McPHERSON BULLDOG DEBATERS DEFEAT THE "SWEDES" FOR THE DIVISION CHAMPIONSHIP

Win Decision At Both Ends—To Meet Wichita University For State Title—Is Seventh Time McPherson Has Won Northern Division In Last Twelve Years

FINAL DEBATE APRIL 3

Three Judges To Be Used—McPherson Has A Slight Advantage Over Wichita Debaters—Southwestern Winners Last Year

Fri., March 20—Tonight Coach Maurice A. Hess' debaters won their seventh championship in the Northern Division, defeating Bethany college in the final debate in the Division. McPherson will now debate Wichita university, winners in the Southern Division, for the championship of the state.

[With Prof. A. E. Leach, debate coach at Baker university, acting as critic judge here, Ward Williams and John Lehman, affirmative, won a three point margin decision from Stenness and Lundquist, negative, of Bethany.

At the other end of the debate the McPherson negative team, Walter Wollman and Keith Hayes, won the decision from Peterson and Olson by a margin of one-fourth of one point, the score being 92 for Bethany and 92 1/4 for McPherson. Prof. T. B. Ross of Emporia Teachers' college was critic judge.

The state championship debate had been scheduled for Friday night at 8:00 o'clock, April 3, in the College chapel, with the debaters from Wichita university.

Three judges will be used at both ends of the debate. The affirmative in each case will travel. So far this year Wichita has won five out of six decisions and McPherson has won six out of six decisions.

Since the State Debate League was formed twelve years ago, Wichita has won the state championship once and McPherson has won it once. From this one realizes the equality and ability of these two teams. Furthermore during these twelve years Wichita has won the Southern Division four out of 12 times. McPherson has won the Northern Division seven out of 12 times; Southwestern having won the state last year.

W. A. A. CO-EDS READY TO ENTERTAIN GENTS

Ethel Jamison To Be Madam Toastmaster At Gay Affair

Timid co-eds are asking timid questions and by Saturday night all the timid questions should be asked—and answered—for then the members of the W. A. A. are going to entertain their gentlemen friends at a banquet.

The affair gives promise of being a gay occasion. Ethel Jamison, president of the association, is to act as madam toastmaster. The banquet will be served in the parlors of the Church of the Brethren.

SEA-SEE THINKS THE GREAT SPIRIT CREATED ALL THE SALESMEN ON EIGHTH DAY

Perryton, Texas, March 24—In America there are classes—middle class, rich class, poor class, and salesmen. They are in a class by themselves and have distinguishing ear marks just as any other type or species of bugs (biological or commercial). The supply never runs out and are constantly replenished by the incubators of capitalists of industry. The best known hatcheries are designated by the two-fold name of Chain Stores. The class or breed is always kept pure by means of extermination by discharging; only those being retained who are the more prolific in bringing in orders.

Distinguishing characteristics of these men called salesmen are numerous and invariably the same. First the inevitable black leather bag—and their slogan is "Be nonchalant," and it is carried out in dress, posture, and carriage. The suit is always well tailored rather lopsidedly inclined.

RECITAL TOMORROW

To Be Presented By Students Of Fine Arts Department

A student recital will be given tomorrow night at 8:00 o'clock in the College chapel auditorium by members of the Fine Arts department of the College. Those taking part in the recital are Gulah Hoover, Ruth Turner, Pauline Dell, Ronald Vetter, Orville Voran, Kenneth Regier, Ada Brunk, Ellen Steinberg, Mattie Shay, Opal Bowers, and Myreta Hemmann.

HERSHEY'S BIOGRAPHY NOW BEING WRITTEN

Former Student Of McPherson Chemist Writing Life History

The national recognition of Dr. J. Willard Hershey continues to gain strength and significance, as his achievements in the field of chemical science spread throughout the continent. A former student of Dr. Hershey's is now writing a biography of the McPherson professor.

Miss Jessie Winder, who a number of years ago was in a chemistry class of Dr. Hershey's, and who is now attending the University of Chicago, is now writing the life history of the maker of the world's largest synthetic diamond. The biography will deal with the early life and later accomplishments of the professor.

SOUTHWESTERN OUT OF NORTH CENTRAL

Inaccurate Financial Returns Is Given As The Reason

Cedar Rapids, Ia., March 21—According to an Associated Press dispatch sent from here today, Southwestern college of Winfield, Kan., has been dropped from the North Central Association of Colleges and Secondary Schools for inaccurate financial returns. Pres. Harry M. Gage of Coe college, chairman of the committee on higher education, announced today.

Gage said the association, meeting at Chicago this week, ratified the committee's report that the school's business affairs were not satisfactory, and that outside sources were interfering with the administration. Southwestern may petition next fall for another inspection of the school's records with a view toward bringing about reinstatement, Gage added.

PRIMARY ELECTION TOMORROW AT 10:30

Three Are Up For President Of The Student Council

LOOKS LIKE "HOT" RACE

Hayes, Keedy, And Wollman Up For President Of Council—Troostle Has No Opposition

Tomorrow morning in the College chapel the campaign and nomination speeches will be given by campaign managers and immediately following the speeches the election polls will open and the primary will get underway.

Many interesting and close contests are in the making for the primary. Probably the closest race will be in the Student Council. Three candidates are now up: Kermit Hayes, junior; Ralph Keedy, sophomore, and Walter Wollman, junior. For treasurer of the Council only two nominations have been made, Vernon Fleming, junior, and Charles Austin, sophomore.

Vernon Rhodes is up for editor of The Spectator for next year, with no opposition running against him. For business manager of The Spectator a dual race will be run by Kenneth Bittkofer, junior, and Lloyd Larsen, sophomore.

No election will be required for editor and business manager of The Quadrangle, College yearbook. Don Troostle, junior, is running for editor, and Verle Ohmart, junior, is up for business manager.

The cheerleaders are always interesting when a general student election.

LINDSBORG "MESSIAH" TO START NEXT WEEK

Many Guest Artists To Appear During The Week

Next Sunday the nationally famous Oratorio society of Bethany college, Lindsborg, will give the 50th annual Messiah festival, lasting throughout the week until April 5.

Handel's "Messiah" will be sung by a chorus of 500 voices, accompanied by an orchestra of 65 pieces. The "Messiah" will be presented in the new Presser hall of the Bethany campus.

A group of nationally known guest singers are to be featured in the Messiah festival. Such artists as Mary McCoy, soprano; Hughetta Owen, contralto; Clifford Bloom, tenor; Ernest Davis, tenor, and Carl G. Melander, bass, will be presented. Hagbard Brase is director of the chorus.

GRADUATE'S TEAM WINS STATE CHAMPIONSHIP

Floyd Barngrover, '30, Takes State In Class B Basketball Tourney

Hays, Kan., March 21—Buhler high school cagers, coached by Floyd Barngrover, graduate of McPherson college, won the basketball championship of the state in Class B schools here tonight by defeating Menlo 27 to 19. Sports officials commenting upon the champion team stated that the team played college basketball and showed evidence of using college tactics as a result of their good coaching. Coach Barngrover was graduated from McPherson last year and is coaching his first year at Buhler.

MORE THAN \$2,000 ALREADY TURNED IN AS A RESULT OF BOOSTERS' CAMPAIGN

Sale Of Banquet Tickets Looks Like A Big Success—More Than 400 Assured To Be Present—Many Prominent Speakers To Be Present

GOVERNOR TO SPEAK

Officials Think That Total Sale May Reach Near \$3,000 By Friday Night

GOTTMAN C. E. PRESIDENT

Installation Services To Be Held Next Sunday Night

Sun., March 22—Lilburn Gottman, sophomore, was elected president of the College Christian Endeavor at a meeting of the organization tonight. Velma Koller was elected vice-president, Louise Ikenberry, secretary, and Jay Hertzler, treasurer.

Installation services will be held March 29 for the newly elected officers.

According to reports from the Administration the ticket sale for the Boosters' Banquet has gone over in a big way and yesterday noon it was announced that at that time more than \$2,000 had been turned in for sale of tickets. Officials are of the opinion that it will pass the \$3,500 mark by Friday night, and that there is a good possibility that it may reach as high as \$3,000.

In a letter to Pres. V. F. Schwalm yesterday Gov. Harry H. Woodring, who is to be the feature speaker at the banquet, stated that he will arrive in McPherson Friday afternoon by motorcar from Larned where he is to give an agricultural address at 1:30 o'clock in the afternoon.

A long and interesting program has been mapped out with many prominent speakers throughout the state represented. Senator W. J. Krehbiel is to act as toastmaster and following the invocation the banquet proper will be served. Immediately following the dinner college songs will be sung under the leadership of Paul Sargent. The Men's Glee club of the College is to sing a number after which Mayor D. R. Malby will give the address of welcome.

Following the mayor's welcome Dr. George Gemmel of the Kansas State Agricultural college, will give a toast. The Ladies' quartet of the College will sing and Miss Louise Lesslie, secretary of the state board of education will address the group. Dean Paul Lawson, a popular speaker of the University of Kansas has also been secured as one of the speakers. Supt. R. W. Potwin of the city schools of McPherson will give a toast.

Pres. V. F. Schwalm of the College will give a short address on the College outlook after which Mrs. Anna C. Tate will sing a vocal solo. The College Male quartet will also sing. The feature address of the evening will be given by Governor Woodring. The evening entertainment will close with the singing of the College song. Governor Woodring may remain in McPherson for the night, returning to Topeka Saturday morning by motor.

DEBATERS MAY ENTER THE DEBATE TOURNEY

Pi Kappa Delta Meet To Be Held At Pittsburg, Kansas

April 9, 10, and 11, the State Debate tournament, sponsored by the national Pi Kappa Delta, will be held at Pittsburg, Kan., on the campus of the Pittsburg State Teachers' college.

From present indications McPherson college will be represented by the men's varsity teams and the ladies' varsity teams. All members of the teams will debate, while some of the men and women will enter the oratorical contest. Those men not giving orations will enter the extemporaneous contest on prohibition; while the women not giving orations will enter the extemporaneous contest on "women in politics."

MITANI GIVES PROGRAM

Y's Hold A Joint Meeting—Second Visit Of Japanese Musician

Tues., March 24—Mr. Mitani and his niece, of Kansas-Wesleyan, gave a musical program before a joint meeting of the Y. M. C. A. and Y. W. C. A. in the chapel this morning. This is the second visit of the Japanese musician to McPherson, they having been here several weeks ago for a program before the Y. W. group.

TELLS OF DRAMA AT AN AFTERNOON TEA

Miss Della Lehman Outlines Plays She Saw In London

Thurs., March 19—At a Drama tea this afternoon in the Y. W. room Miss Della Lehman addressed four literature and drama classes, telling of a few of her experiences in London during the last winter in the field of drama. Miss Lehman gave a brief outline of a few of the most outstanding plays she was privileged to see.

About thirty students with Miss Edith McPherson and Miss Lehman were served tea this afternoon. This unique method of advanced class work was sponsored by the modern drama class who was host to the Greek literature, short story, and advanced expression classes. Miss McGaffey introduced the speaker.

FIRE DOES DAMAGE TO CHEMISTRY LABORATORY

\$1000 Loss—Covered By Insurance—Cause Unexplained

Sun., March 22—A fire in the chemistry laboratory in the Science Hall tonight caused damage estimated at about \$1,000. The cause of the fire is unexplained but it is thought by some that the flame was caused by some chemicals or some electrical apparatus that was assembled on top of the desk.

The fire was discovered by Leslie Myers who reported it to the men's dormitory. Two students who rushed to the scene with chemical extinguishers had the fire under control before the city fire department arrived.

Nearly half of a laboratory table was completely destroyed. Chemistry apparatus in four desks were ruined and the ceiling immediately above the table was blackened with smoke and cracked considerably. New plastering will be required. Two windows were broken in applying the chemicals to the blaze.

The loss is covered by insurance.

TO TEACH MEN MANNERS

Miss Mildred Thurow To Give Series Lectures On Etiquette

The first lecture of a general course on etiquette for men will be given by Miss Mildred Thurow, head of the Home Economics department, tomorrow afternoon, March 26, at 3:30 o'clock. This course is non-credit but is open to all men and is being given by Miss Thurow upon the request of the college men.

SARGENT LEADS SINGING

Mon., March 23—Dr. J. D. Bright led the devotionals in chapel this morning after which Paul "Si" Sargent led the student body in college and pep songs, in preparation for the Boosters' Banquet.

WOMEN SPEND 85 PER CENT NATION'S INCOME AND KNOW VERY LITTLE OF FINANCE

Yet Men Are Interested in "Etiquette"—Miss Mildred Thurrow Asked To Give Series Of Talks On Etiquette To Men—Men May Be Worried About Their Futures

"Do you solemnly swear to cook for your wife and maintain a clean and orderly home for her while she is out earning your livelihood?" Will that be a question in future wedding ceremonies?

Certainly there is now a modern trend in home economics for men. In a home economic convention which Miss Mildred Thurrow, instructor in domestic science at McPherson, attended, two prominent Kansas men said they believed such a course should be required of high school boys, thereby enhancing their secondary education. And really why not, one might ask? Eighty per cent of the nation's incomes are spent by women who know nothing about financial economics, dealt out to them by men who know nothing about problems of home economics. The ideal seems to be to spread knowledge to both men and women.

It is true that men are beginning to realize they have a social responsibility in the home as well as women. One doesn't know whether it was this realization or just a desire for polish that caused a group of college men to seek out Miss Thurrow to request her to give a series of lectures exclusively for them.

Tomorrow afternoon at 3:30 o'clock Miss Thurrow will begin a series of lectures on "etiquette for men." She will talk on table etiquette, bring in such things as "which fork would you use if you had half-a-dozen on the left side of your plate" and "how to use dormitory syrup most gracefully to help the peas stay on your knife." She also plans to speak on social etiquette, correcting such things as a man "sandwiched between two girls." Another lecture will deal with men's clothing. Color combinations, as relative to the complexion, and the correct design combinations will be discussed. Can one imagine "men," (the good, the true, and the beautiful) wanting to know "more" about such things as "etiquette?" Men are funny beings.

At a later period Miss Thurrow will speak of the balance of meals and the choices of foods. Interior decoration from a man's standpoint will be given an airing. Letter writing may be discussed and a number of other helpful things that the members of the "stronger" sex might wish to understand.

LUCILE CRABB TAKES FIRST IN STATE MEET

Hutcheson, Sterling, Second, And Easterling, Central, Is Third

FOUR ARE ENTERED

State Convention Of The Anti-Tobacco Association In Session Here Last Saturday

Sat., March 21—Lucile Crabb won first in the State Intercollegiate Anti-Tobacco Oratorical Contest in the chapel here, receiving a prize of \$35. Tom Hutcheson of Sterling college won the second prize of \$25, and Verlin Easterling of Central college won the third prize of \$15. The fourth orator was John Schmidt of Bethel.

Lyle Martin of Central College won the \$5 gold piece offered to the winner in the preliminary division of the contest. The other orator of the preliminary contest was Grace Heckman of McPherson.

The program started with two solos by Mrs. Anna C. Tate, accompanied by Fern Lingenfelter. Following the orations, while the judges were determining the winners, a string quartet played several numbers. The string quartet consisted of Pauline Dell, Rosalind Almen, Viola DeVilbiss, and Herbert Eby, with Mary Swain accompanying them on the piano.

The state Inter-collegiate Anti-Tobacco Association held its business meeting in the chapel at 2:00 this afternoon, with Pres. C. P. Klassen of Tabor College presiding. Officers for the coming year were elected as follows: President, David Wedel of Bethel; vice-president, Gordon Pickering of Central College; Secretary-treasurer, Orville Kuhn of Sterling college.

Following the business meeting a mixed quartet consisting of Lois Edwards, Ruth Turner, Harvey Shank, and Delvis Bradshaw, sang two numbers. F. W. Lough and J. W. Huddleston, field workers of the No-Tobacco League of America, gave a short music program, following which Charles M. Filmore, Educational Director of the No-Tobacco League, addressed the association.

COLLEGE REPRESENTED

Students Enter Bethany "Messiah" Music Contest

The Music department of the College will be represented at the Bethany Music contest at Lindsborg to be held next week in connection with the "Messiah" festival. Mattie Shay is entering in violin, Opal Bowers in voice and Gullah Hoover in piano. Ronald Vetter of Moundridge is also entering, as he is a pupil of Miss Jessie Brown.

tion comes around. Last year for the ladies' the election resulted in the vote, thereby the Student Council declared both candidates as being elected. Only two ladies are now up, and those for reelection, Mildred Doyle and Florence Weaver. A dual race is in progress for the men's position on the cheering squad. Max O'Brien, freshman, and Roy Peebler, junior, are the two candidates.

The general student election will be held Thursday morning at 10:00 o'clock, April 2, in the College chapel. The polls will remain open until 12:30 o'clock Thursday. Counting of ballots will start at 12:00.

McPHERSON COLLEGE AN ASSET TO CITY

Total Assets Of College Placed At \$927,163.54

\$156,000 SPENT A YEAR

Students Leave On An Average Of \$150 In McPherson. In One School Year

The value of McPherson college to McPherson in round figures is worth approximately \$156,000 to the city in a year. This fact was recently brought to light in a story printed by the McPherson Daily Republican which is here given in part:

McPherson college is an asset to the city of McPherson and its community. Last year Crane, Bowman and Spurrier, accountants from Wichita, audited the books of the College and according to their reports the buildings, grounds and equipment of the College were evaluated at \$463,740.08. Besides this the College has assets in cash endowment, annuities, and pledges amounting to \$435,343.43. The total assets of the College are \$927,163.54.

The total budget of business for

the year 1929-30 was \$131,741.70. The average annual budget for the past five years has been about \$134,000. This money is mostly paid out in salaries to faculty members and other employes, and for supplies for the dining hall, dormitories, laboratories, etc. Most of the money expended is brought to the College by students from outside the city, and is expended here without sending away any material commodity in return. Besides this annual budget of the College, according to a study made by The Spectator staff last year each student expends for clothing, entertainment, etc., on an average of about \$150 each per year. This amount for the year will approximate something like \$25,000 additional that is expended in McPherson due to the existence of the College. Almost every line of business profits by this trade—cleaners, clothiers, dry goods stores, drug stores, barber shops, beauty parlors, telephone company, doctors, dentists, movie houses, etc. It is because of this fact that the College has the courage to come to the city to ask them to buy a ticket to a \$10 banquet, the proceeds of which will go to the current finances of the College.

Besides this business side of the proposition, there is a cultural and educational value that comes to the city thru the presence of faculty people and students in the town.

The city has perhaps no greater advertising agency than the College. Here come hundreds of students each year and carry the story of McPherson to the four quarters of the earth. Thousands of young people have been here as students. Soon at least 2000 will have been graduated from the College. These have carried the story of the College around the world.

STERLING TO GIVE UP ALL INTERCOLLEGIATE SPORTS FOR ONE YEAR

Financial Reasons Are Given By Pres. R. T. Campbell

Intra-Mural Activities And Physical Education Are To Be Stressed By The College

Sterling, Kan., March 23—Sterling college, which for years has had football and basketball teams to be feared, will discontinue intercollegiate athletics. The new proposal is to become effective with the close of school this spring, an announcement by R. T. Campbell, president of the college, reveals.

The action was taken at a recent meeting of the executive committee and the athletic board of the school, the action being effective for one year at least.

"The intercollegiate athletic policy will be discontinued until athletics can be placed on a more economic basis," the statement from the president declares. "Instead of intercollegiate athletics physical education and intramural sports will be featured, a full-time director of physical education being employed.

"The new play will enable every boy and girl to participate in some form of athletics and give them the opportunity of earning a letter, or sweater or medal."

The announcement to the students was accepted with applause.

"M" CLUB SPEAKER IS AN OUTSTANDING COACH

Is Now Coaching At College That Gave Him Degree

John Lance, head basketball coach at the Pittsburg State Teachers' college, will be the feature speaker at the "M" Club banquet Saturday night, April 11, in the parlors of the Church of the Brethren.

Coch Lance is a graduate from the college in which he is now coaching basketball, receiving his B. S. degree in 1918. While attending school he was a prominent athlete in football, basketball, and track. From 1918 until 1922 he was director of physical education and athletics at Southwestern State Teachers' college, Weatherford, Okla.

In 1922 Coach Lance went to Pittsburg to become head basketball coach. In the last seven years his cap team has won six basketball titles and in the last two years 41 consecutive games have been played without a defeat.

In everyday life Coach Lance lives what he teaches to his athletes and he is admired by everyone who has been privileged to know him. The "M" Club feels fortunate in securing him as their banquet speaker.

— DRIPPINGS — from THE DOPE BUCKET

With it announced that Sterling college is to discontinue intercollegiate sports comes the opportunity to watch a school that has abandoned sports and to see if they profit by it or lose in the long run. The question has been discussed by many prominent sports officials and college administrations and no decision has ever been reached. It will be interesting to note if the enrollment at Sterling falls off, gains, or loses as a result of their recent move. It

will prove the theory that many students go to college just for the athletics.

With St. Mary's dropping out next year as a Kansas college the forming of a new Kansas Athletic conference is certain to gain greater headway. St. Mary's has been sort of a "sore spot" among the schools in the Conference this year because of a few of their sportsmanship policies and it is thought that now is the ideal time to form the new conference.

A new Kansas conference would probably include Kansas Wesleyan, Bethany, McPherson, Bethel, Friends and Southwestern. These are six schools that are within a limit of 100 miles from each other and this fact alone would mean a great saving in money alone in regard to traveling expenses. These schools, being centrally located in the state, would make the ideal conference and all of them have practically the same enrollment. All of them are church schools.
