BULLETIN  
OF  
McPHERSON COLLEGE

The College Bulletin is issued in February, May,  
August and November of each year.

---

Entered as second class matter Feb. 16, 1912, at the post-  
office at McPherson, Kansas, under Act of July 16, 1894.

“ PRESIDENT DANIEL WEBSTER KURTE, D. D.

## LOYALTY

Loyalty is another word for faith. It is the venture of life. It involves the whole mind, intellect, feeling and will. It means belief, love and service. To be loyal to a cause involves belief in the cause because the cause is good. It means an enthusiasm for the cause, love, trust, and devotion. And it also means that the will is exercised in service for the cause. Loyalty to one's country, church, family, or college always means these three things—the reaction of the whole personality, belief, love, and service.

What we need, right now, is a renewed loyalty to McPherson College. Our loyalties become cool unless they are renewed. We find the great missionary cause, the Prohibition Movement, and many good causes must be presented again and again to get the people to renew their loyalty. It seems to be necessary even with the College.

No one appreciates more than I do the splendid support that the people of the McPherson territory have given the College the last ten years. It was magnificent. But we need your loyalty today as never before. The College has a splendid record. It has surpassed most of your dreams. It has a wonderful future ahead—if you will continue your support.

Many of you gave pledges in good faith, and we enlarged our program on the basis of those pledges. Some have not paid the interest as agreed. This paralyzes the institution and puts the management in an embarrassment. Unless you keep your pledge the situation will become more serious than I care to mention.

We need additional endowment. One of our colleges in Kansas is now in a campaign. They demand \$20.00 per member, and are getting it. Over \$600,000. has been pledged in the last two months. The money is largely raised by the local churches

without any help from the college. I feel sure there is as much loyalty among the friends of McPherson College as in any other group. All that is needed is the vision. Today is the day of salvation. Loyalty will meet the need. What ought to be done, can be done. We count on your loyalty to meet the impending needs of the College. Adopt McPherson College as a member of your family this year, and if you give her as much support as one extra child, we shall have ample for many years to come.

Yours for McPherson College,

D. W. KURTZ, President.

---

### THE CHURCH IS COMPLETED

The Church of the Brethren rejoices in the completion of the new building at the intersection of Euclid and Carrie Streets. This is the first house of worship to be built on College Hill. For nearly forty years the regular services have been held in the College Chapel. Around this chapel center many happy memories that shall not soon be forgotten, as the congregation begins its worship in the building one block away. The years of waiting and working are about to be rewarded. The date of dedication is not yet announced.

---

### TWO MEN WORK ON ENDOWMENT

Two men, J. W. Dietz and Field Secretary Ray S. Wagoner, are at work constantly on the Endowment campaign. Mr. Dietz is organizing churches and creating favorable sentiment which will bear fruitage in the near future. Mr. Wagoner is spending his time among the alumni. There is a growing conviction among this group that they must do larger things for their Alma Mater.

THIS NEW BRETHREN CHURCH

## McPHERSON THINKS FORTIETH ANNIVERSARY

The fortieth anniversary of the founding of McPherson College will be celebrated with appropriate ceremonies during the week set apart officially for that purpose, May 28 to June 4, 1927. A committee was appointed by the Trustees three years ago, looking forward to this event. Wide publicity has been given to the occasion. Many classes are planning reunions to be held during the week. The Alumni Association receives many notices from friends at great distances stating that they plan to be here. It will be a great week. Trustees, faculty, alumni, former students, students and patrons are all eager to make it the happiest and most helpful occasion in the history of McPherson College.

---

## McPHERSON ALUMNI TEACH IN BRETHERN COLLEGES

A recent study reveals the fact that thirty graduates of McPherson College are teaching in the colleges of the Church of the Brethren. McPherson leads with thirteen names: Mrs. Amanda Fahnestock, B. D. '17, Dean of Women and Professor of Bible; J. J. Yoder, A. B. '13, Business Manager and Professor of Sociology; R. E. Mohler, Normal, '07, Dean of the College and Professor of Agriculture; J. Howard Fries, A. B. '26, Assistant Business Manager; J. W. Deeter, A. B. '13, Bible; Edith McGaffey, A. B. '18, English; H. H. Nininger, A. B. '14, Biology; George N. Boone, A. B. '21, Industrial Education; Mercedes Chapman, A. B. '26, Physical Education for Women and Expression; Margaret Heckethorne, A. B. '24, Librarian; Ada P. Kurtz, A. B. '23, History; Fern Lingenfelter, B. M. '25, Piano; Oliver H. Austin, B. D. '20, and Mrs. Hazel Austin, A. B. '20, Evangelists.

E. L. Craik, A. B. '10, is head of the History department and J. L. Bowman, A. B. '18, is Professor

of Physics and Mathematics in Juniata College. W. O. Beckner, A. B. '09, A. M. '15, is Dean of the College and Professor of Bible, and Mrs. W. O. Beckner, A. B. '10, is Librarian at Mount Morris. E. B. Van Pelt, B. S. '21, is Professor of Agriculture, and Minnie Mugler, B. M. '21, Teacher of Piano at Bridgewater. Miss Alice N. Vogt, A. B. '17, is Professor of Education at North Manchester. Paul Yoder, A. B. '21, is Professor of Mathematics and Physics at Blue Ridge. A. C. Wieand, A. B. '95, is President of Bethany Bible School.

At LaVerne College the president, Ellis M. Studebaker, was graduated from McPherson in 1916; Paul R. Kurtz, B. S. '25, is Professor of Chemistry; B. S. Haugh, Music '03, is Professor of Music; Mrs. Laura Harshbarger Haugh, '00, is Professor of Public Speaking; Ray R. Cullen, A. B. '21, is Professor of Education; Mrs. Martha Urey Cullen, A. B. '21, is Matron of the Dormitory; and Gladys Muir, A. B. '15, is Professor of History.

---

### DR. H. J. HARNLY IS HONORED BY KANSAS ACADEMY

Dr. H. J. Harnly, Vice-president of the College, was elected president of the Kansas Academy of Science at its annual meeting held at Southwestern College, Winfield, April 16 and 17. This high honor comes to Dr. Harnly in recognition of valued service to the Academy and the advancement of science in Kansas. Dr. Harnly is the second member of the college faculty to hold this position in recent years. Professor H. H. Nininger, of the Biology department, was president of the Academy in 1924-25.

During the meeting of the Academy Dr. Harnly contributed a paper, "Longevity in McPherson County." Dr. J. W. Hershey of the Chemistry department, in a paper, "The Effects of Pure Oxygen on Water Animals," gave the results of experiments

conducted in the college laboratories. Professor J. A. Blair was the third representative of the College at the meeting.

---

## PROFESSOR H. H. NININGER REPORTS REMARKABLE DISCOVERY

What is believed to be one of the most important paleontological discoveries ever made in the Southwest was announced recently by Prof. H. H. Nininger. The discovery consisted in the finding of a number of footprints of a giant cat of the Pleistocene age, in a white limestone bed in a canyon on Oak creek, not far from Cornville, New Mexico. About thirty of these footprints, some of which measure more than six inches in diameter, were uncovered, and not far from them in the same formation, a track which has been identified as that of a mammoth was also found.

Prof. Nininger excavated the cat prints and took plaster casts of that of the supposed mammoth. It is believed that one of the really important discoveries of the decade was made.

Prof. Nininger and family have been enjoying a unique year traveling in a house car through the great Southwest. They left McPherson on September 19 and have travelled through parts of Kansas, Oklahoma, Texas, New Mexico, and Arizona. They will return to Colorado in time for the opening of the Rocky Mountain Summer School at Palmer Lake. The objectives of the trip were to gather field notes on birds and other lines of natural history, to collect meteorites and certain other specimens, and to make a survey of the status of nature study in the high schools.

Prof. Nininger writes that the venture has proved exceedingly interesting and profitable professionally. He spent one week in the midst of an untamed wilderness where wild turkey and wild deer were as

common as rabbits in Kansas. In another region he saw four of the seven Whooping Cranes that are known to exist. Other trips of interest have included Carlsbad Cavern, New Mexico, the Cliff Dwellings of Central Arizona, the Grand Canyon, Flagstaff, Meteor Mountain, the Petrified Forest, Taos, and the University of Mexico.

---

### THE FORENSIC SEASON WAS HIGHLY SUCCESSFUL.

It is a pleasure to chronicle the chief events of another successful forensic season at McPherson College. As usual, chief interest centered in the debates of the men's varsity on the question of the recognition of Russia.

In the first series with Sterling College on Feb. 19, the affirmative home team, Charles Lengel and Ora Huston, scored an easy 3 to 0 victory, while the negative, Harvey Lehman and Kenneth Rock, convinced two of the three judges at the Sterling end. The second series with Kansas Wesleyan University on March 4, resulted almost in a draw, each home team winning two to one, McPherson having a margin of 1% in the grades. In the third series with Bethany College on March 12, the McPherson team lost two to one at Lindsborg, but registered a three to 0 victory at home. The results of the three series gave the leadership of the Northern Division to McPherson.

On March 26 occurred the final clash with Bethel College, winners of the Southern Division, for the State Championship. The forensic Bulldogs were at their best and the outcome was never in doubt. Victories of 3 to 0 at home and at Bethel established the right of McPherson to the title of State Champions.

Appropriate publicity was given to the victory in the city newspapers by publishing the pictures of

the champions, and noting the fact that McPherson won this enviable title twice in five years, and won the Northern Division three times in that period.

The second team, limited to underclassmen, used the Russian question also, and debated Central College on March 31. The home team, Kenneth Russell and Lavelle Saylor, secured a 2 to 1 victory, while John Harnly and Ira Ihde at Central obtained the decision of the critic judge. On April 9, the second team closed their season without losing a debate by taking both decisions of a dual debate with Tabor College, critic judges being used at both places.

For the first time in recent years McPherson has a woman's debate team. The affirmative, Mary Waas and Anna Lengel, and the negative, Eunice Wray and Floy Brown, used the child labor question. In part because of inexperience they were not successful in winning, but all did good work in their debates with Friends University and Kansas Wesleyan University women.

In Oratory, three state contests were entered. In the Kansas Intercollegiate contest, Kenneth Rock's oration ranked second in thought and composition among the first six in the state. His delivery in the state contest was excellent, but wide inconsistencies in the judging resulted in his not placing.

The State Anti-Tobacco contest was held at McPherson College. Ora Huston won second place and a prize of \$25.00.

The final forensic contest of the year was the State Peace contest at Wichita on April 23. McPherson was represented by John Whiteneck, winner of first place in the Anti-Tobacco state contest last year. Mr. Whiteneck upheld McPherson's reputation by winning second place and a prize of \$40.00, together with the privilege of entering his oration in the national contest. The season was one of the most suc-

cessful in recent years. Alumni will do well to call the attention of students with forensic inclinations to the opportunities afforded at McPherson College for the development of those talents.

---

### SOME CHANGES IN THE FACULTY

Several important changes appear in the faculty list for 1926-27. Professor C. S. Morris, who came to McPherson in 1917, leaves to take the position of head of the department of physics at North Manchester College. Professor J. W. Deeter, an alumnus, after eight years of service, goes to Connecticut for pastoral work and study. Miss Elsie Pokrantz, who leaves the department of modern languages, has not announced her plans. Professor L. L. Briggs will continue his work in Commerce at Northwestern University. Miss Florence E. Teager leaves to accept an English position in Chicago.

All of these members have contributed a large share to the life of the College and community. The College wishes for them the happiest and most useful life in their new fields of work.

---

### NEW TEACHERS COME TO McPHERSON COLLEGE

Four departments of the College will begin the next school year under new supervision. Professor J. W. Deeter, Bible, Professor C. S. Morris, Mathematics and Physics, Professor L. L. Briggs, Commerce, and Miss Elsie Pokrantz, Modern Languages, are all leaving McPherson College this year. Dr. Kurtz, Mrs. Fahnestock and Professor J. L. Hoff will have charge of the Bible department. The Trustees have been able to fill the other vacancies with instructors who come highly recommended from other colleges.

Joseph L. Bowman, who will have charge of Mathematics and Physics, is an alumnus of McPher-

son College, receiving his Bachelor's degree in 1918. Since that time Professor Bowman has had four years of graduate study and three years of teaching experience. His university training includes a year at Oberlin, another at Yale, and two at Chicago, from which school he holds a Master of Science degree. He has taught at Rippon College, Wisconsin, and at Juniata College, Pennsylvania. From both of these colleges he has the highest commendation.

Professor B. O. Miller, A. B., Bridgewater College, and A. M., University of Virginia, will take the work of the Commerce department. Mr. Miller has had two years of experience in college teaching and is strongly indorsed both by his university and his college.

Mr. L. A. Utrecht, who will head the Language department, comes to McPherson from the University of Nebraska, where he is teaching this year. He has studied at Indiana, Nebraska, and Chicago. He expects to complete the work for his Master's degree at Chicago this summer and to continue his work upon his Ph. D.

---

#### ALUMNI ASSOCIATION ORGANIZES LOCAL UNITS

With the cooperation of the Board of Trustees the Alumni Association is organizing local units in McPherson College territory, for the purpose of creating and perpetuating a wholesome interest in and enthusiasm for a greater McPherson College. The first unit, McPherson County, came into official recognition with an entertaining banquet given during the Thanksgiving recess. The second unit at Wichita, Kansas, has been organized and is making definite plans for its part in a greater McPherson College. This group plans for two meetings each year.

Students who are in the college this year have been chosen as leaders in their respective commu-

ities to plan for meetings and permanent organizations of all former students and alumni during the summer. Arlene Saylor is the leader at Morrill; Kenneth Russell at St. John; Ralph Himes at Abilene and Lloyd Jamison at Quinter, Kansas. Jessie Churchill and Ben Spitzer will organize the groups at Rocky Ford and Wiley, Colorado, respectively. Edith Early will be responsible for the organization in Ray County, Missouri. Other groups will be organized soon.

---

### CAMPUS IN PROCESS OF IMPROVEMENT

The north half of the campus is undergoing a number of needed improvements. The plot east of Harnly Hall has been seeded and planted with shrubs and trees. The plot west of the same building has been closed to automobiles and will be filled with earth and seeded. A new service drive has been graded leading around Kline Hall to the east entrance of Harnly Hall. Cement walks are to be laid to connect Sharp Hall, Harnly Hall, and the Gymnasium. When these improvements are completed the north part of the campus will present a most attractive appearance.

---

### THE SUMMER SCHOOLS

Prof. J. A. Blair is again in charge of the McPherson Summer school. Miss Ada Kurtz, Dr. J. W. Hershey, and Prof. R. E. Mohler will also teach. An additional instructor will teach reviews. Prof. H. H. Nininger will be assisted in the Rocky Mountain Summer School, at Palmer Lake, Colorado, by Prof. B. E. Ebel, G. N. Boone and Miss Edith McGaffey. Early inquiries indicate that there will be a large enrollment in both schools.

## COLLEGE QUARTETTE GIVES PROGRAM

The College Quartette, Mr. Samuel Kurtz, first tenor, Mr. Frank Barton, second tenor and soloist, Mr. Alvin C. Voran, baritone, and Mr. Milo Mebker, bass, with Miss Katherine Penner, contralto, and Mr. Winston Cassler, pianist, has spent a busy year giving programs that are asked from them. They made weekend trips to churches and towns in Kansas. One trip of two weeks took them into Nebraska, Missouri, and Iowa. While at home they have been in constant demand at programs in and near McPherson.

## HIGH SCHOOL FESTIVAL BROUGHT HUNDREDS

The fifth annual High School Senior Festival brought over four hundred seniors from twenty-six high schools to McPherson College April 24. This is by far the largest number that ever came to McPherson College, and the event was in every respect the most successful yet held.

The elimination track meet, held in connection with the festival, was a large feature of the day's program. Hutchinson won in Class A and Florence in Class B. Medals and cups were presented to the winning individuals and schools.

A tour of the campus was made for the benefit of the visiting seniors. The party went through Sharp Hall, the Manual Training Shops, Arnold Hall, and Harnly Hall. The chemistry assistants entertained the group with laboratory demonstrations and with Chemical magic.

In the evening the Home Economics department served a luncheon to more than four hundred seniors in the basement of the new church. President Kurtz addressed the group on Ideals of Education. Mr. Peter Aurell, of the Chamber of Commerce, discussed the beauties of the city of McPherson, and the Fine Arts department entertained the group with music, readings and an original play.

## CAPABLE STUDENTS LEAD ORGANIZATIONS

The spring elections in the various college organizations have resulted in the choice of responsible students as leaders for the year 1926-27. The Student Council will be directed by Glenn Rothrock with Earl Kinzie as treasurer. Kenneth Rock will edit the Spectator with the assistance of Earl Reed as business manager. The Quadrangle will be edited by Lavelle Saylor with Howard Keim as advertising man. Harvey Lehman is president of the Y. M. C. A., Florence Kline of the Y. W. C. A., Ora Huston of the Mission Band, and Lois V. Myers of the W. A. A. Clifford K. Steinruck is cheer leader.

---

## CAMPUS AND ALUMNI NEWS

Emery C. Wine, A. B. '22, has been elected by the faculty to the fellowship for the year 1926-27 offered by the University of Kansas to a graduate of McPherson College. Mr. Wine will study in the department of History.

H. H. Gilbert, B. S. '20, is acting head of the science department of the Franklin High School, Los Angeles, California, with fourteen teachers under his supervision and 1,500 students enrolled in the department.

H. B. Stover, A. B. '22, will continue his work as teacher in the high school at Overbrook, Kansas. Mr. Stover also serves the Brethren church as pastor.

J. Elmer Bathurst, A. B. '22, a candidate for the Ph. D. degree at the University of Iowa in July, has been elected head of the department of education at Dakota Wesleyan University, Mitchell, S. Dakota.

Professor J. J. Yoder is planning the McPherson College reunion to be held June 14, during the Annual Conference of the Church of the Brethren at Lincoln, Nebraska. There will be speeches, songs from the college quartette, and an informal social

hour. The meeting will be large one.

The college classes of recent years are each publishing annually a paper devoted to news of their members and the College. Emery C. Wine edits **MIRBORS** for the class of '22; Orville D. Pote edits **MEMORIES** for the class of '23; Dale Strickler edits **THE RAINBOW** for the class of '24; and Laura B. McGaffey edits **THE ACORN** for the class of '25. Mr. Vivian Spilman has been elected editor of the publication for the class of '26.

Ivy Day, which was instituted by the class of '22, was celebrated by the seniors May 14, with a brief Chapel program and the planting of ivy and shrubs on the campus.

Miss Grace Brubaker, A. B. '22, has resigned her position as Y. W. C. A. secretary at Bisbee, Arizona, to accept a similar one at South Bend, Indiana.

Mr. Galen Tice, A. B. '22, plans to begin work on his medical course in September.

Mrs. O. S. Vaniman of the Normal class, '96, died at her home in Ft. Lauderdale, Florida, April 12. Mrs. Vaniman left her husband, three sons, and one daughter.

Homer Foutz, A. B. '22, has accepted the position of superintendent of the Hoxie, Kansas, schools for 1926-27.

Mary R. Swope, A. B. '26, will have charge of the Home Economics department at North Manchester College next year.

Ernest F. Sherfy, A. B. '24, goes to Daleville, Virginia, in July to take the pastorate of the Brethren church and to teach in the Academy.

Prof. C. S. Morris conducted a Sunday evening class of College students in the history of the Church of the Brethren during the last quarter of the school year. The course was closed by an address from Rev. C. D. Bousack, Secretary of the General Mission Board of the Church, who came here to meet this

group.

A number of deputation teams have done excellent work in programs among the churches of Kansas, Nebraska and Oklahoma. A total of fifty-four programs has been given.

A. J. Harms, A. B. '17, is now pastor of the Oak Street Baptist church, Burlington, Iowa. This church has added one hundred nine to its membership within the last year as the result of evangelism.

Sept. 15-16 are the days set for registration for the school year, 1926-27. The formal opening will come with the President's address on Sept. 17 at 10:00 A. M.

President D. W. Kurtz will be moderator of the Annual Conference at Lincoln. He will also deliver the missionary sermon.

Paul Yoder, A. B. '21, has been elected head of the department of Mathematics and Physics at Juniata College. He leaves a similar position at Blue Ridge College in order to take up this work.

President and Mrs. D. W. Kurtz attended the International Sunday School convention at Birmingham in April.

Professor W. B. Kinnear attended the National Conference of Music Supervisors at Detroit, Michigan, in April.

The McPherson College Symphony Orchestra, under the direction of Prof. G. Lewis Doll, broadcasted a pleasing program from Wichita, March 21.

A one-act play, *The Better Way*, written by Miss Eleanor Caldwell, Sophomore, was presented in Chapel recently. The play deals with the solution of the race question on a college campus.

President D. W. Kurtz was recently honored by being selected as one of the five members of Kansas to represent the state at the annual meeting of the American Academy of Political and Social Science, at Philadelphia, May 14 and 15. The appointment was

hour. The meeting will be large one.

President D. W. Kurtz was recently honored by being selected as one of the five members of Kansas to represent the state at the annual meeting of the American Academy of Political and Social Science, at Philadelphia, May 14 and 15. The appointment was

made by Governor Paulen at the request of the Academy. Dr. Kurtz was unable to attend because of previous engagements.

L. E. Blackman, A. B. and B. S. '22, has accepted an offer to head the chemistry department of Upper Iowa University at Fayette, Iowa, for the next school year.

#### THE PROGRAM FOR COMMENCEMENT WEEK

Saturday, May 22, President's reception to Seniors.

Sunday, 11:00 A. M. Graduation exercises for the Teacher Training Classes Address, Prof. John Luke Hoff.

Sunday, 8:00 P. M. Baccalaureate sermon, Dr. D. W. Kurtz.

Tuesday, 6:00 P. M. "M" club banquet.

Wednesday, 10:00 A. M. Final Chapel.

8:00 P. M. Senior play, "Icebound," by Owen Davis.

Thursday, 10:00 A. M. Class Day.

6:30 P. M. Alumni banquet, Toastmaster, Dr. W. C. Heaston.

Friday, 10:00 A. M. Commencement; Ex-Chancellor Frank Strong, speaker.

---

#### CANDIDATES FOR GRADUATION.

##### *Master of Arts,*

L. H. Eakes.

##### *Bachelor of Arts.*

Jennie Lou Amos.

Fay E. Bailey.

Mildred Lillian Bishop.

Mercedes M. Chapman.

Edith Mae Early.

Anna Mae Edgecomb.

Alberta F. Flory.

Inez F. Fulton.

Aubrey C. Hale.

Laura I. Hammann.

Cecil B. Hayes.

Lina Bernice Hoover.

Gladys Irene Johnson.

Dennis W. Kesler

Samuel B. Kurtz.

William T. Luckett.

Herbert Nickel.

Harry M. Riffel.

Mattie E. Ring.

J. Vivian Spilman.

Ben R. Spitzer.

Gilbert E. Temple.

Agnes Florence Toewa.

Ruth B. Wedel.

Rozella White.

Huber V. Yancey.

##### *Bachelor of Science.*

Marie Bradbury.

Wm. R. Burgin.

Sada A. Correll.

Ralph Allen Lehman.

A. Paul Lentz.

Randolph S. Leonard.

S. Milton Dell.  
Olin W. Ellwood.  
Willard W. Gaudreau.  
Henry G. Hahn.  
Marlin S. Kelley.

Harriett Gertrude Mohler.  
Mattie E. Ring.  
Theodore R. Robb.  
Mary Barbara Swope.  
Bertha Evelyn Unruh.

*Bachelor of Music.*

Bessie Bremen.

Mrs. Iva Gilson.

*Diploma in Music.*

Mrs. Grace Malin.

*Teachers Certificate in Music.*

Winston Cassler.

Myrtle Moyers

Margaret Bowlus.

Ruth Wedel.

Florence Kline.

*Public School Music Certificate.*

Carrie Feiler.

Ruth Wedel.

COACH GEORGE D. GARDNER, A. B.
