No. XLIV

McPherson College, McPherson, Kansas, January 29, 1960

Vol. 16

## English Proficiency Test Will Be Given Feb. 18

The McPherson College English Department will again administer the English Proficiency test this semester. All juniors and seniors who have not passed the test are to meet in the chemistry lecture room in Harnly Hall at 7:45 a.m., Thursday, Feb. 18.

The students are to bring their own dictionaries for use during the test. Those taking the test will be allowed two hours to finish the test. Any who have 8:40 classes will be excused from them.

As has been the practice, the test will be on prose composition from a selected list of topics. Prof. Harley Stump, chairman of the English Department, will be administering the test.

The grading is done by members of the English Department who are Prof. Harley Stump, Prof. James Coulson, Prof. Guy Hayes, and Mrs. Homer Brunk.

The papers are checked with their identity unknown. They are ranked by at least two professors of the English Department by satisfactory, questionable, and unsatisfactory.

A student must receive two rankings of satisfactory to pass the test. If there is disagreement between two professors, a third one ranks it. The papers are graded for both form and content.

## Book Store Announces Hours

New and longer hours to be effective for the second semester are being announced by the college book store.

The store hours are as follows:  
Monday: 8:40-9:30, 10:30-11:20, 2:10-3:00.

Tuesday: 8:40-9:30, 10:30-11:25, 2:10-3:00.

Wednesday: 8:40 - 9:30, 10:30-12:00, 1:15-2:05.

Thursday: 8:40-9:30, 10:30-11:20, 2:10-3:00.

Friday: 8:40-9:30, 10:30-12:00, 10:30-12:00, 1:15-3:00.

Saturday: 9:00-12:00.  
Garland Wampler and Pat Hykes will be in charge of the book store second semester.

## SoCo To Have Four Movies

Four movies have been ordered by the Macollege social committee to be shown in the chapel during this semester.

They are "Of Mice and Men," to be shown Saturday, Feb. 27; "Red Shoes," Saturday, March 26; "Lavender Hill Mob," Friday, April 22; and either "Caine Mutiny" or "High Noon" for Saturday, May 14.

## Real Efficiency?

A professor at the University of Arizona gave a test to his class, then filled in the answers on his copy for the key. Later when he started to grade the papers he couldn't find the key, so he marked all papers from memory. The next day he found the missing paper among the students graded papers — complete with a bright 87 grade.

## 428 Regular Students Enrolled For Semester

The Macollege Administration Office, to date, has received the enrollment of 428 regular students. Also in the figures are 18 special students, with more coming in.

The freshmen head the list with 139, the sophomores with 111, the juniors coming in a little under the sophomores with 101, and the seniors have 77 enrolled.

The final total for the enrollment for the school is not complete, because the enrollment period for the special students is not complete.

## TV Course Is Available Again At Macollege

Dr. Wesley DeCoursey is again acting as coordinator of the Continental Classroom on television which is presenting a course in Modern Chemistry this semester. The course comes on the air at 6:30 a.m. week days.

Dr. DeCoursey will be meeting with five students who are taking the course, beginning Saturday, Feb. 6 from 9 to 11:30 a.m. The final exam in the course will be given May 14.

Kansas colleges are joining the more than 250 colleges and universities in the U. S. offering credit for the courses on television. The Continental Classroom is made possible under a Ford Foundation Grant.

## Stump To Speak Tues. In Chapel

A series of programs will be given in chapel on various themes of Christianity and fields of Education. These will be presented by professors on McPherson College Campus.

Prof. Harley Stump will present the first in the series on the theme "Christianity and Literature" in chapel, Feb. 2.

The Ladies Trio of McPherson College will present a program of vocal music in assembly, Feb. 27.

## Reinke Reappointed Dog House Manager

The Student Council reappointed Dick Reinke to the position of manager-assistant manager of the Dog House for the coming school year.

A junior history major from Ashland, Ohio, Reinke has been manager of the Dog House for the past two years.

The position of assistant manager is normally designed to acquaint a new person with the responsibilities of the Dog House. He is then moved up to the position of manager the following year.

**VA-VA-VOOM** — This was the scene in front of Fahnstock Hall as the occupants returned from semester break. The 10 foot high replica of a rocket (perhaps like that of the USSR,) was constructed by Gary Metsker and Arlo Bowen last week end. So maybe all of the brain power was not used up in semester tests after all.

## Exchange Student Spends Christmas At Brandt Home

Jim Nettleton, Macollege exchange student, reports that he spent the first part of his Christmas vacation at the home of Christiane Brandt.

Christiane is a German Exchange student now attending Mac. While there, Jim sang with a choir and heard Bach's Christmas Oratorio.

Also during the vacation he went with a student group to Berlin. In that city they visited an opera, a theater and a big industry.

Jim said he was surprised at the ease with which one could go back and forth between the West and East Sectors of Berlin. He brought a candy bar in Stalin Alley.

## Five Students In The 'Block'

Five McPherson College students are enrolled in the block of student teaching, according to the Education Department. All are teaching in the McPherson school system.

Ruth Newland, Carolyn Fillmore, and Sharon Schrock will begin their student teaching Monday, Feb. 1 in the Washington Elementary School. Carolyn Fillmore will be a teacher's aid.

Those who began Monday, Jan. 25, were Carl Harner and Juanita Fike. Both are teaching in the McPherson High School.

## Brown To Meeting Of National Churches

Dale Brown, assistant professor of philosophy and religion, is attending a meeting of the National Council of Churches in New York today.

Prof. Brown is working on the Commission on the Church, the Churches, and the Church of the Brethren. The Commission will be writing study material for Annual Conference.

## Eleven New Students Enroll

Eleven new students have enrolled for the second semester. There are four new freshmen, three sophomores and four juniors.

New freshmen from McPherson are Paul Myers and Robert Winney. Wilbur Fischer is a freshman from St. Louis and Paul Coppock is from Ohio.

New sophomores are Fred Marshall, Arkansas City, Kansas; John Austin, Garden City and Gerald Williams, McPherson.

David Link, Ottumwa, Iowa; Alvin Rudeen, Mankato, Kansas; Betty Wagner Thalman, Haven, Kansas and Kurt Myers from Galva are new juniors.

## Spec Staff Reorganized With New Semester

Editor-in-chief of the Spectator this semester will be Dennis Hubbard. He took over the duties of editor with the retiring of Faye Brunner. Larry Elliott will move up as managing editor and Marilyn Rhinehart as new campus editor. Mrs. Brunk remains as the faculty advisor.

Others reporting and working on the weekly publication as reporters are Dr. Bittinger, Judith Cupp, John Dilley, Joan Furry, Ernie Griffith, Don Hollenbeck, Raymond Hull, Sherland Ng, Blanca Paoli, Eileen Oltman, Carl Werner and Karen York.

## MCA Exchange Deadline Feb. 6

Deadline for the MCA applications for exchange student to Germany is Feb. 6. All students wishing to apply should give their application to a MCA cabinet member before next Saturday.

Jim Nettleton is the exchange student this year at Goettingen.

## BVF's Send Teams To Western Kansas

### Two Students Will Attend Youth Seminar

Two Macollege students, Eva Marie Bellardi and Don Elliot, are attending the 1960 Youth Seminar. The Seminar begins this weekend and continues through next week in Washington, D. C., and New York at the United Nations.

There are several high school students from the following districts going. From Western Kansas, seven are from Quinter and one from St. John; Colorado, one is from Rocky Ford and one from Fruita, and one from Warrensburg, Mo.

There is a possibility that four will go from Oklahoma. All youth from this region attending Seminar are going by auto with two of these cars having left at 6 a.m. this morning.

The group will spend three days in the capitol visiting representatives of the government, ambassadors, and attending governmental sessions. Then the group will spend a day and a half at the United Nations.

## Class Visits News Plant

The reporting class visited The McPherson Sentinel this morning. The purpose of this visit was to learn the relationship of the reporter to different departments of a newspaper.

The members of this class are Judith Cupp, John Dilley, Joan Furry, Don Hollenbeck, Sherland Ng, Eileen Oltman, Blanca Paoli, and Karen York. The class was accompanied by Mrs. Homer Brunk, Spectator adviser.

While at The Sentinel office, the class observed the purposes of the many different machines, such as the teletype, the teletypewriter perforating machine, the printing presses, and the Linotypes.

## International Students To Present Program

A panel discussion consisting of international students of Macollege will be the program for the College T. V. Series. They will appear on Feb. 4, at 7:15 a.m.

Members of the panel are Miss Christiane Brandt, Miss Ineke Klein Brinke, Henry Esquino, Edward Khaw. The chairman will be Prof. Dale Brown.

These programs presented by the colleges of this area are public service programs.

## Dr. Bittinger Attends Meeting In Boston

President D. W. Bittinger was in Boston Jan. 10-14 attending the Association of American Colleges and Universities meeting. He is a member of Commission on Professional and Graduate Study and he is also a member of the Commission of Higher Education of the Church of the Brethren.

This weekend, Jan. 30 and 31, the Brethren Volunteer Fellowship on campus is sending student deputation teams to the Garden City Church of the Brethren and to the Friends Church located twenty-five miles north of Garden City.

The group is sponsored by the District Brethren Service Commission and with the help of Prof. Clifford Drescher; Ineke Klein Brinke as student chairman. Wilbur Will, and Jaunita Fike will visit the Garden City Church.

Bonnie and Hudson Sadd and another member to be selected will call on the Friends Church.

The students will lead in programs of fellowship and information about the Brethren Volunteer Service program.

The next BVF meeting will be Feb. 7, at four o'clock in the Multi-Purpose Room of the church.

## Heart Sister Week—Feb. 5-12

Names will be drawn after chapel Friday, Feb. 5 for the annual Heart Sister Week activities. All regularly enrolled women students and the women on the faculty are eligible to participate.

Starting Monday, Feb. 8 the Heart Sister is the object of either helpful little deeds or the recipient of ten-cent gifts. At the end of the week the Heart Sisters are revealed at a party.

At the party the Heart Sisters are sometimes given twenty-five cent gifts. The date for this party will be set later. Any member of the women's council can supply further information.

## Six Students Complete Work

The month of January has seen six Macollege students complete their work towards graduation.

The following students will graduate formally at the regular ceremony this spring: Donald Jones, Cabool, Mo., Business Administration; Marvin Keck, McPherson, Chemistry; Elvelda Fike, West Plains, Mo., Sociology; Charles Lauer, Pomona, Ed. Psychology; Kenneth Singleton, Chase, Industrial Arts; Shirley Turner, Lanark, Ill., Ed. Psychology.

## Bittinger In Hospital

President D. W. Bittinger was in Wesley Hospital in Wichita Jan. 20-23 for his annual check-up.

## Coming . . .

Tonight, Jan. 29 — Sterling at McPherson B game at 6:15 and varsity at 8:00.

Tomorrow, Jan. 30 — Basketball game at Tabor.

Sunday, Jan. 31 — School of Missions at college church. Supper at 5:30, classes at 6:30, and program at 7:30.

Tuesday, Feb. 2 — McPherson at Ottawa.

**Pondering With The President**

**The 1960's Decade**

Dr. D. W. Bittinger

At the beginning of a new decade newspaper and magazine predictions as to what the future holds for the next ten years and beyond stretch the imagination.

Men may fly in outer space, landing on the moon and exploring other planets.

Cars may drive themselves; they may dispense with wheels and tires.

Piled up populations will crowd the earth, as well as the school rooms.

The conveniences of living will overwhelm us. Such predictions rise to a question.

Will I change rapidly enough to fit into this new world? What will fitting into it require?

It will require standing by the truths of the ages. The old truths will not change. In fact, they alone can save us from lostness in this new world.

I Will try, therefore in this decade and subsequently:

1. To add to understanding and love rather than to misunderstand and hate.
2. To seek to understand people, rather than to prejudice them against my own biases and lack of information about them.
3. To learn to talk other languages and to seek to help bring into being a universal language.
4. To place the value of the individual higher than ever before; higher than the value of anything the individual can make or say.
5. To see men as men, rather than as races, or nations, or even members of specific planets.
6. To grow in grace and in graciousness.

**"The Moon"**  
The moon has, oh so silently,  
Risen in the sky.  
She seems a little sad tonight  
As she drifts along on high.

Her face is not as mellow  
As it used to be.  
Her smile not so beckoning  
As she gazes down on me.

She seems so full of discontent  
And yet she wanders on,  
Just, my dear, as does my heart  
now that you are gone.

**Many Of Mac's Profs  
Have Taught In H.S.**

One hundred thirty one and one-half years of high school teaching experience have been accumulated by 20 Maccollege faculty members.

C. H. Drescher, professor of mathematics, can claim 29 of these years. Sid Smith, head coach, is second with 17 years.

Edna Neher, Dotzour house-mother, and O. A. Olson, professor of economics and business administration, have both had 10 years of high school teaching experience.

Dayton Rothrock, assistant professor of education, nine years; Guy Hayes, professor of speech and debate, and Grace Crum-packer, assistant librarian, eight years.

Virginia Harris, librarian; S. M. Dell, professor of industrial arts education; Sarah May Brunk, associate professor of English and journalism, have each taught five years in high schools.

Four years of high school teaching experience was had by Raymond Flory, professor of history and political science, and Donald R. Frederick, professor of voice and director of bands and choral organizations.

Alice B. Martin, registrar, and Kenneth Bechtel, professor of sociology and languages, three years. Wayne F. Geisert, dean of college, and Merlin Frantz, associate professor of education and psychology, two years.

Doris Coppock, associate professor of physical education for women; Paul Sollenberger, assistant professor of music theory and stringed instruments, one year.

Harley Stump, assistant professor of English, one semester. Some of these and other Maccollege faculty members have had elementary experience or previous college teaching experience.

**First Semester Not Good?  
You Still Have The Second**

By Dennis Hubbard

Welcome students! Welcome back to Mac campus for another semester, or perhaps another year.

With the light of a new semester dawning on campus and the old semester in the background, students not doing so well many find a new hope in starting over again. There is a great change in a student as he or she starts each new year with high hopes and little studying, and as the year progresses, they find studies and tests do not come as easily as they had figured.

As the professors hand out the tests toward the end of the semester, the smile that is often seen on the prof's face as he hands out the last of the semester's work, is not always shared with the students, as many of them find they had not done as well as planned. But since the last semester is in the past, all can look forward to the next semester to do a better job and have new hopes and clean slates to use.

Students who start college at the beginning of the second semester will miss orientation class offered to each of the new students when they start, but with the friendliness and help of each of the students on Mac campus, everyone will soon be orientated.

Not only at the beginning of each semester are new courses, but new friends are made and experiences encountered.

So as this new semester begins, happy studying to everyone, and to all a good semester.

**Prof. And Students  
Present Program**

Several students from McPherson College presented a play entitled "Random Target" at Harmony School for a PTA program, Jan. 21. Prof. Dayton Rothrock took part in a discussion following the play.

Those who participated in the play were Carolyn Fillmore, Vernard Foley, Larry King, and Mrs. Garland Wampler.

## Bulldogs Down Bethel; Stand 5-4 In Conference

The McPherson College Bulldogs defeated Bethel College of Newton in a 67-65 thriller last Friday night on the home court.

The McPherson victory left the Bulldogs and Bethel with 5-4 records in the conference. McPherson has a seasonal record of 9-6 and Bethel 11-6.

McPherson jumped into a 12-2 lead at the start, but the second string went in and Bethel cut the margin to 12-9.

The Bulldogs fell to 27-27 but just as the first half ended McPherson spurred to take 34-29 halftime lead.

In the second half the two teams played about even until Bethel got hot and went ahead 59-55. Then with Ivan Prochaska, Deryl Elmøre, and Bryce Heinz scoring from the field and Elmøre, Prochaska, and Dennis Brunner getting free throws the Bulldogs managed to gain a 65-61 lead and win the game 67-56.

The loss broke a four game winning streak for Bethel.

Dennis Brunner led the Bulldogs with 21 points and Nickel had 21 points for Bethel.

McPherson's scoring was rounded out with Heinz getting 12, Baile 9, Prochaska 8, Elmøre 7,

Werner 4, Priddy and Heidebrecht 2 points each and Frazier 1.

The Bulldogs shot 47 per cent from the field and Bethel shot 31 per cent. At the freethrow line Bethel out shot the Bulldogs 73 per cent to 50 per cent.

In the preliminary game the Bulldog B team came from behind in the last half and defeated the Bethel B team 73-69 after Bethel had led 37-33 at half time.

## Coyotes Hand Bulldogs Loss

The Kansas Wesleyan Coyotes handed the Macollege Bulldogs their fourth conference defeat Saturday night, Jan. 16, when they socked the Bulldogs 82 to 64.

The Canines of Coach Sid Smith had difficulty in finding their shooting eye all night, and the red-hot Coyotes held the lead throughout the game.

Dennis Brunner dumped in 24 points to lead the Mac attack.

## Textiles Class Visits Cleaners

The Superior Cleaners was visited by the textiles class Friday morning, Jan. 15. During this visit the class was shown the different steps a garment goes through before it is ready to be delivered to its owner.

The girls were given their choice of one complimentary cleaning ticket or a dinner at the expense of Superior Cleaners.

The girls choosing the dinner were guests at the Hangar Wednesday evening, Jan. 20.

## Macollege Has New Instrumental Group

Macollege now has a new instrumental group which is a combination of a band and orchestra.

The rehearsal schedule has been changed to the following until further notice: Monday — brass choir and saxes, Tuesday — woodwind and string choir, Wednesday — stage band, Thursday — full band - orchestra, and Friday — pep band.

All these groups meet from 3:30-4:25 on the designated days. The group will make their first public appearance in a concert on Feb. 19.

## Intramural Standings And Leading Scorers Announced

Most of the intramural teams have played three games. These are the results after those three games:

Two teams are undefeated, Royer and Graalman.

Byron Hayes leads the high-point list with 51 points, making an average of 17 per game. Other leading scorers and their averages include:

Player	Total Average
Don Smith	37 12.3
Pete Reinecke	35 11.6
Ken Holderead	34 11.3
Jim Huber	30 10
Melvin Roberts	29 9.6
Dwight Royer	28 9.3

The win-loss record is as follows:

Team	Win	Loss
Royer	3	0
Graalman	2	0
Huber	2	1
Anderson	1	1
Hayes	1	2
Smith	1	2
Atwater	1	2
Dresher	1	2
Bert	0	2

## Former Mac Star Selected Arizona Coach Of The Year

Les Finger, '51 graduate of McPherson College and a former fullback on the Mac eleven, was selected the Arizona High School Football Coach of the Year in the annual Associated Press poll. He guided the Class B Phoenix Christians to an undefeated, untied season this past year.

Finger received 23 first place votes and a total of 141 points on the 60 ballots cast by Arizona coaches, sportswriters and sportscasters. Five points were awarded for a first place vote, three for second, and one for third.

The runner-up, Earl Clupper of Phoenix South Mountain, the Class AA state co-champion, had 56 points less than Finger.

Finger called the award "One of the highest honors of my coaching career."

The quiet, rather shy coach of the year said his 1959 Phoenix Christian team "was the best club I've coached. We had more team balance and had no real weaknesses."

Despite his attachment to football, it is doubtful if Finger will ever coach one of his own kids. He has five girls.

## Recital Given By Music Students

A student recital was presented by the McPherson College Department of Music on Jan. 15 at 8:00 p.m.

The program included piano solos by Ellen Crouse, Vena Catherine Wray, Margaret Lehman, Deanna Grove and Valerie Miller. Vocal numbers were presented by: Marcene Gridley, alto; Roger Killian, tenor; Dick Landrum, tenor; Patsy Bolen, mezzo; Al Nyce, bass-baritone; and Rowena Carr, soprano.

Three instrumental numbers were presented. Clarice Brown played the organ, Dorothy Brown played the flute and Darrell Warn a horn solo.

## Greek Student Flees War; Later To Study In U. S.

The beginning of our story takes place in Athens, Greece during W. W. II, December 1943. It is the scene of terror and murder. All males over 12 are being killed while the women and children are locked in a school, which is set afire.

### Escape

Fortunately most of the latter escaped, and among these were Byron Falls, his older brother, and mother. As a result of the war, Byron and his family became Displaced Persons, through which he later received a visa to come to the United States.

During the years between the day of tragedy and 1966, Byron attended high school at Athen's College, studied three years at the Greek-American Cultural Institute and graduated from a Preparatory Class in Michigan University Entrance Exam.

He received his Lower Certificate in English at the Greek-American Cultural Institute and taught English for two years in Greece following graduation from the Preparatory Class.

Soon after Byron came to the U. S. in the spring of 1966, he served 16 months in the U. S. Army in Italy.

### Decision

Last summer Byron met Dr. Bittinger in a nearby city and talked with him about college. Then Byron decided to study this year at McPherson, because it is a small school and individuals are

recognized as such and not by a number as in a large university.

Byron is now a freshman at Mac and a member of the Greek Orthodox Church. He speaks English, Greek, and Italian, fluently. He has also studied two years of French, four years of Latin and Ancient Greek.

His favorite sports are soccer and track. In music he is generally moved by the Latin-American beat and the dances that go with it. His favorite dislikes are the red skull caps (beanies), and writing letters.

### Major

He is planning to major in math and is working his way through school by working in the cafeteria.

His mother is teaching school in Athens and his older brother is studying to be an engineer at Munchen University in Germany. He has a scholarship from the German Government and is in his third year of school.

## 1959 4-H Clothing Winner Is Mac College Freshman

"My goal is to be able to be appropriately dressed all the time", says Janice Stansel, Maccollege freshman and 1959 Kansas 4-H clothing winner. Former Mac Star Selected

As a result of careful wardrobe planning for the past five years Janice is well on the way to attaining her goal — and doing it at a minimum cost.

As each season comes along, she will decide whether to remake, remodel or buy new to meet the requirements.

Janice uses brown as her color base and a classic tailored type of clothes. "Keeping to my plan prevents me from loading up on fads", she added.

Realizing that not all of her needs can be obtained in one year, she established a priority. Her first priority went towards school clothes. She has primarily, two-party dresses, one brown school or church dress, one formal, and two coats along with her school skirts and blouses.

Janice concludes, "A well planned wardrobe will enable a girl to feel well dressed on less money, have a great deal of variety, and have fewer storage problems.

Janice Stansel is shown wearing her basic brown dress, that can be changed with her accessories to fit about any occasion. She is the 1959 Kansas State 4-H clothing winner.

One of our present troubles seems to be that too many adults and not enough children believe in Santa Claus.

## Musical Groups Rehearsing For Spring Activities

Campus music organizations are rehearsing in preparation for numerous appearances this spring semester.

Several appearances are already listed on the calendar and other weekend trips and special recitals will be announced as arrangements are completed.

Following is a schedule of music activities for the coming months.

February 19 — Band-Orchestra Concert in the chapel.

March 18 — Student Recital in the Chapel.

March 18-21 — A Cappella Choir weekend tour to northeast Kansas.

March 26 — A Cappella Concert in the city.

March 27 to April 3 Mixed Quartet tour to northwest Kansas and Colorado. Also the tour of the Brass Quartet.

April 29 to May 2 — A Cappella Choir weekend tour.

May 7 — Band-Orchestra Concert in the Chapel.

May 20 — Student recitals.

More than one-third of American young people of college age now go to college.

Of the 4,363,700 business firms in the U.S., only 3,550 employ more than 1,000 persons.

## Full-Time Students Serve Various State Pastorates

Student ministers attending McPherson College are also serving pastorates in the vicinity.

**Landrum**  
Dick Landrum, a junior, delivers a message every Sunday morning to the Castleton Community Church near Pretty Prairie. Seven denominations are represented in approximately 90 members.

Dick also has charge of the youth group which meets every Sunday night with 6-10 young people present.

Recognizing the great need to consolidate denominations in fellowship, Dick feels that he "could find no more wonderful fellowship than in the rural community."

**Cupp**  
A junior next semester, Charles Cupp is the pastor at the Larned Church of the Brethren. Charles and his wife, Judy, travel 90 miles every Sunday to this rural church composed of about 50 members.

They have recently organized a group of 10-15 youth for meetings every Sunday night.

Charles enjoys the pastorate very much and believes that it is "an extremely valuable experience" for his future vocation.

**Faus**  
Three Sundays a month, Glenn

Faus, a junior, travels to the Verdigris Church of the Brethren near Emporia to deliver a sermon to approximately 60 members.

Every Sunday evening Glen is kept busy with the Junior High and Senior High youth groups at the Congregational Church in McPherson. An average of 20 youth attend each of the meetings.

**Zook**  
Student pastor at the Conway Springs Church of the Brethren, Lester Zook, a sophomore, and his wife, Mary Lou, make the 70-mile trip every Sunday. There are about 45 members on the church roll.

Finding his job very enjoyable, Lester also has charge of a group consisting of about 10 young people who meet every Sunday night.

**Morris**  
Pat Morris, a sophomore, recently accepted the position of Youth Director at the First Methodist Church in McPherson. He is in charge of the large group of young people in the Senior MYF meeting every Sunday evening.

## New Typewriters For Spectator Office

The Board of Publications, a committee of the Student Council, purchased two used typewriters for the replacement of older models and for the use of the Spectator staff.

Money used for the purchase came from the Publication Reserve Fund which is set up for the improvement of equipment of the school publications.

### First Friend

The man who is good to a boy may forget and think of that youngster no more.

He may die unattended or live on in fame, yet that boy, 'til life's journey is o'er,

Will wonder about him and keep him in mind and think him a hero because he was kind.

The man who is good to a boy may pass on and never think of the lad.
