Young Democrats To Organize Club

A Young Democrats Club is being organized in "Republicar" McPherson Monday night, Nov. 14 in the New Room of Hotel Warren at 8 o'clock. Mrs. Rozella Switzer will be in charge of the opening meeting. Everyone is welcome.

Mrs. Switzer stated, in making the announcement, that there is a definite reason why young people, especially those of college age, should be interested and take part in practical politics. People who are educated and have social consciences owe something to their government. They have no right compain because they have a choice of two candidates, both ad, unless they are willing to get in on the ground floor and help name the candidate. Democracy depends upon the willingness of intelligent people to get into politics right from the start.

All students wishing to buy tickets for the banquet may do so after noon Saturday. Tickets will be on sale for \$1.00. Only a limited supply for students will be available. The committee states, "First come first served."

Preparations are being made for 300 people to attend the ban-quet. The women of the church will serve the dinner.

Snider Speaks

Don Snider, Elgin, Illinois, will be the principal speaker at the Youth Conference. He will first speak to the youth at 9 o'clock tonight in the College Chapel.

Registration will take place in the Student Union Room from 1 to 4 p. m. Friday. From 3:30 to 5 Friday atternoon, there will be a guided tour of Bay Refinery or Wall-Rogalsky Mill.

Addresses will be given on Saturday by Don Snider and by Hon. William Tico. Discussion groups will be lead by Raymond Flory, Don Snider, Robert Tully, and James, Elrod.

Wilhelm Collects Bells Receives Article In Post

Dale Wilhelm, graduate of Mc-D Pherson College in 1898, has be-come such a collector of functional befils that an article appeared about him in the Denver Post. October 23, 1949.
Wilhelm, who operates an ice house in Gillette. Wyoning, has a "cradle to grave" assortment of bells covering the services ren-dered to man by bells in practically every stage of human develop-ment.

ment.

Bells have been called upon to perform heroic services. In the course of history they have: aroused the Yahkee countryside to an invasion of Redcoats; made possible rescues from sinking ships; aignalled the beginning of great sea battles; and sounded the death knell of whole cities by fire. In many other capacities they serve man in everyday life.

Withelm owns bells for almost

man in everyday life.

Withelm owns bells for almost any function. He has sleigh bells, fire bells, slips bells, locomotive bells, dinner bells, carvan hells. One of his most prized bells came off an engine which piled what may have been the nation's shortest railroad. The right-of-way extended a full 29 miles from Clearmont to Buffalo. Wyo. One set of loeman's bells came off a Consetogra wagou, the only true prairie schooners because they were the only ones really waterproof and capable of floating across a river.

Withelm's collection also in-cludes a set of caravan bells from Persia; a Chinese fishing góng; a mission bell from Mexico; Russ-ian and Norwegian sleigh, bells; aheep bells and cow bells and a wooden, hand-carved water buffalo bell from the island of Bali.

wooden, hand-carved water buffale bell from the island of Baji.

Withelm began collecting bells in 1940. He was operating a service station at the time and had a rather extensive museum in connection. Tourists used to spead hours poking among the relies. One of the visitors gave him a bell, which started the collection. The iceman's flair for display was acquired quite naturally. He ran away from home when he was 16 and joined a circus, selling peanuts and popcorn. He worked for Campbell Brothers. Collins Brothers, and finally the big show, Ringling Brothers.

Wilhelm's prescription for happiness is "start a collection." Collect anything he says. Once Wilhelm had a collection of automobile license plates which covered the whole issue in Woming from the very first.

In proof of the effectiveness of Wilhelm's prescription, there's a tyinkle in his eye, a lixy-like fits of curlosity about his mouth, and a general facial expression which says he knows you're kidd-ing him but he is letting you talk on anyhow.

Is This Your Attitude?

According to Noah Webster an attitude is a feeling or mood. This feeling or mood can be good or bad. All of us should have an attitude toward any situation, providing

Students-Faculty Cooperate

The fact that the students and faculty have been able to get together concerning the last dorm raid, and reach an understanding of the problem of discipline and of each other as well, gives us hopes and a certain degree of confidence for the future.

A way has been cleared for greater student-faculty cooperation. The fact that for the most part both sides have admitted their mistakes and have entered discussions with the idea of solution rather than trying to prove the right to do this or that shows that both students and fac-ulty have at last the right attitude.

utty nave at last the right attitude.

Strong feeling on both sides was shown, but by various means including that of taking the problem to the church for discussion in last Sunday's C. B. Y. F. meeting, his feeling was gradually changed to one of common understanding and a desire for solution instead of defiance and cold justice.

Anyone who has the idea that one group or the other is being forced into anything against their will should be straightened out in a big hurry. for this is falacious and detrimental to that which has been accomplished and to the spirit in which further progress can be made.

Fulbright Act Offers Students Chance For Study Abroad

The three basic qualifications for selection to study abroad under the auspices of the Fulbright Act are: American citizenship, a college degree or its equivalent, and knowledge of the language of the country sufficient to carry on your proposed study of research.

Selection is made on the basis of the candidate's personal qualifications, academic record, and on the value of the study or project. The competitions are competitive, and the competition will be based upon an examination of the candidate's available to the study of the study o didate's application. No formal "examination" will be held.

At present these awards are given only to candidates holding a Bachelor's degree or its equivalent Bachelor's degree or its equivalent by the time the award is accepted. Where qualifications are equal, veterans receive preference, but lack of veteran status does not disqualify. Women and married students are also eligible.

Soph-Junior Skate Party To Be Held Nov. 19

A sophomore-junior skating party will be held November 19 at the Peterson Koller Rink. This is the same night as the freshman senior kid, party. It was deemed necessary by the social committee that all students have entertainment at the same time so they have planned this party. This is the first time a skating party has been held during the traditional kid party.

The Ottawa Braves will attempt to hurdle the first of two obstacles to their third consecutive Kansas Conference crown tonight as they take on Murray night as they take on Murra Brown's College of Emporia Pres

bles.

There is still a very possible chance that the Braves will have to share or even relinquish their league leadership. If they get by the Presbles tonight the Braves will have to meet Baker next week. The Wildcats are still in the running for the title, and, on the basis of their impressive 15-8 trouncing of Wally Forsberg's improving Kansas Wesleyan crew last week, must rate as a possibility to beat Ottawa.

A good line of the Wildcat's abil-ity compared to Ottawa will be ascertained tonight as Baker meets Central (Mo.), a team that previously racked the Braves 6-0.

Bethany can stay in the race by beating Bethel tomorrow. The Gray Marcons lost to C. of E. old, diast week in a high scoring game 42-19. Southpaw Dan Durand was the big sun for the Presbies tossing three scoring aerials and re-turning a kickoff 93 yards for a

Vaughn Kimbrough of Ottawa
second with 36 points and Boyce
mith, who matched Durand's 93
ard kickoff return last week, is
aird with 30 points.

In scoring for all games it ands: Carlson, 54; Kimbrough, stands: Carlson, 54; Kimbrougn, 48; and Smith and Schroeder, 42.

Biteless Bulldogs Beaten By Bethany

The McPherson College Bull-dog's record-in-reverse (the 64-0 shellacking by Baker September 30) lasted just 36 days at they took it on the chin 75-13 from the Bethany Swedes last Friday. The Swedes scored touchdowns by almost every conceivable meth-od as they scored twelve of the sixteen times they had their hands ou the ball.

on the ball.

The Swedes scored three touchdowns in every period and added one conversion in the first and third periods on Wallace Bemore and Bob Gerard's placekicks and one in the second stanza on a McClure-Bale pass.

The Buildogs scored twice in the final period. Freshman Bill Seldel grabbed a Swede fumble in mid-air and hot footed 93 yards for the score. Seldel also converted.

Chuck Petefish smothered the fumble after the Swedes miscued on the kickoff and the Bulldogs moved 39 yards for the next touchdown. A 13 yard pass from Petefish to Seidel and an 11 yard rush over tackle by Gene Arnold were the big yardage eaters. Arnold word over from the two.

The Swedes hit 10 of 17 passes while the Bulldogs were basketing but 4 of 23, Arnold completed but one in 17 attempts. Sophomore Bill Carlson of the Swedes was the rushing star with 124 yards in 12 carries. Chuck Petefish smothered the

Cage Practice To Start Monday With Five Lettermen

Monday With Five Lettermen

Basketball practice for the Mc
Pherson College Bulldogs will
start Monday, November 14, with
If the lettermen from last season's squad that won seven of
22 games reporting to head coach
Forrest (Frosty) Hardacre.
Goering and Bob Odle, seniors
Bulldogs. Both are from Mc
Pherson High School and have
lettered since the '46-'47 season.
Two players have won two cage
monograms, Ron Sullivan and
Herb Bruns. The six foot four
inch Bruns also had a year's experlence in '47 but did not letter.
The bther lettermen is Glen
Pyle who transferred from Centeral College last season and started most of the games for the '49
Bulldogs. Pyle's head injury recelved early in the football season
is not expected to deter him any
for the cage sport.
Also expected out is Gene Arnold, who did not letter in '49 but
did win his M the previous year.
Departed from the ranks are
the Bulldogs's top scorers of '49,
Heckethorn and Webb have
been line stalwarts for the past

Bob Odle
Verlyn Fisher and Don Peters.
Fisher graduated after four brilliant seasons and Peters transferred to Emporia State.
The Bulddog schedule has not been completed yet by Hardacre, but the first game probably will be in the second or third week of December. Sterling will probably be the opponent.
