ACADEMY GRADUATES PRESENT CLASS PLAY WITH GREAT SUCCESS

Clever Portrayal of "A Deal in Ducks" Creates an Excess of Laughter

SIX MEMBERS TAKE PART
Managers of the Different Activities Perform Their Tasks Well

The three-act play, "A Deal in Ducks," by Gay L. Clements was presented by the Senior Academy class last Tuesday evening at the gymnasium under the direction of Prof. Alma G. Anderson, head of the Expression Department. Each member of the play performed his part exceptionally well.

Harvey Lehman as Jack Gillmore was a young newspaper editor in a small country town of Western Nebraska. Jack enlisted in the army and rather than close down his paper left it in charge of an old school mate who had had no experience but who was full of confidence. Jack's assistants, Ethel Hill as Betty Hart and Ralph Martin as Mike McConoy, agreed to stay and help edit the paper.

The quiet genteel lady, Ruth Hardnock played by Evelyn Lyons, was the daughter of a retired rancher and capitalist. Ruth was in love with Jack but her father refused to give her hand in marriage until her fiancé had \$50,000 to his account. Elmer Krehbiel in the person of Robert White, Jack's old college friend, played his part exceptionally well, showing the "business acumen" by helping Jack secure the money so that he might win Ruth.

To assist Jack in his love affair the new editorial staff purchased a lake from Mr. Hardnock and after the government's announcement of the discovery of potash in that vicinity finally succeeded in re-selling Mr. Hardnock his lake for \$50,000. They turned the money over to Jack and he used it in winning Mr. Hardnock's consent to the marriage of his daughter.

Those members of the Senior Academy class who contributed largely toward making the play a success were John Spicer, stage manager, Ralph Martin, property manager, Lillian Andrews, advertising manager, Franklin Evans, ticket manager, and Elmer Krehbiel, business manager. The entire class is to be congratulated for staging such a successful production.

TO GIVE "THE MAN ON THE BOX" TOMORROW EVENING

"The Man on the Box," the three-act comedy by Grace Farnish which will be presented by the Expression Department at the opera house tomorrow evening at eight o'clock, will be one of the outstanding events of All Schools' Day. Mystery, romance, and high-class comedy are curiously combined in the play which make it one of intense interest.

The members of the cast have spent much time in conscientious practice under the direction of Miss Alma G. Anderson and promise one of the best dramatic productions of the year. The following persons will carry parts: Samuel Kurtz, Jay Elder, David Brubaker, Clyde Rupp, Raymond Clark, William Riddleberger, Dale Strickler, Harry Nicky, Harold Barnes, Rufus Daggert, Jerry Crewse, Ocie McAvoy, Mildred Carpenter, Winona McGaffey, and Elberta Vaniman.

Through the courtesy of the Expression Department the county graduates will be permitted to see the play free.

Don't miss "The Man on the Box" at the opera house tomorrow evening at eight o'clock.

ESTELLA ENGLE TO BE ON M. C. FACULTY NEXT YEAR

Estella Engle, a member of this year's senior class has been elected to a position on the McPherson College faculty for next year. Miss Engle is taking her major in foreign languages and will be an assistant in this department as well as professor in the Academy. She will also retain her position as manager of the College Bookstore and office stenographer.

Miss Engle is well known to the McPherson College students and is a most thorough worker, two attributes which go far to assure her success in her new position. As Editor-in-Chief of the 1923 Quadrangle she has proved and repaid the respect which she has received. The confidence and best wishes of all are with her in her work this coming year.

SYMPHONY ORCHESTRA RECEIVES HIGH OVATION

GIVES PROGRAM TO AUDIENCE OF LITTLE RIVER MUSIC LOVERS

The McPherson College Symphony Orchestra made its first out-of-town appearance at Little River last Monday night and received a very enthusiastic ovation. The orchestra represents the college in a unique way and certainly deserves the support of the entire student body and faculty in the meagre attempts at self-expression in the realm of art. Quite the contrary to some opinions that music is secondary to everything else, there are people everywhere who are welcoming good music and who are making extreme efforts to educate their children in music. Many parents will not consider a school where they may not have the advantage of the best in musical culture and certainly there is no one who would consider a good music course detrimental to the college curriculum so long as it is not included in the required courses. Universities hold the idea that many departments mean strong departments and this seems to be quite well substantiated by the fact that they always have plenty of students.

Soloists Are Applauded
Miss Elsie Klunkerman and Fritzjoff Mark appeared in solos and both were very warmly applauded. Miss Klunkerman played in her usual brilliant manner and did herself credit as a pianist of exceptional attainment. Mr. Mark's numbers gave him ample opportunity to prove himself a splendid violinist. A reading by Ruth Hiebert was very much appreciated and lent variety to the program.

The entire venture was a decided success and there are plans on foot to take the orchestra to Canton, Moundridge, and Marquette. The proceeds of these concerts will go toward maintaining the orchestra; in purchasing music, instruments, etc. The co-operation of every one interested in the expansion of McPherson College is asked to lend his sympathy if not his direct support to these trips.

The orchestra wishes to thank citizens of the city who donated their cars and time in order to make this trip possible. About fifty people, including the orchestra went over from McPherson.

TO LECTURE ON RADIUM

Prof. J. W. Hershey, head of the Chemistry Department will give a lecture on Radium in the chapel Thursday evening at 8:30. This lecture should prove to be of great interest to everyone because of the prominent place radium is occupying in present day science.

The first step to greatness is to be honest. —Johnson.

CHORAL SOCIETY GIVES PLEASING RENDITION OF GAUL'S "JOAN OF ARC"

Marie Cullen, Roy Brammell, Herkie Wampler, and Emmert Pair Take Solo Parts

PROGRAM IS OF HIGH MERIT

Success of Entire Performance Is Due to Sincere Efforts of Prof. Gaw

One of the most pleasing concerts of recent years was given at the college chapel Thursday evening when the McPherson College Choral Society, under the direction of Prof. Forrest W. Gaw rendered Gaul's "Joan of Arc." The solo parts were taken by Marie Cullen as Joan of Arc, Roy Brammell as Philip, Herkie Wampler as Robert de Baudricourt, and Emmert Pair as Jean de Noveloupont. Miss Elsie Klunkerman at the piano gave a very pleasing rendition of the accompaniment. Mrs. E. J. Unruh and Misses Alta Mohler, Fonda Harden, Mildred Fisher, and Ocie McAvoy took minor parts.

More Productions Needed
The entire performance was of high merit and Prof. Gaw deserves a great deal of credit for the sincere efforts he has put forth in order to make this a success. More productions of this kind are needed in the community and the public is anxiously awaiting the erection of a convention hall in the city where the more pretentious productions can be staged in some form of an annual musical festival.

Soloists Show Improvement
Special mention must be made of the work of Roy Brammell and Herkie Wampler. Both have made remarkable improvement and by a more concentrated effort in the future should be able to give good accounts of themselves. Emmert Pair also gave a very satisfactory interpretation of his parts.

Prof. Hess Sets Sail On Matrimonial Sea

HONEYMOON WILL BE SPENT IN
EXTENDED EASTERN TRIP
A LA FORD

Several trips, made by an M. C. faculty man to Eastern Kansas during the past year have served to prepare the minds of the student body for the pleasing announcement that on Sunday afternoon, May 13, Miss Nannie Morova Oyster became the bride of Professor Maurice A. Hess, Principal of the Academy of McPherson College. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. J. L. Oyster, at Garnett, Kansas.

Professor and Mrs. Hess were scheduled to leave Kansas yesterday a la Ford and to make a stop in Northern Indiana where they will attend a church conference and visit friends. Continuing East they expect to visit Niagara Falls and other points of interest, perhaps calling on some of Professor Hess's old college friends, and then to reach Mont Alto, Pa., where, at the home of the groom's parents, they will spend the greater part of the summer. They will return to McPherson early in September and do light housekeeping at 1201 East Euclid.

The faculty and students of M. C. are a unit in wishing to Professor and Mrs. Hess the very best that life affords. They will receive a welcome into the college circle. And so here's wishing that they may have a most happy honeymoon and that Professor Hess may come back next fall primed for the debating season.

Come to M. C. for Commencement.

LESLIE BLACKMAN ELECTED MEMBER OF HONOR SOCIETY

Leslie E. Blackman, A. B. and B. S., '1922, who is doing graduate work in the department of Chemistry at Kansas State Agricultural College, has been elected to membership in the Gamma Sigma Delta, the Honor Society of Agriculture. Membership in this society is conferred upon those who have distinguished themselves scholastically or who have shown superior ability in teaching or in investigational work which has contributed to the advancement of agriculture or those closely allied fields upon which agriculture largely depends. This is regarded as quite an honor as only those persons of the highest scholastic attainment are admitted. Mr. Blackman is also eligible to membership in the Phi Kappa Phi, an honorary scholastic society.

JUNIORS HAVE ROYAL TIME ON SNEAK DAY

MERRY-MAKERS ASSEMBLE AT
HALSTEAD FOR FROLIC
AND FUN

One of the most nearly perfect picnics ever held came into reality in the form of the annual "Junior Sneak" last Wednesday. Even the weather man seemed to co-operate with the committee in charge to make the day a success for he presented an ideal day—without fault from beginning to end.

Start at Five O'clock
The first cars started at five o'clock, others following rapidly. Finally, at seven-thirty, fifty juniors were landed safely in Riverside Park at Halstead. The Sneakers were keenly disappointed in that Dr. Craik could not accompany them. However, his place was well filled by Miss Margaret Walters who proved to be a very charming chaperon.

Appetites Were Wild
As usual, all through the day eats and eating played a large part. Beginning with a camp-fire breakfast at eight o'clock, appetites were allowed to run wild until the empty containers were returned to the ice cream factory late in the evening. The great variety and the enormous quantities without doubt displayed some of the most delicious eats that Kansas can produce.

Intense Rivalry Manifested
Intense interest and rivalry were manifested in the two baseball games, while boating, canoeing, swimming, fishing, and exploring each proved wonderfully attractive.

Particularly alluring were the river banks a few miles up stream, and a number of stories are being related which hint at the secretive and mysterious.

Splendid Co-operation Shown
While the enthusiasm and co-operation of the whole class were noticeable features of the day, the remarkable success of the picnic was due to the expert management and untiring efforts of Grace Ebaugh and Carl Schneider who with their committees had full charge.

TWO PIANO RECITALS TO BE RENDERED THIS WEEK

Two graduating recitals will be held this week. On Thursday evening at 7 o'clock Helen Garst, graduate of the Diploma Course in Piano, assisted by Roy Brammell, tenor, and Fritzjoff Mark, violinist, will give a recital.

On Friday evening at eight o'clock Anna Lingle will render her graduating recital in the Degree Course. One of the outstanding numbers of her program will be a concerto in G Minor from Mendelssohn with orchestra accompaniment.

Don't miss "The Man on the Box" at the opera house tomorrow evening at eight o'clock.

BULLDOGS LOSE DUAL MEET TO BETHANY BY SEVEN POINT MARGIN

Ira Brammell Is High Point Man
With a Total of 17
Points

THREE STATE RECORDS BROKEN

M. C. Wins First in Relay, Tennis Singles, and Golf Match

Bethany repeated the performance of the pentagonal meet and defeated the Bulldogs in a good track and field meet held at McPherson last Friday by the close score of 62 to 55. The meet was fast and close from the beginning, the outcome being in doubt till the finish of the javelin which was next to the last event.

Ira Brammell was high point man with 17 points to his credit. Skilling with 15 points starred for Bethany. It was an ideal day for a meet and as a result three state records were broken. Ira Brammell lowered the low hurdle record 3-5 of a second by running it in 25 seconds flat. Barnea of Bethany won the applause of the spectators when he cleared the bar at 6 feet in the high jump which is two inches higher than the old record. Skilling smashed another state record by leaping 22 feet 7 inches in the broad jump.

The Bulldogs' inability to place in the javelin and discus coupled with their lack of speedsters in the 100-yard and 220-yard dashes gave Bethany the margin of points necessary to win. The relay was won in easy fashion by Louborg's team composed of Roy Brammell, Edwood, Sell, and Doty.

Rodes of M. C. easily captured the tennis singles from W&H in straight sets 6-3, 6-1. However, Anderson and Eberhart took the doubles for Bethany by defeating Krehbiel and Guthrie 6-3, 6-1.

In the golf match, the first inter-collegiate event of its kind ever participated in by McPherson College Maurice Beam and Gordon Heaston defeated John Sward and Earle Carroll of Bethany by a score of 89 to 100. Beam made the low score of 41 while Heaston, his team-mate, was next with a score of 48. Carroll and Sward made scores of 49 and 51 respectively.

SYMPHONY ORCHESTRA TO RENDER CONCERT SUNDAY

The McPherson College Symphony Orchestra will give the second educational concert at the Methodist Church, Sunday, May 20, at 3:00 P. M. Mrs. Raymond Malby and Mrs. Forrest Gaw, sopranos, and Miss Elsie Klunkerman, pianist, will assist. The program will include numbers from Wagner, Strauss, Bemberg, Massenet, and others. The public is cordially invited. An overflow audience attended the last concert. A recently organized male quartet from the city will also make its appearance. This promises to be one of the most interesting concerts of the season. The following numbers will be rendered:

- I. Prize Song (from Die Meistersinger) Wagner
- Adagio Cantabile (from Sonata in B Minor) Strauss
- La Morsalle (Danse Antiquo) Moran
- II. Hindoo Song Benberg
- Open Thy Blue Eyes Massenet
- Mrs. Raymond Malby
- III. Concerto C Minor (All-egro) Schytte
- Miss Elsie Klunkerman
- IV. Eliza's Dream (Coblenzin) Wagner
- Mrs. Forrest Gaw
- V. Selections McPherson Male Quartet
- VI. Orpheus in the Underworld (overture) Offenbach

LEND A HAND TODAY

The colleges and universities of America are uniting in a movement to gather old clothing for their needy European friends. M. C. has joined the benevolent work and has made the old Music room headquarters where the gifts will be collected. The room will be open during the entire day for those persons who wish to assist their "neighbors" in foreign countries. Let's play the part of the Good Samaritan.

MEMORIES OF M. C.

Another stepping stone in the preparation for life is about to be reached. As we look back over the past four years of college and recall the happy social times spent together, the pleasant friendships with college associates, the heart-to-heart talks with our professors, and every joy that belongs to college life, we begin to foster regrets that they must cease. Yet our life is one of growth and we must pass on to greater tasks.

While the happy times of college may cease for as yet the memories of them will always remain with us. Wherever we are we can cherish the past. We can make the future brighter by interpreting it in terms of our happy college experiences. We feel a sense of sorrow as we leave our alma mater and all her treasure spots yet we will always retain a golden store of memories that will be cherished most dearly.

A very interesting program was given on Estes Park in the Y. W. meeting Thursday morning under the direction of Elsie Forney. Gladys Brubaker gave a report of the devotional side of last year's conference. Then she, together with Marie Cullen and Edith Muse, very cleverly demonstrated a ride to the mountains. The purpose of the program was to arouse enthusiasm for the coming conference to be held at Estes Park in August.

LESTER HOFFMAN ADVANCED

Lester Hoffman, A. B., 1921, at present a teacher in the high school at Downs, Kansas, has been elected to the principalship of the Beloit schools. His salary will be \$2,500 a year. This is considered a decided advance by his friends. Mr. Hoffman is a brother of Miss Mabel Hoffman, a sophomore in the college.

SPEAKING OF EXCLUSIVENESS

Some People in This School don't seem to know that there is Anybody Else in this World but Themselves and perhaps One Other Person. When Folks go out with a Crowd and then Wander Off by Two's for the Whole Time We Think they might Just As Well stay at Home so Others won't Find Out that they Don't Care to be Sociable.

TO PLAY IN KANSAS CITY

Jean Zimmerman, the little five-year-old daughter of Mr. and Mrs. G. T. Zimmerman of McPherson, has been asked to play at the Newman Theatre next Sunday while she is visiting with her mother at the home of Mr. Zimmerman's brother in Kansas City. She began the study of violin last fall although she was too young to attend the public schools. Having much natural talent she has made remarkable progress and has attracted the attention of some prominent musicians of Kansas City, who made arrangements for her to play there. She is enrolled in the violin department of McPherson College.

"When are you going to fix that front fence, Hiram?" said the farmer's wife.

"Oh, next week, when Silas comes home from college."

"But what will the boy know about fixing a fence, Hiram?"

"He ought to know a heap. He wrote me that he had been taking fencing lessons for a month."—Selected.

Prof. Patterson To Leave M. C. Faculty

Prof. Howard V. Patterson, B. S., head of the Industrial Arts Department in McPherson College is leaving McPherson at the close of this school year.

The Industrial Arts Department, organized by Prof. Ammon Swope in 1916, has been constantly increasing in enrollment, much interest being manifested by a large per cent of the students. This year Prof. Patterson added a course in Furniture Design. The training given the past year to boys in the Industrial Arts Department has been of the highest quality and M. C. is sorry to lose an expert like Prof. Patterson.

Prof. Patterson will probably teach next year, but he may be in Leland Stanford University studying Intelligence and Crime, or in Stout taking further work in Manual Training.

Y. M. C. A.

The last session of the Y. M. C. A. was held Thursday morning. Richard Keim gave a short talk on the influence each man would have in his home community on his return. He also stressed the importance of helping the home church and the task of getting friends interested in McPherson College. LeRoy Doty in a very fine speech made a direct appeal for co-operation in the local organization and for broadening and expanding in accord with other organizations of the state and country.

STATE HEALTH SECRETARY GIVES ADDRESS IN CHAPEL

Dr. S. J. Crumline, secretary of the State Board of Health, gave an address in chapel Wednesday morning in which he pointed out some of the outstanding laws of health that must be observed in order to be best fitted for the difficulties of life. According to his point of view a good time is well and good if at the same time character is built, health maintained, and knowledge accumulated. The laws of health cannot be violated without paying the penalty. They are just as important as moral and ethical laws.

At the request of President Kurtz, Dr. Crumline gave a few statistics concerning cancer and tuberculosis in McPherson County and the initial symptoms of the two diseases.

TO TEACH IN JUNIOR COLLEGE

Jay W. Tracey, A. B., 1922, fellow in History in the University of Kansas has been elected to a position in the Junior College of Coffeyville, Kansas, where he will teach History and Civics. Mr. Tracey has completed his dissertation for the Master's degree and is well equipped for his new position. Mr. Tracey's home is at Twin Falls, Idaho.

PRESENTS BOOK TO LIBRARY

J. H. Langenwalter, President of Bethel College at Newton, recently presented the library with a copy of his new book entitled, "The Charge of the Church of Jesus Christ to You." The four chapters of the book are devoted to Individual Prospective Teachers, Members of a Group of Teachers, Leaders of Groups, and Servants of God. The message of the entire work has to deal with the charge of the church.

COLLEGE SENIORS PRESENT "VICTORY" AS CLASS GIFT

The Senior College class gave the statue "Victory" by Dallin as a class gift last Friday morning during chapel in a very impressive manner. Roy Brammell, as president of the class, presented the gift after which Dr. Kurtz made an appreciative response. The seniors entered chapel in a body, appearing for the first time in the professional caps and gowns.

In presenting the gift Mr. Brammell pointed out the contribution which is possible for art to make, and that art is the embodiment of beautiful thought in sensuous forms. He expressed the desire that the gift may be a means of causing the future classes to appreciate in a fuller sense the value of the fine arts. The statue "Victory" was made following the World War. The goddess

Victory stands above the scepter and crown, signifying the triumph of democracy over autocracy. On the shield are the words: Humanity, Liberty, Justice, and Peace. The statue has been placed in Barnly Hall and will be highly valued by students and friends. The seniors consider the mounting of the Giant Stoth as their memorial proper, while the statue is an added gift.

A second formal and impressive event observed in the same chapel period was the annual move-up day. The seniors in giving up their chapel seats to the Juniors signified their departure from the McPherson College family. The Juniors now represent the school and the achievement of its ideals. Annual move-up day signifies progress along with responsibility and many worth while thoughts may be received in the performance.

Varied Verses

To a Friend

Mingled loveliness and natural graces,
Arrayed with the beauty of one
Reading in life—deepest meanings,
Guided by motives sincere,
Are we too blind to the finer—
Reacting to baseness alone,
Ever to overlook the lesson
Taught by such pureness of soul?

May beauty of heart and of person,
Increase as increases the days,
Keeping the eyes bended upward,
Ever seeking the coming of dawn—
Seeking the dawn of a new day
Enriched by experience sweet.
Live on, fair soul, with a purpose—
Live on in your fullness complete.

A. F.

There's a certain communion in loneliness,
An anxious out-reaching and grasping
For something to anchor the soul in;
Then God comes down softly and moves in His stars;
And out of the heart-tearing stillness
He somehow makes felt His great presence.
And sweet is His friendship; He knows and still cares;
And often I've felt,—tis sweet to be lonely.

MEDALS ARE AWARDED TO ACADEMY DEBATE TEAMS

The members of the Academy debate teams for the past three years were awarded letters last Friday morning in chapel. Dr. Kurtz presented the medals which are a symbol of recognition and appreciation for the high honors which the teams have won for M. C. The following persons each received a bronze "M" for one year's service: Laura Bowman, Anna Langel, Helen Dirks, Warren Gish, Harry Lehman, Harvey Lehman, Jay Biter, Leonard Birkin, John Lehman, Charles Langel, Ralph Martin, Elmer Krehbiel, and Earl Breon. Harry Lehman, Harvey Lehman, and Elmer Krehbiel each received a silver "M" for having represented M. C. for two years.

Personal Paragraphs

Miss Martha Long from Manzanola, Colorado visited her cousin, Wava over the week-end.

Prof. and Mrs. E. J. Unruh and Bertha Unruh drove to Wichita, Friday to visit over Sunday.

Academy S. S. Classes Hike

Bright and early Sunday morning the Academy Sunday school classes gathered in Brubaker's pasture for an outdoor social. A breakfast consisting of cocoa, eggs, bacon, buns, cinnamon rolls, and oranges was soon prepared and lasted only a few minutes. When their hunger had been appeased the boys and girls separated and classes were conducted by their teachers, Prof. Fries and Winona McGaffey. After the class hour a number of snapshots were taken and the merry party disbanded hoping to have similar good times in the future.

Prof. and Mrs. Gaw Entertain

A very delightful party was given by Prof. and Mrs. Gaw immediately following the choral concert last Thursday night. After an hour of fun and music, lunch was very cozily served—the late hour and the lighted candles uniting beautifully for an unusual and wonderfully pleasing atmosphere. The group then went for an hour's open air drive which was thoroughly enjoyed by all. Prof. and Mrs. Gaw have a way of making occasions rememberable. Those present were: Misses Marie Cullen and Elsie Klinkerman, Prof. and Mrs. Gaw, and Messrs. Herkle Wampler, Roy Brammell, and Emmert Pair.

Hold Joint Breakfast

What is so rare as a morning in May was the sentiment expressed by the members of the Student Council and Spectator Staff for the past year as they wended their way to Brubaker's pasture last Friday for a breakfast together. Neglecting the premature cessation of slumber, the whole affair was one of exceptional

The repast came to a close with oranges and wafers amid a shower of orange peels. Everyone present felt that he had enjoyed a memorable good time.

Academy Seniors Hold Picnic

Twenty jolly seniors with Prof. and Mrs. Keim donned their winter coats at an early hour Saturday morning and proceeded in a truck to Twin Mounds. After a hike to the top of the Mound a hot breakfast was devoured by the famished group. Playing horse-shoe, shooting, boating, hiking, and swimming proved to be popular pastimes. In spite of the fun all were willing to stop for a few minutes to enjoy dinner. The time for returning came all too soon but the fun did not cease, however, as a program of readings and songs was given on a hillside while two of the boys walked back to the nearest house to get some oil for the balky truck. After securing the oil the homeward journey was made without further difficulty. Everyone arrived feeling that the picnic was one that would long be remembered.

Seniors Hold Shower

After chapel last Tuesday morning the seniors could be seen chasing around hunting up signs, cars, and rice, preparatory to intercepting the 12:12 Santa Fe train. On this train was Miss Jessica Carter, a member of the senior class, who was traveling from her home at Lyons to Cincinnati, Ohio, where she was to be married to Mr. E. S. Johnson of that city. A few seniors met her at the train steps and enticed her from her place of safety. Soon the rest of the class rushed from the depot showering her with rice. In the meantime several of the men went into the train and pinned the signs on the seats and scattered rice through her baggage. Several songs and a yell for the bride and "E. S." concluded the "ceremony." Congratulations and wishes for a "bon voyage" were expressed as the train pulled out.

The members of the senior class regret that Miss Carter cannot be with them during the Commencement season but they realize that she could not be at both commencements at the same time.

Double Announcement Party

At half-past nine o'clock in her room in Kline Hall Friday evening Stella Bowman informally announced her engagement to Mr. Len Harden to a number of her immediate friends. The evening was spent in easy conversation after which refreshments consisting of ice cream with crushed strawberries, and angel food cake were served. The secret was found hidden in a thimble which had been baked in the cake. The girls listened breathlessly while the news was read after which a general discussion took place such as is customary among girls at an occasion of this kind. Besides the third floor Kline Hall girls those who enjoyed the evening were: Mrs. Samuel Ebbert, Naomi Fasnacht, Grace Crum-packer, Winona McGaffey, Fonda Harden, Mrs. Henry Stover, and Mrs. Foster Hoover.

A party of the same nature was held in Room 23 of Falmestock Hall the same evening by Len Harden but the announcement note which was concealed in the cake failed to be located. The guests enjoyed a pleasant social time together and departed none the wiser concerning the purpose of the occasion. Those present were: Ira, Roy, and Everett Brammell, John and Charles Lengel, Len Harden, Orville Pote, and Jacob Yoder.

Sophomores Hold Picnic

The sophomores spent an industrious day at Halstead Saturday in celebration of their annual spring picnic which the elements were finally so kind as to permit on the last available date. After an endless journey via truck for the most of the sophomores the picnic grounds were reached, and the travelers extricated themselves and wore off their stiffness by daring gymnastics performed on the various pieces of apparatus. The masculine attire of the girls was rather incongruous with the peculiarly feminine shrieks at the approach of boys armed with harmless frogs or turtles. Boating claimed most of the attention until noon and then there was a grand rush for the lunch table. When each had eaten until his capacity was filled the river was again resorted to for entertainment. Harold Barton proved himself the hero of the day by diving to the rescue of a girl who had fallen into the river. Admiring sophomores stood about as he shivered through the drying process. Shortly before time to return home, ice cream appeared, only to experience a rapid disappearance down sophomoreic throats, unseen, but felt, to the great discomfort of some. The picnickers fitted themselves into their assigned places in the truck and caps were conveyed home. Prof. and Mrs. Mohler found it impossible to accompany the class and they were missed by each sophomore, but Miss Margaret Walters proved herself a real sport for the occasion.

DR. CRAIK SPEAKS AT MISSION BAND MEETING

Dr. Craik spoke in Mission Band Sunday evening concerning the missionaries of McPherson College with whom he has become acquainted during his teaching here. He gave many interesting personal incidents connected with the lives of these missionaries. No abrupt change has taken place since their leaving for the field for they are much the same sort of folks as they were while in school. Three of the nine graduates of the class of 1906 have gone to the China field. The four outstanding qualities of these missionaries were: First, the profound interest in all school activities of the college; second, their optimism; third, their ambition to work their way through school; and fourth, their high degree of consecration.

**BULLDOGS DEFEAT TABOR
7-3 IN EXHIBITION GAME**

A Bulldog pick-up team journeyed to Hillsboro last Tuesday and defeated the Tabor College nine in an exhibition game by a score of 7 to 3. This was the first inter-collegiate athletics ever participated in by Tabor College.

Ellwood, the McPherson pitcher, held his opponents hitless for the first inning while the Canines scored three runs. Both teams hit well but Ellwood received better support, his team-mates committing only one error to their opponents' six. A double play, growing to Nickel, was made by Tabor.

M. C. TENNIS TEAMS ARE DEFEATED BY WASHBURN

The McPherson College tennis teams were defeated by Washburn Thursday in a Kansas conference match played on the home court. Kenneth Krehbiel representing M. C. forced Gerald Hamilton, the state title holder, to extend himself for three sets before losing 6-4, 3-6, 2-6. Arno Rodes also played a good game before losing to Frank Coutts 3-6, 7-5, 4-6. Harlan Yoder and Rufus Daggett, the doubles team for M. C., met a decisive defeat at the hands of Hamilton and Coutts.

BULLDOG RACKET TEAMS LOSE 2-1 AT STERLING

The Bulldog racket teams were defeated 2 to 1 by Sterling in a dual match played at Sterling last Tuesday. Krehbiel for M. C. won his match in straight sets 6-0, 11-9, while Barnes the other singles man lost to Nichols of Sterling 6-3, 3-6, 3-6. In the doubles Wilson and McConnell defeated Barnes and Hale 6-1, 6-2.

Exchanges

Dr. J. Stitt Wilson delivered a series of lectures at Kansas Wesleyan University last week.

This year, the fifty-first annual commencement of the University of Kansas, 682 students are to receive degrees.

One hundred degrees and two hundred Life Certificates will be granted at the Kansas State Teachers' College at Pittsburg this spring.

The Board of Directors of Bethany College is planning a mass meeting on May 21 for the purpose of discussing plans for the erection of a new auditorium.

LIFE

Life pledges all to me,
That Life to man can give;
Whatever I may ask,
I know that Life will give.

I hold success in hand,
The lease now I must sigh;
When I write my name there,
Life's treasures all are mine.

And at the end, when
Life wants the lease again;
May I have used it well
Nor failed to attain.

Raven.
