

PROF. BOONE CONTINUES THE C. E. PROGRAM

Oct. 13.—The C. E. program of the college is a continuation of the program last Sunday and proved to be interesting and practical. Prof. Boone again offered suggestions for consideration in choosing life's work. He reviewed much of the ground covered last Sunday and made additional statements. Some questions he mentioned are over answered due to their sudden popularity. Others are super-saturated and in a few years will offer large openings.

A discussion of the duties, preparation, qualifications and opportunities for the ministry was presented by Charles Austin. Discussions of the same phases of newspaper work, medical and vocational teaching were also given but time did not permit.

NORTH EAST DISTRICT MEETING HELD AT MORRILL

Morrill, Kan., Oct. 8.—The North East District meeting of the Church of the Holy Spirit of Kansas came to a close today. The meeting has been in session since Friday, October 4. Those representing the college were Dr. and Mrs. V. F. Schwalm, Dean and Mrs. E. E. Mohler, Dr. and Mrs. J. J. Teach and Professor and Mrs. Roy H. Teach, each giving addresses before the meeting.

Dr. Schwalm gave three addresses, on "The auxiliaries of the church as related in the general program", "Simple Living", and "Loyalty".

Dean Mohler spoke first to the ladies and Sons group, and delivered the chief address of the welfare program on the subject of "The Religion of the United States to Hispanic America and their effect upon world peace".

Dr. Vander spoke to the missionary meeting on "What shall a Christian do with his money".

Prof. Teach spoke on the "Lure of the Immediate in Education".

C. E. PARTY IS GREAT SUCCESS

Fri., Oct. 11.—The college Christian Endeavor held away at a party in the church parlors this evening to all those interested in the organization. Over one hundred students attended the entertainment.

The evening was spent first, playing native group games and then a best program was given. Mildred and Iva gave a musical reading "The Boy Who Stuttered and the Girl Who Sighed". Akala Chester Carter entertained the students with one of her favorites "Courtin' Under the Stars". A vocal solo was pleasingly presented by Ruth Turner. Then the college quartette sang several numbers which proved to be favorites for the students. The keen interest in the program was shown by the applause which each number received. Bernice McCallan was in charge of the entertainment.

Light refreshments of ice cream, coffee, and hot chocolate were served.

Before the party was broken up the group sang the college song, "O Sacred Truth".

SEVERAL OUT-OF-ORDINARY PLANTS IN BOTANY LAB.

In Dean R. E. Mohler's private laboratory can be seen growing in a box lined in the bottom of an aquarium some plants which are truly a rarity in this part of the country. These insectivorous plants are common to localities where there is excessive rainfall and are known as the "Pitcher Plant", the Venus-Fly-Trap and the Sun-dew.

The Pitcher Plant has a modified leaf form in the shape of a pitcher. This leaf is partly filled with water and is lined with fine hairs from which the insect is unable to escape once it has crawled down into it. The body of the insect is digested and used as food by the plant.

The Venus-Fly-Trap has a hinged lid covered with hairs which when touched by an insect, closes up, holding the insect until it is digested. The Sun-dew is similar to the fly-trap in that it has a hairy fringed leaf which closes up when irritated.

CHAPEL ECROES

Wed., Oct. 9.—Prof. E. F. Franklin, of Southwestern University, addressed the student body in chapel this morning. He has just recently come to the institution from the East. He is attending the Methodist conference which is being held in the city at the present time. Dr. Franklin spoke on the subject of the "Eradicating Social Vices".

A special treat of two solos by Ruth Turner was enjoyed. The selections were "O Heart of Mine" and "Wind Song".

Fri., Oct. 11.—Dr. L. Gordon Chambers, pastor of the St. Paul's Methodist Church, Wichita, spoke in chapel this morning. A message of unusual merit and brilliance of presentation was brought on the subject "Planning Youth".

Dr. Chambers has no patience with the idea that youth is going wrong. He said, "A lot that is interpreted as evil in the youth of today is merely the frankness of youth. Age is direct, unreserved, polished. Youth blurt out, doesn't care what other think. . . . Our present system of amalgamation and specialization has brought a terrible strain upon youth that parents can relieve only by prayer and childhood training. . . . Schools such as this are developing 'Tiger' characters in an independent generation that are God Almighty's great dream".

MANY GIFTS GIVEN BY FRIENDS OF THE COLLEGE

Dr. J. W. Flelds has recently added to his many generous gifts in worthy causes by sending a substantial check to President Schwalm, to be used for the library. "For as you see love for the college".

Miss Della Hoerner has recently added \$50.00 to a loan fund for girls which she started some time ago. This fund and others which the college holds is used to help worthy girls through college.

Both these gifts are to causes that are worthy. We thank these friends heartily and hope that other friends of the college will take this effective way of expressing their interest in the college.

## M. C. WINS FIRST CONFERENCE GAME

### Canines Make 2 Touchdowns First 10 Minutes

#### BULLDOGS 13, ST. MARYS 7

Line Men Do Good Work in Stopping The Irish

St. Mary's, Kan., Sat., Oct. 12.—McPherson College Bulldogs humbled the St. Mary's Knights here this afternoon by a score of 13-7. The game was one continual struggle of bellies, going first in favor of one team and then just as decided in the favor of the other. The first quarter was unquestionably McPherson's and the last three quarters were just as unquestionably St. Mary's. This football game might have been closely akin to the World Series baseball game that took place just preceding it.

A play for play account of this game cannot be given since there was no Spectator reporter on the ground, but the account of those Bulldog supporters who saw the game say that the Knights kicked-off to the visitor's forty-yard line. The Canines returned the ball by hard playing through the line and at times taking to the air until they had placed the ball on the St. Mary's twenty yard line, when they lost possession of it. The Knights jumped by the Bulldogs soon returned the ball and crossed the Irish goal line. The next few plays gave the Bulldogs possession of the ball in Catholic territory again and they had soon crossed the St. Mary's goal line twice in the first ten minutes of the game.

The second quarter saw the home team much stronger and by the end of the first half it looked to be St. Mary's game. Early in the third period the Irish crew scored and a large portion of the last half the game was played with the ball behind the visitor's twenty-yard line. In the fourth period the Catholics placed the ball on the McPherson one-yard line and were gaining at every play until adjustments were made in the Bulldog line that stopped the terrible onslaught of the Knightly fellows. Much honor of winning this game is due to the ability of Bowers, Zink, Bergent, Windmill, Wisc, Hochstetzer and Leugel, line men. In stopping the Irish when they had crowded the pigskin down within the shadow of their goal, McPherson gained possession of the ball in her own territory about eight inches from the goal line, punted out, and when the game was over, was still in possession of the ball marching steadily through the opposing line for a third touchdown.

The St. Mary's attack was largely an aerial one and the Bulldog attack was largely "straight football". Indications are that the total yardage gained for the last school was twice that of the visitors.

Score by quarters:  
 McPherson 13 0 0 0 13  
 St. Mary's 0 0 7 0 7  
**BEAT OTTAWA!**

## FORENSIC CLUB HOLDS SECOND MEETING IN CHAPEL

Tues., Oct. 8—Otha Whitbeck opened the second Forensic Club meeting of the school year Tuesday night with the announcement of a picnic to be held soon, tentatively October 24. Dues for this semester were set at fifty cents per member and arrangements made to enroll the members before the picnic. Miss Mabel Lee Early was appointed as chairman of a committee, along with Ora Martin and Raymond Peterson, to have charge of the arrangements as to time and place of picnic.

The program followed with Miss Irene Mason at the piano; Miss Chester Carter on the stage with a reading (about blood-curdling pirates and big bears); and "Jack" Lehman with a talk on "Why Forensics".

Conflict with chorus practice reduced the size of the audience but the conflict will be removed before the next meeting. It is intended to have the Forensic Club serve this year, not only public speaking, but all public appearances that are not already provided for by music and dramatic organizations.

## McPHERSON TO PLAY OTTAWA FOR FIRST TIME

The football teams of McPherson College and Ottawa University meet for the first time in history, on the local gridiron Friday afternoon. This is also the first 1929 home game for the Bulldogs, and with their performance against the Knights last week as a background, should be quite an outstanding attraction.

Both the Bulldogs and Braves rank in the 500 section of the conference standing, this week, each having played two games and tasted of victory and defeat. The Bulldogs will go on to the field fresh from the victory over the Knights, bolstered up by the help of their new quarterback and captain Ray Nooken, who was not in the St. Mary's game on account of injuries sustained in the Salina game two weeks ago. The Braves suffered defeat at the hands of the Turbids Swedes last Friday, by a score of 13-9. They also played Bethel College and defeated them 14-9 the week before.

## BULLDOG VICTORY OVER ST. MARYS OUT OF ORDINARY

The Bulldog victory over St. Mary's last Saturday was the second in the nine years that the two teams have played each other. Their first contest, which took place in '21 ended 17-14 in favor of the Irish. The second contest, that of '23 ended in favor of the Bulldogs, 12-14. Since then the Irish have always emerged victorious, until the clash last Saturday. In 1923 when the conference championship was held at McPherson, the Irish defeated the Champs 6-9, being their only defeat of the season. In 1928 the Bulldogs tied the Knights at 6-6, after being outplayed the entire game. The 7-13 defeat last Saturday was the worst trouncing the Bulldogs ever gave the strong Catholic team.

## THESPIAN CLUB PLAY TO BE GIVEN LAST OF MONTH
