W. A. A. POINT SYSTEM GIVEN FINAL REVISION BY ASSOCIATION VOTE

Basketball and Gymnasium Points Changed

EMBLEMS ARE ADOPTED

Insignia and Mascot Feature "Chick" in Honor of Coach Mercedes Chapman

The point system for the W. A. A. was definitely determined at the regular meeting Monday night. Points were omitted for required physical training and points for basketball were changed due to the dropping of intercollegiate basketball. The insignia and mascot in which the "chick" figures prominently in honor of Miss Mercedes Chapman, women's physical director, were adopted.

The point system as it now stands is as follows:

PLANS BEING MADE FOR SENIOR FESTIVAL

County high school seniors will be entertained in April at the fourth annual festival held on McPherson College campus. Letters have been sent out to the various high school superintendents in the county and a suitable date will soon be selected for the event. The work has been apportioned to several committees: one to supervise the various athletic contests scheduled for that day; also a program committee has been appointed; besides these are different others selected to care for diverse activities. This coming celebration is expected to be bigger and better than previous ones. Preparation for the festival is reported as coming along fine.

MARY B. SWOPE HEADS Y. W. C. A. NEXT YEAR

Officers Elected Wednesday; Installation To Be Early In March

Election of Y. W. C. A. officers for the coming year Wednesday resulted in a lively race, the vote being close in every case. Those elected are: President, Mary B. Swope; vice-president, Ethel May Metzker; secretary, Alberta Flory; treasurer, Ruth Sollenberger; undergraduate representative, Nellie McGaffey; chorister, Florence Kline. Installation of the officers and the other cabinet members will occur early in March at which time the cabinet of the Y. M. C. A. will also be installed. The officers are well qualified to serve the organization with a maximum of efficiency. Miss Swope is at present chairman of the program committee, Nellie McGaffey is chairman of the social service committee, and the others have been active in various lines of work.

PRESIDENT OF OTTAWA UNIVERSITY VISITS M. C.

Dr. Smith, president of Ottawa University, brought to McPherson College the greeting from his school and gave a very interesting chapel talk on February 16. "Thrift and hard work," said Dr. Smith, "are the two essentials to success as a student." Dr. Smith is a firm believer that the place the small denominational college holds in the educational system is a large one for two thirds of the successful men of the world come from denominational colleges. Development of personality, one of the chief purposes of education, is better brought about in a small denominational school than in a large state school.

NEW SYSTEM FOR TICKETS

Beginning with the Bethel game a new system was substituted for the student activity tickets. All the tickets were collected and from now on students will be admitted without their tickets. Jay Eller, president of the Student Council, presented the matter before the students in Chapel Monday by saying that in view of the fact that some students go to games without their tickets, thereby causing congestion at the gymnasium, the Student Council adopted this method.

The Way to a Man's Heart Is Some where Around His Stomach, Thus!

He hurriedly grabbed a towel and a cake of soap and made a dash for the wash room because, well—he must not be late to an engagement like this one in particular.

A second later he emerged from the wash room a living example of what Ivory soap will accomplish on raw material and hurried back to his room. His toilet was immaculate in every respect. His time spent in front of the mirror was longer than ever before. He even risked a little powder with the hope that she would not notice it.

He then put on his coat, readjusted his tie, combed his hair, applying that product which the advertisers

SCORES ARE DECISIVE

Bethel Wins 36-27; Swedes Lose 40-31; Friends Lose 43-24 in Sudden Landslide

The Bulldogs hit their old stride last week and took two of the three games played. Tuesday evening they bowed before the strong Mennonite team but only after they had called forth the very best work of their opponents. The final score was 36-27. Thursday the Terrible Swedes were again forced to take a severe trouncing 40-31 at the hands of the Canines. Saturday evening, M. C.'s cagers played the only game of the week away from home on the Friends University court where they had little difficulty in taking the long end of the 43-24 score.

On the whole the Bethel game was the best scrap the Canines have put up this season and almost until the last whistle it looked as though they would come out with the long end of the score. The half ended amid a deafening cheer with the call 16-15 for the Dogs, but the intermission gave the Bethelites a chance to regain some pep while Mischler's crew kept about the same pace the last half. W. Enns and Buller were outstanding Bethel men while Showalter and Crumpacker starred for the home boys.

DEBATE JUDGES BUSY —HESS IS SINGLE JUDGE

The services of Debate Coach M. A. Hess, as a debate judge are much in demand. In the single judge system of judging debates expert judging is very necessary, consequently Coach Hess is often called upon. Thursday he judged a debate between Marlon High School and Newton High School in the afternoon and at night one between Friends University and Fairmount College in which Friends won. Tomorrow night he will judge the Ottawa-Emporia Normal debate.

Professors J. A. Blair, H. H. Ninger and J. W. Deeter acted as judges in a debate between Moundridge High School and Assaria High School last Thursday night.

STUDENTS TO ATTEND EMPORIA CONFERENCE

Bruce Curry Will Hold Institute Over Week-end—Number To Go From M. C.

William E. Sprenger, state Y. M. C. A. student secretary, was on the campus Tuesday and Wednesday stimulating interest in the Bruce Curry Institute to be held at Emporia over the week-end. According to Mr. Sprenger the institute will be abundantly worth while for all who attend.

Mr. Curry is widely known in Association circles as a speaker who reaches the great fundamental truths of life in a way that students can appreciate. Campus problems, social problems and problems of religious experience are discussed in a clear and concise manner. "Life at its Best" is the theme of the institute.

Among those who are definitely planning to go from the college are: Mary B. Swope, Elberta Vanman, Selma Engstrom, Harriet and Naomi Mohler, Margart Wall, Sidney Sondergard, Henry Hahn, Howard Kelm, Elmer Heidebrecht and Sam Mohler.

MISS FREEBURG DIRECTS STORY TELLING CLASS

The story telling class had its work under the direction of Miss Signe Freeburg, director of the local Smalley's Art Shop, Wednesday afternoon. Miss Freeburg, who is experienced in teaching art and handicraft, gave the girls a practical demonstration in the art of paper cutting, showing them how to direct little children, in this work. Many fascinating things were made in the class and Miss Freeburg will perhaps continue her work in the class tomorrow.

DEPARTMENT SHOWS INCREASE

Prof. G. N. Boone reports the largest enrolment in the manual arts department in the history of the school. At present there are thirty-four students doing bench work, twelve engaged in wood-turning and twenty-three in Mechanical and machine drawing. Cedar chests are a favorite project with the advanced students. Seven chests are now under construction. Curtis Ruthrauff, assistant to Professor Boone, is building a phonograph which shows excellent workmanship.

DECISIONS ARE DIVIDED IN McPHERSON-SWEDE DEBATE FRIDAY NIGHT

Margins Are Small in Each Debate

HOME TEAMS WINNERS

Affirmative Sides Given Decisions on the Supreme Court Question

Fighting to a finish M. C.'s Bulldog debate team won the judge's decision at McPherson and lost at Bethany Friday night. The affirmative, upheld by Kenneth M. Rock and Mildred Libby at McPherson, won from the Bethany debaters, Lloyd Malm and Merle Yowell, by a margin of one and a half points, while the Lehman twins, who upheld the negative, lost to Elmer F. Peterson and Arthur Rydell of Bethany by a two-point margin. The debate was hotly contested from start to finish and large audiences at both McPherson and Bethany enjoyed the fray.

The question debated was: Resolved, that Congress by a two-thirds vote of each house should have power to over-ride a decision of the Supreme Court declaring a federal law unconstitutional.

Rock Stars

Kenneth M. Rock, veteran McPherson debater, was easily the outstanding star of the teams. With an impressive constructive speech and a rebuttal that was ruthless with material of his opponents he clinched the decision for the affirmative. The work of his team-mate, Miss Libby, although she had only one week of preparation, was also outstanding. A well constructed main speech and a convincing rebuttal featured her first appearance as a college debater.

Harvey and Harry Lehman, the "Debating Twins", put up a hard but unavailing fight at Bethany. Excellent constructive speeches and strong rebuttals marked their work. An unexpected line of argument by Bethany contributed much to the defeat.

Prof. William A. Irwin of Washburn College judged at McPherson and Prof. W. A. Starba of Newton at Lindborg. The next debate will be with Kansas Wesleyan March 5.

QUARTET ENTERTAINS MOUNDRIDGE AUDIENCE

Miss Katherine Penner and Clement Haldeman Are Soloists; Sam Kurtz Leads

With a complete evening's program, consisting of quartets, solos and readings, the Male Quartet, assisted by Miss Katherine Penner, soloist and director, entertained an audience of music enthusiasts in the town auditorium at Moundridge, Monday evening, February 16.

Promptly at eight o'clock, the quartet opened the program by singing two sacred numbers; the first, "Worship of God in Nature" by Beethoven, and the second, "That Beautiful Land".

Miss Penner immediately won her audience by singing the selections "The Great Awakening" and "Leave It With Him"; and the applause which greeted her bespoke an appreciation of the beautiful manner in which she sang.

The next group consisted of three numbers by the quartet, "Swing Along," "Po Little Lamb" and "Lullaby" which was followed by an encore. Clement Haldeman, second bass, sang two solos, the first entitled "Bells of the Sea" and the second "Duna." In both selections, he demonstrated his vocal ability and power to an admirable degree.

For the sake of variety, Sam Kurtz gave two humorous selections in Dutch brogue after which the quartet gave the well known selection "Kentucky Babe." Miss Penner again sang a group of solos and in conclusion of the program, the quartet rendered "The Flag Without a Stain".

DEBATE FOR WOMEN

Several colleges in Kansas, recognizing an essential difference in standards for judging men's and women's debate, have formed a women's debating league. Bethany, K. S. A. C., Washburn, Kansas State Teachers' College of Emporia and Ottawa are members of this league.

Why not women's debate in M. C.? Every year women have been trying out for debate with the odds greatly against them because of preference given to men. This is not conducive to arousing enthusiasm among college women to compete in forensic contests, and is depriving them of good training.

It is not satisfactory to have competition between men and women in forensics because there are different standards of judging excellence for men and women. Especially is this noticeable in delivery. The big "how-wow" stuff is wonderfully effective with many judges when employed by men but it is entirely out of place when attempted by a woman. Her delivery must be judged by a different standard and should therefore not be in competition with that of a man.

The fact that it would offer another opportunity to beat the Swedes should be a powerful inducement.

Now the Coe Cosmos comes along trying to limit narrow-mindedness to some specific profession. How narrow!

CONSISTENCY

Emerson didn't agree that consistency is a jewel, but it is not necessary to believe Emerson.

The chief point of similarity between consistency and a jewel seems to be its rarity. The old proverb is often quoted but not so often applied.

Certainly, the cry is "Kill the umpire!" If there isn't rigid adherence to baseball rules, but students who are first to see unfairness elsewhere usually let impulse be given preference to study hour rates, let mob law dominate instead of Robert's Rules of Order, and are complacent anarchists in the use of the King's English which would soon degenerate into senseless jargon if left to their regulators.

Anarchy in the abstract is condemned; in the concrete it is practiced and lauded. Law is a social necessity, and specific laws merit obedience if authority merits respect, whether they are vital or not in specific instances.

"Consistency, thou art a jewel."

Some think that the northeast table in the west wing of the Library might be appropriately christened "Ladies' Aid Headquarters"

THE OLD FIGHT

We were made to realize an extreme sense of satisfaction during the past week after having heard remarks which were indeed pleasing from the lips of certain visitors who attended the games here in support of their basketeers. We were very sincerely congratulated upon the spirit, enthusiasm, and pep which we demonstrated and especially for the fact that regardless of the outcome, should it be defeat, we supported those fighting Bulldogs with all our heart, soul, and strength, to the very end.

We may all be proud of this and doubly so for the reason that others have noticed it sufficiently to tell us in the way they did; but let us then be the more enthusiastic, the more spirited and peppy in order always to deserve such praise. In order to gain the most from everything as in the support of the Bulldogs, there must be the evidence of that same "old fight", so let's keep it up; Yea! McPherson, let's go!!

Student Opinion

THE STUDENT TICKET QUESTION

There has been considerable criticism of the action taken by the Student council in taking up the activity tickets. The main reason for the new system is that apparently too many students are giving their tickets to some one else then saying they forgot their tickets. Also it will be a convenience to the gate-keepers and to students.

But, on the other hand, it will not be possible to transfer the ticket under the new system. Since the student is forced to buy a ticket whether he wants to or not, it seems fair that he should be permitted to give it to some one if he desires. On the other hand it would seem that the special advantage granted the student should not be transferable. However, this question should be decided by the student body itself. As to the matter of forgetting tickets, no one forgets his ticket to the opera house, so why can't the students bring their tickets to college activities?

It was at first decided to bring the matter to the Student Body and let them vote, but since most of the activities are over for the year, it seems best to let the new system stand until the end of this school year to give it a fair trial, and then decide as to the best course for another year.

Resolutions

We, the Young Men's Christian Association of McPherson College, assembled in joint discussion group, have, after deliberate and serious consideration of the issues involved, come to certain definite conclusions which we desire to place on permanent record. We have concluded: That war as a means of settling disputes among men is fundamentally wrong, in principle and in its causes and results; that war is never justifiable because it invariably fails to settle the issues ostensibly involved; that war is contrary to the teachings of Christ; and that to engage in war is not true patriotism, since we, by so participating, lend our efforts to a cause which is detrimental to a country's welfare. We have further agreed to go on record as opposing war by promoting an active peace program in the colleges of our State and Nation in all ways and through all avenues available.

Go On Grinning

If you sub it on the sidelines Sully blinking gloomy glimmers While the team goes to the bows wows on the run. Why cultivate the wide lines. Of your brow and worry thinner, Thus to shoo away your virtues one by one?

If you burn the midnight juice to Score a B, though study leeches Copy from your notes and ring the A.

Do not pour—there is no use to Do not tear your hair—nor breeches; Just remember every Brno has his day.

If you think you are a Jupiter To outshine every comer Though you're not, 'tis better that you hit the spot; But while you whoop it to 'er Fall and winter, spring and summer. If you're good some day the world will find it out.

Lovely Advise

Love yourself—if nobody else will do it for you. Love yourself—and nobody else will do it for you. Don't love yourself—and somebody else will do it for you. Sincerely!

She can hike from Maine to Texas, Take a twelve pound pack along— But she cannot wash the dishes 'Cause her arches aren't strong. Jobslightly—Jack.

WHAT THE UNDERGRAD READS

What does the undergraduate read? From Columbia, Ohio State University, Bryn Mawr and Harvard come statistical reports on the mental extra-curricular pulchum of the college man and woman.

Columbia University—Within a few hundred feet of the great Library which shelters a world famous collection of 890,000 volumes under a tower of masonry, Spectator discovers that a campus supply newsdealer disposes of more than 600 copies of True Story, while he finds it unprofitable to keep a single copy of the Bookman. While 150 people walk out of a certain bookstore, near the campus with Snappy Stories, Adventure, etc., but 75 purchase "Intellectual" magazines. It is interesting to note that among the latter class the "American Mercury" ranks first, two times ahead of publications similar to the Dial, and the Atlantic Monthly comes second.

Ohio State University—Among the magazines; the lightest and shortest stories are most popular with the students. Movie magazine, humorous publications, and fashion papers have good sale. Among the books; readers of Gene Stratton Porter, Rex Beach and Zane Grey are dwindling. Students are now asking for Percy Marks, author of "The Plastic Age" and Homer Croy's "West of the Water Tower!" Two bestsellers report that two-thirds of the mystery stories sold are bought by professors.

Bryn Mawr—Editors of College News once set about gathering statistics on what the college girls read. The results show an extraordinary catholicity of taste. One library consisted simply of Plato, Juergen and Corsett. Another, arranged according to size brought, "The Decline of the Roman Empire, Ulysses (Joyce's not Homer's) and the Bible late friendly proximity." Editors conclude, . . . that the literary taste of contemporary scholars may be casual but it has never been versatile.

Harvard—Even Mac Intyre Jr., proprietor of the Community Bookshop, reports a great interest in

"Modern sophistesses, Meucken, Nathan, Van Vechten, Machen, Dreiser and others. Biographies, "Outlines" of everything under the sun and books written by undergraduates and men recently out of College, also are in great demand."

Concludes Mr. Mac Intyre, "what does the undergraduate read? He reads everything and anything, but he burns midnight mazda, tears his clothes, his hair and his dictionary while deeply immersed in the subtle fascination of "The Cross-Word Puzzle Book."

NEW BOOKS IN LIBRARY

Mrs. C. M. Beachy of Wichita has presented the Carnegie Library with five new books:

Pondick: The Modern Use of the Bible
Harlow: Jesus the Man.
Gordon: Aspects of the Infinite Mystery.

Ellwood: The Reconstruction of Religion.
Sampson: The Songs of the Beginning.

The peace committee of the Friends of Philadelphia presented the Library with a book entitled A Gate Way to Good Will. This book contains a collection of plays, short stories, poems and prayers about peace.

Prof. W. O. Mischoff presented the Library with two books. Development of American Nationality by Fish and The Teaching of History in Junior and Senior High Schools by Tryon.

Smile a While

The name of the accused was Gunn. "And what is the charge?" inquired the magistrate.

"That Gunn was loaded with drink, your worship," answered the constable.

"I wish to be let off, sir," pleaded the wretched man.

"Gunn, you are discharged," the magistrate told him.

And the report was in the papers the next day.

The old gentleman was a trifle bewildered at the elaborate wedding.

"Are you the groom?" he asked a melancholy-looking man.

"No, sir," the young man replied, "I was eliminated in the preliminary tryouts."

"We had a contest to decide the prettiest girl in our class of 400."

"How did it turn out?"
"One girl got two votes."

"Is this letter from your son at college? How short it is."
"Yes, so is my son; that's why he wrote it."

FRESHMAN COMMISSION DOING EXTENSION WORK

The Freshman Commission of the Y. M. C. A. presented a program before the McPherson H. Y. at the Senior High School this morning. Several short talks and selections of music were given. Programs at other high schools in the adjacent territory are being planned. The three-fold purpose of these programs is to render service to the H. Y. associations, to encourage attendance at college and to link prospective students with the college Y. M. C. A.

Speaking of Mistakes—a Printer Has No Monopoly

The Glenn Elder Sentinel showing a bit of the human quality contains this retort:
 "We made a mistake in last week's issue of the Sentinel. A good subscriber told us about it. The same day there was a letter in our postoffice box that didn't belong to us. We called for 98 over the telephone and got 198. We asked for a spool of No. 50 thread and when we got home found it was No. 60. The train was reported thirty minutes late. We arrived at the station twenty minutes after train time, and the train was gone. We got our milk bill, and there was a mistake of ten cents in our favor. We felt sick, and the doctor said we were eating too much meat. We hadn't tasted meat for two months. The garage man said the jitney was missing because it needed a new timer. We cleaned a spark plug, and it's running fine as ever. Yes, we made a mistake in last week's issue of this paper."
 If the editor had been a college student he would have extended the list of mistakes to include quiz papers, assignments, hours for affairs to begin, and possibly even data given to reporters by the persons interviewed.

TWO GAMES REMAIN FOR MISHLER'S CREW

Bulldogs Go to Bethel Friday and to Emporia Teachers Monday

Friday Mishler's crew of cagers go to Newton, there to battle with the Mennonites. Although the Canines were defeated by the Bethel quiet on their own court, they are promising to make it interesting for their hosts at Newton. Mishler seems to have found his right combination in Groves at center and Showalter and Hill at forward. To keep a midway standing the Bulldogs will have to subdue the ambitious Bethel team, and the Emporia Teachers the following Monday.

In the Emporia Teachers, the Bulldogs are running up against one of the strongest teams in the conference. The Teachers started their season with good prospects for another championship, but their work does not seem to be on a par with that of last year. With a determined spirit, and an undaunted will the Canine crew should not run against a stone wall, even when they meet this group of veterans.

DOGS HIT OLD STRIDE —DROP FIRST GAME AND TAKE OTHER TWO

spectators. So it was Thursday evening. With both bands of rooters helping their utmost and both teams fighting to win, the first half was an exhibition of whirlwind basketball by both teams, but, with Show leading, the Canines caged too many ringers and the score at the intermission was 29-10 for McPherson. The second half was slower on the part of the Dogs and the game was somewhat closer the last half, Betnany ringing up 21 points while the Bulldogs were making 11 but the final whistle showed them with a substantial lead in the 40-31 count. Showalter and Eakes were outstanding in this game. Show making 11 points and Moffat 9. Groves and Crumpacker played their usual brilliant offense and consistent defense. Hill played a splendid defensive game and on the offense, beside playing fine teamwork, he scored an unusual number of times.

With the last ten minutes of the Bulldog-Quaker game to play and the score tied at 23, the wearers of the Red and White began to find the basket and piled up a nice lead with which to clinch the second game with the Wichita school. The game ended with the score 43-24. Groves was outstanding for the Bulldogs, making 8 field goals without a single foul. Showalter also did some nice work and succeeded in caging 5 before he had to retire from the contest.

WOMEN'S INTRAMURAL TOURNNEY UNDER WAY

Jolly Janes and Flying Dutchmen Hand Defeat to Kampus Katz

The girls' intramural tournament started last week when the Jolly Janes defeated the Kampus Katz Wednesday, 18-12 in a hard-fought rough game. Friday the Kampus Katz took their second defeat from the Flying Dutchmen by a one-point margin, the score being 11-10. Both teams seemed unable to hit the basket and this with good defensive work kept the score down.

The superior goal shooting of the Jolly Jane forwards, Anna Mae Strickler and Frances Temple backed by the centers, Clarissa Evans, who had the advantage in height, and Edna Dunham, by her speed and flight, was largely responsible for the first victory. Lucile Paul did her part in spoiling the opportunity of the Kampus Katz to score.

The Kampus Katz, although defeated twice, have a fighting team. Goldie Vickers was high point player in both games. Laura McGaffey, although handicapped in height, played a good game at center both nights and Anna Mae Edgecomb played an exceptionally good game at guard in the last game.

The Flying Dutchmen won their game by one point from the fighting Kampus Katz. Lois Myers did good work at forward, making nine out of the eleven points. Laura Hamann, center and Mary B. Swope, guard, each played a good clean game. Viola Bowser substituting for Leola Ellwood showed that she could hold down a forward.

Tonight at 6:30 will see either the Flying Dutchmen or the Jolly Janes fall from the winning column.

MOFFAT EAKES
Guard

Moffat Eakes, a sophomore, is playing his second season at guard on the Bulldog quintet. He is a strong factor of the Canine defense and as the Swedes found, he is a dangerous man when he gets the ball within range of the scoring ring. His nine points Thursday were just what it took to "Beat the Swedes".
