

STUDENT SECRETARY AND PRESIDENT DOTY OUTLINE "Y" PROGRAM

Work of State Student Council
Is Discussed.

NEW PROJECT IS PLANNED

Local Freshman Commission Is Organized To Carry Hi-Y Work Into College

William E. Sprenger, state student secretary of the Kansas Y. M. C. A. was a visitor on the local campus several days last week, his mission being to co-operate with the local leaders in making and investigating plans for the "Y" here and throughout the state.

Compliments Doty

Mr. Sprenger made a strong appeal for the support of the Y. M. C. A. by each college man Thursday morning in Chapel. He congratulated M. C. in having LeRoy Doty, president of the State Student Council, the man with the highest office in the state Y. M. C. A. and spoke highly of Mr. Doty's work and qualifications.

Plans Freshman Commission

While here Mr. Sprenger supervised the drawing of plans for a local Freshman Commission, a relatively new project which the college Y. M. C. A.'s are endeavoring to establish throughout the country. In establishing a Freshman Commission the Y. M. C. A. seeks to provide for the continuity of the Hi-Y work and also to get the lower classmen interested in and acquainted with the college Y. M. C. A. and thus more adequately prepare them for leadership in the college branch of the organization.

Discussion Groups Formed

The formation of discussion groups and plans for forums also took part of Mr. Sprenger's time while he was here. Some of the inter-racial questions of colleges and cities and campus problems will be discussed. It is hoped that in such groups student opinion will be expressed and active thinking stimulated which will lead the participants to arrive at the truth.

Plans for the State Student Council's program for the year, 1924-1925 were also discussed and formulated by Mr. Sprenger and Mr. Doty.

EXCEPTIONAL TALENT IS SHOWN IN FIRST RECITAL

Exclusive Musical Program Is Given by Students in Fine Arts Department

The first student recital of the year composed entirely of musical numbers, was held in the Chapel auditorium November 3 after the evening revival service. Every year the department of the fine arts gives a number of recitals which are always good and much enjoyed.

Every number on the program was of excellent quality. The first number was a violin solo by Willetta Durst. The expression and fullness of tone of Miss Durst's playing was exceptionally good.

Eva Mae Lingle played two piano solos with rare ability, showing remarkable technique and interpretation. Bernice Peck also played two piano solos with daintiness of touch and expression. The playing of "May Night" and "Scherzo C Sharp Minor" by Hazel Scott was much appreciated, not only for the beauty of

ALUMNI ASSOCIATION LOCATED

Headquarter for the Alumni Association will henceforth be in the northwest room of the basement in Sharp Administration Building according to a grant by the Board of Trustees who are to have the room painted and repapered for the Association. The Association will equip and furnish it for permanent Alumni headquarters.

COLUMNISTS WANTED!

"THE NEW STUDENT" is looking for guest conductors. No, not to lead Paul Whiteman's jazz band or the New York Phil-harmonic Orchestra. THE NEW STUDENT is going to run a national college column of witty and satirical paragraphs either in prose or verse.

If you can lasso a swift and penetrating epigram as easily as you can a damsel for the next dance — if you can weave a rollicking bit of verse as easily as you can weave an excuse for your last week's cut — if you can string an idea till it glitters like a rope of pearls, as deftly as you can string your landlady along for your back rent — them by all means send in your contributions to the editor of your college paper."

So runs a letter just received from the New Student, which plans to run a column allotted to a different college each week, bearing the name of the contributing college paper. Columnists must be made before December 15 if The Spectator is to contribute. Interested persons are to consult the editor of The Spectator for further details. This is a chance to give M. C. publicity in this widely known student magazine.

McPHERSON ORATORS SOON TO BE IN ACTION

Association Plans To Conduct Old Line Contest January 5

McPherson orators will soon get into action. On January 5 the local contest to determine who will represent McPherson College in competition with thirteen other colleges of Kansas in the Old Line Oratorical contest will take place.

Any college student under twenty-seven years of age is eligible to enter this contest. The orations may be two thousand words in length and may be on any subject.

The Old Line Oratorical contest is a national contest. The orations of the state contest are judged on thought and composition and the six best orations are chosen for delivery. The winner of the state contest takes part in the district and the three orators of the district represent the district in the national contest to be held at Chicago.

Local prizes will probably be given and any student wishing to enter the contest may do so by registering with Kenneth Rock, president of the local Oratorical Association; Prof. Maurice A. Hess or Miss Celesta Wine.

A Bulldog Tells Why He Belongs to the Best Team in the World

Why was it that August San Roman, at the dorm supper Wednesday night, October 29, said in his speech, "I think that McPherson College has the best football team in the world?"

Here is why —

Over in the wilds of Missouri, close to a little town by the name of Leeton (or was it Plattsburg?), there was an old man who owned a horse about fourteen years old and her front knees sorter knocked together and she had the spring halt in the left hind leg and was blind in one eye and couldn't see any too well over the other. And she was fat and lazy because this man didn't use her except to drive to the village once a week in an old rattle trap buckboard to get a pound of coffee and a sack of flour and so forth. Well, one time when he was in the village he saw a notice about a trotting meeting to be held at the fair grounds a week later. So all the way home that day he talked it

ASSOCIATIONS ASSISTING

Daily Prayer Meetings Are Held Under Auspices of Christian Associations

The revival meetings in progress with the Rev. M. Clyde Horst as evangelist have been well attended and have steadily grown in interest. The Reverend Horst is a forceful, convincing speaker, full of his message, which he presents in an interesting and pleasing manner.

Discusses Various Themes

Some of the themes discussed the past week were: "The Sinfulness of Sin," "Regeneration," "The New Faith," "Elements of a Saving Confession" and "The Baptismal Covenant and the Victorious Life." These messages have been a challenge to every Christian worker to the task before him.

The Y. M. C. A., Y. W. C. A. and the Mission Band have been co-operating with the evangelist in conducting daily prayer meetings which have aided the work and added to the interest.

This Week's Sermons Announced

Tomorrow the theme will be "The Value of the Man" and the discussion will be in keeping with Fathers and Son's Day. A fathers' and sons' banquet will be held immediately following the service. Other themes announced for the week are: "Three Human Characteristics of the Human Life," "What Think Ye of Christ?," "The Case Against the Moral Man," "The Judgment To Come" and "Unpardonable Sins."

The Rev. M. C. Horst will talk on the subject, "The Problems of the Ministry" tomorrow afternoon at 2:30. All are welcome.

ARMISTICE DAY

(Editorial)

Today is the seventh anniversary of Armistice Day, the day when millions of people vowed that they should never see another day of such bloodshed, strife and hatred between nations, the day when many thought that the world had now put an end to autocracy, militarism, international rivalry and intrigue, that the millennium of peace and good will was beginning on earth.

We are no nearer a solution of our problems than we were six years ago, or before the war began. Democracy is still only an ideal for most countries. The war did not accomplish that for which people thought they were fighting. Another war will not accomplish it. Force does not bring good will between nations. That can only be brought about through a clearer understanding of each other which will displace selfish by altruistic motives, inculcating the spirit of brotherhood between all people.

We can make our contribution toward that ideal by bringing about that spirit in M. C. from where it will spread over our nation and finally into the uttermost parts of the world.

TODAY BULLDOGS AND TERRIBLE SWEDES MIX

Season's Classic Will be Argued to a Finish on Local Gridiron

Today the classic of the football season will be argued to a finish on the local gridiron between the Terrible Swedes of Lindsborg and the McPherson College Bulldogs. The game is called at 2:30 p. m. This will be the last chance to see the Bulldogs in action on the home field.

Never were the Bulldogs in better shape for this annual clash than they are today. It is said that the Swedes are bringing a "doped" team but a Swede-Bulldog game is never won by dope. It is won by the fighting Bulldog spirit that whipped Bethel and that same spirit will be greatly in evidence today. Last year the Bulldogs beat the Swedes and the Swede Jinx of "Bethany Wins." The Bulldogs are going in to win today with their branded slogan "BEAT THE SWEDES." To the local team this is a supreme moment in THE supreme cause. The team, the faculty, the students, and the town are ready and eager to play and witness the greatest gridiron contest of the season.

Keep the Swede Jinx Down!

BULLDOGS COME BACK AFTER FIRST QUARTER AND VANQUISH BETHEL

After a Slow Start, Canines Show Fight.

FINAL SCORE IS 20-6

Newton Team Scores in First Quarter but Bulldogs Turn the Tide

After a slow start, the Bulldogs proved to be the favorites by a 20-6 margin against the Bethel eleven on the local gridiron Thursday afternoon. The Newton team showed its best brand of ball during the first five minutes of play. By a line plunge and a pass Spangler to Buller, Bethel put the ball over for a touchdown after McPherson lost the ball on the 22-yard line. After Bethel's touchdown the Bulldogs came back strong and scored a touchdown in each of the final three quarters.

Bulldogs Get One Point Lead

The Canines first touchdown came after a series of line smashes and end runs. Barton carried the ball over and kicked goal riving the Bulldogs a one-point lead over Bethel. The half ended with McPherson in possession of the ball near the middle of the field.

Passes Used to Good Advantage

During the second half the Bulldogs piled up a big yardage from scrimmage. Mishler's forward line tore great holes in Bethel's defensive line and the backfield repeatedly made their first downs which were turned into touchdowns for the local eleven. Passes were used to good advantage by the Canines, six of which went for a total of 85 yards. Fumbles prevented the Bulldogs from scoring further. However, the locals showed much improvement over previous games.

Bethel Men Show up Well

Bethel has some mighty good material in Buller, Pankratz, Kaufman, and Krebbel. Buller at end caught the pass that resulted in Bethel's only touchdown. Pankratz and Kaufman are two big tackles that fought hard checked the McPherson offensive. Krebbel at right half

PERSONNEL OF DEBATE TEAM STILL UNCERTAIN

Close Race Promised With Nineteen Able Contestants Bidding for Places

As the time approaches for this year's debate tryout, especially prominent is the feeling of uncertainty as to the personnel of McPherson College's debate team. The tryout, by which this team is to be selected, will be held in the college Chapel, November 20, at 7:00 p. m. Five members of the faculty will act as the judges.

Everything, including the large number of contestants, indicates a very close and spirited contest. Those who intend to try for a place on the team are as follows: Fay Bailey, Grace Cochran, LeRoy Doty, Horner Eby, Floyd Kurtz, Paul Kurtz, Harry Lehman, Harvey Lehman, John Lehman, Anna Longel, Charles Lengel, Mildred Libby, Samuel Mohler, Fred Naff, A. L. Patrick, Elvis Prather, Kenneth Rock; Harold Rodabaugh, Vivian Spilman.

LINDSEY LECTURE POSTPONED

The lecture by Judge Ben S. Lindsey, which was scheduled to be given tomorrow night at the Opera House as the second number on the Iycaun course, has been indefinitely postponed because of business making it necessary for the Judge to remain in Denver.

Traveling man — Hey! Central you're cut me off here.
Boston Central — Certainly. You must not use a collective noun as the subject of a plural verb on this line.

"Are you sure that he loves you and you alone?"
"O yes; more than at any other time."

A teacher had told the class the story of Abraham's entertaining angels unaware, but suspecting that the word "unaware" was not understood by all asked its meaning, whereupon a little girl gave this definition: "It's the thing that you wear next to your skin."

She — You must give up smoking - it's a bad habit for the heart.
He — Yes, and I must give up moonlight on the water, too - that's worse.

"Why those tears?" asked the farmer of the lifted man.
"Sympathy" replied the latter, "sympathy for the weeping willow over yonder."

An absent-minded divine once inquired of a parishoner: "And how is your wife?" "I regret to say", replied the other, "that I am as yet unmarried."
"Ah, how pleasant that is," mused the clergyman. "I take it that your wife is single, too."

"What alls the cows?" the curate said. "Alas, sir and alack!"
She stepped upon a cowslip sir, and fell and hurt her back."

Paragraph of a boy's letter written from the farm:
"We are having a dandy time. We dug a woodchuck out of his hole yesterday; it was a skunk. We slept in the barn last night."

GYMNASIUM BEING PUT IN FIRST CLASS SHAPE

New Apparatus Purchased — More Showers Installed — Repairs Being Made

"The gymnasium," says Prof. J. J. Yoder, business manager of the College, "will be put in first class shape for indoor athletics." As winter approaches, the Alumni Gymnasium will be used more and more and the management, anticipating the need, have ordered new equipment. Two hundred and fifty dollars worth of new equipment has been ordered, part of which has already arrived. New parallel bars and mats have been secured for the regular and advanced gymnasium classes. In addition, a complete outfit for indoor baseball will be purchased.

Numerous repairs have also been made. New showers have been installed and linoleum laid in the women's section. The roof has been repainted and the floor lines will be repainted soon.

made most of Bethel's yardage in scrimmage.

Showalter Shows Improvement
Glade Fisher played his first game at end and made a creditable showing. The Keim brothers at tackles did some mighty good line work. Morine played well at tackle. In the backfield Showalter and Hahn made consistent gains. Showalter repeatedly twisted and sidestepped for extra yards. His playing was far superior in this game to his early season's work. Hahn drove through the Bethel line repeatedly for big gains. Paul Kurtz did not play because of slight injuries but will be in good shape for the next game.

Referee—Cochrane, (K. C.); Umpire—Phipps, (K. S. N.); Headlinesman—Liston, (Baker).

WITH THE BULLDOGS

Owens, guard on the Bulldog eleven has more than proved his worth with the local team this season. This is his sixth year of football, having four years of high school playing to his credit and one year with the Freshmen of the University of Idaho. His work in the Hays game was outstanding.

"Big Jim" Olin Ellwood is playing his second season with the Bulldogs. He is a fast, aggressive end and is dangerous on the end of a pass. In spite of early season injuries he is playing a great game for the Bulldogs. The Swedes will have a hard time getting around his end today.

"Peanuts" Morine will get his second letter this year. He has been in every game and can be depended upon to take care of his position at guard. He weighs 175 pounds and will be a mainstay in the line next year. He is a former McPHERSON high school gridster.

"STAN" KEIM
Tackle

"Stan" Keim, tackle, is considered the hardest fighter on the team. He is fast and shifty and has a habit of spoiling plays before they are fairly started. He will be a big factor against the Swedes today and will give his best against them. He has played tackle for four years on the local team. He knows the game as well as any man on the team and will leave a vacancy on the team that will be hard to fill. He is a senior.
