

Box Social, Movie Tomorrow Night

Tomorrow night the college CBYF is sponsoring a Box Social in an effort to raise money to send students to Washington D. C., to a political seminar. This will be followed by the movie "Scudoo Hoo" which will be shown in the chapel under the direction of the Social Committee.

The Brethren Youth Political Seminar is being held Feb. 4-7 at Washington, D. C. with a trip to the United Nations at New York City.

Eight college and high school students will represent the College CBYF and Western Region CBYF. The applications are now under careful consideration for the delegates. Reverend Harry K. Zeller, pastor of the McPherson Church of the Brethren will be the advisor to the group.

Funds for partial scholarships are being raised in various ways. Besides the box social, The Regional Youth Department has appropriated part of its treasury for delegate fees. The Wichita Church of the Brethren has given \$15.

Miller, Yost, Widigreen Head Maccollege Players'

Bryce Miller was elected president of the Maccollege Players' Club at their meeting Tuesday, January 22.

The players elected Margaret Yost, secretary, and LaVon Widigreen as business manager.

These officers are to set up the program for next year and to assume their responsibilities this semester.

At the meeting, the one act plays, that will be produced in February, and try-outs were discussed; followed by the third in a series of "stage make-up application" movies.

Prof. Roy McAuley, director, announced that try-outs for the one-act plays was set for 8 p.m. Thursday, Jan. 24.

Speech Class Presents Chapel

A panel discussion on narcotics was presented in chapel Jan. 23 by students selected from Miss Lehman's speech classes. The panel was composed of Carole Huffman, Marilee Grove, Eliza Kurtz, Leland Wilson, chairman, Lila Whitman, Wayne Blickenstaff, and Eugene Ehrd.

It was stated that teenagers are the most susceptible to narcotics because of their know-it-all attitude and desire to keep up on the latest fad. Teenagers usually begin with marijuana cigarettes and work up to heavier drugs. An addict finds himself craving more and more of the drugs and must resort to peddling the stuff and stealing to get enough money to buy the drug.

Dope harms the body and ruins a person socially according to the discussion. Special hospitals are set up to help addicts recover.

World-wide organizations are set up by the UN to combat the sale of dope. The United States have organizations working to stop the illegal sale of narcotics.

Dr. Metzler Makes Trip To Bethany

Dr. Burton Metzler made a business trip to Elgin, Ill.

He attended meetings of the Annual Conference Program Committee and of the Annual Conference Committee appointed to study "Symbolism in the Brethren Church."

These meetings were at Bethany Seminary and while Dr. Metzler was at Bethany he attended the dedication of the new Bethany Chapel. Paul H. Bowman gave the sermon and officiated in the dedication service. Dr. Metzler says:

"The new chapel is a very beautiful building."

While on the campus of Bethany, Dr. Metzler met many former Maccollege students now enrolled there. He also visited with his daughters and their families, Mrs. David Albright and Mrs. Paul Wagner.

Mr. Albright is serving as pastor at Cevco Gordo, Ill., and the Wagons are at Bethany.

Dr. Luther Weigle, of Yale Divinity School and associate editor of the Revised Standard Version of the Bible, gave the E. B. Hoff lectures at Bethany while Dr. Metzler was there and he sat in on a few of them.

The lectures are given annually for the benefit of the Bethany students. They were begun by Dr. E. B. Hoff.

Students Attend Chapel Or Lose Grade Points

"Three unexcused absences from required assemblies will result in the removal of one honor point from the student's record," announced Pres. D. W. Bittinger, Monday, Jan. 19.

The Faculty has adopted this school policy on Chapel attendance with the hope of bringing attendance nearer the 100 percent mark. Both Dean James Berkelle and President Bittinger stressed the point that only five percent of the students are now deficient in their Chapel attendance.

The new policy also requires that information regarding Chapel attendance will be made a part of the student's permanent record.

Available in the secretary to the president's office are forms to be filled out for being excused from Chapel. Whenever a student wishes to be excused for being absent, he should obtain one of these forms and have it filed by the president's secretary.

Saturday's Movie Educates Mules

Seudda Hoo! Seudda Hay! is to be the next movie to be shown, January 26, 1952.

It is the screen adaptation of Chamberlain's best seller which concerns the mutual education of a young farmer and a team of mules, in the process of which the former gains a better perspective of his world.

This film is produced by 20th Century-Fox. It stars June Havoc and Lon McAllister. The main film will be 1 hour and 45 minutes in length.

The Social Committee invites everyone. An offering will be taken to defray the cost.

Maccollege Students Elect Eisenhower

In a survey taken in U. S. Government class, under Prof. Raymond Flory, General Dwight Eisenhower was chosen for president out of 10 possible candidates.

Harold Stassen was second, followed by Earl Warren, Harry Truman and Paul Douglas in succession.

When asked to choose between Taft and Truman, the president won by six votes.

With Eisenhower and Truman on the ballot, Dwight took office by four votes, however, such were the results, "Don't want either of them," and "It gets worse," and "no military person belongs in public office."

The survey also pointed out that chances are poor for a peaceful settlement of differences between Russia and the U. S.

The vote was 18 poor, 11 fair, 1 good.

The person voting "good" added this comment, "If someone of these two nations use their minds for peace instead of stupid imperialistic gains."

Thirty-Three Students Leave College

Thirty-three first semester students will be missing from Maccollege ranks this semester.

Don Cole, James Kerns, Robert Schmidt, Marlin Walters, and Raymond Walker are transferring to other schools. Raymond will attend Kansas State Teachers College, and the other four will go to Wichita University.

Among those enlisting in the armed services are Richard Eder and Richard Mason. Isabel Barbona has returned to her teaching position in Honduras, Central America.

Matrimony spells the reason several students are taking their leave. Ruth Crumpacker, Dorothy Swinger and Roland Kesler all plan marriages for the near future.

Predominantly they will be lay people drawn from the wide range of occupations which are represented in the membership of the churches.

The conference will stress the nature and implications of the issues and problems which the layman meets in his occupation, and the needs of the layman from his church in relating his faith to do his daily work.

Snowbound In North Woods

That notorious track star, alias Shirley Wine, of Kline Hall, had opportunity to use her swift appendages through that arctic wasteland commonly referred to as South Dakota.

Desiring a longer Christmas visit with her family, she scurried about Macampus making up her Tuesday's classes in order to leave a day earlier.

Shirley drove into the fair city of Huron, from the back seat that is, early Tuesday morning. She sleepily telephoned her father, instructing him to drive the ninety miles to Huron, and transport her home.

Because of uncertain weather conditions, Mr. Wine suggested she catch the afternoon bus. This she did, and arrived in her home town of Blunt, not Sharp, at 5:30 p.m.

To her surprise and indignation, she had a cold reception, both by the weather and her parents. Alas! Her parents had slid into the ditch and could not get to town.

She accepted a ride with one of her neighbors who gave his word to take her on to the Wine farm. Since Shirley had been residing in this great Sunflower state for the past four months, she had forgotten the severity with which winter overtakes the north.

More late-comers are expected to enroll at the Central Office before official statistics are released by the Dean.

According to the latest information, 95 freshman, 85 sophomores, 59 juniors, 56 seniors, and seven special students have registered for second semester classes.

A special birthday offering will be taken at the dinner. The money will be applied to the Missionary Program of the church. The Brethren Church is supporting Ann Burger and her eldest son, John, in their mission work in Africa.

The menu will consist of creamed chicken, mashed potatoes, buttered peas, cake and ice cream and a drink.

Rosene Sargent is program chairman. Donald Frederick is music director, and Mary Jo and Melvin Christy are co-chairmen of the Decorations Committee.

Eirod Attends Chapel Dedication

Mr. James Eirod just returned from a business trip to the East. January 8 to 11 he attended a committee meeting of the Church of the Brethren in Elgin, Illinois. Last Sunday he attended the dedication services of the new chapel at Bethany Biblical Seminary in Chicago. Last week Mr. Eirod met with the Brethren service representatives of the three districts of Iowa.

After these games the rest of the evening was spent in folk games with the exception of a brief period during which all ate popcorn and drank pop. While they ate, each of the three groups planned and gave a stunt.

If students want an opportunity for more such fun, they should plan to attend the informal party which is planned for the 25th of January after the Bethany game.

Mohler Is Delegate To Layman Conference

Dr. R. E. Mohler has been chosen as one of the two delegates from the Church of the Brethren to attend the North American Lay Conference, Raymond Peters, Elgin, Ill., is the other delegate.

This conference is to be sponsored by the National Council of the Churches of Christ in the United States and the Canadian Council of Churches. It is to be held February 21-24 in Buffalo, New York.

The theme of the conference is "The Christian and His Daily Work." The several hundred delegates to the conference are to be appointed by the denominations. Some will be clergymen. Predominantly they will be lay people drawn from the wide range of occupations which are represented in the membership of the churches.

The conference will stress the nature and implications of the issues and problems which the layman meets in his occupation, and the needs of the layman from his church in relating his faith to do his daily work.

For entertainment each morning, she cleared a track from the garage to the road, hoping the snowplow would soon be by.

On the third morning she insisted on trying to get back to town as the snow plow was not clearing the road to her home from town.

After two miles of slow progress, the remaining road became utterly impassable. Shirley buckled the snow the remaining two miles to the highway. Although she hates to admit it, she hitchhiked back into Blunt.

In the meantime she barely missed a ride home in an airplane which took off just before the "fast" one could catch it.

Another neighbor took her home via a cleared road. She found an empty house and was welcomed only by her colts.

Her family had gone a-hunting for their lost daughter. Gesturing wildly, Shirley explained how, due to a broken clutch, the only way her father could start the car, was by jacking it up and letting it bounce off, leaving Mrs. Wine behind to retrieve the car.

Her original plan was to go directly to Washington, D. C. to visit congress, do research in the congressional library, and present McPherson College's viewpoint on UMT. From there she would go to New York and visit the U. N. She also would like to spend part of her time in Europe visiting European schools and universities.

Mrs. Wilbur Yoder, who formerly taught speech and literature in high school, is taking over 10 hours for Miss Lehman. This will include speech and literary interpretation classes. Mrs. D. W. Bittinger, who taught French and Latin in high school, is taking over the French class and Miss Lulu Wickenshaw will take over the Spanish I class. Miss Sarah May Vancil is taking over two introduction to literature classes.

The federal grand jury will convene Jan. 28 at Topeka, Miss. Cecile Martin is the other representative from McPherson. Miss Lehman hopes that she will be able to do some of the things she has planned along with her jury duty.

Miss Lehman has had one leave of absence during the 25 years she has been on the McPherson College faculty. Dr. Bittinger stated that a regular leave of absence of a semester is granted for every 10 years of teaching. Several other teachers have benefited from this plan which went into effect 6 years ago.

Answer The Call

If, within the last few months or weeks you have been reading any religious literature, you have surely run across the word "CALL." This is the Call of the United Christian Youth Action.

It is a program to unite one million Christian youth of all denominations and their adult leaders in a dramatic witness to the power of the Christian fellowship in specific areas. There will be action projects set up on the local, national, and international level.

This program is to take place during Youth Week, which is Jan. 27 to Feb. 3. The purpose of this program is that each person will deepen his or her own personal commitment to Christ and then help in the united projects of evangelism and community service. Because everyone cannot support the Call personally on the national level, each person will give one dollar to support national projects.

Some of these national projects will be radio programs, ministry to youth in the armed services and those who are conscientious objectors, the strengthening of youth work around the world, and setting up international conferences.

The work in evangelism will be on the community level. It will be focused upon getting all the youth of a community into the fellowship of the church.

Another area of community action is that of weekend work camping. An effort is being made in the McPherson community to establish a work camp, so watch for further details.

On the international level the World Council of Churches and the World Council of Christian Education are developing projects.

The United Christian Youth Movement has done an excellent job in presenting the challenge. Will you answer the CALL? —G. A. N.

GOD'S Living Letters

By Kirby Page

In French Equatorial Africa there lives one of the most amazing men ever to walk this earth. Albert Schweitzer is a genius of first rank who is devoting his remarkable talents to a service of compassion among primitive peoples in the primeval forest.

At the age of thirty he decided to study medicine. He had already achieved renown as musician, philosopher, teacher and preacher. He had comfort, privilege and creative opportunity. A brilliant future seemed assured. Deliberately he turned his back on all this. A keen sensitivity to pain and a strong sense of duty impelled him to prepare himself for the work of a medical missionary in Africa. He felt obliged to express his Christian convictions in a ministry of mercy.

At the end of seven years he completed his medical preparation. He had earned the degrees of Doctor of Medicine, Doctor of Music, Doctor of Philosophy, Doctor of Theology. When he and his wife first landed on the banks of the River Ogowe in 1913, no hospital building was awaiting them. For months his operating room was a windless broken-roofed chicken-house. He had to carry responsibility as physician, surgeon, carpenter, architect, administrator, arbitrator, preacher, teacher. And the climate is that of the equator at low altitude.

The doctor's reward is revealed in this experience. The operation is finished and the patient's pain is gone. "His hand feels for mine and will not let it go. Then I begin to tell him and the others who are in the room that it is the Lord Jesus who has told the doctor and his wife to come to the Ogowe. The African sun is shining through the coffee bushes into the dark shed, but we, black and white, sit side by side and feel that we know by experience the meaning of the words: 'And all ye are brethren.'

Medical Tests Given In May

Word has been received from the Educational Testing Service of Princeton, New Jersey that candidates for admission to medical school in the fall of 1953 are advised to take the Medical College Admission Test in May. It was announced today by Educational Testing Service, which prepares and administers the test for the Association of American Medical Colleges. These tests, required of applicants by a number of leading medical colleges throughout the country, will be given twice during the current calendar year. Candidates taking the May test, however, will be able to furnish scores to institutions in early fall, when many medical colleges enter the selection of their next entering class.

Candidates may take the MCAT on Saturday, May 10, 1952, or on Monday, November 3, 1952, at administration to be held at more than 300 local centers in all parts of the country. The Association of American Medical Colleges recommends that candidates for admission to classes starting in the fall of 1953 take the May test.

The MCAT consists of tests of general scholastic ability, a test on understanding of modern society, and an achievement test in science. According to ETS, no special preparation other than a review of science subjects is necessary. All questions are of the objective type.

Additional information, application forms and sample tests may be obtained in the office of Dean Berkebile.

Winston Bowman Opposes UMT

In the January 15 issue of the Kansas City Star appeared an article by Winston Bowman, '50.

I have just finished reading The Star's comments on UMT. It is obvious that your opinions are definitely in favor of Universal Military Training.

Being a veteran myself, I am well aware that training a man to fight also means to teach him how to hate the enemy and to indoctrinate him in army discipline.

Present plans call for spending more for UMT than is now spent for public education. The military men exert considerable influence in government now and the addition of UMT will extend that influence immeasurably. Historically it has been shown consistently that when military men dominate government that war, aggression, and downfall, occur, not a country devoted to peace and good will.

Selective service may be inefficient but UMT promises to be likewise, and selective service is temporary, we hope. Military men themselves are not in unanimous agreement that UMT is necessary. Military force is not the answer to world peace.

Today six-sevenths of the national government income is spent for past and present wars and our economy is greatly dependent on war and defense spending but we cannot carry on such expenses indefinitely without internal collapse.

Kurtis Naylor, pastor of the Denver Church of the Brethren, will speak in chapel Monday, Jan. 28.

Sterling College will present an exchange worship program in chapel Wednesday, Jan. 30.

Tickets are \$1.50 for adults and \$7.50 for children.

Reservations may be made through the college business office or they may be purchased at the door.

Maccollege Gains Three International Students

A total of 45 prospective teachers are observing and teaching in the six public schools of McPherson second semester. One class, Instructional Methods, consists of 17 students who observe in some school one hour a week.

Sixteen student teachers are doing their practice teaching in the junior high and senior high schools. These students counsel with Dr. Fee at 8 on Monday mornings.

The 16 grade teachers practice in all four of the city's grade schools. Two actual teachers are also enrolled in the student teaching course, doing research work to receive credit.

Besides these students, two are teaching in the grade schools, Santa Fe and Galva. One is teaching music at Windom, and the fourth is teaching Industrial Arts at Central College.

Edna Neher Listens To The Joys And Sorrows Of 64 Girls

How would you feel if you were the mother of 64? Miss Edna Neher, house mother of Arnold Hall, says it is wonderful to share the sorrows and double the joys of her 64 girls. "It is nice to find so many good qualities and so few bad qualities in the girls," she stated.

Last hours don't affect her as much now since she has her new kitchen and can sleep later without fear of missing breakfast. The addition of a kitchen was made this last summer.

Concealing pet peeves, Miss Neher said, "I'm afraid I have too many of those." She finally narrowed it down to carelessness in not picking up papers and magazines in the parlor, leaving dishes in the bathroom sinks and pop bottles in the hall and store room. Each summer during house-cleaning, bushel baskets of these are carted away, she said.

Miss Neher shows quite a sense of humor in handling her girls. When the girls were careless about cleaning out the 2nd floor tub, she put up this sign: "If he blest is he who takes his weekly scrub, thrice blest is he who washes out the tub."

Miss Neher's favorite hobby is nature, birds and wild flowers. Last summer she started a leaf collection to learn the names of trees. She also has a collection of 35 salt and pepper shakers which are at her sister's home.

Miss Neher graduated from MacCollage in 1924 and taught school for 14 years. Hearing that MacCollage needed a house mother for Arnold and that they were considering her for the position, she applied and got the job.

Altogether she has been house mother of Arnold for nine years. She came to MacCollage in 1940, but spent 1945-48 caring for her parents. She returned to Arnold after the death of her father in 1948.

Miss Neher enjoys her job. She stated that she really appreciates her new apartment because she can now have the girls in for snacks and chats.

Second Semester Brings Four Different Girls Into Arnold Hall

Four girls have moved into Arnold Hall for the second semester of this school year. They are filling the places which were vacated by Florene Hale, Dorothy Swinger, Betty Ann Porter, and Ruth Peckover.

Bertha Landis is back in school after being at home during the first semester. She hails from the Texas town of Palacios, and plans to major in homemaking. Carole Davis, Ruth Papa, and Donna Burdin moved into Arnold from Mrs. Leck's house. Carole is another southern girl, hailing from Nacogdoches, Texas. She is planning to major in elementary education. Ruth is from Octavia, Nebraska, and also plans to major in elementary education. Donna is a home economics major. Her home is in Hutchinson.

Ladies' Quartette Is Reorganized

The quartet is being reorganized and the new members are: Florene Hale, Peggy Sargent, LaDonna Widgren, and Elsie Kindley.

Bulldogs Down Southwestern 57 to 51

Woody returned to his Alma Mater Tuesday night with a basketball team that did him credit. McPherson won the game over Southwestern 57-51. The margin of the victory proved to be in the second quarter when Mac outscored Southwestern 18 to 11.

Some of the credit needs to go to Gene Smith who scored 6 of those points. "Red" Blickenstaff and Bob Bechtel between them scored 11 of the 18 points in the first quarter. Southwestern had the height advantage by quite a ways. Two of their men were 6 ft. 5 in. and another was 6 ft. 4 in. The Bulldogs made up for this by making the shots that they did take; good. Mac hit a phenomenal 40 percent of their shots from the field. The score by quarters was: 13-15, 21-26, 47-41, and 57-51.

The uniformity of the scoring was again one of the team's strong points. Loren was top scorer for McPherson with 11 points. Right behind him were three men with 10 points and one with 8. Craig of Southwestern was high for both teams with 18 points.

McPherson's next game is with Bethany Fri. night. The game is at McPherson. At the moment they are tied for the conference lead. The box score:

Mac Wins Over Emporia 64-35

Last Friday night the Mac Bulldogs journeyed to C. of E. and came back on the long end of the score 64-35. Woody's team led all the way and after the first few minutes were never threatened by the Presbys.

Woody dug into his bag of tricks especially for this game and came up with a zone defense. The strategy worked perfect as it kept the ball away from underneath the basket and forced C. of E. to shoot long shots which they weren't able to make. The bulldogs played an excellent brand of ball, out-rebounding their opponents, and hitting almost 34 percent of their field goals.

Whistle blowing was the order of the day at this game. Emporia had 26 fouls called against them and McPherson had 24.

"Red" Blickenstaff again led Mac's scoring with 21 points. "Chief" Hanagane was next with 11. Rogers was high for Emporia with 9. Woody substituted freely using 11 players and all but one of them scored. The box score:

Bulldogs Down Bethel 55-52

McPherson has now won its second conference game in a row. The Bulldogs edged Bethel to the tune of 55-52. The Bulldogs gained an early 6-0 lead and then had to battle the whole game to maintain it. McPherson led at the end of every period, but three times in the first period and once in the third Bethel went into the lead momentarily.

Gene Smith played one of his best games of the season. Time and again he intercepted Graymaroon passes that set up scoring opportunities for Mac. He also scored 7 points in the third quarter to keep McPherson in the lead. During the last 5 minutes of the game, Bethel elected to take the ball out of bounds rather than risk losing possession of the ball at the free throw line on 4 occasions.

Loganbill was the top scorer of the game with 21 points. Wayne Blickenstaff was high for Mac with 18. Loren Blickenstaff scored 11 points, but most of his time was spent trying to hold down Loganbill, who was having one of his hot nights.

McPherson's court game was consistent throughout. There was no period when the team was either hot or cold. The scoring was well distributed among the five starters, two of whom scored 10 and another making 11.

Four games were played Monday night. In the coastal league the Jo Fo's beat the Vet Jets 36 to 40, and the La Larks beat the Globoplers 32 to 22. Sifrit scored 22 points for the winners. And the Raiders outscored the Leftovers 36 to 15. Jack Kough was high man in this game with 20 for the Raiders.

In the Central League the Hoosiers defeated the Globoplers 32 to 22. Sifrit scored 22 points for the winners. And the Raiders outscored the Leftovers 36 to 15. Jack Kough was high man in this game with 20 for the Raiders.
