ORATORICAL SOCIETY HOLDS FIRST MEETING

The Oratorical Society held its first meeting last Tuesday evening at 6:30. Earl Beason gave a brief review of the constitution and told something of the activities of the local and state organizations. Prof. Anderson gave an interesting account of last year's state contest, and instilled a new enthusiasm into those present.

The Society will meet at 6:20 on alternate Tuesday evenings, dating from the last meeting. Interesting and helpful programs will be arranged.

The society extends a hearty invitation to all those interested in oratory. There are twelve colleges and universities in the state league, and it is through the local organization that M. C. must defend its reputation in oratory among these institutions.

GIVE THOSE SNAPSHOTS TO THE ANNUAL EDITOR

Every loyal student of McPherson College wants to have a good Quadrangle, and it is the united and earnest efforts of the student body that assures the success of the publication. The annual is, in a sense, a picture book, and it has been said that an annual should be edited with cameras. Now is the time to collect the snapshots that will make the year-book popular, and it is the desire of the staff to have every student contribute to the collection of kodak pictures which are needed for the 1924 Quadrangle. A box has been placed just south of the students' bulletin board in Sharp Hall and every student is asked to deposit a number of his very best snapshots in this box. Pictures in glossy finish print more distinctly than pictures in dull finish, and it is asked that all pictures which are handed in will be in glossy finish. Let's have the history of the 1923-24 school year a story in pictures!

Y. W. C. A. HELD FINANCE DRIVE FRIDAY EVENING

ONE HUNDRED AND TWENTY DOLLARS RAISED IN PLEDGES

The annual finance drive for the Y. W. C. A. was made last Friday evening in the chapel and was in the form of a party. There were about seventy-five girls present, and with Eliza both Mohler as auctioneer, approximately one hundred and twenty dollars was raised in subscriptions and pledges. The officers of the Association were well pleased in the way the girls responded.

Budget is Two Hundred Dollars

The budget for the whole year stands at two hundred dollars, and the cabinet feels assured that the additional amount can be raised from the girls who did not attend the party and by other sources during the school year.

Elberta Yanlman, chairman of the finance committee, opened the meeting by explaining why money was needed for the organization. A very pretty piano solo was played by F. Della Frantz, after which the reading, "Bobble, Unwelcome," was splendidly read by Lillie Crumpacker. The music part of the program closed with a very fitting solo by Aenid Gray.

County Secretary Present

Mrs. Hunt, county Y. W. C. A. secretary, gave a splendid talk on stewardship; telling the girls how necessary it was for them to put to the best possible use their time, strength talents and income, and that it was their duty to leave the world richer than they had found it. Last came the refreshments of cake and apples, closing the evening's delightful program.

MR. KORN WILL SPEAK AT MISSION BAND THURSDAY

Mr. Korn will be the speaker at the regular Mission Band meeting next Thursday evening in the chapel at 6:45. His talk will take up his childhood experiences as the son of a Jewish Rabbi. Mr. Korn was born in Poland, and studied three years as a divinity student in a Russian institution. After coming to America he studied two years in the Kansas City University. Mr. Korn was converted four years ago and is now an earnest Christian. This portrayal of Jewish life will be of interest to all. Come and hear Mr. Korn.

CRAIK GIVEN CHAIRMANSHIP

Dr. Craik, while attending the teachers' meeting at Salina last week, was chosen as chairman of the history section of the teachers' convention of Northwestern Kansas.

LADIES GLEE CLUB OF SEVENTEEN VOICES IS DOING INTENSIVE WORK

Professor Gaw Plans to Give Several Programs By The Middle of November

TWO REHEARSALS A WEEK

Program Will Be Both Sacred And Secular With Selections of The Highest Type

The Ladies Glee Club of seventeen voices, under the able direction of Professor Gaw, is doing intensive work and plans to give several programs by the middle of November. The music which they are studying is of the highest type and with Prof. Gaw both as pianist and director the girls are making rapid progress.

Will Give Two Programs

Two programs have been planned which will be given Nov. 18th and 19th at Navarre and Abilene respectively. Several other engagements have been accepted but no definite dates have been arranged for. The programs will be both sacred and secular and will consist of selections from Mendelssohn, Chopin, Rhyas-Herbert, Beethoven, Dvorak and folk-songs of various other composers.

Two Rehearsals A Week

The personnel of the organization is as follows: high sopranos,—Mario Gaw, Thelma Jones, Dortha Peters, and Alice Birkin; second sopranos; Minnie Edgecomb, Mildred Fisher, Doris Plum, Mabel Hoffman, and Carrie Feller; first altos, Inez Freeburg, Ocie McAvoy, Bernice Hoover and Fonda Harden; second altos,—Gertrude Witmore, Estella Engle, Gladys Waas and Ruth Wedel.

With two rehearsals each week these programs promise to be of the very best, and any success that the glee club might attain will be due to the efforts and ability of Prof. Gaw as director of the organization.

DR. SANFORD IS A WIDELY KNOWN VOCATIONAL EXPERT

Chester M. Sanford who is in McPherson this week lecturing on vocational guidance, is a widely known educator and vocational expert. He is a noted Chautauqua lecturer, and appeared in McPherson the past summer. Due to the combined efforts of the Student Council, the Commercial Club of the city, Central College and Academy, the city and county schools, and the Elk's Lodge the speaker has again been secured in order that the students might have the privilege of hearing the story of the many young Americans who have faced the problems that students are facing to-day.

Mr. Sanford is well equipped for work in his chosen field, having studied psychology in Cornell University under Doctors de Garmo Titchener, and Whipple. This thorough training was supplemented by direct work with young people in schools, mines, mills, factories and offices. He has had hundreds of conferences with railroad officials and superintendents of mills and mines. He approaches his subject from every possible angle.

Mr. Sanford gave one lecture at the Methodist Church last evening and will lecture again to-night. All lectures are free and students should avail themselves of this opportunity.

MOHLER SPENT BUSY WEEK

Prof. Mohler returned Saturday night after a five day schedule of out of town appointments. He attended the district meeting at Armourdale Mission, Kansas City, last Tuesday. On Thursday and Friday he judged livestock at the Langdon fair.

CAMPAIGN EFFORTS WERE HINDERED BY MEETINGS

Due to the district meetings which were in session last week, little progress was made in the endowment drive. Only about \$1,000 was received. Bro. Sargent was in Kansas City, and Bro. Wagoner attended the meetings at Bethel, Nebraska.

The drive will be continued this week with renewed efforts. The workers will be at Sabetha, Rock Creek, and Ribland Center in Marshall county, and also with the Washington church.

DEBATE QUESTION DETERMINED

The debate question which will be used in the Central Kansas League this winter has been determined and is as follows: Resolved, that the United States should enter the World Court as proposed by President Harding. The try-out will be held about Thanksgiving time and those who expect to enter should begin work at once.

MEMBERSHIP DRIVE BY A. T. A. HELD LAST WEEK

LOCAL ORATORICAL CONTEST WILL BE HELD IN FEBRUARY

The Intercollegiate Anti-Tobacco Association of McPherson College put on a membership drive in chapel Friday morning, October 12, which resulted in securing about eighty members.

Professor Nininger gave an appropriate talk in which he vividly portrayed the seriousness of the tobacco evil in the United States. More money is spent on our country annually for tobacco than is spent for education.

The drive was in charge of Arthur Prather, president of the local association. The purpose of the I. A. T. A. is to create public sentiment so that the tobacco evil may be overthrown. College students are to be the future leaders of this country and they should consider it a privilege to combat an evil which robs the efficiency of our youth.

The local oratorical contest will be held in February. Students are urged to write orations on any phase of the tobacco curse. The winner of the local contest will receive \$10. Second prize is \$5 and third prize is \$2.50. The winners of the local contest will go to the State I. A. T. A. at Sterling College next March. The winner of the State contest will receive \$35. Second prize is \$25 and third prize is \$15. The local executive committee was elected last spring. Those on the committee are: Arthur Prather, president; Abram Hostetter, vice-president; Miriam Wenrick, secretary, and Leonard Birkin, treasurer.

KURTZ HAD BUSY SCHEDULE

Again Dr. Kurtz has spent a busy week end, Friday night he attended the McPherson College reunion at the teachers' meeting at Salina. He lectured twice at Waverly, Kansas, the following day, and then helped with the endowment campaign at the South Beatrice Church in Nebraska. While most people rest over Sunday, Dr. Kurtz doubles his work in the interest of the college.

DISTRICT MEETING NOTES

Prof. J. J. Yoder was elected to succeed himself as delegate to the annual conference next June, at the district conference held at West Wichita Church last Wednesday. W. H. Beaver of St. Johns was chosen to succeed Brother Bish of Rocky Ford, Colorado as district trustee. D. H. Heckman was reading clerk, and Dr. Craik writing clerk. A large number of college people took part in the meetings.

MISHLER'S BULLDOGS ARE VICTORIOUS OVER WASHBURN GRIDSTERS

M. C. Warriors Outplayed The Icha-bod Crew And Scored Twice Before Washburn Registered

McPHERSON 14, WASHBURN 7

Hill, Carter, And Heaston Featured In The Ball Logging; F. Barton Scores.

The McPherson College Bulldogs defeated the Washburn Ichabods 14-7 at Topeka last Saturday in the first gridiron game ever scheduled with the school in the capital city. The Bulldogs' counters came in the first and fourth quarters, when Frank Barton caught his brother's forward pass in the first period, and when Hill carried the pigskin over on the first play in the final period. The Ichabods' score came as a result of M. C. fumbles and penalties just before the umpire's whistle blew at the close of the game.

Bulldogs' Offense Featured

The feature of Misbler's warriors was the offense of the game. During the first period his charges carried the ball 67 yards in scrimmage while Washburn's line charges did not enable the back-field to advance the ball one foot. Again in the third quarter M. C. was going strong, advancing the ball 87 yards to Washburn's 10 yards. The ball loggers featuring were Hill, Carter and Heaston; a 30 yard run by the latter furnishing the main thrill of the game. The whole forward wall did fine work in opening up holes for the backs.

Washburn's Aerial Attack Failed

On the defense the Bulldogs were also doing their duty, allowing but five passes out of sixteen attempts. S. Keim, Mudra, and Sargent figured spectacularly in blocked passes and in recovering fumbles. If Barton's kicks averaged 35 yards while his opponent's averaged only 33 yards.

First Quarter

Washburn won the toss and chose to defend the west goal. Mudra kicked off to the Ichabods who returned the 25 yard line. After logging 19 yards the first play on a had pass from center, Washburn punted 30 yards. McPherson gained 5 yards on a couple of runs, attempted a pass, but were forced to give the ball up when F. Barton's drop kick failed to register. Washburn kicked the ball 50 yards. On the second down Carter gained ten yards in an end run for first downs. The Ichabods then held, forcing the Bulldogs to punt. The Washburnites returned the ball on a 35 yard kick. Hahn carried the ball around right end for 5 yards, followed by Carter's line plunge for first downs. The Bulldogs after receiving a 15 yard

LIFE DECISIONS

How easy it is, with our present day material standards, for young people to assume the attitude that nothing in life really counts—except their own welfare. They accept life as a matter of fact; as if their only duty is that of making a living for themselves. Even in a Christian college one often hears the undergraduate put the love of money, power and status, as the apparent aim of life.

But is Christianity something that a person can add on to life? Can it simply be one of many interests; or must it be the one supreme and dominating thing, even if one has not had a special calling for religious service? The problem which every student has to face is that of determining the final object which must be worked out in every true occupation.

A college is an ideal place to make such a decision. The young person in a Christian institution of learning faces the most important of life's decisions at a time when he is doing the straightest, best and clearest thinking; when there is the least of selfishness, fear and doubt, and the most of love, courage and faith. The principles which are to be the guiding force in each person's life should not be made when life is at low ebb, but rather from life's highest levels. Life decisions are made in one certain and vital hour, yet they are eternal.

"Heard are the voices,
Heard are the saxes,
The worlds and the ages.
Choose well; your choice is
Brief and yet endless."

Y.W.C.A.

A musical program was enjoyed by many girls at the Y. W. last Wednesday. The meeting was led by Minnie Edgecomb. After devotions, the leader read an interesting criticism of American music. The program consisted, principally, of favorite songs selected by the girls. The whistle blew before half the songs were sung. The girls heartily enjoyed the "Guess Who" quartette who sang "Juanita" and "Good Night Ladies."

Y. M. C. A.

Jay Eller's earnest appeal to the young men of McPherson College, in the quiet upper room of Harney Hall, Wednesday morning, for better conduct in speech and action on the campus, was the feature of the last Y. M. C. A. meeting.

David Brubaker led the devotions and then yielded the floor to Mr. Eller. Jay began his talk by giving a brief outline of the Y. M. C. A. conference at Emporia, which he attended. Soon he shifted to his appeal. He said that the boys who are using bad language, mimicking ministers, and making light of certain Bible phrases are lowering the standards of our Christian institution.

It was an earnest appeal to the men to "Think twice before they speak once," whether on the athletic field, on the campus, on the streets, or wherever they may be. The men and all boys will heed this message and make McPherson College a better school.

At this meeting Frank Howell was elected vice-president of the Y. M. C. A. Hal Bampton taking LeRoy Doty's place as president.

MISSION BAND NOTES

Professor Ebel was the speaker at the regular Mission Band meeting in the chapel last Thursday night. His talk on salesmanship was very instructive to those who contemplate taking up missionary work. Every Christian worker must follow the contract as prescribed in the scriptures just as a salesman follows the contract prescribed by his company. He must be prepared for his task; fully submitted to his Master; have plenty of enthusiasm, and he must believe whole-heartedly in the truth of his message. If one wants unexcelled profits in life he must be a salesman for Jesus Christ.

WHO WROTE I SPEC SOO?

Bolsheviki come and bolsheviki go, but they never stay went! So it is. One Said Such received an idea last Friday. Desiring down right data he descended dutifully upon dear public and commenced killing queer curiosity, in effusive, effulgent and emphatic effort to divulge to puzzled populil positive proof pronouncing—

? Who Wrote I Spec Soo?
Procurer a promiscuous profusion of profitable propaganda, he decided to deceive darling populace by donating to me dazzling deductions decisively determining—

? Who Wrote I Spec Soo?
Gravely I give gathered, groundless, gruff, gushing, gruded, grotesque, graphic, genuine, (good, bad and indifferent) guesses guessing—

? Who Wrote I Spec Soo?
The generous general gratuitously gives:
Miss Engle ----- 18 gee-votes.
One Said Such ----- 17 gee votes
Laura McGaffey ----- 12 gee-votes
Misses Engle and Hoffman Co. ----- 3 gee-votes

Misses Laura and Nellie McGaffey Company ----- 1 gee-vote
Hazel Vogt ----- 1 gee-vote
Rufus Daggett ----- 1 gee-vote
John Harnly ----- 1 gee-vote
Everett Brubaker ----- 1 gee vote
Mabel Hoffman ----- 1 gee-vote
Stanley Keim ----- 1 gee-vote

And I ask as you look at these figures.

? Who Wrote I Spec Soo?
Judging from pure statistics, we do not agree. I wonder, do we agree on other things? Let us solemnly kneel down and-- think! Was I Spec Soo criticizing person or incident; individuals or actions? Was it premeditated murder or tactless wording? Was it mature criticism or a beginners weakness? Is he (?) a numskull, idiot, lowbrow or nincom-poo. Possibly he is an embryo genius, and coming member of the Four Hundred or the social jollity. Let us be open-minded and discerning, and if possible, a wee bit tolerant. Remember, we aren't all angels. We have a right to be curious, but we have no national franchise to football the person—

? Who Wrote I Spec Soo?
The world ought to appreciate what value there is in our Bitter Hemlocks, our One Said Suches and our I Spec Soos. Beg pardon -don't misunderstand - I don't even know who wrote I Spec Soo. But I'm a friend of the Bolsheviki because they know how to kick; a friend of the angels because they know how to be kicked.

It's time we were reasonable, rational and just.
Itza Fact
Guess again! Fifty-seven votes and not one correct. Yes, its a student. Editor.

She (slightly disheveled)—"That tunnel we just went through cost over a million dollars."
He (also slightly disheveled) "well it was worth it."

She—Have you loved any other girl before me?
He—Yes. You are about the tenth. But my taste has grown better and better!

I've Been Reading

W. E. Bishop

Spoon River Anthology, by Edgar Lee Masters, born in Garnett, Kansas, 1869; educated in Garnett, Kansas and Knox College; and admitted to the bar in 1891. Some of his works are; Maximilian (a drama in blank verse), Songs and Satire, Starved Rocks, Mitch Miller, and The New Spoon River. The last, being a sequel to the Anthology is a unique and queer novel written in blank verse. The scene is laid in an ordinary country graveyard in a town of the Middle West (Spoon River). The work consists of a group of blank verses, each person revealing from the grave the ungarished truth of his or her life without fear of criticism, or feeling of sentiment, - each verse being titled with the name of its speaker. About two hundred and thirty characters utter their pent-up feelings from beyond the vale, thus giving unity, cohesion and progress to the novel.

Masters, to produce such a work, must have made a complete, systematic and extensive study of many individuals; so comprehensive his view, so fundamental his understanding, so sincere his sympathy!

His motives are; an earnest sympathy for ordinary humanity, (especially of the Middle West) and a savage superstition of modern science. Ignorance and deceit, according to Masters, are the roots of all evil. Souls unknowingly and ignorantly cause other souls to pay the fiddler for their dancing. Premeditated murder, family affairs, immorality, idealisms, hopes, fears, ambitions and "sculdugery" all come forth undiluted and unaltered from the grave - and the rich and poor, great and obscure are alike levelled to the same plane.

The Boston Transcript calls the work "an American Comedy Humane"; the New York Times pronounces the author "the natural child of Walt Whitman"; the Chicago Bar considers him very queer indeed!; and the Kansas City Post, of last week, scalds him with an editorial because he cannot adjust himself to live compatibly with his wife and two children. (And I wonder if such melancholic, moody and poetical temperaments should be permitted to marry. Poetical genius is a delicate mechanism and cannot endure the sledging of commonplace necessity and convention.)

Perhaps when Masters is dead, Spoon River will show another head stone explaining -

"Life was not gentle to him,
And the elements so mixed in him
That he made warfare on life,
In which he was slain."

FORMER STUDENTS OF M. C. RENEWED ACQUAINTANCES

Forty teachers, either alumni, former students, or faculty members of McPherson College who were in attendance at the Kansas State Teachers' Association held at Wichita, renewed old acquaintances and enjoyed a pleasant social time together at a luncheon served at the Hotel Lassen Friday noon.

Emery Wine of the class of '22 presided as toastmaster of the occasion in an entirely proficient manner. Ethel Whitmer, also a graduate in 1922 led the group in a few of the old familiar college songs and yells. A brief talk by Prof. Blair concerning the achievements of the Bulldogs and the favorable prospects that lie ahead of them was received with much interest. As a step toward furthering closer bonds of friendship, each person briefly related the location of his school and the nature of his work.

Those present were: Prof. Blair, Hattie Heckethorn, G. C. Dotzour, Ray Baldwin, Tillie Hadley, Grace Greenwood, Elizabeth Hoerner, Alice Hoerner, Seth Osborne, Oliver Hoisinger, Emery Wine, Ralph Trapp, Elmer Rupp, Mr. and Mrs. Foster Hoover, Mr. and Mrs. Galen Tice,

Ebel, Prof. Sadie Glucklich, Salina, Mr. Fleming, Mr. Fahrney Sifer, Miss Ruth Cripe, Miss Esther Hillabold, Stafford, Miss Alice Monly, Salina, and Miss Fern Van Nordstrand. Social Events

Seniors Entertained at Craik's

The excellence of Dr. and Mrs. Craik as host and hostess was artfully exhibited when they so delightfully entertained the seniors Saturday evening. Unlimited amusement was supplied by the various games and contests, the greatest excitement coming from the simple addition and spelling contests which were in themselves an exceptionally clever feature. The purple and white color scheme tastefully displayed the senior class colors. Delicious refreshments were daintily served by Ethel Metzker and Julia Holten.

Special guests were Mrs. Kurts, Mrs. Gishr. Mrs. Kinzie, Mrs. Betts and Warren Craik.

Among Our Graduates

M. C. GRADUATE HONORED
Lewis Florman, B. S., '23, who was employed by the Western Electric Company of Chicago in their Electrical Laboratory last spring, has been greatly honored by being transferred to the Electrical Engineering department. He is now taking a post graduate course in telephone engineering at the expense of that company, and will start work at his new position about the first of the year. The Western Electric Company for which Mr. Florman is working is the largest telephone manufacturing company in the world. Mr. Florman made a name for himself in McPherson College as a radio authority, and the Western Electric Company has made no mistake in securing his services. His many friends congratulate him on his good position and wish him continued success.

M. C. ALUMNUS HEADS BIG SCHOOL SYSTEM

The Hoquiam Daily Washingtonian, published at Hoquiam, Washington, a city of over 10,000 inhabitants, tells in its issue of September 2 of the fine work being done in that city by Professor Harry C. Crumppacker, head of the school system. A historical article from the pen of the superintendent is supplemented by various facts of interest to the readers. There are sixty-five teachers under Mr. Crumppacker's supervision. Mr. Crumppacker is of the clan that has for years figured prominently in McPherson College. He is a brother of Dr. Frank Crumppacker, missionary to China. He finished the Normal course in M. C. and in 1908 took the A. B. degree. Thereafter he taught in Mount Morris College and attended the University of Chicago, where, in 1910, he received the degree Master of Philosophy. From 1912 to 1922 he was superintendent of schools at Sedro-Woolley, Wash., leaving that place to accept the position in Hoquiam. He has held many positions of high honor in the educational circles of his state. He is the author of the non-residence high school law of the state of Washington and has served as chairman of the Washington Educational Association legislative committee. Mr. Crumppacker is always found striving for better educational laws for his state.

McPHERSON RESERVES LOSE GAME AT LYONS

The inability of the reserves to break the aerial attack used by the Lyons High School caused their defeat last Wednesday. The first kick-off was received by Kahler's crew and returned to their 35-yard line. By making first downs they were soon on the McPherson 30-yard line and there scored by a pretty drop-kick. Their kick off was returned by Daggett to the 25-yard line. In a couple of downs a pass was intercepted and Lyons ran 60 yards for their first touchdown. From then on the game was rather one-sided with the exception of two 35-yard returns by Daggett. Penalties of 20 yards were inflicted on the "pups" for holding and offside, and their opponents 40 yards for similar offenses. The score of the High School by quarters was 10-13-7-0. Those who started the game for McPherson were: Sondergard, center; Merkey and C. Long, guards; Eller and V. Long, tackles; Holloway and Yancey, ends; Morris and Yoder, halves; Abien, full and Daggett, quarter. The men used later in the game were: Brubaker, Robb, Tipton, Spohn, Mast and Neff.

A little girl from the city had been visiting in the country, and was being questioned as to what kind of time she had. Finally someone said, "I bet you don't know how to milk a cow."

"Bet I do," she said. "She was pressed for particulars, and explained: "You take the cow into the barn and give her some breakfast food and water and then you drain her crank-cass." — *Preppa*

COYOTES AND BULLDOGS TO MEET AT MCPHERSON

WESLEYANS HAVE ONE OF THE STRONGEST TEAMS IN RECENT HISTORY

Next Friday the Bulldogs will be seen for the second time on their home grounds. The Wesleyan Coyotes will be their opponents, and the Methodists are said to have a strong football machine this year. They have a heavy line, supposed to be one of the best in the Kansas Conference. Although they have given out a lot of bear dope about their backfield the strength of the two teams, on paper, seems to be about equal.

Two weeks ago Kansas Wesleyan defeated Washburn 16 to 0. The same week McPherson beat Hays 7-0. Last week the Coyotes and Hays tied 3 to 3, while McPherson won from Washburn 14-7. Such results seem to indicate that these two teams, the Coyotes and Bulldogs, are evenly matched.

Last year Wesleyan scored ten points on McPherson in the first three quarters, and then, in the last eight minutes of play, the Bulldogs put across two counters, with goals for odd points, winning the game by a few points. Remarks from the Bulldogs would indicate that they do not intend to spot Wesleyan these counters this year, but will endeavor to make their scores at the start. Beyond a doubt Coach Mackie has a strong team, and a game worth while is sure to be staged.

Stanley Bryce Keim, tackle, is playing his third year on the Bulldog eleven. No better example of the Bulldog fight can be found than in this Idaho product. Although the lightest man on the forward line, he is a vital part of the Bulldog machine. Stan, his brother Dick, and Sargent on one wing of the line form a most stubborn resistance to all opposition. Stan is the kind of an athlete that makes athletics worth while.

HIGH SCHOOL TEAM FILES UP BIG SCORE ON SALINA

The McPherson High School eleven showed its true form in snowing under coach Dean's warriors to the score of 47-5, on the local gridiron last Wednesday afternoon. The playing was on even terms during the first half, with the score tied at 6-6. The tide turned in favor of coach Uhrlaub's prodigies, when Showalter, aided by perfect interference, raced 78 yards to a touchdown. During the final quarter the locals scored at will, turning in a total of five touch-downs.

WITH OTHER SCHOOLS OF THE KANSAS CONFERENCE

(By Leslie Edmonds)

Kansas Wesleyan, Salina, director and head coach, A. B. Mackie, Ohio Wesleyan. Always a strong defensive team. Captain, Michael Hilgers, end. Nine letter men expected to take part in ten games. Prospects are considered good. If Wesleyan ever develops offensive power to match its defense of recent years, it will be a contender for three straight months. Homecoming game, Hays Teachers, October, 19.

MISHLER'S BULLDOGS ARE VICTORIOUS OVER WASHBURN GRIDSTERS

(Continued from Page 1.)

penalty were forced to punt when a pass failed to work. Carter made a 20 yard return of the Ichabod punt. Then the Bulldogs started their march for a touchdown. A pass, H. Barton to Sargent, made first down. Carter's 7 yard run, followed by Hahn's 5 yard plunge again made the call first and ten. On the fourth attempt the Bulldogs registered the first counter of the game when Frank Barton caught a pass from his brother Hal. The count was 7-0 when Hal kicked goal. Mudra again kicked off to Washburn who fumbled on the first down, McPherson recovering. Hill was substituted for Hahn and the quarter ended with the Bulldogs holding the ball on the 22 yard line.

Second Quarter

After an incomplete pass, F. Barton bisected the cross bar with a drop-kick but the score was not allowed on account of an off-side play. A second attempt failed. Washburn failing to gain, punted to the Bulldog's 40 yard line. The Bulldogs made their downs in two plays and then lost the ball when a pass was incomplete, but regained it on an Ichabod fumble. Washburn's line then held and Barton failed to score in an attempted drop-kick. Washburn made their downs in two attempts; kicked to McPherson; held the Bulldogs for downs and again made their yardage in two runs. The half ended with the ball in M. C.'s possession on her own 35 yard line, Washburn having been forced to punt.

Third Quarter

Mudra kicked off for the third time, Washburn failed to gain. The Bulldogs made their downs twice in succession with Hill and Carter doing most of the ball lugging. Washburn failed to advance when Sargent recovered an Ichabod fumble. Another first down for the Bulldogs was registered when Carter and Hill smashed the line for good gains. Two incomplete passes, following an attempt thru the line gave the ball to Washburn. The Ichabods were forced to punt. A pass, Barton to Heaston, was good for 30 yards, placing the ball on the two yard line. In two attempts the ball was advanced a yard and the quarter ended with the ball on Washburn's one yard line.

Fourth Quarter

Hill carried the ball thru Washburn's left tackle for a touchdown. H. Barton kicked goal from placement making the count 14-0. Mudra kicked off for the fourth time. Washburn, failing to gain, was forced to kick and the Bulldogs returned. Washburn gained a yard, tried two forward passes, one of which was blocked by S. Keim, and were forced to kick. R. Keim of M. C. and Warren of Washburn were put out of the game for personal fouls. Keim was replaced by Morine. Hill fumbled and Washburn recovered. Washburn made first downs on their fourth attempted forward pass. Eakes was substituted for Kurtz. Another forward passing rally was halted when Heaston intercepted a Washburn flling. Barton's fumble cost the Bulldogs several yards in addition to losing the ball. The remaining moments of the game saw Washburn making attempts at forward passing, most of which were unsuccessful. However by the aid of a Bulldog fumble, and three penalties when the goal was near, the Ichabods just managed to push the oval over for a touchdown making the final score read 14-7 in favor of the Bulldogs.
