

KAN. WESLEYAN NINE WILL MEET BULLDOGS IN SEASON'S OPENER

Mishler's Baseball Team Promises
To Be The Strongest Nine In
Recent Years.

KOLZOW TO START IN BOX

Only Three Letter-Men On Team;
Captain Hal Barton To
Start At Short.

The McPherson College Bulldogs, this time in the guise of baseball uniforms, are again ready to battle for their Alma Mater. The first game of the season with Kansas Wesleyan University, which has been changed from April 17 to April 16, will be played this afternoon on the diamond north of the gymnasium. Since the pitchers, Kolzow and Thomas, are old high school rivals, the game promises to give a thrill to all M. C. baseball enthusiasts.

The Team Looks Good

In the several practice games with the city team, the College nine has held their own in fine shape. Last Friday evening, against the Conway team, Mishler's boys had their opponents far outclassed, as it easily seen by a score of 8-1 at the seventh inning.

Only Three Letter-Men on Team

First and second base and left field will probably be held by Sargent, Strickler, and Fisher respectively, the letter-men around whom this year's team is being grouped. The battery will, no doubt, be Kolzow and Kabin, while the other infield positions will be taken by Mast at third, and Captain Hal Barton at short.

Outfield Should Be Strong

Out in the field there are three good men: Ellwood, Rock and Fisher, who have had lots of baseball experience. The students know by past records what Fisher can do. Rock and Ellwood have both played on high school and city teams, and promise to add much to the team's offensive strength.

This line-up, with Hahn, Eakes, Kuna, and Rhine as alternates, has put in several weeks of hard work, and with the support of the students, should start the season with a victory against the strong Salina team.

M. C. Red Jackets Make Life Merry For New Members

Three blasts on the whistle! Up popped red jacketed men from everywhere! From class on the fourth floor of Harnly Hall to the basement of Fahnstock Hall; all else went unheeded save the three blasts. Ah! The chase had begun, and only the charging of the "Red Jackets" could be heard. Then for a moment silence, and soon a familiar sound floating in on the balmy spring breeze.

It seemed to be a tattoo of hoard against plank. Was it someone beating a rug? No. Now I have it. I am reminded of the time when father took brother behind the woodshed. The sound was the same. Later it was learned that Paul Kurtz received a bad paddling for refusing to obey orders.

Dr. Kurtz left for a week's lecture tour Thursday morning, and was glad to take advantage of the shoe-shining service on the campus before he left.

At chapel John Harnly could hardly keep the rooster quiet; yes, the same one that Cec went to the grave yard after, and that Rufus later found in his closet.

About noon Eakes, for some unknown cause, made a daring jump from a second floor window of Science Hall. (The building wasn't on fire, and Eakes never shows off.) He

MEMBER OF SENIOR CLASS TO BE COLLEGE LIBRARIAN

Miss Margaret Heckethorn, a member of the Senior Class of McPherson College, has recently been appointed by the trustees to the position of College Librarian for the coming school year. Miss Heckethorn will take the position left vacant by Miss Margaret Walters who has secured a leave of absence for the next year to do graduate work at Berkeley, California, taking her master's degree in Library Science there next spring.

Miss Heckethorn has completed a Library Science course this year, and has served as assistant librarian in preparation for her position. She will take her bachelor of arts degree this spring, majoring in mathematics. The student body extends to Miss Heckethorn their best wishes for a successful year.

Several good roosters for sale. Guaranteed to be good runners. "M" Club.

GYMNASIUM EXHIBITION RECEIVES HIGH OVATION

ELEVENTH ANNUAL PROGRAM IS
WELL ATTENDED BY THE
STUDENTS

Wasn't that Cowboy Drill good?" "Those boys, Fisher and Hill, surely are limber fellows." "Sid Sondergard in the center of a pyramid set it off about right." "Isn't Coach Mishler a star in the gymnasium?" These were some of the current expressions on the campus last week after the eleventh annual gymnasium exhibition Tuesday night.

Spectators Were Thrilled
The gym was well filled by an audience that responded readily to the various situations, as was evidenced by the "Oh's" and sighs as Fisher fell about thirty feet from the rings—almost, or Eby hit Burgin beside the jaw—almost.

Of the many outstanding events, the Cowboy Drill and the Wand Drill probably deserve special mention. Both events showed the results of untiring efforts at practice on the part of the coach and every fellow taking part. Indeed Coach Mishler and his troupe of actors are to be heartily congratulated for the splendid entertainment which they afforded such a large and responsive audience.

Orchestra Furnished Music
Music for the affair was furnished by Professor Lauer and a selected orchestra composed of Winston Cassler, Russell Jones, Loren Curtis, and Howard Sager. The lucky boys of the evening were those belonging to the Senior-Sophomore group, winners of the obstacle relay.

The program of the evening follows.

Overture by the Orchestra

- | | |
|------------------------------------|--|
| 1. Wand Drill | Men's Gym Class |
| 2. Flying Rings and Horizontal Bar | Advanced Gym Class |
| 3. Informal Games | Academy vs. Freshman College |
| 4. Volley Ball | Selected |
| 5. Cowboy Drill | Selected |
| 6. Pyramids | Selected |
| 7. Tumbling and Parallel Bars | Advanced Gym Class |
| 8. Formal Combative | Selected (Boxing and Wrestling) |
| 9. Inter-class Obstacle Relay | Junior and Freshmen vs. Senior and Sophomore |
| Finale — Song "Our College Fair" | |

must have been in a hurry to get away from someone.

Then Frank Barton was seen kneeling front of seven of his best friends. (One at a time; maybe he was trying to be polite.)

The Red Jacket Brigade was returning by now—full chested, rose cheeked, merry men were they I have them all in my book of memory, calling back those days of Youth and Fun.

VACANCY IN HISTORY DEPARTMENT WILL BE FILLED BY C. R. KEIM

He Will Not, However, Take Charge
Of Work Until The Fall
OF 1925.

IS STUDYING AT CHICAGO U.

Professor Keim Taught at M. C. Last
Year; Is Working On Doctor's
Degree.

Professor C. Ray Keim, A. B. '18, Manchester College, has been elected to head the history department at McPherson College, recently vacated by the resignation of Dr. E. L. Craik. Professor Keim intends to continue his graduate work next year, and so will take charge of the department here in 1925.

Taught in M. C. Academy

Professor Keim was instructor in history and psychology in McPherson College Academy in 1922-23. He is now studying at the University of Chicago, and will take his A. M. degree in history this spring. He will take graduate work this summer and

PROFESSOR C. RAY KEIM
the following winter and summer, which will leave but little work toward his doctor's degree incomplete.

Professor Keim is a competent and well qualified instructor, and with his advanced preparation for teaching history, will make a department head of whom McPherson College may well be proud.

DR. KURTZ GIVES ADDRESS TO TOPEKA ROTARY CLUB

Dr. Kurtz proved to be the outstanding speaker at the twelfth district Rotary conference, held at Topeka last week, despite the fact that many men of nation-wide fame talked from the same platform. Dr. Kurtz gave his address before the Club last Friday on "Rotary and World Fellowship."

"Fellowship is the sharing of life," said Dr. Kurtz. "It is based on a common purpose, a common task, a common interest, or a common fear. Men associate together in their common life for the joy of fellowship, the pleasure of companionship, and the increase of power for the promotion of their cause. Our fellowship is to enrich these human values for the entire race of men. This is our vision, and this our task."

PROFESSOR HESS JUDGES DEBATE AT PARK COLLEGE

The debate between the College of Emporia affirmative and Park College negative at Parkville, Missouri, Friday evening, resulted in a two to one victory for the Emporia school. The judges were Debate Coach Maurice A. Hess, of McPherson College; Supt. L. H. Pettit, Chanute; and Debate Coach C. G. Wright, of Atchison High School.

Park is a co-educational school of about 450 students, including an academy of about 50. It is situated on a high bluff along the east bank of the Missouri River, about twelve miles above Kansas City. The buildings are chiefly of cut limestone. A library has recently been completed, and a science hall is under construction.

GARMON DARON RECEIVES VALUABLE SCHOLARSHIP

Garmon Daron of the class of '24 has recently been notified that he has been awarded a scholarship including a stipend of \$800.00 in the department of zoology in the University of California for the year 1924-25. In addition to working out his master's degree, he will be assistant to Dr. Charles A. Kofoid who is one of the leading zoologists of North America.

Mr. Daron is to be congratulated for obtaining this appointment for advanced study in the largest university in the world. He was recommended very highly to the Berkeley school by Professor Niningger, having made a splendid record in his work here.

The attainment of this steady, hard-working, intelligent student is a good example of the reward in store for those who are willing to apply themselves to a task.

FINAL SPRING ELECTIONS TO BE HELD THIS WEEK

STUDENT COUNCIL OFFICERS
AND CHEER LEADERS WILL
BE CHOSEN FRIDAY

Election of the president and the treasurer of the Student Council, and the cheer leaders for the next school year will take place Thursday and Friday of this week. The chapel period Thursday morning will again be given to the Elections Committee of the Student Council, and balloting will follow immediately. The coming election promises to be fully as interesting as those held last week.

Cheer Leaders To Try Out

The campaign for the election of the president and treasurer of the Student Council will be conducted in the same manner as were those for the editors of the Spectator and Quadrangle. The election of the cheer leaders will be slightly different. The candidates for this position were selected by their respective classes, one candidate being allowed for each of the nominating groups. Instead of speeches by the campaign managers, the candidates will demonstrate their ability for the office by leading their classes in yells.

Primary elections will be held in chapel next Thursday morning, and the final elections will be held at the same place Friday morning. The booths will be open from 10:30 until 12:30 of both days.

NININGER WRITES ARTICLE

The supplement to the Sunday Wichita Eagle of April 13 contains a rather lengthy article from the pen of Professor H. H. Niningger of McPherson College. It is entitled "Gathers 100,000 Specimens of Bugs in Life," and is an appreciative sketch of the life and work of Mr. Warren Knaus, of our city, who is known among scientific men as one of the greatest collectors of beetles in the world. Mr. Knaus is a close friend of Professor Niningger and in their research work there has been ample opportunity for the men to study each other. The results of one man's study are embodied in the article referred to. Mr. Knaus's picture and that of a beetle adorn the first page of the article.

ELECTION SLATE

- | | |
|----------------------------------|------------------|
| For President of Student Council | Stanley Keim |
| | Jay Eller |
| For Treasurer of Student Council | Milton Dell |
| | Marlin Kelley |
| For Cheer Leaders | Sauquel Kurtz |
| | Harold Strickler |
| | Kenneth Rock |
| | Fidella Frantz |
| | Anna Mae Edgcomb |
| | Goldie Vickers |
| | Ocie McAvoy |

THIRD ANNUAL SENIOR FESTIVAL IS LARGEST EVENT IN ATTENDANCE

Over One Hundred And Fifty Graduates Are Guests of M. C.
For One Day

FROM SEVENTEEN SCHOOLS

McPherson High School Athletes
Star In The Field And
Track Events

Over one hundred and fifty seniors from the county and nearby high schools were present last Saturday at the Third Annual High School Senior Festival at McPherson College. Although the weather Friday morning was not promising, the Festival day was ideal, which, with a large representation of seniors, made this the most successful event of its kind ever held at M. C.

The visitors came from seventeen high schools, including the McPherson county schools and other towns such as Newton, Lyons, Ramona, Chase, and Little River. Many alumni who are teachers in these schools were present at this event.

Mishler Gave Demonstration

Proceedings began promptly at 1:30 p. m., in the gymnasium when the Physical Training Department under Coach Mishler gave an excellent demonstration of various gymnasium feats. At 2 o'clock the crowd witnessed a track, field, and tennis meet between the senior athletes. McPherson High School tracksters starred in these events.

Winners of the tennis doubles were Krehbiel and Harrison of McPherson, while second place went to Johnson and Boyd of Roxbury. Singles were won by Krehbiel, with Johnson second. On the athletic field keen competition was witnessed.

Discus

1. Leo Crumpacker, McPherson.
2. Bowlus, McPherson.

Broad Jump

1. Johnson, McPherson
2. Robb, McPherson.

100-Yard Dash

1. Neal, Lyons.
2. Crumpacker, McPherson.

Time 11 seconds

220-Yard Run

1. Showalter, McPherson.

(Continued on Page 3)

Two M. C. Students Build Up a Large Trade In "Pills"

Among an array of test tubes, mortars, beakers, and evaporating dishes, sat a youth who saw through the profusion of odors and differently colored hazes, the beginning of a vast and powerful strong business.

Here he was accustomed to sit each day and try to figure out what it is all about. He was mind-rambling one afternoon when it occurred to him that he might concoct those heterogeneous odors and tastes into something profitable and beneficial.

Knowing that bad tastes and bad odors were disagreeable, and being scientifically inclined, he knew that by combining those disagreeable compounds, and putting them into disagreeable stomachs, a definite and opposite reaction would follow.

But the public could not be so easily convinced of this art until manifestly made present. So another obstacle was surmounted in the combination. The pills were nicely adorned with bright, attractive vltra violet coloring. This wonderful production is through the ardent efforts put forth by Jay Eller and Earl Morris in their earlier days at M. C. while working at the "Pillary." How they conduct such a "strong" business will be vividly portrayed at the Junior Play, to be given April 25 at the opera house.

SOMETIMES—

We make a failure of living in our rushing intensity to live.

Our "Highlights Beautiful" loom up so grandly and captivate the eyes so that they fail to see even the first step.

We are not happy because we are trying so hard to be happy.

We spend our lives trying to get what we want, and when we once get it we worry ourselves to distraction for fear we cannot keep it. And if we lose it, we are probably worse off than if we never had it.

We get to be so good that we are bad.

We are so consumed in our consideration of the "omegas" that we entirely forget the "alphas." Just about how soon will we "get there" when we do not take time to start?

We want to do something so bad that we don't do anything.

After all, is it not unique—this simple art of living?

—The Unbobbed One.

Y. M. C. A.

A very pleasing program was given before the men of the Association last Wednesday morning by several members of the Y. M. C. A. It was a return program, the Nutsenholmer Musical Troupe of the Y. M. C. A. having previously entertained the Y. M. C. A. After a few announcements, Margaret Mikesell led the devotion. A vocal solo, "Ave Maria," was then given by Aenid Gray, followed by a violin solo, "The Spring Song," by Wileta Durst. Rozella White then gave a short reading, entitled "If You Had a Friend," and Fern Lingenfelter concluded the program with a piano solo.

PLANS ARE UNDERWAY TO LIMIT SCHOOL ACTIVITIES

Everyone realizes the need for some curtailment of the many activities that are taking the students' effort and time from their studies. A joint faculty and Student Council committee, which has been working for some time for a solution of this problem, submits the following report:

A. A committee to be known as the committee of extra-curriculum activities, shall have general charge of the regulation and distribution of such activities.

B. This committee shall be composed of two members from the faculty, appointed by the president, and two members from the students, appointed by the Student Council.

C. This committee shall schedule dates for all extra-curricular activities, and no extra-curricular activity shall take place without having been scheduled by this committee.

D. There shall be the following limitations on student events:

1. Football. Not more than six first team games shall be scheduled, four of which may be on the home field. No second team games shall be scheduled for the home field. Ten first team games shall be scheduled, six of which may be one the

2. Basketball. Not more than home court. All second team games shall be played preliminary to first team games. Public tournament games shall be played outside of study hours.

3. Spring Athletics. Not more than two baseball games, two tennis matches, and one track meet shall be scheduled for the home field.

4. Public student recitals shall be held, as far as possible, outside the study hours.

5. This committee shall endorse no program to which there is admission in addition to the student activity ticket, without first securing the consent of the Student Council.

The Student Council has recommended that the maximum number of basketball games be changed from ten to twelve. The faculty has recommended that spring athletics be limited to five meets, instead of limitations being put on specific events.

Any person or persons having serious objections to this program, should see a Student Council representative, so that their objections may be considered at the next meeting.

TEACHER TRAINING CLASS ASSISTS IN MEXICAN WORK

The first year Teacher Training Class has ceased theorizing on mission needs, and has gone to work. There are a great many Mexicans in McPherson who are willing to be taught English, and when the Spanish-speaking members of the class offered their services, they were gladly received. Due to the increase of teachers, it has been necessary to start a new mission section which meets each Sunday afternoon. A great deal of interest is being shown in the work.

STUDENT OPINION

We have been hoping, and are hoping still that the time may come when, at least in an enlightened community, civilization will reach the stage where social affairs between the boy and girl will be respected to such an extent that they will not become an object of gossip.

When certain individuals are forgetting themselves to such an extent that they make soft comments on people who visit the parlors for the purpose of speaking to a lady friend, things are strangely pointing towards the sad truth that some people have failed to get rid of the common view of regarding the social affairs of others as an object of curiosity.

Friendship is too sacred and rare to be trifled or interfered with. Whenever the laws of friendship are violated, more than one suffers. The result is that faith and open-mindedness give way to suspicion and distrust.

No one would expect secrecy in his social affairs, neither would anyone have objection to a joke; but when things are carried to such an extreme that a person entering the parlors must do so at the risk of his personal self-respect, together with that of the lady he is wishing to speak to, conditions are approaching a point beyond endurance and respectability.

Contributor.

SECURES ANOTHER SPECIMEN

Professor Niningger came into the possession of another meteorite recently when he answered an invitation to examine a specimen then in the possession of Mr. Clarence Faris and Mr. Hempbell of Hutchinson, Kansas. It was asserted that the specimen had been seen to fall by the party who dug it up.

The meteorite proved to be a fourteen and one-half pound mass, angular in form, and looked as if it had been broken from a lens-shaped mass of three or four times its size. In many ways the piece looked like a fragment of volcanic lava. It had a strongly fluted and circular surface.

One day last June while Mr. McComb was looking over his field of wheat his attention was attracted to a strip of white looking grain near the center of the field. He found the spot to be scorched and at one end of the strip had been burned to the ground. There the meteorite had been embedded in the earth to a depth of seven feet. Mr. McComb sold the meteorite to Mr. Faris, who later turned it over to Professor Niningger.

The Easter Spirit

Again the Easter tide draws near, turning our thoughts to that first Easter morning. We see a Figure in splendor and glory, riding triumphantly from a sealed sepulchre—we see Him victorious over a host of jealous enemies and a world of sin. Yes, we see all of this, but in our busy trend of affairs, do we fully realize our own relations to Him?

Often, perhaps, we have wished that we might enjoy the privilege of the "Twelve"—that of being in personal human companionship with Christ as He lived nineteen hundred years ago. But how is it we best appreciate, and truly judge our friends? It is after they have gone, and their life comes out in its true perspective. Free of human limitations, Christ is now able and willing in Himself to be with the whole world in spirit, and upon every hand we hear the great thinkers of the world saying that is the only reasonable solution for the perplexing world problems of today. Too long has the world coldly turned aside the aid that it most needed. Too long have hostilities and petty jealousies prevailed, and now it is time that they be replaced by the spirit of helpfulness and well-being—the Christ spirit.

It is up to us in our sphere—small though it be—to do something in reviving and applying the Easter spirit to our lives, causing it to radiate far out into the world at large. Not only more good Christian leaders are needed today, but more good Christian followers as well. As the world gradually awakens to the responsibility of the task confronting it, it may truly be said that Christ did not die in vain.

Mildred Fisher

LADIES' GLEE CLUB GIVES CONCERT AT MT. PLEASANT

The Ladies' Glee Club gave a most delightful program at Mount Pleasant school house last Thursday evening. The attendance was good, and throughout the program the audience, by their close attention and hearty response, proved to be most appreciative. The manner in which the Club rendered the program was very pleasing. The number "Mah Lindy Lou" took especially well, due to the catchy and delightful interpretation of the song so characteristic of the negro love song.

Other outstanding numbers of the program were two vocal duets by Mildred Fisher and Herkie Wampler "When I Know That Thou Art Near Me," by Abt, and "The Modest Maid," by Dvorak. Mrs. Birkin handled in an excellent manner the obligato part in "Winkin' and Blinkin' and Nod," arranged by Novina. Herkie Wampler, baritone, sang "I know of Two Bright Eyes," by Chittman, and "Mattin'ate," by Tosti, in which he displayed exceptionally fine tone quality and pleasing interpretation. Two piano numbers, "Hark! Hark The Lark!" by Schubert-Liszt, and a Hungarian dance by Brahms, added much to the charm and variation of the program.

At the close of the program, an ice cream social was held in the basement of the school, and this brought to a close an evening that was enjoyed by all present.

SAMUEL KURTZ IS ELECTED PRESIDENT OF THE THESPIANS

The Thespian Club held a business meeting in Sharp Hall Friday night at which time the following officers were elected for the coming year: president, Samuel Kurtz; vice-president, Selma Engstrom; secretary-treasurer, Earl Morris. At a recent try-out the following students were added to the Club: Rozella White, Selma Engstrom, Lillie Crumppacker, Bertha Unruh, Lillian Andrews, Hoyt Strickler, Vivian Long, Earl Morris, and Frank Boone.

FINE ARTS PROGRAM GIVEN IN CREDITABLE MANNER

The student recital given Monday evening by the Fine Arts Department was well rendered, and splendidly received by the audience. The performers all showed careful training, and presented their selections in a most creditable manner. The following program was given:

Sonata F MajorHandel
Adagio
Allegro
Largo
Allegro
Wileta Durst—Hazel Scott
Intermezzo from Sonata Op. 5.....Brahms
Hungarian Dance No. 3.....Brahms
Hark! Hark! The Lark.....Schubert-Liszt

Helen Garst
Kulsuwaik.....Wieniawski
David Groves
Alumnus Gets Raise.

Professor G. C. Dotzour, A. B. 1912, principal of the Roosevelt Junior High School in Wichita, Kansas, has been re-employed for another year at a good raise in salary. It is understood that Mr. Dotzour received a salary of \$3,000 for the present year. He drove over to McPherson last Friday to attend a few of the sessions of the Kansas Academy of Science.

I Was Impressed By—

What impressed the Juniors the most when they came to McPherson College? The following juniors say it was:

Fidelity Frantz—the fact that the houses are so far apart, and the sidewalks so bumpy; also the friendliness of the girls in the dormitory.

Glade Fisher — how easy it was to get acquainted.

Stan Kelm — the good wholesome atmosphere, and the spirit of friendliness and welcome.

Russell Jones — that it was not only a good place to work, but also a place where one can have a good time.

Aenid Gray — The red type about enrolling.

Rose Stauffer — The terrible dry weather, and the wind. Also by the spirit of good will and fellowship manifested.

Dorothy Doane — The strangeness of the atmosphere at first. Everyone seemed to be greeting their old friends, and I seemed to be left out soon the spirit of friendliness which prevails here made me feel one of the bunch.

Paul Kurtz — The lack of a pretty campus.

GRACE CRUMPACKER RETIRED
Miss Grace Crumppacker, A. B. '23, librarian in the high school at Ashland, Kansas likes her position in that city so well that she has recently signed a contract to remain another year. Miss Crumppacker served as assistant librarian in the M. C. library under Miss Walters last school year. Her position is a very desirable one.

He had just finished singing "My Old Kentucky Home" at a recital, and when he sat down, saw the stranger next to him weeping. "What is the matter, my dear man, are you a Kentuckian?" Stranger: "No, I am a musician."

By the Way

Mrs. Hess is recovering nicely from an attack of mumps.

Misses Elva and Pauline Shirk and Messrs. Hal Barton and Stan Kelm enjoyed a picnic at Brubaker's pasture Thursday evening.

Mr. and Mrs. John Spicer, A. B. '23, of Holland, Kansas, visited Charles Spicer at the College last Tuesday, and attended the gymnasium exhibition Tuesday evening.

Henry Stover, A. B. '22 of Conway, Kansas, spent Friday at the College.

Aenid Gray spent Tuesday in Salina shopping.

Helen Freeburg and Laura Hammann made a recent business trip to Arlington, where they inspected the school of that place.

Mary E. Swope was a guest of Ruth Greene Tuesday evening.

Leon Morine and Stanley Linholm spent last week at St. Louis, Mo., where they took an examination for entrance in the naval coast guards. If successful, they will, after school, leave for New London, Connecticut, Guard Academy.

Aenid Gray is spending the week in Lindsborg, singing in the Messiah chorus.

Laura Hammann made a business trip to Durham Thursday.

Margaret Wall spent Monday in Hutchinson shopping.

Venla Sondergard, Ophelia Riffel, Ida Fike, Isabelle Eskeldson, and Anna Mae Strickler, of Ramona, Kansas, spent the week-end with relatives and friends at the College.

Naomi Mohler and Margaret Mikell were guests of Elberta Vaniman, Saturday night.

Miss Neva Yoder of Conway, Kansas, spent Saturday and Sunday with her sister, Loretta at Arnold Hall.

Maurine Stutzman and Pauline Shirk were dinner guests of Mrs. Stutzman, Sunday.

Mr. and Mrs. Homer Foutz visited

at Arnold Hall, Saturday, and were guests of Eunice Almen, Saturday night.

Thea Fast and Mildred Fisher spent Saturday night with Mrs. Charles Morris.

Sanger Crumpacker has been elected to the position of coach and manual training instructor at the McPherson Junior High School.

Clyde Rupp, who is teaching at Halstead, visited friends at the College over the week-end.

Professor Morris went to Parsons, Friday where he delivered his astronomy lecture on Saturday night, and filled the pulpit Sunday.

Bertha Peters, Mildred Fisher, Thea Fast, Ruth Wadel, Estella Engle, Mrs. Gav. Mabel Fleming, Bessie Bremen, Professor Morris, and Dave Brubaker heard Galli-Curci sing at Wichita, Thursday night.

W. E. Bishop, of Sterling, Kansas, spent the week-end with friends at the College.

Robert Hough, of Leon, Kansas, spent the week-end visiting friends at the College.

A large number of students heard the Messiah at Lindsborg, Sunday night.

Rufus Daggett and Sanger Crumpacker made a business trip to Garfield, Kansas, last Friday.

Professor Yoder is attending the Mission Board meeting at Elgin this week.

Fahnestock Frolics

"Herbie" Martin is taking some electrical work under Professor Foreney. He fixed the main switch one night some time ago.

Moffat Eakes should make good at the high jump. At any rate he jumped from the second floor of Harnly Hall a couple times the other day.

"Paddy" purchased a new jar of Stacomb yesterday.

It is rumored that St Sargent spent a few hours at the F. A. Vaniman home one evening last week.

Several clean shirts appeared on second floor of Fahnestock Hall April 1.

John Harnly, in spite of all his experience with chickens, had some difficulty in herding the rooster last Thursday.

Maat: (after looking at the rooster which he had been told to herd.) By Jingo! That chicken's knees bend the wrong way!

Dr. Miller Entertained.

Dr. S. J. Miller of LaVerne, California, was the guest of honor at a dinner given by Mrs. Craik and Mrs. Yoder at the home of the latter, on Monday evening, April 7. Dr. Miller is well known in this community, having been a student here. He has also served as acting president of the College for a time. He has been president of LaVerne College, and is still vitally connected with that school. While in McPherson, en route for Chicago, Dr. Miller spoke in chapel and also addressed the ministers in the afternoon.

The dinner at the Yoder home was a delightful affair. A group of old friends of Dr. Miller's spent a most enjoyable evening, aside from the lovely dinner. "Reminiscence of bygone days." Those present at the occasion were: Dr. and Mrs. Craik, Dr. and Mrs. Harnly, Professor and Mrs. Yoder, Professor and Mrs. Nisonger, Mrs. Fahnestock, Mrs. Young, Mrs. Mary Stutzman, Harlan Yoder, and the Misses Pauline Shirk, Maurine Stutzman, and Fidelia Prantz.

A party in honor of Paul Sargent, who will leave for Idaho soon, was given by his friends at Twin Mounds last Sunday afternoon. Those who made the trip were: Minnie Mugler, Rowena Vaniman, Mary B. Swope, Margaret Mikell, Lorinda Leatherman, Lloyd Saylor, Paul Sargent, Galen Saylor, Dale Strickler and Clyde Rupp.

HEARD 'CHAMPIONSHIP' DEBATE

Professor Hess, with Professor Blair, Kenneth Rock, John Lehman, and Vivian Spilman, went to Lindsborg Thursday night to hear Friends' affirmative team and Bethany's negative team in the state championship debate. Bethany won a 2-1 decision, and her affirmative also won by the same score. The debate was interesting and close, although Bethany plainly had the edge. Friends' blind debater unfortunately lost his last minute of rebuttal by mistaking the one minute signal for the final.

THIRD ANNUAL SENIOR FESTIVAL IS LARGEST EVENT IN ATTENDANCE

(Continued from Page 1)

880-Yard Run
1. Vogel, McPherson.
2. Milk, Newton.
Time 2:11.5.

Low Hurdles.
1. Showalter, McPherson.
2. Robb, McPherson.
Time 30.5.

Gold and silver medals were presented to the winners of first and second places in these events.

A "Fun House" in the gymnasium at 3:30, under the direction of the "M" Club, was the initiation of three new members of the Club.

This was followed by a tour of the campus and buildings under the leadership of Professor Ebel. Thus the visitors gained an idea of the equipment and buildings of the College.

In the evening, about one hundred and sixty-five people, including seniors alumni, teachers, and college faculty members, were served at a banquet in the Arnold Hall dining room. Professor J. A. Blair presided as toastmaster. Speeches were heard from Dr. Harnly, Reverend Claude Sayre, Isaac Dirks, of Moundridge, S. J. Neher of Durham, Clyde Rupp of Halstead, and H. S. Foutz of Ramona. Professor R. E. Mohler gave an excellent address following the banquet.

At eight o'clock in the evening the crowd was entertained by an inspiring recital given by College students. Musical numbers were rendered by piano, violin, and voice students. A play, "Frank Glynn's Wife," proved to be an excellent number for closing the day's program.

Everyone was pleased with the success of this event, and it is hoped that the Festival will soon become one of the more prominent days in College life.

Tickets for the Messiah at Lindsborg may be secured from Miss Brown. Marion Talley will sing next Friday, and Marie Sandelius on Easter Sunday.

You can look Natural later--- now is the time to look Gay!

SPRING: The average man only sees 60 Aprils—then "Poor John—doesn't he look natural."

Why shouldn't every man in McPherson College have a complete new outfit this month? The Undertaker will make you look natural enough later—the time to put the kick in your appearance is while you're here and kicking.

Come—fess up—we're right and you know it. The weather is wonderful and it will only take the two of us a few minutes to mix you, Spring and the best looking man you ever saw into one person!

WIN DOUBLES AND LOSE SINGLES AGAINST BETHEL

YODER AND DAGGETT TAKE
FIRST TENNIS MATCH OF
THE SEASON

In their first intercollegiate match this year, the tennis team won the doubles and lost the singles to the Bethel College team, last Saturday afternoon. The games were played at Moundridge, for the benefit of the Hi-Y convention delegates, on a salt court, and since they had had very little rain the court was in fine shape.

Yoder and Daggett played the two sets of doubles, and easily won 6-2 and 6-4. Ralph Himes, this year's new member of the tennis team, met some strong opposition. He played the singles with Goetz, the man who took the singles in the Pentagonal meet last year. The first set went to the Bethel man 6-3, and he had won four games of the second set when Ralph staged a rally that won him seven straight games and the second set. In the third the championship quality of Goetz's playing showed up and he won the set 6-1.

The tennis team is to be congratulated upon their splendid showing, especially since it is all done without the aid of a coach, and the students should get back of them 100 per cent.

HASSIE NUSIE HOLDS AN EASY LEAD IN BIG DERBY

Interest in the "M" Club Derby is continually growing and the competition between the different horses is getting keener each day. "Sassie Susie" is holding an easy lead with \$93.36, next in line is "Spark Plug" with \$77.00 but "The Old Gray Mare" is giving him a hard race and only lacks \$5.50 of being equal to "Sparky." "Man-O-War" is not far behind with \$56.25 but the poor old Jap, "Yo Ho" is bringing up the rear with \$21.50. With the competition so keen it is almost certain that at some changes in places will be made within a few days, and "Susie" may not be leading, or "Yo" trailing then.

The newly graded track, and the number of men running there every day, spells defeat for Kansas Wesleyan when their track team invades McPherson territory April 23.

The team will probably select a captain this week, since captain elect Riddleberger is farming in Idaho this year. The choice will probably fall to Sanger Crumpacker, Rufus Daggett, or Bill Mudra, these men being the only letter-men on the squad.

Crumpacker, Travis, Pafr, Dutton, Marchand, Riffel, T. Dell, Betts, and Vancocoy promise to make competition keen for the distance runs.

"Bill" handles the weights again, and is showing exceptional form for the times he has been out.

In their new white suits the squad should match looks with any contestants, and the ribbons of each will merit his looks.

Those Kaufman twins should show up well in the dashes if they have some good coaching before the Salina meet.

With Kurtz and Tipton running the

"M" CLUB INITIATES NEW MEMBERS AT GYMNASIUM

Much of the excitement on the campus during the past week has been due to the activities of the "M" Club in initiating several new members into the organization. Wild dashes after a white leghorn of the sterner sex, smearing socks with shoe polish, and hurried departures from the vicinity of old members were some of the maneuvers of seven "clowns" who were trying to escape the "stimuli" carried by the letter men.

These men acted the part of good sports and at the end of the day it could be said of them, "Well done, thou good and faithful candidate, the preliminaries are over." The grand finale came Saturday afternoon at the Fun House in the gym, when three of these men had the grit to see the initiation to its "splishy end."

The tricks they did, such as pushing the rabbit out of the hole, climbing a rope and then jumping off of a seven foot platform, and receiving the "M" brand, seemed vastly amusing to the spectators, but to F. Barton, Ellwood, and Holloway, the ordeal was the acid test of their sportsmanship.

half mile, M. C. should take a first and second without exception.

The pole vault and broad jump vacancies will probably be filled by F. Barton and Pafr respectively. Frank will also throw the javelin.

For the hurdles we rely on Daggett, and he, and Pafr seem to form the high jump material.

Baseball Captain Remains Quiet, But "M" Club President Gives Vent To Ardor

That pillows are in demand is a well known fact by several members of the sterner sex. Yes, pillows, large and small pillows, cretonne pillows and even nice, soft, beautifully embroidered, velvet pillows. The attraction may partially be accounted for because of the intimate connection between these much needed articles and the deft fingers of their mistresses in effecting such valuable aids to those so sorely afflicted. But sentiment is only one reason for the affinity.

An eminent golfer, musician and fun-maker was only giving vent to an impelling hilarity by demonstrating ability in balancing on fallen trees. When the length of one large tree was almost covered, the hero lost his graceful equilibrium and lo! found himself snugly nestled in a thick mat of gooseberry bushes with a countless number of prickly thorns, alert and active. After moments of

intense suffering this "Ichabod Crane" was able to extricate himself, by maneuvers, from the comfortable (?) seat, which was indeed the last, for alas, he has not been able to assume a sitting position since the fatal fall. So serious were the injuries both to body and disposition, that classes were missed the following day.

But "Ichabod" has found a consolation in the fact that he has five boon companions—all of whom are prominent athletes, namely, the basketball captain of "24, the baseball captain, and his loyal brother, the "M" Club president, and the Idaho "banker."

Fearing there would be a continual conglomeration of complimentary and endearing words during their week-end motor trip, it was proposed and agreed upon by this illustrious quintet that every mention of their respective "lady loves" in any way, would mean that the opportunity was at hand for each of the members of the party to call into play their athletic energy in the form of vigorous blows.

The "M" Club president proved his ardor, for he was willing and glad to bear five inflicted ordeals, while the others, with exception of the said baseball captain, who strangely enough remained quiet, were fellow sufferers and victims of fate only once. After returning to the campus, their usual chatter was resumed, but intensified to the nth degree in order to make up for the valuable time that had been lost.

Are pillows in demand? Oh, yes! "A friend in need is a friend indeed."

CONGRESSMAN REFERS TO WORKS OF M. C. ALUMNUS

In speaking in the national House of Representatives on March 31, Honorable John J. McSwain of South Carolina took for his subject "An Indestructible Union of Indestructible States" and in the course of his remarks as reported in the Congressional Record took occasion to quote extensively from a work published by an M. C. alumnus. The work is Dr. Walter Thompson's "Federal Centralization," to which reference has been several times made in the Spectator. In introducing the two pages of quotations, Mr. McSwain said: "It is very gratifying to observe how keenly he (Dr. Thompson) perceives and how clearly he expresses the hazards and dangers of continuing the concentration of Federal power."
