## *In Memory of Frank Forney*

Memories of Frank W. Forney, "Uncle Frank," as he was known by McPherson College students during his thirty-three years as superintendent of building and grounds, are those of one who served and loved college students.

Uncle Frank died February 24 at the age of 74 and his memorial service was held in the college church February 28. He had retired from active service on July 1, 1952.

Much of Uncle Frank's work was taken for granted as it was done so regularly, so repeatedly, so unceasingly. His interest was in the welfare of the college students and the ongoing life of college.

Forney Heating Plant, erected in 1940, is a symbol of Uncle Frank's concern for the physical comfort of the students and is a tribute to a life given for others.

## *"Woody" Moves On*

Coach Chalmers "Woody" Woodard leaves McPherson College this spring after three years here to go to Southern Methodist University; but he leaves at McPherson a revitalized athletic department, athletes who remember his stress on teamwork rather than individual stars, and a student body and faculty who are thankful for the privilege of knowing a man who could combine excellent coaching with high moral standards.

## Greetings From Our President

McPherson College is known as The Friendly School. Our friends who come to visit us, whether they are from Kansas, Pennsylvania, California, Iowa, Japan, Palestine, Africa, or Samoa say that McPherson students are pleasant, friendly people to meet.

After students from all of those places, and many more, live here awhile they say, "Behold we have become a family! Language, state, national, denominational boundaries no longer matter. We have a sense of belonging together!"

The McPherson family, faculty and students, send greetings to any who will examine this Quadrangle. Look at our activities, meet our faculty and student body, examine our classrooms, dormitories, and playing fields. Learn all you can about us.

We invite you to come and visit us at any time or to come and be a part of us and add to our friendly good cheer.

## *Sharp Hall*

**SHARP HALL**, with its creaking steps and floors worn smooth by the passing of many hurrying feet, occupies a warm spot in our care-free school days. In it are housed the central office, the administrative offices, the business office, as well as classrooms and our all important chapel.

Old Sharp has become a deeply revered landmark to all who have become a part of our institution.

**HARNLY HALL**, a building of many activities. Musical notes float out its upper story windows; curious preserved animals can be witnessed in the biological department on third floor; mouth watering aromas drift from second floor food laboratories; and varied chemical odors generate from the science department on first floor. In the evening the friendly lamp-like lights on either side of the front entrance send out a warm glow of welcome to those enrolled in night school.

**FRANTZ INDUSTRIAL ARTS BUILDING AND DELL LABORATORY** . . . The whirl of saws, the pounding of hammers, the echo of clanging metal, the snapping of a welding torch, and the last touch of the brush to a picture depicts the activity which might be observed if you ventured into the Frantz Industrial Arts Building and Dell Laboratory on a busy school day. One of the newer buildings on the campus, it holds an art of man forever old, that of working with his hands.

## *Beeghly Library*

**THE BEEGHLY LIBRARY**, a recently remodeled building contains an excellent selection of books which aid us as we nurse our academic goals. The silence of this quiet sanctuary is sometimes interrupted by the muffled laughter of a group of students; yet we all, faculty and students alike, find the library an ideal atmosphere for efficient study. The modern furniture, the excellent lighting facilities, and the efficient librarian with her capable assistant help to make the many hours spent here pleasant and enjoyable.

## *Gymnasium*

**THE PHYSICAL EDUCATION BUILDING** is the scene of many thrill packed moments for the students. These moments come through the intramural program, the physical education classes, the entertaining games played in the game room, and the practice of the varsity athletics. The gym is also used by many students for all-school parties and smaller get togethers.

## *Forney Heating Plant*

**FORNEY HEATING PLANT** is the smallest, but in no way the least of the buildings on our campus. This building is one of the newer buildings, being built in honor of Frank Forney. Besides sending heat to all the buildings on the campus and to our rooms to keep our toes from freezing on cold, snowy winter days, the students also find the facilities in this building to do their weekly wash.

## *Arnold Hall*

**ARNOLD HALL** . . . a dash of perfume, . . . a sprinkle of laughter, . . . a swish of skirts, . . . and a gay 'Hello' — Arnold Hall echoing with the footsteps and feminine personalities of many years, holding out open arms to all who enter, as a kind old lady—beginning to show the signs of age, but still sharing with warmth and happiness to those within its walls.

**Sid Bacon Motor Co.**

## *Fahnestock Hall*

**FAHNESTOCK HALL** . . . This building is the pride and joy of Maccollege boys, the envy of McPherson girls. Comfortable abode of some of our male students, this dormitory is scarcely a decade in age. Every year the number who wish to live in the dormitory exceeds those who are enabled to become its residents, indicating the lack of rooming space on McPherson campus. These walls have heard many a bull session, seen many a prank, and felt many an antic which indicate the presence of active fellows.

## *College Courts*

**THE COLLEGE COURTS** is the new name given to the homes which serve as housing units for several married couples and their families, and also for many fellows who do not live in the dormitory. ## W. A. A.

The Women's Athletic Association is an active women's sports club, which supports the high ideals of participation in active sports for the maintenance of a healthful body. Letters can be earned by participating in the various sports throughout the school year. The addition of the Sun Warner indicates progress to the building of the concession stand last year. W. A. A. members were active in both the crowning of the Homecoming Queen and the Homecoming Parade. The formal banquet held each spring is looked to with enthusiasm by the members. Betty Jo Baker is president of the organization this year.

## Girls' Varsity

The Girls' Varsity Basketball team ended its 1952-1953 season with seven wins and one loss. This is one of the best records that the girls have had in several years. One of the highlights of the season was the winning of a first place basketball trophy at the annual sports day at Mass Mount College in Salina. The rosemaiden for this season were Rowena Merkey and Kathi McLeod. Arlene Merkey, a freshman from Chytson, Kansas, was high scorer for the season with 71 points.

## Student Court

This organization for the third year meets to solve the minor problems brought on by the students themselves. This body of students serves as an indication of self-government for the student body, having taken some of the responsibilities from the faculty. The court consists of a Judge chosen from the senior class, junior and sophomore representatives, and a faculty advisor.

## Student Council

The Student Council, the student governing power of the student body, consists of two representatives from each class, two representatives from extra-curricular activities, three officers and four faculty members. The Student Council supervises and maintains the Dodgehouse and S. U. R., and administers the Growth, Spectator, and Quadrangle publications.

The Women's Council, Pauline Hess as president, Marilee Grove as vice president, Ruth Papa as secretary, and Ruth Papa as treasurer, work together for the welfare of the school and the interests of women students. The council personnel is composed of students who are appointed by the sponsor. Many activities of the group include decorations for the Queen's Pageant, publishing the Tri-Sigma Page, and sponsoring a tea in the fall, and Heart Sate-week in February.

## Rec Council

The members of Rec Council are students who have expressed a desire to develop their leadership ability in the form of recreation and were chosen according to their qualifications. This organization is called upon to direct recreation for various parties on the campus. Rec Council has regular meetings once a week and enjoy games, discussions, and singing.

The Student Minister Organization of McPherson College is composed of men who are interested in discussing problems relating to the ministerial field. The group meets every other Tuesday night, having guest-speakers or discussion groups as the program. With the aid of the Steering Committee Walter Blough fulfilled the position as chairman of the group while Dr. Darrou Metzler served as the groups advisor.

## UNESCO S. C. A. Cabinet

Two combined organizations, the Student Christian Association — led by co-chairman LaVon Wislegren and Don Fike — and UNESCO, Bob Powell, president, provide McPherson students with an environment of spiritual growth and better understanding of world problems. The SCA holds weekly Thursday night meetings which consist of group discussion, music and outside speakers, and sponsors Monday Chapel. Socially oriented also, SCA sponsors the annual watermelon feed, Sable Hawkins Day, the All School Christmas candle and the WSSP auction.

## C. B. Y. F. Cabinet

The College CBYF is another group which aids in leading vital the spiritual life of Macneil College students. Many Sunday evenings have been spent together in fun and fellowship varying from progressive walks to painting toys for underprivileged children.

Seated: Bob Powell, Veva Wagner, Shirley Coppock.  
Standing: Dean Ncher.

First Row: Shiris Alexander, Joan Kelm, Virginia Reisi, Kathleen Russell, Donna Kautman.  
Second Row: Geraldine Goering, Phyllis Kingery, Betty Brammell, Shirley Hamilton, Anita Rogers, Howard Melhinger.

## Doghouse

The Dog House is a snack bar which is maintained under the supervision of the Student Council and is open at specified hours to sell "goodies" to the students. Howard Melhinger has served as manager for the dog house this year.

## M. C. A. C.

M. C. A. C., the McPherson College Agricultural Club is composed of those students who are interested in agriculture and rural life and who can have an opportunity to work on projects not found in their academic work. Films, color slides, and outside speakers create an added interest in the course of the club. Each spring the M. C. A. C. sponsors a picnic for themselves and their friends.

## Concert Band

Practicing in the S. A. R. for the first time under the apt direction of Professor Paul Sullenberger the Concert Band prepared two chapel programs and a formal spring concert. Among this combination of instrumentalists is the bagpipe-arking pep band which provided typical noise to encourage cheer for a victorious football season.

## Pep Club

The Pep Club, of which Rowena Merkey served as President this year, is a nucleus for the enthusiasm and school spirit which sustained our team to victory this year. Last year's object of laying a new score chalk and board for the football field was completed. The girls were responsible for selling concessions at the Basketball games, handing out programs, and giving remarks at Pep Assemblies.

## "M" Club

The "M" Club is composed of male athletes who have won and earned a letter. These men have won recognition through hours of strenuous exercise, long practice, and work. Howard Melhinger, president; Frank Hanaganic, vice-president; and Keith Rickner, secretary-treasurer are this year's officers. Some activities which the club sponsored were the Penny Carnival, the "M" Club Luncheon, invitations, and the formal spring banquet.

## Cheer Leaders

Bob Wilson

Lu Carpenter

To lead the cheers for a Conference Championship team is a rare privilege and these lucky foursters were the ones to do it. But they didn't do it all, without the help from the student body things would have been quieter. It has been a good year and the cheerleaders did their best by supplying sportsmanship and pep for our winning teams.

Each one of these have put away his costume with memories that will live forever.

## Players' Club

The official McPherson dramas club, sponsored and directed by Mrs. Willbur Yoder, presented two productions this year. "Brazilian Gold," a one act play, was presented in November and was also taken on tour the second week of December in Northern Missouri. In March "The Curious Savage," a three act production by John Patrick, was presented at the Community Building to an audience of approximately 800.

*Stanley's*

This year we had a large group belonging to the Pi Kappa Delta fraternity. The officers are: Pres. Joe Kennedy; V. Pres. Al Zunkel; Sec. Treas. Mary Louise Hutcherson; and Corresponding Secy. Lyla Whitham. We feel that much of the credit and success of this great organization goes to Dr. Hess for his continued interest and support of the fraternity. Dr. Hess has been primarily responsible for repairs and extemporaneous speaking and with his enthusiasm has done an outstanding job in these fields here at McPherson College.

## Debate Squad

Under the guidance of the debate coach, Dean Berkebile the debate teams of 1952-1953 have won a good share of their debates with hard work and enthusiasm. Most of the debaters will tell you that along with the hours of preparation and weak knees, comes fun and much satisfaction. This year the teams have gone to Marshall, Tex., Berkel, Doane, Neb., Lincoln, Neb., Sabon and two teams went to Kalamazoo, Mich. for the National tournament. Our debaters have also been outstanding in oratory and extemporaneous speaking.

*A Cappella Choir*

#### A CAPPELLA CHOIR

The A Cappella Choir, under the direction of Professor Donald Frederick, is composed of thirty-seven select voices. The group met tri-weekly throughout the year and enjoyed singing together. Assisted by the Choral Choir, the orchestra and the dramatics department they presented the light opera "The Mikado."

In addition to this the choir presented the twentieth Annual A Cappella Concert of sacred and secular music including "Our Father Who Art In Heaven", "The Creation," and "Peregrination," sung by a choir including approximately sixty former A Cappella members. In the spring the choir took an extended tour through Oklahoma, Texas, Colorado, and Kansas.

## Chapel Choir

One of the activities of the Chapel Choir is to provide special musical numbers for Chapel periods. Also the choir participated in the opera "The Mikado," which was presented in the fall and took a week's tour in southern Kansas. Miss Doris Coppock is director of the choir.

First Row: Jean Bullard, Barbara Bowman, Notcum Rorer, Galen Sliker, Max Farnley, Harold Patton, Billy Grube, Dale Rorer, Evelyn Holsbaker, Dorothy Nicholson, Essler Ikenberry.

## College Church Choir

The McPherson First Church of the Reformed and Pastor Harry K. Zeller, Jr. as do the other churches in the city welcome MacCollege students to participate in their religious worship services. The College Church Choir as its name suggests, is composed of college students interested in singing church hymns and anthems. It is directed by Prof. Donald Frederick. It helps to make the students feel at home in their college church.

LaFameth Hubbard, Margaret Baile, Elsa Kurtz,  
Shirley Coppock, accompanist.

## Ladies' Trio

The strains of Noble Cain's "O Sing Your Songs" identifies this year's College Ladies' Trio, who with their accompanist hail from four different states. This group sang their way from local programs, reputation work, youth rallies through their spring tour to Northern Iowa and Minnesota, with programs of sacred and secular music. Proof of their singing enjoyment is evidenced in their cheery smiles and enthusiasm both while practicing and performing.

Florence Hale, LaVon Wistegren,  
Elise Kuntley, Petrus Savaget

## Ladies' Quartet

The college ladies' quartet, in their three semesters of singing together, has built up a large and varied repertoire of good music and has achieved a fine quality and blend of voices. They toured Idaho and Western Colorado in the fall of this school year and in the spring they sang in the churches of Montana, North and South Dakota, Minnesota and Nebraska. They gave many programs for clubs, churches and organizations and around McPherson throughout the year. These young ladies will serve the college in the Brethren Youth camps and churches of the Western Region in the summer of '33.

## Men's Octette

Long hours of practice proved to make the male octette a very enjoyable musical contribution to Marsilago and the community. The seven members of the octette and their accompanist were a regular crowd, as they entertained many in church programs, clubs, meetings, banquets and community social functions.

Every Friday noon, a scramble is made for the *Spectator*, and everyone eagerly flips through it to see what the latest news is on Marquette. Under the capable editorship of Lorene Marshall first semester, and Ruth Papa second semester, the *Spect* kept up the highest level of journalistic effort possible. Credit for getting stories written, meeting deadlines, typing, and adding details goes to the staff reporters, copy-readers, circulation managers, as well as many others, and the sponsors: Miss Sarah May Vancil and Gordon Yeager, with Lyla Whitham, business manager, taking care of the financial status of the paper.

## *Coach Chalmer Woodard*

With the resignation of Coach Chalmer "Woody" Woodard, one of the most illustrious periods of McPherson College athletics has come to a close. "Woody's" record, when he arrived at McPherson College, had been nothing short of spectacular, but here he encountered a seemingly insurmountable task.

To say that the change in athletics at McPherson was miraculous would be an understatement. In the fall of 1950, working with a team composed mostly of green freshmen, "Woody" was able to win three games in an eight-game schedule. In basketball that year McPherson won four in the conference and had an overall season's record of eleven wins and nine losses. The track team that year received third place in the conference meet.

The 1951-52 season got off to a fast start as the football team won second place in the conference with a 7-2 record. The basketball squad captured second place, winning sixteen games and losing six. The track team was "Woody's" third team that year to capture a second in the conference.

This fall, the football team won the conference championship for the first time in 30 years and was undefeated in nine games. The basketball team this year again was second in the conference.

"Woody's" new job is head football coach at Southern Methodist University. He assumed that job the first of March and has signed a three-year contract with the college. Included in the teams that SMU will play next year are Kansas University, Georgia Tech, and Notre Dame.

The McPherson College football team this year finished the season undefeated for the first time in McPherson College history with a eight-win, no-loss, and one-tie record. The Bulldogs, under "Woody's" coaching, also won the conference crown for the first time in three decades.

Most of the players were playing under "Woody" for the third season in a row, and the team broke many records. Some of the new records were: most touchdown passes in a game by Wayne Blicken-staff; a total points in a season, 108 by Dwight McSpadden; most yards gained in a season by the team; most points in a season; and most passes intercepted.

As a recognition of the great McPherson team, the following were picked by the coaches of the conference as first team all-conference players: on offense—Eddie Hall and Gene Smith in the backfield; George Keim, Bob Powell, Roland Delay, and Jack Richardson in the line; on defense—John Robinson, Bob Peal, and George Keim. All in all, twenty-one McPherson players were selected by the coaches for some position on the team.

George Keim at tackle and Wayne Blicken-staff at quarterback made honorable mention on the Little All-American.

The new coach, wherever he is, will have most of the football players back next year, since only four players are graduating.

Coch "Woody" Woodard's 1953 Bulldogs captured second place in the Kansas Conference for the second year in a row with a 14-9 season's record and 9-3 conference record. One of the highlights of the season was a 57-49 victory over Colorado State, a school much larger than McPherson.

The team this year had no outstanding player on it, but all of the starting five and most of the bench were capable of scoring points on any given night. As an example of this, seven different McPherson College players were high point men this season. All of these same seven players scored over 100 points.

Wayne Blickenstaff was the leading scorer of the team with 211 points scored on 100 field goals and 96 free throws.

Two seniors made up the starting five. They were Bob Beckel and Frank "Chief" Hanagarne. Both also earned their fourth letter this year.

An early season inability to hit the basket hurt the Bulldogs somewhat as did also a habit of playing one bad quarter among the four of the game. With most of the same players coming back next year, the prospects are for another good season in 1954.

## Track Team

The 1952 version of the McPherson track team under the leadership of Coach "Woody" Woodard enjoyed their most successful season in history as they won five dual meets, two triangular meets, and the Wichita University Freshmen Invitational, and placed second in the conference meet.

The team also made an amazing effort to rewrite completely the McPherson College record books. Dale Carpenter broke three records—the 120-yard high hurdles, which he ran in 15.4; the 220-yard low hurdles covered in the fast time of 24.7; and the broad jump, which he broke in the NAIB tournament with a 22' 9 1/4" jump.

Dave Metzler broke two McPherson records. The first of his records was set in the high jump when he cleared the bar at 6' 3 1/2". Then he went to the NAIB tournament and broke his own half-mile record with a 1:55.8 effort.

John Robison also broke a McPherson College individual record by heaving the shot put 42' 3".

Also five new relay records were set by McPherson College teams. These were: the Mile Relay, a time of 3:30.5 (Carpenter, Miller, Smith, Kerr); the Sprint Medley, a time 3:40.6 (Heidebrecht, Kerr, Carpenter, Metzler); the Distance Medley, a time of 10:57.1 (Kerr, Goodfellow, Bechtel, Metzler); the two-mile relay a time of 8:20.6 (Sharp, Goodfellow, Metzler, Bechtel); and the half-mile relay, a time of 1:33.0 (Carpenter, Miller, Smith, Kerr).

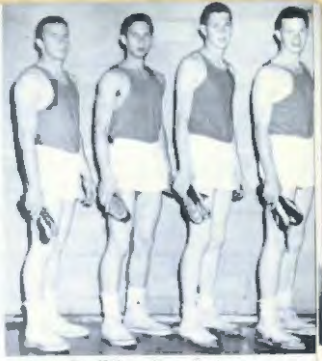

Three of the most valuable runners—Carpenter, Metzler, and Kerr—graduated in the spring. Carpenter and Metzler between them usually added about forty points for the team in each meet.

## Baseball

McPherson College's baseball team for 1952 coached by Dick  
 Wareham, won the Kansas Conference championship in a tournament  
 held on the local diamond. While baseball was not listed as an official  
 conference sport, the teams of the conference that fielded baseball  
 teams met on the local diamond in a tournament; and the Bulldogs  
 came out victorious.

One of the highlights of this season which produced a record of  
 seven wins and six losses, was a victory over the baseball team from  
 Wichita University.

Pinching during the season was superb, with Jack Richardson  
 having an earned run average during the season of less than one per  
 game. He also finished the season with a 3-1 mark. Bill Moore had  
 a 7-2 record, but he always drew the tough games. After the completion  
 of the season Moore signed a contract to play professional  
 baseball.

Tommy O'Dell was the leading hitter for the year with a 288  
 mark. The whole team had trouble during the season with their hitting.  
 Another thing that hurt them was the absence, during the first few  
 games, of "Cluck" Petefish, who was unable to play because of a  
 broken finger.

Gordon Yoder, Bill Frantz, Loren Bickenstaff, Don West, Ralph Royer, Gene Elrod,

## Tennis

McPherson College's 1952 tennis team again showed an improvement over the previous year as they won five matches, lost two, and tied three. Coach Gordon Yoder also piloted them to a respectable place in the conference meet. This was accomplished mainly by the winning of the western playoff doubles by Bill Frantz and Loren Bickenstaff, however, they were later beaten in the conference playoffs.

Coach Yoder had some trouble with sore muscles, developing among some of his players as well as class conflicts with the time scheduled for meets and had to juggle his six available men — Bill Frantz, West, Ralph Royer, Elrod, Loren Bickenstaff, and Himmer — around to fill the four places necessary for every meet.

## Who's Who

These six seniors — Bob Bechtel, Florene Hale, Marilee Grove, Howard Mehlinger, LaVon Widegren, Anita Rogers — are McPherson College's 1953 representatives in Who's Who in American Universities and Colleges. A look at the records of these people tells one that they are among the busiest students on Macampus. Election to this honor is based on scholarship, personality, service contribution to the college, and potential contribution to society after graduation. McPherson College proudly recognizes these six from the student body.

## Dotzour Hall

Through the generosity of Mr. and Mrs. Royet P. Dotzour of Johnson, Kansas, McPherson College will soon have a new girls' dorm, which will provide living quarters for 108 girls. This new dorm will feature a large parlor with a fireplace, apartment for the housekeeper and nurse, large washing and ironing rooms, and a kitchenette for the use of all girls. Large picture windows will provide plenty of sunlight. Arnold Hall has 64 occupants; Dotzour Hall will accommodate 108.

# Home Coming Queen

Rowena Merkey

**People's  
State Bank**

Rowena Merkey, with her bright eyes and quick smile, is well suited for the honor of Homecoming Queen. Queen Rowena was crowned by retiring queen, Anita Rogers, at the Queen's Banquet given in her honor, greeted her subjects from a convertible during the Homecoming Parade, and reigned upon her throne at the Homecoming game. Her attendants were Adalu Carpenter and Norann Royer. Rowena has been a cheerleader and active W. A. A., Girl's Basketball, Recreational Council, Church Choir, and served as president of Pep Club. Her sparkling personality has made her a campus favorite. May your reign be happy, Queen Rowena.

# Intramurals

With Dick Wareham as director of the program the Intramurals again proved an effective way for the students not interested in going out for interscholastic sports to receive some exercise.

The program started out in the fall with volleyball. Because of the intense interest, the teams were split into two leagues this year for the first time. Winner of one league was the team captained by Earl Elliger, while the team captained by Bob Wilson won the other league. There was no playoff between the two leagues.

Boys' Intramural Basketball was for the second year split into two leagues of eight teams each. Winner of the Coastal League was the Vets, and winner of the Central League was Craig's Cadets. As an example of the evenness of most of the competition, every team in both leagues lost at least one game and won at least one game, if one counts the post-season tournament.

The girls also played intramural basketball, with eight teams competing. The team captained by Marjanna Winn won the regular season round robin tournament.
