## PROFESSOR SANFORD'S VOCATIONAL LECTURES WERE WELL ATTENDED

Talks On Life Decisions Were Made  
At The M. E. Church And In  
The College Chapel

### CHAPEL TALK EXCEPTIONAL

Large Audience At Each Lecture  
Was Evidence Of The  
Speaker's Ability

Professor Chester Milton Sanford gave three most instructive lectures on vocational guidance last week, two of which were given at the M. E. Church Monday and Tuesday evening and the other was given in the chapel Tuesday morning.

"The problem of life's work is complex. It cannot be solved in a day or in a week," said Professor Sanford in his lecture Monday night on "You and Your Job." The struggle of Lloyd George after he had chosen his life's work was intense but won out because of his determination to reach his goal. Luther Burbank and William J. Bryan set their goals early in life also. The earlier a youth can set his goal the better. Choose something and stick to it. It is better to have a poor goal than none. The community must help its young people to find their life's work. The several numbers of special music preceding this lecture were much appreciated.

### Chapel Talk Met Fine Response

"Elements of Success in any Profession" was the subject which Professor Sanford chose Tuesday morning in chapel. "To succeed in this profession," he said, "one must have the winning spirit of the 20th century. Young people can be as big as the thoughts which they think. Work does not hurt anybody but an improper attitude toward one's work does hurt. This winning spirit includes everybody. It means an absolute devotion to right. It calls for a fixed purpose. Call in your wandering forces with a set jaw and focus them on your goal. Then luck will result because of your pluck."

### Junior Band Assigned

"How the community can help its young people find their life's work," was the subject of Tuesday night's lecture which was preceded by choice Junior Band selections under the direction of Mr. Archie E. San Roman. Professor Sanford in this lecture emphasized the importance and responsibility which a community has in giving visions to its young people. Each county needs a vocational expert. A father should study his son so that he can help him. A father should gather data on all vocations so that both father and son can study together before a choice is made.

After each lecture a period was devoted to public conference in which Professor Sanford answered questions. The large audience at each lecture was an evidence of the lecturer's ability and authority of vocational guidance. McPherson welcomes Professor Sanford back again.

## ACADEMY STOCK JUDGING TEAM IN CONTEST TODAY

McPherson College is represented by an academy stock judging team at the Reno County Dairy Show which is being held today. Professor Mohler will enter his team for the following men: Ted Baker, John Lehman, Franklin Haas and Charles Spicer. A \$50 silver loving cup will be given the team which wins the contest two successive years.

The dairymen of Reno County will entertain the teams in their homes tonight, and the Hutchinson Chamber of Commerce is giving a luncheon tomorrow.

### MUSEUM GETS WRITE-UP

The Wichita Eagle of Sunday morning, October 21, contains an excellent article, with illustrations, of the saber-toothed tiger and giant sloth which are in our museum. The article pays high praise to Dr. Gilbert for his gifts to the museum and to Professor Nininger for his remarkable skill in mounting them. A somewhat detailed account of the life history of the specimens is also given. Altogether the article is very creditable and will serve as a good advertisement for our college.

## REVIVAL MEETINGS TO COMMENCE NEXT WEEK

REV. R. H. MILLER, PASTOR OF  
NORTH MANCHESTER, TO  
HOLD SERVICES

Beginning next Sunday, Rev. R. H. Miller will conduct evangelistic services at the McPherson College Church. The meetings will continue each evening from seven-thirty to eight o'clock for two weeks.

### Rev. Miller is Experienced Pastor

Rev. Miller, formerly pastor of the church of La Verne, California, is now pastor at North Manchester, Indiana. With this experience it is evident that he is well qualified to deal with students and their problems. At the Annual Conference of the church of the Brethren at Calgary, Canada, last spring, he spoke daily, and was appreciated greatly. The pastor of the Presbyterian Church of that place was so impressed that he secured Rev. Miller to address his congregation. He is now in South Bend, Indiana, and will come here directly from that place.

### College Organizations to Assist

The Y. M. C. A., Y. W. C. A., and the Mission Band are planning to work with the evangelist to make the meetings successful. There will probably be a daily prayer meeting. Mrs. Morris will have charge of the music both special and congregational. The students are urged to arrange their schedules to take advantage of this opportunity.

### REV. RICHARDS WILL TALK

Rev. Richards will speak at the regular Mission Band meeting next Thursday. His talk will be of vital interest to all students. Everyone is invited.

## LYCEUM COURSE THIS WINTER WILL INCLUDE SEVEN GOOD NUMBERS

Committee Has Overcome All The  
Obstacles and The Series  
Is Assured

### TICKETS TO BE ON SALE SOON

Music, Lectures and Entertainment  
Make Up The Programs For  
This Season

A lyceum course will be offered to the people of McPherson and community this year. For some time it has been doubtful as to whether a course would be offered; but with the support of the colleges and city a very extraordinary series of events is to be presented. In previous years only six numbers have been offered, but this year seven of superior class have been obtained.

### These numbers are listed:

Abram Opera Co.—This is one of the most expensive numbers on the course and will be of exceptional quality.

### Dr. Edward Amherst Ott, Lecturer.

Dr. Ott is known widely through the Redpath Lyceum Bureau. He possesses the art of giving "living" lectures which one who hears, remembers. Some of Dr. Ott's lectures are, "Sour Grapes," "The Haunted House," "The Spenders," and "Victory."

The DuMont Male Quartet. These young men not only sing well but are master entertainers. They sing, read, impersonate and give musical solos. They put over a program of life, snap, and vim.

Mr. Chas. Horner, Lecturer. Mr. Horner has spent several years in Europe studying European conditions. He will lecture on the problems of Europe.

### Russian Cathedral Quartet

This quartet of Russian men is probably the most expensive number on the course. The marvelous richness of the songs of Russia will be shown, and their program will be varied. Russian chants, folk songs, and operatic selections will be given in the original Russian and then in our own language.

Mr. Wm. Sterling Battis, Impersonator. Mr. Battis is well known to the humor loving public. He gives a humorous entertainment of the highest literary value. He brings to life the immortal characters portrayed by Dickens in his stories.

### Dr. Hilton Ira Jones, Chemist

Dr. Hilton Ira Jones, Ph. D., Lecturer. Dr. Jones lectures on the wonders of science. He is a great chemist, author, and organizer, and has the ability to present complex scientific subjects in terms that make them readily understood by the average audience. He is thoroughly instructive.

These seven extraordinary numbers give a great variation of entertainment which are educational and humorous in the highest degree. This course will be given in the opera house of this city, and the tickets will be on sale soon. The prices will be for the entire course: Gallery, \$1.50; other seats according to location: \$2.50, \$2.75, and \$3.00.

## "COFFEE SHOP" NOW OPEN TO PUBLIC AT SMALLER'S

All students are invited to patronize the "Cozy Coffee Corner" which was opened last Saturday at the Carl Smalley Art Shop under the management of Miss Mercedes Chapman of the McPherson College faculty. Coffee, tea, chocolate, home made rolls, coffee cake and sandwiches will be served from three to six o'clock each afternoon for the convenience of afternoon shoppers.

We do not come to college to learn how to make a living but to learn how to live.

## EVANGELISTS MET SUCCESS IN MEETINGS IN MISSOURI

Oliver H. Austin and wife, college evangelists, are again in Kansas, after holding a series of meetings in Missouri. They are always boosters for the college. Mr. and Mrs. Austin are well-known over the brotherhood and are always welcomed back to M. C. when they are at work near McPherson.

A letter to the Spectator, dated October 25th, says: "We have just closed a meeting in the Honey Creek Church near Sheridan, Missouri in which fifty confessed Christ as their Savior. The larger percent of these were adults, of whom twenty-two were fathers and mothers in the prime of life. It was a mountain-top experience to work with these Missourians; they are a great hearted people with the love of God beaming from their very faces. Religion to them is a very vital thing—they not only profess it, but they possess it."

Bro. Austin and wife are at present at Conway Springs, Kansas. From November 11 to December 9 they will be at Portia, Kansas, and then at Udell, Iowa.

The best wishes of the college are with them in their efforts, and the students will welcome them to M. C. any time.

## DRAMATIC CLASS WILL AID ENDOWMENT FUND

CLASSES ALSO ARE MAKING  
PLANS TO ASSIST  
CAMPAIGN

Results of the endowment campaign at the end of last week showed a total of \$26,799. Mr. Wagoner and Mr. Sargent have met with varied success and are giving their best efforts in the field for the college. Plans are materializing to stage an endowment campaign on the campus, and the different organizations will give their united support for the cause.

The various classes have been making plans for the carrying on of the endowment campaign. The senior class is the only class which has made definite plans. They intend to work for as many five hundred dollar pledges as possible, and then during endowment week finish up their pledges. The other classes have not made definite plans as yet.

The dramatic class is planning to give six one-act plays during endowment week which will be sometime in November. The proceeds from these plays are to go to the endowment fund. Every student of the dramatic class has a part in one of the plays. The plays are six of exceptionally high grade, and are as follows: Dream Faces, The Honor of the Class, Another Man's Place, Patsy, The Diabolical Circle, and The Teeth of the Gift Horse.

Professor Mohler officiated at a stock judging contest at Langdon, October 18, at Partridge, October 19, and at Nickerson October 20.

Send the Spectator home.

## Seniors Excel "Life," "Judge" and "Hot Dog" In their Jokes And Stories On Hike

Sue's small brother had a word with the caller rather late in the evening. "Say, you're an awful lot like my watch!" "How's that, Jack?" "Oh, you won't go!"

That's just a sample! The rest of 'em would fill volumes. How they did gush forth from those seniors! One might think their education was a master's degree in "Life" or "Judge" or "Hot Dog," or something like that! But it's a bad guess—you know Dr. Craik is class adviser!

That class has had a galaxy of hikes and picnics and parties, and each one has been the best of its kind. Too bad "best" can't be compared! The hike Saturday was the best of

## VICTORY OVER SALINA IS DECISIVE YET FULL OF INTENSE MOMENTS

Kansas Wesleyan University Was  
Handed First Defeat  
This Season

### CARTER IN SENSATIONAL RUN

The Bulldogs Won 276 Yards In  
Scrimmage; The Coyotes  
Made But 76 Yards

The Kansas Wesleyan Coyotes were handed their first defeat of the season last Friday when Mishler's Bulldogs tore through the pack for an 8-0 victory. The counters were made in the second and last quarters. D. Taylor nervously fumbled behind his own goal line and then fell on the ball, scoring a safety for the Bulldogs. Carter clinched the victory securely when he tore through the entire pack of Coyotes 72 yards to a touchdown making the score 8-0. Hahn failed to kick goal.

### Coyotes Held On Two Yard Line

The stone wall defense, as evidenced when the Coyotes failed to carry the ball over from the two yard line, was a strong factor in the victory of Mishler's warriors. The numerous times that the Coyotes were thrown for losses also gave evidence of whose some of the superior strength lay. The alertness of the Bulldogs for loose balls helped also to turn the tide of victory.

### Carter The Star Of The Game

As for the outstanding back-field player, it may be said that every-one started. Carter did sensational work in returning punts and in broken field running, while Hill and Heaton featured in forward passes. Heaton played a heady game at quarter. For straight line plunging Hahn must be given the most credit, for he made consistent gains whenever called upon.

### Wesleyans Thrown For Losses

The line men were doing excellent work, both on the offense and defense. The Keim brothers together with Sargent were responsible for the hole that gave Carter a chance to make his sensational runs. Sargent, Madra, and S. Keim figured in throwing the Coyotes for losses, while Kurtz blocked a place kick effectively.

The numerous penalties helped to keep the Bulldogs' score down, a total of ten fives being assessed for a yardage just equal to the length of the field, while the Coyotes were set back 40 yards in four assessments.

### First Quarter

The Coyotes started the game by kicking off toward the north goal. An offside penalty and Carter's fumble gave the Wesleyanites the ball on the 13 yard line. Another M. C. off side penalty with four downs for the Methodists gave them first downs. At this point the Bulldogs held like a stone wall, Carter throwing the Coyote for a loss when the

(Continued on Page 4.)

## Spooks, Goblins And Ghosts To Entertain Students At The Gym Tomorrow Evening

Spooks-Goblins-Good Times.—they all appear in the student consciousness as October 31 draws near. They are all a part of the rich heritage that belongs to the American youth. Tomorrow evening at 8 o'clock the All-Schools Halloween party will be held in the gymnasium. The party will deviate from the conventional in that it will not be a masquerade. The students are expected to wear their school clothes and a fine will be imposed upon those who appear in their best raiment.

The Halloween spirit will pervade throughout the evening. The program committee has been working

diligently and a very interesting program has been arranged that is both different and unique.

The academy and each college class has been called upon to present a stunt. Now everybody get busy and do a little better than your neighbor. Just a little "inside dope"—a hint to the wise, you know the class presenting the best stunt will have a degree conferred upon them. This will be the easiest degree you ever won.

Every student and faculty member is invited, so make up your mind to have an evening of good wholesome fun and be at the gymnasium tomorrow evening at 8 o'clock.

## NEWTON TO BE INVADED BY BULLDOG GRIDSTERS

**Bulldogs Expected To Win Game  
By Comfortable Margin  
Next Friday.**

Again on next Friday the Bulldogs will stray to a foreign field for a battle with the Bethel aggregation of football warriors. McPherson won from Bethel here last year in a fairly easy game but this year Bethel can be expected to put up a much better fight. Bethel is the newest school in the conference in football and has a team lacking in experience but full of fight. Although the Bulldogs should win by a good margin, the Bethelites can be expected to put up a real fight and spring some surprises. With fair weather a large bunch of fans is expected to accompany the team.

### RESERVES WIN FROM CANTON

The completion of a long pass, Ablen to Yoder, and the latter's thirty yard run for a touchdown was the sensation of Saturday's reserve game with the Canton American Legion. McPherson received the first kick-off; several costly fumbles followed and Canton was able to make the first six points of the game. Late in the second quarter Yoder tied the score and in the third, Ablen went over the line, making the score 13-6 the rest of the game.

The line up was as follows: Sondergard, center; Merkey and Spohn, guards; V. Long and C. Long, tackles; Holloway and Yancey, ends; Yoder and Daggett, halves; Ablen, full, and Morris, quarter.

### MISSION STUDY CLASS TO MEET WITH PROF. MORRIS

A mission study class has been organized by the Mission Band and meets every Wednesday morning from seven to eight under the direction of Professor Morris. Abram Hostetter has been elected chairman of the group and Doris Plum as chorister. Twenty two students are enrolled in the class at present, and it is hoped that many more will take advantage of the opportunity offered by the group.

It has been felt for some time that a class of this nature was needed, and as a result considerable interest is being shown in the work. Topics which the class will study are mostly relative to the lines of great missionaries and the needy fields.

### WITH OTHER SCHOOLS OF THE KANSAS CONFERENCE

By Leslie Edmunds

Bethel college, Newton, G. G. Haury, Jr., director and coach. Attempting a serious football schedule for the first time in recent years. Captain, Albert Ewert, center; eight letter-men, none with more than last year's brief experience. Homecoming game, McPherson college, November 2.

Harold "Hal" Barton, full, is the only triple threat man that M. C. can boast of, and there are few backs in the conference that tackle with such force! "Hal's" punts have been a big factor in the Bulldogs' record and his throwing arm is responsible for many completed passes. It was a toss from Hal, caught by his brother, that was responsible for the first touchdown against Washburn. Hal received honorable mention last season.

### SEEN FROM THE SIDE LINES

By Van

"Tok" Carter lived up to and if possible excelled his already brilliant record as a foot-ball player when he reeled off two spectacular runs totaling a distance greater than the length of the gridiron. Those runs furnished thrills that will never die in the memory of M. C. fans witnessing them.

A splendid example of true sportsmanship was shown when Heaston assisted an opposing Coyote to his feet. "Doc," those little incidents, as well as the spectacular, are what make the game of football worth while.

Kurtz, that was heroic work in blocking that place-kick which might have spelled victory for the Coyotes. Who knows? His feelings in the matter were probably well expressed by the fan who said, "I'll bet that is one tummy-ache "Doc" will never regret."

Hal, that was tough luck to have to view the game from the side-lines. Here's hoping that you can be in there hitting them as hard as ever in the Bethel game.

### VICTORY OVER SALINA IS DECISIVE YET FULL OF INTENSE MOMENTS

(Continued from Page 1.)  
ball was on the one yard line. Hill punted safely from behind the goal line. During the remainder of the quarter the Coyotes never threatened, while the Bulldogs worked the ball down to the 18 yard line only to receive a 15 yard penalty for holding. The quarter ended with the Bulldogs holding the ball on their own 32 yard line.

#### Second Quarter

The Bulldogs started the quarter with a complete pass, Hal Barton to Carter, and then lost the ball on downs. Then began a punting duel with the locals obtaining the advantage on exchanges.

Heaston carried the ball for eight yards for the first earned down of the game. Four more attempts failed to gain necessary yardage, Frank Barton being downed before he could get under way with the pass from Hal. With the ball on the 12 yard line Dutch Taylor fumbled the ball while attempting to punt and fell on the ball for a safety making the count 2-0 in favor of the Bulldogs. Hahn was substituted for H. Barton. The half ended with no further scoring, the Bulldogs receiving more costly penalties when in possession of the pig-skin.

#### Third Quarter

The Wesleyanites chose to begin the second half by kicking off over the goal line. The Bulldogs in a series of first downs carried the ball to the 52 yard line where a Bulldog was caught holding and a 15 yard penalty given. Heaston made use of Hill, Hahn and F. Barton in the punting duel that followed. The Bulldogs' march to the goal was again stopped when Mudra was caught holding an end, forcing M. C. to punt. The quarter ended with the Coyotes holding the ball near the center of the field.

#### Fourth Quarter

After being thrown for a loss, Kansas Wesleyan punted to M. C.'s 10 yard line, where F. Barton kicked to the safety. Beck plunged through the line 12 yards, for a first down, Sargent broke through and threw D. Taylor for an eight yard loss. After failing in attempted passes a place kick was tried which "Doc" Kurtz blocked and F. Barton recovered. Carter made an eighteen yard gain through left tackle, followed it up with a 10 yard run and then fumbled the ball on his next attempt. The Coyotes made their downs by the aid of a Bulldog penalty; then added 18 yards, by a forward pass, only to be thrown for a loss by Stan Keim. Place kick on the fifty yard line fell short. Hill and Heaston carried the ball for first downs. Carter then took the ball from the 28 yard line, tore through the Coyotes left tackle, side-stepped the safety and raced for a touch-down. Hahn failed to kick goal, leaving the score at 8-0. Barton kicked off to the Coyotes who were forced to punt. Carter then made a sensational 55 yard return of the punt. A pass Hill to Heaston worked for an 18 yard gain. Hahn carried the ball to the three yard line where the umpire's whistle ended the game with the Bulldogs carrying the heavy end of an 8-0 score.
