

BIG DRIVE LAUNCHED FOR NEW SCIENCE HALL

**SUBSCRIPTIONS PASS FORTY
THOUSAND DOLLAR MARK**

Work On New Structure to Begin As
Soon As Possible Next Spring.

The drive for the new Science Hall for McPherson College began last Monday, and after a few days of soliciting by the various committees, the subscriptions had passed the forty thousand dollar mark.

The campaign for this movement began seven weeks ago when Mr. P. R. Dapron and Mr. Edward L. Pettus of the National System Company of Minneapolis, Minnesota, were employed by the Chamber of Commerce to take charge of the enterprise. Mr. W. J. Krehbiel, who is Editor of The McPherson Daily Republican, was made chairman of the campaign committee and has been working very energetically to make the campaign a success. Much credit is due to his efforts. The faculty of McPherson College has also played an important part in the campaign.

Over fifteen thousand dollars of the amount raised so far was subscribed by members of the Church of the Brethren residing on College Hill, thus showing their eagerness for the much needed improvement. The need for the new building is very imperative and as soon as the weather permits in the spring, work will begin on the structure.

The drive will continue another week and it is hoped that the subscriptions will reach near the \$75,000 mark.

ALUMNUS ANNOUNCES STATE SUPERINTENDENT CANDIDACY

Supt. James H. Clement of the Junction City schools has recently announced his candidacy for the office of state superintendent. He strongly favors a co-operative, constructive, educational program that will have its far-reaching effects over the entire state.

Professor Clement took his A. B. degree from McPherson College in 1902 and since then has attended the universities of Kansas, Chicago, and Columbia, where he engaged in advanced study. He has also taught in a number of schools throughout the state. His wide teaching experience is representative and covers both rural and city fields. Because of his thorough education and wide experience as a teacher, Professor Clement is a strong candidate for the position of state superintendent.

PROF. NININGER CHOSEN CURATOR OF MUSEUM

At a recent meeting of the College Board of Trustees, Professor H. H. Nininger, head of the Biological Department, was chosen curator of the College Museum. In the past the College Museum has received very little attention. No effort has been made to secure additions to the fine collection already in hand chiefly because the College has not been in a position to adequately take care of any new specimens. But, Prof. Nininger hopes that in the new Science Hall building a museum room may be secured especially equipped to take care of all types of specimens and articles, and in case of large donations to name a section of the museum for the donor as a lasting memorial to him.

The curator has recently received the promise of some very valuable donations and others will be sought in due time. The collections which are to be added soon are donations of Dr. J. Z. Gilbert, an alumnus of McPherson College, Mr. Warren Knuss, and Mr. V. N. Robb of McPherson City, and Mr. G. N. Steven of Warrensburg, Missouri.

Dr. Gilbert, noted paleontologist, promises a \$2,500 collection of fossil

Rev. Oliver H. Austin,
Evangelist.

Museum Collection Increases.

Gradually the College Museum collection grows. Last week Mr. J. A. Flory presented to the college a large maul and Dr. Kurtz donated a part of a branch which the beavers had severed from a tree to be used in the building of a dam. Dr. Kurtz secured this branch last Fall at Miami, N. M. The college prizes museum collections very highly and it is urged that the students, as they go out from the institution, be looking for articles which would be valuable for the museum.

Don't miss the McPherson-Childs contest.

TEN DORM MEN HAVE UNIQUE EXPERIENCE

**PHRENOLOGIST GIVES VICTIMS
RAY RUB WITH GENEROUS
CHARACTER PORTRAYAL
AS SIDELINER**

Ten boys from Fahnstock Hall were delightfully scratched last Tuesday night when a wandering "bean-feeler" dropped in and landed himself so well that the boys "offered themselves" as sacrifices to the "shampooing science." There was a great cloud of witnesses—the lobby was full—and our dear friend, the phrenologist, was so exact in his "prophecy" that he marshalled a writing force of four men to take down the characteristics of each victim. These copies are securely preserved by each man—in fact they have been recopied in neat form; and, not to mention the joy already

(Continued on Page 3)

REVIVAL SERVICES TO BEGIN NEXT SUNDAY

**REV. AND MRS. AUSTIN TO HAVE
CHARGE OF THE MEETINGS**

Rev. and Mrs. Oliver Austin, who are well known to a great many of the older students are soon to be here to conduct the evangelistic meetings which will begin next Sunday. To those who know the Austins their coming is a source of pleasant anticipation. One cannot think of them without thinking of their buoyant good natures and their appealing personalities. No one can be in their presence without being brightened and helped by their cheery atmosphere of good wholesome humor coupled with an earnestness and zeal for the valuable things of life.

While in college Mr. Austin was always ready for a good time. Many social affairs have been enlivened by his genuine fun and good nature. Life was a volley ball enthusiast and was largely responsible for the introduction to that game to our school life. But not only was he prominent in these activities but he entered into the more serious affairs of school life with the same zest and enthusiasm.

Mrs. Austin was equally popular and was well liked by all who knew her. She was especially prominent in the musical life of the college, having taken an active part in Choral Union concerts and Ladies' Quartettes. She is a graduate of the Voice Department as well as of the collegiate department.

After graduation Mr. and Mrs. Austin became the College Evangelists. They have filled appointments throughout the McPherson-College territory and in other states such as California, Louisiana, and Indiana. Their success has been so marked that they are unable to fill all the requests for their services. With this experience and their delightful personalities, we are looking forward with pleasure to their arrival at M. C.

WORKS FOR STANDARD OIL

O. S. Drescher, A. B., 1913, has been employed for some time at Salt Creek, Wyoming, by the Standard Oil Company, where he is foreman of a company who make oil rigs for the oil fields. He took a claim from the government before entering this work and in due time will prove up on the farm. He will then probably enter business of his own.

Mrs. Oliver H. Austin
Musical Director

LACKLAND TO SPEAK IN CHAPEL WEDNESDAY NIGHT

Dr. G. S. Lackland of Denver, Colorado, one of the best speakers on industrial problems in this section of the country will give a lecture on "Christian Leadership in the Industrial Crisis" in the chapel tomorrow evening at 8 o'clock. Dr. Lackland has been touring the eastern part of the United States conducting forums in Washington, Detroit, Boston, and New York and McPherson College is extremely fortunate in getting him to stop on his return.

Your last chance to see the Bulldogs battle on the gridiron this season.

HOMECOMING GAME TO BE ANNUAL EVENT

**FIRST ONE TO BE HELD NOV. 24
WHEN THE BULLDOGS MEET
THE CHILICUO INDIAN.**

McPherson College is fortunate indeed in having a very capable man at the head of the Athletic Association. Prof. Mohler who has held this position since 1913 has constantly worked for the improvement of the Association. In our first year of conference football he has succeeded in bringing three teams to visit us, two of whom departed with defeats.

Next year Prof. Mohler hopes to bring to McPherson a line of conference games that will boost the entire county in football fame. One of those games will logically be "that one" with the "Terrible Swedes." There is a possibility that this will

(Continued on Page 3)

BULLDOGS VICTORIOUS OVER ST. JOHNS ELEVEN

**VISITORS AN AGGREGATION OF
FORMER GRID STARS**

Reserves Play to a Tie in Two Quarters. Regulars Win With Two Touchdowns. Score 21-7.

The St. Johns, Kansas American Legion Eleven, an aggregation of former football stars, invaded "Dutch" Lomborg's camp last Thursday afternoon, and took home the short end of a 21-7 score, in one of the prettiest little gridiron battles, that has been witnessed on the local field this season.

The local supporters of the Ma-roon and White were given their first opportunity to see Lomborg's second string men in action this season, when this combination faced the heavy St. Johns eleven in the opening quarter. After they had secured a lead of one touchdown, the Bulldogs' mentor sent in his favorites, who had little trouble of making two more counters. The first team then turned the task over to the Seconds in the final period, and it was in this quarter that the visitors made their lone counter.

Brammell at quarter was the consistent groundgainer of the Seconds, and Betts playing center shared honors with him when he intercepted a pass on his own 35-yard line in the second period and with perfect interference rapped down the field 68 yards placing the oval safely behind the post for the first counter. At this stage of the game the regulars laid aside their blankets and rushed upon the field of battle. Clark at fullback, again proved that he is fast developing into a formidable groundgaining lugger, and it was he that made both touchdowns for his team. Mudra and Brunk, played their same brand of brilliant line work—both by opening large holes in their opponents right wing, and also by breaking up play after play of their enemies offensive.

Budge, who was engineer of his heavy machine, played a great game thruout. In fact he was in every play, making large gains while carrying the ball, and was always in the mix-up when his opponents were in possession of the pigskin. This man would be a credit to any College team, altho his experience in the favorite sport has been limited to high school teams. Other former stars appearing in the visitor line-up were Jennings, an all-State second team man while playing at Southwestern—and Davidson, who has played on the Jayhawk eleven.

Exchange Punts First Quarter. When the opening whistle blew the spectators were very much surprised when Coach Lomborg sent his combination of second string men in to face the heavy St. Johns team, who outweighed the local eleven approximately 20 pounds to the man. The same attitude of surprise was maintained thruout the first quarter, when altho the Seconds were forced to punt out of danger a couple of times the same tactics were necessary on the part of their opponents. Twice in this period the visitors threatened to score—once when they had placed the ball on McPherson's 8-yard line and a second time by working it down to the 12-yard line. It was at these times that the plucky little Bulldogs braced and gained possession of the ball by holding their opponents on downs. The period ended with the ball on McPherson's 20-yard line.

Betts Races 65 Yards for Counter. In the second quarter McPherson opened by punting from their 26-yard line to the 50-yard line. St. Johns recovered, but soon lost the ball on a fumble. A pass, Kurtis Robb, advanced the "ponies" 10 yards, and then McPherson punted to St. Johns' 15-yard line. Two yards were netted thru the line and a penalty of 15 yards placed the ball

(Continued on Page 4)

"DUTCH" LONBORG'S BULLDOGS TO PERFORM IN HOMECOMING DAY GAME

THORNTON,
Quarter.

CROFOOT,
Center.

R. KEIM,
Guard.

ROBB,
Half Back.

STANGEL,
Left End.

SLIFER,
Right End.

Thornton at the pilot position has played a scrappy offensive thruout the season. If injuries received in the Swede game will not keep him out, he will be relied upon to make gains against the Indians.

Crofoot, relieving Tice at center, has been fast developing into a formidable man for the keystone position. Crofoot will get that man receiving the punts. He will be re-

lied upon to break up passes of the tricky Indians.

"Dick" Keim has been one of the mainstays of the Bulldog's line. A consistent player and in the scrap all the time.

Robb has won the position of half back despite his great handicap in size. He is the toe artist of the eleven.

Stangel has been a large factor in the completion of long passes in re-

cent games. He is a former McPherson High gridster and will probably be called upon several times in the "Turkey Day" game to make gains by the aerial route.

Slifer at right end has relieved Rump of the cornerstone position because of injury to the "fighting Dutchman." He has been a great factor in the Bulldogs offensive machine.

THANKSGIVING DAY

Another of our great national holidays will soon be here. Thanksgiving Day originated in New England when in 1621, after the colonists had gathered their first harvest, Governor Bradford made provisions for a day of thanksgiving and prayer. For many years thereafter the governors of the several New England colonies appointed a thanksgiving day by proclamation. During the Revolution a day was annually recommended by Congress. New York was the first state to make it an annual custom and soon many other states were following her example. 1864 President Lincoln appointed a day of thanksgiving and since then the presidents have issued a Thanksgiving proclamation, generally designating the last Thursday in November.

Inasmuch as Thanksgiving was of so great importance to the New England colonists even at a time when they were under the restriction and subjection of their mother country, it should mean a great deal more to the citizens of America today who are living in the land of freedom. As citizens of this country, the highest representative of democracy, we have so much to be thankful for but we should not just think of observing Thanksgiving Day on the last Thursday of November. Every day in our lives should be a day of thanksgiving to our Creator for his bountiful mercies toward us.

QUADRANGLE 1922

Some time ago subscriptions were taken for our 1922 yearbook. This was done before a staff was elected. The reason was that it was essential to know whether we could put out a Quadrangle this year. The number of subscriptions has justified the procedure to select our staff for this task. Unavoidable delays now urge the immediate election of the staff. May I suggest that the putting across of any program for the student body and for the college necessitates the support of every student. Only by the co-operative effort of everyone can the 1922 Quadrangle be a success. We shall count on you. We shall depend upon your school spirit!

Now as to the securing of a staff. It has been customary to appoint a capable committee to present a slate of nominees which is accepted or rejected by the Student Council and then presented to the student body for its selection of the chief officers. This method does not give the student body more than a choice of one or two nominees. Hence the suggestion of giving the student greater freedom of selection is entirely in place. Our plan this year is to give a wide range of choice for editor and business manager. We propose to follow the plan outlined below.

A committee of six, three from the Student Council and three elected from the faculty, has carefully considered the qualifications and abilities of juniors and seniors. This committee has suggested five for editor and five for business manager. Each of these nominees is asked to

select some one to act as his campaign manager. Plans are being made to secure a chapel period when these managers may address the student body.

The plan further consists of two elections. The first one is to be a primary held Saturday for the purpose of electing a slate of two for each office. Further campaign work may be done for those elected for the final ballot. Then on Tuesday, November 29th, the final election occurs for editor and business manager.

We want your interest and co-operation. Let us elect the most capable for the positions.

PRELIMINARY STEPS TAKEN TO ORGANIZE A FORUM

After a varied literary program composed of music, readings, and followed by an open forum on proposed constitutional amendments, preliminary steps were taken last Saturday evening toward the organization of a forum when a number of students pledged themselves to support such an organization. Mr. Henry Stover was chosen temporary chairman until a permanent organization can be effected. It is realized that there is a real need for some form of entertainment for our Saturday evenings when the literary societies have passed into oblivion. It is hoped that such an organization as a forum will aid in supplying that need.

STUDENTS RECITAL GIVEN

The first students recital of the year was given in the chapel Thursday evening, November 17th. The program varying in content was greeted quite favorably by the audience. The following numbers were given.

Military March, op. 51, Schubert, Misses Peck, Beckman, Hatcher, Smith.

Sombre Woods, Lully, Mr. Rodney Mastin.

Air, Varie, No. 5, Dancla, Miss Willetta Durst.

Mother, Kathleen Norris, Miss Ethel Whitmer.

Parted, Tosti, Mr. Roy Brammell.

Teach Me to Pray, Lewis, Miss Bona Dee McMurray.

The Swan Song, Katherine Ritter Brooks, Miss Gladys Adamson.

Traumerei, op. 9, No. 14, Strauss, Witches Dance, op. 17, No. 2, Macdowell, Miss Helen Garst.

Were I Garner, Chaminade, Miss Bertha Frantz.

Satenella, Balfe, Miss Eleanor Caldwell.

WEEK OF PRAYER OBSERVED

The week of prayer which has been in session the past week throughout the world was observed by the Y. W. and the Y. M. C. A. The Y. W. held its meetings in the parlors of Arnold Hall. Every session was very interesting and all were well attended. Our leaders consisted of Mesdames Hoober, Craik, Hershey, Mohler, Swope, Switzer, and Gebhardt of McPherson and Miss Loy of Lima, Peru. To them much of the success of the week is due and the girls join in thanking them for their time and effort. We appreciate the fact that the good messages they brought to us meant sacrifice on their part. Let us not forget our suffering sisters of other lands and may we make real sacrifice to help them.

The Y. M. held daily prayer meetings in the lobby of Fahnstock Hall during the week. The emphasis of each meeting was centered on the Conference for the Limitation of Armaments. Different meetings were led by Reverend Eakes, Dr. Hoover, David Brubaker, and Dr. Harnly. The sessions revealed a deep and earnest desire on the part of the men that the conference may not fail in its purpose. Let each man continue to make the conference a subject of daily prayer in his private as well as his public devotions.

Support the team by being at the game.

Robert Gordon Bickenstaff adopted son of Miles and Erma Bickenstaff Died Nov. 13, 1921, in Peking, China, at the age of 9 months and 27 days.

SHALL MATHEMATICS BE REQUIRED OR ELECTIVE?

The College Debate Club Friday evening discussed the question whether mathematics should be a college requirement or an elective. Victor Vaniman and Ada Kurtz contended for such a requirement because the subject develops accurate reasoning, requires habits of concentration, and has cultural value.

The negative argument was supported by Cecil Hayes and Ralph Loshbaugh. Their contentions were for practical knowledge, study of essential subjects, and that psychology denies the transference of training.

The presentation and argument of the affirmative received a unanimous decision.

Y. M. C. A.

The Y. M. program last Wednesday morning was conducted by the Junior College class. Devotions were led by Clyde Rupp. Roy Brammell sang a vocal solo which was very much appreciated. A talk by Glenn Johnson completed the program. Mr. Johnson spoke about how the failures and trials of life benefit us if we only have patience to endure them. They serve as stepping stones to success if we but only look at them in that light. Carlyle did not become dismayed when he learned that the manuscripts of the first volume of his French Revolution had been accidentally destroyed but set about to do the laborious task over again. As a result of his labors his new work was far superior in every way to the volume that had been destroyed. By means of a clever cartoon Mr. Johnson showed how the individual who is accustomed to look down upon the dark dismal failures of life can very easily look upwards toward true success if he only will.

THRU THE SPECTATOR'S SPECKS

At the present time we feel that there should be a better understanding between the faculty and the students. The faculty seemingly fears student initiative; the students revolt at faculty domination.

Someone asks: "Why are we having so much luck recently with the use of the forward pass in football?" Come to the Dining Hall and watch them practice for a half hour every day.

See Ira Brammell for a phrenologic message. Prices reasonable.

If Marguerite Mohler takes the place Elmer Rupp has reserved for Ida Johnson, shouldn't Ida be entitled to the place Homer has saved for Marguerite?

Might as well send a message to Mars as to Ottawa.

The Fine Arts Department has organized. This includes—Piano, Voice, Violin, Expression, and Art. Shouldn't speeding be included also, for surely it is a "fine" art?

We want faculty guidance, advice, and directing but not domination. I wish we could all enjoy the library in the evening.

Bill Bishop gives Big Bill some good advice. Will someone please give Bishop some much needed advice?

The Bulldogs, with fiery blood, scent the oncoming Indians.

In football the kicking is done after the gains are made—not so with College students.

Whose business is it if Sam Merkey had a date last week.

If everybody talked in the library, what would happen?

Just because you believe in only a few things is no sign that you are educated.

The Literary Society situation calls for changes from within, not from without.

This week we have made a step closer to the student and indulged in the dangerous sport of using individuals names in our column. We hope there will be no offense taken at the remarks made for they are really given in a most kind spirit. We ask that you do not feel that these few remarks are a personal thrust at all but simply wholesome joking material or really serious suggestions. If you have any grievance at any time, why just call around to see us. We're always at home from 12 a. m. 'til 7 a. m. Yours—till the next time.

Don't miss the McPherson-Chillicothe contest.

RESERVES DEFEAT LITTLE RIVER AMERICAN LEGION

Kurtz and A. Schermerhorn Are Outstanding Stars in 13-0 Victory.

The McPherson College Reserves invaded the territory of the Little River American Legion Eleven last Tuesday and brought home the long end of a 13-0 victory—the first taste of "Bacon" that "Dutch" Lornborg's warriors have captured on a hostile gridiron this season.

The Reserves played a superior brand of ball to their opponents thruout the game, but it was just close enough to be interesting.

Kurtz at the pilot position and A. Schermerhorn at right end were the outstanding factors in the Bulldogs' offensive. Ellwood at half gave a good account of himself, both on the defense and the offense. Betts and C. Rupp also played a good game.

McPherson started the ball rolling in the initial period. A long run by Kurtz netted 25 yards, and following this a completed pass—Kurtz to A. Schermerhorn, placed the pigskin on Little River's 10-yard line. After a penalty of five yards for off-side, another completed pass—Kurtz to A. Schermerhorn, who was over the goal, netted the Reserves their first counter. Rupp's attempt to kick goal was blocked.

In the final period, the same tactics netted the local eleven their second touchdown. A. Schermerhorn got away on a completed pass, flipped by Kurtz, for 15 yards. Kurtz advanced 15 yards around left end. Following this he skirted right end for the remaining 20 yards to the goal for the second touchdown. Rupp kicked goal. Score: McPherson 13, Little River 0.

Captain Schermerhorn made the trip with the team and used the following men: Betts, left end; C. Lengel, left tackle; Stover, left guard; Unruh, center; Johnson, right guard; J. Lengel, right tackle; A. Schermerhorn, right end; Kurtz, quarterback; C. Rupp, left half; Ellwood, right half; Saylor, full back.

Referee—Dr. Saunders, Little River.

The great highroad of human welfare lies along the old highway of steadfast well-doing, and they who are the most persistent and work in the truest spirit will invariably be the most successful.—Samuel Smiles.

Last football game of the season.

Smile Awhile

Mildred: "Who all are going to come to your feed?"

Alta: "Oh, you and P. R. B."

Mildred: "Well that's ONE, who else?"

You can't tell an M. C. boy by the way he dresses, but you can tell him by his "get-up" in a crowded classroom.

She: "No, when I marry I want a man who is game from head to foot."

Gussie: "Well, give me a chance, I've got a game leg already."

Grace Ebaugh: "Do you smoke?"

Paul Kurtz: "Don't you know that I am treasurer of the Anti-Tobacco Association?"

Ruth: "There sure are lots of pig-een-toed girls around this college."

Glenn S.: "Maybe it's because they're so chicken-hearted."

She: "There's a perfect match."

He: "That couple over there?"

She: "Yes, she's a spitfire and he's a stick."

The question among the ladies is to bob or not to bob.

An auto warning seen on Chicago Boulevard:

"Drive slow and see our town
Drive fast and see our jail."

A certain love-lorn lad in the dormitory should guard well his letters when they read something like this—

"Oh, for a look into those beautiful brown eyes of yours."—Stan.

P. S. I have forgotten whether your eyes are blue or black.

Big Bill, while consuming dorm coffee: "Say, a little of this stuff goes a long way with me."

WHAT NEXT?

It has rather been the custom to encourage visitors in all classes, but not when they become so familiar as to sit upon the instructors. Isn't that terrible, Grandma? Well, anyhow, a cat visited American History class last week and jumped up on Professor Craik's lap. Dear me! And right before the whole class.

Your last chance to see the Bulldogs battle on the gridiron this season.

About People

Mrs. and Miss Brown had the unique pleasure of entertaining Mrs. Oscar Höfgen last Saturday night. Mrs. Höfgen is the state chairman of the Fine Arts Committee in the Woman's Federation of Clubs in this state. For four years Miss Brown studied piano under Oscar Höfgen who with Mrs. Höfgen is now living in Lindsborg.

Miss Maxwell, Mr. Stump, and Mr. Carpenter enrolled last week for work in M. C.

Bishop says he's been gone, but won't tell where.

Helen Elliott visited in Lost Springs last week-end.

Dursta of Moundridge spent Sunday with the Browns.

Elsie Forney spent Wednesday night in the Muse home.

The girls are practicing for the tournament basketball games. They promise some good fights.

The Bowser sisters entertained a group of people in their rooms Monday night—taffy, taffy, taffy, and then more taffy.

The Hoones visited Brubaker's Sunday.

Sam Merkey is doing his very best to enlighten mankind's footpaths; his latest effort has been to add "Shinola" to his stock. By the addition of snap-fasteners and hairpins he could have a metropolitan store.

The "ponies" won the first game of football to be captured away from home since conference ball has been played by the Bulldogs. Here's to the Ponies.

The students miss Roland Jones from the Hill and hope that he will soon be about again.

A lot of people are wearing smiles in anticipation of the Thanksgiving guests.

GLADYS EDWARDS TEACHING

Gladys Edwards, a student of last year, is teaching this year in Lamont, Kansas. She is in a three roomed school and teaches some high school work. Her salary is \$140 a month. Miss Edwards' home is in Chanute, Kansas.

Things For Which We're Thankful.

The fixed position of Prof. Craik's specs.

That We are not as Other People.

That there are still some loyal Saints who are too exclusive to mingle with the common herd at a football game.

HOME COMING GAME TO BE ANNUAL EVENT

(Continued from page 1.)

be the Homecoming game for next year.

While Manager Mohler has been busy securing for us a good line of conference games on our home gridiron, he has not been idle in pushing the program for a big annual Homecoming game. It is due to his effort that the game Thursday has been set aside as our first big Homecoming game.

Why should we not have this annual feature? Most of the other colleges in the state have had, or are having, this big feature this year. It is a means of advertising the College and the town. It gives the Alumni an opportunity to come back to the old College halls for a refreshing vacation. It also affords a splendid opportunity to see the kind of work that the College is doing.

By having an Annual Homecoming Day there is nothing to be lost and every thing to be gained. We have established a precedent in staging our first Homecoming game this year and we expect to follow that precedent in the future. Alumni, come to your Alma Mater on Thanksgiving and see your favorites battle the Chillico Indians. Come this year and you are sure to return next year. We are expecting you. Don't disappoint us.

Y. W. C. A.

In the Y. W. Wednesday morning we became acquainted with Carmel, an Italian girl. The sad story of her life was read to us by Miss Derrick. It is so easy in this free and happy land of ours to forget others and think only of ourselves. We must remember that there are just millions of Carmel in this world all hungering and thirsting for the things that we enjoy daily. What can we do to help them?

SENIOR ACADEMY FROLIC

Talk about your wiener roasts, talk about your buns and pickles, talk about the "Last Couple Out" all you want to, but the Senior Academy had 'em all Monday night. Where? In Brubaker's pasture—an ideal place for a hike.

The evening was spent in playing games and eating, after which a short business meeting was held around the "campfire's glow." Then here was a hurried rush for Choral Union, and we left feeling that, although the Seniors never said much they were right there when it came to "doing things."

SELECTIONS OF MAJORS

According to the records in the general office the list of majors of the Senior and Junior College classes and the number of persons majoring in each group is as follows:

PROF. NININGER CHOSEN CURATOR OF MUSEUM

(Continued from page 1.)

bones, including a Sabor Tooth Tiger skeleton, a Giant Sloth, skeletons of prehistoric wolves, lions, bisons, etc., gathered from the world famous fossil bed "Rancho La Brea" located near Los Angeles. Mr. Knau, famous as an entomologist has promised a very valuable collection of several thousand specimens of all kinds which he has collected thruout the country. Mr. Robb, well known for his work in archeology, will donate several hundred valuable specimens of archeological material. Mr. Steven, who for the last thirty-five years has been collecting bird eggs, will donate to the museum fifty sets of birds' eggs.

The building of a fine museum is an important part of the institution's work. The real worth of museum collections cannot even be estimated, for articles collected now will be prehistoric treasures in the hands of succeeding generations.

TEN DORM MEN HAVE UNIQUE EXPERIENCE

(Continued from Page 1.)

brought about thereby, they will be great funmakers when examined in the future.

Great men we have with us: Those fit for chemists, bankers, lawyers, preachers, poets, electricians, farmers, financiers, and GOOD HUSBANDS. The thing we liked best about our friend and in which we believed the least was his perfectly heroic attempt at describing your "to be." Think of the fun when you really get her, to drag out the old scroll and run the list about "her"—then's when phrenology will have to fit or 'bust'!

Our friend is gone, and ten boys still have their heads; and we know of no one who has changed his life plan. It's goodbye to a dollar, but what's a dollar against a barrel of fun. We consider it a bargain to have so great a document as "The Bean-Feeler's Record" in one's private library for so small a sum. Now tell us truthfully, how many would like to endure the rub for the sake of the "Record"?

QUESTION CHOSEN FOR THE ACADEMIC DEBATING LEAGUE

The following question has been decided upon as a permanent question for the pentagonal debating league of Kansas Academics: Resolved: That with respect to immigration and naturalization, the United States should accord the same treatment to Japanese subjects that it accords to the subjects of European nations. This question was submitted as an intercollegiate debate question to the intercollegiate debating league a few weeks ago. McPherson voted for the question at that time. However, it was voted out by the majority of the colleges.

The space of time that intervened between the selection of the college and academy questions gave McPherson an opportunity to submit this unfavorable question to the pentagonal debating league where it was given first place by a large majority. The questions submitted by the contesting academics and the results of the final decisions are as follows: McPherson, first. Question previously stated.

Tabor, second. Resolved: That the United States government should own, mine, and operate all natural resources.

Bethany, third. Resolved: That the people of the United States should adopt a new constitution.

Bethel, fourth. Resolved: That the United States should declare war only by popular vote.

Central, fifth. Resolved: That the labor union has been detrimental to the best interests of the laboring man.

The intercollegiate question submitted by McPherson College received last place in the final decision whereas it received first place as the academic question.

Those who desire to enter the intercollegiate tryout will meet in Room 13, November 23, and draw lots for affirmative or negative sides of the question. The final tryout will be held November 30.

BULLDOGS VICTORIOUS OVER ST. JOHNS ELEVEN

(Continued from Page 1.)

In a dangerous position for the visitors. Budge, however, soon relieved the St. Johns rooters of their agony when he raced around right end for 35 yards. From this position a couple of exchanged punts and an on-side punt by St. Johns found the oval on McPherson's 35-yard line. It was on the next play that Carter, the Bulldogs' 440-yard man, intercepted a pass and romped 65 yards, the distance to the coveted line, for the first counter. Stansel and Carter were sent in at this time and Stansel kicked goal. Score 7-0 McPherson.

Regulars Score Twice.

St. Johns kicked off in the third period. Carter making a 30-yard return. Following this he ripped off 8 yards thru the line. On the next play, a pass, Carter to Stansel, placed the ball on St. Johns' 25-yard line. Eight more were gained in three downs, but the ball was lost on the fourth on a fumble. St. Johns then punted to the 40-yard line, Carter returning 5 yards. On the next play Clark, the Bulldogs' plunging fullback, got thru a wide gap in St. Johns right wing, which had been denied by Mudra and Brunk, and raced the remaining distance to the goal, by a pretty broken field run. Stansel kicked goal. Score 14-0 McPherson.

In the same period St. Johns playing a defensive game between their 33-yard line and 10-yard line, gained possession of the ball, and punted only to their 30-yard line. A completed pass, Carter to Mudra, placed the oval on their 8-yard line. Then in a few seconds Clark crossed the line for his second touchdown. Stansel kicked goal. Score McPherson 21, St. Johns 0.

LONBORG'S STARS TO PERFORM ON "TURKEY DAY"

CLARK,
Fullback.

MUDRA,
Left Tackle.

BRUNK,
Left Guard.

Clark, at fullback, has been one of the best ball jugglers on the Maroon and White eleven, thruout the season. He can always be relied upon to make a gain thru his opponents' line. Clark will undoubtedly be depended upon to make gains thru the Chillico line Thursday.

Mudra the big 195 pound lad from Chicago has been tearing his opponents line to shreds. He and Brunk can always be counted upon to open up a hole in the line. Mudra has been a large factor in breaking up plays while on the defensive. These two stellar men will be expected to dent the Indian line in the "Turkey Day" game—and no small amount of the blunt of the battle will rest upon them.

St. Johns Scores in Final Period.

St. Johns lone counter came in the final period when they were playing a tit-for-tat brand of ball with the Bulldogs Seconds. The Seconds were outgained on their own 25-yard line however, when on a criss-cross play, Barnett, St. Johns right end, went around left end for the distance to the goal. Kendall kicked goal and the score stood 21-7 McPherson.

This was one of the cleanest games witnessed on the home field this year. Both teams were displaying real sportsmanship and this made the game one that was interesting thruout to the loyal supporters of the Hill Eleven.

The line up.
McPherson, (21) St. Johns (7)
A. Schermerhorn L.E. Ross
Schneider L.T. Davidson
Brubaker L.G. Jennings
Betts C. Carrier
J. Lengel R.G. French

Rump R.E. Barnett
Brammell Q. Budge
Ellwood L.H. Zeigler
Kurtz E.H. Kendall
Robb F. Stull

Substitutions—McPherson;— Entire first team epl of second quarter. Entire second team beginning final quarter. St. Johns, Severs for Jennings, Yost for Kendall, Kendall for Stull, Stull for Kendall, Kendall for Yost, Harter for Barnett.
Officials, referee, Morgan of Hutchinson; umpire, Cronin, McPherson; Headlinesman, Gatz, Inman.

BULLDOGS BATTLE INDIANS THANKSGIVING DAY

When "Dutch" Lonborg's crew of gridiron artists face the fast Chillico Indian Eleven on the local field in the "Turkey Day" game, only the developments of the battle will tell the large crowd of spectators, who will gather from miles around to witness the contest, which team will do the scalping, and by the way it is this same spirit of having to "fight to win" that is going to make the game one of the best exhibitions of football ever staged in McPherson.

The Indians were trimmed by the Swedes at Lindsborg the last week of October, by a score of 20-0. However, the game was played on a rainy, disagreeable day and Indians never did like a mud hole for a sporting ground. Last week's game showed that Bethany and Southwestern are pretty well matched and Southwestern romped on the Indians in a pre-season game by the neat margin of four touchdowns. The Bulldogs outplayed the Swedes and from this line of reasoning we are doped to win.

Lonborg has put his men through a hard siege of training for this game and he knows very well that he may expect most anything from the Chillico tricksters, and we are going to leave it to "Dutch" and his warriors to do our share of the worrying. We are optimistic to the nth degree, and what's more, we are going to BOOST! BOOST! BOOST! for the great event of our first Homecoming Day.

CONFERENCE RESULTS

Fairmount 7; Sterling 0, at Sterling.
Southwestern 10; Bethany 7, at Lindsborg.
St. Mary's 14; Washburn 3, At Topeka.
Baker 13; Kansas Wesleyan 0, at Baldwin.
