QUADRANGLE

ONE WORLD, ONE CAMPUS

McPherson College
1600 E. Euclid
McPherson, KS 67460

Enrollment: 426
Mascot: Bulldog
Colors: Cardinal Red and White

Subtle Changes

Reflected New Spirit

Although there were not a lot of immediately visible changes around campus, a closer look revealed some things that set the year apart.

The athletic department gained the experience of seven new coaches, who also served dual roles by filling teaching, training, and resident director positions. In addition, an athletic trainer and fitness room were added.

Enrollment was up, and the freshman class was the largest the school has ever seen.

Perhaps the most remarkable was the renewed school spirit that pervaded everyday events and activities. Campus involvement was noticeably more marked as well. This sense of community was one of the many things that made this year representative of the concept of "One World, One Campus."

President Hoffman and Herb Smith baptize Marcus Nielsen in the Jordan River during the interterm trip to Israel.

Jerry Bowen proudly sports his bathrobe for Homecoming's pajama day while at Mac bowling night.

Friends gather in the Dotzour 1st old bathroom to mourn the death of Debbie Zook's pet fish, Hershel, at his funeral.

While visiting friends in Dotzour Hall, Lance Lugafet pauses to give the camera a big thumbs up.

Karen Walton and Kristin Grimes have a little fun while constructing a loft in their dorm room.

STUDENT LIFE

"Dorm life is a great experience because you're always around your friends and it gives you a chance to do things that you sometimes wouldn't do."

Stasi Zirkel

"The best part about the grocery cart races is decorating the carts beforehand. Unfortunately, I didn't get to decorate one this year."

Barry Kingery

Here is just another classic example of male bonding. Enough said.

HOMECOMING

The World Is Our Home

The Power of One, is the power we have in unity. As a homecoming theme, the Power of One, gave students the power to work together as one team toward a common goal.

The week was marked each day by a subtheme pertaining to the day's activities. Students kicked off the week downtown when the MAC bulldogs, the Central Tigers, and the community came together for a meal and festivities. Each night was filled with things for students to do like late night bowling, water slide baseball tournaments, tug-o-wars, grocery cart racing, and powderpuff football games.

The week came to a climax on Friday night when students used their voices to show their spirit, and nearly shook down the Sports Center. The cheerleaders and dance team gave performances and the coaches gave speeches filled with enthusiasm and high hopes for the following day's games. The Sophomores were named most spirited with the Freshman class taking a close second.

Saturday's activities began with the Walk-Run-Ride, Activities Fair and Men's and Women's Soccer games. The highlight of the day was the crowning of King and Queen, Wallace Moore and Shannon Peters, at the Homecoming football game. That evening McPherson College theatre alumni put on the Agatha Christie production of "The Hollow". The Homecoming dance concluded the day's activities.

Overall, the Homecoming week's activities formed a union between the past and present of McPherson College. We proved to ourselves and those around us that through the Power of One we can accomplish anything.

-Mysty Rusk Clinage

Kristin Gingrich cuddles her teddy bear on Pajama Day.

Homecoming Candidates: (Row 1) Kandee Krien, Heather Hughbanks, Rahila Miller, Amy Diaz, Shannon Peters; (Row 2) Wallace Moore, Tim Woodcock, Jonathan Coachman, Garth Werner, Nathan Brubaker.

The freshman/sophomore powder puff team watch the end of the soccer game while they wait to take on the junior/senior team.

Steve Zerkel prepares for the ride of his life at the Annual Grocery Cart Race.

What did you think of Homecoming 1993?

"I thought it was great. There was a lot of participation and enthusiasm."

Sarah Adams

"It was a good time shared by all."

Mark Frazier

"I thought there were a lot of fun activities that made it easy for the freshmen to get involved and it made it fun, but the dance should have been in the cafeteria."

Krisin Gingrich

"It was a whole new experience for me and I enjoyed it a lot. It was obvious how important it is to the Americans and it was great to be a part of it."

Nicki Callan

"I think the Toga Party should have been a Homecoming party."

Sean Dell

"I enjoyed the many different activities and the enthusiasm of the campus."

Mia Miller

"I liked the involvement of the students because inthe past not very many people showed up at the dance, and those who did dressed down, like in jeans. This year it really felt like a Homecoming."

Willie Marshall

"It was great. The football game, even though we lost, was exciting."

Jerry Bowen

Wallace Moore and Shannon Peters are crowned King and Queen at the Homecoming football game.

Yolanda Mowrey and Joe DeShazo await the next kiss at the Dance Team's booth.

Amy Barr shows off the painted Fahnestock Homecoming truck.

AND THE WINNER IS...

As a part of the Homecoming week, the faculty and students of McPherson College held a cheering contest for this year's Homecoming mascot. There were many competitors vying for the position of school "Bulldog".

"Sophie" Dodson, a Sheltie, escorted by her owner, Jim Dodson, won the competition and was crowned by Dr. Dale Goldsmith at the Homecoming Convocation.

President Hoffman pauses at the football game to have his picture taken with the Bulldog mascot (Wendy Noyes.)

Michele McMillan stops to talk to Kevin Snyder at the Homecoming Activities Fair.

TRADITIONS

The Ways Of The World

As defined by American Heritage Dictionary, tradition is "the passing down of a culture from generation to generation," but at McPherson College, tradition takes on a more specific role. Here at Mac, we are fortunate to be blessed with many distinct and unusual traditions.

Of all the traditions on campus, our dorm Fahnestock is responsible for many of the more unusual, but entertaining. Each year around Homecoming, one can anticipate 12-20 crazy Fannyites tearing across campus in nothing more than their underwear. The ever exciting Fanny-Run, the most well known of our on-goings, is a tradition that time will never change. Another one of Fanny's traditions is the Toga Party. Although it is one of the students' favorite, this party will be coming to an end due to the persistant visits by the McPherson police.

Metzler also has a few traditions. At least once a week, one can probably find many individuals in the bathroom getting a different hairdo. Sometimes these cuts are odd, but most of the time, it is a chance for guys to receive a free haircut from some of the best barbers around. Next, Metzler men have their Subway runs. On any given night, one can probably see several of the men ordering a sub.

There remains only one more dorm on campus excluding the courts, Dotzour Hall. This is the home of the few and out-numbered females, except for the few that live in the only co-ed dorm, Fanny. Dotzour hasn't practiced any yearly events yet; but with the new and excitable freshwomen, this may be changing.

This brings us to the beany issue that was introduced by Stuco President, Mysty Rusk-Clinage. This event was ironically accepted as a new tradition on campus by all freshmen as a way to meet new people and have some good ole' fashioned fun.

The final tradition is a sport Fanny initiated; and one that has been taken up by many students, Ultimate Frisbee. Hopefully, this will be an intramural sport next year.

That concludes our list of traditions on campus, hopefully we did not miss anything. Mac is full of traditions, and every year the chance to start a new tradition is there. It only takes imagination and the willingness to take a chance.

-Jerry Bowen and Dennis Kingery

Do they look excited to toga or what?

It's sub night, and Nathan Brubaker and Gavin Anderson look hungry!

Barber Garth Werner gives his trusting client Mitch Maestas the sharp new look seen around campus in the second floor bathroom of Metzler Hall while several onlookers try to decide whether they will choose the same fate.

Modeling beanies, the newest look for freshmen on campus during initiation week, are Kim Ebersol, Jenny Stover, and Shelley Cruse.

Mark Frazier and Jason Sumpter battle each other in a game of Ultimate.

Fanny guys stroll by the crowd gathered in front of Dotzour Hall in their unmentionables on their annual run.

The gazebo is at the center of McPherson College life. It is a place to meet friends on the way to class and also a place to congregate for various student activities. The gazebo provided the perfect atmosphere for one such activity. In the wake of several days of campus wide hysteria, over fifty students gathered to "mourn" the loss of a pet pencil named Bic. People not only came because of the loss of Bic, but because they wanted to come together and have fun. Under the glowing warmth of the gazebo, a sense of community and closeness developed for everyone involved.

-Darren Hendricks

STUDYING

A World Of Procrastination

Stephanie Loar reads her assignment carefully, highlighting the main points.

Shannon Martin takes time out from the paper he is working on to pose for a picture.

Kelly Thaxton tries to keep up with her European Literature reading.

Mitch Maestas chooses to tackle his homework in the Metzler 2nd floor lounge.

Heather Healy tries to get motivated to start studying.

Taking a break from a long night of studying, Michelle Skinner and Roger Burton order out for pizza.

WHAT DO MAC COLLEGE STUDENTS DO FOR STUDY BREAKS?

Marc Rittle: I don't take study breaks, I don't study.

Paula Worley: Frisbee.

Myron Stine: I listen to my stereo.

Rahila Miller, Shelley Gibbens and Heather Hughbanks: We dance or jump in puddles.

Jeremy Bernhardt: I go for a drive.

Amy Luebbers: I reunite with Sue and we eat peanut butter.

Kimber McCune: I try to relax by doing something active like take a walk, shoot baskets or talk with friends.

Kristen Cossaart: I visit Kelly Thaxton.

Tiffany Hall: I grab Jennifer Buschbom and we go to Subway.

Pete Petrovski: Get something to eat and drink and listen to my stereo.

Gina Railsback: Play with my Play-Doh and clog in the hall.

Julie Oswald: Spend time with my boyfriend.

Carolyn Martin: Sit in the hallway with the other "hall-bums".

Brian Potenza: Take a nap or watch t.v.

Sue Werner: Play with my rabbit, Disney.

RESIDENCE LIFE

A World Of Diversity

Jason Sumpter and Mark Frazier are looking at the world from a different point of view while Amy Schroeder and Dan Marchewka play innocent.

This year has seen some changes in the residence life program. The most primary change has come in the concern towards security. This year the Resident Assistants are working at the desk areas in the respective residence halls. The shifts begin after the evening meal and run until visitation hours end. The hope is to cover the more peak hours of traffic through the buildings. Staff also act as a source of information as well as providing basic services, such as making change and selling stamps.

In addition there have been a variety of activities offered through the buildings. Over Interterm the staff hosted their own version of the popular TV program, "American Gladiators." The event was held in the large gym of the Sports Center utilizing resources within the facility. A good time was had by all, both the crowd and the participants!

Each hall has seen new staff in the resident director/residence hall advisor positions. Mark and Barbi Harris, with daughter Albi, are in Dotzour Hall. Frank and Mysty Rusk-Clinage are in Fahnestock Hall. Harold Chaney is in Metzler Hall after some rearrangements in the Fall. With the fine leadership of these folks, staff and students have worked together to have fun as well as deal with the daily conflicts that come up in a community living environment.

As you take a walk down the hallways you hear a variety of music styles; and if you peek your head in a room or two, you notice some real class decorating. Yes, even the men know how to make a plain room seem more like a touch of home. Between Intramurals, campus activities, and various other student organizations, as well as class work you can find plenty of things to do on campus. It has been a good year!

Gwen McClenton
Residence Life Director

Are Tammy Kerkove and Jasmine Chen hitting the books or goofing off?

Don't Sarah Adams, Jan Fairchild, Adeola Grillo, Christine Hauschildt, and Kimber McCune look like they love their R.A. jobs?

Izumi Fukuoka, Yolanda Santiago, AmirHajdar, and Renate Hirning enjoy a peaceful evening of soft music in Dotzour lobby.

Kelly Warren, Brian Potenza, Kandee Krein, and Adabel Garza look like they've been up to something.

Relaxing on second floor Fanny is an every day occurance for J.D. Bowman, Tom Suiter, Cameron Muhler, and Jim Garrison.

WHAT IN THE WORLD?

Dear Next Generation,

We just wanted to prove to all of you that we weren't a bunch of psychotic adrenaline junkies looking for the spotlight. It does go deeper than that. As a matter of fact, it even goes deeper than just being stylish or fashionable. It's about expressing our individuality.

Matt Skar said "McPherson College, though small, represents a wide range of ideas from many parts of the world."

But you have to realize how diverse this world really is. Here at Mac we have everything from a philosophical tatoo to the easiest hairstyle in the world. So, is the reaction to such diversity always positive? No.

"It's crazy," said Cameron Mahler. "I think people are too busy trying to be different. They lose themselves in the process."

Other people were apathetic. "It really doesn't even phase me," said Adabel Garza.

The overwhelming majority of students here at Mac are accepting of the eccentricities of others. Wendy Noyes feels that "everybody need to be who they think they are."

So our advice to the next generation is: "Do what you want!" Be trendy or don't be trendy. "The true trend right now is to be as individual as you can be." Mysty Rusk-Clinage remarked. Find out who you are, what you like, and where you are going, then go with it.

Look at these pictures and see where we came from. These are the quirks that have helped to mold our generation and influence yours. Just don't be surprised if it's your mother or father who is intentionally bald, sporting a body piercing, wearing platforms, a dude rag, or any other eccentricity.

When you, our children, come home with that new addition to your appearance, show us this yearbook and remind us that individuality should be respected, and we'll try not to scream!

Erin Cassidente
Carrie Foster

Brian Potenza shows off his "Metzler Salon" haircut and trendy "Fu-Man-Chu."

Wallace Moore puckers his cute lips for the camera while relaxing in his "dude rag."

Is Mark possessed or is it just that snazzy hat?

Erin Cassidente sports her clean-shaven head while getting a breath of fresh air with Emilita Huston and Marc Rittle.

Our fearless leader Heather Hughbanks patrols the area for one of MAC Olympics' exciting games.

MAC OLYMPICS

"Let the games begin" was the cry, so we carried our torches of hope, desire, and pride into battle. Many states and nations were represented, and the players held their heads high as if realizing the significance in their actions. Some say it was all in fun, but is was easy to see that the competitive spirit was alive in each.

The second annual MAC Olympics had begun under the leadership of a man named Clinage, and he was respected and revered by all. In the first event, the great American pastime was given a little twist, and many involved agreed the effect was "dizzying." It gave the teams a whole new concept of getting into the "swing" of things. "Hey, who's the smart guy that said T-ball was easy?"

High-rolling bowlers from each team fastened on those snazzy shoes that can't be found anywhere but those crazy alleys and had a lot of fun knocking things over. What other school can boast, "I went bowling against my whole college?"

To an outsider it might have sounded like several selfish children fighting over a toy, but in this game, shouting "Mine!" is absolutely necessary. It came close to a knock-down and drag-out fight in a couple of the volleys, and the competitive electricity was shocking.

It was time for a good movie to bring a sense of community, so they trudged down to the local theater and tried not to trip on their bell-bottoms or blind anyone with their rainbow tie-dye T-shirts. The movie, popcorn, and candy were good, and so were the students when each person remembered to pick up their wrappers and garbage. A few even cleaned up for those who were born in a barn.

It was an opportunity to "get wet" and "get wild" in water balloon capture the flag, and so they did. To win you must "take people out" and "look really active;" sounds like the "dos" and "don'ts" of dating. With a lot of water, mud, balloons, buckets, and hoola-hoops, you can imagine how hard it was for night class professors to lecture over the screams.

Although Alex was there only in spirit, this evening was the fiercest of the competitions; the total points for every team were in "jeopardy." In the end, the team most likely was not very likely, and the team most laughed at won.

A rewarding barbecue was the perfect setting to release tension and remind everyone that it was indeed just for fun. Teams aren't necessary anymore because the competitive spirit lives on without the division of groups. The hope, desire, and pride are still alive, and thorugh community they have been strengthened.

- Heather Hughbanks

No, Lance Lugafet, Kelly Thaxton, and Curtis Banks weren't standing out in the rain that seemed to hover over us this Spring. They just finished a hearty game of water balloon capture the flag.

Blast from the past! Erin Cassidente and James Garrison relax in Fanny on their way to dress up movie night.

Sponsored by Student Activities Board

WINTER FEST

Kansas winters are not something most MAC college students look forward to. The chilling temperatures and wind make it sometimes seem almost unbearable. However, lots of activities were present this winter on our campus that made this particular one more endurable.

In December we had our annual Christmas dance entitled "Far Away Wonders." Many students enjoyed the pre-party hosted at Dotzour Hall of hor d'oeuvres and punch before indulging in an evening of dancing and fun.

Later into the winter, students and R.A.'s participated in the first annual MAC Gladiators. MAC Gladiators is similar to the Gladiators' television program. Many different events were held, including the Breakthrough and Conquer and the Eliminator. The R.A.'s were the gladiators and the students were the competitors. The student turn out was great, and prizes were awarded to the winners. This event was so successful that it will become an annual winter event.

Basketball has always been popular with students. The guys are having yet another very successful season this winter. The heat is turned up when MAC College competes with its two biggest rivals, Bethany and Tabor.

Winter always holds fun and excitement for the students to keep everyone out of the cold. This winter was no exception.

-Chris Hauschildt

"Here's to your health," says Lesli Hiebert

Beth Kiester, Michelle Saffer, and Stephanie Loar pose in all their finery at the Winter Dance.

Is Dennis Kingery really dancing or is Heather Healy doing all the work?

That is a heck of a flex Mike Voeth, but what else would you expect from the champion of Gladiator Night?

Tom Schoettle is not showing a very good example of a poker face while playing with the guys at Casino Night.

YOU CAN GET THERE FROM HERE

Amy Diaz contemplates the words of Dan Hoffman, who gave the graduation homily and encouraged graduates to "take time to play."

An example of the lasting friendships formed at McPherson College, these graduates lived together, worked together and played together for four years.

Off to fame, glory and other adventures, McPherson College Graduates are prepared for any challenge after

COMMENCEMENT '94

It all began with course registration in 1991—planning, calculating and dreaming about "real life." Then the culmination of all of these plans is launched: Commencement 1994.

Graduates relaxed at the annual Senior Recognition Banquet, held at the Pear Tree Restaurant. At the banquet, they heard about alumni programs and how they can continue to be involved in the life of McPherson College. The lighter side of the program was comprised of two monologues given by graduating seniors Garth Werner and Adam Smith.

At 1:00 on Sunday, 86 graduating seniors met in the basement of Miller Library to straighten caps and tassels and prepare for the march to Brown Auditorium.

In his commencement address, Dr. Wayne F. Geisert, president emeritus of Bridgewater College in Virginia, encouraged graduates, "Whatever you do, do well."

President Hoffman congratulates Carole McCurdey, a non traditional student who received her bachelor of arts in psychology.

Herb Smith, professor of philosophy and religion relaxes for a moment before the processional to Brown Auditorium. Dr. Smith was recognized this year as the "Professor of the Year."

Processing in to the tune of "Trumpet Finale," is Bruno Enrich, possibly thinking of all the money he can make with his international business degree in hand!

Steve Hoover rehearses the solo he sang during the commencement ceremony, "We Must Say Goodbye."

PEOPLE

"Nunsense was really intense because we only had three weeks to prepare. It was challenging to make all the necessary adjustments and to learn to do ballet."

Melissa Martens

"I love living on first floor. We all have a lot of fun together, with a few minor fights. But so far it has been great living in Dotzour."

Kristin Gingrich

Marcus Nielsen and Tor Olson clown around for the camera while visiting friends in Dotzour Hall.

Leaders In Our World

This year's faculty and staff has added many new names and faces to its list. Kathryn Deitz stepped in this year as Interim Vice President of student services. Residence Life picked up a family of three, Mark, Barbi, and Alby Harris, with Barbi as the residence director in Dotzour Hall. Frank and Mysty Rusk Clinage in Fanny, and Harold Chaney in Metzler. Coaches Bruce Grose, Tom Ferguson, Marlys Gwaltney, Jerry Malone, Mark Harris, and Darrin Crumrine were our newest additions in the athletic department. Del Bonney, director of college communications, can be found across from the C.I.C. in first floor Mohler. The biology department gained an assistant professor, Dr. Jonathan Frye. Espanol can now be heard around campus with the guidance of professor Monica Cantero. Finally, Gary Flory is the new assistant professor of conflict resolution. A few other faculty and staff members have had some minor changes in job description, but one thing is the same, McPherson College still provides the one on one attention that has made it stand out.

Lisa doesn't look too worried about Professor Cantero's questioning.

A World Of Knowledge

LOOK WHO'S TALKING

What is your biggest pet peeve in the classroom?

"My biggest pet peeve is students that give speeches on how disrespectful it is to talk in class while the professor is lecturing and then talk while the professor is lecturing." Rick Tyler

What campus activities do you enjoy the most?

"I like intramural sports the most." Buz Hoagland

What is your favorite meal at the cafeteria?

"I usually try to make it to the cafeteria when they have the Mexican buffet." Cindy Kinnamon

What was the worst excuse you ever received from a student explaining some missing assignment and/or absence?

"I don't want excuses, but I did get a call at 4:00 a.m. the day a paper was due with a student asking if I ever got depressed. Obviously, he was depressed because his paper wasn't done." Kim Stanley

Lowell, was that a joke or just another referal to the growing deficit?

Our wonderful maintenance crew poses for a photo on a quick break from keeping our campus beautiful.

SENIORS...1994

With the energy of the freshmen, the enthusiasm of the sophomores, the vitality of the juniors, and the leadership from the seniors, the '93-'94 school year was one like never before.

During the year, McPherson College students set trends that will never be broken. The excited spirit that students, faculty, and staff expressed was represented like never before.

The Dotzour Christmas surprise, the Metzler competitions, and, well, Fanny in general made this year a special one to remember. Who knew!?

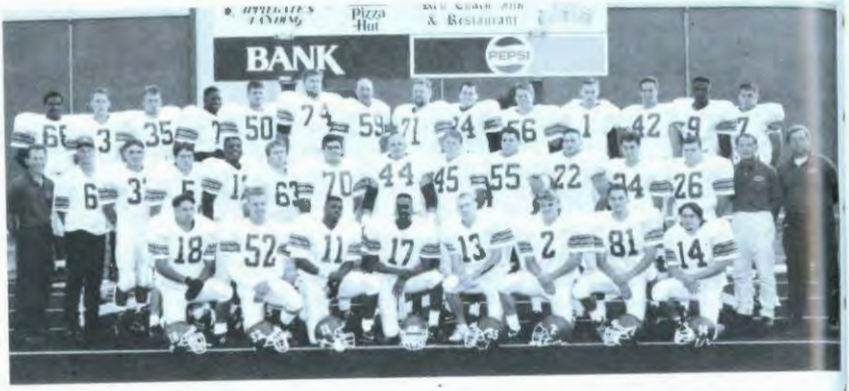
Football



Football: (First Row); Shane Toews, Danny Brubaker, Curtis Banks, Hubert Freeman, Frank Climage, Richard Podlenski, Dennis Kingery, Jason Reese (Second Row); Coach Grose, Troy McDonald, Lee Nesmith, Jason Allen, Will Reed, Chris Kunz, Travis Shuck, Josh Watson, Wade Watson, Nate Brubaker, Tim Tubbs, Barry Kingery, Kerry Lacock, Coach Fergison, Coach Davis (Third Row); Jaime Tavarez, Mike Voeth, Tom Schoettle, Terry Yarbrough, Dustin Haigh, Clay Tarpley, Harold Chaney, Brian Potenza, Bruce Lolling, Tim Woodcock, Garth Werner, Mark Frazier, Joe Marable, Bill Brugger

Rebuilding is one of the first words to come to mind when talking about the McPherson College football team. Little depth on the bench, a new coach, and a different style of playing for the upperclassmen proved to be obstacles that the men had to overcome.

Despite their 0-8 record, the bulldogs had a positive season. Players gave 100% at every game, and whether on the bench or on the field, each teammate provided encouragement for the others. The tireless support from both teammates, coaches, and the dedicated fans helped the bulldogs maintain their positive attitude through the toughest of games. Head coach, Bruce Grose, was a definite asset this year. In the words of freshman, Chris Kunz, "Coach Grose was always smiling. He hardly ever got mad at us, and his attitude was always upbeat."

Sophomore, Mark Frazier, summed up the season quite accurately when he stated that, "Everybody kept positive through times of adversity, thus making it more exciting to come back and play next year." The season of rebuilding is over, and there is no doubt that Coach Grose will take full advantage of the talent on the team and put it to good use in the future. The best is yet to come.

Bill Brugger anticipates the next play on the sidelines.

Hubert Freeman rushes for another bulldog first down.

Hugging the ball, Richard Podlenski, "Pod," waits for his touchdown celebration to begin.

The bulldog offense gears up to pave the way for another touchdown.

Volleyball

Comprised of only 3 seniors, 3 juniors, 3 sophomores, and 4 freshmen, this year's volleyball team was small in size but great in ability and leadership.

The lady bulldogs ended their season with a conference record of 0-16, but this definitely did not reflect on lack of talent. Led by seniors, Jenny Gutsch, Shannon Peters, and Lisa Sturgeon, the team kept an upbeat outlook even when things looked bleak. The seniors were role models for the whole team. Jenni Buschbom, noted that , "There couldn't have been a better group of seniors to play with as a freshman."

Jenny Gutsch and Sarah Adams were named to the All-KCAC honorable-mention team. This was not only an accomplishment for the two that received the honors, but it was one that denoted an achievement for the whole team.

With greater numbers and experience, next year's season looks very promising for McPherson.

Volleyball: (First Row): Marlys Gwaltney, Deb Moore, (Second Row): Trisha Young, Sandra Strode, Ali Stufflebean, Tiffany Hall, Sarah Adams, Jenni Buschbom, (Third Row): Jenny Gutsch, Shannon Peters, Lisa Sturgeon, Renate Hirning, Amy Schroeder, Kerri Kobberman

Setting up the play is Amy Schroeder with the pass.

After the tip, Shannon Peters is already in position for the dink

Jenni Rushebhorn is down and ready in anticipation of her next dig.

These four freshmen had a fun introduction into college sports.

MEN'S Soccer

Doing it for 90 minutes!

Men's Soccer: (First Row); Brian Davis, Dan Marchewka, Matt Hepler, Gilbert Moore, Joe DeShazo, Jeff Cole, Jason Sumpter (Second Row); Coach Malone, Tor Olson, Nic Nixon, Pete Petrovski, Jimmy Post, Lance Lugafet, Gavin Anderson, John Nowak, Bruno Enrich, Marcus Nielsen

The MAC men's soccer team was definitely no stranger to disappointment this year. Finishing their season with a 4-12-2 record proved to be a very frustrating experience for the entire team. Jason Sumpter found the season "disappointing because we didn't achieve what I think we were capable of."

Although the season was rocky, it wasn't a total loss. It proved to be an intense introduction to college soccer for the newcomers on the team and a learning experience for everyone.

For the 1993 season, 3 freshmen received All-KCAC honors. Matt Hepler, John Nowak, and Pete Petrovski were named to second team All-Conference. Hopes are high for next year and the players are looking forward to a victorious 1994 season.

Using strength and agility, Marcus Nielsen outplays the other team.

Stasi Zirkel fights for possession.

Making sure their hands are clear of the ball are Jenny Stover and Melissa Martens.

Kristen Cossaart hustles back on defense.

The women's soccer team did a fine job displaying courage and patience this year.

The season began with less than eleven players on the field and few hopes for a successful season, but these women just wouldn't take defeat. They fought until the very end of the season, playing in cruel weather, without a full team, and against nationally ranked teams. Overcoming these obstacles was a victory in itself.

Their desire paid off when the first goals in the history of MAC women's soccer were made by Amy Diaz and Melissa Martens. This accomplishment and their dedication gave the women the confidence and respect that has become the base of a great program!

Commitment to excellence!

WOMEN'S Soccer

WOMEN'S TENNIS

LOVE ALL

The 1993 McPherson College Women's Tennis Team started off right with new coach Mark Harris and four returning players. Team positions were as follows: Jan Fairchild, senior, number one; Tani Jianoni, freshman, number two; Sarah McClellan, junior, number three; Jessica Boothe, sophomore, number four; Shelley Cruse, freshman, number five; and Beth Keister, junior, number six. The women had a successful season gaining lots of experience and coming out on top at the conference tournament with Jessica Boothe and Shelley Cruse both taking fourth in the singles competition as well as Jessica Boothe and partner Beth Keister taking fourth in doubles. Coach Mark Harris and team had fun and enjoyed working/playing together this year.

Front Row: Tani Jianoni, Shelley Cruse. Second Row: Beth Keister, Sarah McClellen, Jan Fairchild, Jessica Boothe.

Conference champs Beth Keister, Jessica Boothe, and Shelley Cruse.

The 1994 McPherson College Men's Tennis Team was hopeful for a successful season with many returning players and new coach Dave Barrett. The number one and two spots were shared by returning player Pascal Reber and newcomer Bruno Enrich. Mark Boyer had a fruitful season at the number three position. Leadership was provided by numer four player Roger Burton and number five player Brandon Cusick. Mark Frazier was a strong point with doubles partner Dan Marchewka who also filled the number six spot. The Bulldogs showed a great deal of spirit. The men ended the year with a very positive outlook.

Coach Dave Barrett, Mark Boyer, Dan Marchewka, Roger Burton, Pascal Reber. Not Pictured: Brandon Cusick, Bruno Enrich, and Mark Frazier.

Pascal Reber exerts a lot of effort will practicing for the upcoming match against Bethany.

MEN'S TENNIS

Tiffany Hall, point guard, brings the ball down the court as Camille Base, Jenni Buschbomb, and Trisha Young set up the offense.

Kelly Thaxton waits for the right moment to enter the ball to score.

Row 1: Tiffany Hall, Jennifer Munson, Jenni Buschbom. Row 2: Coach Crumrine, Kelly Thaxton, Renate Hirning, Kerri Kobberman. Row 3: Trisha Young, Camille Base, Kimber McCune, Jennifer Williams, Coach Gwaltney.

McPherson Women's Basketball Team

LADY RED'S WORLD

The overall consensus of players, coaches, and critics alike was that the McPherson Lady Bulldogs had a "rough season", but their record of 1-22 in no way reflected the determination and effort displayed by the women. Senior Kimber McCune said, "We made a lot of improvements as a team. Our record doesn't show what kind of hard word and dedication we put into this season."

Under first-year head coach Marlys Gwaltney and assistant coach Darrin Crumrine, the Mac women kept their attitudes positive and hopes high. The team was a young one. With only two upperclassmen, seniors Kimber McCune and Camille Base, the three sophomores, four freshmen, and foreign exchange student Renate Hirning had to step up and take the heat. Camille Base who was taken out halfway through the season noted, "The season was tough because we had so many young players. They did well at the varsity level."

The 1993-94 season was a successful one in many ways. Players as well as coaches learned many things and the base for an excellent future in women's basketball for the Bulldogs has been built.

A BULLDOG WORLD

The numbers say it all. With a record of 20-9, the Bulldogs finished their season with a very much deserved 2nd place in the KCAC. The student body did their part by pulling together for their Mac Bulldogs, and the players mirrored the effort by proving the pre-season prediction of a 6th place finish to be an inaccurate one.

By utilizing the vast amount of talent and great senior leadership, Coach Roger Trimmell successfully completed his first 20 win season since he started coaching for the Bulldogs 11 years ago.

The season ended with a heartbreaking loss to Tabor in the playoff game for nationals, but the Bulldogs should be very proud. Michael Quimbey said, "We had our best season ever. We became closer as teammates and as friends."

The loss of eight seniors, Robb Collins, Andy Hett, Justin Hill, Brian Holloway, James Nelson, Dan Noyes, Willie Marshall, and Michael Quimbey may seem detrimental; but hard work and determination will pave the way for an eager and talented group of underclassmen. The junior varsity team coached by David Barrett had an outstanding season this year, and will be looking to fill the shoes of those leaving us this year.

The efforts of four Dogball veterans did not go unrewarded. Besides achieving the best season of their careers, Willie Marshall and Justin Hill both received spots on the KCAC honorable mention team. Robb Collins was named to first team, and outstanding junior Jonathan Coachman recieved the honor of KCAC Player Of The Year which also qualified him for KCAC first team.

We are definitely proud of our McPherson Bulldogs for an outstanding season.

Row 1: Coach Barrett, Adam Clark, Brett Brauer, Orlando Alfaro, Jason Dingman, Justin Schwinn, Jason Kirkwood. Row 2: Anthony Minor, Doug DeLay, Chad Bledsoe, Ryan Schmid.

Justin Hill starts this game with a hop, skip, and a JUMP!

Row 1: Dan Noyes, Robb Collins, Brian Holloway. Row 2: Coach Barrett, Jonathan Coachman, Matt Richardson, Jarrod Miller, Justin Hill, Coach Trimmel. Row 3: James Nelson, Andy Hett, Michael Quimby, Willie Marshall.

Matt Richardson feeds Michael Quimby for two.

Coach Barrett and his players are always intense, even during a time out.

A SPIRITED WORLD

CHEER CHEER CHEER

Never again will anyone say that McPherson College has no school spirit. Something started this year that hasn't been practiced for quite a while, school spirit.

At the beginning of the year, the number of cheerleaders was fairly scarce; but when basketball season started, the squad was the largest ever seen here at Mac. At times, the attendance was over 20. There were many inexperienced cheer and yell leaders this year, but with a lot of spirit and many hours of practice McPherson turned out a great squad.

With the loss of sponsor Michelle Davis half way through the season, captains Kris Bretz and Benny Rice took over the team to give our school pride a lift. Freshman Kimberly Ebersole said, "I was happy to be on the team. I had a lot of fun. I met some great people and even learned to pike!"

The teams as well as the college and community were very pleased with the effort of the group this year.

Amy Schroeder, Barry Kingery, Melissa Martens, Mike Epps, Eric Harmon, Kristin Grimes, Leslie Hiebert, Kris Bretz, Gina Railsback, Kim Ebersole, Travis VanGoethem, Kristin Gingrich, and Dennis Kingery stunt on the sidelines while the Bulldogs shoot freethrows.

Whose sexy legs are these??

Heather Williams, Mike Epps, Amy Schroeder, Dennis Kingery, Kristin Gingrich, Benny Rice, Gina Railsback, Barry Kingery, Dyane Potter, and Lisa Johnson do their part in cheering the Bulldogs on to victory.

A WORLD OF DANCE

The 1993-94 McPherson Dance Squad may have been small in size, but these girls were full of heart and energy. Consisting of four to six performers, depending on which part of the season it was, the team did a great job representing the college and making half time at many football and basketball games very exciting. As a fund raiser the dance team had a kissing booth during homecoming week, and they were part of the program for parent's weekend. Next year, the girls are looking forward to having more participants and another year of fun.

Stacey Hoover, Heather Healy, Jayme Barrows, Yolonda Mowrey, and Chris Hauschildt step to the beat of Janet Jackson during a football halftime.

The music fills the court at a McPherson College basketball game while Yolonda Mowrey, Heather Healy, Stacey Hoover, Chris Hauschildt, and Jayme Barrows move with the rhythm.

Doug DeLay lines up to putt for par.

Front Row: Shawn McGowan. Second Row: Coach Trimmel, Doug DeLay, Tim Woodcock, Michael Schneider, Bryce Brewer.

GOLF

Men's Golf may be one of the most under-appreciated sports at McPherson College. Their practices may not be filled with drills and thrills, and it might not be the sport easiest on its spectators, but the golf team definitely pays their dues. Eighteen holes' worth to be exact. The team finished the season in Salina at the district ten meet. Michael Schneider finished at the top of the Bulldog list with Tim Woodcock, Bryce Brewer, Doug DeLay and Shawn McGowan not far behind.

FORE

TRACK'S WORLD

The 1994 track season got off to a rough start, but everything soon started falling into place for the Mac track crew. With 13 men, seven women, coach Deb Moore and several minor injuries, the team fought their way through a season of personal victories, records, and sporadic weather.

Runners Take Your Mark

It was a season of experimentation as several team members tried new and occasionally exciting events. One of the most impressive beginners being male co-athlete of the year and national qualifier Frank Clinage. Already proving to be a phenomenal sprinter, Clinage also managed to rack up team points as a first-time long jumper.

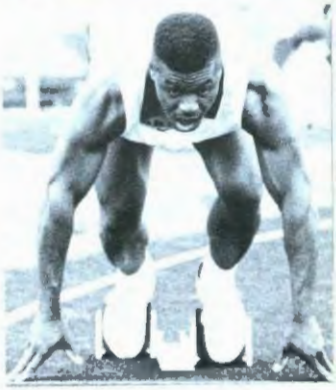
Many of the team stepped up to make this season one of the most promising and exciting, as far as spectator turnout, McPherson College has seen in quite a while. The track meets that were held at the college were very successful not just for th athletes but also for the school in general.

McPherson College will lose eight s nior tracksters to graduation: Camille Bas Roger Burton, Frank Clinage, John Hulc Willie Marshall, Pat Queen, Benny Ric and Garth Werner. The underclassmen wh made up the rest of the team demonstrat a lot of potential and will certainly be ke members of the 1995 Mac track team.

Front Row: Curtis Banks, Benny Rice, Joe Marable, Jenny Stover, Camille Base, Renate Hirning, Becky Rausch, Frank Clinage, Teria Taylor. Second Row: Coach Grose, Coach Moore, Coach Chaney, Pat Crowdis, Pat Queen, Roger Burton, John Hulce, Garth Werner, Willie Marshall, Hubert Freeman.

Frank Clinage gets that extra air for a good mark.

Coming in under the close scrutiny of Darren Crumrine in the 100 meter dash is track Bulldog Jenny Stover.



The ability to get out of the blocks in "record time" is very important to track athletes. Curtis Banks looks as if he is ready to step up to the challenge.

INTRAMURALS = PARTICIPATION

Every year Intramurals provides all students with the opportunity to participate in a vast array of athletic activities.

Time OUT

These activities include flag football, volleyball, three-on-three and five-on-five basketball and softball, all of which are co-ed.

A large number of people, staff and students alike, take part in intramurals, with volleyball being the most popular this year—over 100 participated!

At the end of the "season" of each sport, there is a tournament, and each member of the winning team receives a T-shirt.

Many students not only participate in the sports, but also help out with officiating.

Student Director Kimber McCune commented, "Intramurals went very well this year. I think it's great that the students get the opportunity to compete with each other and the faculty and staff in a relaxed and fun environment."

Students join together in a rousing rendition of the school fight song before an intramural competition.

One more killer serve! Nic Nixon helps his team during the intramural volleyball tournament.

Camille Base narrowly escapes Michael Quimbey during the flag football finals.

Jenny Stover leaps for the block during one of the preliminary intramural volleyball matches.

Officiating is hard work! Jenni Buschbom and Tiffany Hall tried to escape by seeking refuge in the bathroom.

HARMONIZE THE WORLD

TAKE IT FROM THE TOP

The choir takes an annual tour during the spring semester. The spring tour is one of many singing opportunities. They also attend the Renaissance Festival and many other events.

Hats off to our wonderful choir!

For the past several years the choir has been a dominant feature at McPherson College. Directed by Dr. Katherine Baker, it has gained world wide recognition.

Katherine Baker directs the Mac choir at their Homecoming performance. Row 1: Jeremy Bernhardt, Steve Hoover, Mike Epps, Jayme Barrows, Kristin Gingrich. Row 2: Mitch Maestas, Jason Franz, Pascal Reber, J.D. Bowman, Stephanie Loar, Michelle Saffer, Gina Railsback, Heather Healy. Row 3: Cameron Mahler, Marc Rittle, Shawn McGowan, Kim Merkey, Michelle Lohrentz, Amy Schroeder, Jenni Buschbom.

Can you say Do-Re-Me? Row 1: Jeremy Bernhardt, Steve Hoover, Mike Epps, Jayme Barrows. Row 2: Pascal Reber, J.D. Bowman, Stephanie Loar. Row 3: Cameron Mahler, Marc Rittle, Shawn McGowan, Kim Merkey, Michelle Lohrentz.

Row 1: Jayme Barrows, J.D. Bowman, Melissa Martens, Heather Healy, Molly LaPrad, Amy Schroeder, Jenny Stover, Kristin Falen, Wendy Noyes. Row 2: Jeremy Bernhardt, Mike Epps, Steve Hoover. Directed by Dr. Katherine Baker.

Jeremy Bernhardt, along with other band members puts in long hours of rehearsal to prepare for pep band performances.

During a rehearsal break, Dr. Larry Kitzel explains a particular rhythm pattern.

Instrumental Music

"COME FOLLOW THE BAND"

Our band has been active this year performing pep band music at home football and basketball games, Christmas caroling downtown, and rehearsing jazz, circus and wind ensemble music.

The students are talented and enthusiastic even though we have a small group, and most are not majoring in music.

We are trying to increase our size each semester. All students are welcome to participate, regardless of major.

Some of the members are enrolled "because band provides a creative change of pace from assignments in the major." I enjoy teaching in a situation where everyone has an important responsibility in the context of true harmony.

—Submitted by Larry Kitzel, director of bands

"Do you have this memorized?" Dr. Kitzel quizzes Stacey Hoover on one of the many pieces performed at football and basketball games.

Working together, the band accomplished a great deal. Although numbers were few, the quality of sound was great.

A U T O RESTORATION

The Auto Restoration and Technology program gives students necessary skills and techniques which enables them to restore antique and or special interest vehicles. A common goal of both faculty and students is to achieve authentic auto restorations, based upon extensive research and in accordance with the standards of national automobile clubs.

Some current restoration projects include: a 1910 Maxwell, a 1917 Willys Knight, a 1925 Buick, and a 1967 Camero RS. Upon completion of the Auto Restoration and Technology Program, students will receive an Associate in Technology (A.T.) degree.

--C. Crosthwaite & B. Kiester

David Lopez, Pete Woyen, Thetan Ogle, Matt Langley & Chuck Huen are at their favorite work site.

Heidi Reichenborn says, "Of course I know where this goes!"

Mike Carnahan asks Tim Bowers, "Am I finished yet?"

Steve Riley is ready to plunge into his work.

Stan Miller instructs Adam Coffey to be sure to keep his valves covered.

Jason Long hums in his mind, "Wheels on the bus go round and round..."

A WORLD OF DRAMA

As usual, the theater department had another very busy year. With only enough time to gather thoughts between productions, members of the theater department managed to miraculously present five shows during the 1993-94 school year, *Adrift In New York*, *The Hollow*, *Nunsense*, *Dark of the Moon*, and *Rumors*.

Open to all students, theater provides an opportunity for everyone to try their hand at acting as well as theatre production. Besides learning lines for their respective parts, each cast member must give 10 hours of time toward set, lights, costumes, or whatever their abilities will best serve the group. After everyone has pitched in and given their all, the final product is always one to be proud of.

Is that whiplash or are you having trouble swallowing, Mr. Bowman?

Something is going on with J.D. Bowman, Erin Cassidente, Kandee Krien, Michael Epps, and Mark Boyer on the set of *Rumors*.

Melissa Martens still hasn't broken that nasty drinking "habit."

CLASS OFFICERS

Senior Officers: Camille Base, vice president, Lisa Sturgeon, president. Not Pictured: Frank Clinage, secretary/treasurer.

Junior Officers: Adam Clark, vice president, Michelle Saffer, secretary, Chad Cargill, treasurer. Not Pictured: Jonathan Coachman, president.

Sophomore Officers: Dennis Kingery, vice president. Jessica Boothe, president.

Freshman Officers: Daniel Brubaker, secretary/publicity. Julie Cromwell, off-campus representative. Shelley Cruse, vice president. Becky Rausch, co-president. Heather Healy, co-president.

Lisa Sturgeon and Trisha Young observe Michael Voth's finer points of argument during a StuCo planning session.

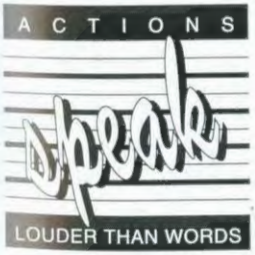
Dancing the night away, Adeolla Grillo was not only involved in the planning of this StuCo dance, she was an active participant.

Many sub-committees were responsible for planning. One such committee was made up of Heather Hughbanks, Dan Noyes, Mysty Rusk-Clinage, and Patrick Crowdis.

Student Council 1993-94: front row; David Baker, Sarah Adams, Tim Woodcock, Adeola Grillo, Willie Reed, Jerry Bowen, Dan Noyes, Heather Hughbanks; second row; Gilbert Moore, Roberta Pfalzgraff, Patrick Crowdis, Mitch Maestas, Jason Sumpter, Kristen Cossaart, Ellen Ho, Sue Werner, Mysty Rusk-Clinage, Jenny Burger, Rahila Miller, and Shelley Gibbens.

STUCO STAYS BUSY

Student Council kicked off a very busy year with the traditional welcome week. Although many of the freshmen were not very thrilled to wear sailor caps, StuCo did a great job of getting everyone back into the swing of things and ready for school to start!



President Mysty Rusk-Clinage headed up StuCo for 1993-94; a very successful year. Not only did StuCo organize welcome week, but they also did a great job with Homecoming and Family Weekend.

A new feature for the year was "Person of the Month," introduced by StuCo. This was a nice way to recognize those people who do so much for the campus. Various members of the campus community were selected for recognition during the first convocation of each month.

StuCo is open to all students who wish to apply for the many positions available. It's a great way to get involved with campus life and to take part in planning student activities.

THE BUSINESS WORLD

Business is big in McPherson. As home of 10 of the Fortune 500 companies, McPherson is definitely a suitable town to house an energetic business club in.

The year began with the business club picnic at sponsor Lowell Flory's house. The layout for the fall business trip as well as regular business was discussed over hamburgers and hotdogs.

Each fall, the business club begins the new school year with a weekend trip. The agenda for this year's trip to Kansas City included tours of the Federal Reserve Bank, 20th Century Investors, the TWA plant, Hallmark, and Royal's stadium. Visiting and learning more about these successful businesses gave members a better idea of how the above functioned on a long-term and daily basis.

The rest of the year will be filled with guest speakers, boothes for visit days, and meetings. The business club is definitely one of the busiest groups on campus.

The dedication ceremony was a festive one. College affiliated persons directly involved were Steve Mason, Emilita Houston, and Kevin Saffer.

Clockwise: David Valeta, Dennis Kingery, Jerry Bowen, Jim Garrison, Michelle Horner, Shelley Ware, Tahnee Bowman, Bret Bowman, Kevin Saffer, Kevin Snyder.

IMPROVING OUR WORLD

After almost three years of tedious fund raising and organizing, McPherson College completed the first Habitat for Humanity home in McPherson.

The 1993-94 school year has proven to be a very exciting one for Habitat for Humanity.

Construction on the first Habitat for Humanity home in McPherson began in May of 1993 and continued until its completion on December 18, 1993. The day after its completion, the home was dedicated and the soon-to-be-owners were presented with a Bible at the open house. They are now living in their new home.

The goal of Habitat for Humanity is to eliminate poverty housing everywhere. Homes built through this organization are done so with volunteer work as well as donated money and materials. The future home owners help with the construction of the house and purchase it at no profit.

Habitat is purely a service oriented organization and is present at both the local and campus level in McPherson. New volunteers are always welcome.

A PEACEFUL WORLD

Would you give up your cozy dorm room for a park bench in Wichita? Most students wouldn't.

That is exactly what the members of Peace Awareness did in November of 1993. The members participated in what they called the "Urban Plunge." This gave the students first hand experience at being cold, hungry, broke, and cold. Did I mention cold?

After being homeless, members of Peace Awareness traded their park benches for coffee cups. Coffee House, an activity sponsored by this group, is a time for students to be entertained while learning about current issues facing the world. The turn out this year was very successful.

Although it sponsors many interesting and fun events, the main goal of Peace Awareness is to do exactly what it says, raise awareness among students on issues concerning social justice. These students, led by Paula Worley and Dave Valeta, should be commended for their courage and determination.

The McPherson College Computer Users group serves a very useful purpose both on campus and in the community. The goal of this organization is to promote the exchange of information and raise public awareness of the uses of computer hardware and software. On a campus with so many individual computer owners, this information is expecially practical.

Under the direction of their sponsor, Mary Flagg, the members help computer owners and operators become more productive and efficient with their skills. By doing so, the Computer Users group is doing its part in keeping society up-to-date with technological advances.

A World Of Computers

THE WORLD IS OUR CANVAS

McPherson College is home to several teams, but the art team proves to be different from the rest.

ART
ART
ART
ART

Led by Rahila Miller, Ellen Ho, and John Hulce, the art team promotes art appreciation through various activities and events. Whether it is with exhibits, films, or festivals, they are always looking for ways to increase diversity on campus through art.

Fall was a busy time for the art team. Early in the semester a trip to Bonner Springs, Kansas, was taken in order to attend the Renaissance Festival. Also, a cookie painting booth was sponsored during the Homecoming festivities.

Members of the art team include Eric Dodson, Erik Harmon, David Lopez, Yolonda Santiago-Rodabaugh, and the afore mentioned captains.

ELLEN HO, RAHILA MILLER, ERIC DODSON, YOLONDA SANTIAGO-RODABAUGH.

Row 1: Sean Dell, Matt Langley. Row 2: Donald Dent, Steve Zerkel, David Lopez, Tim Garner, Heidi Reichenborn, Todd Wilson, Stephen Riley, Garrik Green, Dave Liepelt. Row 3: Jason Long, Thetan Ogle, Ken Kennedy, Merlin Mortimore, Cullen Crosthwaite, Aaron Phillips, Chuck Huen, Joel Herndon.

A Model T World

Have you ever had an interest in planes, trains, or automobiles? Well if its automobiles then McPherson College Auto Restoration Students (C.A.R.S.) is the club for you.

Dave Liepelt, president; Heide Reichenborn, vice president; and Ken Kennedy, secretary/treasurer under the direction of faculty sponsor Tim Bowers would like to promote the auto restoration facilities to all who are interested.

Throughout the year C.A.R.S. is active in many ways. They visit restoration shops, go to flea markets, and provide open shops. This group is also enthusiastically involved in community activities such as judging local car shows, assisting with auctions, and displaying their cars at special events.

C.A.R.S. main goal is to promote McPherson College and the restoration department through hobby related activities.

MEMORIES OF OUR WORLD

The 1993-94 Quadrangle faced a year full of major rebuilding without any returning staff members. Staff members were more abundant this year than in past years, and everyone worked together to produce a yearbook for McPherson College.

Did ? You ? Hear ? The ? One ? About

This year was full of roadblocks. A new program called Yeartech was adopted to produce layouts more efficiently. This caused some setbacks but was soon an extremely useful tool. There was also a change in sponsors. Sara Coonrad, sponsor during first semester, left campus after interterm and was replaced in March by Kristin Boyer.

Editor Kelly Thaxton said, "The staff has had to struggle through some rough situations with all that has happened first semester, but we have layed a great foundation for future Quadrangle staffs."

The 1993-94 yearbook will be one full of memories that all can enjoy and treasure.

STAFF MEMBERS:
Editor in chief - Kelly Thaxton
Layout editor - Jennifer Ball
Photography co-editors - Jessica Boothe
Yolanda Santiago
Assistant editor - Bridget Marrs
Business/Ads manager - Bryce Brewer
Layouts/Photos - Shelley Cruse
Becky Rausch
Kristin Falen
Michael P. Schneider
Beth Kiester
Bruno Enrich

Y-E-A-R-B-O-O-K! What does that spell? Row 1: Kelly Thaxton, Bridget Marrs, Michael P. Schneider, Yolanda Santiago. Row 2: Bruno Enrich, Jessica Boothe, Shelley Cruse, Becky Rausch.

Head to head...Bridget Marrs, Yolanda Santiago, Kelly Thaxton, Becky Rausch, Shelley Cruse, Jessica Boothe, Michael P. Schneider, and Bruno Enrich.

Kristin Boyer, second semester Quadrangle sponsor, works to get out 1992-93 yearbooks.

Working in the S.U. basement to get the 1993-94 yearbook on track are Sara Coonrad, Jessica Boothe, and Kelly Thaxton.

The work being accomplished by Michael P. Schneider is questionable.

Dan Noyes, Tim Woodcock, Michele McMillan working diligently?

Sue Werner, Sarah Adams, Bruce Clary, Jan Fairchild, Dan Noyes, Michele McMillan, Emilita Huston, and Beverly Yeager discussing Spectator business.

Row 1: Emilita Huston, Michele McMillan, Beverly Yeager, Sue Werner, Chris Hauschildt. Row 2: Jan Fairchild, Sarah Adams, Jim Garrison, Dan Noyes, Tim Woodcock, Michael P. Schneider, Bruce Clary.

A JOURNALISTS WORLD

The 1993-94 Spectator staff worked many long and hard Thurday nights to keep up their reputation as the 2nd best private college paper in Kansas. This standard of excellence has definitely been continued with the paper this year.

Supervised by Bruce Clary, the staff had much success in their publishing of the Spectator. With Garth's Two Cent's Worth to keep everyone laughing and Dan Marchewka to keep them informed, everyone looked forward to receiving the Spectator in their mailboxes.

Next year may be tough, as all the editors but one, Michael P. Schneider, will be leaving. When asked how he feels about this year's experience, Michael replied, "We have had a lot of success in the last year. It was a great learning experience and a lot of fun. I'm already looking forward to next year."

Hopefully, with the knowledge that anyone on campus can become a staff member, next year's paper will be as succesful as this year's.

A WORLD IN CHRIST

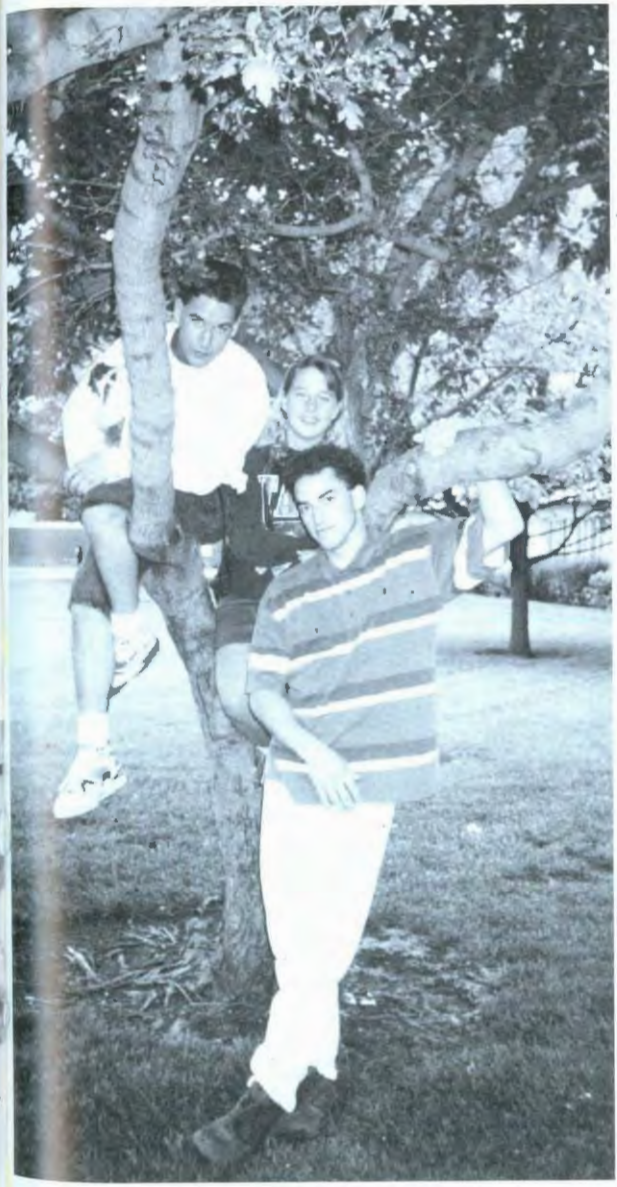
Fellowship of Christian Athletes (FCA) at McPherson College has participated in many exciting activites this year. Led by Trisha Young, Dennis Kingery, and Matthew Skar, the FCA group kicked off a busy year with a pizza party to plan the year's activities.

SOAR LIKE EAGLES

In March, FCA sponsored a road trip to a Wichita Thunder hockey game. The idea was very well received by students, and the trip proved to be their largest and most popular activity. The group also sold T-shirts to help improve their financial situation.

The FCA officers did a great job of keeping the campus informed about upcoming events, and the group, as a whole, did a great job of making sure the activities for those coming for fellowship in a social setting were successful.

Can you pick out the McPherson College people in this picture?



FCA leaders Matthew Skar, Trisha Young, and Dennis Kingery.

Kim Ebersole sports her new FCA "Soar Like Eagles" shirt in Dotzour first lounge.

too good to be true

Alpha Psi Omega members at the annual dance. Front row: Kandee Krien, Tammy Kerkove, Thomas Suitor, Wendy Noyes. Second row: Roger Burton, Rick Tyler, Mark Petrie, John Hulce.

Alpha Psi Omega members Wendy Noyes, president, Kandee Krien, co-vice president, and Tammy Kerkove, secretary. Not pictured: Mark Petrie, co-vice president, Roger Burton, John Hulce, and Thomas Suiter.

ALPHA PSI OMEGA

With only seven members to carry a heavy work load, Alpha Psi Omega had a very challenging year. Members Wendy Noyes, president, Mark Petrie, co-vice president, Kandee Krien, co-vice president, Tammy Kerkove, secretary, Roger Burton, John Hulce, and Thomas Suiter earned their membership into this honarary national fraternity by collecting a specific number of points. These points were earned by participating in certain aspects of theater.

The major responsibility of Alpha Psi Members is to organize, prepare, and serve meals for the first nighters before each performance. An average of 70 people per night attend this function.

Other activities for this year's club include a trip to Wichita to watch the performance of *Grease*, an annual dance, and an initiation ceremony at the end of the production year.

S.A.B.'S WORLD

Student Activities Board (S.A.B.) is exactly what the name implies. S.A.B. is an organization that sponsors activities of all kinds for students on and off campus to enjoy throughout the year.

This year has been an exciting and full one for S.A.B. Although this organization was small in numbers in the 1993-94 year, they put forth a large amount of effort to see that students enjoy the finer part of college, HAVING FUN!

Some of the activities that were sponsored were bowling nights at Starlight Lanes, 2 casino nights in the S.U. basement, the winter formal, various events during Homecoming and family weeks, and performers and video shoots from Kramer Entertainment just to name a few. They also maintain the game and entertainment equipment in the S.U. basement for student to take advantage of during the noon hour and evenings.

Membership should be increasing due to the Student Council/S.A.B. positions that have opened up, and any student that wants to help with any of the activities is always welcome.

S.A.B. is an organization that is definitely here to stay!

OFFICERS:
President – Frank Clinage
Vice President - Jessica Boothe
Secretary/Treasurer - Kelly Thaxton
Publicity - Shelley Cruse

Akin Doherty, Kelly Thaxton, and Shelley Cruse plan for casino night in Frank Clinage's apartment.

Jessica Boothe, vice president, is either extremely happy or high on S.A.B.

Far Away Wonders was the theme for winter formal this year. Watch out for Clyde the camel! He spits.

Terry Grooms deals while Jason Allen, Sam Kim, and Brennan Rolston try their luck at the black jack table.

ADS & INDEX

Community businesses support McPherson College in many ways. One way they do this is by purchasing ads to appear in college publications. We wish to extend our thanks to the businesses that advertised this year. Without their financial support this yearbook would not exist. Thank you.

The '93-'94 Quadrangle Staff

Colophon

Type	Times Roman
Publisher	1993-94 Quadrangle Staff
Printer	Jostens Printing & Publishing
Endsheets	Mars Red
Number of Pages	120
Paper Stock	Gloss 191
Press Run	365
Cover	Matte Black 480
	Custom Art
	Gold Foil 380

Special Thanks to:

-Kelly Thaxton and Jessica Boothe for giving up mass quantities of sleep and study time to create a book to be proud of.
-Kristin Boyer for her willingness to step in when we needed her and for help in many big and little ways.
-Staff for coming forward and pitching in to make sure we had a yearbook.
-Advertisers for the financial support that enabled us to get creative and try some new things.
