CAGERS DIVIDE GAMES AT WINFIELD AND WITH THE WICHITA SCHOOLS

Bulldogs Defeat Friends and St. John's But Lose To Fairmount And Southwestern

DEFEATS CAME AS SURPRISE

Hill Played Well For The McPherson Five, Scoring Fifty-Five Points On The Trip.

The Bulldog cagers returned Friday from their southern trip with two victories and two defeats to their account. Monday evening they took their first game from the St. John's quintet, 26-18 and Tuesday the Builders at Winfield handed the Bulldogs a 35-27 defeat. The Shockers of Fairmount College overwhelmed the Canines Wednesday evening and took the long end of a 46-25 score. The day following the Bulldogs staged a comeback and easily defeated the Friends team 32-19.

Bulldogs Overcame Lead.

The Bulldogs took their first game of the trip from the St. John's team Monday night. The McPherson team was clearly the outstanding team but due to the difficulty that the forwards experienced in locating the basket, the St. John's team turned in a 9-6 lead at the end of the first half. However, the McPherson team rallied and staged a great comeback in the second half which swept the St. John's team off their feet and permitted the McPherson team to take the long end of a 32-19 score.

Mishler's crew tasted its first defeat this year at the hands of Southwestern, the old rival of the McPherson team. The last year champions, who had been doped to lose to the fast Bulldog team, for the first time this year showed the form which has made Bates' crew so famous.

The Builders took the lead early in the game, McPherson again experiencing some difficulty in getting started. It was this failing that finally cost them the game, for when once they got started they were able to hold their own. Besides the speedy and good basket work done by Hill, Gardner and Henderson, "Si" Sargent's work was the outstanding feature of the game. The Southwestern center, a tall and

100 PER CENT FOR THE ENDOWMENT!

TABLES WERE TURNED AT LEAP YEAR PARTY

GIRLS ARE GIVEN RIGHTS THAT COME WITH THE QUAD- RENNIAL EVENT

Tables were turned, and much to the evident discomfort and hilarity of both the gentlemen and the ladies, when the Y. M. C. A. and Y. W. C. A. joined in giving a leap year party in the College Chapel January 18.

"Matron, will you have the occupant of room 25 paged? Here is my card. Thank you, porter; take this for your services."

While waiting those few seconds for said party to be paged, the young lady, forgetting that she was playing the masculine role, pulled out her powder puff and dabbed on a little extra for good measure.

It was the young gentleman's turn to forget himself now, and to start to open the door, but he was soon reminded that his job was to wait for his escort to do it.

Upon entering the assembly, all the couples seemed to be at sea as to proprieties, but by the aid of the policemen and a number of printed instructions on etiquette, the duties of each became better known.

Maggie and Jiggs appeared on the scene, and gave the leap year couples an idea of how a leap year couple really acts in married life.

"Dirty Moore's Restraint" proved an attractive corner when the smell of corned beef and cabbage fell upon many hungry subjects; however, each had to be identified by Dirty himself before his credit was good.

After the "grub" had been devoured, the ladies escorted their gentlemen friends home, and to several of them remarked that they were glad that they did not always have the boys' burden of escorting someone around.

KURTZ SPEAKS ON LIFE WORK OF A MINISTER

The ministers of McPherson College held their first meeting after vacation Wednesday evening January 9. Those who attended were greatly inspired and encouraged by a lecture given by Dr. Kurtz. He thought was the life work of a minister. He said, "Many will not enter the ministry because it is too small a job." Dr. Kurtz proved that the minister should be a broad man with great ability in order to be successful in leading people to Christ.

Those present greatly enjoyed the lecture and felt that others should have heard what Dr. Kurtz had to say. A meeting is held every two weeks which is open to all.

A ONE HUNDRED PERCENT GOAL

The final drive in the endowment campaign on the campus will be over this week. The committee in charge has for their motto, "One hundred percent of the student body behind the endowment." The issue is with each individual, and the united support of the student body is needed to reach the goal.

Seven years ago the students, at their own instigation, raised \$11,545 at a time when the College was facing a crisis similar to that which it is facing today. The present student body has this record to maintain, and those in charge of the endowment drive feel certain that they will not be disappointed. D. S.

BIBLE INSTITUTE WILL CONTINUE THIS WEEK

MANY VISITORS ARE ON CAMPUS TO ATTEND ANNUAL EVENT AT M. C.

The Bible Institute is in progress here and will continue through the week. With the exception of a few changes the program remains as announced last week. Many visitors are on the campus to get the benefit of the Institute.

The Reverend J. W. Lear, of Chicago, preached to the congregation Sunday morning and evening, and has given two of his lectures at ten-thirty on "The Church," based on Ephesians. At nine yesterday morning he spoke on "Supremacy of the Human Will" in the absence of the Reverend H. E. Blough, who took the two-thirty period in exchange. This afternoon at two-thirty he will give "The Power of Self Esteem"; this evening, "Discipline"; and tomorrow at two-thirty, "The Need of Religion." His lectures have created much interest; he is a ready speaker with forceful delivery and magnetic personality; he has a message.

Church problems are being effectively discussed by the Reverend H. E. Blough, of Wiley, Colorado, who has the nine o'clock hour. The subjects are as published last week.

The lecture yesterday at one-thirty was given by Miss Lucy Frances Johnson, secretary of the county welfare board, on "Co-operation between the Community and the Church in Social Work."

Sometime Thursday the Reverend G. H. Shamberger, of Elgin, Illinois, secretary of the Young People's Movement, will give an address.

Dr. Kurtz has chosen his lecture, "Peace", to give Wednesday evening. The remainder of the week's program is as scheduled so far is known at present.

STUDENTS ASSEMBLE IN MASS MEETING TO LAUNCH FINAL DRIVE

Meeting Was Called by S. C. To Close
Endowment Campaign In
Student Body

ONE HUNDRED PERCENT IS AIM

"Every Student Pledged by Wednesday Evening" Is Goal Set by
Student Committee

Determination to win was on the faces of a crowded roomful of students who assembled at a mass meeting in the Chapel at ten-thirty yesterday in response to a call by the Student Council to close the endowment campaign in the student body with a one hundred per cent subscription.

David Brubaker gave a short prayer for the success of the campaign, after which John Harnly and Ocie McAvoy led the students in rousing cheers and songs.

Majority of Students Wear Tags

Under the direction of John Harnly those students who had pledged were given tags, and subscription blanks were given to the others, the greater part of whom pledged immediately. The tags reading McPherson College, IT MUST BE DONE, 100% \$350,000.00 Endowment were worn by almost every student who left the room.

David Brubaker Gives Challenge

David Brubaker, in a stirring speech interrupted by frequent and vigorous applause, declared, IT MUST BE DONE by ten o'clock Wednesday evening! He called on the old Bulldog Spirit to support our cause because we owe it to ourselves, to our successors, and to our posterity, that McPherson College shall raise her endowment. Encouraging statistics were presented. "We have gone so far on our journey; the arrow points onward and upward to victory. \$350,000.00 must be on our books before this game is over."

As John Harnly then stated, "The fight is on," and McPherson College is determined that the student subscriptions shall be ONE HUNDRED PER CENT before the campaign is over.

SHAMBERGER MAY APPEAR ON PROGRAM THIS WEEK

The Reverend C. H. Shamberger, of Elgin, Illinois, secretary of the Young People's Board of the Church of the Brethren is to arrive in McPherson January 24, and if arrangements can be made, will be secured for several numbers on the Bible Institute Program.

The Reverend Mr. Shamberger is in this country in the interest of a Young People's Conference of the Church of the Brethren in the central states.

Should he be available for any lectures during the Institute, all will wish to hear him, for he is a big man with a strong personality.

Aid Society Has the Good Things to Eat

The Aid Society of the Church of the Brethren will serve dinner and supper on Wednesday, Thursday, and Friday in room six this week. These meals are being served for the benefit of the visitors, the students from the city, and any dormitory students who may for any reason desire a little variation from their usual diet. The food is guaranteed to be nourishing, and to please the most fastidious appetite. What do you want for dinner? They have it. Supper will supply your wants as well as dinner. Fellows, bring your purses and your girls. You like variety; so does she. Girls, if no one else will bring you, come anyway. Come and get your share.

A MATTER OF INVESTMENT.

The Bible Institute, which is in progress at the College this week, ought to be attended by the students, not as an obligation, or as a matter of respect to the speakers, but as a most valuable investment of time.

The Institute is held at the beginning of the second semester in order that the students may give more time to the excellent lectures and talks. Anyone who has attended the Institute in the past will appreciate the opportunity for personal growth and inspiration, and attend as many of the talks as possible.

Y. M. C. A.

Pop, pep, pep characterized the Y. M. C. A. meeting last Wednesday morning which was held in the Chemistry room of Harnly Hall. The fellows were feeling so happy and glad over the coming examinations that they had to give way to their excess feelings in the form of song. The whole hour was spent in this way. Despite the fact that there was no piano in the room the boys did quite well, keeping in "close" harmony all the time. A benediction by Professor Ebel closed the meeting.

Y. W. C. A.

The devotionals of the Y. W. C. A. meeting Wednesday morning were led by Margaret Wall, after which the girls who attended the World Student Volunteer Conference held at Indianapolis, Indiana, gave interesting reports of their trip and the meetings. The watchword of the meeting was "The Evangelization of the World in This Generation." Margaret Wall emphasized the different nationalities, the art exhibit, and the work of a Y. W. C. A. worker, and Mabel Hoffman gave a short summary of the discussion groups and the race problem.

DR. KURTZ GIVES LECTURE AT METHODIST CHURCH

Dr. Kurtz delivered his famous lecture on "Peace" at the Methodist Church, January 13, this being the main feature of the jubilee program sponsored by the local W. C. T. U. in honor of the adoption of the eighteenth amendment.

In his lecture, Dr. Kurtz said that ninety-five per cent of the causes of war are economic. The wealth grabbers cause the trouble. War in itself is a failure because it settles nothing and is very costly.

There are three things, according to Dr. Kurtz, which will make war impossible. "Create a friendly sentiment, good will among nations of the world; crystallize these sentiments into agreements, into a body of international law; protect and apply these laws by a world court in which all nations should have a part.

ROCK SUCCEEDS BISHOP ON QUADRANGLE STAFF

Kenneth Rock will take the place of W. E. Bishop as feature editor of the 1924 Quadrangle. Rock is an able man for the position, having done previous work as artist on the Quadrangle and also on the 1922 Torch of Dickinson County High School. Quadrangle subscribers will be much interested in the feature book this year.

Mr. Bishop has been forced to discontinue his work and to stop school because of ill health.

I wondered!

Our College Song

Arise now ye sons of old M. C.
Stand firm with true courage and strong;

Our college inspires our allegiance,
Now raise high her colors with song.
Faithful now to our dear alma mater,
We must stand brave and true for her fame;

Thill all through the world shall be lauded,
With glory and honor her name.

CHORUS:

M. C. M. C.
Follow her standard of truth, life, and light!
M. C. M. C.

Wave proudly her colors, the dear red and white!

Now onward and upward M. C. we support thee,
Go forward to victory.

Press on heart to heart for McPherson;

Let her light shine abroad through the land;

Let the work of her sons and her daughters,

Be noble and pure and grand,
Let no blot mar her name on our annals

But contend for her honor—
Be strong!

Press on—let no foe ever vanquish
For to her doth victory belong.

INSTALL FIRE EXTINGUISHERS

Ten two and one half gallon Knight and Thomas fire extinguishers were installed in the three dormitories January 19. Four were placed in Fahnstock Hall, three in Arnold Hall, and three in Kline Hall, there being one on each floor. The extinguishers are guaranteed to throw a stream through a distance of fifty feet.

WILL BUILD TWO FIRE ESCAPES ON KLINE HALL.

Fire escapes will be constructed soon, one at each end of Kline Hall, by action of the Board of Trustees in its last meeting, January 14. One fire escape will be connected to both the second and third floors, making the two all that are necessary to make a rapid exit possible.

TO DISCONTINUE SCHOOL WORK.

Everett Brubaker, assistant editor on the Quadrangle staff, and also on the Spectator staff, has decided to discontinue his school work for this year. He has sufficient credits to graduate with the senior class next spring and will probably return for commencement.

HIGH SCHOOL WINS FAST GAME FROM SALINA FIVE

The McPherson High School cagers defeated the Salina High School basketball team last Friday in a hotly contested game, by a 16-14 score. The second team of the local high was defeated 19-11 in a curtain-raiser for the first team game.

The Salina team took the lead early in the game, scoring ten points before Uhrlaub's warriors were able to get started. The score at the end of the first half was 12-5 in favor of the Salina aggregation. In the second half the McPherson team cut loose, and by close guarding and determined offensive work, piled up 11 to their opponents 2 points. The score when the final whistle blew was 16-14 in favor of the McPherson team. St. Sargent officiated in the first game and Coach Misher refereed in the final game.

Local Summer School Organized.

Arrangements for the McPherson College Summer School are practically completed, with Professor J. A. Blair as chairman of the committee. The other teachers will be Professors Morris, Craik and Mohler. A tentative program of the courses has been prepared and those interested should see Professor Morris. A total of eight college hours may be secured or a maximum of one unit in the academy. Stress will be placed on courses leading to teachers' certificates. The state law allowing a certificate for eight hours of prescribed work has made this feature especially attractive to high school graduates. There will be an unusually wide range of courses from which to pick this summer. The term will begin on May 26 and continue to July 18.

Sacred and Legendary Art

In very early art we find colors used in a symbolical or mystic sense, and, until the ancient principles and traditions were, wholly worn out of memory or set aside by the later painters, certain colors were appropriated to certain subjects and personages, and could not arbitrarily be applied or dispensed.

Red, the ruby, signified, divine love, the Holy Spirit, heat, or the creative power and royalty.

Blue, or the sapphire, expressed heaven, the firmament, truth, constancy, fidelity.

Yellow, or gold, was the symbol of the sun, of the goodness of god, initiation or marriage, faith or fruitfulness.

Green, the emerald, is the color of spring, of hope, particularly hope in immortality, and of victory, as of the color of the palm and the laurel.

Violet, the amethyst, signified love and truth, or passion and suffering; hence it is the color often worn by martyrs.

Gray, the color of ashes, signified mourning, humility, and innocence accused.

Black expressed the earth, darkness and mourning. White and black together signified purity of life.

Bethel College, Newton, has launched a drive for a new science hall by the fall of 1924.

The last feature of the evening was the mock wedding ceremony with Mrs. D. W. Kurtz officiating. As the wedding march was being played on the victrola Miss Ruth Shoemaker as groom led the blushing bride to the altar. After congratulations Miss Helen Elliott, representing the senior girls, presented the bride with a lovely table mirror, and cut glass dish, filled with violets. GLEE CLUB APPEARS IN FIFTH CONCERT

The Ladies' Glee Club motored to Ramona last Tuesday where they appeared in concert to an appreciative audience. This was the fifth concert given by the organization, and everywhere they have gone the program was well received. They are showing unusual musical ability at this time.

Miss Mildred Fisher, Mrs. Gaw and Mrs. Birkin were the soloists for the glee club. Mrs. Gaw sang "The Swallows" by Cowen and "The Lass with the Delicate Air" by Arne exceptionally well. These numbers met with a hearty applause. Herkie Wampler, who also accompanied the group, "Mattinata by Tosti" and the Zephyr, a Mexican folk song arranged by La Forge in a pleasing manner.

As for the entertainment which the girls received much could be said. They were royally entertained during the supper hour in the homes. The unique feature of the trip is the fact that one car load was compelled to return home behind chains, occasioned by the lack of gasoline.

McPHERSON COLLEGE

A Standard Accredited School
School of Fine Arts
SPECIAL ANNOUNCEMENT

Miss Fern Lingenfelter has been secured as Assistant in Piano and will make a specialty of class work for children from four to twelve. She will use Towsley's System of Musical Kindergarten which will require only a small amount of home work, is very efficient in teaching Piano to children, and is becoming very popular.

Statistics show that 85% of all students entering the Universities and Conservatories for higher education in Music have to go back to the very beginning because of faulty instruction in their starting. See that your child begins properly.

Six students will be enrolled in a class, and one hour each week of class work and one private lesson each week will be given for eighteen weeks for \$18.00.

Enrollment for these classes will be at the down town studio on Monday, Sept. 17 from 2 until 5 P. M., and at the College from three until five on Tuesday. Classes will be given at both places, and time arranged after enrollment.

MISHLER'S TEAM FACES COYOTES AND SHOCKERS

MEET SALINA WESLEYAN TUES-
DAY EVENING AND FAIR-
MOUNT THURSDAY

Coach Mishler's crew will get but a short rest after their strenuous trip last week. They will play the Wesleyan and Fairmount teams on their home court this week.

Tonight they meet the Kansas Wesleyan quintet. According to reports the Coyotes will not have a very strong team, for they were defeated by the St. Mary's team who has succeeded in capturing only that game out of the four that it played. However the Bulldogs will not be in the best of condition, so a hard fight may be expected.

Thursday night they meet their last week's enemy, Fairmount, at whose hands they received such rough treatment. The Bulldogs will be in good condition by that time and Coach Mishler is determined that the score shall be reversed, and no less determined is any man on the team.

GAMES AWAY

Jan. 30., Bethel, Newton.
Feb. 1., Washburn, Topeka.
Mar. 4., Bethany, Lindsborg.
Mar. 5., Salina-Wesleyan, Salina.

See the basketball team in action both Tuesday and Thursday evenings.

Duke "Duke" Strickler, guard, will lead the Bulldogs against the Kansas Wesleyan quintet in the gymnasium tonight. Captain Strickler is a consistent player; he was in the game every minute in last year's schedule, and in the five contests this season. Duke is playing his second and last year for M. C.

Fairmount College, by defeating the McPherson College team, won its first conference game this year. The result of the game was as surprising to the Shockers as it was to the Bulldogs. McPherson by defeating St. Johns was hoped to win from Fairmount, who had succumbed to the latter team. But the dope did not work true. The Bulldogs due to the two previous games, to lack of sleep, and traveling, were not at their best and did not do their usual brilliant offensive and defensive work.

Fairmount soon took the lead and due to the weak defense of the Bulldogs rolled up a score which threatened to double that of their rivals.

Quakers Again Defeated.

Of the next night's game the Wichita Eagle says, "McPherson College showed the Friend's University how to play the game of basketball last night, triumphing over the Quakers in rather easy style. The short pass work of the visitors had the Quakers guessing most of the time. The Quaker defense was precarious, time and again allowing the McPherson forwards to sift through for short shots." The game was close for the first few minutes but McPherson soon piled up a lead which they kept increasing throughout the game.
