Social Events

Hallowe'en Fesity at Vaniman's

On last Monday night the Vaniman home was a center of attraction for all weird forms and spirits. Rowena and Elberta Vaniman were the hostesses of the annual conference of the ghosts, witches and goblins. The black cats, the owls, and the pumpkin faces even came to listen in. They hovered over the mantles, the chandeliers and windows; their spirits pervaded over the conference the entire evening.

The Mother of Witches related stories of the past and predicted the future of the members of the confereees. After the conference the ghosts summoned the spirits up to the third floor where all played games in honor of their ancestors.

As the ghosts, goblins, witches and spooks appear in this world but once a year, they always have their "grand Repaz", which is sufficient for their being until the next conference. This year their feast was bountiful; they were served with ole home baked pumpkin pie, coffee, doughnuts, luscious red apples and candy.

Soon the spirits, two by two, began to feel their presence needed in the other world; they gave their good-byes declaring that this Meeting was the most profitable and the most successful one that they had ever held.

Historical Work By Dr. Craik Off Press

WRITTEN AS PARTIAL FULFILLMENT OF REQUIREMENTS FOR DEGREE

Just recently the dissertation, "Southern Interest in Territorial Kansas," written by Dr. Craik, head of the department of history and political science of McPherson College in partial fulfillment of the requirements for the degree of doctor of philosophy, June 1922, has come off the press. This article, covering 116 pages represents a line of historical research which was begun in 1916 in the graduate school of the University of Kansas, under the direction of Prof. F. H. Hodder, of the department of history. The topic for the dissertation was suggested by William E. Connelley, secretary of the Kansas State Historical Society, Topeka.

Dr. Craik has spent much time in research and has gleaned material from many sources. He spent several summers in research in the library of the State Historical Society of Kansas, in the library of the University of Kansas, in the library of the State Historical Society of Missouri at Columbia, in the Mercantile Library in St. Louis, and in the Jefferson Memorial Library of the Missouri Historical Society in St. Louis. To a great extent newspapers have constituted the sources since there are but few books dealing with the subject. Webb's Scrap Books, seventeen in number, proved to be a mine of information on early Kansas history and it is through this series that Dr. Craik was able to secure material dealing with the Southern states which would otherwise be very difficult to obtain.

The Kansas Historical Society has placed the dissertation in volume-15 of its collections. This volume is to be nicely bound and will be out about January, 1925. A copy of it is to be presented to the McPherson College Library, as well as one to Dr. Craik.

Mr. Connelley writes that the article is a fine one and recommends it to all students of Kansas history. Dr. Craik, in writing this dissertation has completed a splendid addition to Kansas history and is to be highly commended for his effort and his accomplishment.

Alumnus Accepts Pastorate

Earl Frantz A. B. '21 was in McPherson the latter part of the week. He left Sunday morning to deliver his first sermon at the church of the Brethren at Nickerson where he has accepted the pastorate. Mrs. Frantz, Rowena and Merlin visited friends and relatives on the Hill until Monday.

Mrs. Craik Entertains

Mrs. Craik was cordially at home to the members of the cabinet and the advisory board of the local Y. W. C. A. between the hours of six and eight Friday evening. The delicious dinner was a most attractive feature of the evening's entertainment. Discussions included some very important problems which are facing the organization. The social hours thus spent together will do much toward strengthening the bonds between the cabinet and the advisory board.

V. M. C. A.

L. E. Lawson, in a talk to the men of McPherson College last Wednesday morning, explained the qualities and aptitudes which a man must have to make a success in the management of a retail establishment. He told of the main problems which confront a merchant in connection with buying, selling, advertising, managing and the relative phases of the business.

Mr. Lawson stated that the student who participates to the fullest extent in the varied college activities will be better fitted to meet the responsibilities that are the lot of the business man.

The speaker is an ardent booster for M. C. activities as well as his own business establishment, and a friend of every student with whom he comes in contact. Herkie Wampler contributed to the program with a vocal solo.

**CLASSIC OF SEASON TO
BE SEEN NEXT MONDAY**

TERRIBLE SWEDES HAVE DEFEATED THE BULLDOGS FOR TWO YEARS

On next Monday, Nov. 12 at Lindsborg will take place the football game we have been looking forward to continuously for the past year. The Bulldogs have little love for their enemies of the north and are out this year for revenge. In the past two years Bethany college, otherwise known as the Terrible Swedes, have administered defeat to the Bulldogs none less than two times in football. The first year the defeat was sang to the tune of 7 to 6 and last year it was a familiar refrain, namely 6 to 0, plus mud. The worst mud field ever witnessed here was present that day and the Swedes were able to alide across for a lone touchdown and the only counter of the game.

The Swedes have not had as good a season as the Bulldogs thus far but, nevertheless, they always have a good team when it comes time to play the Bulldogs. Coach Lindsay has had to develop a number of new men this year and of late they have been going fine. Next week when the two teams meet you will see two teams evenly matched battling harder against each other than they will against any other school.

Last week at Hays Bethany was defeated 20 to 0 while on the same field several weeks ago McPherson beat the Teachers 7 to 0. This gives McPherson the odds but recent history shows us that odds mean nothing and dope buckets are often upset.

The Bulldogs need backing from all the students. If a nice day can be had for the game McPherson county will probably move to Lindsborg for the Armistice Day classic.

We read this in the "Baker Orange":

"Lives of athletes all remind us,
We can print our names in blood
And departing leave behind us,
Half our faces in the mud".

PAUL E. SARGENT

"SI" is playing his second year with the M. C. regulars. He made his letter last fall although it was the first time he had ever played on a football squad, and this year he has won recognition by his excellent work at right end. His defensive work is outstanding and his long arms are very effectual in pulling down passes or blocking enemy plays. He has a habit of breaking through the line and throwing his opponents for losses. "SI" is a versatile athlete, having made his mark in the court game as well as on the gridiron.

VICTORY OVER BETHEL IS FOURTH SUCCESSIVE TRIUMPH THIS SEASON

(Continued from Page 1.)

with the Bulldogs in possession of it at the close of the quarter.

Second Quarter

A pass, Hal Barton to Sargent placed the ball on the 1 yard line for a 20 yard gain. Hal Barton carried the ball over for a touchdown on the next play. Hahn failed to kick goal, the score remaining at 6-0. Bethel again kicked off and forced the Bulldogs to punt on the fourth down. Bethel punted on the fourth down, Sam Kurtz returning the ball 15 yards. On the third down Sam Kurtz carried the ball for a 20 yard gain on an off tackle play. Again the Bulldogs made first downs when Hal Barton completed a pass to his brother Frank for a 10 yard gain. On the second down following Sam Kurtz made a thrilling off-tackle, broken field run of 30 yards to a touchdown. The score was 12-0, Hahn missing goal. Mudra kicked off 15 yards against the wind. Bethel was forced to punt. Hahn made a line plunge for a 6 yard gain, a couple of 3 yard gains then made the call first down. A pass, Hal Barton to Frank made a 15 yard gain and the half was over.

Third Quarter

Bethel kicked off with the wind and play started on M. C.'s 30 yard line. First downs were made twice in succession when Sam Kurtz made good gains. An offside penalty set the Bulldogs back 5 yards, and Sanger Crumpacker made an 8 yard gain. A pass was grounded and M. C. was forced to punt when a pass was incomplete. Bethel failing to gain, punted 50 yards with the wind. The quarter ended with the ball on M. C.'s 30' yard line in the Bulldog's possession.

Fourth Quarter

On the fourth down a punt for 60 yards placed the pigskin on Bethel's 20 yard line. Bethel punted 20 yards against the wind. A pass, Hal Barton to Sargent was good for 20 yards, after two more successful attempts at forward passing. Frank Barton made a successful drop-kick, bringing the score up to 15 points for the Bulldogs. Substitutes were sent in and the Bulldogs were penalized 15 yards for talking. The game ended with the ball on Bethel's 20 yard line. The score was 15-0 in favor of the Bulldogs, entitling them to their third whole football—won on foreign soil for the trophy in this season's record.

Y. W. C. A.

A very interesting program was given in Y. W. Wednesday morning. Selma Engstrom led devotions. The first number on the program was a song "The Maiden's Wish," by the Girl's Glee Club. A very pretty duet was played by Hazel Scott and Della Chavez. Riley's poem, "When the Frost is on the Pumpkin and the Fodder's in the Stock," was read by Selma Engstrom. An account of the origin and superstitions of Halloween was given by Eunice Almen. As a closing number on the program the Glee Club sang one of Beethoven's many pretty Scotch songs, "Faithful Johnny."

ACADEMY TOOK SECOND PLACE

The M. C. Academy stock judging team won second place with 828 points at the Reno County Dairy Show, October 30. The men who made up the team were: John Lehman, Ted Baker, and Franklin Haas. The Partridge high school team was first with 936 points and the Preston high school third with 639 points.
