THE THESPIANS TO GIVE THREE ACT COMEDY —"THE PATSY" IN CONVENTION HALL IN DECEMBER

Is One Of Prettiest And Most Popular Plays Of Last Few Years—Written By Barry Connors—Is Story Of A Girl Who "Runs Second" To Her Sister

GATES TO DIRECT

Club Membership Open To Everyone Except The Freshmen—To Have Tryouts

The Thespian club, honorary dramatic organization of the campus, has selected the play "The Patsy," a three-act comedy by Barry Connors, to be presented sometime the first of December in Convention Hall down town, however, the exact date has not as yet been made.

The play will be directed by Mrs. Lawrence L. Gates who last year produced the organizational play, "The Queen's Husband." Last year Mrs. Gates was head of the dramatic department of the College but this year is not connected with the College in any way, the College having done away with the dramatic department.

"The Patsy" is one of the prettiest and most popular plays of the past few years. Clarence Foster has popularized this play all over the country. The story concerns Patricia Harrington, a girl who "runs second" to her older sister. She is the Patsy who is blamed whenever anything goes wrong, and is forced to remain in the background in order that her sister may be presented to advantage. Her father, a traveling man, is on her side, and finally declares his independence by putting Ma in her proper place. This brings about Patsy's ultimate triumph and, needless to say, affords her happiness as the bride of the man she loves.

At a recent meeting of the organization it was voted to have membership limited to seniors, juniors, and sophomores, excluding all the freshmen. This move was taken to keep

(Continued on Page Three)

STRONG PARTY SPIRIT MANIFESTED AT RALLY

Veteran Debater Gives Talk—Lehman Chairman Of The Rally

Thurs., Oct. 16—A strong party spirit was manifested here tonight in a big rally held in the chapel of the College by the college Republican club at which three three main political addresses were made. John Lehman, chairman of the organization, presided at the rally.

The meeting opened with the singing of the "Star Spangled Banner," after which the first address, "Why Vote for Haueker!" was given by Ralph Keeley, Phillip Lanzer, a budding young politician, spoke on the "Demerits of the Democratic Party," and Keith Hayes, a veteran college debater, gave the closing appeal and placing Brinkley as an issue, speaking "Why Brinkley Cannot Become Governor." The rally closed with the singing of "America."

STATISTICS SHOW THAT EDUCATION IS DETERMINER OF BIRTH CONTROL

In a certain class in the College last week the question of education and the number of children to each family was discussed and as a result some amazing statistics have been compiled to show that out of a class where 32 families were represented the average number of children to the family was 5.1. The statistics also show that in cases where both the parents are either high school or college graduates the average number of children to the family is considerably lower, which goes to show that the greater amount of education the smaller the families.

The statistics show that in 12 cases out of the 32 families both the father and mother received only a grade school education. To these 12 families were born 67 children or an average of 5.6 to the family.

TO SPEAK AT VARIOUS MEETINGS OVER STATE

Schwalm Going To Hutchinson For College Sessions — Blair To K.C.

Four McPherson college professors, including Dr. V. F. Schwalm, will appear on programs of the state teachers meetings to be held in various parts of the state, November 8, 9, and 10. Dr. Schwalm will speak in Hutchinson November 6 in a college session of the state meeting. Prof. J. A. Blair is scheduled to appear in Kansas City in a like session while Dean R. E. Mohler and Dr. J. Willard Hershey will give addresses at high school sessions at Topeka and Emporia respectively.

TO ATTEND MEETINGS

Miss Heckelhorn To Salina For State Librarian Meeting Friday

Margaret Heckelhorn, librarian of the College library, will attend a meeting of the Kansas Librarians association held at Salina, October 24. Miss Heckelhorn will attend the round-table discussion held Friday, October 24.

The meetings will be in session two days previous but Miss Heckelhorn will not be present for these two days.

LIFE IS A HIGHWAY STATES PROF. BOONE

But Is Not Always Well Marked — Gives Address In Chapel

Fri., Oct. 17—Prof. Boone spoke on "The Way of Life" in chapel this morning. Life's way is like a highway, not always well marked. The best way is often the hardest way, crooked and rough.

A good start is half the battle. In teaching track men for a race the coach teaches them to start fast. We need our best teachers in the lower grades to give beginners a good start. Prof. Boone mentioned that some of the freshmen on our campus were not very well started in their college work. He said that he believed the habits formed during the first few weeks of college would largely determine our college life.

There are many forks in the road. Questions and problems arise. We should choose the best rather than the good. After we find the way we must keep our hearts diligent or we will lose it, for there are many distractions along the path of life. In conclusion Prof. Boone read a poem "The Tale of the Trail."

There were 2 cases where both parents received a high school education, having a total of 22 children children to the family was 4. The 3 cases in which both parents were college graduates the average number of children to the family was 4. There were 4 cases where one parent had a grade school education and the other a high school education, having a total of 22 children or an average of 5.5. Six cases of where one parent was a grade school and the other a college graduate had 27 children or an average of 4.5. Two cases of one parent a high school and the other a college education with a total of 14 children or an average of 7.

Of the 32 families represented in the class there was a total of 144 children or an average of 5.1 per family.

AS THE COLLEGE LOOKS FROM THE AIR

—Courtesy of Chamber of Commerce.

The picture shows a view taken from the southeast by aerial photographs. All the buildings are visible and in the center background will be noticed Kullid Avenue.

COMING EVENTS

- Wed., Oct. 22—First Intramural B. H. game, 6:30.
- Wed., Oct. 22—Orchestra practice at 7:00.
- Thurs., Oct. 23—Chemistry society, 4:30.
- Fri., Oct. 24—The Baker game, here.
- Tues., Oct. 28—Y. M. and Y. W.
- Thurs., Oct. 30—St. Mary's game, here.
- Fri., Oct. 31—Hall week.

BASKET BALL BEING USHERED IN TONIGHT

Intra-Mural Tournament Opens In Gymnasium At 6:30 o'Clock

EIGHT TEAMS ARE IN

Students Must Have Passing Grades In 12 Hours Work To Be Eligible

Intra-mural basketball teams have been chosen and play is to start this week. Enough players have been mustered to constitute eight teams. This tournament is in compliance of a single round-robin schedule and must have all games completed by Thanksgiving.

Football men are excluded from taking part in the tourney but are eligible to referee or officiate.

Captain Marvin J. Hinzler chose the eight captains who in turn chose their men by the line up method and then later by the grab method in order to get the required number.

The captains and their team colors are: Jamison, "Fenglet"; Gillman, "White"; Rump, "Orange"; Leroy, "Yellow"; Bartles, "Maroon"; Fleming, "Green"; Austin, "Blue"; and Shackerford, "Black".

One rule the captain of each team must see that is obeyed and that is that every member on his squad has passing grades in 12 hours of work. The round-robin schedule:

- Schelet vs. Orange, 6:30 p. m., Wed., Nov. 22.
- Green vs. Blue, 6:30 p. m., Thurs., Nov. 23.
- Maroon vs. White, 4:00 p. m., Fri., Nov. 24.
- Black vs. Yellow, 6:00 p. m., Fri., Nov. 24.

PROF. BOONE TO TOPEKA

To Address State Teachers Convention In November

Prof. G. N. Boone, instructor of the industrial education department of the College, has been invited to attend and contribute to the program of the state teachers convention to be held at Topeka, November 7. He will address teachers of industrial and vocational art on the subject: "The General Shop as a Finding Course Procedure."

HERSHEY TO WICHITA

Attends Regional Meeting Of American Chemistry Society

Wed. Oct. 15—Dr. J. Willard Hershey and Vernon Gustafson motor ed to Wichita this evening and attended the Wichita regional convention of the American Chemistry society. The address of the evening was given by Professor Davis, head of the organic chemistry department of the University of Kansas. Dr. Hershey did not speak.

DEBATERS DRAW FOR TRYOUTS NOVEMBER 4

Women Draw The Following Day—Tryouts To Be Held Nov. 11 and 12

Mon., Oct. 20—Prof. A. Ross, debate coach, announced this morning that drawings for the men's tryouts would be held in room D in the Administration building at 1:10 p. m., Tuesday, November 4. The drawings for the women candidates will take place the following day at 5:30 p. m., November 5. Men's tryouts are November 11, and women's November 12.

Professor Ross is urging all candidates to register with him at once so that their names may be added to his "Little Red Book." Tryout speeches will be 5 minutes in length with 2 minute rebuttals.

CLUB DRAWS INTEREST

Two Daily Newspapers Carry Stories Of The College Republican Club

Two well known daily newspapers, the Wichita Eagle and the Topeka Daily Capital seem to be taking an interest in the Republican club of McPherson college. When the club was organized two weeks ago both papers carried stories about the organization and last Saturday long articles about the big rally the senior Republicans at the College last Thursday night.

BLAIR ADDRESSED THE COLLEGE C. E. SUNDAY

Professor speaks Of The "Modern Challenge" For The Students

Sun., Oct. 13—The college Christian Endeavor this evening was featured with a talk by Prof. J. A. Blair in which he spoke concerning a "Modern Challenge." The time spent in college offers youth a challenge to make proper use of the time which is at their disposal in order to develop a radiant character. The devotions were in charge of Dorothy Drescher and Orpha Beary sang a solo.

BULLDOGS ARE READY FOR BAKER WILDCATS

Conference Leaders Have Been "Running Wild"—Have Won Two Games

HERE FRIDAY NIGHT

McPherson Has Had Two Weeks Of Hard Work—Lines Are About Even

When the Bulldogs meet the Baker Wildcats here Friday night they will face the Kansas conference leaders who have been running wild this season and it seems that our team is able to hold them. Their ferocity has been made manifest by the way they trounced the powerful Kansas Wesleyan Coyotes by a score of 18-0. They were running wild when they played the Swines and handed them a defeat of 61-0.

Although the Baker line averages only 172 pounds they seem to possess a special faculty for drive and speed. The Wildcats will depend upon Laage to do their passing. Block and Cookson comprise a pair of fast shifty half backs that are hard to stop. It is around this trio that the Bulldogs place their hopes of victory Friday night.

Despite the coming battle the Bulldogs, with a rest last Friday, will be ready for whatever the Baker Wildcats have to offer. Together with the new material and some good hard scrimmages these last two weeks the Bluffed men are in top form to give the Wildcats a real battle. Since Baker's average weight does not surpass that of McPherson on any far, this should enable the Bulldog line to check the Baker offense.

VIRGIL REMEMBERED IN CHAPEL BY HESS

2,000th Anniversary Of Writer Is Observed By College Professor

Wed., Oct. 15—Today in the 2,000th anniversary of the birth of Virgil," stated Prof. Hess in chapel this morning. He told of the life of Virgil and the greatness of his works. A very interesting review of "Aeneid" was given. This is a very wonderful poem in spite of the fact that it was never completed.

In his work, Virgil searched for perfection. He felt the necessity of doing one thing well. We should try to do one thing well enough that years later our birthday will be as universally celebrated.

A NEW AMENDMENT IS RATIFIED BY W. A. A.

Organization To Assist Members There—Next Spurt To Be Valley Hall

Mon., Oct. 20—An amendment to the constitution of the W. A. A. was passed in the regular meeting this evening that provided that dues may be assessed in the organization. It is to be decided later what the dues will be for each member. The president, Ebbel Jamison, announced that the new year picnic will be played either this week or next, if the weather permits. The next spurt to be taken up is valley ball.

One of the reasons you can't put a million dollars in jail is that by the time all the appeals have been heard the legal gentlemen have most of the million.

WHAT THE NEWSPAPERS DO

There is a mistaken idea current with a certain type of reformer that newspapers carry the functions of creators and censors of the public taste.

Newspapers are, in a way, guardians of the public morals within the terms of the law and the canon of common decency. They are published as a rule by men of clean character, habits and taste.

The objective of the newspaper is to report to its readers as fully and reliably as possible the news of human current transactions and the events of nature.

The popular pages of the newspaper reflect very accurately the phase of public taste, created otherwise than by the newspapers. The news columns are the study of a section of the public, the society columns are most important to another section, the sports pages to yet another.

Every living thing is related through a common descent to all the rest of life—H. G. Wells.

HOW FAST ARE WE LIVING?

Always are we waging a war against time. Time and space are being eliminated by the efficiency of progress and the fermenting desire to cope with finance and business.

Last year the Graf Zeppelin spanned the 5,650 miles between Tokyo and the Golden Gate in one hour less than three days. Hawks recently ate breakfast in San Diego and that evening dined in New York City.

The peace and solitude of a century ago is giving way to things of greater awe. We have been endowed with a cosmic desire for speed. We are getting it. We want things that are new—things that are alive—and things that terminate our personal desires.

It's foolish to kick against things you can't help. But you don't know you can't help them until you have kicked.

REFLECTIONS OF RAYMOND THE RAMBLER

There are many customs found in this man's college; some good, some bad, and some adolescent. There is one that has been a sort of sore thumb to some people. It isn't one that is laughable or anything like that, but it is pretty hard to fight just the same.

What we need to meet the crisis is a number of devoted, sacrificial young men who will whole heartedly throw themselves into the cause and dare a different stir each night for fourteen successive nights until we have crushed this dire custom which is threatening the social well being of M.C.

EDUCATOR OF CHURCH IN A JOINT MEETING

Minich is the Educational Secretary of General Missions of the Brethren.

When Christ came to this world he shared truths with the people to the darkness thus bringing light to many. Through these revelations we are able to know the truth and it is our duty to take them to those who do not.

McPHERSON PROFESSORS SPEAK AT HUTCHINSON Students Attend District Meeting Of The Church Of The Brethren

A representation of college students and professors attended the district meeting of the church for the southwest Kansas held at Wichita Oct. 17 to 20.

The Saturday evening service was given over to McPherson college, and the general theme was "education". Pres. V. F. Schwalm was the main speaker; he addressed the group on "Prospects for Peace in Europe".

The following students were in Hutchinson Saturday or Sunday for the meetings: Alma Morrison, Grace Early, Ruth Trostle, Eugenia Dawson, Verma Weaver, Eula Kimball, John Lehman, Mary Weddie, Hazel Zimmerman, Everett Farnsworth, Grace Heckman and Philip Leaver.

SEEN ON THE CAMPUS HEARD IN THE DORM.

Edmar Kiers, '30, of Chicago, visited with friends on the campus and in the city a few days last week end, returning to Chicago Monday.

Eula Kimball and Ruth Trostle spent the week end with their respective parents near Nickerson.

Ray Nonken, '30, called on friends in McPherson over the week end and attended the Kansas-Aggie game Saturday at Manhattan.

Marjorie Bunce visited with her parents at Bushong this week end.

Neal Witmore visited with Ruth Miller, R. S., '29, of Carlton, Nebr., Saturday and Sunday.

Mr. and Mrs. Milla Metsker spent Thursday at the dormitories.

The ladies quartet of the College sang at the district meeting at Hutchinson last Saturday.

Melvin Miller, former Bulldog athlete, visited on the campus one day last week. Mr. Miller is playing on an independent football team in Wichita where he is employed by the Phillips Petroleum corporation.

Ellen Stelberg spent the week end at Lorraine, Kan., with her parents.

Velma Hutterbaugh visited her parents at Geneva, Nebr., Saturday and Sunday.

Grace Early, Alma Morrison, Velma Keller, Mary Weddie, John Lehman and Philip Leaver were among the students that attended the district meeting at Hutchinson last Saturday.

McPHERSON COLLEGE STUDENT HAS HAD "JAKE" FLEAGLE AS NEIGHBOR IN WESTERN KANSAS

Ted Crist Has Lived Four Miles From The Notorious Bandit All His Life—Says Fleagles Were Good Neighbors—Ted Talked With "Jake" A Week Before Lamar, Colorado Bank Robbery

A student of McPherson college had the unique experience of having one of the most notorious bandits of the west as his neighbor, a man who has been called the "Wolf of the West", who has murdered, who has robbed, and who has been a fugitive from justice for the last two years. This bandit was none other than the nationally known "Jake" Fleagle, who was leader of the band of bandits that robbed the Lamar, Colo., bank two years ago last summer killing a number of the bank officials, and who last week was killed by Los Angeles authorities on a train near Brandon, Mo.

Ted Crist, son of Rev. and Mrs. J. E. Crist, who lives 25 miles northwest of Garden City, Kan., a sophomore at McPherson college, has known "Jake" all his life. The bandit has lived within four miles of the Crist home as long as he has been in that part of Kansas and the Crist family became quite well acquainted, in a neighboring way, but never once did they suspect them of being members of a bandit gang.

Not more than a week before the daring robbery of the Lamar bank young Crist was working in a field near his home when "Jake", driving the car later found boxed and hid in a barn on their farm, stopped and in a neighboring manner chatted with Ted. There was nothing unusual about their conversation to warrant Crist suspecting that "Jake" was making plans for a big bank robbery. The Fleagles had always been good neighbors but were not good mixers in the community. They were what one might call strictly home folks. They never attended any social affairs in the neighborhood and the only place they ever went to was Garden City and Friend.

Mrs. Fleagle, mother of the notorious "Jake", was a member of the church and it is said she was an active worker. "I don't know of church and they say she was on a church worker as Mrs. Fleagle", Ted has remarked. But a few years before the Lamar robbery she began to drop her church work and gradually left it altogether. Ted's father was pastor of the church. Neither "Jake" or his father or any of the other boys ever went to church.

"Jake" lived with his parents as long as he was in western Kansas on the farm. The Fleagles were good farmers but were great horse raisers and this seems to be their only source of income besides the landlady of the boys. It has been suspected that they bootlegged but no one was ever able to find that they did such and it is a question if they ever did sell liquor. In former days the Fleagles were good horsemen and usually carried off the prizes at the rodeos, and they are still riding and raising horses for an income.

It has never been known that the Fleagle boys ever took anything from their neighbors and their neighbors were never any more suspicious of them as they were of any of the others.

Now "Jake" is dead, his brother Nath has been hanged in Colorado, Walter is in jail serving out a sentence, and Fred is in the courts on a charge of tax evasion.

RANKIN ENTERTAINS COLLEGE STUDENTS

two course dinner was served. The remainder of the evening was spent in listening to the radio, playing games, singing, and making candy. At a late hour the girls drew numbers to see which room they would occupy for the night. Next morning a delicious waffle breakfast was served. The guests were Ida Lengel, Helen Hudson, Avis Wattenburger, Edna Hoover, Lillian Hurdick, Alberta Yoder, Mary Weddle and Ethel Abeldt.

FORENSIC CLUB MEETS

First Regular Two Weeks Meeting—Speeches Are Given—Hess Is Sponsor

Mon., Oct. 20—The first regular meeting of the Forensic club was held tonight in the College chapel. Lihurn Gottman, president of the organization, presided over the meeting and gave an introductory speech on the purposes and benefits of the Forensic group.

The program consisted of short talks by Keith Hayes on "The Relation of Freshmen to Upperclassmen", and Ward Williams on the "History of Forensics at McPherson College". A reading was given by Lucille Grabb.

It was decided that the club would meet every other Monday night. Prof. Maurice A. Hess is sponsor of the organization.

SOPHOMORES PICNIC

FORMER STUDENT KILLED

Glade Fisher Mistaken For Deer In Idaho And Is Accidentally Shot By His Companion

Frutland, Idaho, Oct. 11—Glade Fisher, a graduate of McPherson college, was accidentally killed today while hunting deer in the hills near here. Fisher and a companion were hunting deer when they became separated from each other and Fisher was mistaken for a deer. Mr. Fisher was a well known student on the McPherson college campus and played several years on the Bulldog football team. He was married last spring.

FIND A SMALL BOA

Snake Is Found In Bananas—Now In Biology Laboratory

Mon., Oct. 20—A small boa constrictor, nearly two feet in length, was brought to the biology laboratory this morning by Vernon Gastation after it had been found in a bunch of bananas. The snake was found wrapped around the stalk of the bananas in the Alliance Exchange store and was not discovered until a clerk cut away some bananas.

JUNIOR PICTURES THIS WEEK FOR QUADRANGLE

Tryed To Have Their Pictures Taken As Soon As Possible

The Quadrangle staff says that beginning today the juniors are to have their pictures taken at either Walker's or Ostlund's studio. They will be given a week in which to have their portraits taken and the staff is writing that they take this matter up immediately.

It costs the city of New York \$350,000 a day to operate its public school system, and the figure is expected to reach a million dollars.

STAY WITH THE BULLDOGS, AND YOU WILL ALWAYS COME HERE.

No Detours
On a man's drive toward financial independence, how many things can make him detour over the bumpy roads of financial worry. But not if he has a reserve of ready cash, in the form of a steadily growing Savings Account. For then he has the means to protect himself from sudden emergencies—and the confidence to take advantage of an opportunity that means a "short cut" to his goal.

BAKER BEATS THE SWEDES VERY BADLY

Phillips U. Trims St. Mary's In Hard Fought Game At Enid, Oklahoma

BAKER 61 — BETHANY 6

Kansas Wesleyan Goes To Missouri For Intra-State Game

Tulwin, Kan., Oct. 17.—The Baker University Wildcats completely trounced the Bethany Swedes here today 61 to 6 in one of the most one-sided classics in the Kansas conference. Bethany was out-played, and out-classed in every phase of the game, gaining 115 yards at scrimmage while their opponents chalked up 24 yards. Baker intercepted 5 of the Swedes' passes. Leland Baker scored 5 of the Wildcats' 9 touchdowns.

Enid, Okla., Oct. 17.—St. Mary's college went down fighting hard tonight before the onslaught of the Phillips Huskies, 15 to 7.

After a scoreless first half Phillips won two points on a safety, the result of a clocked punt, and missed their unsuccessful scoring efforts of the first half by pushing across two touchdowns. St. Mary's hit right back and with two minutes of play left, scored a touchdown on two forward passes which totaled 42 yards. Burns tossing them to McMichals and Klensch.

Phillips set some sort of a record in the first half when they gained 208 yards from scrimmage and piled up all first downs without scoring.

Springfield, Mo., Oct. 17.—Kansas Wesleyan university of Salina defeated the Springfield Teachers' college eleven here today 14 to 7 after the local team led at the half 7 to 0. Overholser and Robinson, behind the rejuvenated Corole forward wall, crashed over for touchdowns in the third and fourth periods, respectively.

— DRIPPINGS — from THE DOPE BUCKET

The Bulldogs are to face the highly touted Baker Wildcats Friday night on the local gridiron. The odds greatly favor the Baker eleven according to dope, but the Bulldogs have some new men that will put a little more beef in the line.

The Baker machine gave the Swedes an exhibition of a track meet last Friday and snowed them under, but the Swedes slipped over a long pass in the final quarter for their lone tally.

St. Mary's lost to Phillips university at Enid. This makes our chances with St. Mary's look considerably brighter.

Win or lose, Bulldogs, the school is still backing you and always will. Let us all turn out for the Baker game Friday night and raise the roof of the grandstand for the Bulldogs.

Seventy per cent of the English speaking people of the world live on the North American continent, and 60 per cent of them in the United States.

A new danger confronts the earnest seeker after literature, now that popular books are going on sale in cigar stores. He might, in his efforts to get more books, get the punchboard habit.

Those who maintain that boxing, baseball, horse racing and other sports are crooked are now trying to find who framed the Constitution—probably the Democrats because the G. O. P. wouldn't do a thing like that.

New York City has 2,200,000 school children.

THESPIAN TRYOUTS TO BE HELD MONDAY

Prospective Members To Give Cuttings From Some Dramatic Production

HAVE ELECTED ADVISER

Tues., Oct. 21.—Arrangements were made tonight for tryouts for the Thespian club that will be held Monday afternoon from 1:30 until 5:30 o'clock, October 27. Cuttings from certain plays or dramatic productions will be given by prospective members.

Any student in the sophomore, junior, and senior class are eligible to become members if they receive the unanimous vote of the three judges. Prospective members are required to give a cutting from some play or dramatic production not to exceed three or four minutes in length. It is not required that each student memorize his cutting because some other person will read the opposite part for them. The future members will also be given some cutting they are unfamiliar with to read to give the judges an idea of the manner in which they are able to interpret the cutting. It is probable that a pantomime of some kind may

be required, however, nothing definite has been decided upon this matter.

The three judges for the tryouts will consist of Mrs. Lawrence Gates, who will direct the production, Mrs. J. Daniel Bright, who was recently elected faculty adviser for the organization, and the president, Leland Lindell.

All students planning to tryout for the organization are urged to get in touch with Leland Lindell and to state the time they would be able to tryout Monday afternoon, the most convenient for them.

SPEAKS AT MACKSVILLE

Dr. Schwalm Tells Teachers Of The Government Of Italy

Macksville, Kan., Oct. 18.—Dr. V. F. Schwalm, president of McPherson college, spoke before the teachers of the county association here today. His talk dealt with the government of Italy and the manner in which Mussolini governed his people. Mr. Frank Sargent of the College accompanied Dr. Schwalm here.

high schools and church. The team left last Friday afternoon and will be gone ten days, returning Oct. 27. Those on the team are Ethel Sharfy, Helen Eberly, Pauline Dell, Charles Austin, and Vernon Rhoades.

WRITES FOR ARTICLE

Scientific American Asks Dr. Bershey For Science Story

That science is realizing something of great value in Dr. J. Willard Bershey's experiments in synthetic atmosphere is shown in the fact that the Scientific American, monthly science magazine, has written to him and asked him to send them an article on his experiments with rare atmospheres. The article will appear in an early issue.

"My fiancé has won over thirty loving cups"
"Well, you're marrying an expert, my girl!"

It's Quite a Trick!
First, we have to watch the turn of the color wheel—that our ties shall be right in shades to carry out harmonious ensembles.
Second, we have to watch patterns—stripes, plains, small figures.
Third, we must watch the quality—without which the first two don't count.
Fourth, we must watch prices—to have fine ties at popular prices.
We're hitting on all four this Fall!—Come in and see.
