under the direction of Miss Anderson and promise a production that will be well worth while.

BETHANY TRACK TEAM TO CLASH WITH M. C. FRIDAY

The Bethany track team will clash with M. C. in a dual meet here Friday afternoon. Dope points in favor of the tracksters from Lindsborg with an 18-point margin win at the Pentagonal meet, however, the Bulldogs are not disheartened over the outlook, and are determined to make an interesting fight for the honors. The tennis meet should also prove interesting, with indications pointing to a victory in the singles and a good game in the doubles.

O. W. TRAPP TO ATTEND UNIVERSITY OF CHICAGO

Principal O. W. Trapp, A. B. 1922, at present in the Hillsboro schools, will work in a bank in Wichita for a short time after his school is out and will then enter the summer school of the University of Chicago, doing work for his Master's degree. His major will be in Education and Social Science. It is his intention to prepare definitely in the field of school administration. Mr. Trapp has not yet decided on a location for next year although several boards have asked for his services.

Coach Arthur C. Lonborg

COACH LONBORG TO GO TO WASHBURN COLLEGE

LEAVES REMARKABLE RECORD
AS DIRECTOR OF M. C.
ATHLETICS

Coach Arthur C. Lonborg, director of athletics at M. C. for the past two years, has resigned to accept a position at Washburn as coach of basketball, baseball, and line-coach in football. It is with regret that McPherson College watches the departure of Coach Lonborg for he has made many friends during his stay here and has incidentally put McPherson College on the map in athletics.

When Coach Lonborg came here in 1921 athletics was in a slump. In basketball the undisputed cellar position seemed to be the best the Bulldogs could accomplish. During his first year the Bulldogs were forced to take defeat only once, and that from Southwestern, conference champions. This year in the face of a stiff schedule second place was again retained. Last year he initiated the Bulldogs into Kansas conference football with a splendid record considering the inexperience of the men. This year the Bulldog eleven was the only team able to defeat Baker, the state champions, while the improvement in the team's standing in the conference was remarkable. These records unquestionably establish the value of "Dutch" Lonborg as an athletic coach. M. C. extends her farewell greetings and wishes him success in his work at Topeka.

State Board Makes Law Less Stringent

The State Board of Education has lately issued an interpretation of the certification law passed by the 1922 Legislature which is much more inclusive than the original opinion which limited the privileges of the new law to the graduates of the high school classes of the year 1923.

McPherson College is now officially informed that the State board will allow students who finished their high school work in a standard high school in the years 1921, 1922, or 1923 the privilege of obtaining a one year teacher's certificate upon the completion of eight hours of work in any fully accredited college of the state. This regulation applies to McPherson College and will take effect beginning with the summer school of 1923.

This recent interpretation will remove any doubts from the minds of those contemplating entering the summer school at M. C. They may, upon completion of the eight hours of work in a satisfactory manner, receive from the State Board without extra examination, a teacher's certificate for one year. It is the desire of the authorities at McPherson College that this latest information be disseminated among those interested in teaching.

YODER AND BETTS TO BE NEW OFFICERS OF THE STUDENT COUNCIL

Laura McGaffey and Herkie Wampler
Will Publish Quadrangle
for 1924.

ONLY 229 STUDENTS VOTED

Every Person Is Well Qualified For
Duties of Next
Year.

The final student election of the year, held last Thursday, which determined the officers of the Student Council and the Quadrangle for 1923-1924 was characterized by clashes of real issues and resulted in the choice of very capable and able leaders.

Harlan A. Yoder was selected as President of the Student Council and Vilas Betts as Treasurer. Both men

Harlan A. Yoder

have the natural business ability and the experience which assures a successful year for the governing body of McPherson College. Mr. Yoder has been a member of the Student Council two years and this year has served as treasurer of the organization. He has had a sound business training, and with his deliberative type of mind is splendidly fitted for the position to which he has been selected. Mr. Betts has had the actual business experience, in school and elsewhere, which makes him the best man possible for handling the financial affairs of the Council.

Laura McGaffey was elected Editor-in-Chief of the Quadrangle, being the popular choice of three candidates. As associate editor of the 1923 Quadrangle and a member of the Spectator Staff for this year she has proved her ability in literary composition. That Miss McGaffey has unusual talent is evident when it is considered that she entered into these activities in her freshman year.

Herkie Wampler as Business Manager of the annual will have a very responsible position and his qualifications assure the best possible management of the financial work connected with the Quadrangle. The publication of the annual year-book is one of the important activities of the college and students and alumni may look forward to a successful annual.

TO STAGE "THE MAN ON THE BOX" MAY 16

WILL BE ONE OF THE CHIEF
ATTRACTIVE OF ALL
SCHOOLS' DAY

The Expression Department will present the three-act comedy, The Man on the Box by Grace Furniss, the evening of All Schools' Day, May 16, at the McPherson Opera House. This play, one of the most delightful of modern times, has been adapted to the stage by Grace Furniss from Harold McGrath's popular novel. Mystery, romance, and high-class comedy are curiously combined which makes the production one of intense interest. While the play is classed as a comedy, there is a touch of pathos and scenes of exceptional dramatic strength. The costumes to be used will be elaborate and unusual. There are fifteen members in the cast, each member having a distinct and unique role.

The county graduates will be permitted to see the play free, due to the courtesy of the Expression Department. The cast is working hard under the direction of Miss Anderson and this play promises to be one of the best dramatic productions of the year. The following people have been selected in the cast.

Lieutenant Robert Warburton
Samuel Kurtz
Mr. Charles Henderson
Jay Eller
Col. George Annesley
David Brubaker
Count Karloff
Clyde Rupp
Col. Frank Raleigh
Raymond Clark

Harold Lundeen Will Head Art Department

McPherson College has been fortunate in securing Harold Lundeen as a successor to Mrs. J. W. Deeter in the Art Department. Mr. Lundeen is well qualified for the position, having studied for several years in Bethany College, taking work in reed-weaving, oil painting, charcoal drawing, and water color. This summer he will attend the Chicago Art Institute where he will study design and color, and china-painting.

The courses offered by Mr. Lundeen next year will include those studied in Lindsborg, china-painting, normal art for teachers, and probably design and color.

Mr. Lundeen is at present a member of the freshman class, and will be enrolled with the juniors next year, taking a lighter course because of his additional work.

Old, But Not Antique

Miss Anderson (after the play):
"Where is my table?"
Earl Marchand: "It was taken to Smalley's Art Shop."
Miss Anderson: "I didn't know it was a relic."

PROF. STUDEBAKER TO BE HEAD OF LA VERNE COLLEGE AFTER AUG. 1

Has Been Connected With Work Of
McPherson College
Since 1911.

MEANS GREAT LOSS TO M. C.

Prospects Are Bright For a Rapid
and Steady Growth At
La Verne.

E. M. Studebaker, Professor of Greek and New Testament Interpretation, and head of the Extension Department of McPherson College, after having been connected with the College for twelve years, will assume the presidency of La Verne College, La Verne, California, August 1, succeeding President Isaac V. Funderbaugh. The acceptance of this position by Prof. Studebaker comes after continued effort on the part of La Verne College to secure his services as administrator. Although it was not unexpected by his friends, the announcement is received with pleasure at the thought of the greater field which he will enter, and with a distinct sense of loss at his leaving McPherson.

La Verne Founded in 1891.

La Verne College is just waiting for a man like Prof. Studebaker to insure its rapid growth. It was founded in 1891, and at present there are twelve heads of departments on the faculty. The enrollment is one hundred and fifty talented, loyal students, seventy-five of whom are in the college, eleven, candidates for the A. B. degree. A concerted effort is being made to secure two hundred and fifty students next year.

Endowment Campaign On.

An endowment campaign for \$150,000 is in progress, \$62,000 of it already raised; a campaign for a new administration building will be started next year; the business men of La Verne are back of the school, morally and financially, and individual guarantors have guaranteed its financial success. It is accredited by the University of Southern California. The campus is large and beautifully kept; the buildings are good; the ladies' dormitory and the gymnasium in process of completion, have every convenience.

Graduated From M. C. in 1915

Prof. Studebaker began tutoring in McPherson College in 1911 and graduated from the College in 1915. Since then he has held his present position with the exception of one year spent in graduate study in the University of Chicago where he received his Master's degree.

At the same time that Prof. Studebaker goes to La Verne, Prof. I. D. Yoder, brother of J. J. Yoder, takes the position of Business Manager. With these two men at the head of the College, its success is assured.

COMMITTEES ARE APPOINTED FOR COMMENCEMENT WEEK

The Alumni Board of Directors has made the appointments of the various committees which will have charge of the various events of interest in connection with Thursday of Commencement Week. The banquet will be in charge of Mrs. E. M. Studebaker and assistants. The program committee consists of E. L. Craik, Marguerite Muse, and Mrs. C. T. Isley. Nominations to Alumni offices will be made by a committee consisting of E. M. Studebaker, Bertha Colline, and R. E. Mohler. The reception committee consists of Lola Hill, Alma Anderson, W. F. Vaniman, Mr. and Mrs. C. E. Wilson, and Grace Brubaker. The Alumni banquet will be held Thursday evening, May 24, at six o'clock. Tickets will be on sale in due time.

Come to the gym at eight o'clock tonight.

A TRIBUTE TO MOTHER

Mother—the mere mention of the word instills into the fond memories of her gentle protection and care, her boundless love, her caressing words of comfort, and her deep sympathy. She is the dearest of all friends, the only person who shares our joys and sorrows. Her love knows no limitations; it never falters. Instead it continues to increase as only a mother's love can. Our concern is always paramount with her. To make us happy seems to be her utmost desire; no sacrifice is too great if it will lead to our happiness. Mother is a jewel of priceless worth.

Don't put it off until it is too late, but let mother know now by word and act that you appreciate her and all that she does for you.

Y. W. C. A.

Kate Douglas Wiggin has said, "Most of all the other beautiful things in life come by twos and threes, by dozens and hundreds. Plenty of roses, stars, sunsets, rainbows, brothers and sisters, aunts and cousins, but only one mother in the whole world."

The Y. W. C. A. program Wednesday morning was about this wonderful being. Mildred Fisher led devotions. Cecile Martin gave a brief history of Mothers' Day. The idea originated about 1911 with Miss Anna Jarvis of Philadelphia. It was quickly taken up by the city and then by the state. Finally, in 1914 the second Sunday in May was made a national holiday by a resolution of Congress, as a day to pay tribute to mothers everywhere. By a custom which grew with the observance of the day people are to wear pink carnations in honor of their living mothers and white for those maternal parents who have passed beyond.

Maxine Hoover spoke of our mothers as grown up girls. They enjoy beautiful sunsets, the warbling of birds, dainty things to eat and wear. Then too, they are romantic—in fact much like college girls. However, the one most important characteristic is their great love which is best expressed in Kipling's poem, Mother O' Mine.

MY MOTHER

Who fed me from her gentle breast
And hushed me in her arms to rest,
And on my cheek sweet kisses pressed?
My Mother.

When sleep forsok my open eye,
Who was it sang sweet lullaby
And rocked me that I should not
cry?
My Mother.

Who sat and watched my infant
head
When sleeping in my cradle bed,
And tears of sweet affection shed?
My Mother.

When pain and sickness made me
cry,
Who gazed upon my heavy eye
And wept for fear that I should die?
My Mother.

Who ran to help me when I fell
And would some pretty story tell,
Or kiss the part to make it well?
My Mother.

And can I ever cease to be
Affectionate and kind to thee
Who wast so very kind to me,—
My Mother.

Oh no, the thought I cannot bear;
And if God please my life to spare
I hope I shall reward thy care,
My Mother.

When thou art feeble, old and gray
My healthy arm shall be thy stay,
And I will soothe thy pains away,
My Mother

And when I see thee hang thy head,
'Twill be my turn to watch thy bed,
And tears of sweet affection shed,—
My Mother.

ACADEMY DEBATE CLUB HOLDS FINAL MEETING

The Academy Debate Club held its last meeting of the school year Thursday evening. The main part of the program was the impromptu debate of the question: Resolved, That McPherson College should dismiss school next Wednesday and compel the students to cut dandelions on the campus. The affirmative side was upheld by Marie Brubaker and Carrie Feller, and the negative by Viola Bowser and Harry Lehman. The judges' decisions were two to one for the negative.

Elmer Krehbiel, the retiring president, gave a short talk in which he mentioned some of the accomplishments of the club the past few years that are vitally worth while. The new officers for the following year were then installed.

MISSION BAND

Prof. Blair spoke at Mission Band meeting Sunday evening on "The Fundamental Law of Religious Progress." Co-operation is the magic word of success in religion but the church is the slowest institution to realize the benefits of working together. If co-operation were put in force it would result in more efficient and economical work.

G. N. Boone To Teach Industrial Education

G. N. Boone, A. B., 1921, for two years instructor in Manual Training and Printing in the McPherson High School, has been employed as head of the department of Industrial Education. He is well known to the constituency of the college.

Professor Boone completed his high school work in the Lyons, Kan-

sas, schools, entering M. C. as a college freshman. His college career was marked by work of a high character and an interest in all phases of college life. He was a very popular student throughout his course.

Attractive offers were made to induce Professor Boone to serve elsewhere but his attachment to his alma mater and the opportunity to build up a strong department in this institution appealed so strongly to him that he readily cast his lot with M. C. Should any material changes be made in the work to be offered next year in his department, announcement will be made through the medium of the college bulletin.

WINS DECLAMATION CONTEST

Miss Ruth White, a student in Expression, under Miss Anderson, was awarded first prize in the declamation contest held in connection with the county track meet at Lindsay last Tuesday. Miss White is a sophomore in McPherson High School, but has been taking special training under Miss Anderson in preparation for the contest.

SOLOIST SINGS SPLENDIDLY

The Sunday morning chorus, "When Thou Comest" by Rossini, was very much appreciated. Mrs. Leonard Birkin carried the solo part, and the quality of voice manifested was no less than wonderful. Twice during the chorus she was required to sustain tones on high C and it was done with apparent ease, the tones being clear and well supported.

Mrs. Birkin's singing is greatly appreciated and it is hoped that more of it will be heard in the future.

Y. M. C. A.

Annual Mothers' Day was remembered Wednesday morning by a program with Mother as the theme. Devotions were conducted by LeRoy Doty after which Jay Eller presented the plan of Industrial Work in which social conditions in the factories and mines may be studied by college men during the summer vacation.

Prof. Morris made a short but impressive talk on What Mother Means to Me. Prof. Keim spoke of the spiritual and moral support one receives from his mother. He also read several appropriate poems. The meeting closed with a very beautiful vocal solo by Roy Brammell.

Exchanges

The Senior Class of Phillips University, Enid, Oklahoma, will present as its annual play, "The Passing of the Third Floor Back."

Freshmen entering Kansas University next fall will be required to take psychological tests on the first day of enrollment, which will be September 17.

The first original musical comedy ever presented by a Kansas College was given by Fairmount College of Wichita last week. The event is to be an annual affair.

Twelve hundred high school boys and girls attended the Inter-state High School Musical Contest held at the State Teachers' College of Pitts-

burg, Kansas, several weeks ago.

The Juanta College debate team recently won a contest in which the question was: Resolved, That the principle of the Industrial Court should be embodied in state legislation.

One hundred new students enrolled for work at the opening of the mid-spring term at Manchester College on April 23. The number of different students for the year will go over the 100 mark.

The Junior Class of Baker University presented "a musical extravaganza" and also a play entitled "Who Kissed Barbara?" last week as the opening engagement of the Junior Follies of 1923.

The May Day Festival at Bethany College will be held May sixteenth. Tentative plans provide for athletic events, the crowning of the May Queen, with May Pole and flower dances and possibly a new feature, the Dance of the Nations.

STRICKLER RECEIVES GRUEN WATCH FROM ATHLETIC FANS

Dale A. Strickler, captain-elect of the 1924 basketball squad, was presented a very beautiful Gruen watch yesterday by the athletic fans of McPherson. This gift comes as a token of appreciation for the splendid services which Strickler rendered as guard on the 1923 quintet. On the back of the watch is engraved: "In appreciation to Dale 'Duke' Strickler, All-Kansas Conference Basketball Guard, McPherson College, 1923."

STUDENT COMING FROM INDIA

The distinction to have come the greatest distance to attend McPherson College will doubtless be held next year by Horner McPherson Eby, son of Dr. and Mrs. E. H. Eby of India. Young Mr. Eby has arrived in the United States with a party of returned missionaries and plans to enter M. C. in September. Practically all his life has been spent in India where his parents have been missionaries. He has had, however, advantage of good schools in that country and comes equipped to enter the college freshman class.

Prof. Nininger Gives Illustrated Lecture

PORTRAYS FAMOUS RANCHO LA BREA FOSSIL BEDS OF CALIFORNIA

Prof. H. H. Nininger favored a large audience with a very interesting and highly instructive lecture in the chapel Tuesday evening. The subject discussed was the Rancho La Brea fossil beds near Los Angeles, California. It is from these fossil remains that the Giant Sloth was taken, the mounting of which the Seniors are financing as a memorial gift to McPherson College. Dr. J. Z. Gilbert of Los Angeles, an alumnus of M. C., is the donor of the fossil.

Prof. Nininger in his own clear and forceful way drew back the curtains of the past and gave a slight but very impressive glimpse of the past history of this very old world. The mighty wall of time stands between the scientist and the past as an almost impenetrable barrier. However, this wall has a few small cracks of which the Rancho La Brea fossil beds is one of the largest. There was indeed a feeling of awe and wonder at God's creation resulting from the insight given by the slides and accompanying lecture. Few people really appreciate Prof. Nininger's advanced standing and tireless efforts as a natural scientist. The Giant Sloth which he and his assistants are now mounting at the museum will mean much to those who heard the lecture.

Miller Sisters Entertain.

Misses Ruth and Mary Miller were hostesses at an informal dinner party Saturday evening at the home of Prof. and Mrs. Morris. After the delicious dinner a pleasant evening was spent in visiting and listening to the Victrola. Those present were: Misses Ruth and Mary Miller, Mary and Florence Mohler, Pearl Whitford, Lota Neher, Jessie Hall, and Ada Correll. The guests unite in expressing their hearty appreciation to the Miller sisters and Prof. and Mrs. Morris for the enjoyable evening.

Teacher Training Classes Hike

The Second and Third Year Teacher Training Classes held a joint hike Sunday morning that was enjoyed immensely by those present. After gathering in front of the Administration Building at an early hour the members of both classes wended their way to a beautiful grove about two miles north of the campus. Here a bountiful breakfast was served in true picnic style. The lesson of the Second Year Class was conducted by W. W. Gish with the Third Year members as visitors.

Marie Cullen Entertains

Miss Marie Cullen entertained in honor of Miss Iva Curtis at the Cullen home on East Euclid Saturday afternoon. The guests enjoyed a pleasant social time with music and games after which a delicious two-course luncheon was served. Those present were: Misses Iva Curtis, Marie and Nellie Cullen, Jessie Bob Severson, Eunice Abbott, Elberta Vaniman, Margaret Wall, Gerlie Martin, Lola Blondfield, Marye Andes, Ada Kurtz, Uraula Flory, Alice Burkholder, Ada Correll, and Mrs. Forrest Gaw. The guests all agreed that Miss Cullen is a charming hostess and Miss Curtis a delightful guest of honor.

FRESHMEN JOURNEY TO HALSTEAD FOR PICNIC

Campus Is Deficient in Greenness and Beauty Saturday As Result

Much of the greenness and beauty of the campus was lacking Saturday due to the absence of the College Freshmen. The day of the long anticipated event, a class picnic at Halstead, proved ideal for an outing and confirmed the opinion that the weather man is a freshman. After some delay in getting started the knickered, bloomed, overalled, or otherwise comfortably clad picnickers set out, seventy of them, in trucks and cars. They arrived at the picnic grounds about 10:30. In large or small groups they found their own entertainment in swinging, boating, baseball, tramping through the woods or watching the waterfall. Even dinner lacked attraction for some: one person was heard to say, "We can eat every day but we can't go boating every day." Nevertheless the rate at which the eats disappeared bore testimony to the good judgment of the eats committee. After dinner the motor boat was kept busy. A few of the boldest of the group ventured in swimming. At 3 o'clock the crowd again assembled and each received abundance of ice cream and wafers. One customary event which was conspicuous for its absence was the failure of some one to swing over the river and fall in. The crowd dispersed late in the afternoon and all arrived home safely, tired and sunburned but happy.

Little Robert, who was calling at a neighbor's house, seemed very much interested in their dog. "Why, Bobby, haven't you a dog of your own?" asked his hostess. "We have one in the summer, but we have to send it away in the winter," he replied. "How is that?" she asked in surprise. "Well," he answered, "it's a dachshund, and my father says it takes him so long to go in and out of the door, it cools off the whole house." —Selected.

Dear Student:—

You know the exactions of good taste in dress. You can appreciate fine distinctions in matters of texture, color, new styles, value,—and "appeal" in things for student wear.

If you please,—you are requested to call and pass judgment on this New Spring Display of **MANHATTAN** Shirts. We think it the greatest "Quality Show" we have ever staged,—a revelation!

Rich in variety, rare in coloring, unusual in pattern, unique in tailoring,—an exhibit not only true to **MANHATTAN** tradition, but revealing new heights of taste, style,—value.

Weaving its own materials, dyeing its own fabrics, designing its own patterns, creating its standards,—The Manhattan Shirt Company may claim a mastery of production not otherwise attainable.

Shirts for every man, for every day, for every need. Please drop around—and bring your best judgment. All prices at the new low levels.

Very truly,

GUARANTEE CLO. & SHOE CO.

Bethany Takes First In Pentangular Meet

McPHERSON PLACES SECOND WITH TOTAL OF 50 POINTS

Bethany College by securing a total of 68 points took first place in the second annual pentangular track meet held at Newton last Friday. McPherson College secured second place with 50 points, Kansas Wesleyan third with 26½, Bethel fourth with 2½, while Sterling with only two men entered secured three points.

McKeever of Kansas Wesleyan and Skilling of Bethany again tied for high point honors with 13 points. Ira Brammell disqualified in the high hurdles and forfeited his place as high point man, trailing the winners by only one point.

The meet was not long in progress till the race was narrowed down to Bethany and McPherson, first one team leading in points then the other.

In the field events near the close of the meet Bethany took the lead and kept it. Several new pentangular records were established that will probably stand for a few years. Skilling of Bethany ran the 100-yard dash in 10 seconds flat; Center, also of Bethany, covered the distance in the 220-yard dash in 22.6 seconds. Ira Brammell ran the 220 low hurdles in 26.2 second and cleared the bar in the pole vault at 11 feet and 3 inches. McKeever of Kansas Wesleyan ran the two mile run in 11 minutes and 4.5 seconds.

The relay race won by Bethany was exciting from start to finish. Center gave his team-mates a fifteen yard lead which the Bulldog sprinters several times threatened but were not quite able to overcome.

In tennis the Bulldogs were not quite fortunate to get into the finals. Kröbbel and Lichty were defeated 6-4, 6-4 in the doubles by Eberhardt and Anderson of Bethany, the winners of the cup. Rodes in the singles gave Gardner of Sterling a hard fight before losing 6-4, 4-6, 4-6. Gardner was later defeated by Goerrz of Bethel who had won from Wulf of Bethany.

Summary:

100-yard dash—Skilling, Bethany; Center, Bethany; Vaniman, McPherson; Spangler, Bethel. Time: 10 seconds.

Timer and Starter, "Rook" Woodward.

MARQUETTE HIGH SCHOOL WINS COUNTY TRACK MEET

By winning 33½ points Marquette High School won the county track meet held at Lindsborg last Tuesday. McPherson ranked second with 31 points, Inman third with 27½, and Lindsborg fourth with 25.

Carson of McPherson established two county records by running the mile in 4:51 4-5 and the half mile in 2:04 1-5. Showalter took second place in the tennis singles. In the tennis doubles for girls Mary Harnly and Mary McPherson won second place.

Senior Nine Wins From Sophomores In Thrilling Game

Proves To Be Most Hotly Contested Battle Of Inter-class Series.

BARTON CLOUTS HOME RUN

4-3 Victory Gives Graduates Firm Hold On Championship Of League.

In a hotly contested game Wednesday afternoon the seniors practically clinched their claim to the league championship, maintaining a perfect record, while winning from the hitherto undefeated sophomores.

The game was a thriller from beginning to end. In the first inning each pitcher faced only three batters. In the next game Sargent and Hoover started things for the seniors by getting on bases and later scoring. Barton, the first man at bat for the sophomores, retaliated with a home run, but the rally died when none of his team-mates could get a hit. The third inning Ellwood held the seniors scoreless while the sophomores managed to tie the score with one more run. The seniors, not to be beaten, ran in two more tallies when their turn came, which proved to be the winning runs. The sophomores in spite of their most strenuous efforts could add only one more run to their credit and were therefore forced to take defeat.

Batteries—Seniors: Garvey and Penland. Sophomores: Ellwood and Kubin. Umpire, Strickler.

Score by innings: R. H. E. Seniors - - 0 2 0 2 x—4 5 3 Sophomores - - 0 1 1 0 1—3 2 5

TENNIS TEAMS TO COMPETE WITH WASHBURN THURSDAY

The Bulldog tennis teams will battle with Washburn Thursday in what should prove to be one of the best matches seen on the home court in recent years.

Arno Rodes, undefeated in singles last year, and Harlan Yoder, a former letter man, will represent McPherson College in the singles while Gariand Lichty and Kenneth Kröbbel will play the doubles. Gerald Hamilton, a state champion in the singles and Lauren Barnett, a good team-mate will compose the invading team from Washburn.

The Ichabods are good tennis players, having won several inter-collegiate matches this year. With the well trained Bulldogs as opponents the visitors will have sharp competition. The matches will begin at 3:30 P. M. Admission by Student Ticket or thirty-five cents.

COLLEGE NINE IS WINNER IN EXHIBITION BALL GAME

A pick-up team of McPherson College players defeated the Window High School nine in an exhibition game here last Monday evening by a score of 15 to 8. The varsity team with Ellwood on the mound obtained a lead of six runs at the close of the third inning, only to have the score tied when he was replaced by Garvey in the next frame. Window then stopped scoring while the college players rallied and gathered in seven more runs, secured by an avalanche of hits, the majority of which were for extra bases.

Batteries—Window: Virgil Ellwood and Nowlen. McPherson: Olin Ellwood, Garvey, and Barton.

Score by innings: R. H. E. Window - - 200 600 0—8 7 7 McPherson - 017 502 x—15 13 5
